W. O. Lawrence, Trustee for the heirs of
Lieutenant Edward Sawtle, deceased, Plaintiff
Against
Henry Barth & Christiana Barth his wife, Defendants

Court of Common Pleas of
Cuyahoga County, Ohio
Appearance and Cross Petition
And now come the Defendants

1st Defense

Henry Barth and Christiana Barth and answering the Petition of said Plaintiff say: That they deny that said W. O. Lawrence is Trustee for the heirs of Lieut. Edward Sawtle deceased, or that he has any right or authority to act for them as trustee or otherwise, but on the contrary is acting entirely without authority in the premises, and deny each and every allegation in the petition contained except the execution of the note and mortgage in the petition described.

2nd Defense

The Defendants further answering say that said plaintiff (might not to have) all maintain said action for the reason that said note and mortgage were made without any consideration therefor.

3d Defense

The said Defendants further answering said petition say that said W. O. Lawrence pretending and representing that he was the Trustee of the heirs of Lieutenant Edward Sawtle deceased in whose name he had pretended to act and in whose behalf he had conducted a suit against the Defendant Henry Barth and others in said Court in Case of Mary Haines et. al. against Henry Barth et. al. in ejectment to recover the possession of Military Survey No. 9940 in said County of Cuyahoga in which suit the plaintiffs had obtained the judgement of said Court that said Henry Barth and others should pay to certain sums amounting to the above $4264 100 upon the plaintiffs in said case of Mary Haines et. al. against Henry Barth et. al. to wit: Mary Haines, Washington Haines, John Shaw Sarah Frank, Adeline Geary, Fanny Shaw, William H. Shaw, Charles R. Shaw, Sarah G. Raymond, Mary Raymond, Samuel R. Shaw a minor, Elizabeth Shaw, Mary Ann Barr, Elizabeth Barr Rachel E. Barr, John R. Barr and James C. Barr, minors who sued by John W. H. Barr their next friend Clarence Sawtle and Mary A. Sawtle, conveying to the defendants in said case by good and sufficient deeds of General Warranty the lands described in said petition being Survey No. 9940. upon payment 1/3 upon the delivery of said deeds, 1/3 in 12 months thereafter and the remaining one third in 24 months thereafter. And whereas said W. O. Lawrence falsely pretending that he had procured such deeds and so representing to these defendants by means of such false and fraudulent representations induced these Defendants to sign and execute the note and mortgage described in the petition

the said Wm. B. Lawrence there well knowing that the was not Trustee of said lines and well knowing that the papers which he then and there delivered to these Defendants and others purporting to be deeds from the lines of Edward Smith deceased and which he represented as good and sufficient conveyance deeds as ordered by the Court in said case, were not of any validity and also were and being signed or executed by said parties. Plaintiff in said action of ejectment not executed by anyone authorized to act for them, nor any and all of them Adaline Gray, Sarah R. Shaw, Elizabeth Shaw, Mary Ann James B. Gray, Rachel E. Gray, John R. Gray John H. B. Gray and other parties plaintiffs in said ejectment suit. Yet the said Wm. B. Lawrence well knowing the premises and well knowing that the pretended deeds were of no account or balance and well knowing that no deeds of any sort had been executed from or parties of said plaintiffs in said case, falsely and fraudulently represented such papers to be good and sufficient conveyance deeds for said Survey Number 9770 made by all of said plaintiffs in said ejectment suit in pursuance of said order of said Court. That by and by reason of said fraudulent and false representations and by reason of said fraud as practiced upon them Defendants procured from them the note and mortgage in the petition set forth without any consideration therefor and pro duid conveying any title by any person authorized to make the same has been made to said Henry Bartle and other Defendants in said ejectment suit.

4th Defense. These Defendants further represent and say that said Washington Haines his agents and attorneys and other parties unknown to these defendants conspiring and conspiring with them as these defendants believe procured by fraud to be vested in the heirs of one Edward Smith deceased what purport to be a patent for said land Survey No. 9770. Through said by said Washington Haines or some one pursuading them and representing themselves to be heirs of said Edward Smith deceased, procured from this Honorable County Virginia Circuit Court January 10th 1871 an order of said Court certifying that he and others named in said certificate whose place of residence were said to be unknown, were the heirs of one Edward Smith deceased which Euclin said patent was issued. These defendants believe and so charge that the whole transaction of procuring said Patent and the pretended proof of heirship was a base fraud and vile conspiracy to rob these defendants and others of said Survey No. 9770. That said pretended Washington Haines was not the heir of said Edward Smith nor are any of the parties whose names are mentioned as parties plaintiff in said ejectment suit any relation to said Edward Smith deceased and these defendants deny that these are any such persons living as are represented in said case. That said heirs are only pretenders whose existence can not be established, and to protect the Court from imposition and these defendants from robbery the defendants say that it is necessary for the purposes of justice and to protect these defendants from the payment of a large sum of money to persons who are not entitled to receive it and have no claims to it that the evidence or place of abode of said pretended plaintiffs in said ejectment suit be shown; that their heirship and legitimacy and pedigree may be inquired into (if they have any) if any such persons exist which fact these defendants utterly deny. And if there ever was, or is now any such persons these defendants say they had no knowledge of the pendency of said ejectment suit or this suit. Never had

any claim against these defendants and make more sure. These defendants say that said judgement in said ejectment suit was obtained upon the evidence of said Patent which was procured by fraud if not by means of which fraud and covenant act if so it be these defendants had no knowledge until the month of June 1877 or about that time. These defendants say that said mortgage and said judgement are an apparent lien on said lands and cast a cloud upon the title of these defendants to said lands. That they are both fraudulent and should be cancelled or perpetually enjoined and the title of these defendants to said lands forever quieted and set at rest as good and valid claimant. Wherefore these defendants pray that said plaintiff be required to show cause before he acts as Trustee, why the parties reside and who they are for whom he pretends to act by what authority he took said note and mortgage, that he exhibit evidence of his authority, that said note be declared void and void as without consideration and obtained by fraud and false representations, that said decree and judgement be set aside and held for naught and cancelled or perpetually enjoined and that said note and mortgage be cancelled and delivered up. That said suit be stayed until proceedings to set aside said order and judgement in said ejectment suit can be instituted and proceeds and for all such other and further relief, order and decree as this case in law or equity may require

Court of Common Pleas

Reply.

The plaintiff never comes and for reply to the answer of the defendants says: First. That it is not true that said note and mortgage in the petition mentioned were made without any consideration; and he says, on the contrary, that the same were made executed and delivered upon and for a full fair valid and valuable consideration. Second. He denies that he pretended or represented to the said Henry Bartle, or any one else, that he was Trustee of the heirs of Lieutenant Edward Smith and says that he was made a Trustee for said heirs by the act, agreement and consent of the defendants, at and before the time said note and mortgage were executed and delivered to him by the defendants. He admits that he conducted a suit against Henry Bartle et. al. in the Court of Common Pleas of Union County, Ohio, in which he

Mary Haines et. als. as the plaintiffs, and Henry Baath et. als. were defendants in ejectment as alleged in defendants answers and he says that said plaintiffs Mary Haines and others obtained judgment for the recovery of possession of said entire Survey, and that in said proceedings being had under the aforesaid declaration law a decree of said Court was ordered, that said Henry Baath and others defendants, should pay the sum of $ 64 84. 35/100 with interest from the 20th day of October 1873 until paid as alleged in said petition in this case, and that the plaintiffs were required to convey said lands as recovered, as set forth in said answer. He denies that he falsely pretended that he had procured said deeds, or that he induced the defendants hereto to sign and execute the note and mortgage described in the petition by false and fraudulent representations: or that he made any fraudulent or false representations to said defendants or either of them at any time or place or in any manner. He denies each and every allegation contained in said answer wherein he is charged with having suffered, did or said anything whatever false or fraudulent or deceitful, or with having made any false representations or practiced any fraud. He says that he delivered to the defendant Henry Baath, all the deeds which he at any time agreed to have. That he had for him, and that all the deeds which he so delivered were such as were ordered by the Court in said action of ejectment: and that they were duly signed and executed by the proper parties duly authorized. He admits that no deeds were delivered by him to Henry Baath conveying the interest of Adaline Henry, Samuel Shaw a minor, Mary J. Carey, Elizabeth A. Carey, Rachel C. Carey John R Carey and Jacob C Carey - all these minors - neither did he at any time agreed to the defendants that he had received, procured or delivered to them any such deed or deeds, but on the contrary he at all times said that conveyances had and have made by them or either of them, and also stated their interests in the land and decree. So that the defendants were fully informed of the facts, and of the further fact that one tenth and one tenth only, of the title to said land was yet out standing, and plaintiff now says that only one tenth part of the title to said lands remains unconveyed to the defendants in the said action of ejectment, and that the persons last above named who were plaintiffs in ejectment have the legal title to said one tenth interest. He further says that no deeds of conveyance are necessary to be executed by Elizabeth Shaw as Guardian or by John T. H. Carey as next friend which facts are shown by the record That Tracy Shaw died intestate leaving no children or their legal representative, after the rendition of said judgment in her favor in ejectment and before any conveyance were made or delivered to said Henry Baath and that at her decease her interest descended to her brothers and sisters who have conveyed to defendant Henry Baath, to wit: to John Shaw Emanuale Funk, Wm Henry Shaw, and to the legal representatives of her brother Zachariah Shaw dec'd. to wit: Sarah C. Layman and Charles R. Shaw who have conveyed to defendant Henry Baath Adaline Henry, a sister of Tracy Shaw, Samuel Shaw a minor son of said Zachariah Shaw dec'd and the children of Mary J. Carey a deceased sister of Charles R. Shaw, whose names are above given as minors who have not conveyed their interest to said Baath or to

any one else for him. Third. For reply to the defendants fourth ground of defense plaintiff says that he denies each and every fact, allegation or statement therein contained. And for further reply says that on the 2nd day of March 1872 the heirs of Lieutenant Edward Lucke for whom he is acting as Trustee in this action, to-wit: Mary Haines, John Shaw, Susannah Trunk, Astaline Hussey (Fanny Shaw now dec'd) William H. Shaw, Charles R. Shaw, Sarah A. Baynard, Samuel Shaw a minor the heirs of Mary Carey hereinbefore named, Washington Haines husband of Mary Haines and George Baynard husband of Sarah A. Baynard commenced an action in the Court of Common Pleas of Union County, Ohio, by filing their petition therein, and causing summons to issue thereon which said summons was duly served by the Sheriff of Union County, Ohio, upon Henry Baetz and others defendants. That in said petition said Mary E. Haines and others prayed for immediate possession of the entire Virginia Military Survey No. 9970 in said County, and that on the 15th day of May 1872, said Henry Baetz for himself and the other defendants filed an answer in said cause. That afterwards, to-wit: on or about the 17th day of May 1873 such proceedings were legally had, that the plaintiffs in said action, recovered judgment against the said Henry Baetz and others for the possession of said entire Survey of land containing about Three hundred and eighty-five acres. And afterwards, to-wit: on the same day the said Henry Baetz and others, the occupants of said land made application under the statute for that purpose, for the relief granted to occupying claimants which was duly granted by the Court. That afterwards from time to time such proceedings were lawfully had in said Court and cause that on the 20th day of December 1873 the said Henry Baetz and others defendants therein, were duly adjudged to pay to the plaintiffs therein, the sum of $5484.35/100 with interest thereon from the 20th day of October 1873 until paid, which judgement, order and decree of the said Court of Common Pleas have never been appealed from reversed, vacated, modified or satisfied, but still remains in full force and virtue in law, against the said Henry Baetz and others, defendants therein, and in favor of the then plaintiffs whose this plaintiff now represents as such Trustee. Plaintiff further says that said note and mortgage sued on, were given by the said Henry Baetz, to secure to the parties whom this plaintiff represents, a portion of the money therein recovered by the judgment and decree of said Court by said parties then plaintiffs against the said Henry Baetz and others then defendants. That the defendants herein by said judgement, decree and proceedings, are barred from having or maintaining any such defense as is set forth in their said fourth ground of defense. Plaintiff further says that at the time said note and mortgage were executed to him by the defendants herein, the said Baetz were fully informed by him as to the portion of the title to said lands which yet remained in the successful claimants, unconveyed, and that all were minors but one, and that their joint interest amounted to one tenth of the land or decree and it was understood and agreed between said Baetz and plaintiff that the shares or portions of such of the original plaintiffs as had not conveyed should remain unpaid until conveyances were duly made by them under the order of the Court or a decree of this Court entered against them, or such of them as yet failed to convey according to the Statute in such case made and provided. And this plaintiff then offered as the attorney for the plaintiff

on the original action, to cause proceedings to be commenced at once under the Statute for the relief of occupying claimants to obtain a decree against those who had not conveyed, if the said Henry Barth and others would prevent the use of their names in such proceedings, and that such proceedings should be had, and decree obtained without cost or expense of any kind to the said Henry Barth and others, but the said Henry Barth neither accepted or rejected said last mentioned proposition but amended said note and mortgage. The plaintiff further says that he still holds himself in readiness to obtain such decree with the consent of said Henry Barth and others and that the respective interests of those who have not conveyed, may still remain unfixed until such lawful conveyances are made or decree taken in that behalf under the Statute. Having thus fully replied to the answer of the defendants, the plaintiff asks judgement and such other and further relief as in his petition he has before prayed.

It is therefore considered ordered and adjudged and decreed by the Court that the defendant within ten days from this date pay to said plaintiff as such Trustee the said sum of $4635.15/100 with interest thereon from April 29th 1878 at the rate of eight per cent per annum and also the costs of this suit taxed to $ and on default thereof that an order issue to the Sheriff of this County for that purpose being, commanding him to proceed to appraise, advertise and sell the lands and tenements in the petition and mortgage described as before judgements

Supplemental Petition

D. B. No. 38

Supplemental Petition

C. P. No. 2551

W. B. Lawrence, Trustee for the heirs of Lieutenant Edward Smith, plaintiff, in the cause and for his Supplemental Petition in this action says: That since the action of W. B.

Cameron Trustee etc. against Henry Baute above named, was heard in the Court of Common Pleas in and for the County of Trumbull, Ohio at the April Term 1878, to wit: on the 20th day of May 1878: and since said decree was brought into this Court by appeal on the part of said Henry Baute and prior to January 21st 1879, the said Henry Baute the sole defendant departed this life having prior to his death made and executed a paper writing purporting to be his last will and testament. The said paper writing was deposited in the Probate Court of Trumbull County Ohio, on or about the 23d day of January 1879, but the same has never been admitted to probate or record in said Court because, as this plaintiff is informed and believes and therefore avers the fact to be, that one of the witnesses thereto resides in Kansas and did so reside at the death of said Henry Baute, and has ever since the said death of Henry Baute, been a non-resident of the State of Ohio and absent therefrom. That the said Henry Baute at his death left surviving him the following children, heirs at law (some of whose are named in said paper writing as devisees.) to-wit:- Henry O. Baute, William H. Baute, Charles Baute, Rosan O Shreddy and Caroline A Shortsleeve who are named in the caption hereof as defendants. The said Henry O Baute resides in Franklin County, Ohio; the said Caroline A Shortsleeve resides in the same County and State; the said William H. Baute resides in Mercer Co. Ohio; the said Rosan O Shreddy resides in Trumbull County Ohio, and the said Charles Baute resides in the County of Trumbull in the County of Warren, Ohio and plaintiff is unable to learn in which County his present place of residence is, he being an unmarried man. The plaintiff further says; that there is yet due from as such Trustee for the use of Lieutenant Edward Smith deceased the full sum of money claimed in the petition filed by him against Henry Baute and Christiana Baute his wife, both now deceased and with interest at eight per cent per annum from the 28th day of March 1877 for which indebtedness said decree was entered in his favor as such Trustee on the 20th day of May 1878 in the sum of $4635.15 and costs which said sum was by the terms of said decree to bear interest at the rate of eight per cent per annum from the 29th day of April 1878. The plaintiff further says that the said Charles Baute, William H Baute Henry O. Baute, Rosan O Shreddy and Caroline A. Shortsleeve are the only children as well as the only heirs at law of said Henry Baute deceased, some of whose as before stated are named in said paper writing purporting to be the last will and testament of said Henry Baute deceased, as devisees; and that they are the only persons who have any interest under the will of Henry Baute deceased, if it should be admitted to record and he prays the Court that they may be made parties defendant in this action. The plaintiff further prays that a decree may be entered by the Court in his favor as such Trustee etc. for the sum of Four Thousand Six Hundred Thirty five and 15/100 Dollars ($4635.15/100) with interest thereon from April 29th 1878 at the rate of eight per cent per annum; that said mortgage in the petition set forth may be foreclosed; the premises described in the petition and mortgage ordered by the Court to be sold and the proceeds arising from such sale applied to the payment of the indebtedness to plaintiff as Trustee, Taxes which are a lien on said lands and costs, and such other and further relief etc.

On the 17th day of March A D 1880, a Motion and Affidavit were filed with the Clerk of said District Court of Preble County, Ohio; which reads as follows, to-wit:-

D. B. No 38	Lieutenant Edward Smith, deceased, Plaintiff

D. P. No.	Henry Bard, Charles Bard, William Bard	
2551	Henry O. Bard, Rosanna O. Shrieldy and	Motion and Affidavit
	Caroline A. Shortsleeve, Defendants	

And now come the said defendants and move this Court here for a continuance of this cause until the following term of this Court for the following important reasons, to wit:- First: for the reason that the said defendants have discovered new and important evidence relating to the issues presented upon the pleadings in this case and which said testimony is material and that these defendants can not safely proceed to trial without it. Second: That one Adaline Henry who resides in the town of Burlington, Boffo County, Kansas; and who is one of the reputed heirs of the pretended Edward Smith for whom W. O. Lawrence represents himself and pretends to act in this action as a Trustee, is a material witness in this action and will according to the best information and belief of these defendants testify to the following intent and purpose, to-wit: That the said W. O. Lawrence plaintiff in this action and who pretends and represents to be acting as Trustee for the heirs of one Lieutenant Edward Smith and who also pretends and represents that the said Adaline Henry is one of said reputed heirs, is acting for her, the said Adaline Henry without any authority what ever, that he is not a Trustee for her, the said Adaline Henry and that all claims, pretenses, actions, walties and affirmations to the said effect are false and without foundation, in fact that the said pretended claims of the said W. O. Lawrence to act as Trustee for the reputed heirs of the reputed Lieutenant Edward Smith is false and fraudulent and that the claims in this action is false and fraudulent and without right or justice and that the said Adaline Henry has repeatedly refused to convey or to attempt to convey to these defendants or to the said W. O. Lawrence any supposed or pretended claim in and to the premises described in the petition herein filed, or to make any power of Attorney or other writing or conveyance to the said W. O. Lawrence or any one relating in any manner or form to the said above described premises, that the said Adaline Henry has always refused so to do and never refuses claiming as she does that the said claims of the said W. O. Lawrence is fraudulent and false and that she always feared that the same would get her into trouble. These defendants represent that the said testimony is material and that they can not safely proceed to trial without the same and that they could not have procured the same nor known for trial at this term for the reason that the same has only been discovered within a few days prior to this term. Third:- These defendants say for a third reason that they have lately been advised and informed of evidence relative and material in this action to the intent following, to wit: that the evidence obtained by one Washington Haines for whom the plaintiff in this action pretends to act as Trustee in the County Court of Bowden County Virginia, that the wife of the said Washington Haines and others were the heirs of Lieutenant Edward Smith for whom W. O. Lawrence No. 9940, the property above referred to and upon which a patent was issued to the said Mary Haines and others unknown was false and fraudulent and that said proceedings were false, fraudulent and void. Fourth: For the reason that at & prior to the death of the late Henry Bard who was formerly the sole

defendant in this action, the said Henry Bank left his last will and testament and that said will has not yet been Probated owing to the fact that none of the subscribing witnesses to said will is a resident of the State of Kansas and that the executor of said will has not yet qualified and that no one appears in the action as the executor or administrator of the estate of the said Henry Bank as is required by law and these defendants say that this cause should be continued until such executor shall qualify as such, until said will shall be probated so that the proper representatives of the said Henry Bank may be let in to defend in this action as such, touching the rights of the late Henry Bank deceased in this action. Fifth: These defendants say for a fifth reason why this cause should be continued that the testimony of the Commissioner of the General Land Office in Washington D.C. is material & necessary in this action and that the testimony of the Judge of the County Court for the County of Camden Ga. And the testimony of Samuel Mc Clelland of Columbus, Franklin County, Ohio, are material and necessary in this action and for the want of which these defendants cannot safely with regard to their material rights proceed to trial at this time: all of which testimony aforesaid these defendants hope and expect to produce by the next terms of this Court. Sixth: That the issues in this case have only recently been made up in this Court and that these defendants have not had time to prepare for trial. That defendants aver that this motion is not made for delay merely, nor has said delay been made necessary by any act or negligence on their part, but that this motion is made in good faith for the purpose of justice and for the vindication of the rights of these defendants.

In this District Court of Union County Ohio.
Amendment to Motion and Affidavit

And now come the said defendants and move the Court for a continuance of this cause for the following reasons to-wit: First: That the evidence of one Adaline Seesy of Burlington, Coffee County in the State of Kansas is material and necessary in this action and without which these defendants cannot safely proceed to trial at this term and that they expect to prove by the said Adaline Seesy that the said M. O. Lawrence is not a trustee for her and the reputed heirs of the reputed Lt. Edward Spratte. That there is no consideration for the note and mortgage upon which this action is brought and that the said M. O. Lawrence

has no authority to receive any money from the defendants upon said note and mortgage, that the said Adaline Emery and others are not entitled to the possession of W. S. M. Survey No. 9710 and are not therefore entitled to receive the amount of money stated in the note and mortgage upon which this action is brought for from the said Adaline Emery for whom the said W. O. Lawrence pretends to act or for any other parties. Second: That the testimony of Henry Shoddy of Marion County Ohio is important and material in this action and that the defendants expect to prove by the said Henry Shoddy that the averments set forth in the answer of the defendants herein filed are true and that the note and mortgage upon which this action is brought were executed without consideration or if upon a consideration that the consideration has failed. Third: That the testimony of Samuel Mc Clelland of Franklin County, Ohio, is necessary and material in this action and that the defendants hope and expect to prove by him that the reputed heirs for which the said W. O. Lawrence pretends to act as trustee in this action, are not the heirs of W. Edward Smith and have no right or title to receive any sums of money on the account of the mortgage in this action upon which this suit is brought. That the testimony of the above parties is material and necessary and that the defendants can not safely proceed to trial for the want thereof at this term of the Court.

of Henry Barth, Charles Barth, W. H. Barth, Henry O. Barth, Rosamonde B. Smith and Caroline A. Wartzhalz says he admits that patent issued as alleged for said lands at the time alleged but he denies each allegations of fraud or conspiracy and denies that the same were procured use false or fraudulent evidence. He admits that said land was sold for taxes at the time alleged but he denies that said sale was regular or lawful and conveyed any title to said land to the said grantee but plaintiff says the same was irregular and void for the purposes of giving title. He admits that said Henry Barth took possession of said premises in 1859 but he denies that he ever records whom he holds, took possession in 1837 or before that or before 1859, and he denies that he obtained any title by his possession of said land or had any defence to the action in said answer mentioned by reason of such possession. He admits the certificates and warrants were filed in the land office as alleged but denies that they constituted all the evidence on which said patent issued but the contrary plaintiff says said entry and survey were made as early as 1830 and duly filed and recorded and said patent was lawfully obtained and lawfully issued and conveyed the legal title to said Survey No. 1770 to said patentee and all the allegations of said answer averring fraud in regard to said certificate and warrants &c. are denied. He admits the statute of limitation were not plead in said action, but he denies that if plead it would have constituted a defence thereto and denies that the answer in said cause does not allege the defence of a good title by law and he denies that any defence was omitted in said cause but on the contrary a full defence was made and on the question of allowing a refund of taxes to said Henry Barth prosecuted in the District Court of said County by petition in error to recover the judgment of the Court of Common Pleas but failed to obtain reversal. He admits he was not a party to said action and was not interested in said patent but he says that after all of said litigation was ended in the Common Pleas Court and District Court and said Henry Barth no longer owned said judgment in the Court of Common Pleas, the plaintiff brought an action in said Court of Common Pleas against the plaintiffs in said actions against Henry Barth and obtained a decree against Him for the sale of said premises and the proceeds of said judgment. He admits said mortgage and note were executed to said W. O. Lawrence as Trustee but denies that the same were without consideration or in ignorance of the facts and all the allegations of said answer charging or alleging fraud or conspiracy on the part of said W. O. Lawrence or any one is denied. He admits said suit were brought by W. O. Wm. O. Lawrence deceased and for Reply to the Answer of Henry Baath, Wheeler Baath, Wm. M. Baath, Casserie O. Schultz and Caroline Kaatzbelz say that they admit the patent for Seventy Six acres of land was issued at the time mentioned in said answer to the parties named therein but they deny that any fraud, false testimony or false certificate was used in procuring the same and deny that the evidence considered in said answer was all the evidence on which the same issued and deny that the same was regularly issued and is void but on the contrary the same was issued on lawful evidence by authority of law and on sufficient evidence and conveyed the legal title to the same to the said patentee and all allegations of said answer charging fraud, conspiracy, illegal proceedings &c are all denied. Further said defendants for reply to said answer say they admit said survey was duly made and recorded before the year 1832 and the Auditor sold the said Survey at forfeited tax sale at the time in said answer alleged but they deny that the proceedings preliminary to said sale were lawful and regular but on the contrary they say said pretended taxation, forfeiture and sale were irregular and no title passed thereby to the purchaser of the same and the same were found by the Patent in the record in said answer to be irregular and void as to title. They admit said Henry Baath held said land by color of regular conveyance from said tax deed as alleged and by no other title whatever, and he took possession of said Survey in the year 1839 when he obtained said deed and not before and has since held possession thereof from that time and all allegations of said answer alleging possession from earlier date are denied. They admit that an action was brought by the defendants as alleged against said Henry Baath for the recovery of said land and that judgement for the recovery thereof was obtained against the said Henry Baath as alleged and that he appealed from and obtained a new trial thereon upon the hearing of the accounting between said parties and that a jury impanelled in accordance with law and made valuations of the said land and every other thing required the land in a State of nature and that the defendants elected to take for the land the said valuation and that said valuation and election were confirmed by said Court and that the same remain in full force and effect unreversed but all the averments of said answer of fraud or ignorance or mistake or irregularity of any kind in procuring said judgement and said valuations &c are all denied. Further they admit said Henry Baath executed said note and mortgage at the time alleged to Wm. O. Lawrence as Trustee for the defendants and of Nineteen Seventh but they deny that the same was without consideration or was obtained by any fraud or mistake or ignorance of said Henry Baath and all allegations of said answer charging fraud or misrepresentation in procuring the same are denied. Further they admit Wm. O. Lawrence took the said note and mortgage as Trustee but that was by the mutual agreement and consent of the said Henry Baath and all the defendants whereon the said Lawrence represented and was done for the protection of said Henry Baath as well as all concerned and not falsely, or fraud or deception was used in that regard and all allegations of said answer to that effect are denied. Further they admit that said mortgage was given for more than said Henry Baath was liable in said decree under the occupying claimants law but by mutual agreement the said Henry Baath having conveyed by his warranty deed to Fred Moore the 100 acres of said Survey and being liable on his covenant of warranty to pay to him less more than the said valuation of said 100 acres, agreed with them to include in said mortgage the valuation of said Moore lot with the

† valuations of said 185 acre lot and after deducting $ 500 paid by said Bank the mortgage and costs included the balance and interest and no more and no less. They admit that Ameseon Smith was not a party to said action for the recovery of said land, they disclaim that they had lost trace of him, but they say that after said judgment was rendered and said proceedings under the occupying claimants law were all complied and were duly affirmed by the judgment of the Circuit Court on a petition in error by said Henry Bank to reverse the order of the Court of Common Pleas aforesaid as to the sale &c. The said Ameseon Smith by his attorney filed his petition in the Court of Common Pleas aforesaid against said parties interested and obtained after full hearing a decree for his third of said land and his third of the proceeds of the said decree and requiring them to convey to said Henry Bank his share in said land, all of which is of record and the said decree remains in full force and effect and all allegations of said answer as to fraud or imperfidy of any kind in that regard are denied. It is true the said decree under said proceedings under the occupying claimants law have not been received but the payment of said mortgage will operate as a release thereof and these defendants are ready and willing to cancel the same as soon as the said mortgage is paid. They admit that no plea of the statute of limitations was plead in said cause for the recovery of said land for the reason that no statute of frods existed which would, as said Banks Attorney believed, avail as a defense to said action but the allegations that any defence was omitted by mistake or design is denied and these defendants The said Henry Bank had in by law Court the judgment was justly and lawfully obtained the same stands as a complete bar as to title of these defendants to said land and said proceedings under the occupying claimants law settled the rights of said parties to recover said valuation & the same stands as a bar to all questions of the assessment there and said sale and mortgage were duly executed as a settlement made of the said valuation on said 185 × acres and said 100 acre Moore lot and said Henry Bank himself accepted the deeds afore said from Ameseon Smith, Henry E Hamer, Susannah Hunt, John Shaw, Wm Henry Shaw, Sarah A Carpenter, Charles R. Shaw and since that time the said Matthew Henry by deed conveyed his interest therein to J. W. Robinson who conveyed the same to said heirs of Henry Bank deceased, and since that time Samuel E. and Cross Petition in this case as consolidated and represent and say:-
That they believe the late Henry Barth deceased, the original defendant herein and
the party who, it is alleged made the mortgage in the petition referred to, was at the
time of his death the owner in fee simple of the premises in the petition described and
had held the possession thereof by himself and under those from whom he derived
title from the year A.D. 1837. That said Survey No 9940 entered in the name of
one Edward Smith and Surveyed in his name now duly listed for taxation in the
County of Huron and State of Ohio, in the name of Edward Smith the original
owner of said Survey and was forfeited to the State of Ohio for the non payment of
taxes, interest and penalties legally due thereon for the years 1827, 1828, 1829 and
1830 and the simple tax for the year 1831 and which taxes amounting to Sixty-one
dollars, twenty-eight cents and eight mills had been duly and legaly assessed and
levied upon said Survey No 9940 and said proceedings were in all respects in
conformity to law. That said Survey No 9940 was on the second Monday of May A.D.
1832 sold by the Auditor of Huron County, State of Ohio for the taxes and penalties, interest
and taxes aforesaid, amounting then to Sixty-two dollars, to one James S. Gregory
& Co. and said Auditor of said Huron County gave a certificate of purchase thereof
bearing date May 14th A.D. 1833. That said Survey was never redeemed from said tax
sale but that said James S. Gregory became the sole owner of said purchase at said tax
sale and continued to pay the taxes on the same until the 5th day of August A.D.
1837, when he procured his certificate of purchase of said premises to be made Phelps then
Auditor of said County of Huron into their own name and in pursuance of the statute in
such case made and provided as such Auditor and in consideration of the premises
duly conveyed said premises, to-wit:- said Survey No 9940 to said James S. Gregory
by good and sufficient deed duly and legally executed and delivered who
immediately caused the same to be transferred and recorded in Record of Deeds
of Huron County, Ohio, Vol. 6. Page 106 of said Records; and also took possession
of said lands and continued in the possession thereof until his decease. That

That said Mary E. Haynes and Washington Haynes and others confederating with them employed one Niles an Attorney at law at the city of Washington D.C. to defraud the said Henry Bartle deceased out of said lands and for that purpose and evil intent went into the Gordon County Virginia Court. June 10th 1871. By fraud and falsehood procured said Court to make the following certificate, to wit: "At a County Court held for Gordon County on the 10th day of January 1871 upon satisfactory evidence presented in the Court it is ordered to be certified that Lieut Edward Swain a Revolutionary Soldier left surviving him as his legal heirs and representatives Washington Haynes and Mary Haynes his wife who are now residing at Marellton Gordon County Virginia and the descendants of Ezekiah and Catherine Shaw whose names and residence are not known but who probably reside in the State of Maryland and there are the only heirs of said Edward Swain to this Court known or believed to be living at this present time." Haynes and Washington Haynes obtained also by fraud and counterfeit means the original warrants and surveys from the land office at Charlestown on April 29th 1871 when they had remained from Nov. 19th 1830, without warrant or authority of law they obtained them from E.T. Entry

Entry.

This day came on this cause to be heard on the motion to confirm the report of the Sheriff and the jury empannelled according to law under the accompanying claimants law. Whereupon there being no objection the said report and proceedings and verdict of said jury is hereby confirmed and thereupon came on the cause to be heard on the motion of the plaintiffs to convey the lands to the defendants upon their paying down the value of said lands as appraised in a state of nature and upon the motion of the defendants to surrender the possession of the lands on their possession upon payments to them by the plaintiffs of the value of the improvements as made by said jury after deducting costs and court as ordered by said jury and demanding that if the Court should require them to take the lands in a state of nature as above as aforesaid the account of taxes duly assessed and paid by them on said land should be deducted from said valuation of the said land in a state of nature and upon the court find that said Henry Bartle and Charles Bartle held the 285 acres in their possession under a tax sale made Dec. 12th 1831 of same under Survey No. 9970 which the Court find was so far irregular as to be inoperative to convey title to the land and that the amount for which said lands sold at tax sale Dec. 12th 1831 together with the taxes since duly assessed thereon and paid by said Henry and Charles Bartle under said tax sale amount to seven hundred and sixty seven & 28/100 dollars without any interest thereon, that said lands when so sold for taxes were in a state of nature without any improvements thereon that no patent was issued for said lands until June 5th 1871. Therefore the Court find that the said plaintiffs Mary Haines and others have the right to elect to take the value of said land, as assessed by said jury in a state of nature without any reductions for taxes paid by them the defendants under said tax title, and that the defendants have no right of election to surrender their possession and receive the pay for the improvements

made Master after deducting said costs and waste and do therefore surrender the premises aforesaid of Clark and Henry Barth and do sustain the petition of the said plaintiffs Mary Haines and others to all effects entirely the said Henry and Chas. Barth deceased. Whereupon the Court do order and adjudge that the said plaintiffs convey the said lands to the defendants and said sufficient deeds of general warranty and that on the delivery of such deed the said Henry Barth and the said Charles Barth and the said Elisha J. Moore widow and Wm Roderick Moore, Sarah H. Moore, John J. Moore the heirs of Roderick Moore deceased pay to said plaintiffs the one third of the several amounts for which said lands were appraised in a state of nature and that at 12 mos. after the date they pay said plaintiffs another third of said sums and at 24 months after date they pay the plaintiffs the remaining part thereof, all with interest from the 20th day of October 1873 and that the said payments be and remain a lien on their respective portions of said lands until paid. And it is further ordered that the costs of the proceedings under the conveyancing claim not have taxed to # be paid by said plaintiffs Mary Haines and others. V. V. Mellon, Clerk. 50¢

I do hereby certify that the above is a true transcript of the record in the above case as recorded in the Records of Darke County Ohio. B. L. Pendleton Attorney

That in said action of Ejectment the Atty. of said Henry Barth deceased and James M. Robinson the Attorney of the plaintiff Ascension Smith in this case and that through ignorance of the facts herein before and herein after stated neglected and failed to plead the Statutes of limitation of the State of Ohio. He failed to plead the title of the said Henry Barth to said premises and plead only a general denial of the title of plaintiff in said action, and on trial of the case offered no testimony or evidence the said Henry Barth not being present and aged and incapable of speaking English knew nothing of the nature of the defence that should be made or the evidence that ought to be offered and the said J. M. Robinson before the trial of the case admitted or conceded that the said Patent was conclusive evidence of title and that no defence could be interposed against the same supposing that the Patent was legal and genuine not knowing the fraudulent and unlawful acts by which it had been procured and not knowing the law in such case made and provided. Whereby the said plaintiffs in that action fraudulently and unlawfully procured said judgment in said ejectment suit by the means and in the manner aforesaid and the Court in that case also erred in refusing to allow the said Henry Barth his taxes which he had paid on said premises with the penalties and interest thereon as provided by law. That said plaintiffs in said ejectment suit were not the owners of said premises Said Survey No. 9740 and had not the title thereto The said Ascension Smith plaintiff in this case and not a party plaintiff or defendant in said ejectment suit were nor any of said parties defendant in this case parties plaintiff or defendant in said ejectment suit except as shown by the Record of said judgment and no evidence was offered to show that any of them were heirs of the Edward Smith who entered and had surveyed said Survey No. 9740. That said Henry Barth was at all times after he so as aforesaid purchased said premises the owner of the whole title of said premises, except what had been sold off by him to the other defendants in said ejectment suit also with the said Henry Barth in ignorance of their rights paid off the judgments entered against them under the conveying claimant law and said average Seven complained of relates only to the 185 acres of which said Henry Barth was seized at the time of the ejectment suit aforesaid and to that 185 acres the said plaintiff Ascension Smith nor the other defendants claiming

adversely to these defendants, never had any claim or right or title in said premises.
These defendants answering herein further say that they deny that said plaintiff Annerson
Smith ever was the owner in fee of the undivided one third part of the premises in the petition
described or any interest or estate therein whatever. The said defendants answering herein further
deny that on the 25th day of March A.D. 1877 said plaintiffs Annerson Smith sold and
conveyed by warranty deed the undivided third part of said 155 acres described in the
petition to Henry Booth or that he had any right, title or authority to convey the same
or that he had any right title or interest to convey in said premises or any part thereof
and any conveyance or attempted conveyance of said plaintiff Annerson Smith was
wholly, without consideration void and conveyed no title or interest in said
premises and that said Mary E. Reeves, John Shaw, Susannah Booth, William H. Henry Shaw
Charles R. Shaw, Samuel Shaw, Gerald B. Lawrence did not convey any title or legal
or equitable in said premises to said Henry Booth there being none deeded or that they
had any interest or title in said premises to convey the same and any attempted
conveyance of said plaintiff or any of said defendants claiming adversely to these
defendants were wholly inoperative and void as none of these had any title or interest
in said premises and never had as they all well knew at the time of their attempted
conveyance. That the order of the Court in said ejectment suit was that the
successful claimant should by good and sufficient warranty deeds the higher and
better title before said Henry Booth should be called upon to pay said sums so
adjudged to be paid and such is the law. The said plaintiffs in said suit never
complied with the law or the order of the Court in that case and never came correctly with
it for the reasons hereinbefore stated. These defendants further say that on the 25th day
of March A.D. 1877 the said Henry Booth without consideration and in ignorance
of the facts and law and by reason hereinafter stated made a note and mortgage
to said W. O. Lawrence who represented and pretended to be Trustee for the heirs of
Lieutenant Edward Smith. And who was not a Trustee for them and had no
right to act for them as such Trustee, and was not authorized to take such a
note and mortgage and gave no consideration for said note and mortgage
and which was wholly invalid and void. That said W. O. Lawrence did
this for the fraudulent purpose of collecting said sums of money adjudged
against said defendants in said ejectment suit for the reason that he could
not procure and did not procure and never came possession general warranty
deed from the heirs of Lieut Edward Smith or any Edward Smith who had or
ever had any interest in said Survey No. 7940. There being no such persons living
and no one who did make such a deed and no deed has ever been made
out by any one who had any right to make it. That said W. O. Lawrence reported
Trustee as aforesaid entered into said note and mortgage being on the 17th day
of August A.D. 1877, filed his petition in the Court of Common Pleas of Huron County
Ohio to foreclose the same and afterwards procured a decree of foreclosure therein in
said Court of Common Pleas from which judgment and decree the defendants
appealed to the District Court of Huron County Ohio and duly perfected their appeals
in which District Court said case is now pending and which suit is upon the
same note and mortgage brought to be foreclosed in this suit and in whose favor
said plaintiffs claim are the said mortgage. This case was decided in favor
of the defendants answering herein in the Court of Common Pleas and appealed
by the plaintiffs to the District Court and by agreement consolidated with the
Case of W. O. Lawrence Trustee against Henry Booth et. al. These defendants
further answering said petition of said plaintiff say that said note and mortgage

were given for no consideration real or pretended between the satisfaction of the said judgement and decree rendered in said cause and suit of same hereinbefore set forth which decree and judgement of said Court of Common Pleas of which said note and mortgage were given and obtained by fraud and imposition in said action of ejectment against said Henry Baetz. the only evidence in support of said claim was the patented patent issued to one Mary E. Haines et. al. or the reputed heirs of one Lieut Edward Smith and which was the only title or evidence of title which said plaintiffs in said suit offered in evidence or claimed to have. which was wholly void and was not even competent evidence to be offered in said case. and the Court in permitting offered unnecessarily prolonged the repeated adjudications of the Supreme Court of the United States on the identical questions in evidence of said patents. Now defendants further say that said Henry Baetz did not discover the fact aforesaid nor the fraud that had been practiced upon him until after suit had been concluded or aforesaid to foreclose said note and mortgage as aforesaid stated and could not have known thereof until the discovery of the fraud &c all and the matters set up upon him — and that said Henry Baetz and his wife wholly in ignorance of the facts and without any culpable or legal consideration executed said note and mortgage to said Wm. O. Lawrence supposing he had authority to act in the capacity of Trustee as aforesaid and that he had procured the legal and better titles to be conveyed to him and relying upon and believing the representations of said Wm. O. Lawrence and that said Wm. O. Lawrence represented and pretended that he was the Trustee of the heirs of Lieut Edward Smith in whose name he pretended to act and in their behalf as he claimed he was acting and had conducted said suit of ejectment and in which case the successful party had been so as aforesaid ordered to convey said Survey 7940 by good and sufficient warranty deed upon pain of judgement of 3 upon delivery of such deed, 3 in twelve months and one third in twenty four months thereafter and the said Wm. O. Lawrence then and there pretended and so represented that he had procured such deeds of general warranty from the parties who were the owners thereof, as ordered by the Court in said case. conveying the title in fee simple in said premises to said Henry Baetz and representing to said Henry Baetz that said Henry Baetz was compelled to make said note and mortgage or give up said premises and by reason thereof of the said Henry Baetz were ordered to pay the down payment adjudged against him part of which was included in said note and mortgage, and to sign said note and mortgage set forth and described in the petition for the payment of the balance so ordered to be paid by the Court in said case set forth in the demurrer and cross petition in this case herein fore The said Wm. O. Lawrence well knowing that he was not the Trustee of said reputed heirs of said Edward Smith and well knowing that the papers which he delivered to said Henry Baetz purporting to be warranty deeds from the heirs of Edward Smith deceased and which he represented as good and sufficient warranty deeds as ordered by said Court in said case agreed to were not of any validity whatever and that they were not legally signed, executed or acknowledged by said parties who were ordered and required to make the same, nor were said pretended deeds signed executed or acknowledged by any one authorized to act for the heirs of Lieutenant Edward Smith or any Edward Smith who had any claim to said lands. That the Power of Attorney upon which said deed was made was cancelled and never authorized the making of any warranty deeds of writing and said Power of Attorney was never made by any heirs of the Edward Smith who entered said Survey No. 7940, and no pretended deed or conveyance of any kind was ever at any time made by said Adaline Lowry, Elizabeth

Shaw, Samuel R. Shaw, Mary Barry, James Barry, Rachel Barry, John R Barry
John W H Barry and other parties mentioned in said ejectment suit, and get-
ting said W. O. Lawrence well knowing the premises and representing said
fraudulent deed to be deeds of good and sufficient general warranty for said
Survey No. 9940 made by all parties interested in said premises adverse to said
Henry Bank, in pursuance of said order of said Court and said Henry Bank
relying upon and believing said representations of said W. O. Lawrence thereby and
by reason of said fraudulent and false representations and false pretenses, was
induced to sign said note and execute said mortgage described in said peti-
tion without any consideration therefor and when canceling said fraudulent
judgment in said ejectment suit, for which said note and mortgage were asked
to be given in satisfaction, and no deed conveying any title by any person who
had any title to said premises or who had any authority to make a deed thereof
had been made to said Henry Bank or his legal representatives. And these defend-
ants further answering said petition say: that the parties to said ejectment suit
except Lawrence Smith are parties to this suit and no rights accrued or changed
said ejectment suit except said Lawrence Smith who had been left out in the
in said suit and who came into Court afterwards by his friend J. M. Robinson and
made Mary E. Harris divorce with him the spirits of said suit. And these defendants
further say that said Washington Harris claiming to be Atty in fact for Solon Shaw
Savanah Trunk, Wm Henry Shaw, Charles R. Shaw and Sarah O. Baynham and
George H. Baynham, made said fraudulent deeds for them after they had refused
to make any deed, by virtue of a pretended form of Atty which did not authorize
the making of a deed and had not been recorded according to law and had
said note and mortgage made to W. O. Lawrence a pretended Vendee for the
express reason that said parties would not even pretend to convey said premises
and never have done so yet. These defendants further answer said petition say
that they deny that there were any such premises as are represented in said eject-
ment suit by plaintiff that are heirs of said Edward Smith. They deny that
said plaintiff in this case is an heir of Edward Smith who entered and surveyed
said Survey No. 9940, that they the said plaintiff in this suit and the other defend-
ants in this case claiming adversely to these defendants are only pretenders and have
no connection or force related to the Edward Smith who was the original owner
of Survey No. 9940 whose estate ship can not be established. That it is necessary
to protect these defendants as heirs and legal representatives of said Henry Bank dec'd
from the payment of a large sum of money to persons who are not entitled to
receive it and have no claim to it, that their relation and connection with
the heirs of said Edward Smith be shown and established, that their heirship
(if any) and legitimacy and pedigree be established, to ascertain if in fact any
such person ever did or ever had an existence which these defendants deny; and these
defendants further say that if any such persons ever existed or do now exist they never
had any claim against said Henry Bank or to the lands and tenements described
in the petition. That said Henry Bank deceased was the legal owner in fee simple of
said premises by a good and indefeasible title and that upon his death the same
descended to his heirs assigns and legal representatives. That ... right or title
or interest said Edward Smith ever had in or to said premises in or to said Survey
No. 9940 became wholly divested from him and no title ever passed to his heirs
if he had any. That said lands became forfeited to the State of Ohio and was sold at
tax sale as aforesaid stated and that the survey of said land and the certificate

made

thereof were returned to the General Land Office and no patent could be issued
thereon after 1852 and prior to June 1882. That the time to issue patent was never
extended nor 1852. These defendants further say that said judgment in said ejectment suit
obtained upon the evidence alone of said said patent and which were as aforesaid
stated procured by fraud and imposition upon the Land Office and imposed upon
the Court of Common Pleas of Union County and which fraud and imposition were
not discovered by said Henry Baetz until the month of January 1877 or about that time
These defendants further say that said fraudulent judgment in said ejectment suit
were the only pretense of a consideration for said note and mortgage in said in
this case. That the same were known by said Wm. O. Lawrence and these confederating
with him to be wholly false and fraudulent at the time said note and mortgage were
as aforesaid procured, and that the said Henry Baetz was wholly ignorant of the fraud practiced upon him. That said judgment and said note and
mortgage are unregistered and void. That said note and mortgage should be de-
livered up and cancelled and declared fraudulent and void. That said judgment in
said ejectment suit should be set aside, cancelled declared null and void and perpetually
enjoined that said judgment and said note and mortgage in said suit of Wm. O.
Lawrence Trustee against Henry Baetz should be set aside and cancelled and said
lands and tenements described in the petition be wholly released from the same
That the claims of said plaintiff and said other defendants could a cloud upon the
title of these defendants to their said lands to their great irreparable injury. That their
title as heirs and legal representatives of said Henry Baetz deceased in and to
said premises should be quieted and forever set at rest. That all the parties
who claim any interest in said lands are made before the Court and the plaintiff
and all the defendants claiming adversely to these defendants should be per-
petually enjoined from interfering with or attempting or disturbing these defend
ants in the peaceful, quiet and undisturbed possession of said premises and should
be enjoined from further proceedings or attempting to procure any suit against these
defendants therefor or from bringing any other or further suit concerning said lands
and tenements or from setting up any claims in or to said premises. And these
defendants further answering said petition and said answer and cross petition of
said Adaline Henry, J. W. Robinson, A. T. Carpenter Administrator Wm. O. Lawrence
deceased, Samuel E. Shaw, Mary E. Warner, John Shaw Sarah Trent, Wm Henry
Shaw, Sarah M. Dagneau and Charles R. Shaw, deny each and every allegation in
said answer and cross petition contained and by way of answer to said Cross
petition of said adverse defendants and reply to said answer say that the facts
as stated in this answer and cross petition are hereby plead in answer to and
in reply thereto. That all allegations not herein expressly denied or admitted,
contained in said petition of said plaintiff or this answer and cross petition
of said other defendants claiming adversely to these defendants are expressly
denied. That this answer and cross petition is intended to apply in this case
as consolidated in the District Court of Union County Ohio at the March Term
thereof A. D. 1882. Wherefore these defendants answering herein pray that all of said
parties, both the plaintiffs and the said other defendants claiming adversely to
these defendants be required to answer this answer and cross petition and show
what claims they have in and to said premises in the petition described. What
relation if any they are to the Edward Smith who entered said Survey No 9700
and proof of such relationship and their identity. That said note and mortgage
be cancelled and delivered up that said judgment and decree in said ejectment

suit be cancelled, executed, set aside and held for naught and that the said premises affected thereby be orderly released therefrom. That the said plaintiff in this suit and the plaintiff in said ejectment suit be restrained and perpetually enjoined from collecting or attempting to collect or enforce said judgement and decree in said ejectment suit or from bringing or attempting to bring any suit or suits thereto and that all parties claiming under or through them be likewise perpetually enjoined. That said pretended Patent be declared invalid and void and held for naught. That said plaintiff and said other defendants claiming adversely to these defendants be perpetually enjoined from disturbing or interfering with these defendants in the peaceful and quiet enjoyment of said premises and be perpetually enjoined from making or setting up any claim to said premises or from setting up any title thereto or from suing or attempting to sue therefor. That the judgement rendered in the case of W. O. Lawrence Trustee against Henry Barth consolidated with this case be cancelled stayed and perpetually enjoined. And these defendants further pray that their title in and to said premises and that of their heirs and assignees be forever quieted and set at rest and all cloud removed therefrom and for all such other and further relief as the nature of the case in equity may require H. T. Van West for defendants

The State of Ohio }
Warren County ss } Rosana Stoltz being duly sworn says she is one of the defendants in this case duly authorized to act for the other defendants answering herein and now absent from the County, and that the facts stated and allegations contained in the foregoing answer and cross petition are as she believes true.

Amended Answer

Answer
4 3 14

The defendants Elizabeth P. Stark and Permelia Park answer to the petition of the plaintiff and say: That the plaintiff is not entitled to have partition of any part or portion of the premises described in plaintiffs petition because these answering defendants say: 1st That said plaintiff and said tenants-in-common are not in possession of said farm of 286 ¼ acres, nor have they the right to the immediate possession of the same. But on the contrary these answering defendants say, that at the date of the filing of said petition, the said Wesley M. James was in the full and exclusive possession of said farm and holds and intervening estate in the same, by virtue of a written lease duly executed to him for three years by James B. Whelpley Guardian of said Daniel H. Owens who was an insane person. Said written lease, as these defendants are informed, and charge commencing in the life time of said Daniel H. Owens to-wit:- on the 1st day of April 1883 and continues and ends on the 1st day of April 1886. 2nd Said answering defendants say that said plaintiff and said tenants-in-common are not in possession of said Lot No. 69 in the Village of Wayneville, nor of any part thereof, nor have they the right to the immediate possession of the same or any portion thereof, because they say that upon said Lot No. 69 are two brick store houses and a brick dwelling house upon the balance of the lot, which was occupied by the said Daniel H. Owens as a homestead for himself and family and had been so occupied many years before and up to the time of his death. That said storehouses and said dwelling house and the ground upon which said buildings stand comprise all of said Lot No. 69. That one of said store houses is now occupied by Mrs Ainsworth who occupied the same under a lease from said James B. Whelpley as such guardian of Daniel H. Owens. Said lease extends to and will not expire before the 1st day of September A.D. 1884. That the other store house is occupied by Samuel Gardner under a lease from said Whelpley as such guardian whose lease extends to and will not expire before the 1st day of April A.D. 1884. Both of said leases were verbal and each made for a term less than three years and each tenant took and holds possession under the said leases respectively and each lease was in full force, and each tenant respectively in full possession under the same at the time of the death of said Daniel H. Owens and at the time plaintiff

filed his petition in this case. That the said Phoebe Ann Cross who is in evidence of Daniel H Cross deceased is occupying said dwelling house and the grounds enjoyed which it stands as said that under the law which allows her to remain in the mansion house of her husband free of charges for one year after her husbands death. Said Daniel H Cross died about the first day of August A.D. 1883 consequently said widow is holding possession of said dwelling house and ground under said law until about the 1st day of Aug A.D. 1884. These defendants therefore aver that said plaintiff and said heirs in common have neither the possession nor the right to the immediate possession of any portion of said premises. Said defendants therefore ask that the petition of plaintiff be dismissed and that they be allowed to go hence without day and recover their costs &c.

Now comes Robert H Cross Plaintiff and for his reply to the answer of the said plaintiff says: That said answering defendants ought not to have or maintain their pretended defense set up in their answer because they say: That before and at the time of commencing this action the said Wesley D. Jarvis and the said plaintiff and other heirs of said Daniel H Cross entered into an agreement whereby the said Wesley D. Jarvis agreed for a good and full consideration to yield up the possession of said 286 acres of land and waive any right he might have under his said lease, and the plaintiff denies that he did not have the right of possession to said premises. 2nd The plaintiff says he denies that either said Dandon or Wm Arasle have any subsisting lease to said premises or any part thereof but say they are merely occupying said premises at the will of the heirs of said Daniel H. Cross and that the right of possession to said premises is in the heirs said Daniel H. Cross, but pending this suit and until the plaintiff and other heirs of said Daniel H. Cross or a purchaser at partition is ready to occupy said premises, said Dandon and Wm. Arasle are permitted to occupy said premises and pay rent to the estate. This plaintiff denies that he and the other heirs of said Daniel H. Cross had not the right of possession of said premises at the time this suit was brought but says they then had and still have the right of possession of said Lot No. 69 and that said Phoebe Ann Cross widow of said deceased has waived all right to occupy said premises as any part thereof as a homestead and that she has joined in asking partition of the same and has always and is still ready to yield possession at any time and that she does not desire to hinder or delay this proceedings at all or in any manner. Wherefore this plaintiff prays as he has already prayed in his petition.

Afterwards on the 15th day of January A.D. 1884 an Entry was made by the Clerk in the Journal of said Court which reads as follows, to-wit:-

Robert F. Cross, Plaintiff
vs.
George P. Cross and others

Entry
for Partition Nov. 4314

This day came the parties by their Attorneys and submitted this cause to the Court upon the pleadings, exhibits and testimony. The Court being fully advised in the premises do find that all the defendants have in writing waived the issuing and service of summons and voluntarily entered their appearance herein and waived all questions of time and that said defendant has had due legal notice of the filing and pendency hereof. The Court further finds that one Stanley C. Bellows is duly appointed and qualified guardian of said Frank A. Bellows and that he is the true and lawful Attorney in fact of said Charles C. Bellows Harriett O. Bellows and Mabel Bellows. The Court further finds that said Daniel G. Cross in his lifetime made advancements to his children which were intended by him and in fact were advancement out of his personal estate and that said several advancements ought to be considered as a part of his personal estate in the distribution of his property. The Court further finds that it was not the intention of said Daniel G. Cross that the said advancement should bear interest and that consequently interest should not be computed on the same. The Court further finds that the amounts so advanced by said Daniel G. Cross to his children are as follows:-

That he advanced to George P. Cross the sum of $1936.75-
To Elizabeth Frank the sum of 1319.00
To Sarah Bellows, mother of Charles, C.
Mabel, Harriett O. and Frank A. Bellows the sum of 824.00
To Henrietta Park the sum of 1350.00
To Robert F. Cross the sum of 1354.00
To Harriett O. Cross the sum of 1538.00
To John B. Cross the sum of 1350.00

The Court finds the sum total of all the said advancements to be $ 9671.75/100
The Court further finds that the said deceased, Daniel G. Cross died intestate and that he left no personal estate for distribution. The Court further finds that said Daniel G. Cross died seized in fee simple of the real estate in the petition described but there being some questions as to the present right of possession of said tract of 286 acres of land this action is dismissed without prejudice as to said 286 acres of land. But finding from the evidence in favor of plaintiff and there being no objection to the partition of said Lot-No 69 in the Village of Mowersville, Preble County Ohio the Court finds that said Lot-No. 69 descends to the heirs of said Daniel G. Cross, subject to Dower of one Phoebe Cross as alleged in said petition in the following proportions, to-wit:- To George P. Cross, John B. Cross and the said plaintiff Robert F. Cross sons of said deceased, each one seventh part thereof. To Henrietta Park, Elizabeth Frank and Harriett O. Cross daughters of said deceased each one seventh part thereof. To Mabel Bellows, Charles C. Bellows, Harriett O. Bellows and Frank A Bellows, who are children and only heirs of Sarah Bellows deceased who was a daughter of Daniel G. Cross deceased, each one Twenty-Eighth (1/28) part thereof. The said Phoebe Cross widow of said Daniel G. Cross deceased is entitled to Dower in said premises. Entry

This cause now coming on for hearing on the petition, the Court find that the defendants Benoni P. Hildreth and Mary C. Hildreth have been duly served with Summons in this case and that they are in default for answer and demurrer and that the allegations of the petition are thereby confessed by them to be true and that there is due the plaintiff from the defendants on the promissory notes set forth in the petition the sum of Two Hundred and Forty-Six and 92/100 Dollars. It is therefore considered, ordered and adjudged by the Court, that the said plaintiff recover from the said defendants Benoni P. Hildreth and Mary C. Hildreth the said sum of $246.92 with 8% interest from the entry of this decree and the costs of this suit taxed at $. The Court further find that in order to secure the payment of said notes the defendants Benoni P. Hildreth and Mary C. Hildreth his wife executed and delivered to said plaintiff, O. W. Southard their certain mortgage on the premises described, and on the premises therein described; that said mortgage was duly recorded in Vol. 17 page 388 of the Records of Mortgages of Warren County Ohio, and is the first and best lien on the premises described in the petition; and that the conditions on said mortgage have been broken. It is therefore adjudged and decreed that unless the defendants shall within ten days from the entry of this decree pay or cause to be paid to the Clerk of this Court the costs of this case and to the plaintiff herein the sums so found due as aforesaid with interest at 8% from the date of this entry, the defendants equity of redemption be foreclosed and said premises be sold and that an order of sale issue therefor to the Sheriff of Warren County directing him to appraise advertise and sell said premises as upon execution and report his proceedings to this Court for further order.

Albert Fingle, Plaintiff
vs.
Henry Weightbargain and Eli Hildebrand Executors of the last will and testament of John Hildebrand deceased, Defendants

In the Court of Common Pleas of Marion County Ohio

The said plaintiff says that the said

Henry Hildebrandt and Eli Hildebrand are the duly appointed and qualified executors of the estate of John Hildebrand deceased. That said John Hildebrand died on or about the day of A.D. and before his death for more than six years was troubled with cancer on his face and was in ill health for a long period of time, and was very feeble and in ill health by reason of this cancer, and he being a man of about seventy eight years of age. That about the year 1881 he moved to the house of the said Albert Fogle for the purpose and at the request of the said John Hildebrand to keep, provide for and take care of him during his sickness. That the said Albert Fogle and his wife did care for, cook, wait on, build fire and nurse the said John Hildebrand at his request for the period of about nine months. That he was old, feeble and unable to take care of himself and that he could get no one else to care for or attend to him during his illness, and that he had an abundance of property and means to pay this plaintiff well for the care, attention, nursing and support that he required and that he would pay well for the same. Therefore at the request of the said John Hildebrand about the months of December 1880 the plaintiff consented to live with take care of and furnish the necessary nursing that the said John Hildebrand needed during his sickness. The said plaintiffs says that he and his wife did at the request of the said John Hildebrand cook, nurse, care for and attend to his wants during about nine months from December first 1880 That during all that period of time, he was unable to leave his house and a great portion of his time was confined to his bed and needed constant care night and day, which the said plaintiff and his wife did without the help of other assistance. That for a long period of time he was confined to his bed and it because a great care to keep him and his bed clean, all of which he and his wife did at his request. The plaintiff says there was no fixed agreement for said services. The plaintiff has not been paid any part for his services for said claim and avers that he is entitled to be paid out of said estate what his said services are reasonably worth and that said services rendered by this plaintiffs and his wife are worth the sum of Three Hundred Dollars and that the same is justly due him from said estate of John Hildebrand by reason of the premises and that there are no offsets against the same. Also the said John Hildebrand was indebted to the plaintiff —

To hauling wood one day December first	$ 2.50
To taking care of watering and feeding two head of horses 6 head of hogs 9 month	32.00
To cutting 20 cords of wood at 80 cents per cord	16.00
To cutting six wood, building one fire and hauling wood from the woods	15.00
To cleaning, white washing house all of which was done at the request and by the consent of the said John Hildebrand deceased	3.00
	$ 68.50

Therefore the said plaintiff asks judgment against the said defendants for $368.50. Wherefore plaintiffs prays judgment against said defendants executors of last will and testament of John Hildebrand deceased for the sum of $368.50 with interest from April first 1881 and for all proper relief

Amended Petition

The plaintiff says that the said Henry Highbargain and Eli Hildebrand are the duly appointed and qualified Executors of the last will of John Hildebrand deceased. That said John Hildebrand died on the 16th day of February A.D. 1882, and that on the 25th day of February A.D. 1882 said Henry Highbargain and Eli Hildebrand were duly qualified under the will of the said John Hildebrand by the Probate Court of Union County Ohio as such executors. That before and up to the time of his death said John Hilderbrand was afflicted with cancer on his face and was in very feeble health which difficulty and sickness had existed for more than six years before his death. That about the year A.D. 1880 John Hildebrand came to the house of the said Albert Fogle for the purpose of having the said Albert Fogle take care of and attend on him in his sickness. That the said Albert Fogle and his wife did thereupon care for said John Hildebrand at his request and by agreement with him such him, wait on and build fires for him and nurse him the said John Hildebrand as aforesaid for the period of nine months. That the said John Hildebrand was about 78 years old and was very feeble and wholly unable to care for himself and was unable to get any one but the plaintiff to care for him. and that he stated to the plaintiff that he had abundance of property and means to pay the plaintiff for his care and attention that he required during his sickness and would pay him well for the same. Thereupon at the request of the said John Hildebrand about the month of December 1880 the plaintiff covenanted to love with, take care of and furnish the necessary nursing that the said John Hildebrand needed during his sickness. The plaintiff says that he and his wife did at the request of the said John Hildebrand as aforesaid care for and attended to the wants of the said John Hildebrand for the period of nine months from the first of December A.D. 1880. That during all that time said John Hildebrand was unable to leave the house, and a great portion of the time confined to his bed. and needed constant care and attention night and day all of which the plaintiff and his wife did for the said John Hildebrand. The plaintiff says there was no fixed or stated amount of compensation agreed upon between the plaintiff and the said, now deceased, John Hildebrand but that the same are reasonably worth the sum of Three Hundred and Forty six and 50/100 Dollars. That on or about the 31st day of April A.D. 1882 he made out and presented to said Executors an attested account of his charges for said services as above set forth a copy of which is hereto attached and made a part of this petition marked "A" and that on or about the ___ day of April A.D. 1882, the exact date of which he is unable to state, said executors returned said account to the said plaintiff rejected. That at the same time the said Sheriff levied upon the following real estate situate in said County of Union in said Surveys bounded as follows, viz: Beginning at a stone in the centre of the Marysville and Marlow Gravel Road and in the North line of surveys 5629 and 6493, Thence with said line N. 80 3/4 W. 109 40/100 poles to a stone North West corner of said survey; Thence with the West line of said Survey S. 18 1/4 E. 76 78/100 poles to a stone and brick, Thence S. 80 3/4 E. 173 80/100 poles to a stone and brick, Thence N. 81° 20' E 232 32/100 poles to a stone and brick in the centre of the Marysville and Marlow Pike, Thence with the centre of said road N. 16° W. 156 57/100 poles to the beginning containing 342 acres more or less, taken as the property of said W.S. Rodgers which levy is still subsisting That said Robert W. Thompson and Josephine M. Thompson his wife on the 24th day of June 1882 executed to B.H. Warden a mortgage deed conveying said 382 tract to him to secure the payment to him of the sum of $10.000 to become due on the 1st day of January 1887 and four notes of $700.00 each given for interest on said $10 000.00 payable as follows, which mortgage was duly filed for record but whether said mortgage is valid or that sum is due or liable to come due thereon or what rate of interest the said Thompson bound himself to pay thereon the plaintiffs are unable to state. Plaintiffs further say that on or about the 17th of December 1883 the said Thompson and J.B. Morgridge for the purpose of placing said land beyond the reach of execution to satisfy said judgment and for the purpose of preventing the plaintiff from collecting the judgment aforesaid which they knew plaintiffs were about to take on the notes held by them against said Thompson and Rodgers and executed sometime prior thereto, made their arrangement to put said land out of said Thompson's name and for that purpose on or about the 17th day of December 1883, said Robert W. Thompson without consideration, with said fraudulent purpose executed a deed for said land to J.B. Morgridge but said deed has not been placed on record and is fraudulent and void as against the judgment and levy aforesaid. The said W.S. Rodgers on or about the 20th day of September 1882 executed to B.H. Warden

his Mortgage Deed to secure $3000 as follows to-wit- $500 due July 1st 1887- 272 22/100 $ due July 1st 1883 = $330. July 1, 1884; $330. due July 1st 1885; $330 due July 1st 1886, and $330 due July 1st 1887 all on 8 per cent interest after due as shown by said Mortgage Record in Vol. 18 Page 480 of Union Co. Mortgage Records. But the amount justly due or to become due thereon or what rate of interest has been counted thereon the plaintiffs are unable to state. The plaintiffs say that on the day of 1882 the said W. L. Rodgers conveyed to his wife Mary D. Rodgers one hundred acres out of said 242 acres Lot described as follows, to Beginning at the S. E. corner of the Colgrove or Hamilton farm in the center of the Hunter and Marysville Pike; thence N. 14 W with said road 151 poles to a stone North East corner of said Survey, thence N. 80 45' W. 98 poles to a stake and stone in North line of said Colgrove or Hamilton land, thence N. 8 3/4 & 91 poles to the beginning containing 100 acres more or less. But whether she hath a legal right to hold the same against the said judgment and levy plaintiffs are unable to state and therefore ask that she answer what was the consideration for said deed and for what purpose the same was executed to her. The plaintiffs say further that they have been informed that said James Thompson makes some claim upon said lands but they say that he hath no legal or equitable claim thereon as they believe and aver, and they can not state what it is. They further say that a vendi hath this day been issued upon said judgment with a clause directing said Sheriff if in his judgment said land levied upon is not sufficient to satisfy said judgment after praying the levies thereon that he levy upon further goods and chattels, lands and tenements of said defendants to satisfy said judgment and that said Sheriff hath this day levied on the following property as the partnership property of said Thompson and Rodgers, to-wit:- The warehouse and its fixtures and machinery, scales etc. therein at Dover in said County of Union. Also the store house and scales and fixtures and machinery therein, at Broadway of said County, and belonging thereto as the property of W. L. Rodgers on which said Robt. W. Thompson is interested and other property in said County of said parties. That said James Thompson, N. P. Thompson and J. O. Rodgers claim an interest in and to said property and more thereon levied on as aforesaid by virtue of said Vendi with claims for further levy. But the amount of such claims and whether the same is legal or not the plaintiffs are unable to state. But the plaintiffs say and they believe and aver that the property which they claim to have an interest in as aforesaid is far greater in value than the amount which they are liable for and that the said Thompson and Rodgers have a large interest therein which is liable to and should be applied in payment of the said plaintiffs claims. The plaintiffs say the said Thompson and Rodgers and said Robert W. Thompson and W. L. Rodgers or part of them hold a note secured by mortgage on Sarah Robbins for about $300. but the same does thereon or the amount due thereon or a full description thereof plaintiffs can not tell but it is secured by mortgage on Real Estate in Broadway of said County of Union. Plaintiffs say that R. H. Woodburn, D. Piper and J. K. Robinson on the 20th of December 1883 having obtained judgment against Robert W. Thompson in this Court for $300.00 and caused an Execution to issue thereon to the Sheriff of this County commanding him of the goods and chattels, lands and tenements of said Robt. W. Thompson he make said judgment and on said 20th of Dec. 1883 and before the said levy of the plaintiffs the Sheriff levied on said lot of land for 342 acres, but whether said claim is prior or better than that of plaintiff they will not aver. Therefore the plaintiffs pray

the said Thompsons & Rodgers, said Robt. W. Thompson, W. S. Rodgers J. B. Morgrage, James Thompson, Sylvus P. Thompson, J. O. Rodgers, Sarah Robbins, R. L. Woodburn L. Piper, J. M. Robinson, B. H. Warder, Mary E. Rodgers be all made defendants in this case, that said Warder and said Thompson answer under oath how much money of the $10 000 was in fact paid to said Thompson, how much interest was taken out of the same at the start &c. That said James Thompson, M. P. Thompson and J. O. Rodgers answer how much they are liable as surety for said Rodgers and Thompson or either of them and that said Sarah Robbins may answer how much she owes said Rodgers and Thompson or R. W. Thompson or W. S. Rodgers and that she be required to pay the same into Court as provides to satisfy said judgment of the plaintiffs. That said Mary E. Rodgers answer by what right she claims to hold said 100 acres of land and that said W. S. Rodgers and Robt. W. Thompson full answers make as to all property they have given, delivered, mortgaged or otherwise furnished to said James Thompson, M. P. Thompson and J. O. Rodgers to indemnify them as their sureties and state what claims and the amounts for which said parties are sureties for them and what sums they have paid for them thereon, and that all of said persons answer and set forth what they claim against all of said property, and that on final hearing that all of said premises and said property may be sold to satisfy said liens thereon, That the liens may be marshalled and that the said judgment of the plaintiffs may be be fully paid out of the proceeds thereof. The plaintiffs say that all of said real and personal property and said claims against the said Sarah Robbins are not sufficient probably to pay all the said liens which are valid on the same and that the lien of the plaintiffs is among the last of the same. That the rents and use of said lands and of said Warehouses are valuable and if the said premises were placed in the hands of a Receiver a large sum could be obtained therefrom pending this suit; That unless a Receiver be so appointed to take possession of said premises and rent the same under the order of this Court, there will not be sufficient of all of said property to pay the senior liens thereon and satisfy the plaintiffs said judgment and therefore the plaintiffs pray the Court to place said real property and Warehouses in the hands of a Receiver to rent until this cause can be adjudicated and that as said personal property is of a perishable nature that the same be sold under the order of the Court and the proceedings brought into Court and on final hearing that the same be distributed according to law and equity.

Thompson & Rodgers and others, Defendants } Answer & Petition

Now 19

Now said R. L. Woodburn, L. Piper and J. W. Robinson come and for Answer to the plaintiffs petition against R.W. Thompson, Thompson & Rodgers and others and by way of Cross petition say that on the 2nd of December A.D. 1882 said R. L. Woodburn L. Piper and J. W. Robinson jointly obtained judgment against Robert W. Thompson in this Court for the sum of Three Hundred Dollars and on the same day a Writ of Execution was issued thereon directed to the Sheriff of this County of Warren and he immediately levied on the 342 acres of land in said petition described as the property of Robert W. Thompson to satisfy said judgment and said judgment and levy is still in full force and by virtue thereof these defendants have a lien on said lands from Dec. 20th 1883. That said debt for which said judgment was rendered was created long prior to that date and said action in which said judgment was rendered was pending prior to the Commencement of the September Term of said Court and through the said judgment was rendered Dec. 20th 1883, yet by virtue of the same being recorded during said September Term of said Court 1883, the lien by virtue of the judgment aforesaid relates back to the commencement of said Term, to-wit:- to the 10th day of September A.D. 1883 and should date to that time. That said pretended assignment or conveyance by said Robert W. Thompson to J. B. Morgridge should not affect these defendants right to an Order of Sale because they aver that the same was made after the liens of these defendants attached to said lands of Robert W. Thompson and further because they say the said conveyance was made without consideration and for the purpose, by said grantor and grantee to prevent the creditors of said Robert W. Thompson from collecting their debt against them. That is prevented these defendants from said Robert W. Thompson on said judgment the sum of Three Hundred Dollars with interest from Dec. 20th 1883, which is a lien on said lands next in priority to the two mortgage liens held thereon by Wonder defendants, and therefore they ask an order of sale and an order marshalling said liens and that out of the proceeds of the sale of said 342 acres of land the said defendants be paid $300.00 and interest to be paid and an order that said lands may be sold clear of clouds of title they ask that said deed of conveyance to said J. B. Morgridge be set aside and cancelled by the decree

of this Court and that such other and further relief be awarded them as may be right-

Amended Petition

Afterward, to wit, On the 23rd day of Feb. A. D. 1884, the following Amended Petition was filed with the Clerk of said Court, to wit:-

Fowlington and Phillis, Plaintiffs

vs.

Rodgers and Thompson et. al. Defendants

Board of Commercial Pleas, Perry County, Ohio

Amended Petition

The said plaintiffs say they are partners doing a banking business as the Bank of Maysville per the manner and style of Fowlington and Phillis- That on the 17th day of December 1883 said plaintiffs took judgement in this Court of Common Pleas of Perry County Ohio- a transcript of which judgement duly certified and exemplified was filed in the office of the Clerk of this Court on Dec. 10th 1883 and that there is now due thereon, against Rodgers and Thompson Robt. M. Thompson and W. S. Rodgers for the sum of $939 72/100 debt and $ costs which judgement is still in full force and unpaid. That on the 20th day of December 1883 a Writ of Execution issued upon said judgement by the Clerk of said Court directed to the Sheriff of said County of Perry commanding him to make said judgement of the goods and chattels and for want thereof of the lands and tenements of said Rodgers and Thompson and of said Robt. M. Thompson and W. S. Rodgers, and which said writ was received by said Sheriff Dec. 20th 1883 and on the same day he levied on said execution and levied on the lands of said defendants for want of goods and chattels to-wit: the lot of 382 acres in said original petition described, in said County of Perry as the property of said Robt. M. Thompson and on same day levied on said execution levied upon the 242 acres in said original petition described as the property of said W. S. Rodgers and returned said Writ on the day of December 1883 duly endorsed with said levies but also that he could not find other property or lands on which to levy to make judgement and that said lands were not sufficient to satisfy the said levies thereon and the said judgement, and that they had no other goods or chattels, lands or tenements subject to levy &c. - That on the 5th day of January 1884 an Order was duly issued upon said judgement by the Clerk of said Court to the Sheriff of said County of Perry commanding him to proceed to sell said lands and make further levy if not by his judgement the said levy was insufficient, which said writ was received by him on the 5th day of Janry 1884 and on the same day he levied on said writ and levied upon the following personalty and real estate in said County of Perry to-wit:- A Rail Road Store House situate on the side of the Rail Road in Perry in said County, used and occupied and owned by said Rodgers and Thompson together with the scales and machinery and furniture therein. Also the Rail Road Store House situate on the side of the Rail Road in Broadway of said County used and occupied by said Rodgers and Thompson and owned by said Rodgers together with the scales and machinery and furniture therein, Also 100 head of yearling cattle - 22 head of horses, colts and mules 175 head of sheep and 50 heads of hogs and two wagons and Spring wagon and farm implements all of which were subject to any right which James Thompson A. P. Thompson and J. M. Rodgers may have thereto by virtue of any assignment to them or valid chattel mortgage thereon to indemnify them as sureties for

said Rodgers and Thompson. The said liens are all still subsisting and create a lien on all of said property but subject to liens of other parties as hereinafter mentioned. 1st The said W. S. Rodgers conveyed to his wife Marcia L. Rodgers 100 acres out of said 342 acres as described in said original petition but plaintiffs know not whether it was for a valuable consideration or not and ask that she answer what consideration she paid therefor and whether she claims anything in the rest of said lands. 2nd The said James Thompson, the plaintiffs are informed recollect some claims upon the remaining 242 acres of land owned by W. S. Rodgers but the amount and nature thereof they cannot state but for the purpose of ascertaining whether it is valid or not they aver that it is not a valid claim as against the plaintiffs said judgement and levy. 3rd That Robert W. Thompson on the 17th day of December 1883 and after said notes were executed and while he knew the said plaintiffs required him and said Rodgers to pay their said indebtedness to the plaintiffs with the design and purpose of preventing the plaintiffs from collecting said claims and placing the said property beyond execution and to defraud the plaintiffs conspired with J. B Mortridge, the father of his wife Josephine Wm. Thompson to aid him in said purpose and design and on said 17th day of Dec. 1883, and order to carry out said design and purpose executed a deed signed & acknowledged by himself and his wife aforesaid without consideration to said J. B Mortridge for said 382 acres land of land, but the plaintiffs aver the said deed is fraudulent and should be set aside as against the said judgement and levy of the plaintiffs. 4th The said James Thompson, R. D Thompson and J. O. Rodgers claims to have a claim upon said two Ware houses and machinery & fixtures and scales and upon all of said cattle, horses, colts, mules, sheep and hogs and wagons, buggy and farm implements and perhaps other property including growing wheat on said lands by virtue of pretended chattel mortgages and assignments and other instruments but the amounts and nature thereof they cannot state more fully than that it is claimed or endeavored to secure them against loss as sureties for said Rodgers and Thompson on notes to the Farmers Bank of Maysville. The plaintiffs say they are informed and believe that said James Thompson, R. D Thompson and J. O Rodgers have a large amount more of property in said chattel mortgages assignments, mortgages and other instruments, than is sufficient to satisfy said claim upon which they are liable as sureties and that all surplus that may remain of all the property they have at least upon after the satisfaction thereof ought in equity to be applied in payment of the plaintiffs said claim and judgement. 5th The said Rodgers and Thompson and R. W. Thompson and W. S. Rodgers have not the means to pay all of their debts and are probably insolvent and Sarah Robbins is indebted to them on account by note and mortgage just due but the account claims of plaintiffs cannot save, but they say the same ought in equity to be applied in satisfaction so far as it will go upon said plaintiffs judgement. 6th R. L. Woodburn, L. Pipes and J. W. Robinson have judgement and levy upon a part of said lands and property and claim as prior liens to the plaintiffs judgement. 7th On or about 20th of September 1882 the said W. S. Rodgers and wife aforesaid executed a mortgage to B. H. Warder upon said 242 acres of land to secure $5000.00 to him which deed was recorded prior to said plaintiffs said judgement and which remains uncancelled. 8th The said Robt W. Thompson and his wife aforesaid on or about the 24th of June 1882 executed their mortgage deed to B. H. Warder for said 382 acres of land to secure $10000.00 which mortgage was duly recorded

prior to the plaintiffs said judgement and the said property for all they are the same amount ask that all of Josephine Wm. Thompson, J. O. Rodgers, all being also disclose whether or either of them as to their liens if any valid liens that said Rodgers and wife Mont to Pipes and relating their his interest thereof and the whole regard to the and that on said mortgage sold perfect approved to same be sold therein and necessary to

prior to the plaintiffs said judgement and mortgage not cancelled. The plaintiffs say the said property and lands are so covered with liens that the same can not be sold for all they are worth to pay executions without the liens thereon being cancelled and the same may be sold clear of all liens by order of this Court. Therefore the plaintiffs ask that all of said persons, to wit, Rodgers and Thompson, Robt W. Thompson, W.S. Rodgers Josephine W. Thompson, Mary L. Rodgers, Sarah Robbins, James Thompson, A.D. Thompson J.C. Rodgers, B.H. Warden, R.L. Woodburn, D. Pipes, J.W. Robinson J.B. Morgridge all being already parties may answer this petition and each set up and fully disclose what claim they make on said property and state fully the nature of their claim and for what amount and that decree may be made for what amount and the written evidence thereof. That the said deed to said J.B. Morgridge may be set aside so far as it relates to plaintiffs said judgement, That said James Thompson, A. Thompson and J.C. Rodgers state fully all the encumbrances, mortgages and other liens they have on the said property and the priority of the same and to whom and when and for what amount and that the plaintiffs may have such other and further relief in the premises as they may be entitled to in equity and good conscience.

And now this cause coming on to be heard on the petition, the answer of John Jewell, George Jewell and Samuel Jewell by their Guardian ad litem and the evidence, the Court find that all of the defendants have had due legal notice of the pendency and demand of the said petition, and that with the exception of those above named, they are in default for answer thereto. Therefore, the Court finds that the plaintiff and the defendants herein after named are tenants in common in the estate described in the petition; that the said Roxana Jewell, widow, is entitled to dower therein, and that subject thereto the plaintiff Charles Jewell has a legal right to the one-eighth of said estate: the defendant Lydia Mentlen a legal right to one eighth part thereof; the defendant Amelia Turner a legal right to one eighth part thereof; the defendant John Jewell a legal right to one eighth part thereof, the defendant Hannah J. Worrell a legal right to one eighth part thereof; the defendant Mary E Rosette a legal right to one eighth part thereof the defendant George Jewell a legal right to one eighth part thereof and the defendant Samuel Jewell a legal right to one eighth part thereof and that the plaintiff is entitled to have partition made of said premises, as prayed in his petition.

Robb and John Wiley, three judicious and disinterested free holders of this vicinity are hereby appointed commissioners to make and set off the same. But it is ordered, when the answer of the said Roxana Jewell, that if, in the opinion of said Commissioners said estate can not be divided by metes and bounds without injury to the value thereof, nor dower be assigned and that said premises be appraised free from said dower interest. And it is ordered that a writ issue to the Sheriff of Marion County, Ohio commanding him that by the oaths of the commissioners above named he cause to be set off and divided to each of the above named parties, the part and proportion of said estate to which they are hereinbefore severally found entitled and also to be set off and assigned the dower of the said Roxana Jewell, if said estate can be divided, in manner as above. And of his proceeding herein the said sheriff is ordered to make due return.

S. W 9 poles 15 links to the center of the before named County road Thence with said road N. 83 deg W 12 poles to a stake in the original West line of the above named Survey No. 3691. Thence with said line S. 8 deg W 131 poles to the place of beginning, Containing 165 acres and 27 poles be the same more or less. Being the same land conveyed by John W. Miller and wife by deed dated August 29th 1856 and recorded in Athens County Record of Deeds Volume 90 Pages 421 and 422. The Court further find the equity of the case to be with the defendants as to the remaining portion of said 215 Acres. It is therefore ordered, adjudged and decreed that within 60 days from the 2nd day of February A. D. 1883 the said Absolom W. Bowen, Executor of and Devisee of Isaac Bowen deceased, Charles Wilcox and Charles Wilcox his husband, Rachel Foster and William Foster her husband and Clementina Bowen, executed and delivered to said Orlando J. Bowen a good and sufficient deed conveying said tract of 165 acres and 27 poles above described to the said Orlando J. Bowen in fee simple = and in default of the execution and delivery of such deed as aforesaid by the defendants above named, it is ordered and adjudged that this judgement and decree shall have the force, effect and operation of such conveyance, so as to vest the title to said premises in the said Orlando J. Bowen in fee simple. It is further considered and adjudged that the plaintiff pay the costs by him made in this cause, and the defendants pay the costs by them made, and in default of such payment by either party

that proceedings were taken therefor. And thereupon the defendants gave notice of their intention to appeal their cause to the District Court and the Court fixed the amount of the Appeal Bond at $500.00

District Court, Vinton County, Ohio.
Amended Petition

4022

The said defendants for their Amended Answer to the plaintiff's petition say they admit that they are the heirs at law of Absalom Vore deceased and the Administrator of his estate and Agents Vore in his answer and that Absalom Vore died seized of said land of some other real estate and that by some agreement between the heirs of Absalom Vore deceased and his widow the lands in said petition described was conveyed to her for life and they admit that the plaintiff has had his residence on said land since his marriage but they deny all the other allegations of said petition. And they say further that said alleged Verbal Agreement of the plaintiff with said Absalom Vore if made was void for want of being reduced to writing under the laws of Ohio and was not understood and treated by the said plaintiff Delavan J. Vore and was not relied upon as binding upon either of them. And they say further that after the death of said Absalom Vore and before the action was commenced the said plaintiff made out his account against said estate for the personal work and labor and expenses performed and incurred by him of which he in his petition has complained and avers the heirs of his right to enforce his said verbal agreement and before the action was commenced, to-wit: prior the 12th of April 1882 presented the same to said Administrator for his allowance as a valid claim for said services against the said estate which account for said work, services and expenses amounted to $978.00 besides interest thereon, a copy of which account was attached by the plaintiff to his petition as "Exhibit A." and referred to in said petition as "Exhibit "A" a copy of which is attached to this Answer and marked Exhibit "A" and made part hereof. for said account and the cause for the collecting of said account pending in the Court of Common Pleas of Monroe County Ohio, the said administrator at the request of said defendants the town of Newton Bare have allowed said claim and filed his answer in said cause allowing the same as a valid claim in favor of the plaintiff for all the work he claims to have done under said verbal agreement and the defendants say the said account fully completed and more than compensates the said plaintiff for any and all services and performances, materials and work and expenses made and incurred and furnished by the plaintiff on account of said verbal agreement. And the defendants further say that after the death of said Newton Bare and before the commencement of this action the said town at large of said Newton Bare and his said widow entered into an agreement in writing setting forth all plaintiff included) duly signed and executed for the settlement of said estate selected the said Peleg Cranston to act as Administrator to settle the personal estate of said deceased and appointed the said Cranston their Attorney in fact to sell & convey all of the lands of said deceased (the lands in said petition described in fee) and divide the proceeds thereof equally between all the heirs of said deceased; and in said written agreement the said lands in said petition described were by said widow and heirs agreed to be set off in fee simple, to be taken as the widow during her life thereof and three to be sold by said Attorney in fact and divided equally between all of said heirs and at that time the plaintiff made no claim to the said lands the petition described except as a tenant in common with the other heirs of said Newton Bare deceased and the said written agreement is binding upon him as well as the other of said heirs. Therefore the defendants ask that said plaintiffs said petition be dismissed and the said defendants have such further relief as may be right.

Reply to Amended Answer.

4022

The plaintiff replies to the Amended Answer
of the defendants, and denies that said verbal agreement made with said Newton
107 Case in and by reason not reduced to writing, and although plaintiff does not
understand the law of the land, and may have been ignorant of his legal
and equitable rights until he took the advice of competent counsel, yet plaintiff
denies that he at any time waived or precluded or estopped to prosecute or
prosecute his or defense of any legal or equitable right that he has in said
home forever. And if plaintiff waived (as averred by defendants) unto the other
heirs of said Newton Case in appointing Peleg Oscanyan Attorney in fact to
sell the lands of said Newton Case deceased, rendering said home forever
(of which plaintiff has no recollection) that plaintiff did so in ignorance
of his equitable rights and did not intend to prejudice any legal or
equitable right that he may have had in said home forever, and he
denies that he made any settlement with the heirs or with said Peleg
Oscanyan, or that he did any act inconsistent to prejudice any equitable
right or interest that he had in or to said home forever. The allowance made
by the Administrator of plaintiffs said account in Case No 4056 pending in the
Court of Common Pleas, and which defendants never excepted to by the Administrator
by the consent of said heirs, in the ordinary act of said heirs and said
Administrator, was not at the request of plaintiff, and plaintiff protests
that any such act of the Administrator, or said heirs shall in any way
affect or prejudice him in his equitable right to enforce said contract made
by Newton Case in his life time and to obtain specific performance of said
contract, and to obtain his equitable and just rights in the premises.
And plaintiff prays, as he has already prayed in his petition.

Delasco J. Dare Plaintiff

vs.

Newton W. Dare, et. al. Defendants

This day came the parties and submitted the cause to the Court upon petition, answers and amended answer and reply thereto and evidence. Whereupon the Court being fully advised in the premises do order that the Case No. 4396 docketed in the Court of Commons Pleas on the account originally attached to the plaintiffs petition be consolidated with this cause, and the defendants in open Court authorizing the Court to enter such decree in this cause against them as may be equitable and do justice to the parties. The Court after hearing the evidence and the arguments of counsel do not find the alleged contract and its fulfillment so clearly proven as the law requires and therefore finds against the plaintiff on said issues so far as it asks a completion of said contract but the Court finds that said plaintiff hath for years past labored for the said Newton Dare and that in satisfaction of the said account in said pleadings mentioned and in full satisfaction for the work done by said plaintiff for said Newton Dare deceased not included in said account the said estate ought in equity to pay altogether to said plaintiff the sum of Twenty Seven Hundred Dollars and that the costs of this proceeding including the costs of the case so consolidated, should be paid out of said estate. Therefore it is considered, ordered and decreed by the Court that the plaintiff is not entitled to a decree for a specific performance for conveyance of said lands, and as to that part of the case, the petition is dismissed, but as to the alternative part of the case the Court finds and decrees that Peleg Dearduff as Administrator of the estate of Newton Dare deceased pay out the first of any funds that may come into his hands as administrator liable to pay debts, to the said plaintiff Delasco J. Dare in satisfaction of said account and of all claims for labor and improvements made on behalf of said Newton Dare, the said sum of Twenty Seven Hundred Dollars with interest from this date and the costs of these proceedings to be charged against said estate for his settlement and that cause is remanded to the Court of Commons Pleas without Record in this District Court for such proceedings as may be necessary.

Petition — Francis Mc. Hart Plaintiff
vs.
T. T. Wilberry, Mc. Kennedy Bishop, and Henry Nevins as Trustees of Jerome Township, Union County Ohio - and D. M. Mc. Donnell, Defendants } Court of Common Pleas Union County Ohio

Petition

4469 — The plaintiff says, that T. T. Wilberry Henry Nevins and Mc. Kennedy Bishop are the Trustees of Jerome Township Union Co. Ohio

That himself and the defendant D. O. Mc Donell held and occupy land adjoining each other in Vernon Township of said County. That for a long period of time, to wit: About twenty-five years the line fence between himself and the said defendant D. O. Mc Donell has been apportioned by them and they in the manner described as follows, to-wit: This plaintiffs point commencing at the State Road and running East about 30 rods; the point of the defendant commencing at that point and extending East bearing South about 45 rods, there at that point this plaintiffs part again commences and extends about 15 rods to the lands of Andrew Dodge. That the said fence has so existed and as so apportioned for said time without inconvenience or controversy between said D. O. Mc Donell and the plaintiff for about 3 years. That on or about the 10th day of December 1883 the said fence being then in need of repair it was mutually arranged between this plaintiff and and the defendant D. O. Mc Donell that together they would rebuild said fence by making a post and rail fence of a good substantial kind. That on the 3rd day of December 1883 (it being soon after the said arrangement was made to rebuild the said fence) he commenced to make said post and rail fence & nails bought and continued on the construction of the same for about ten days when the said Mc Donell went to the Clerk of said Township and falsely pretended that there was a controversy between himself and this plaintiff as to said fence procured the said Clerk to have the said Trustees of said Township called together to settle a controversy concerning their said fence when in truth and in fact there was no controversy existing between this plaintiff and the said Mc Donell concerning said fence. That thereupon the meeting of said Trustees, to wit: Henry Keener and Mc Kendley Bishop (T. T. Kilbey being absent) instead of settling a controversy concerning said fence reversed the apportionment theretofore existing as aforesaid, and assigned to the said Mc Donell that part of said fence that had been held by this plaintiff notwithstanding the work and labor so expended and assigned to this plaintiff that part held by the said Mc Donell. That plaintiff says that the action so taken by the said Trustees is unauthorized by law and if carried into effect will greatly annoy injure and irreparably damage this plaintiff, that the lands of this plaintiff are so situated that the fence so pretended to be apportioned will to repair and keep safe greatly inconvenience, and increase his labor, that there never was controversy concerning said fence for said Trustees to settle, and their action has been falsely and fraudulently procured by the said D. O. Mc Donell and their action is in fraud of this plaintiffs rights. That unless restrained by the order of this Court that the said defendant D. O. Mc Donell pretending to act by reason of the action of said Trustees, and by their order will change said fence in the manner aforesaid, and have already commenced to make said change and are threatening to complete the same. The Plaintiff therefore prays that an order of injunction may issue from this Court enjoining all of said defendants from further disturbing or changing said fence until a hearing can be had in regard to the rights of this plaintiff concerning said fence, that upon the final hearing of this case the action of said Trustees may be held for naught, the plaintiff adjudged to hold his part of said fence so held by him before the pretended action of said Trustees and for such other and further relief as equity and justice may demand.

The defendants for Answer to the plaintiffs petition say that it is true said plaintiff and said D. McC. Dowell own lands adjoining as stated in said petition, the said plaintiff owning since the year 1881 and the said McC. Dowell since 1880. That prior thereto the line fences had been divided or partially kept up so as to give said plaintiff a piece of the fence on each end thereof and the said McC. Dowell frequently requested the plaintiff to redivide said partition fence so as to give said McC. Dowell that part of said fence next to said woods, and being wholly unable to agree about the division thereof the said McC. Dowell made application to the Board of Township Trustees of Jerome Township of Mercer County Ohio for a division of said partition fence under the Statute of Ohio and the said Trustees made said division giving to said McC. Dowell the N½ thereof beginning at the road and the plaintiff S½ at the alley and thereof and the defendants say said division was made in good faith by said Trustees, and the said McC. There are no other or further credits thereon, That afterwards, to-wit: in the month of November 1882 John L. Graham of said firm of Graham & Lewis sold out his interest in the firm and in the property and entire business of Graham & Lewis to his partner John Lewis and one Charles Wright who thereupon associated themselves together as partners under the firm name and style of Lewis & Wright or Wright & Lewis (said firm name sometimes being written one way and sometimes the other) and as a part of the consideration paid by them to said John L. Graham for his interest in said

store &c. said new firm of Wright & Lewis then and there assumed and agreed to pay the note hereto set-forth which was a debt of said old firm and an amount of the consideration price equal to the amount of said note and the interest thereon was retained in the hands of said new firm of Wright & Lewis and withheld from said John L. Graham for the express purpose of paying said note and said amount has always and still is withheld from said John L. Graham out of the purchase price for the purpose of paying said note and said amount is among the assets of said firm now in the hands of the Assignee S. S. Gardiner. That afterwards, to-wit: on the 11th day of January 1883, said new firm of Wright & Lewis made due acknowledgement of said claim and in accordance with their agreement to assume and pay the same did pay and have credited thereon the sum of Eighty Seven & 50/100 Dollars then and there entered upon said note in writing in accordance with their request. Plaintiff further says that about the 6th day of February A. D. 1883, said firm of Wright & Lewis failed in business and made and delivered to the defendant S. S. Gardiner a deed of assignment for the benefit of their creditors and thereby assigned to him all their stock and store of goods and assets. That said S. S. Gardiner duly qualified as such assignee and entered upon his duties as such assignee in conformity with the statutes in such case made and provided and he is now acting in such capacity. That on the 1st day of August 1883, said plaintiff presented to said assignee his said claim for filing and allowance as a valid claim against said Wright & Lewis (or Lewis & Wright) properly verified according to law and thereupon said assignee rejected said claim as not in his opinion a valid claim against the late firm of Wright & Lewis and indorsed his rejection thereon. Plaintiff says there is due her on the note above set-forth the sum of Five Hundred and Thirty-Three & 53/100 Dollars with 8 % thereon from January 11th A. D. 1883, and that she holds no collateral or other security therefor (except said F. H. Graham) nor are there any set-offs against the said claim. Plaintiff therefore asks judgment against said S. S. Gardiner as assignee of Wright & Lewis that he be ordered to allow said claim with interest thereon in the settlement of said assignment and trust together with the costs and that he shall pay what shall be due on said claim and payable under the statutes in such case made and provided under the order of the Court. And plaintiff prays judgment against the defendant F. H. Graham as surety on said note and that he be adjudged to pay the unpaid balance if any remain after the application of proceeds in hands of said Assignee and for all proper relief.

On the 2nd day of July A.D. 1883 the following Petition was filed with the Clerk of said Court to-wit:-

Petition

Wardin Thiernan & Co. Plaintiff
Against
S. S. Gardiner as Assignee of Charls Wright and John Lewis late partners under the firm name of Wright & Lewis, Defendant

Court of Common Pleas
Union County, Ohio.

Petition.

4266

The plaintiffs say: That they are a copartnership formed for the purpose of and doing business in the State of Ohio under the firm name and style of Wardin Thiernan & Co. and not incorporated.

Plaintiffs say that they are now, and for several years last past have been engaged in business as wholesale merchants, selling notions, furnishing goods &c. That among their customers during the year 1882 was the firm of Graham & Lewis, engaged as retail merchants in the Village of Richwood in the County of Union and State of Ohio. That between the 17th day of June 1882, and the 22nd day of August 1882, plaintiff sold and delivered to said firm of Graham & Lewis, at their request, five different bills of goods (Duplicate bills of which, properly verified are here to attached marked Exhibits 1, 2, 3, 4 & 5) all amounting in value to the sum of Seven Hundred and Twenty Three & 6/100 Dollars, upon which no payments have been made. That afterwards, to-wit: in the month of November A.D. 1882, John L. Graham of said firm of Graham & Lewis sold out his interest in the firm and in the property and entire business of Graham & Lewis to his partner John Lewis and one Charles Wright who thereupon associated themselves together under the firm name of Wright & Lewis and as a part of the consideration paid by them to said John L. Graham for his interest in said Store &c. said new firm of Wright & Lewis assumed and agreed to pay the Seven Hundred and Twenty-five and 6/100 Dollars due from said firm of Graham & Lewis to the plaintiffs.

Plaintiffs say that said firm of Wright & Lewis as successors of Graham & Lewis, continued in business until on or about the 6th day of February A.D. 1883 at which time said firm of Wright & Lewis made and delivered a deed of assignment for the benefit of their creditors, to the defendant S. S. Gardiner, and thereby assigned to him all of their stock and store of goods and assets that said defendant S. S. Gardiner, duly qualified as such assignee and entered upon the discharge of his duties in conformity with the statutes in such cases made and provided and he is now acting in such capacity. That on the 27th day of June A.D. 1883, said plaintiffs presented to said assignee their said claim for filing and allowance as a valid claim against said Wright & Lewis, properly verified according to law. And thereupon said assignee rejected said claim as not, in his opinion, a valid claim against the late firm of Wright & Lewis and indorsed his rejection thereon. Plaintiffs say that no part of their said claim has been paid, that they hold no security of any kind therefor and that there is

still due to them Seven Hundred of February A. as assignee of interest thereon costs and the able under the order of the C table and just

still due to them from S. S. Gardiner as assignee of said Wright & Lewis the sum of Seven Hundred and Twenty-five & 65/100 Dollars with interest thereon from the first day of February A. D. 1880. Gardiner as assignee of Wright & Lewis as aforesaid, that he be ordered to allow said claim, with interest thereon in the settlement of said assignment and trust, together with the costs and that he shall pay what shall be due on said claim, and payable under the Statute in such case made and provided and under the order of the Court and that plaintiff may have such other relief as may be equitable and just.

Petition 4288

Plaintiffs say: That they are a partnership doing business in the State of Ohio, and unincorporated; That from the 18th day of September A.D. 1882, until the 27th day of September 1882 said plaintiffs furnished and sold to the firm of Graham & Lewis, then doing business in the village of Richwood, Union County, Ohio; certain goods and merchandise amounting in value to the sum of One Hundred and Eleven and 7/100 Dollars and costs of affidavit, 40 cents, in all One Hundred and Eleven and 1147/100 Dollars copies of the accounts therefor, are hereto attached marked exhibits "A" and "B." and made part hereof. That in the month of November (the exact date thereof plaintiff is unable to state) A.D. 1882, John L. Graham of said firm of Graham & Lewis sold and transferred all his interest in and to the rights, privileges and assets of every kind belonging or appertaining to said firm of Graham & Lewis to one Charles Wright; he, the said Charles Wright, as a part and parcel of the consideration for said sale, agreeing to assume the liability incurred by said Graham to the plaintiffs. That said John Lewis, of said firm of Graham & Lewis in connection with said Charles Wright, continued said partnership under the firm name and style of Wright & Lewis. That on the 6th day of February A.D. 1883, the said firm of Wright & Lewis duly assigned all their property to the said defendant S. S. Gardiner for the benefit of their creditors, which assignment was then duly filed in the Probate Court of said County of Union and thereupon said defendant duly qualified and entered upon his duties as such assignee. That on the 26th day of July A.D. 1883 said plaintiffs duly presented to said defendant as such assignee, a written statement of their claim, and demanded an indorsement of allowance thereon, but defendant refused said indorsement and entered thereon an indorsement in the words and figures following: "Said claim is rejected this 26th day of July 1883 for the reason that same is not a valid claim against Lewis & Wright. S. S. Gardiner, Assignee."

Plaintiffs therefore ask judgment against said defendant as assignee as aforesaid, for the said sum of One Hundred and Eleven and 7/100 Dollars with interest thereon at the rate of six per centum per annum from the 20th day of January A.D. 1883.

A copy of the account therefor together with all credits thereon is hereto attached marked Exhibit "A" and made a part of this petition: That in the month of November (the exact day thereof plaintiffs is unable to state) A.D. 1882, John L. Plaintiffs say that on or about the 6th day of February A.D. 1883, the said firm of Wright & Lewis duly assigned all their property to the said defendant S.S. Gardiner for the benefit of their creditors, which assignment was then duly filed in the Probate Court of said County of Union, and thereupon said defendant duly qualified and entered upon his duties as such assignee. That on the 26th day of July A.D. 1883, said plaintiffs duly presented to said defendant as such assignee

a written statement of their claim, and demanded his indorsement of allowance thereon, but defendant refused said indorsement, and indorsed on indorsement in the words and figures following: "Said claim is rejected July 26th 1883. S. S. Gardiner." Plaintiffs therefore ask judgment against said defendant as assignee as aforesaid for the sum of Four Hundred and twenty three and 55/100 Dollars with six per cent interest thereon from the 2nd day of January A.D. 1883.

Against

Court of Common Pleas
Union County, Ohio.
Petition.

44 5-3

The said David R. May, plaintiff says that on the 7th day of January 1884 he was seized of the following lands and tenements situate in the County of Union aforesaid, the Townships of Leesburgh and the village of Magnetic Springs and described as follows:- Beginning in the South margin of Fountain Avenue at the line between J. M. Hopkins land and the land conveyed by Robert Leeding & wife to Richard Mayfield thence Southerly 20 poles along J. M. Hopkins line; thence Easterly 8 poles to a stake, thence Northerly, 20 poles to the margin of said Avenue; thence Westerly along the margin of said Avenue 8 poles to the place of beginning, containing one acre of land being situate in Robert Leedings Addition to the Village of Magnetic Springs. The plaintiff further says that on or prior to the 4th day of January 1884, the said defendant John R. Owen offered to him to exchange the above described property for a lot in Magnetic Springs known as Lot 126 in J. C. Neil's Addition to said village belonging to him, said Owen representing that the same was encumbered with liens only to the amount of $340.00 and that the property was of the value of $700.00 Plaintiff and said John R. Owen on the 15th day of January 1884 and before any deed had been made or any contract entered into came together to Marysville Ohio, from their place of residence, Magnetic Springs for the purpose of examining the records and ascertaining whether there were any liens upon the said lot of said John R. Owen and the extent thereof; but immediately upon arriving in Marysville the said Owen suggested that he said Owen should procure some whiskey, which he did and by persuasion and act induced the plaintiff to drink and kept plying him with liquor until he became drunk and entirely incapacitated for investigating the condition of the title to said lot or transacting any business whatever. While thus inebriated the said John R. Owen led him to the office of an attorney, and procured his signature to a paper which he has since learned was a deed of the premises hereinbefore described to the defendant Ann M. Owen who is the wife of said John R. Owen On the 16th of January 1884 plaintiff had the records in Recorders Office of said County examined and found one mortgage on said Lot No 126 of John R. Owen to the Home Building and Loan Association of $400.00 One mortgage as to the validity of which plaintiff is not informed, to James Allen of $200.00 with interest at 6 % per annum from September 21st 1883; and a mechanics lien, as to the validity of which plaintiff is not informed, to Bee & Murphy of $63.00. On the same day last named the said John R. Owen aforesaid plaintiff and handed him a paper, the contents or purport of which he did not know which upon examination he found to be a deed from said John R. Amended Petition

On February 5th A.D. 1884 the following Amended Petition was filed with the Clerk of said Court, to-wit:-

David B. May Plaintiff
Against
John R. Owen, Ann O. Owen and Harriet Owen, Defendants.

Court of Common Pleas, Union County Ohio.
Amended and Supplemental Petition.

4415-3

Plaintiff says that since the filing of his original petition in this case he has been informed and has reason to believe that the said Ann O. Owen and John R. Owen have executed a deed of the said acre of land described in the petition to the said Harriet Owen who is the father of said John R. Owen and the same has been done as a part of the plan of defendants to defraud him out of his property. Plaintiff says he does not know whether said deed has ever been delivered to said Harriet Owen or accepted by him, but says that said Harriet Owen is not a bona fide purchaser of said premises and if he accepts a deed for the same he does it with knowledge of the fraud practiced on plaintiff in divesting him of the title thereof.

Wherefore plaintiff prays that said Harriet Owen may be made a party to this action and that any deed the said Ann O. Owen or other persons holding under her executed to him for said premises may be set aside and held for naught and he be enjoined from conveying or incumbering said premises in any manner and that upon a full hearing of this action he be ordered to recovery the same to plaintiff and for such other and further relief as law and equity may require

Answer.

Now comes the defendants and for Answer to the petition of the plaintiff say:- That they admit the plaintiff was the owner of the one acre lot of land described in the petition and admit that the defendant was the owner of Lot No 126 in J. E. Eva's Brides addition to Magnetic Springs and that the plaintiff executed and delivered to the defendant a deed for said one acre lot, and that the defendant executed and delivered to plaintiff a deed for said Lot 126.

But the defendants deny that either of the defendants made any false or fraudulent representations in regard to the liens on said Lot No. 126 or in regard to the value thereof, and deny that either defendants made any false statement or representations whatever in regard to said Lot No. 126. And defendants deny that said John R. Owen caused or procured the intoxication of said plaintiff and deny each and every other allegation in said petition in that regard.

Further answering these defendants say that before said deeds were made the plaintiff and defendants frequently talked about exchanging properties, that there was a mortgage on said one acre lot amounting to about One Hundred and Sixty Nine Dollars. That there was a mortgage on said lot No. 126 executed to said Allen for about $200.00 and also a mortgage to the Building and Loan Association which was payable in weekly dues and installments and upon which the said Owens had been making payments. That before said parties came to Marysville they made a contract to exchange lands as follows:- That in consideration of the conveyance by deed from the plaintiff to the defendants of the said one acre of land, these defendants were to convey to the said plaintiff by deed the said Lot No. 126 in said village.- That the plaintiff was to have released from said one acre of land the mortgage of about One Hundred and Sixty-Nine Dollars or if he was unable or did not succeed in so releasing said mortgage then he was to secure these defendants from the payment of said mortgage by executing to them a mortgage on Lot No. 126 for a like amount. That as to the mortgage on Lot 126 made by defendants to said Building and Loan Association they stated to the plaintiff the amount they had paid to said Association as aforesaid and that before said deeds were executed the plaintiff visited the office of the Secretary of the said association and learned that the amount so claimed to have been paid to said association had been correctly stated by the said John R. Owen- That the plaintiff was to assume the payment of the Allen mortgage of about $200.00 on the said Lot No. 126 And if there was any mechanics liens against the buildings on Lot No 126, then these defendants was to execute a note for the amount. That after the terms of said trade were agreed upon it was discovered that the deed of said Owens was at Marysville having been left there previously for record, and thereupon said plaintiff and defendant John R. Owen arranged that plaintiff should bring his deed and they would come to Marysville and have the deeds made out, and further to see the Secretary of said Association to find out if said Owen had paid into said association the amount he stated. Thereupon the parties came to Marysville and learned that the defendant John R. Owen had paid into said Association the amount he stated. And the plaintiff caused his deed for said one acre lot to be executed and delivered to defendants. And it was then discovered that the wife of said John R. Owen would have to sign his deed and the parties returned to Magnetic Springs and the defendants within a few days executed and delivered to plaintiff a deed for said Lot No. 126 all of which was then satisfactory to all parties. And the plaintiff accepted said deed for said lot No. 126 with full knowledge of all the facts. The defendants say that the plaintiff accepted said deed for said Lot No. 126 long after he claimes to have been intoxicated with full knowledge of all the facts- and that he has never executed a deed back to said defendants for the same but still has the legal title thereto.- and after getting a legal title to said lot he refused to pay the installments of loan dues to said Association and suffered

said Lot No. 126 to become forfeited for non payment of dues on the same and the same has been sold under said Sworn Mortgage. That said trade was fair in every way. The property traded to defendants was about one half mile from said village and had a cheap home on it and was not worth more than $300.00 while Lot No. 126 was in said village, had on it a large home of seven rooms and was of the value of $1000.00 The defendant says that after he got the one acre lot he sold and by deed of General warranty conveyed the same to George W. Longbrake who now has the legal title thereto. but the defendant having made a deed of general warranty are interested in this suit to protect the title thereof. That plaintiff having failed to pay the dues and let said Lot No 126 sue by reason thereof has not nor cannot restore the defendant to their rights before said exchange. The defendants are ready and willing to remove said mechanics lien; but have not done so by reason of this suit and by reason of the plaintiffs refusal to accept the same. These defendants deny each and every allegation in said petition not here admitted. Wherefore the defendants ask that the prayer of said petition be not allowed and that the plaintiffs said petition may be dismissed at his costs and the defendants may go hence and for all proper relief

And now comes the plaintiff and for a reply hereto he says: that he denies that there was any contract or agreement between plaintiff and defendants or either of them, before plaintiff and said Owen came to Marysville on the day said deed was made to said Ann O. Plaintiff denies that he accepted a deed for lot number 126 and denies that he was satisfied with said exchange or accepted the same at any time, and denies that he now holds the legal title to said Lot number 126. This cause coming on for hearing on the petition of plaintiff, answer of defendant C. S. Landgraver, and the said Metta V. Landgraver still failing to answer or demurrer, and the other defendants not being served with process, and was submitted to the Court and being fully advised in the premises finds as follows; First that defendant Charles S. Landgraver executed the eight notes in the petition described, as therein alleged. that three of said notes were due when said petition was filed. And that the principal on the said other notes was not due but that the interest thereon was due. Second: The Court further find that there is due from the defendant to the Plaintiff on said notes which are over due for principal and interest the sum of $377.^{82} And that there is due on the said other notes for interest to this date the sum of $154.41 making an aggregate of $532.23. Third: The Court further find that the said defendant C. S. Landgraver is entitled to a credit on said amount so found against him of Sixty Six $^{85}/_{100}$ Dollars. on account of three small payments made by him to Charles W. Lyon while he was the owner and holder of the same. Fourth: And that said defendant is entitled to a further credit on said amount of Three Hundred and Fifteen Dollars for cash this day paid by him to the plaintiff making an aggregate of credits of Three Hundred and Eighty-One $^{85}/_{100}$ Dollars leaving a balance due and unpaid of one-hundred and fifty $^{85}/_{100}$ dollars. The Court further find that in order to secure the said notes the defendants Charles S. Landgraver and Metta V. Landgraver his wife, executed and delivered to Miller Warner their certain mortgage on the premises described in the petition. that said Miller

transferred the same to Charles W. Lyon then in life but now deceased and that the Administrator of said Lyon, John M. Broderick under the last will of said Lyon, conveyed said mortgage to the plaintiff P. B. Cole as Trustee of Amanda M. Bellmare as alleged in his petition, that said mortgage was duly recorded in Book 16 Page 247 in the Records of Mortgages of Union County and is the first best lien on said premises for the amount so found due. It is therefore considered and adjudged that unless said defendants Charles H. Landgrave shall within ten days from the entry of this decree pay or cause to be paid to the Clerk of this Court the costs in this case and to the plaintiff the sum of One Hundred and Fifty $\frac{25}{100}$ Dollars ($150 $\frac{25}{100}$) with interest from the 20th of March 1885 the sum so found due him as aforesaid with interest according to the terms of said mortgage deed the defendants equity of redemption be foreclosed and said premises shall be sold and an order of sale shall issue therefor to the Sheriff of Union County directing him to sell said premises as upon execution and bring the money into Court for further order. Peleg Cranston Administrator of Newton Case, Deceased, Plaintiff

vs.

Orlasco J. Case, Defendant.

In Court of Common Pleas, Union County, Ohio.

Answer

45-64

The defendant answers the petition of plaintiff and for first ground of defense says: I. That the defendant paid to the said Newton Case in his life time, besides the credits mentioned in plaintiffs petition the following described property and at about the dates following, and which property was to be taken by said Newton Case at the valuations herein given, and which sums were to be received by him as payments, and were to be endorsed by him upon the notes then held by him, and which were then due against defendant, to-wit: 1876, May 1st One top buggy valued at $150.00, 1878 April 1st One yearling colt $65.00 1878, Sept 20th Three head sucking colts $30.00 each $150.00, 1879 June 23 hoad sheep $3.50 per head $10.50. II. For second ground of defense, defendant denies that the note of One hundred dollars, given May 3rd 1880 to the Farmers Bank, and described in cause of action number nine in plaintiffs petition, was paid by the said Newton Case. Defendant admits that he was principal on said note, and said Newton Case was surety on the same, and the defendant avers that soon after said note became due, that the defendant out of his own money and means paid off said note to said Bank and lifted the same from said Bank and showed the same to said Newton Case, who was his father, so as to let the said Newton Case know that said note was paid off by defendant. And said Newton Case took the same from the hands of defendant as defendant believed for the purpose of destroying the same, but instead so doing he placed the same amongst his own papers.

Defendant therefore denies that he is indebted in any sum whatever to the plaintiff as such administrator on said note described in said cause of action number nine

III. For third ground of defense defendant says:- That the notes described in causes of action numbered 1, 2, 3, 4 and 5 in plaintiffs petition, all drawn money to-wit: are on interest at ten per cent. Defendant denies that he is legally bound to pay usury and therefore desires that all usury on the notes described in plaintiffs petition be eliminated.

IV. For fourth ground of defense defendant says: That about the first day of March 1879 he loaned to the said Newton Case one valuable mare with foal, of the value of one hundred and fifty dollars. That said mare while in possession of said Newton Case and under his exclusive control, got a nail into her foot which nail by reasonable care and attention could have been easily withdrawn, but said Newton Case gave the mare no attention or care whatever, although she got very lame in consequence of said nail in the foot and because of such gross carelessness on the part of said Newton Case said mare in consequence of the nail being allowed to remain in her foot pined sickened

and died. The defendant therefore asks that he may have credit against the claims of the plaintiff for the payments made by him to said Newton Case, that said note of one hundred dollars given to said Farmers Bank be deducted from the plaintiffs claim, and that all usury be expunged from said claims, and that he be allowed to recoupe or counterclaim against the claims of the plaintiff, the sum of one hundred and fifty dollars with interest from March 1st 1879, it being the value of said mare which died by the carelessness of said Newton Case and the defendant asks such other and further relief as in justice he is entitled to.

William Hall and Simon Hall Plaintiffs
as.
P. B. Cole as Administrator of Wm. O Dines and Jacob Leonard Defendants

State of Ohio, Union County ss.
Court of Common Pleas.

Petition

$3.15-

The said plaintiffs William Hall and Simon Hall say: That on or about the 22" day of August 1881, the said William O. Dines being then in full life but now deceased entered into a written contract with these plaintiffs a copy of which is hereto attached marked exhibit "A" whereby it was provided that said William O Dines agreed to and did lease and let unto these plaintiffs about 200 acres of land in said County for the term of five years beginning on the 1st day of March 1882, and ending on the 1st day March 1887 and agreed and contracted that these plaintiffs should have the use, enjoyment rents and profits of said land for the full period of five years as aforesaid. These plaintiffs on their part agreed to pay as rent for said lands the sum of Four Hundred Dollars per year to be paid as follows: - $400.00 on the 25th day of December in each year beginning Dec. 25th 1882, and running for five years. For the payment of said rent these plaintiffs then and there executed and delivered to said Dines their five several negotiable promissory notes each bearing date on the 22nd day of August 1881 and payable to said William O. Dines or bearer at yearly intervals beginning Dec. 25th 1882. and drawn for the sum of $400.00 each. That the said W. O. Dines after he had obtained the possession of said notes, and before the same became due, sold and delivered the one bearing date as aforesaid and due and payable on the 25th day of December 1883 to the Bank of Marysville, Ohio, which Bank now holds the same as an innocent purchaser for full value before due, and these plaintiffs are bound to said Bank for the payment thereof. The said William O. Dines also sold two of said notes to-wit the ones due and payable on the 25th day of December 1882, and on the 25th day of December 1885, to the Farmers Bank of Marysville, Ohio both said last notes being sold and delivered before due and for a full and valuable consideration and said plaintiffs are bound for the payment thereof and have already paid the one due and payable December 25th 1882, said Bank being an innocent purchaser thereof.

The said Jacob Leonard claims that one of said notes to-wit the one due and payable December 25th 1884 was left by said Dines with him as collateral security

and now refuses to deliver up the same and claimes that these plaintiffs are bound to him for its payment thereof. The said Dines at the time of his death still held the other note being the one due and payable December 25th 1884, and the same is now in the hands of said P. B. Vole as administrator of said Dines. These plaintiffs say that said Dines wholly failed to keep any part of his said agreement and never put these parties into possession of said lands, and at his death the said Administrator claimed all his interest in said land terminated, that he only had a life estate in said lands, and these plaintiffs have been deprived and kept out of the same and have never had or received any consideration whatever for said notes or either of them, and that the consideration for said notes wholly failed. These plaintiffs having paid one of said notes and being bound to said Banks for the other two held by them and the said Leonard claiming to hold these plaintiffs for the payment of the note in his possession, duly made out their claim against the estate of said William C. Dines for the full amount of said notes sold and transfered, and made oath to said account and claim and presented the same to said P. B. Vole as Administrator of said W. C. Dines and asked said claims to be allowed as a just and valid claim against said estate said claim being duly verified. But the said P. B. Vole as such administrator on the 27th day of August 1883, rejected said claim and refused to allow the same or any part thereof and refused to deliver up to these plaintiffs the note still held by him as such administrator. The said P. B. Vole is duly appointed and qualified as such administrator and duly empowered to act as such. The plaintiffs do not know whether the said Jacob Leonard has any right to hold said note in his possession from these plaintiffs and do not know whether he has any legal claim against these plaintiffs for the payment of the same or any part thereof and they deny their liability to pay him but say if they are so liable then that the said estate of said Dines is liable to them for a like sum and these plaintiffs make said Leonard a party hereto that his rights may be determined. James Higgins claims to have some interest in the note that was placed in the hands of Leonard and he is made a party so his rights may be determined. The said claim as made out is hereto attached marked exhibit "B." These plaintiffs therefore pray that said Jacob Leonard may be required to answer and set forth his claims to said note due December 25th 1884 if any he has and if upon said hearing the Court here be of the opinion that these plaintiffs are bound with said Leonard for the payment of any part of said note then that said P. B. Vole as such administrator be directed to allow a like sum as a just claim against the estate of said Dines, and if said Leonard has no just right to hold these plaintiffs for any part of said note then that he be required to deliver up the same to these plaintiffs and enjoined from transferring or disposing of the same and that said note be cancelled by order of the Court; and these plaintiffs further pray that said P. B. Vole as such Administrator may be required to deliver up to these plaintiffs the note due December 25th 1884, and held by him as such administrator and that the same may be cancelled by order of the Court and further pray that he may be ordered and required to allow the claims of these plaintiffs for the sum of $1200.00 being the amount of the three notes sold and transfered to the Banks as herein set forth as a just and valid claim against said estate of William C. Dines and that the Court here may render judgment against said P. B. Vole as such administrator in favor of these plaintiffs for the full amount of all moneys for which they may be bound or liable on any of said notes, to be paid out of said estate as other claims and for all such other and further orders and decree as may be just and to the Court may seem meet. Simon Hall being first duly sworn deposes and says that an article of agreement a copy of which is hereto attached was entered into by and between himself and said W. O. Dines on the date named in said copy and that he at that time executed notes with good security for the sum of $200.00 and made the same negotiable and payable to said W. O. Dines that after getting possession of said notes said W. O. Dines sold and transferred three of them to wit the one due Dec. 25th 1882, the one due Dec. 25th 1883 and the one due Dec. 25th 1885 and said W. O. Dines pledged one of said notes to Jacob Leonard for an amount not known, the other still being in his possession at the time of his death the affiant has paid the note due Dec 25th 1882 and is liable for the payment of the other two notes sold and also liable to said Jacob Leonard for an amount not known but which he claims to be about $400.00 That the said W. O. Dines never put the affiant in possession of said land and never fulfilled his part of said contract so that the consideration for said notes wholly failed. Affiant says that by reason of the premises he has become bound for the payment of the notes sold which amount to $1200.00 and also is liable to an amount to said Leonard which affiant is unable to give but which said Leonard claims to be about $400.00

that said estate of W. G. Dines is liable to this affiant for said sums owing to the failure of the consideration for said notes, that there are no offsets or counter claims against said claim, affiant not being in any manner indebted to said estate or liable for any claim in its favor. Affiant says that his said claim against said estate is just and unpaid and that he justly ought to recover on the 3 notes sold the sum of Twelve Hundred Dollars ($1200.00) and upon the note payable to Leonard he ought to recover the sum for which said note is pledged, which latter amount is now unknown but which said Leonard claims is about $400.00

Court of Common Pleas of Union County, Ohio.
Answer of Jacob Leonard.

4315-

Now comes Jacob Leonard one of the defendants in this action and for his separate answer says that he was held as surety for W. G. Dines deceased in the sum of about Four Hundred and Ninety Five Dollars - said money going to the heirs of W. G. Dines deceased which sum he paid about July 21st 1883, after the death of the said W. G. Dines deceased.

that he was also security on a note of W. O. Dines given to Peoples Bank of Marysville, Ohio. said note was given about July 27th 1881 and calling for One Hundred and fifty Dollars a part of which has been paid. That the said W. O Dines on or about delivered to this defendant a certain promissory note calling for $400.00 falling due Dec. 25th 1884 and signed by William and Simon Hall to secure this defendant from any and all loss that he might sustain by reason of being such security and that being all the security this defendant had to secure him against such loss. The said Jacob Leonard further states that the estate of W. O. Dines deceased is insolvent and that he was compelled by law to pay the said Four Hundred and Sixty Five Dollars by reason of an execution issued against him in the case of Edward Stillings Guardian vs. the said Jacob Leonard, and that he expects that he will be compelled to pay the note given to the Peoples Bank That he does not know what the consideration of the William and Simon Hall note was nor what it was given for and therefore denies what is said in plaintiffs petition that he became in possession of said note long before said note became due as an innocent party and that on or about Aug. 1883 this defendant sold said note to James Higgins for a good and valuable consideration and this defendant now says that he has not the possession of said note nor the right of possession thereto. Therefore this defendant prays that he may be dismissed from this action and that he recover of plaintiff his costs and for all other proper relief.

Now comes P. B. Cole as Administrator of Wm O. Dines, Deceased and for his answer to the petition of the plaintiff says
1st That he is the Administrator of said Dines estate as therein alleged.
2nd That the said Dines executed said Article of Agreement as alleged.
3rd That the plaintiffs executed and delivered to the said Dines their notes as therein stated.
4th That said Dines died before said article was fulfilled and had only a life estate in the land so leased to said Simon Hall and after his death the land descended to his heirs as reversioners in fee simple, and therefore said lease could not be enforced.
5th As to the negociation of said notes by said Dines and the manner thereof and the consideration therefor the plaintiff has no knowledge and therefore denies all said allegations. As to the note held by Jacob Leonard this defendant says he admits said note was left by said Dines with said Jacob Leonard as collateral security for all notes the said Leonard was security on for said Dynes. But this defendant says he does not know on what notes if any the said Leonard is such security on except one small note to the Peoples Bank of Marysville. Plff asks that the said Leonard who is party defendant hereto may answer and disclose fully his alleged right to said note. As to the note due Dec. 25th 1886, the same is

in the possession of this Defendant as such Administrator to be disposed of as this Court may direct. This defendant says that the said plaintiffs have only paid one of said notes as alleged in their petition and plaintiff denies their right to have any other of said unpaid notes allowed as a claims against the estate of said William C. Defendant says said Dynes left said note to indemnify said Leonard for all the notes he was on as security for said Dynes. And this defendant avers that said Leonard was then such surety for said Dynes only on one note which was payable to the Peoples Bank of Marysville O. of the date of July 21st 1881 for One Hundred and Seventy-nine Dollars in 60 days after date. That there was endorsed a payment on said note of One Hundred Dollars the date of August 22nd 1881, leaving a balance only of Seventy Nine Dollars with interest at 8 ps and this defendant denies that said Leonard was security on any other note for said Dynes then or now. and having thus fully replied he prays the same relief as in his Answer.

Dines payable at the death of said William C. Dines and calling for the sum of Eight Hundred Seven and 5/100 Dollars. That on or about the 21st day of July A.D. 1881, this defendant became farther surety for said William C. Dines in the sum of about One Hundred and Seventy-nine Dollars on a promissory note payable to the Peoples Bank, due in about sixty days after date. That in the year 1880, the premises on which said mortgage above mentioned were given, were sold in partition proceedings by order of this Court and by the instrumentality of this defendant the portion there of due to said William C. Dines was withheld to be credited on said mortgage. That this defendant ascertained the amount thereof and realizing that said mortgaged premises had been totally exhausted and that there was a balance of over four hundred dollars for which this defendant would at the death of said Dines be liable for, without any indemnity whatever, he called upon said William C. Dines about the first day of August A.D. 1881 and refused to farther stand as surety for said Dines upon said mortgage and note. That said Dines then promised to fully indemnify said Leonard for all claims upon which said Leonard was liable as security or otherwise for him. That according to said promise on the 22nd day of August 1881, said Leonard and said Dines came to Marysville for the purpose of indemnifying said Leonard by giving him a chattel mortgage on personal property. That on arriving at Marysville said Dines proposed to this defendant to substitute for said chattel mortgage the said note so mentioned in plaintiffs petition, that this defendant then consented to remain as security and accept said Hall note as indemnity. That it was then and there agreed by and between said Dines and said Leonard that in consideration of said Leonard remaining upon said mortgage and note to Ella Dines et. al. and to indemnify him on the Peoples Bank note that said Dines would transfer and deliver to said Leonard the said Hall note as aforesaid and that in the event of said Dines living beyond the maturity of said Hall note then the said Leonard was to collect the money on said Hall note and reserve to himself a sufficient

sum thereof to fully indemnify him against the payment of any part of said security-ship on said mortgage, and to pay the remainder, if there should be any part remaining to said Dines. That said contract was a verbal contract and said Leonard insisted upon having the same reduced to writing, but that said Dines claimed it was not necessary as they both fully understood the same, but said Leonard gave to said Dines a receipt for said Hall note in which receipt it was stated that said Leonard received said note as indemnity against all notes on which he was surety for said Dines, but this defend-ant says that the scrivener writing said receipt omitted to also insert therein that said Hall note was to indemnify as well against loss by reason of said suretyship on said mortgage above referred to, and that it was the intention and express contract of both parties that said note was to be an especial surety to said Leonard on said mortgage and note above mentioned, otherwise this defendant would not have consented to longer remain as surety on said mortgage. Defendant further says that said William C. Dines died about March 16th 1882 and that at the April A.D. 1883, term of this Court a judgment was rendered against this defendant as surety for said Dines upon said mortgage and note for the sum of Four Hundred and Seventy Four and 19/100 Dollars with six per cent interest thereon from April 6th 1883, that on or about the 21st day of July 1883 said Leonard was compelled by execution duly issued out of this Court on said judgment, to pay the said judgment interest and costs, amount-ing in all to about Four Hundred and Ninety Five Dollars. This defendant further says that on or about the day of August A.D. 1883 he sold, assigned and transferred the said Hall note to one James Higgins for a full, fair and valuable consideration and that this defendant has not now, nor since the commencement of this action, has he had any interest in said Hall note.

This defendant having therefore fully answered herein asks to go hence without day and recover his costs herein expended.

Reply of Plaintiff.

The plaintiffs for Reply to the answer of Jacob Leonard say they deny the allegations in his said Answer that Leonard sold said note to James Higgins and denies that said Higgins ever had any bona fide interest therein and plaintiffs deny each and every allegation of his said Answer relating to the transfer of said note by W. C. Dynes to said Leonard for any purpose except the one stated in said written receipt and denies that said Leonard has any claim or right whatever to said note except to indemnify him for so much of said note he may have to pay, or has paid to the Peoples Bank as shown in the Answer of P. B. Cole as Administrator, and second the plaintiffs for further reply to said Answer say that said Leonard advanced no money or thing as consideration for said note on which he stood security and that he is not a bona fide purchaser thereof for value without notice in such sense as to be protected in the possession of a note of which the consideration failed as alleged in the plaintiffs petition. Wherefore prays the cancellation of said note claimed by said Leonard and said Higgins and for judgt. as prayed for in said petition.

Section 3. This ordinance shall take effect and be in full force from and ten days after its passage and legal publication, August 7th 1883.

S. H. Vanwinkle Mayor J. Thomas Clerk.

The village further to maintain the issue on its part called as a witness Daniel Stout who testified as follows:- Live in Richwood and know the defendant John Orr who keeps a Saloon near the hotel in Richwood. Have been in his place of business and I know that he kept beer for sale. I never called for anything but beer. I saw Dunk Evans in there last Saturday. Three or four times could not say. Bee was all I drank there last Saturday. I always get beer and then go off. I would not be certain that I have been there after dark. I have seen a number of persons drink there what appeared to be beer. I presume I have heard persons call for whiskey. Could not tell you how many within at one time. You will have to get it out of some body else as to whether I saw intoxication or not. I was feeling pretty well last Saturday while in there. Could not tell how often since last Saturday, and since the eleventh of Sept. I have felt well. I dont know how often I was in there when feeling well since the 11th of Sept. I never get so drunk but what I can get home. I may have been in Orrs Saloon when full since the 11th of September. The defendant objected to this and asked it to be ruled out, which objection the Court overruled to which ruling the defendant then and there and at the time excepted. The village further to maintain the issue on its part called as a witness J. J. Finley who testified as follows:- Live in Richwood and know the defendant John Orr who keeps a saloon. Since the 11th of September I have acted as a clerk for him. He keeps beer, whiskey, wine pop tobacco and cigars I have clerked there since the last trial probably a day and in the evening sometimes. The day I clerked there I sold some whiskey and beer. He has kept his place of business open since the 11th of Sept. Dont remember of seeing any body in there intoxicated. I was in there last Saturday. Dont remember of seeing Stout in there at anytime at all. Could not tell you what I sold more than one glass of one kind to one man during the day. I tapped one keg of beer a day. After the witness had testified the defendant asked the Court to rule out his testimony because it was irrelevant to the case, which motion the Court overruled, to which ruling the defendant then and there and at the time excepted. The village further to maintain the issue on its part called as a witness Hamp Scott who testified as follows: Know John Orr have been in his place since Tuesday a week ago half dozen times. I probably drank beer each time I was in there. I dont know that I saw any body else in there who was intoxicated. I never drank more than a couple of glasses in there in one day. After this witness had fully testified, defendant asked the Court to rule out his testimony because it was irrelevant to the case which motion the Court overruled to which ruling the defendant then and there and at the time excepted. The village further to maintain the issue on its part called as a witness J. E. Crow who testified as follows:- Know John Orr the defendant. Have been in his place of business since the 11th of Sept. Since then I have seen men drinking in there I suppose it was beer they drank. Have not been in there frequently since the 11th of this month. Could not say how often I have been in. I have seen two drink in there at one time. It was beer they drank. Know Sam Stout and know that he became intoxicated occasionaly. Know Hamp Scott but dont know any thing about his habits since he came home. I was in there last Saturday

but dont recollect whether Dave Stout was in there. Here the plaintiff rested its case. Thereupon it is agreed between the parties on both sides and found by the Mayor to be a fact that the defendant John Orr had heretofore paid an assessment of Two Hundred Dollars for the privilege of trafficing in intoxicating liquors under the act of legislature commonly known as the "Scott Law" and that he now has all the rights to such traffic, as the payment of said Two Hundred Dollar assessment confers upon him. And no further or other testimony was introduced by said village than herein above set forth and neither party offered any other or further testimony except that herein set forth including agreement that said defendant has paid his Two Hundred Dollar Assessment under the Scott Law.

Thereupon the defendant moved the Court to be discharged from said case and charge because no sufficient case was made against him and because the testimony introduced as above shown does not sustain the charge in the affidavit made in the case, which motions the Court overruled to which ruling the defendant there and then excepted, and thereupon the mayor proceeded to assess and did assess and render judgment of fine against the defendant in the sum of Seventy five Dollars and cost of prosecution and ordered the defendant to stand committed until the fine and costs are fully paid to all of which ruling decisions and judgment defendant there and then and at the time excepted and prayed said Mayor to set his hand and seal to this the defendants bill of exceptions is at the time of trial accordingly done as prayed for

S. W. Vanwinkle Seal

I do find the defendant guilty. Therefore it is by me said Mayor on said day adjudged and ordered that the said defendant pay a fine of Seventy five Dollars and the cost of prosecution herein taxed at Twelve Dollars and Fifty Cents and stand committed until said fine and costs are paid or secured to be paid. — Mayor's fees: Complaint .40, Warrant .40, Docket-Entry .30, Subpoena .60, Continuance .20, 1 Req. for trial .40, 4 witnesses .80, .20, judgment .40, papers filed .25, satisfaction .20, Signing and Sealing .10, Transcript 3.60, Certificate .25; Total $10.60 — Witness fees: John Crane .50, John Finley .50, Hamp Scott .50, Samuel Stout .50, Total $2.00 — Marshal fees: Ser. of Warrant .40, mileage .20, 1 Sub. 7 per .35, Trvl 6 miles .40, Copy 1 .25, attending trial 1.00 Complaint .75; Total $3.35 — Total Cost $16.45 — Cost of Transcript paid by defendant. against

Michael Hannigan Defendant } Before S. W. VanWinkle Mayor of the Village of Richwood, Ohio.

Be it remembered that on the trial of said action and said prosecution before the undersigned S. W. VanWinkle mayor of said village of Richwood at his office therein on the 25th day of Sept. A.D. 1883, the said village to maintain its action and prosecution gave in evidence to said mayor 1st An ordinance entitled an ordinance to prohibit ale, beer and porter houses and places of habitual resort for tippling and intemperance which ordinance reads as follows "See exhibit A." The village further to maintain the issue on its part called James Hughes who testified as follows:-

I live in Richwood and know Mr Hannigan who keeps a saloon and restaurant. Was in Hannigans place of business last Monday. Mr Hannigan has for sale whiskey pies and sandwiches also beer. I went with the marshal to his saloon and I drank a glass of whiskey and the marshal drank a glass of whiskey and the marshal drank a glass of beer. Three other parties in there but they were not drinking that I saw. He had the above articles for sale

when I was in there and that is all I know of his keeping beer for sale. Dont know whether the beer was taken out of a keg or out of a bottle - All I know of his keeping beer for sale is the one glass he sold to the marshal. After this witness had fully testified the defendant moved the Court to rule out his testimony, because it was irrelevant and improper which motion the Court overruled, to which ruling the defendant then and there excepted. The village further to maintain the issue on its part called as a witness Orin Longwell who testified as follows:- Live in Richwood and know Wm. Hannigan and have been in his place since the 11th of September, sometimes once a day sometimes not at all. Wm. H. has beer, wine, liquors, pies, cakes, tobacco and cigars for sale. Have seen men drink beer and liquor in there since the 11th twice at one time. Have not seen beer sold everytime I have been in there since the 11th I have not been in there often perhaps a dozen times but I dont know. I got beer there to drink whenever I wanted it. Sometimes it was bottle beer and sometimes it was not. I go past there every day to my meals. Not more than twice have I got beer in there more one day. Have not drank with parties in there since the 11th Dont remember that I ever saw drunk men in there. Did not see any drunk men there last Wednesday. After this witness had fully testified the defendant moved the Court to rule out the testimony as irrelevant and improper, which motion the Court overruled to which ruling of the Court the defendant then and there and at the time excepted. The Village further to maintain the issue on its part calls as a witness Jacob Long who testified as follows:- Live in Richwood and know Wm. Hannigan who keeps a saloon and restaurant. I pass there sometimes a half a dozen times a day. I saw it closed one day since the 11th of this month I dont know that I have seen any one intoxicated there or near there I dont visit the place. The Village here rested its case. Thereupon it is agreed between the parties on both sides and found by the Mayor to be a fact that the defendant Michael Hannigan has duly paid his assessment of Two Hundred Dollars under the law commonly known as the Scott law for the privilege of trafficing in intoxicating liquors and that he now has all the rights to carry on such traffic as the payment of said Two Hundred Dollars assessment under the Scott law confers upon him. And no further or other testimony was introduced by said village on the trial of said cause than that herein above set forth and neither party offered any other or further testimony than that herein set forth including said agreement. That said defendant has duly paid his as-

Hundred Dollars assessment under the Scott Law. Whereupon the defendant moved the Court to be discharged from said case and charge because no sufficient case was made against him and because the testimony introduced as above set forth does not sustain the charge made in the affidavit in this case which motion the Court overruled to which ruling the defendant then and there excepted

And thereupon the mayor proceed to assess and did assess and render judgment of fine against the defendant in the sum of Seventy five Dollars and cost of prosecution and further ordered the defendant to stand committed until said fine and costs are fully paid. To all of which rulings decisions and judgment defendant then and there and at the time excepted and prayed the mayor to set his hand and seal to this the defendants bill of exceptions which is at the time of trial accordingly done as prayed for. S. W. Vanwinkle Mayor- Seal

I think I bought some beer there last week. Whenever I drink I take a glass of beer and as a general thing I walk out. Since the eleventh of September I think I saw men come in there intoxicated but did not see them drink anything. They, a couple of gentlemen walked in intoxicated, but the bar keeper told them they were intoxicated and could not have any thing. I never found it open and when I wanted tobacco I got it and when I wanted coffee I got it. He kept them beside liquors can oysters, tobacco, cigars coffee and plug and smoking tobacco When they had beer in the shop I got it because I paid for it. Have seen men come in there supposed to be under the influence of whiskey and he refused when they asked for liquor I cannot remember of any one drinking there who was intoxicated since the 11th of September. month I have seen beer, whiskey, tobacco and cigars sold - I think I have seen more than one at a time drinking there. I have been there most every day and there never were many there in the evenings. I have seen them come in and pass through intoxicated come back and ask for something to drink and he refused couldent say that that I have seen any one get drunk there who is in the habit of getting intoxicated. I think I have drank more than once a day sometimes. not at all. The beer that he sells is bottle bottle and keg beer. After this witness had fully testified the defendant asked the Court to rule it out because irrelevant, which motion the Court overruled to which ruling the defendant then and there and at the time excepted. Have been in his place of business when he kept a kind of restaurant - I got black berry wine there also beer. My drink generally is blackberry. I have never seen crowds of a crowd there but I have seen when in there, but what they drank I dont know. I am a traveling man. I have seen men intoxicated come in there I think not more than one or two parties and they were refused the drinks I could not tell what they called for, but heard the bar tender tell them that they could not have anything to drink, but that they had better go out as that was not place to loaf - I think I heard that in there, I drank twice the blackberry and the beer there. After this witness had fully testified the defendant moved the Court to rule out his testimony as irrelevant which motion the court overruled. to which ruling of the Court the defendant then and there and at the time excepted. The village further to maintain the issue on its part called as a witness Levi Hastings who testified as follows: Live in Richwood and know Peter Sells and have been in his place of business most every day. After this witness had fully testified the defendant moved the Court to rule out his testimony as irrelevant which motion the Court overruled to which ruling the defendant then and there and at the time excepted.

The village further to maintain the issue as its part called as a witness Henry Nye who testified as follows:- Live in Richwood & dont Clerk for Peter Sells, but I clerk in his saloon. I have clerked in there since the 11th September off and on, we keep for sale wine, beer, whiskey, cigars and tobacco, can oysters and crackers. The place has been kept open daily for the sale of these articles since the 11th We keep bottle bottle and keg beer, could not tell the amount of the sales perday. Sometimes we sell three or four glasses of whiskey a day and sometimes not so much Some days we sell a keg of beer a day and some days we dont. the beer we sometimes sell by the gallon and by the glass. Last Saturday two or three gallons of beer was sold by the quantity. Can not tell by the amount of cash received how much we sell by the glass. After the witness had fully testified the defendant moved the Court to rule out his testimony because irrelevant which motion the Court overruled to which ruling of the Court the defendant there and there and at the time excepted. The village to further maintain the issues on its part called as a witness Lankin Tongnet who testified as follows:- Live a mile east of town, know Mr Sells and have been in his place since the 11th of Sept. I have seen beer sold there since the 11th. Probably I have drunk beer once and may be twice a day. Dont think I have seen any one in there under the influence of liquor. It was keg beer that I drank. After this witness had fully testified the defendant moved the Court to rule out his testimony as irrelevant - which motion the Court overruled, to which ruling of the Court the defendant there and there and at the time excepted. Here the village rested its case thereupon it is agreed by the parties on both sides and found by the mayor to be a fact that the defendant Peter Sells has duly paid his assessment of Two Hundred Dollars under the "Scott Law" for the privilege of trafficing in intoxicating liquors and that he has now all the right to carry on such traffic as the payment of said Two Hundred Dollar assessment under the Scott Law confers upon him, And no further or other testimony was introduced by said village on the trial of said case, than that herein set forth and neither party offered any other or further evidence than that above set forth including said agreement that said defendant has paid his Two Hundred Dollar assessment under the Scott Law. Thereupon the defendant moved the Court to be discharged from said case and charge because of no sufficient case was made against him and because the testimony introduced as above set forth does not sustain the charge in the affidavit made in this case - which motion the Court overruled, to which ruling the defendant there and there excepted, and thereupon the Mayor proceeded to assess and did assess and render judgment of fine against the defendant in the sum of Seventy five Dollars and cost of prosecution and further ordered the defendant to stand committed until the fine and costs are fully paid, to all of which rulings, decisions and judgment the defendant there and there and at the time excepted, and prayed said mayor to set his hand and seal to this the defendants bill of exceptions which is at the time of trial accordingly done as prayed for.

S. W. VanWinkle Mayor [Seal]

I do find the defendant guilty Therefore it is by me, said mayor on said day adjudged and ordered that the said defendant pay a fine of Seventy-five Dollars and the cost of prosecution herein taxed $15.00 and stand committed until said fine and costs are paid or secured to be paid. — Mayors fees:- Complaint .40, Warrant .40, Docket entry .50, Subpoena 8 pr. .60, Continuance .20, Reg for trial .40, 6 Witnesses sworn .30, Judgment .40, 5 papers filed .25, Satisfaction .20, Signing & Sealing .10, Transcript 4.50 Certificate .25, Total $9.50 Witness fees:- Chas Scott .50, Charley Rosette .50, A. Petition

Court of Common Pleas,
Union County, Ohio.

The said Peter Sells, Plaintiff in error complains of the said defendant in error, for that the said defendant in error on the 25th day of September A.D. 1883, before S. W. Van Winkle as mayor of the Village of Richwood in said County of Union recovered a judgment and fine by consideration of said mayor against the said plaintiff in error in a certain action and prosecution then pending before said mayor wherein the said village of Richwood was plaintiff and the said Peter Sells defendant. A copy and transcript of the record of the judgment, fine and proceedings are hereto attached and made a part hereof. The said Peter Sells avers that there is error in said record and proceedings, to wit:

I. The said mayor erred, on the trial and hearing of said cause in admitting the evidence offered by said village.

II. The mayor erred in overruling the motions of the defendant to rule out the testimony of each several witness who testified on behalf of said village.

III. The mayor erred in overruling the motions of the defendant to discharge and dismiss the defendant from said case after the village had introduced all its testimony and rested its case.

IV. The mayor erred in assessing a fine and costs and in ordering the defendant to stand committed until said fine and costs were fully paid

V. The finding and judgment of the Court was against the evidence and against the law of the case.

VI. The mayor erred in rendering judgment for said village when by the law of the land the judgment should have been for the defendant.

The said Peter Sells therefore prays that said judgment and fine be reversed set aside and held for naught, and that said Peter Sells be restored to all things he has lost by reason thereof.

4230 Now comes the defendant and presents his bill of exceptions which is allowed signed sealed and made part of the Record in this case. January 7th 1885.

Bill of Exceptions
H. A. Willis
vs.
W. H. Robinson
} In the Court of Common Pleas of Union County, Ohio.

Bill of Exceptions.

4230 Be it remembered that at the trial of this cause at the September Term A.D. 1884 of the Court of Common Pleas of Union County Ohio before Hon. John A. Rice and a jury the said trial and proceedings were had and conducted as follows, to-wit: The jury being impaneled and sworn the said plaintiff stated his case on his part, and thereupon the defendant proceeded to the statement of his case and among other things stated that he expected to prove that the account stated in the petition was for goods conditionally purchased by defendant of the plaintiff and that the defendant was to have and did by his contract of purchase have the right upon receipt of said goods to inspect them and if they did not [and returned] suit him he was to return them to the plaintiff and that under this contract he had inspected the goods. And further stated that he also expected to prove that the said contract for said goods was procured from him by sample and that the sample was better than the goods shipped and the defendant for that reason also had the right to return the said goods and would not be liable for the payment therefor.

The defendant having thus stated his case the plaintiff before any witnesses were called objected to the defendants statement and claimed that inasmuch as the defendants answer filed in the case was a general denial he would not be permitted to prove the matters contained in his oral statement to the jury. Thereupon without objections from either party the matter was submitted to the Court to then decide whether the evidence the defendant claimed to have and his defense made in his oral statement could be shown under the general denial in his answer. Thereupon the Court decided that if the defendant wished to prove that the contract was procured by reason of a sample superior in quality to the goods actually delivered such matter must be specially pleaded and could not be shown under the general denial. Thereupon the defendant

asked and had leave to amend his answer and defendant prepared a new answer and submitted it to the plaintiffs counsel for inspection whereupon the counsel for the plaintiff stated that if the amended answer was filed he would aske for a continuance at the defendants cost. The Court then stated to defendants counsel that he would be permitted to introduce any evidence under his first answer that tended to prove the contract for the sale of the said goods was conditional and that by the terms of his contract he had a right to return the goods upon inspection if they did not suit him. That relying upon this statement of the Court the defendant did not file his amended answer but proceeded to trial under his first answer. Thereupon the plaintiff to maintain the issue on his part was sworn as a witness in his own behalf and testified as follows. I am the plaintiff in this case and am the proprietor of the window fasteners mentioned in the account I received the defendants written order for the goods - witness identifies order which was shown him - described in my petition from my traveling salesman and I filed the order and shipped the goods at once as per order. The defendant received the goods and has not paid for them - witness produced and introduced receipt of railroad company for the goods shipped by him to defendant - Witness also testified that defendant in a recent conversation admitted receiving the goods shipped by witness. On cross examination said witness stated that he received notice from the freight office that the goods had been returned to him but that he refused to receive them and never did receive them back. To further maintain the issues on his part the plaintiff called as a witness one Wilks who testified as follows: - My name is — Wilks I am the son of the plaintiff and am his traveling salesman and agent - about the date mentioned in the written order of the defendant I sold him the goods named in the petition and he signed the written order therefor which order witness attached to his deposition and I sent the order to my father just as the defendant made it. Defendant W. H. Robinson was shown the written order for the goods and admitted signing the same. The defendant then also introduced the written order for the goods signed by the defendant which order is hereto attached marked exhibit "A". No other witness were called and no other testimony offered by the plaintiff and he rested his case. Thereupon the defendant to maintain the issue on his part was sworn as a witness in the case and offered his own testimony as follows I am the defendant in this case and the proprietor of a hardware store in Maryville about the time mentioned in the said plaintiffs account the traveling salesman and general agent of the plaintiff came to my store and began showing me a patent window fastener and wanted to sell me some and I finally made this kind of a bargain with him: — The counsel for the plaintiff here objected to the defendant going on with his statement because as it appeared from the deposition the said defendant had signed a written order for the goods. The Court sustained the objection of the plaintiff to which the defendant by his counsel excepted. The counsel for defendant then asked the witness the following questions: - Please go on and state to the jury what conversation if any you had with said traveling agent and what arrangement if any you made with him in regard to the return of the goods. To which question the plaintiff by his counsel objected and the Court sustained the objection and refused to permit the witness to answer. Thereupon the counsel for the defendant stated that he expected to prove by the witness and that the witness would testify that at the time the order for the goods was given and before any writing was made it was agreed between the defendant and the travelling sales

man that if the defendant would order the goods when they came the said defendant should have the privilege of examining the goods and if they did not suit him he was to return them and that upon this condition he signed the written order for the goods and when the goods came he examined them and found them wholly unsuitable to his trade and returned them at once to the plaintiff. But the Court still sustained the plaintiffs objection and refused to allow any of said testimony to go to the jury. To which ruling of the Court in sustaining the objection to said question and refusing to permit said evidence to be given the defendant by his counsel then and there excepted. Thereupon the defendants counsel asked the witness to state to the jury what was said if anything by the plaintiffs traveling salesman in regard to the return of the goods either before or after said order was signed. To which question the plaintiff by his counsel objected and the Court sustained the objection. Thereupon the defendant by his counsel stated to the Court that he expected to prove by the witness that the plaintiffs said traveling salesman said to witness after the said order was signed that he should not delay returning the goods if he returned them. but he should send them back as soon as he found they would not suit him. and that the witness followed this instruction and returned the goods on the same day he received them and notified the plaintiff and that the witness had never seen the goods since. But the Court still sustained plaintiffs objection and refused to permit said testimony to go to the jury for the reason that it tended to contradict the written order of the defendant to which ruling the defendant by his counsel then and there excepted. Thereupon the Counsel for the defendant stated to the Court that he desired to prove by the witness that the plaintiffs traveling agent gave the defendant instructions to return said goods if they did not suit him and this both before and after the written order was made. and that the defendant had returned the goods according to these instructions and had been wholly defrauded of them and that if the Court would permit such testimony he would put the proper questions to bring it out but the Court held such evidence to be incompetent because of the written order. Thereupon the defendant excepted to the ruling of the Court in that behalf. The defendant further attempting to continue his evidence was asked by his counsel the following question:- You may state whether the travelling Agent of the plaintiff at the time you gave him the order for the goods had any sample by which he sold them if so how did the sample compare with the goods sent. But the Counsel for the plaintiff objected to said question on the ground of its being matter that could not be shown under the general denial and the Court sustained the objection. the Counsel for the defendant then stated that he expected that in answering said question the witness would say that the travelling agent of the plaintiff who took the order did have a sample which he exhibited to induce plaintiff to make the order and that the goods sent were inferior to the sample in a large degree, and that defendant would then claim as a matter of law that the defendant had a right to rescind the contract and return the goods which he did. But the Court still sustained the said objection and refused to allow the said evidence to go to the jury because the facts were not set up in the defendants answer. Thereupon the defendant stated to the Court that he had been taken by surprise in the ruling of the Court as the Court had said in the opening of the case that any evidence could go to the jury that tended to show the contract conditional and the defendant asked to file his amended answer and if need be withdraw a juror and let the case be continued at defendants cost. But the Court stated that in the opening of the case at the time the

the statement was made that any evidence could go that would show the contract for the purchase of the goods conditioned the Court was not informed and did not know that any written order had been made and the Court refused the application of the defendant and ordered the trial to proceed. Whereupon the defendant rested his case, and no other witnesses were called or testimony given by either party and the jury having found in favor of the plaintiff the defendant within three days made a motion for a new trial but the Court overruled the same and rendered judgement on the verdict to which defendant excepted and tenders this his bill of exceptions which is allowed, signed, sealed and ordered to be made a part of the record in this case. Entry — James P. Carter, Plaintiff vs. Albon Wortheim et al. Defendants } Court of Common Pleas, Union County ss.

This cause now coming on for hearing on the petition and the evidence, the Court find that the defendant Albon Wortheim has been duly served with Summons in this case, and that he is now in default for answer and demurrer and that the allegations of the petition are thereby confessed by him to be true. And that the defendant executed to the plaintiff his two several notes as set forth in the plaintiffs petition, that one has become due since that time, and that one of said notes was past due when the petition was filed. The Court further find that there is due the plaintiff from the defendant on said notes with interest from the date of this decree the sum of Eleven Hundred and Sixty 5/100 Dollars with eight per cent interest from March 7th 1885. The Court further find that in order to secure to plaintiff the payment of said several notes the defendant Albon Wortheim executed and delivered to said James P. Carter his certain mortgage as in the petition described and on the premises therein described that said mortgage was duly recorded in Book 20 Page 258 of the Records of Mortgages of Union County, and is a good and valid lien on the premises described in the petition, and that the conditions of said mortgage have been broken. It is therefore considered by the Court that the plaintiff recover from the defendant Albon Wortheim the said sum of Eleven Hundred and Sixty & 5/100 and his costs herein expended. And it is further adjudged and decreed that unless the defendant Albon Wortheim shall within ten days from the entry of this decree pay or cause to be paid to the Clerk of this Court the costs, and to the plaintiff herein the sum so found due as aforesaid with interest from March 7th 1885, at 8 per cent: the defendants equity of redemption be foreclosed and said premises be sold and that an Order of Sale issue therefor to the Sheriff of Union County directing him to appraise

The plaintiff says that on or about the first day of January A.D. 1884 he engaged in the traffic of intoxicating liquors as a retail dealer in said County of Union and in the village of Richwood, Ohio. That the Auditor of said County did thereupon place upon the assessment duplicate of said County, kept for such assessment, an assessment to the amount of One Hundred Dollars upon said business of the plaintiff as taxes against the plaintiff and did certify to the then Treasurer of said County, W. M. Liggett, said assessment, who on the 26th day of June A.D. 1884, collected said assessment from said plaintiff the plaintiff not voluntarily paying said assessment, but before and at the time of said payment to said Treasurer W. M. Liggett, protesting against the payment thereof as being illegal. The plaintiff says that said assessment and collection thereof were wholly without authority of law, the same having been made and collected by said officers exclusively under and by virtue of the pretended authority upon said officers conferred by an act of the General assembly of the State of Ohio entitled "An Act to further provide against the evils resulting from the traffic in intoxicating liquors" passed April 18th 1883, which act plaintiff avers is and ever has been from its passage wholly unconstitutional and void in so far as it provides for the assessment of any tax upon the business of trafficking in intoxicating liquors. Plaintiff says that the said sum of One Hundred Dollars was on said date of June 26th 1884 placed by the then Treasurer of said County into the Treasury thereof. That on the 3rd day of A.D. 1884, the said defendant W. H. Gray became the duly elected and qualified Treasurer of said County. That on the 3rd day of February A.D. the plaintiff demanded of and requested the said defendant to refund to him the said One Hundred Dollars with interest thereon from said 26th day of June A.D. 1884, which he the said W. H. Gray then and ever since has failed refused and neglected to do or to pay any part thereof. Wherefore the plaintiff asks judgement against the defendant for said sum of $100.00 with interest from the 26th day of June A.D. 1884

William H. Crary, Treasurer of Union County, Ohio, Defendant.

Court of Common Pleas, Union County, Ohio.

4638

Plaintiffs say that they are engaged in trafficking in intoxicating liquors in Union County Ohio, and were so engaged in the year 1883. Plaintiffs in compliance with the Act of the General Assembly, passed April 16th 1883, entitled "an act" "An Act further providing against the evils resulting from the traffic in intoxicating liquors," made due statement of said business to the proper assessor who made return thereof to the auditor of this County, and by him the same were placed upon a duplicate according to the provisions of said act and plaintiffs assessed in the sum of One Hundred and Eight + 32/100 Dollars.

Plaintiffs further say, that said duplicate, or a copy thereof, was turned over to the defendant, as treasurer, aforesaid or to his predecessor in said office for the purpose of collecting said assessment, which amount the plaintiffs, on the 30th day of October 1883, paid to said treasurer for which payment plaintiff hold his receipt. Plaintiffs further say that said assessment and collection were wrong, oppressive and illegal and that, in making such statement and in the payment of such assessment the plaintiffs did so under protest, to avoid the penalties of the law and the trouble that would arise from refusing to comply with the demands of the assessor for a statement, and of the treasurer for the payment of the assessment, wherefore plaintiffs pray judgment, against the defendant William H. Crary, Treasurer of Union County Ohio, for the sum of One Hundred, Eight and 73/100 Dollars, with interest from the 30th day of October 1883 and the costs of this action.

Saw him on the streets and in the carriage shop when he was intoxicated in the evening. did not see him go into the saloon after he became intoxicated - have seen him intoxicated perhaps 20 or 3 times in the last six months may be more may be less. Dont recollect of seeing any one else intoxicated in there since the 8th of September - On last Saturday I could not state whether or not he was intoxicated when he was in there or not. After this witness had fully testified, defendant moved the Court rule it out as not tending to prove the issues in the case which motion was overruled, which ruling the defendant then and there excepted. The village further to maintain the issues on its part called as a witness Henry Griffin who testified as follows:- I live in Richwood, know David W. Taylor the defendant, He keeps a saloon in Richwood, I have been in there since the 8th of this month, he keeps for sale, Ale, beer, whiskey and cigars, I have bought a little beer there, I can not say how often I have bought beer there, I think I was there last Saturday in the evening, I could not say for certain that there were any body else but myself and another man, I think I was in during the evening twice, got beer both times, I drank two glasses. Did not see Wallace Linder in there at all that I remember, Dont think I saw him on Saturday at all, the beer I got was drawn from a keg. All I drank was drawn from a keg. Dont remember of more than one or two who were drinking while I was in there - I could not say whether the others were drinking anything at all or not. Mr Adleman was in once with me and drank what I did. So sir I dont believe I have seen any one intoxicated in there since the 8th of September This witness having fully testified the defendant asked the Court to rule out the testimony as not tending to prove the issues of this case, which motion the Court overruled to which ruling the defendant then and there excepted. The village further to maintain the issues on its part called as a witness E. M. Randall who testified as follows:- I live in Richwood, know David W. Taylor the defendant. He is in the saloon business, Mr Taylor keeps beer and liquors, I guess of all kinds. Since the 8th of September I have been in his place of business several times. Did not see any one else buy anything there when I was there. I have bought beer there since the 8th of September sometimes once a day, sometimes not at all, at other times twice a day. I have been with another gentleman when we both drank, but since that one time I dont know that I have seen any one else in there since the 8th of September - I have seen two or three in there maybe more - I dont know of any one in the habit of drinking who got liquor there. This witness having fully testified the defendant moved the Court to rule out the testimony as not tending to prove the issues of this case which motion the Court over-ruled, which ruling the defendant then and there excepted. The village further to maintain the issues on its part introduced as a witness L. D. Hess who testified as follows:- I live in Richwood, am acquainted with the defendant David W. Taylor who keeps a saloon in Richwood - He keeps for sale Cigars, tobacco, oysters, pop, Ginger ale, birch beer, whiskey and beer - since the 8th of September I have sold drinks for him myself. I have clerked for him two days, one day last week on Wednesday I believe I clerked three and sold beer and whiskey, I sold a bottle of beer to one person and a pint of whiskey to another. two glasses of beer are all I remember of selling to one person, one glass of whiskey is all I sold to one person. No one was in there who was intoxicated No one there I remember of was in there who is in the habit of getting intoxicated.

Dont know what the receipts were, there were about twice as many as a dozen of men in there during the day. I tapped a new keg but did not sell more than 4 glasses from it at about 5 o'clock in the evening. Dont know whether it has been kept there right along for the purpose of selling since the 8th of September. Could not say more. I was about there on Saturday. This witness having fully testified, the defendant asked the Court to rule out the testimony because it does not tend to prove the issues of the case, which motion the Court overruled. To which ruling from the Court the defendant there and then excepted.

The village further to maintain the issues on its part called as a witness Wallace Linder who testified as follows:- I live in Richwood and know the defendant David W. Taylor. I have been in his place of business sometimes once sometimes twice and sometimes not at all during the day. I think I was in there may be twice last Saturday. Dont know how often I was in. I was in there only in the afternoon last Saturday. I was away in Delaware County in the the forenoon. I got my dinner after returning, before going in there, I think Mr. Hodge went in with me. I drank some beer. One drink and walked out. I am not positive that I went in there again during the day. I might have been again, could not say whether or not. I went into any other saloon but I think not. I got some drinks at Prospect before I got to Richwood. I was not intoxicated when in Mr. Taylors place. I might of been a little off my base at sometime during the day. A man fetched a pint of whiskey over to the carriage shop where I was and I helped him to drink it. It was on Saturday afternoon. The man that brought it over does not live in this County. He lives in Green Camp, Marion County. I was a little intoxicated at Byhalia since the 8th of September but did not get the liquor here. I am in the Country most of the time. Beer is all I ever bought at Taylors. I have seen Taylors place open since the 8th of September- Now may state whether you have been intoxicated in Richwood before last Saturday within the past six months? This question was objected to by the defendant because incompetent and irrelevent which objection was overruled by the Court, and the witness allowed to answer the question. To which ruling of the Court the defendant there and then at the time excepted. Thereupon the said witness answered as follows:- I think I have- could not not tell how often, once in while it has not been as once a week. Sometimes it has been once in two weeks, sometimes not as often as a month or two months or three months. I was not intoxicated when I was in Taylors place on last Saturday. I dont know how much I drank before I came to Richwood. This witness having fully testified the defendant moved the Court to rule out the testimony as not tending to prove the issues of this case which the Court overruled, to which ruling the defendant there and there excepted. The village further to maintain the issue on its part introduced as a witness Hamp Scott who testified as follows. I live in Richwood and know Mr. Taylor the defendant, and have been in his place since a week ago Tuesday perhaps a dozen times and got beer and pop and one glass of whiskey. In any one day I bought only beer except the one glass of whiskey. Have not seen any one intoxicated in there- Have not been intoxicated in there myself. From Tuesday until Saturday I was in there perhaps a half dozen times. I drank two or three glasses of beer in there last Saturday. The village here rested its case, thereupon it is agreed between the parties on both sides and is found by the said mayor to be a fact that the defendant David W. Taylor had heretofore duly paid an assessment of Two hundred dollars for the privilege of trafficing in intoxicating liquors under the act of Legislature commonly known as the "Scott Law" and that he now has all the rights to such traffic as the payment of said Two Hundred Dollar assessment entitles him to. And no further or other testimony was introduced by said village except that herein set forth. And neither party offered any other or further testimony except that herein set forth including said agreement that said defendant has paid his two hundred dollar assessment under the Scott Law And thereupon the defendant moved the Court to be discharged from said case and charge because no sufficient case was made against him and because the testimony introduced as above shown does not sustain the charge in the affidavit made in the case. Which motion the Court overruled, to which ruling the defendant there and there excepted. And thereupon the mayor proceeded to assess and did assess and render judgment of fine against the defendant in the sum of seventy five dollars and costs of prosecution and further ordered that defendant to stand committed until the fine and costs are fully paid. Petition in Error

The said David W. Taylor, plaintiff in error, complains of the said defendant in error for that the said defendant in error on the 25th day of September A.D. 1883, before S. W. Van Winkle as mayor of the village of Richwood in said County of Union recovered a judgment and fine by the consideration of said Mayor against the said plaintiff in error in a certain action and prosecution then pending before said Mayor wherein the said Village of Richwood was plaintiff and the said David W. Taylor was defendant; A copy and

transcript of the record of the judgment-fine and proceeding are hereto attached and made a part hereof. The said David W. Taylor avers that there is error in said record and proceedings, to-wit:-

I. The said Mayor erred in the trial and hearing of said cause in admitting the evidence offered by said village.

II. The Mayor erred in overruling the motion of the defendant to rule out the testimony of each several witness who testified on behalf of said village.

III. The Mayor erred in overruling the motion of the defendant to discharge and dismiss the defendant from said case after the village had introduced all its testimony and rested its case.

IV. The Mayor erred in allowing Wallace Linder to answer the following question put by the Counsel of said village against the objection of defendant-to-wit:- "You may state whether you have been intoxicated in Richwood before last Saturday within the past six months."

V. The mayor erred in assessing a fine and costs and in ordering the defendant to stand committed until said fine and costs were fully paid.

VI. The finding and judgment of the Court were against the evidence and against the law of the case.

VII. The mayor erred in rendering judgment for said village, when by the law of the land the judgment should have been for the defendant.

The said David W. Taylor therefore prays that said judgment and fine be reversed, set aside, and held for naught, and that said David W. Taylor be restored to all thing he has lost by reason thereof. Porter & Porter Attys for Plaintiff in Error

Second Cause of Action: At the time of delivering said notes and to secure the payment of the same, the defendants duly executed and delivered to plaintiffs their mortgage deed conveying the following premises, situate in the County of Union in the State of Ohio and in the Township of York and bounded and described as follows:- Commencing at a stake and stone in the center of a County road S. E. corner to a lot of 100 acres conveyed to Toby and January in the year 1882, thence with their line N. 79 3/4° W. 121 poles to a stake, witness a beech tree 16 feet north in the line of N. P. Harveys land, thence with his line S. 10 1/4° E. 66 12/100 poles to a stake, thence S. 79 3/4° E 121 poles to a stake and stone in center of said County road, thence N. 10 1/4° E 66 12/100 poles to the place of beginning containing fifty acres more or less, part of U. Said mortgage was conditioned that if the said Geo. L. Bates and Alice L. Bates should pay or cause to be paid unto the said Uriah Cahill H. J. Sager and Nathan Howard said three promissory notes when they become due then these presents should be void otherwise to be and remain in full force and virtue in law forever. On the 22nd day of March 1883, at 4 o'clock P. M. said mortgage was duly left for record at the Recorders office of Union County, Ohio and was duly recorded in Vol. 20 page 125 of his records. Plaintiff says there is now due

and unpaid on one of said notes the sum of ($333⅓) Three Hundred and Thirty three and one third dollars with interest at six per cent per annum from the first day of Nov. 1882. Wherefore plaintiffs ask judgment against said defendants in the sum of $333⅓ with interest at 6 % per annum from the first day of November 1882, and that said premises be sold and a sufficient amount of the proceeds for the payment of said judgment be so applied and the remainder of said proceeds be held by the Court to be applied on the payment of said notes as they may become due. Now comes the defendants in this action and in answer to plaintiffs petition say that they admit the making of said notes and mortgage mentioned in plaintiffs petition at the time therein mentioned. Defendants further answering say that said Notes and mortgage was given for the purchase money for said land and premises described in plaintiffs petition. That on the 1st day of November AD.

1882, said plaintiffs warranteing the premises against all persons whatever and that defendants should build a good lawful fence and ditch and keep in repair said fencing, setting forth the boundaries of said premises as described by the plaintiffs in their petition. But defendants say that they have performed all the conditions and believe in their petition, that said plaintiffs have not performed the conditions of said contract in the particulars mentioned in their petition, wherefore said defendants pray that the plaintiffs petition may be dismissed and for nothing, that they may recover their costs herein and for all other and further relief to which they may be entitled in equity. The State of Ohio, Union County ss. I hereby certify that the facts stated in the foregoing Answer are true as he verily believes. Sworn to before me and subscribed in my presence this 7th day of March A. D. 1885. Afterwards on the 28th day of March A. Bates, and Uriah Cahill, Nathan Howard, and F. J. Sager, as in the petition mentioned, was duly recorded in the Recorders Office of Union County and is a first lien upon the premises described in the petitions in said cause, and that the plaintiffs have performed all the conditions and agreements in said contract and decreed that the plaintiffs recover of the defendants Geo. L. Bates, and Alice L. Bates, in said decree, pray over to the plaintiffs the 28th day of March A. D. 1885 and said plaintiffs

1882, said plaintiffs delivered to said defendants their Warrantee Deed of that date warranteing to them a good title in fee simple free from all incumbrances whatever and by reason of said warrantee of title said defendants proceeded to build a good house, dig well and cistern, clear off a large amount of said land and ditch and drain the same and otherwise improve said farm by fencing, setting out fruit trees &c. to the amount of money and labor done and expended by them to the amount of Fifteen Hundred Dollars on said farm. But defendants say the title to said land is defective as he has been informed and believes in this to-wit:- That said land is not in the Survey described in said deed, that said lot is improperly numbered and that the title is defective in other particulars not known to this defendant. Therefore plaintiff prays that the Court order said plaintiffs to pay back the purchase money already paid on said farm, that he be paid the Fifteen Hundred Dollars of improvements made by them on said premises or if this can not be done to quit said title and convenvade said defendants in damages for this defective title and for all further and proper relief as the Court may deem just. vs.
Geo. L. Bates et Alice L. Bates, Defendants

Court of Common Pleas
Union County, Ohio.

This cause now coming on for hearing on the petition of the plaintiff the Court find that the defendant Geo. L. Bates and Alice L. Bates have been duly served with summons in this case and that he is in default for answer and demur, and that the allegations of the petition are thereby confessed by them to be true and that there is due the plaintiffs from the defendants George L. Bates on the promissory notes set forth in the petition with interest to the 28th day of March 1885 the sum of ($381.30) Three Hundred and Eighty One Dollars and fifty cents. The Court further find that in order to secure the payment of said notes the defendants George L. Bates and Alice L. Bates his wife executed and delivered to said Uriah Cahill, Nathan Howard and H. J. Sager the plaintiffs their certain mortgage as in the petition described and on the premises therein described that said mortgage was duly recorded in book Vol. 20 page 125 of the record of mortgages of Union County and is a good and valid lien on the premises described in the petition and that the conditions in said mortgage have been broken it is therefore considered by the Court that the plaintiff recover from the defendant the said sum of ($381.5-0) Three hundred and eighty one dollars and fifty cents and his costs herein. And it is further adjudged and decreed that unless the defendant Geo. L. Bates shall within thirty days from the entry of this decree, pay or cause to be paid to the Clerk of this Court the costs of this case and to the plaintiffs herein the sum so found due as aforesaid with interest from the 28th day of March 1885, the defendants equity of redemption be foreclosed and said premises be sold and that an order of sale issue to the Sheriff of

Joshua P. Marriott and others, Defendant

Court of Common Pleas.

Supplemental Petition.

The plaintiff F. W. Marriott now comes and says - that there was an error in the numbering the lots in said H. T. Marriotts First Addition to the said Village of Richwood by which one lot, to-wit Number 281 was not mentioned in the petition in this case filed. The said Lot Number 281 was by the said plaintiff purchased of the said H. T. Marriott prior to his death and consideration money for same all paid to H. T. Marriott before his death and the deed intended to convey said lot Number 281 made but by reason of the error in numbering said lots the said lot Number 281 was not included in said deed - which said error was not until quite recently discovered. Plaintiff therefore asks the Court for an order to sell the said lot Number 281 at public or private sale as Executor of said estate in order to perfect his title thereto and for authority to make the necessary conveyance for the sale of said lot and for such other and further relief as the case may require. And now comes the plaintiff, Franklin W. Marriott and having heretofore filed his Supplemental Petition and it appearing to the Court that by an error in the numbering of the lots in the Addition made to the village of Richwood by said H. W. Marriott, deceased, and that a lot in said addition numbered two hundred and Eighty one (281) was by reason of the said error left out of the former order of appraisement and sale issued by this Court and the Court being fully advised in the premises, It is therefore ordered and adjudged and decreed by the Court here that said plaintiff as said executor proceed to appraise and sell said lot number 281 at public or private sale as he shall think best and that he make due return of his proceedings to this Court.

Franklin W. Marriott Executor of H. W. Marriott dec'd, now comes and makes his
fourth report to the Court of Sale of two lots in the first Addition made to said village
of Richwood by said H. W. Marriott deceased as follows, to-wit:- On lots numbers
two hundred and eighty one and two hundred and seventy eight. Said lot
lot number 281 I sold to Orville Marriott for the sum of fifty dollars being more
than the appraised value of same as made by appraisers under order of this
Court. And I sold said lot number 278 to Edward Horn for the sum of forty
dollars being the appraised value of said lot as made by order of this Court.
Said F. W. Marriott says further that these are the out-lots sold by him since
last term of this Court, that he has not been able to sell all said lots on account of
stringency of the times for money and for this reason thought best not now to offer
said lots for sale. The order was formerly made by this Court that a deed should
be made to H. C. Welch under contract made with H. W. Marriott, but said Welch
failed to pay the money for said lot abandoned said contract and Allen Holden
assumed the payment of said money for said lot and has so far paid upon said
contract as to entitle him to a deed.

Lovina DeWit, Defendant- Answer and Cross Petition

Answer
4866

And now comes the defendant and for answer to plaintiff's petition says that she admits she and plaintiff were married on the 13th of September 1883. But she denies each and every charge and allegation in said petition which charges her with failure of duty or misconduct as wife.

And by way of Cross petition she says that when she married the plaintiff she was the owner of a farm of forty Six acres situate in Dover Township Union County, Ohio, that it was in good condition and productive and afforded a competent subsistance for defendant and her family of children by her former husband. And the defendant says that the plaintiff came to her house to live upon their marriage. He brought a bed and some other house hold furniture and goods to her house. the next morning after their marriage he left and went to his fathers did not return until the next evening and he continued with her two days and then left again and did not return for one week and from that time on he was absent from her home from one to six weeks at a time until the next spring. during his absence he was absent he was at his fathers home about four miles distant and there — reason or call for his absence. and defendant went to the home of his father to see him and requested him to come home but he refused to go. And during all this time from the time of his marriage in Sept. till April he furnished neither provision or clothing for defendant nor did he work or in any way assist her. The plaintiff in January after the marriage removed his house goods from her house. In the Spring of 1884, he requested plaintiff to leave her home and move onto his fathers farm as he said he thought they would be able to do better there. So on the 1st day of April 884, she moved moved with him and he remained with her most of the time for about a month then he left. and went to his fathers home on the same farm and took his meals and lodged there during the summer and fall till first of November when she returned to her own home. During the time she lived on his fathers farm he eat and lodged nearly all the time at his fathers house and refused to stay with her although she often requested him to do so. And during all that time he entirely failed to furnish her with either food or clothing nor did he work for her or provide her any recourses to subsist on. On the first of Nov. 1884 she moved back to her farm as she had to depend on the production of it for her support her said husband refusing & neglecting to furnish any thing. She admits that in April 1885, plaintiff called on her at her house and asked to live with him and she told she was willing to do so if he would provide her with support, but that she was not willing if he neglected her as he had done. He then left and has never returned to her since and the defendant says plaintiff has failed to provide her with victuals or clothing or to live with and assist her in any way. Defendant says she has one child whose names is Blaine DeWit, a boy borne Aug. 24 1884 and she says she has supported said child. Defendant therefore charges that the plaintiff has been guilty of gross neglect of duty as a husband. She further prays that on the hearing of this cause she may be

State of Ohio, Union County ss.
To the Court of Common Pleas.

4589

The plaintiff says that she has been a resident of the State of Ohio for more than the year last past and she is now a bona fide resident of said County of Union. That on the 13th day of April 1875 she was married to the defendant James Ramsey. That she has always conducted herself as a faithful wife and there has been born to them as the result of said marriage two children now living to-wit: Elie aged 8 years and Irand aged 8 months- said children are now the oldest cared for by the father of the plaintiff, and the other by the plaintiff. The plaintiff says the defendant has been guilty of gross neglect of duty for more than three years- that he has so neglected his family that about six months ago when the babe was only two months old the plaintiff was left destitute and was compelled to go to her fathers for

support for herself and child. The defendants neglect has been and still is in refusing to provide for the plaintiff or her children and although able bodied is spending his time in idleness while the plaintiff by her labor and the help of her friends supported herself and children. The defendant has been guilty of extreme cruelty also in his treatment of the plaintiff. The plaintiff says that the said defendant is unfit to have the control of either of said children but that he has tried to steal away the said Eli from the father of the plaintiff, where he has all the comforts of a home, and that he still threatens to take said child and interfere with the plaintiff in the control thereof. The defendant has no property or means whatever and is incapable of supporting said child Wherefore the plaintiff prays that she may be divorced from the said James Pinney and that the custody and control of said children may be decreed to her and that pending this suit the defendant may be enjoined from interfering with the custody and control of said children, and for all proper relief.

Petition.

The plaintiff says:- That on the 1st day of July A.D. 1864 the defendant David Blue, by his duly appointed and qualified attorney in fact-Hamilton Blue, conveyed to the plaintiff his heirs and assigns by a good sufficient deed of general warranty the following premises situate in the County of Union and State of Ohio in the Township of Liberty part of Surveys No. 12400 and No. 3490 for 100 acres made in the name of Wm Richie = Beginning at a stone (in place of 2 ashes, lynn and hickory) Easterly corner of said Survey No. 3490: thence with a line of said Survey S. 53° W. 93 poles and 17 links to a stone: thence

thence N. 37° W. 230 poles to a stone in the line of Survey No. 12400 &c. thence with said line N. 53° E. 80 poles and 10 links to a stone (in place of 2 sugars and beech) Westerly corner to Liderals Fords land; thence with a line of said land S. 37° E. 127½ poles to a stone (in place of an Elm, lynn and hickory) Southerly corner to said Liderals Fords land in the line of said Survey No. 3490 thence with said line N. 52° E. 13⅓ poles to a stone (in place of 2 beeches and 2 sugars) Northerly corner to said Survey No. 3490; thence with the north eastenly line of said Survey S. 37° E. 102½ poles to the beginning. Containing 124 Acres more or less and being the same lands conveyed by James N. Devore to David Blue by deed bearing date February 12th 1862 and recorded in Vol. 24 Pages 357 & 358 of Deed Records of Union County, Ohio. The plaintiff says that the defendant Sarah Blue who is and then was the wife of said David Blue, released her contingent right of dower to said lands in said deed and signed and sealed the same, and that she properly acknowledged the same and that she was examined separate and apart from her said husband and by the executors of said deed completely divested herself of all her right title and interest in and to said land present or contingent. Plaintiff further says that in the record of said deed the recorder omitted, by oversight, to record the acknowledgment of Sarah Blue (which was written separate and apart from that of David Blue, by his Atty &c) and that as shown by the record said deed is defective and that said original deed has been lost or destroyed and therefore the defect cannot be cured by a new deed or by the Court. Plaintiff says the defendant Sarah Blue refuses to execute a new deed. Plaintiff therefore prays the Court for an order requiring said Sarah Blue to make a new conveyance to plaintiff of her contingent interest in said lands or if that would not be proper for an order of the Court correcting the record of said deed so as to confer upon plaintiff a perfect legal title to said land, and for an order quieting his title to said lands against the pretended claim of said Sarah Blue and perpetually enjoining her from asserting or attempting to assert any claim thereto and for such other and further relief as the case demands. This day this cause came on to be heard upon the petition and the evidence (the defendants failing to demurre or Answer) and was argued by counsel and submitted to the Court. Whereupon the Court being fully advised in the premises do find from the evidence that said Sarah Blue signed sealed and acknowledged the deed described in plaintiffs petition and she thereby released her dower in the said premises described in plaintiffs petition as therein alleged and that she has now no interest in, or right or title to said lands. And the Court finds from the evidence that the allegations in plaintiffs petition are true. It is therefore ordered, adjudged and decreed by the Court that the title of the plaintiff be quieted as to the dower right therein of said Sarah Blue and that said Sarah Blue be perpetually enjoined from asserting or attempting to assert any claim thereto.

It is further ordered that the plaintiff pay the costs of this action taxed to $ writing 10 days or that execution issue therefor.

4/4/18

This cause now coming on for hearing on the petition of the plaintiff and the evidence the Court find that the defendants F. M. McAdams and Susannah McAdams have been duly served with Summons in this case and that they are in default for answer and demurrer and that the allegations of the petition are thereby confessed by them to be true - and that the defendants executed to the plaintiff the two notes as set forth in the petition - that there now a balance of $216.10/100 with interest at the rate of 6 per cent from the 31st day of December 1883 due upon one of said notes (being the one first described in the petition) when said petition was filed. and that the last-mentioned note in the petition has become due since that time and that both of said notes as alleged in said petition are unpaid - The Court further find that there is due to the plaintiff from the defendants on said notes with interest to the first day of this term the sum of $1342.25 The Court further find that in order to secure to plaintiff the payment of said notes, the defendants F. M. McAdams and Susannah McAdams his wife executed and delivered to said G. W. Handley their certain mortgage as in the petition describe and on the premises therein described - that said mortgage was duly recorded in Book 47 Page 89 of the Record of Mortgages of Union County and is a good and valid lien on the premises described in the petition and that the conditions of said mortgage have been broken - It is therefore considered by the Court that the plaintiff recover of the defendants F. M. McAdams and Susannah McAdams the said sum of $219.80 and his costs herein expended - And it is further adjudged and decreed That unless the defendants F. M. McAdams and Susannah McAdams shall within five days from the entry of this decree pay or cause to be paid to the Clerk of this Court the costs of this case and to the plaintiff herein the sum so found due as aforesaid to-wit:- The sum of $1342.25 with interest from the 14th day of April 1884 the defendants equity of redemption be foreclosed and said premises be sold and that an order of sale issue therefor to the Sheriff of Union County directing him to appraise, advertise and sell said premises as upon execution and report his proceedings to this Court for further order.

J. W. Smith et. al.

Court of Common Pleas, Union County, Ohio.

This cause now came on for hearing on the Supplemental petition of plaintiff filed herein, asking for judgment and order of sale on said note marked "B" in the original petition filed herein and the same being submitted to the Court. On Consideration whereof the Court find the allegations of said Supplemental petition are confessed by the defendants to be true, and that there is due the plaintiff on said note marked B" the sum of $328.75 with interest from July 1st 1885. It is therefore considered that the plaintiff William Black recover from said defendants the said sum of $328.75 with interest from July 1st 1885, and his costs in this behalf expended. The Court further find that in order to secure the payment of said note, the defendants J. W. Smith and Lillian Smith his wife executed the mortgage as set forth in the petition herein and that the same is a good and valid lien on the premises described in said petition and that the conditions in said mortgage have been broken. It is further adjudged and decreed that unless the defendants shall within 10 days from the entry of this decree pay or cause to be paid to the Clerk of this Court the costs of this case, and to the plaintiff herein the sum so found due as aforesaid with interest from July 1st 1885, the defendants equity of redemption be foreclosed and said premises be sold and that an order issue therefor to the Sheriff of Union County directing him to appraise, advertise and sell said premises as upon execution and report his proceedings to this Court for further order.

Answer

Merrick B. Sely Plff. } Court of Common Pleas, Union County, Ohio.
vs.
George W. South Deft. } 1st Now comes the defendant George W. South

and for Answer says he admits the execution of the notes and mortgage stated in plaintiff petition.

2nd. Further answering said George W. South says that about the time and before the execution of the said notes and mortgage he had entered into a verbal agreement with the plaintiff for the purchase of said property that is described in the plaintiff petition and as a part performance on the part of the defendant he paid the plaintiff as part of the purchase money therefor the sum of four hundred dollars, and at that time it was understood and agreed between the plaintiff and the defendant that he was not to pay any money on said mortgage until April 1st 1884, but that on the 16th day of January A.D. 1883 the said plaintiff fraudulently and wrongfully took advantage of the fact that he already had four hundred dollars of the purchase money in his hands paid on said real estate. & the plaintiff then and there refused to pay back said money, and refused to make a deed to the defendant unless the defendant would execute said mortgage as it appears in said petition. with one hundred dollars due April 1st 1883 and the defendant believing that he would be wholly unable to collect back off the plaintiff the purchase money already paid, finally agreed with the plaintiff to execute said mortgage and notes as plaintiff desired. upon the plaintiff agreeing verbally that the defendant might have his own time within said four years that said mortgage was to run to pay off said first note, and believing and relying on the plaintiff agreement as above stated did execute said notes and mortgage, said agreement being that plaintiff would not call upon the defendant for said first $100.00 until he was able to pay the same, which promise and agreement said plaintiff has failed to keep with the defendant.

3rd As a further defense to the plaintiffs petition and by way of payment on said second note set up in said petition the defendant says that said plaintiff occupied and used one granery and one ice house for all the time since January 16th 1883 up to date, that there was no agreement as to the price of the rent to be paid therefor but that the same are worth $2.00 per month for 21 months $41.00. Defendant further says that by way of defense to said petition that the defendant was to have the use of the dwelling house on said property on the first day of April 1883 but that the plaintiff kept the defendant out of the use of the same for 15 or 20 day to his damage of $10.00.

4th Defendant therefore denies that at the commencement of this suit there was any thing due the plaintiff on the same for the reason above stated. Defendant therefore asks that he be allowed his said payments if the Court should find for the plaintiff and he further prays that said petition of the plaintiff be dismissed for the reason that there was nothing due on the same when this suit was brought, and for all proper relief.

This cause now coming on for hearing as submitted to the Court on the petition of the plaintiff and the answer of the defendant G. W. South, on consideration thereof the Court find on the issue joined for the plaintiff, and that there is due the plaintiff from the defendants on the notes set forth in the petition with interest to the first day of this term, the sum of two hundred and twenty-five and 33/100 dollars. The Court further find that in order to secure the payment of said notes, the defendants G. W. South and Mary South his wife executed and delivered to said plaintiff their certain mortgage, as in the petition described and on the premises therein described, that said mortgage was duly recorded in Vol. 28 Page 75 of the Records of mortgages of Union County, Ohio and is a good and valid lien on the premises described in the petition, and that the conditions in said mortgage have been broken. It is therefore considered by the Court that the plaintiff recover from the defendants the said sum of $225-33 with interest from the first day of this term, and his costs herein expended. And it is further adjudged and decreed, that unless the defendant G. W. South shall, before the first day of May 1885, pay or cause to be paid to the Clerk of this Court the costs of this case and to the plaintiff herein the sum so found due as aforesaid, with interest as aforesaid, the defendants equity of redemption be foreclosed, and said premises be sold and that an order of sale issue therefor to the Sheriff of Union County directing him to appraise advertise and sell said premises as upon execution and report his proceedings to this Court at its next term, for further order, to which time this cause, as to the notes in the petition described and not yet due, is continued.

Said defendant for a second defense says that he and his grantors under whom he holds said premises have been in peaceable and open notorious and continuous and adverse possession of said premises for more than 21 years last prior to the commencement of this action and that the plaintiffs supposed cause of action did not accrue within 21 years prior to the commencement of this action.

This cause came on for hearing upon the petition in error, the transcript, and the original papers and pleadings from the Court of W. N. Hill a Justice of the Peace of Union County, Ohio, and was argued by counsel: And on consideration thereof, the Court find that there is error in the commencement of said proceedings in that said Justice had neither jurisdiction of the plaintiff the error, nor of the subject-matter of this action, to the prejudice of the plaintiff in error. And the said judgment is therefore reversed and held for naught at the cost of the present time of the defendants in error, and execution is awarded therefor.

Report of the Survey of the Line Between the Counties of Union and Delaware: Filed on the — day of A.D. 1882 with the Clerk of the Court of Common Pleas, Union County, Ohio.

To the Hon. Clerk of Court of Common Pleas in
Union and in Delaware Counties:—

The undersigned Surveyors herewith make in accordance with Section No.—— of the Revised Statutes of Ohio, return of a survey made jointly between the Counties of Union and Delaware. Establishing and marking the boundary line between said counties by order and under the direction of the joint Board of Commissioners of said Counties.

It is hereby ordered, That the Fifteen mile line be a straight line from the north west corner of Delaware County as now marked to where the present county line is now recognized at the South side of the lands of Wm Peet and from thence to be a straight line to the point now recognized as the County line at the Delaware and Bellefontaine Road on the South Bank of Bokes Creek from thence to be a straight line to the South corner or end of the fifteen mile line - passing through the original marked trees on the lands of W. H. Andrews:- that the line known as the Four mile line be run in one straight line and be located so as to be as near the old line and equally divide the lands as can be done (subject to the proviso included in the description of the Seven mile line):- That the Seven mile line be one straight line:- the west side of the present residence of Peter Wollam to be one point and the rest of said line to be located as near the old line as can be done. In pursuance of your amended order we have run and marked said lines as follows:- We believe that it does not vary but a few feet or inches from where the old line was located, which we believe crosses and re-crosses our line in a number of places which variation we attribute to the local variations of the magnetic needle in the Survey of 1828.

It will be observed that the first angle in the 15 mile line at 910 rods distant from the North West corner of Delaware County is about 194.80 feet from a straight line connecting the South end of the 15 mile line with the north west corner of Delaware County— the magnetic needle upon this curved line will indicate a due South course as near as can be observed with a magnetic needle— while the cause of this variation may seem strange, that amount of variation is not an unusual occurrence in lines of this length in this part of Ohio— From an actual observation of the north Star taken upon the ground - being also verified by comparisons with other established meridians the true meridian course of the line from the north west corner of Delaware County to the first angle bears S 0° 30' W. a distance of 910 rods from the first angle to the angle at Bokes Creek bears S 0° 39' E, from the angle at Bokes Creek to the end of the 15 mile line the course is S. 1° 2' E- from the end of the 15 mile line to the north end of the seven mile line on what is called the 4 mile line the course is N. 89° 28' E from the East end of the 4 mile line South to Franklin County or what is called the Seven mile line the course is S 1° 22' E.

twelve miles and 61.32 rods planted a cut-stone monument in the north
margin of the Munnsville and Delaware Gravel Road at twelve miles and
129 rods - planted a cut-stone monument in the South line of the L. V. &
S. R.R. and fifty feet from the center of the tracks at twelve miles and 286.30
rods crossing a graveled road running from Ostrander to New Dover
the center of which is the line between original Surveys Nos 5501 and
3007 at thirteen miles and 115.20 rods, with north margin of said road
we planted a cut-stone monument at 25 feet from the center thereof -
crossing Dunns Run the first time at thirteen miles and 139.38 rods the
second time at 13 miles and 155.14 rods, the third time at 13 miles and
168.77 rods. From this point we continued 78.60 rods being the distance called
for from this point to the end of the 15 mile line at the corner of said Counties
by the minutes of the Survey made in 1828. The banks of the run at
this point are well defined and are so grown with timber on each side
that there is no possibility of its bed having been removed since the year 1828.
This being the most reliable evidence we were able to find as to the corner at the
south end of the 15 mile line at the said corner which is on lands now
owned and occupied by Perry J. Sherman in the midst of a cultivated
field. We planted a cut-stone monument marked on the top as shown
by diagram being from the north West corner of Delaware County
distant thirteen miles and 247.45 rods and from the Greenville Treaty
line distant fifteen miles and 31.91 rods. The check measurement made
on this line shows a difference of 7/100 of one rod per mile - the longest
measure is given in this report. Four mile line

Running thence Southerly we turned an angle of 90° 50' and made the true course of this line S. 1° 22' E (within two or three rods of the corner in an old log cabin with doors in the north and South walls through which the line clearly passed - Residents in this vicinity say the line run in 1828 passed through the same doors) We planted a cut-stone monument in the line between the lands of John Penn and Daniel Long at 209.07 rods crossed a public road the center of which is the line between original Surveys Nos. 2992 and 1573 in the west margin of of which we planted a cut-stone monument at one mile and 54.50 rods crossed the California and Delaware State Road and planted a cut-stone monument in the north Westerly margin there of at one mile and 168.18 rods crossing the line between original Surveys Nos 1573 and 2997 at one mile and 241.14 rods - crossing a public road in the north margin of which is planted a cut-stone monument at one mile and 298.71 rods, planted a cut-stone monument in the line between the lands of John M. The entire amount of line run was as follows:-
Greenville Treaty Line to North West corner of Delaware Co. 1 mile and 104.46 rods = From North West corner of Delaware Co. to end of 15 mile line 13 m. 247.45 rods. East and West line 4 miles and 14.55 rods - the line South to Franklin County 7 miles and 6.38 rods. making 26 m. 52.84 rods

Report of the Re-Survey of the Line Between the Counties of Madison and Union
Filed December 1st 1885, with the Clerk of the Court of Common Pleas, Union Co. Ohio.

To the Clerk of the Court of Common Pleas
Union County, Ohio.

Sir:-

In pursuance of an order made at joint-session of the Boards of Commissioners of the Counties of Madison and Union held at Plain City, Madison County on the 1st day of July A.D. 1885, under a call of the Auditor of Madison County and for the purpose of discussing the question of the re-survey of the line between said Counties. I proceeded in company with the Surveyor of Madison County, William Reeder to make a re-survey of said line and under Section No. 806 of the revised Statutes of the State of Ohio, beg leave to make the following report to-wit:-

The action of the Joint Board of Commissioners of the two Counties as shown by the minutes of their July 1st session was that the resurvey be made in accordance with the Statute passed by the Ohio Legislature January 18th 1828, and the order made at the same session was that the Engineers of both Counties be instructed to proceed to resurvey said County line.

Under the said order we proceeded on the 26th day of August to resurvey said line beginning at a large stone on the lands of James Kile it having been set in the ground and having long been recognized as the corner of Franklin and Madison Counties and was and is now recognized as said corner. We then proceeded to run a right-line from said point as a base line with Transet by back and fore sights noting such monuments as could be found.

From the beginning point for 14966 feet no definate monuments were found. At 14966 feet passed a black walnut stump south of Transet-line 91.50 feet said to have been a line tree. At 15288.50 feet passed a marked ash south of Transet-line 94 feet said to be a line tree. At 15606 feet an ash and buckeye near the bank of Darby Creek south of Transet-line 91 feet said to be a line tree The above noted timber were on the lands of Jeptha Taylor. At 15373.50 feet set Transet-line north 183 feet to clear obstructions in Plain City and continued through the town to 21120 feet when we set south the 183 feet. The offsets were made over very level ground by lining bushing and tacking each 100 feet and all measurements taken with a Steel tape. At 18899.50 feet passed a locust-tree in the yard of Mrs Ivey said to have been planted on the line when it was run. This timber was south of Transet-line 74.50 feet. At 23165 feet passed a marked burr oak on the lands of the heirs of James Ivey said to be a line tree south of Transet-line 80 feet. At 29675 feet passed a marked white elm on the lands of S.H. Bowers said to be a line tree 134 feet south of Transet-line. At 33421 feet passed a double burr oak marked and said to be a line tree on the lands of Frank Andrews 125 feet south of Transet-line. At 34163.50 feet passed a hickory marked 132 feet south of Transet-line also at 35330 feet passed a burr oak marked 145.50 feet South of Transet-line both of the last-mentioned trees said to be line trees and on the lands of Rufus Andrews. At 39069 feet passed a stone on the lands of G. H. Diebolt said to have been planted on the line and 177 feet South of Transet-line. At 48600 feet finding that the line marked

was bearing South from the Transet-line we set South 200 feet-with the same care as before by lining bushing and tacking each 100 feet- At-4933-4 feet-we passed an elek stump on the lands of Addison Bidwell 217 feet south of our Transet-line said to be the corner of Pike and Darby Townships Madison County. From this point for a distance of about 4.50 miles we found nothing but-points shown us by the citizens as being about-where the line was said to run. At-70 600 feet still finding the line bearing south from the Transet-line we set South 500 feet over good measuring ground with the same care as before by lining bushing and tacking each 100 feet. At-73223 feet-we passed a stone on the lands of Asa Bates near the Leiverpool Pike 303 feet south of Transet-line and said to be on the County line. From this point-we passed nothing to mark a line other than the crossing of Leittle Darby Creek three times which points we left South of Transet-line. Continued running to the Champaign County line where we were 5.31 1/4 feet north of the stone marking the north west-corner of Madison County. This corner has long been recognized as the corner of Madison County and is undisputed. This stone was set-in the place of a stake and stones which had marked the corner for many years and in regard to the location of which there has been no dispute. The marked stone was set-at the time the line was run between Champaign and Union Counties at-which time the stake and stones were there. We then proceeded to set the line over onto a straight-line between the two corners of Madison County marking it by setting large stakes at all roads where the line crossed also at-intermediate points observing the timber to find marked trees but found nothing. Upon running back we crossed Leittle Darby Creek three times and run very close to where some of the citizens supposed the line to be these points we near the Leiverpool Mud Road on the Colwell land. At-Plain City we calculated the line between the marked ash and buckeye on the banks of Darby Creek and the marked oak on the lands of James Gray's heirs and found it-set-us on the line running through the town.

Upon inquiry of Mr Rufus Andrews an old resident-and upon whose land some of the marked trees stood we found that-the timber on his land as well as that-on the land of Frank Andrews were marked by General Irwin, Rufus Andrews being chain carrier at the time Irwin ran the line and marked these trees. We find further that-the line as marked has a bend in it-and from such marks as we found located it at-or about-the stone on the lands of H. W. Debolt.

Our order being to run the line as run by Lewi Phelps in 1820 and established by the Legislature in 1828 and not-having sufficient-record of the establishing of his line in the way of marked timber left by him to trace it-by and as his record says he ran West 18 miles and 214 poles and that-his line run the cardinal points of the compass according to the true meridian the inference to be drawn is that-he ran a due west-course. There being no timbered calls made by Phelps in his record of running but-having the two ends of the Madison County Leine fixed by monuments the line was marked as above described by placing large stakes at-each highway where the line crossed running from corner to corner of Madison County. The course of the line as marked by us is 12.8 South of a due west-course by the true meridian

which variation might occur in running with the compass which was the instrument no doubt used by Phelps while the line run by us was with Transet by back and fore sights. The intention seems to have been to have the line between the two counties straight as Phelps run it, for by the original act of the Ohio Legislature in 1820 (Chase Statutes V. 3. P. 2133) it was to run west to the east boundry of Champaign County. Again in 1821 by an Act of the Legislature it was to be parallel with the line between Madison, Franklin and Delaware Counties (Chase Statutes V. 3. P. 2135.) now the act establishing the County of Delaware passed in 1808 begins at the south east corner of Township number three in the sixteenth range of the United States military district thence west with the line between the second and third tier of townships to the Scioto river and continued west to the east boundary of Champaign County (Chase Statutes V. 3. P. 2107) afterward by an act of the Legislature passed in 1810 establishing the County of Madison (Chase Statutes V. 3. P. 2114) we find the beginning point at the South west corner of Delaware County thence east with the South boundary of the said County Line to a point that a line running due South to By the act of 1821 the Union County line was to be parallel with the line of the Acts of 1808 and 1810 which was a west and east line. Afterward by an act of the Legislature in 1825 William Wilson of Black County was appointed to run the line and to run a due west course (Chase Statutes V. 3 P. 2139) Again in 1827 Jeremiah McLene by an Act of the Legislature was appointed to run the line and to run on a direct line to a point in the Line of the east boundary of Champaign County (Chase Statutes V. 3 P. 2142) Finaly by an act passed in 1828, the Legislature established the line as run by Leevi Phelps in 1820. While none of the acts above cited specifies whether the line shall be true west or a magnetic west course there can be no doubt but that the intention was and that it should be a straight line and as the two corners of Madison County are fixed points and there is nothing to show that it was not a straight line it has been so run and marked. The accompanying plat is herewith filed as part of the above report.
