The court further find that in order to secure the payment of said Note the

Answer & Cross Petition

The Peoples Bank
vs
Edward Higgins et al

} Court of Common Pleas, Union County, Ohio
} Answer & Cross Petition by E & R Higgins

Now come the defendants E & R. Higgins and for their answer to the petition of plaintiffs herein, and by way of cross petition say; In May 1881 the said defendant R Higgins was the owner in fee simple of 10 2/3 acres of ground arable land with a dwelling house thereon in Jackson township said county where they resided, and by agreement, to which said Joseph Price defendant was privy and which he assisted in making, they sold said land to Isaac Noggle for $47½ per acre, and at the same time they bought of said Joseph Price the land described in plaintiffs petition by agreement with him at the same rate per acre they received of Noggle, thereupon they made a deed to said Noggle as agreed, and moved into the house of said Price. The deed from said Price had been executed to them, and after they had moved he brought them a deed for said land as agreed, except that instead of $47½ per acre it called for $65. per acre. They had already paid him in cash the full amount at $47½ per acre before moving. The deed was folded up and was not read and they knew nothing of the extra price named in the deed or any further claim thereon till some days after they received the deed they learned it from a third party, and immediately complained to said Price of the said

Damages, and never acquiesced in it. Afterward they employed said Price in the fall of 1881 to have 22½ bushels of Wheat belonging to her to Market, which he did and kept proceeds $22.66 for himself claiming $18. thereof as balance due him on the land deeded to her, and the remainder, under pretense that he had them to keep, to which they then and there objected to both said claim and pretenses but without avail. At the time of said land purchase said Joseph Price agreed with said respondents to forthwith build them a comfortable dwelling house of hewed logs or plank suitable for old people on his land near the said purchase of respondents, for which they were to pay him the sum of $150 but not to be paid before their respondents deaths, and the Mortgage in the petition described was given in accord and with said agreement and under the assurance that said Price would always hold it himself and it should never come against said land but to be removed at the Expiration of the 6 years named and to be held merely as a security and evidence to be used in case of her death to insure payment out of her property for said building and for no other consideration whatever. Said Joseph Price wholly failed to comply with the terms of said agreement in any particular and thereby the consideration for said Mortgage wholly failed and the same became void. Some Months after said Mortgage was executed, viz; late in the fall of 1881 said Price built a round log house 16 + 16 near his dwelling and put respondents into it. It had a clapboard roof and planks laid loosely for ceiling and a floor + 2-12 light windows + a flue from the upper floor of brick and respondents resided there till Nov 22 1883 when said Price ordered them to leave and they accordingly left.
During all the time from May 7th 1881. 3 crop years said Price had the use of said respondents 9½ acres of land, being plow land, and never paid anything for it. There is justly due to said Rachel Higgins from said Joseph Price on said account the sum of $11.66 which respondents claim and for which they ask Judgment.

At the time of said agreement as to building the house the respondents were aged people, said Edward Higgins being 65 years of age and said Rachel Higgins his wife 54 years of age and said Edward Higgins was wholly unable to do any but light work by reason of his age and infirmities + hernia of both sides contracted in the U.S. Military Service and the respondents were wholly dependant upon said land and its products for their living, and said Price professed to be their friend and anxious to do something for them, and they confided in his honesty of purpose and were deceived by his promises and flattering words and thereby induced to make said Mortgage to him as aforesaid before anything had been done on his part as a consideration therefor and wholly without consideration and upon the promises and pretenses that it should never come against the premises and to be renewed from time to time and only to be paid after his death all of which were false and deceitful. Respondents were ignorant of the nature form and effect of said papers. Said Edward Higgins being unable to read or write and both ignorant of business and relying wholly upon the honesty of said Price. They therefore say that said Mortgage is fraudulent, said house built as aforesaid remains on the land of said Price, and has always been his property and under his control and never was any consideration for said Mortgage. Therefore respondents say said Mortgage is a cloud on their title to said land, and they pray that the same may be decreed to be canceled and that said Price may be decreed to pay them the said sum of $140.66 with interest and for such other

The plaintiffs for reply to the answer of Rachel & Edward Higgins Say. That plaintiff purchased said note and took the transfer of said Mortgage in good faith without knowledge of any of the alleged defenses set up in said answer, Plaintiff Says that part of the consideration for said mortgage was the original purchase money of said land and that the said Joseph Price built a house to the acceptance of said Higgins and that after said Mortgage was made and transfered to the plaintiff, to wit: on the 14th day of September 1882. The defendants Rachel and Edward Higgins for a good Consideration conveyed their Equity of redemption in said lands to said Joseph Price by deed of general Warranty and said deed was duly recorded in Book No 54 Page of the records of said county in the office of the Recorder of Deeds and from that time on until the 22nd day of November 1883 the said Joseph Price held the legal title to said land subject to said Mortgage and that he had no defense to the same, that at the last named date the said Joseph Price conveyed said lands back to the said Rachel Higgins by deed and the said Rachel Higgins now holds said lands by virtue of said last named deed and that the took the same subject to said Mortgage. Said last named deed is recorded in Book 54 Page [illegible] of the record of deeds for said County. The plaintiffs deny that there was any fraud in the matter of procuring the said original Mortgage, and denies each and every allegation in said petition not herein admitted, Wherefore the plaintiffs pray as he has already prayed,

Heretofore on the 31st day of October A.D. 1885, the following petition was filed with the Clerk of said Court which reads as follows to wit:—

Elizabeth Lee. Plff.
—vs—
Jacob C. Lee Deft. } Common Pleas, Union County, Ohio.

Petition for Divorce &c

Plaintiff has been a resident of the State of Ohio for the year last past, and has a bona fide residence in the County of Union. On or about the 1st day of September 1863 at Marysville Ohio, she was married to the defendant.

The following children were born of said marriage, Siggie Lee, Age, 20 years: James C. Lee. Age 18 years. Minnie M. Lee, age, 17 years: Charles E Lee Age 15 years. Defendant was on the day of October, 1884, guilty of extreme cruelty towards plaintiff in this, that, he struck

the plaintiff a violent blow, in the face with his clenched fist. Also about the 1st day of October 1885 defendant struck the plaintiff twice violently with his fist in the face. He has frequently during the past year used violent and abusive language towards the plaintiff cursing her and applying the vilest and most insulting epithets to her, and charging her with a want of chastity without any grounds or provocations for such abuse (cruelty and and charges whatsoever). So that Plaintiff believes and has reason to fear that a longer continuance of the cohabitation with him will result in his inflicting bodily harm upon her by violence and a continuance of such cohabitation will be unsafe and intollerable.

Plaintiff at their marriage was and ever since has been possessed of valuable real estate producing an income of six to seven hundred dollars per annum. by use & rental. And from said property the family has derived its support. The defendant being an able bodied man and possessed of sufficient capacity to make a good living was and is idle and has wholly and willfully failed and neglected to provide the common necessities of life for the plaintiff. For more than a year last past by reason of his idleness, and plaintiff has been compelled to live and rely upon the labor of her children, her own exertions and the charity of friends, and defendants has without her knowledge or consent represented her as a partner with him in business and so managed as to render her liable for his debts incurred therein so that her said property has become incumbered and she has been compelled to mortgage and hypothecate the use thereof for three years from April 1st next, in order to raise means to save said property from total loss and meet the liability so created, and is wholly destitute of means to live on outside of her own exertion, the labor of her children and charity of friends. Defendant received and has used up the rents of her said property for this year till the 18th of next April. Defendant has always during said coverture received and had the use of her said property, and the rents thereof. But has let the fences and improvements run down, so that the annual value of said property is greatly reduced; He has failed and neglected to keep up the taxes thereon, so that there is now back taxes due on said land $440.00/100 and the taxes for this year about $250.00/100 are unpaid and unprovided for. He has also without her consent sold and cut off large quantities of valuable timber growing on said land and wasted the proceeds. He has frequently during the last year absented himself from home for weeks at a time without indicating to his family or Pltff. where he was going where he would return, and has been thus absent about two-thirds of the time, frequently neglecting to provide anything for the family to live on during such absences.

And the Plaintiff therefore says the Defendant by his conduct and failure to perform his duty has been guilty of gross neglect of duty towards the Plaintiff.

And Plaintiff further says that the household goods consisting of bed, bedding, furniture, stoves tableware and fixtures of every kind in her dwelling where she resides and which are her own & separate property are all needed for the use of herself and children

and that she is desirous of removing the same to another dwelling, and that defendant threatens that if she does remove them he will interfere with and take part of the same and cause great injury to the plaintiff thereby, and distribution of the means of taking care of their family, Plaintiff also says She is the owner as her separate property of one buggy which Deft. threatens to take from her. Plaintiff prays that she may be divorced from defendant, and that she may be decreed to have all of said household goods Buggy and effects now in her possession until final hearing hereof and to have the custody of said minor children and that the defendant may be restrained by the injunction of this Court from selling or disposing of or taking from the possession of your petitioner any of the said personal property or in disturbing your petitioner in the use of the same or in any manner interfering with her possession or disposition of the same. And also from removing the said Minor children from the custody of plaintiff, or in any wise disturbing her in the nurture education and control of the same and that on final hearing said injunction may be made perpetual;— And she asks such further relief as may be proper.

Answer

Elizabeth Lee, Plaintiff,
— vs —
Jacob C. Lee Defendant

The State of Ohio, Union County
Court of Common Pleas

Answer

And now comes the defendant, Jacob C. Lee and for answer herein says: That he denies that he was guilty of extreme cruelty towards the plaintiff either in October 1884, Oct. 1885 or at any other time, either by striking her with his doubled fists or in any other way or manner.

That he denies that during the past years he has used violent and abusive language toward the plaintiff, cursing her and applying the vilest and most insulting epithets to her and charging her with a want of chastity without any grounds or provocation for such abuse.

Defendant denies that he ever threatened plaintiff with bodily harm, or ever did anything towards the plaintiff to render longer cohabitation with Defendant unsafe and intolerable.

Defendant says that at certain times when plaintiff was keeping company with certain men and women whose reputation for chastity was bad that he did remonstrate with her for associating with such persons.

Defendant denies that he was idle and indolent and that he did not provide for his family, but on the contrary defendant alleges that he was industrious and did all that he could for the

support and maintenance of his family.

Defendant denies that he, without the knowledge of plaintiff, represented her as partner with him in business, but he says the same was with her full knowledge and consent and that said business was undertaken at her solicitation and request.

Defendant denies that since his marriage with plaintiff he has used all the rents of her real estate, or that he squandered any of said rents, but he says that said rents were used by the plaintiff and in paying debts of plaintiff and in support of the family.

Defendant says that during the time that he was engaged in business in Plain City Ohio, the farm was rented & he could not leave his business to look after the farm, and that during that time the fences did get out of repair, but defendant says that it was without his fault and he says that he has done all in his power to keep the property in good repair and the taxes paid.

Defendant denies that any timber was ever sold off plaintiff's farm by him, except with her knowledge and consent and he denies that he wasted the proceeds.

Defendant denies that he ever absented himself from plaintiff for weeks at a time without her knowledge, or without her knowing where he was going, but he says that the time he was away, he was engaged in business on the plaintiff's farm in making repairs and improvements, that said farm was about 17 miles from their residence, and that he never neglected or failed to provide for his family during his absence.

Defendant denies that he has ever been guilty of gross neglect of duty toward the plaintiff.

Defendant denies that the household goods belong to the plaintiff, but on the contrary he says the household goods belong to him except a bureau and looking glass.

Defendant further says the plaintiff has been very extravagant and that she has spent money without judgment or discretion. That she was largely in debt at the time of their marriage and that she has been the cause of plaintiff and defendant getting into debt.

Defendant further says that the plaintiff has not conducted herself toward defendant as a faithful and dutiful wife, but he says that at various times she would go away from home and stay two or three months at a time and leave defendant the care of two small children and with no one to cook his meals.

Defendants further says the plaintiff has been guilty of extreme cruelty toward him at various times, that she has threatened defendant's life and has used vile and threatening language toward defendant and language unbecoming a wife to her husband Defendant further says that the plaintiff has a bad and ungovernable temper and that during nearly the whole of their married she has quarreled with defendant and abused him with her tongue and that without any cause or provocation on the part of the defendant and that for the last three or four months before filing

of her petition, she treated the defendant in a way that indicated that she wanted to live separate and apart from defendant and she seemed to be trying to turn the effections of the children from this defendant.

Defendant further says that the plaintiff is not a fit and proper person to have the care and Education of the minor children of defendant and plaintiff.

Defendant having fully answered, prays the Court that the relief be not granted to plaintiff as asked in her petition and that he go hence with out day.

Said Wynegar also agreed to transfer to said Glick his interest in his lease of the Room, occupied by him as a store room, which lease would run to May first 1884. Said Glick agreed not to sell out said goods or allow the stock to run down in quantity until said notes were paid It was further agreed that said Invoice should be made by two disinterested men, one to be selected by each party.

Plaintiff says that he paid said Wynegar the sum of fifteen dollars on said contract on said 24th day of Aug— and that he was, ready, willing and fully prepared to proceed on said day with the invoice of said goods as per said agreement, and demanded of said Wynegar, that he Select a disinterested man, according to said agreement, to make said Invoice. That said Wynegar thereupon selected one Charles Wright (a man who has been engaged with said Wynegar in his Mercantile business ever since he commenced the same in Richwood about the 1st of February 1883 as an interested party having furnished a large portion of the Capital to carry on said business, and being the Manager of said business and a silent partner therein) as the man to make said invoice on the part of said Wynegar to which selection the Plaintiff objected. But upon being positively assured by Wynegar that Wright was wholly disinterested. The Plaintiff consented to allow the Invoice to begin, with one Charles Jacobs participating in the same on behalf of the Plaintiff. That said Invoice was begun and proceeded with from day today until, the 27th day of August 1883. The Plaintiff being convinced by the unfair estimates of said Wright in the valuation of said goods. that he was interested in said sale and invoice and that said Charles Jacobs was wholly incompetent and unable to protect the rights of said Plaintiff in said Invoice, he the Plaintiff at great expense and trouble, procured the services of James Leonard, a merchant of Some, Marion County Ohio, a man wholly disinterested and of long experience in the Mercantile business and of the ability and integrity of character, essential for the correct invoicing of said goods, to assist in the same on his part instead of the said Jacobs.

Plaintiff says he was ready and willing to proceed with said Invoice and complete the same and complete said sale and pay for the same according to said agreement, with the aid and and assistance of said Leonard and consented that said Wright continue as the Invoicer for said Wynegar, on said 27th day of Aug.

But he says the said Wynegar then and there neglected, and refused, to proceed further with said Invoice and sale of said goods and refused to fulfill any part of his said agreement with the Plaintiff and declared to said Glick that, he Wynegar would have nothing further to do with said Invoice and sale of said goods and that he would not transfer said goods or said Lease to him as he had agreed, and the said Wynegar has ever since and does still refuse to comply with his said agreement.

Plaintiff says by reason of having purchased said stock of goods and procured said Room by his contract with said Wynegar, he ordered at once from New York, a large bill of goods with which to replenish said stock and increase the same, that said bill of goods were by his direction bought and paid for in cash and are now on his hands, without a place to put them on sale. That by reason of said purchase from the Defendant he rented a dwelling house in Richwood and has moved his family from New York to Richwood, that he himself has remained in at heavy expense since said purchase and that by reason of all of which he has incurred great expense and loss of money and time to the amount of $450.00/100

That by reason of said failure and refusal of said Wynegar to perform his said agreement, to Invoice, sell and transfer said goods and said lease to said storeroom, to him according to said agreement, he, the Plaintiff has been damaged and injured in the sum of $500.00/100 - and further, Plaintiff says he has been damaged by the failure of the defendant to perform his said agreement by reason of the said fifteen dollars so as aforesaid paid to the defendant. And by reason of his great expense and Trouble incurred in procuring and paying for the services of the said Leonard and Jacobs, his own time, and other costs and expenses attending the same for the invoice of said goods in the sum of $50.00/100

Answer.

R. A. Slick Plff.

P. G. Wynegar Deft

State of Ohio, Union County S.S.
In the Court of Common Pleas
Answer.

Now comes the defendant and for answer to the petition of said plaintiff says: That at the time of his contract set forth in the petition the plaintiff was an utter stranger to Defendant and had as he said just come from New York City. That a part of the terms of said contract of purchase was that said Charles Wright should be one of the Invoicers and the plaintiff select the other and if the two could not agree they were to call in a third party and neither the plaintiff or defendant were to have any thing to say or to interfere in any manner.

The defendant says that said Stock of goods consisted largely of an old stock purchased by defendant much below the invoice and the said defendant was very desirous to make and complete said trade.

That the said Jacobs who was very way honest, capable and competent to invoice having been long engaged in mercantile business and said Wright who was also competent and disinterested began making said invoice under the contract on Friday afternoon and continued all day Saturday. But the Plaintiff in violation of his contract greatly interfered with said invoice and meddled with said invoices but made no objections to their going on with their work.

That on Monday the Defendant and said Wright and Jacobs were on hand at said store ready to go on with the work as per contract = and the Plaintiff came in and ordered the invoicing to cease and gave no reason for the same but then turned and walked out of the Store without saying whether he would return or giving any account whatever for his Conduct.

The defendant kept the store closed until afternoon and then believing and having good cause to believe the Plaintiff had abandoned his contract and knowing that to have his store closed longer without sale would be great loss of custom, the defendant opened the store and put the goods back and opened up trade.

The defendant says that said Plaintiff did not return to said store on Monday until long after business hours and he wholly abandoned his contract and refused to go on and complete the same. The defendant says that by reason of the action of said plaintiff he had his store closed Friday, Saturday and more than half of Monday and that he lost large custom and profit thereby. That there was also a profit in his sale to the plaintiff if said contract had been kept of more than $1000.00 to the defendant.

This defendant says that he denies each and every allegation and averment in said petition not herein admitted and he says that he has been damaged by reason of the neglect and failure of the plaintiff in the sum of one thousand dollars for which sum he asks judgment and for all proper relief.

The State of Ohio

The plaintiff for his cause of action herein against said defendant alleges: That the defendant is a body corporate organized under the statutes of this state and fully em-powered to enter into the contract and perform the matters herein after set forth.

That in consideration of the aforesaid the defendants agreed and and contracted to pay the said plaintiff as follows:
For material for masonry $575.00 For labor for same $165.00
For material for carpenter and full completion of said house $745.00
For labor for same $164.00 Total $1349.00
That said consideration was to be paid as follows, Two hundred dollars, upon the signing of said contract; one half of the whole amount of said consideration when said house should be properly under roof; the residue when said house should be completed. It was further agreed by and between said parties that in case any alteration or additions should be made in said work that the same should be paid for as follows, if of the same nature or kind as any of that called for by the plans or specifications it should be paid for at the same rate said therefor and if of a different kind it should be paid for as agreed upon by said parties. Copies of said contract plans an specifications are hereto attached and filed marked respectively, "A." "B." "C."

That in accordance with the terms of said contract said plaintiff did furnish the materials of the kind mentioned in said contract and did perform the labor in the manner, indicated therein and did complete said building in a workmanlike manner and did wholly and in every respect perform the conditions of said contract on the part of said plaintiff to be performed.

That on account of the failure of said defendant to pay one half the consideration of said building, when the same was under roof and on account of the inclemency of weather, that said plaintiff was not able to complete said building until the 5th day of December 1884, at which time said work was fully completed, the same was tendered to said defendant and acceptance thereof and payment therefor, was demanded of said defendant both of which were refused. That the only alteration from the specifications was in the foundation and in this to wit: that about 1½ inches by agreement of said parties was not built, making about 22½ perches less of stone therein, for which a deduction of four dollars should be made.

That the only money paid said plaintiff was the $200.00 mentioned in said contract and the balance of said contract price $1149.00 less $4.00 deducted on account of said change in foundation leaving $1145.00, with interest from the 5th day of December 1884 is now due from said defendant to said plaintiff.

Wherefore the plaintiff prays judgment against said defendant for Eleven hundred and forty five Dollars, with interest from the 5th day of December 1884

Answer

Alexander Owen
Plaintiff

Against - - -
The Board of Educations

Union County, Ohio
Defendant

Answer

4811

The defendant answers the petition of plaintiff, and for first ground of defense admits:

1st That said defendant is a body corporate organized under the laws of this state, and possessed of powers mentioned in said petition. Defendant admits that the contract for the construction and building said school house as set up in said petition, including the plans and specifications therein referred to, and attached to, and filed with said petition, and marked respectively "A" "B" and "C", was entered into between said parties as plaintiff alleges, and for the consideration therein mentioned.

And defendant admits that said plaintiff was to furnish all the materials, and the labor in the construction of said school house, and that the material so used was to be the best of the kind, and the labor was to be done in a thorough substantial and workmanlike manner under the direction and to the satisfaction of the said building committee, and that the house was to be ready for occupation by the 20th day of

of October A.D. 1884. And defendant admits that it paid the sum of two hundred dollars to the plaintiff as therein set forth.

And, in case any alteration or addition should be made defendant does not deny but that the contract relating to the same is correctly stated.

And defendant admits that it refused to accept said school building and to make any further payment therefor over and above said two hundred dollars.

Defendant denies that the plaintiff furnished the material of the kind mentioned in said contract; and denies that plaintiff performed the labor in the manner indicated therein; and denies that the plaintiff constructed or completed said building in a workmanlike manner; and denies that he constructed the same under the direction, or to the satisfaction of said building committee: and denies that the plaintiff performed the conditions of said contract: and denies that plaintiff is entitled to recover any sum of money whatever from defendant by virtue of said contract.

And defendant denies each and every allegation stated in plaintiff's petition, except as above expressly admitted.

II Second ground of defense -

For second ground of defense=defendant says that on the execution of said contract, to-wit - on the 24th day of July A.D. 1884 the defendant having full faith that the plaintiff would perform the conditions of his contract, and furnish the material and construct said school house in accordance with said contract, paid to the plaintiff the sum of Two hundred dollars, yet the plaintiff failed to furnish the material or perform the labor in the construction of said building according to said contract and refused and neglected to perform the conditions of said contract.

The defendant therefore asks judgment against the plaintiff for said sum of $200 00 with interest from the 24th day of July 1884.

III Third ground of defense -

The defendant says that by reason of the refusal and failure of the plaintiff to furnish said material and construct said school-house in accordance with his agreement, the defendant has suffered great damage. That the lot upon which said school house stands is of the value of Two hundred dollars, the use of which they have been deprived of; that on the faith that the plaintiff would perform his contract they purchased seats for said school house to the value of $217.50, and that they have lost the use and benefit of the school house since October 20th 1884, and in consequence of the plaintiff not performing his agreement as to the construction of said house, the defendant was at the expense of frequent meetings of its said Board and a large amount of time was lost by the defendant in endeavoring to have the plaintiff perform the conditions of his contract &c and has therefore been damaged by reason of the premises in the sum of Five hundred dollars.

The defendant therefore prays that it may recover of the plaintiff the sum of ($700.00) Seven hundred Dollars, with interest

on $200.00 from July 24th 1884, and interest on $200.00 from October 20 1884, and that the defendant may have such other and further relief as the equity and law of the case may demand.

Answer & Cross petition of Ed'd O Stevenson

And now comes Edward O Stevenson by leave of the Court and enters his appearance and files this his cross petition and says that on the 18th day of July 1876 at the regular tax sale of lands in the County of Union State of Ohio, the defendant Job E Stevenson & Wm Rees, the owners of said Survey No 6228 having let the said land become delinquent for taxes, the said Edward O. Stevenson bought said tract of land at said delinquent tax sale July 18-1876 for the sum of $734. 60/100 being the amount then charged thereon as delinquent.

That Wm Rees the owner of the south half of said survey redeemed his half thereof but said Job E. Stevenson did not nor did any one for him redeem or pay the said tax or said sum or any part thereof. The said Edward O. Stevenson has since paid the tax of 1877 amounting to $ & of 1878 amounting to $ but has not paid the tax of 1879. The interest on said original purchase & of said payments of tax amount to $ all of which with interest is a valid and first lien on said North half of said Survey of land. The said Edward O. Stevenson after two years from said sale to him, employed the surveyor of said county F. J. Sager to survey said land so that he could obtain an Auditor's deed and paid him for same the sum of ten dollars Oct. 4 1878 and said Edward O. Stevenson procured an Auditor's deed Oct. 4" 1878 & paid fees $1.25, — the same was recorded & paid $1.00 for recording making a total expense of $12.25/100 which with interest he is entitled to a decree on said land.

Afterward, on the 22nd day of November A. D. 1884 an Answer was filed with the Clerk of said Court which reads as follows, to wit:—

Answer.

Wm M. Watson vs M. M. Hubbard } Common Pleas Court Union County, Ohio. Answer.

The defendant now comes and for his answer herein says:

I On Sept. 15th 1884 before H. J. King Justice of the Peace of said County, the plaintiff obtained and had a trial under the Statute of his right of property in the said chattels claimed by him herein as against said executions alleged in the petition

Only 30 bushels of said wheat had been levied upon prior to the commencement of said Statutary proceedings but the other 60 bushels were levied on prior to the trial, and by verbal agreement in open court between the parties on said trial, the decision and finding was to apply to all of it. The whole of said property was claimed by plaintiff to be included in the alleged agreement by virtue of which alone plaintiff claimed his right in said proceedings.

The finding and decision of the Justice aforesaid in said proceeding was that plaintiff had no right to any part of said property and judgment was duly rendered accordingly. And said judgment still stands unreversed and in full force upon his docks and therefore defendant claims that plaintiff cannot have or maintain this action and that defendant is not liable herein.

The said execution in favor of Ed. Malone was for the sum of $34 20 debt and the costs on a judgment, stated August 28th 1884: And was levied on said standing and growing corn and on said 60 bushels of wheat. And said execution in favor of Reed and Butz was for $ debt

and costs on a judgement dated 1884. and was levied on 50 bushels of said wheat.

Said executions have been returned unsatisfied, by reason of this suit.

II The said growing crop is not subject to replevin and this action so far as relating thereto is unauthorized, and cannot be maintained.

III The said plaintiff has commenced an action in error in this court to reverse the findings and decision of said Justice on said trial of the right of property, and said proceeding in error is now pending and undetermined in this court. Therefore this action cannot be maintained relating to the same property, to recover it against the same execution.

IIII Defendant denies that plaintiff has or had at the commencement of this suit any right of property or possession in said property described in the petition and says said property was when levied upon, the property of said J. V Long and was duly levied upon by virtue of execution in his hands as constable ~~to~~ the property of said Long.

And therefore defendant prays that his damages in the premises may be assessed and for judgment accordingly against the plaintiff.

William M. Watson, Plf
vs
N. M. Hubbard, Deft.

In Union Common Pleas.
Amended Petition.

Now comes the defendant and by leave of the court files this his amended Answer.

I Defendant denies each and every allegation in the petition contained and says said property was the property of J.O. Long at the times of said levies.

II Plaintiff ought not to have his said action against him: because he saith that, before and at the time of taking said property in the petition described and from that time until now, he the said defendant was a constable within and for the Township of York in the County of Union and that being such constable a certain execution a issued by one L. D. Wright under his hand and seal, the said L.D. Wright then being a Justice of the Peace in and for said Township etc- whereby this defendant as such constable was commanded to make of one J.O. Long out of his personal property, the sum of $34.20/100 and interest from Aug. 28, 1884. and $19.25/100 Costs and increase costs $3.00 and make due return thereof according to law. And this defendant saith by virtue of said writ so

issued, he, the defendant did levy upon said growing corn on the 28 day of august A. D. 1884 and 60 bushels of the said wheat on the day of 1884, during the life of said writ, in the petition described, and from the date of said levy held the same in his possession by virtue of said levies until same were replevined in this case.

And on the day of Sept. 1884 by virtue of an execution duly issued by said Justice of the peace to him as such constable returnable according to law commanding him to make of the personal property of said J. O Long the sum of $21.40 and interest from Sept 6" 1884, and $2.50 costs and increase costs $3.50 he duly levied on the remaining 50 bushels of said 110 bushels of wheat in the petition mentioned. as the property of said J O Long. All of said property was in the possession of said Long in said Township on the dates of said levies and until taken possession of by defendant thereunder and remained in defendants control and possession under said levies until taken in replevin is this case.

Said property was at the time of said levies the property of said J.O. Long and defendant by said levies acquired the title of said Long thereto to sell to satisfy said writs and accruing costs, and said sale and application was prevented by this suit and therefore. he prays judgment for the amounts of said suits and damages as hereinafter stated.

3. On the 15" day of September A. D. 1884 plaintiff Wm M. Watson claiming said growing corn to be his property, and having given due notice thereof obtained and had a full trial under the statute of his right of property in the said chattels as against said Executions before H. J. King a Justice of the Peace in and for said County.

On consideration whereof the said Justice of the Peace found that William M. Watson failed to establish his right to any part of said property, and duly rendered judgment against said William M. Watson for the costs of said proceedings.

Said Watson thereafter removed said cause by petition in error to this court since this action was commenced and on consideration thereof said judgment of the Justice of the Peace (King) was duly affirmed by this Court at the September Term 1884. and still remains unreversed and in full force, and plaintiff is thereby estopped to have or maintain this action. Said executions have been returned unsatisfied by reason of this suit. Said property was taken from this defendant in replevin in this suit on the 18" day of Sept. 1884 and turned over to said Wm M. Watson. The amount due on said first execution is $34 $\frac{20}{100}$ with interest from Aug 28 1884 And $21. $\frac{40}{100}$ costs

of which $7.90 is costs of the plff. in said writ. The amount due on said second execution is $21.60/100 with interest from Sept. 6th 1884 and $6.45 costs. Only 50 bushels of said wheat had been levied on prior to the commencement of said statutary proceedings, but the other 60 bushels thereof were levied on aforesaid prior to the trial; and the parties to said trial agreed verbally in open Court in said trial that said trial should settle the matter as to the whole of said wheat.

The last 60 bushels as well as the 50 bushels,

The whole of said property was claimed on said trial to be his said Watsons by virtue of a certain written agreement offered by him in evidence therein.

Plaintiff had not acquired and never claimed to have acquired any right to said property between the time of said trial of his right and the commencement of this suit and is by said trial and judgment estopped to claim said property or any part thereof in the action.

The damages of this defendant by reason of the premises are $25.00. Said property was of ample value to pay said execution in full, and the satisfaction thereof by a sale of said property was prevented by this suit replevin

Defendant prays that his damages in the premises may be assessed and that he have judgment for the said sum of $25.00 his damages aforesaid for all proper relief.

Petition for Divorce.

The plaintiff says that he is now and for more than one year last past has been a bona fide resident of said county of Union in the state of Ohio.

That on the 10th of December 1873 he was lawfully married to said defendant in said county. That four children have been born to them of said marriage all living with the plaintiff. viz. Frank aged 12 years. William aged 10 years, Pearl aged 8 years & Carrie aged 6 years. The plaintiff has always conducted himself towards defendant in all respects as a truthful and provident husband should. That the defendant regardless of

our duties as the writ of plaintiff has been guilty of gross neglect of duty this family of little children by many times going away without any good cause and left them to provide for themselves + for weeks would so remain away so that the plaintiff had to take care of the family and carry on his sadling business as best he could

At the times of such absence her conduct with other men was such as to bring great scandal on plaintiff and his children by causing general talk of her want of prudence and propriety and she had carnall intercourse with other men by which she became diseased with venerial disease and finally went off with a travelling photographer in Nov. 1885 sometimes called John Wilson who for a time stopped at Marysville Ohio where she became acquainted with him and plaintiff charges that she in Nov. 1885 at the boarding house of Mrs. Wharton committed adultery with said Wilson and at divers times and places after they left his house in Nov. and Dec. 1885

In the Court of Common Pleas Union County, Ohio.
Petition.

The said Plaintiff John M. Mowry, complains of the said defendant, Ellen J. Mowry, and says that he has been a resident of the State of Ohio for more than a year last past and is now a bona fide resident of the said county of Union. That on the 17th day of February A.D. 1874 he was married to the said defendant at the village of Avondale and has ever since said date conducted himself toward the said defendant as a kind, faithful and loving husband and has performed each and every duty incumbent upon him by virtue of his said

marital relations. He further says that no children have been born to them from said marriage. He further says that the said defendant has in disregard of her marital duties ever since the month of October A.D. 1884 been willfully absent from the said plaintiff. He further says that for more than one year last past the said defendant has been guilty of gross neglect of duty towards the plaintiff in this —— to wit:—

That she refused and neglected to cohabit with the said plaintiff and refused to permit any marital intercourse & relation

Plaintiff further says that at the time the said defendant abandoned him he was conducting a large hotel at Magnetic Springs in said County which was known and called the Sanitarian hotel: and for some time before October A.D. 1884 and ever since that date the defendant has refused to assist the plaintiff in the management and conducting of said Hotel and refused to perform any duty devolving upon her as a wife in assisting plaintiff in the management of his said business. Plaintiff further says that during the season of 1884 he had his establishment full of guests and it was absolutely necessary for him to have the assistance of his wife in the management of his said business and to perform reasonable duty on her part but on the contrary she secretly worked against him and against his business and quietly and secretly did what she could to break down and distroy his business and also did many acts and things unbecoming a wife and which were calculated to distroy and break up his family. And plaintiff avers that for some time before the defendant abandoned the said plaintiff and ever since that date she has been working against the plaintiff and has injured him in his reputation and in his business and she has neglected and refused to live with him or to assist in any manner in keeping his family together and in carrying on his hotel and she has also neglected and refused during all of said time to live with him or to cohabit with said plaintiff and has refused him all marital relations.

Wherefore the said plaintiff charges the said defendant with gross neglect of duty for more than one year last past and prays that he may be divorced from her and that he may have all and proper relief in the premises.

Amended Petition

Mary Ramsey Plff
vs
John W. Ramsey Dft.
} Common Pleas, Union County. Amended Petition In Divorce.

3973

Plaintiff has been a resident of the state of Ohio for the year last past, and has a bona fide residence in the County of Union.

On the 9th day of March A.D.1879, she was married to the defendant.

Defendant has ever since said marriage failed and neglected to provide plaintiff with the common necessities of life so that plaintiff has been compelled to live upon the charity of friends and her own exertions because of defendants neglect aforesaid. They lived together two months from march 9, 1879. during which time she furnished their living, partly by her labor and partly from her personal earnings as a domestic laid up and saved prior to the marriage.

About the 9th day of May 1879, all her savings being expended, and being unable to earn sufficient for their support, and he still failing & neglecting to provide & contribute any thing to their support she was compelled to return to her mother, a distance of about five miles from where she was living with defendant and to rely upon her mother and other friends and her own exertions from that time on.

Defendant was during said time an able bodied man and earning good wages as a laborer and had the ability to support her and

himself but willfully neglected to do so. She remained in the neighborhood, for six months or more to his knowledge, but he never made her any communication whatever and has never communicated with her directly or indirectly since May 9th 1879, and has been ever since May 9th 1879 wilfully absent from plaintiff in disregard of his marital duties, and has never from the date of their marriage contributed anything whatever to her support by way of victuals, clothing, or anything else. Wherefore she charges him with wilfull absence and gross neglect of duty for more than three years.

Plaintiff therefore asks that she may be divorced from the said John W. Ramsey, and that she may be restored to her maiden name of Mary Wolf and for such other and further relief as equity may require.

Decree of Divorce.

Now came the plaintiff and the defendant having been duly served with summons and a copy of the petition herein and having failed to appear, the court find in default for answer or demurrer to the said petition and find that the allegations thereof are confessed by him to be true. And the Court find that at the time of filing said petition the plaintiff had been a resident of the state of Ohio for one year next preceding the same and was at the time of filing said pleading a bonafide resident of this county of Union, and that the parties hereto were married as in said petition set forth.

And the Court find from the evidence adduced, that the defendant has been guilty of wilful absence from the plaintiff for more than three years. and has been guilty of gross neglect of his duty as an husband to plaintiff; and that by reason thereof the plaintiff is entitled to a divorce as prayed for.

It is therefore ordered and adjudged by the Court that the marriage contract heretofore existing between the said Mary Ramsey and John W Ramsey be and the same hereby is, dissolved, and both parties are released from the obligations of the same. It is further ordered that the petitioner be and she hereby is restored to her maiden name of Mary Wolf. It is further ordered that the plaintiff pay the costs of this proceeding, and execution is awarded.

The plaintiff complaines of the defendant and for cause says that on the 29th Day of September A.D. 1885 the plaintiff delivered to the defendant the sum of four hundred and seventy five dollars by check on the peoples Bank in Union County Ohio, and on which he drew said sum of money and appropriated the same to his own use and benefit. That said sum was so delivered to defendant under the mutual mistake of the said plaintiff and the defendant in this, to wit: that said defendant had then pending in this court a civil action against Fredrick Weis and Rosa Weis for some nine hundred dollars on their note and as this plaintiff and defendant both supposed was compromised and to be settled by said Fredrick Weis and Rosa Weis paying to this defendant $475— and the costs in that action + both relying on said compromise and settlement, the plaintiff herein who was one of the attorneys of said Fredrick and Rosa Weis in said action against them in order to secure said compromise and settlement delivered to said defendant said $475 as aforesaid— plaintiff says the said Weis had not, nor had either of them consented to said proposed compromise and settlement but have ever since they were advised thereof utterly refused to recognize, assent to or abide by the same + the said

Struble hath since taken Judgment against them for something over $200 and costs in said action and is endeavoring to collect the same as he hath a right to do by law. That afterwards when said mistake of fact was discovered the plaintiff demanded of said defendant that he refund to plaintiff his said sum of money with interest but the defendant though not denying his obligation to pay neglected to and refused to pay to plaintiff said sum of money and hath never paid to him any part thereof and the said sum of $475. and interest from Sept. 29. 1885 is due plaintiff from defendant and for which sum he asks Judgment against defendant

Plaintiff alleges further that the same is now due him, and wholly unpaid though plaintiff has requested payment of the same of defendant.

Second cause of Action - Plaintiff alleges that in order to secure the payment of the same and the money therein stated, the said John Price at the same time of executing said promissory note by his mortgage deed duly executed and delivered to this plaintiff conveyed to the said Timothy Kelly plaintiff, his heirs and assigns forever the following described realestate to-wit = Situated in the County of Union in the State of Ohio and Township of Jackson in the village of Essex and bounded and described, being part of Lot No. 29 - Bounded fifty four (54) feet on Essex Street, Thence four (4) rods on Lot No 31 - Thence fifty four (54) feet on G. petition and the amendment thereto, and the evidence (the defendants John Price and Charlotte Price being in default for answer or demurrer) and was argued by counsel; on consideration whereof, and being duly advised in the premises, the Court do find that the defendants, John Price and Charlotte Price, have had due and legal notice of the filing and pendency of the petition in this case, and having failed to answer or demur thereto; the facts stated in said petition and the amendment thereto are by them confessed to be true. And the court do further find that there is due to the plaintiff, Timothy Kelly, from the defendant, John Price, upon the promissory note mentioned and referred to in the petition in this case the sum of Three Hundred and four and ⁰⁰/₁₀₀ Dollars, together with interest thereon at the rate of eight per. cent per. annum. from the date of the entry of this decree.

And the court do further find that the said John Price (then unmarried) contemporaniously with the execution of said promissory note and in order to secure the payment of the same executed and delivered to the said plaintiff his certain mortgage deed upon the premises described in the petition; That said mortgage was duly filed for record with the Recorder of Union County, Ohio, on the 2nd day of December A.D. 1881, at 4 oclock P. M. and was by him duly entered of record in Record of Mortgages of said County Vol. 16 P. 315; That said mortgage is the first and best lien on said premises; that the conditions of said mortgage have been broken and that by reason thereof the plaintiff is entitled to have the defendants equity of redemption in said Real estate foreclosed.

It is therefore considered adjudged and decreed by the court that unless the said defendant, John Price, within three days from this date pay or cause to be paid to the clerk of this court the costs of this case and to the said plaintiff the amount herein before found due from an order or orders issue to the sheriff of Marion County, Ohio, commanding him to appraise, advertise and sell said Real estate as upon execution at law, and bring the proceeds of such sale into this Court to abide its further order thereon.

Afterward, on the 8th day of June A.D. 1886 the following Praecipe was filed with the Clerk of said Court, to. wit:

To looking up title and advice on the Amrine Mill road and Mill land $20.00/100. This cause now coming on for hearing on the motion of the defendants for a new trial, the court, on consideration overrules the same. It is therefore considered by the court that the said plaintiff recover from the said defendant Anna Barbara Kollefeath the said sum of one hundred and fifty five and 72/100 dollars with six per cent interest from June 11th 1886 as heretofore found due him, together with his costs herein expended taxed to $— To which ruling of the court the defendant then and there excepted. The court further find that in order to secure the payment of the note, on which said verdict was rendered the defendants Anna Barbara Kollefeath and A.H. Kollefeath executed and delivered to said plaintiff their certain mortgage as in the petition described and on the premises therein described; that said mortgage was duly

recorded in book 15 pages 408 and 409, of the records of mortgages of Union County, and is the first and best lien on the premises described in the petition, and that the conditions in said mortgage have been broken. It is therefore adjudged and decreed that unless the defendant Anna Barbara Kollfroth shall within thirty days from the entry of this decree, pay or cause to be paid, to the clerk of this court the costs of this case, and to the plaintiff herein the sum so found due as aforesaid, with six per cent. interest from June 11 1886, the defendants equity of redemption be foreclosed and said premises be sold, and that an order of sale issue therefor to the sheriff of Union directing him to appraise, advertise, and sell the said premises as upon execution, and report his proceedings to this court for further order.

Now comes Mary E Thomas and Griffith Thomas leave of the Court first had and file this their answer in the above case and say they admit the Executions of the notes and mortgages set up in the petition of Plaintiff. But say that at the date of the executions of the same that the said Mary E Thomas purchased of one William E. Benton the lands described in the plaintiff Petition. And the said William E. and said defendants were to have immediate possession of said premises to use and occupy from and after date of the making of said conveyance and were to have one half of the Hay Crops on the premises then growing ⅓ of the wheat crop on the Farm and half the Growing Corn and all of the pasture from and after the removal of said crops and that said W. Benton was to put the said defendants into peacable and immediate possession of the said premises; That immediately upon the execution of the contracts above stated they undertook to take possession of said premises and one Wm. Epps who claimed to be a tenant of the said Wm. E. Benton resisted the right to the possession of the premises and kept them, the defendants, out of possession of said premises under and by virtue of his contract as said tenant of the said W. E. Benton. The said Grantor William E. Benton well knowing at the time of the making of said sale that said Wm. Epps was in possession and in control by virtue of a contract with him as his tenant and he well knew that said real estate was not free and unencumbered at the time of making said conveyance and the said defendants Mary E. Thomas and Griffith Thomas, Defendants say that by reason of the loss of the use of said lands and the crops to which they were entitled they have been damaged in the sum of five hundred Dollars. They also further say that they have been to great cost and expense in litigation, trying to maintain his possession to and his right to the crops upon said land, as agreed with said W. E. Benton to his damage in the sum of $200.00

The said defendants further say that said Wm. E. Benton sold them the said premises as discribed in plaintiff's petition with said incumbrance thereon for the purpose and intent to cheat and defraud the defendants and that he failed and neglected to put said Defendants into possession of said premises and left the said incumbrance upon said premises to the Damage of the Defendants in the sum of seven hundred dollars.

Defendants therefore pray that they be accredited by decree of the Court their damage so sustained in said sum of $700 Dollars upon said notes and mortgage and for all proper relief.

Agreed Statement of facts.

J. L. Lewis
vs
Mary E. Thomas et al.

Agreed statement of facts.

It is agreed by and between the parties to this action that the facts herein are as follows;

I That on July 19th 1883 William E. Benton and wife conveyed the lands described in plaintiff's petition to the defendant Mary E. Thomas, and that said defendant and her husband executed to said Benton the notes and mortgage in said petition set forth, and in addition thereto paid said Benton $1000.00

II That by the terms of the contract it was understood and agreed that all of said premises were leased to various parties and that with the exception of the woods pasture of about 14 acres the said premises were to be in the possession of said defendants after the crops were removed therefrom, and that said defendant was to have the landlords share of the said crops, to wit: ½ of hay in stack, ⅓ of wheat in bushel and ⅓ of corn in shock.

III That the share of said defendant in the wheat crop would be 12 bushels worth 80 cents per bushel and that said defendant did not receive any part thereof. That said defendant received all but 2 tons of the hay belonging to her under said contract, and

that said hay was worth at the time the contract was entered into by said Benton and said defendant the sum of $6.00 per ton or $12.00 in all, or that in the following February when said hay was removed from said premises the same was worth $10.00 per ton or $20.00 in all, and that the pasture not received by said defendant was worth $10.- Making a Total as follows: If the value of hay is to be taken at the time the contract was entered into By the parties $31.60 or if the value of hay is to be taken at the time the same was removed from said premises $39.60 would be all the damage due defendant as a counter claim or set off against the notes and mortgage except the costs of the suit hereinafter set forth.

IV That an action was brought by said defendant against one W. W. Epps who was a tenant of said Benton to prevent him from hauling the landlords share of the crops off the said premises, and the same was dissolved on the ground that said Epps was not insolvent as alleged in the petition, and that said Epps brought suit on the injunction bond and the same was compromised by the parties by said defendant paying said Epps $30.00 and the costs $20.00 of which was for an attorney fee $30.00 was for loss of pasture, crops &c. by said Epps - That the costs in said first action taxed against said defendant were $9.87 and the costs in said 2nd action were $4.75

V That a couple of days prior to bringing said action in injunction, J M. Kennedy as attorney for said defendant had a conversation with said W. E. Benton in which said Benton stated to said Kennedy that said Epps had some rights which he was not aware of before and at the time he sold said premises to said defendant, but that he would arrange with said Epps and for said defendant to take possession of said premises. That on the morning that said action in injunction was brought J. M. Brodrick as attorney for said Benton had a conversation with Griffith Thomas, the agent for said May E. Thomas, defendant, and who was bringing said action, in which he told said Thomas not to bring said action as Dr. Benton would arrange the damage with him. The said Griffith Thomas does not now remember of said last mentioned conversation.

VI The notes and mortgage set up in the petition have been sold and transferred before due by said W. E. Benton to J. S. Lewis, the plaintiff and said Lewis is now the legal owner and holder thereof.

and said J.J. Finley is now the legal owner and holder of said note and Mortgage, and entitled to all the Benefits and proceeds thereof.

Plaintiff says that on the 17" day of January 1884 at 5 o'clock P.M. he filed said Mortgage for Record with the Recorder of said county of Union and that the same was duly recorded January 19" 1884 in Union County Record of Mortgages. Vol. 20 page 789

That said Mortgage Deed had a condition therein written, that whereas the said Sarah Longnet and Michael Longnet have executed to said Marilla F. East, their promissory note for $85.00 dated July 10" due Dec. 20" 1883, bearing 6 per. ct from date, now if said note shall be paid according to the tenor thereof, Then these presents shall be void. The Plaintiff says that no part of said note was paid when the same due and that there is still due and unpaid thereon the said sum of $85.00 with interest since July 10" 1883.

That the Conditions of said Mortgage Deed has been broken and the same has become absolute and Plaintiff further says the Defendant William Long of the county of Hardin, claims an interest in said Real Estate and asks that he be required to set up his said claim. Wherefore Plaintiff prays that an account may be taken of the amt. due upon said note by the Court and for a decree of foreclosure of said Mortgage Deed, and that unless the Defendants pay the amt. so found to be due the Plaintiff by a day to be named by the Court, with the costs of this action that an order issue by the clerk of this court commanding the Sheriff of said county to appraise, advertise and sell

Martha Moore, Plaintiff.
vs
George Bozer, Defendant

Court of Common Pleas, Union Co. Ohio
Petition

The Plaintiff, Martha Moore, says she has the legal title to and is in possession of the following Real Estate - to-wit Lot No. 759 in Beems addition to the Town of Richwood Union Co. Ohio, and that said Defendant George Bozer claims to be the owner thereof and has commenced an action in Forcable Entry and detention Before M. H. Hill a Justice of the Peace in and for said county. to obtain possession thereof said action is brought against J. Bonar the lessee of the Plaintiff of said Real Estate.

Plaintiff says that she purchased said Lot about the year 1878 from one Winget Harriman that said Harriman was at that time the owner of said lot No 759 and also the adjoining lot No 760 that lot 759 was an improved lot, having a good substantial dwelling house and other improvements thereon and was of the value of $500.00 and lot No 760 was a vacant lot of the value not to exceed $75.00; that her son acting as her agent went with said Harriman upon the said premises and had actual view of the same that is of lot No 759, the one with the house on and that upon her said agents representations of said premises, she purchased the same, and that said Winget Harriman and his wife executed and delivered to her a warranty deed, for said premises, but the Magistrate, who executed said deed, by describing said premises described the same as "Lot No 760", being the lot with the house on" The Plaintiff says she did not know of this mistake but took the deed, and had the same recorded, and took immediate possession of said house and lot, and has held, and enjoyed the undisputed possession of the same, up to the 25" of May 1884, at said date the said Defendant George Boyer purchased said vacant lot, of one Frank Thomson of Delaware O, who had purchased the same of said Harriman, Since the conveyance of said Harriman of said house and lot to the Plaintiff as aforesaid.

But said Harriman in conveying said vacant lot, to said Thomson intended to convey Lot No 760 but by mistake described it as

Entry 4626

Lot No 759 and said Thomson also conveyed to Bozer lot No. 759.

Plaintiff says that none of the aforesaid Parties knew of the clerical mistake in the No. of the lots in said conveyance until after the said conveyance to said George Bozer May 25 "1884. That said Bozer upon discovering that Lot No 759 as the same is designated on the recorded Map of said Addition was the one on which said house was situated, notified the Plaintiff that he claimed said house and lot which was in Plaintiffs Possession by her tenant said J.W. Comer and demanded that she surrender immediate possession of the same to him which she has refused to do. Whereupon said Bozer after giving the necessary legal notice has commenced proceedings before the Justice of the Peace as aforesaid against said Tenant of the Plaintiff to obtain possession thereof. Which suits stands for hearing Sep. 27" 1884

Plaintiff says if said Bozer is permitted to proceed with his said suit before the Justice, and obtain possession of said premises she will suffer thereby irreparable injury and loss wherefore Plaintiff prays that defendant George Bozer may be enjoined by a restraining order issued from said Court from proceeding further with his suit before said Justice of the Peace and that said Defendant may be required to set up his said claim to said premises in this court in answer hereto and that upon a final hearing said premises, to wit said lot No. 759 on which said house is situated, may be decreed to be the property of the Plaintiff and that her title thereto may be forever quieted.

Martha Moore, Plaintiff,
vs
Geo. Boyer Defendant.

Court of Common Pleas, Union County, Ohio.

Answer

4626

Answer.

The defendant Geo. Bayer for his answer to plaintiff's herein says that he denies that the said plaintiff Martha Moore has the legal title to said Lot described in her said petition, to-wit: Lot No. 759 in Beems addition to the town of Richwood Union County, Ohio. The defendant admits that said Martha Moore, plaintiff is in possession of said Lot No 759 as aforesaid. Defendant admits that said action in forcible entry and detention before said Justice, referred to in petition, was brought against said J. W. Baemer the pretended lessee of said plaintiff. And says that the same said cause, was tried in said Justice Court; and that the plaintiff Geo. Boyer in said suit obtained a judgment for a writ of restitution of the premises to wit said Lot No. 759 in Beems addition to the town of Richwood, Union County, Ohio; all prior to his knowledge of this suit and notice of injunction allowed therein. Defendant denies that the plaintiff purchased said Lot 759 in said addition and said town as set forth in her said petition. Defendant says that the title of the said Lot 759 (as appears) as he has been informed by the Auditor of Union County by the duplicate of said County to be in the State of Ohio said Lot 759 having been forfeited to the State for the non payment of the taxes thereon and that said title so remained in said State of Ohio, until the year A.D. 1880 when the same was transferred to one Isaac N Green.

And that said Isaac N. Green and Ellen W Green, his wife prior to said last transfer, transferred the title to said Lot No 759 to Winget Harriman and Martha J Harriman, his wife, did on the 25th day of March A.D. 1880 execute and delivered to Frank E. Thomson of the County of Delaware and State of Ohio, their certain warranty deed, wherein said Winget Harriman for himself, his heirs, executors and administrators; does covenant to warrant and defend the title to said Lot No. 759 together with other lots herein described; to-wit: No 688, 689 all in the aforesaid addition to the town of Richwood in the said Union County, Ohio referring to recorded plat of said addition duly recorded in the Records of the Recorders' Office.

Marysville, Ohio, against all claim or claims of all persons whomsoever
Defendant says that, said deed was presented to the Auditor of said
County of Union on the 12th day of December A.D. 1881 and that the title to
said Lot was entered and placed on the duplicate of said County for
taxes in the name and against said Frank Q. Thomson and that
on said 12th day of December said deed was recorded by the Recorder of
said County and on the 24th day of December A.D. 1881 said deed was
duly recorded in book No. 53 page 224.

Said Defendant further says that on the 25th day of April A.D. 1884
said Geo. Bayer purchased from said Frank Q. Thomson of Delaware
Ohio Lot No 759 in Beems addition to the town of Richwood, Union
County, Ohio, paying therefor full value for said lot by exchanging
other real property therefor to wit; About two and three fourths acres
($2\frac{3}{4}$) of land in said County with a dwelling thereon being the only
real property owned by said defendant, that good and sufficient deeds
were executed and exchanged and delivered one to the other, by and
between said defendant and said Frank Q. Thomson that the deed
from said Thomson to said defendant for said lot No 759 was ex-
ecuted on and bears date of April 25th 1884 A.D. and was presented to
the Auditor of said County of Union and by him duly transfered
for taxes on his duplicate May 15th A.D. 1884 and that the same was
duly entered of record May 16th A.D. 1884 in the Record of Deeds of said
County, Vol 27 Page 66. Defendant denies that there is any mistake
in his said deed as effecting the title to said lot No 759 or 760 as de- Reply.
scribed and set forth in plaintiffs petition and says he is not now 0
nor was he at the time of his said purchase from said Thomson 4626
or prior thereto, informed of any mistake or mistakes as refered to
in petition herein, in the drawing of said deeds and says that he
purchased said Lot No 759 of said Thomson in good faith, knowing
that there was a dwelling thereon intending to occupy the same as his
residence and believing that said Thomson had good title thereto
as exhibited by the Record of deed in said County and says that if
said mistake existed by or between said plaintiff and said Harri-
man he, said defendant had no notice thereof and innocently ac-
cepted said deed for said Lot 759 paying in exchange as cash, full
value therefore about five hundred dollars ($500) said defendant
says that seeking to obtain possession of said property to-wit:
said lot No 759 by him purchased from said Thomson he found Entry.
one J. W. Barnes one of his said lots No 759 and also that said Bar- 4626
nes also occupied said Lot No. 760, claiming that both of said
lots were leased from said Martha Moore, all of which from the
statement of said plaintiff and other facts, defendant believes
to be true and claims that said plaintiff has or ever had any
legal title to said Lot No 759 in said addition to said town and de-
nies that said plaintiff is entitled to possession of said Lot 759 or
has or had any right to lease the same. And said defendant
further says that said plaintiff is guilty of negligence if her said
petition is true, to-wit: in not investigating as to when the taxes
on said lot were charged, on the duplicates of said County and in

failing to pay any tax on the same thereby allowing what is now claimed as a mistake to remain and continue for a great number of years whereby the defendant would be greatly damaged if said pretended mistake is corrected and plaintiff allowed the relief asked for in her said petition.

The defendant says that he purchased said lot 759 in good faith innocently and without notice and paid full value therefor. Therefor defendant asks that his said title in said lot No 759 be and remain in him, said defendant as it is and that his said deed herein referred to be decreed good and valid, that the injunction in the said cause be dissolved and that he may have his costs herein and such other and further relief as he may be entitled.

Justus J. Miller. Lorenzo Cheney. John H. Sterling,
Sylvanus Taylor. Samuel Johnson & Steven Shirk Defts.

Petition

The said plaintiffs complain of the defendants Justice J. Miller, Lorenzo Cheney, John H. Sterling, Sylvanus Taylor, Samuel Johnson & Stephen Shirk defendants, for that the said defendants on the 25th day of December A.D. 1876 at the County of Union by their certain writing obligatory of that date acknowledge themselves to be held and firmly bound unto the State of Ohio in the sum of $15000. and which said writing obligatory was and is subject to a condition thereunder written and which condition is in the words following that is to say: "Now the condition of this bond is such, that whereas the said Justice J. Miller was on the 10th day of October A.D. 1876 duly elected to the office of Sheriff & within and for the county of Union and state of Ohio and has been duly commissioned as such Sheriff: Now if the said Justice J. Miller shall faithfully honestly and impartially discharge his duty as such Sheriff during his legal term of office according to the best of Skill and ability, then this bond to be void, otherwise to be and remain in full force and virtue in Law" and the plaintiff further saith that the said Justus J. Miller did thereupon take upon himself the duties of the said office of Sheriff of said county of Union

and assumed and did act as such at the time of committing the wrongs hereinafter stated: Plaintiff further say that they are the heirs at law of John D. Thompson Dec and that on the 21st day of September A.D. 1875 Rebecca Thompson who was the Guardian of the minor heirs of Malon Thompson, Deceased and who was the widow of Malon Thompson Dec. filed her petition in the Court of Common Pleas of Union County Ohio asking for the partition of the lands of John D. Thompson Deceased. That at the January Term of said Court 1876 partition was ordered of said land, and the same not being divisable was at said term of said Court ordered sold, which was accordingly done on the 26th day of March A.D. 1876 for the sum of $20 40 Cts to the said Rebecca Thompson and one John Brander, and said sale was duly approved by said court of Common Pleas, and the Court ordered the distribution of the proceeds of said sale by the sheriff of said County of Union as follows one third cash in hand and one third in one year and one third in two years, which the said Sheriff John C. Price who was then sheriff of said County of Union then did.

That afterward the said John C. Price made a partial distribution of the money arising in said sale to the parties entitled thereto and turned over to his successor in office J. Miller on the day of A.D. 1877 all of the balance of said money arising from said sale as well as the securities for the deferred payments thereon that said J. J. Miller collected in and paid over to the parties entitled thereto all of said money excepting that part set off and assigned to Sarah J. Moots one of the parties entitled to a share of said estate of said John D. Thompson Dec. which share of said estate remained uncalled for by said Sarah J. Moots or any one in her behalf.

Said Justus J. Miller at the expiration of his term of office failed and neglected to pay over to his successor in office the share that was set off to said Sarah J. Moots out of the Estate of said John D. Thompson Dec. and kept and used the same for his own use and benefit contrary to the statute in such cases and still has the same having neglected and refused to pay over to said parties entitled thereto any part of said share of the said Sarah J. Moots. Plaintiffs further say that on the 5th day of July A.D. 1884 Morris Thompson and others filed their petition in the Court of Common Pleas of Union County, Ohio. asking further distribution of said part of said Estate as was set off to Sarah J. Moots among the other heirs of said Estate, said Sarah J Moots being supposed to be dec'd. and at the same time made the said J.J. Miller a party thereto asking a judgment against him for said share of said Estate.

That on the 6th day of October A.D. 1884 said Court decreed further distribution as prayed for in said petition and at the same time rendered Judgement against the said Justus J. Miller for the sum of $791.20 being the amount found due said estate and being in the hands of the said J.J. Miller That on the 27th day of November A.D. 1884 the plaintiff caused execution to issue against the said Justus J. Miller for the sum of $791. 20 Cts being the amount found in his hands to the sheriff of Union County, Ohio. which was duly returned on the 2nd day of January A.D. 1885. Indorsed as follows, To-wit: "Received this Writ Nov-

ember 27-1884 No Property found whereon to levy any part of this writ.
(Signed) John Hohensack. Sheriff "

That since the return of said writ of execution he has requested the said Justice J. Miller to pay the same and, plaintiffs aver that neither him nor the said Lorenzo Cheney John H. Sterling Sylvanus Taylor Samuel Johnson or Stephen Shirk have paid said sum of money or any part thereof to these plaintiffs.

Wherefore the plaintiff prays Judgment against the said defendant for the said sum of $491.20 together with interest thereon from the said 6th day of October A.D.1884 and costs of aforesaid execution.

And now come the Defendants, all of the bondsmen of said J.J. Miller, and move the court to require the plaintiffs to make their petition herein more specific and certain, to-wit:

First That they be required to attach to said petition a copy of the Bond purporting to be the foundation of this their action.

Second That plaintiffs be required to state specifically, in detail, how much money was adjudged by the Court to said Sarah J. Moots, after payment of costs and attorney fees, out of the proceeds of the sale of the lands in the partition case referred to giving the amount due her as the first second and third payments respectively.

Third = That plaintiffs be required to set forth in their said petition, who said Sarah J. Moots was: in what way she was entitled to a share of said John R. Thompsons estate: and what share she was entitled to: whether she was a minor or of age or married and if so name of her husband and if a minor give name of her guardian: and state how plaintiffs are entitled now, to her said share &c when she now is or was at the last date of any intelligence from her and all the facts going to show her right to the share in said estate refered to or plaintiffs rights thereto.

Fourth = That they be also required to state if any Trustee was ever appointed by this or any other court to take charge of and hold and collect funds due her in said partition case and if so state name of said Trustee — Or if no trustee state what order was made by the court to the sheriff respecting the care and custody of said funds, if any.

Fifth That the plaintiffs be further required to state whether said J.J. Miller, at the end of his first term as sheriff, made the settlement required by law and turned over all moneys securities, books and papers to his successor in office or whether he failed so to do and whether any request or demand was ever made upon said sheriff Rice or Miller for said money before the expiration of said Miller's last term of office. This day this cause came on to be heard upon motion of defendants, the bondsmen of said defendant J.J. Miller, to require plaintiffs to make their petition more definite and certain and was argued by counsel and submitted to the Court - Whereupon the Court being fully advised in the premises does sustain said motion as to the first, second third and fourth grounds of said motion and does overrule said motion as to the fifth ground of said motion Whereupon plaintiffs asked & obtained leave to file an amended petition by the 7th day of March 1885:

Afterward, on the 5th day of March A.D. 1885 the following Amended Petition was filed with the Clerk of said Court, to-wit:

Morris B. Thompson et als. Plaintiffs

vs

Justus J. Miller et al. Defendants.

Amended Petition

State of Ohio, Union County, Court of Common Pleas.

Amended Petition

4723

The said plaintiff complains of the defendants Justus J. Miller Lorenzo Carey, John H. Sterling, Sylvanus Taylor, Samuel Johnson and Stephen Shirk for that the said defendants on the 25th day of December A.D. 1876 at the County of Union and State of Ohio by their certain writing obligatory of that date acknowledge themselves to be held and firmly bound into the State of Ohio in the sum of $15000 and which said writing obligatory was and is subject to a condition thereunder written and which condition is in the words following that is to say, "Now the condition of this bond is such that whereas the said Justus J. Miller was on the 10th day of October A.D. 1876 duly elected to the office of Sheriff within and for the County of Union and state of Ohio, and has been duly commissioned as said sheriff, Now if the said Justus J. Miller shall faithfully, honestly and impartially discharge his duty as such Sheriff during his legal term of office according to the best his skill and ability, then this bond to be void otherwise to be and remain in full force and virtue in Law. A copy of which bond is hereto attached Marked "A"

And the plaintiff further saith that the said Justus J. Miller did thereupon take upon himself the duties of said office as sheriff of said county of Union and assumed and did act as such sheriff at the time of committing the wrongs hereinafter stated.

Plaintiff further says that they are the heirs of John G. Thompson Deceased and that on the 21st day of September 1875 Rebecca Thompson who was the guardian of the minor heirs of Malon Thompson dec. who was one of sons and heirs of said John G. Thompson, Deceased and said Rebecca Thompson was also the widow of said Malon Thompson dec. filed her petition as such guardian in the Court of Common Pleas of Union County, Ohio, asking for partition of the lands of John G. Thompson deceased, which was accordingly done at the January Term of said Court 1876 and said lands not being divisible by metes

and bounds, were by said Court ordered sold at partition sale, which sale took place on the 26th day of March A.D. 1876, to said Rebecca Thompson and one John P. Brander for the sum of $2640 05/100 and said sale was duly approved by said Court of Common Pleas and said Court ordered distribution to said heirs as follows to wit: Confirmation April Term 1876 and it is ordered that out of the money in the hands of the Sheriff, pay 1st the costs of this Court taxed at $110 67/100, Attorney Fees to Robinson and Piper $32 20/100 and to Porter and Sterling $32.20/100. 2nd Tax on said lands $27 42/100 and recording mortgage $1.00 3rd One thousand Dollars to Rebecca Thompson and heirs of Malon Thompson and that of the residue, he pay the said Rebecca Thompson and the heirs of Malon Thompson one equal sixth part of said money. To Wheeling Thompson one equal sixth part. To Thomas G. Thompson, the father of John and Wolsey Thompson one equal sixth part, To Jane Compton heirs one equal sixth part To Sarah J Moots Daughter and only heir of Mary E Moots, who was a daughter of said John G. Thompson Deceased and who was the legal heir to said share of said estate the one sixth part of said residue of said estate. James T. Mahoffey Guardian of Ellwood E. Hemminger a minor under 14 years of age minor heir to Francina Hemminger who was an heir at law and Daughter of the said John G. Thompson, dec. one sixth part of the residue of said estate. That said Sarah J. Moots was the daughter of Mary E. Moots and Elliott Moots and that the said Mary E. Moots was dead prior to the death of the said John G. Thompson Deceased and that for that reason said Elliot Moots, her husband who survived her had no curtesy in said lands or no share in said estate.

Plaintiff further says that it appears of record upon the partition record of the sheriff of said County of Union, as follows; to-wit: The first payment as appears on said Record, one sixth part to Sarah J. Moots $197.37/100 Second payment $87.44 3rd payment $168.21 Making a total of $453.09

That the record of money received by said J.J. Miller as such sheriff as shown by the sum rec. by said sheriff and the sums paid out show that there was a balance in said Miller's hands due said Sarah J. Moots of $453.60 with interest on same for two years 6% per annum $35.20 Total $491.20

That at the date of the Distribution of said estate said Sarah J Moots if alive would have been eighteen years of age and had no guardian at that time and that she would if alive at that time have been entitled to the one sixth part of said estate as per said order of partition and that she was never married to the knowledge of the plaintiffs. That said plaintiffs further say that more than twenty years has elapsed since the plaintiffs had any knowledge of the said Sarah J. Moots or that she was alive and that when last heard from she was in the State of Missouri the exact locality, the plaintiffs are unable to give, as they have no information from her or her Father since the war of the rebellion. That her mother Mary E Moots who was daughter of said John G. Thompson was at that time dead, and who was an heir at law of the said John G.

Thompson, dec. —

Further said plaintiffs say that said money was received by the said Justus J. Miller in his official capacity as the Sheriff of Union County Ohio from his predecessor in office and was also part collected from the parties owing the same to said estate, in said partition sale and was kept and held by him as such sheriff and at the expiration of his first term of office he failed and neglected to turn the same over to his successor in office as the law directs or to make any record of any such transfer and that there appears no order for the appointment of any trustee or receiver of said money as aforesaid, and that said money still remains in the hands of said sheriff Justus J. Miller.

Plaintiffs further say that on the 5th day of July A.D. 1884 Norris Thompson and others filed their petition in said court of Common Pleas of Marion County Ohio asking further distribution of said part of said estate of John B. Thompson, Dec. as the legal heirs of the said Sarah J. Moots as well as the legal heirs of the said John B. Thompson, dec, setting up the fact that said Sarah J. Moots had not been known to be living for more than seven years last past and was therefore presumed to be dead. at the same time made Justus J. Miller a party thereto asking for a judgement against him for said share of said estate than in his hands, and that on the 6th day of October A.D. 1884 said court decred further distribution of said estate as prayed for in said petition and at the same time found that there was still remaining in the hands of said Justus J. Miller, the said sum of $491.20/100 for which it rendered judgement against Justus J. Miller.

That on the 27th day of November 1884 the plaintiff caused execution to issue against said Justus J. Miller to the Sheriff of Union County, Ohio, which was duly returned on the 2nd day of January A.D. 1885 endorsed as follows to-wit: Rec. this writ November 27th 1884 no property found whereon to levy to any part of this writ

(Signed) John Hobensack, Sheriff.

That since the return of said writ of execution he has requested the said Justus J. Miller to pay the same and that said plaintiff has also since the rendition of said Judgement requested said Lorenzo Cheney John H. Sterling Sylvanus Taylor, Samuel Johnson and Stephen Shirk to pay the said sum of money but notwithstanding said request, they have neglected and refused to pay the same. Wherefore the plaintiff Norris B. Thompson, Elisha L. Thompson Charles A. Thompson Ulesta Thompson Ira A. Thompson Wheeling Thompson, Watson Thompson John Thompson, James T. Mahaffey, Guardian of Ellwood Ellenger, and the heirs of Jane Compton deceased, pray Judgement against Justus J. Miller Lorenzo Cheney, John H. Sterling, Sylvanus Taylor, Samuel Johnson and Stephen Shirk defendants for said sum of $491.20 cts with interest from the 6th day of October 1884 and for all proper relief.

Court of Common Pleas, Union Co. Ohio.
Answer of Bondsmen.

And now come the defendants the bondsmen of said J.J. Miller and file this their answer to the amended petition of the plaintiffs, and say, that plaintiffs ought not to have and maintain their action against these defendants for the following reasons, to-wit=

First- The paper purporting to be the bond executed by these defendants, a copy of which is attached to plaintiffs petition, was never sealed by these defendants, or either of them, nor by any one for them, or in their presence, nor by their consent nor was there any seal or scroll of any kind on said paper when signed by these defendants or either of them and said paper is not and never was a valid bond and it does not and never did bind defendants nor either of them.

Second = After all these defendants had signed and delivered said paper, and without the knowledge, consent, or procurement, of either of them, scroll seals were made at the name of each of these defendants by the Prosecuting Attorney (as defendants are informed and therefore allege) of Union County, Ohio. which was a material alteration of said instrument and said instrument was thereby rendered inoperative and void as to these defendants.

Third = Defendants say the lands sold at partition sale, from which the money sought to be recovered was derived, was sold by John C. Price, the predecessor in office of said J.J. Miller and distribution of proceeds and payment of costs attorney fees and taxes was made by him out of the cash payment (which was $\frac{1}{3}$ of $2640 $\frac{00}{100}$) except as to the $\frac{1}{6}$ part (after payment of costs atty fees & taxes) or the sum of $123.57 retained by him as the share of Sarah J. Moots, and that this cash payment was all the proceeds of said sale authorized by law to be received and distributed by said John C. Price, as sheriff or by his successor in office- and defendants say that said John C. Price took notes and mortgage to himself as sheriff for the two deferred payments which act was not authorized by, but contrary to law, and inoperative and void, and did not in any way affect or bind the bondsmen of said John C. Price nor the bondsmen of said J.J. Miller, who succeeded him in office, and to whom it is alleged the two deferred payments were made.

Demurrer 4703

Entry 4703

Fourth = Defendants further say that when said lands were sold Sarah J. Moots, was supposed to be dead and it was then the duty of plaintiffs in this action, next of kin to her, to have a trustee appointed by the court, under proper bonds, to hold said money, in trust, until said absent heirs should appear and claim it or until distribution should be ordered by the Court of the same, among her heirs or next of kin, and it was no part of the duty of the said John C. Price or of said J.J. Miller to hold and care for said funds and to suffer said funds to remain in the hands of said John C. Price or of said J.J. Miller was gross and inexcusable carelessness on the part of the plaintiffs in this action and any failure, or default, to safely keep and account for said funds, on the part of said

Entry. 4703

J. J. Miller, if he ever did have the same in his keping, did not and could not find these defendants.

Fifth - Defendants admit that said J. J. Miller was duly elected and took the oath of office and served as sheriff of Union County, Ohio, for two terms, and the signing by them of a paper as hereinafter stated in this answer but as they have no knowledge of the other allegations of plaintiffs petition, they for the purpose of this sirit, deny each and every other allegation contained in plaintiffs amended petition and, pray that said petition be dismissed as to them & each of them and that they be adjudged to go hence without day and recover their costs herein. A. E. Carpenter, Atty. for Boundsmen.

The State of Ohio,

acre of land;- thence north, eighty degrees east, to John Chapmans north west corner, in the south line of said twenty acre lot,- thence with John Chapmans line, south ten deg. east, to the centre of said gravel road,- thence with the centre of said gravel road, about south, 8 deg. west, to the place of beginning; containing one hundred acres, and more or less.

The said mortgage contained a condition, that if said defendant, Jason H. Chapman, should pay or cause to be paid his promissory note herein described, and the interest therein mentioned, from time to time as the same should become due and payable, according to the terms of said note, then said mortgage should be void. The conditions of said mortgage have not been complied with and the same has become absolute. On the 9th day June A.D. 1881 at ten and a half o'clock said mortgage was duly left for record, at the recorders office of said Union County, Ohio, and was fully and duly recorded in Record of Mortgages Vol 17 at page 24.

The plaintiff further avers that the defendant, J. B. Morris as administrator of Lewis Jolliff deceased; Hill, Horter and Company; William Burgner and Son; Cyrus Stanyates; Margaret Stanyates; Luella J. Bauer; W. J. Campbell and The Richwood Deposit Bank claim to have some interest in or lien against the premises herein described the nature and amount of which plaintiff is not informed; and asks that said defendants be required to set out and disclose their respective claims or that they be forever cut off and barred from again asserting the same.

Plaintiff therefore prays judgment against said defendant, Jason H. Chapman, for the said sum of three hundred and thirty six dollars and thirty six cents with interest thereon from the first day of January A.D. 1886, and that said premises may be sold and the proceeds thereof be applied to the payment of plaintiffs claim, now due and that may here after accrue as principal & interest on the note herein described and the remainder thereof abide the further order of the Court and for such other relief as may be proper.

Ricketts being first duly sworn on oath says he is one of the Attorneys of record for the plaintiff, duly authorized in the premises; that said plaintiff is not a resident of either Franklin or Union counties and that the statements made & allegations contained in the foregoing petition are true as affiant verily believes.

Jason H. Chapman et al.

This day this cause came on to be heard upon the petition filed herein, the defendants although duly notified of the pendency of this action failed to answer, demur, or otherwise object to the petition of said plaintiff. On consideration whereof and the Court being fully advised in the premises finds that the defendants Jason H. Chapman & Mary A. Chapman executed and delivered to plaintiff the note and mortgage as in said petition described and that all the allegations of said petition are true - that there is due to plaintiff as interest on the note described in the petition on the first day of the present term the sum of three hundred and Thirty nine and $\frac{27}{100}$ Dollars and the condition of defeasance in said mortgage has been broken and that the said plaintiff is entitled to have the defendants equity of redemption foreclosed.

It is therefore considered and decreed that unless the defendants Jason H. Chapman & Mary A. Chapman or either of them within one day from the entry of this decree pay the Clerk of this

Court the costs of this case, and to the plaintiff the said sum of $339.27 with interest thereon from the first day of this term. That an order issue to the sheriff of Union county, Ohio, commanding him to cause said premises to be appraised, advertised, and sold according to law and that he bring the proceeds of said sale into Court to abide its further order.

Pleas before His Honor John A. Price, Judge of a Court of Common Pleas begun and held at the Court-House in the Town of Marysville with in and for the county of Union of the Third Subdivision of the Tenth Judicial District of the state of Ohio on the 18th day of May in the year of our Lord one thousand eight hundred and eighty five. to-Heretofore: to-wit: on the 17th day of March A.D. 1884 the following Petition was filed with the Clerk of said Court. to-wit:

Isaac Stauffer. Plaintiff. } Petition.
vs } State of Ohio, Union County, ss.
O.B. Mather & Ed. Mather, Defendant. } To the Court of Common Pleas.

Petition.

Petition.

The said Isaac Stayler plaintiff says. That said defendant christian names in full are unknown to him but the names by which they are usually respectively known are O.B. Mather and Ed. Mather both residents of said county of Union. That during the year 1883 the said Plaintiff and said Ed. Mather were joint owners of a Stallion horse known as Black Prince which Stallion was stood for mares in said County of Union and a large amount of business done in that way.

That said Ed. Mathers had the immediate charge of said stallion while making the stand and kept a book containing the names of persons owning mares that were served by said horse. That the terms of serving were fifteen dollars for each mare served to be paid when the foal was able to stand and suck. The said several sums were placed in said book which was known as the horse book of Black Prince. That the expense of keeping said horse was to be born equally by said plaintiff and said Ed. Mather and each party was to have one half of the sum realized from said business.

The plaintiff says that he is not able to give the names of the owners of mares served by said horse, or the number thereof for the reasons herein stated but he says that he is informed and believes and therefore avers that the number of mares thus served was and is at least One Hundred and sixteen which at fifteen dollars each would creat quite a large fund in which both the plaintiff and the defendant are equally interested.

The plaintiff has fully paid his full share of the expense of keeping said horse and is entitled to the full equal one half of the money due and to become due for services aforesaid.

The plaintiff says that he and the said Ed. Mather are unable to agree upon a settlement of their affairs and that said Ed Mather without the knowledge or consent of the plaintiff and in violation of his rights has pretended to sell and has turned over said book and said account to said O.B. Mathers who claims to have purchased the same and who has notified parties interested not to pay the plaintiff any money for the services of said horse claiming in said notice to be the owner of said account.

That both said defendants are wholly insolvent and they ~~are~~ wholly insolvent ~~and they~~ are together to wrong and defraud the said plaintiff and wholly deprive him of his rights in said joint account. The plaintiff says that the said horse was put to mares in the early Spring of last year and that the time for mares to foal is now at hand and that if said O.B. Mather or said Ed Mather is permitted to collect said account the plaintiffs interest in the same will be lost and he will suffer great and irreparable injury and that said joint fund is now in danger of being lost and materially injured. That the defendant threaten to go on and collect said accounts and to deprive the plaintiff of the same and the refuse to allow the plaintiff to inspect said Book so as to learn the names of persons having bred mares to said horse. Wherefore this plaintiff prays that both said defendant may be enjoined from collecting any of said account and that a receiver may be appointed by the court to take charge

of said book and to collect said funds and that the affairs of the plaintiff and said Ed Mather may be adjusted and settled and the money arising from the services of said Ward and the proceeds of said Book and account may be properly divided and for all other and further relief as may be equitable and just.

Answer & Cross Petition

Isaac Stofer Plff.
vs
O.B. Mather and Ed. Mather Defts.

Court of Com. Pleas. Union County. Ohio.
Answer.

Now comes the deft Ed. Mather and for his separate answer to the petition of the Plaintiff and by way of cross petition, That it is true that he and the plaintiff were equal partners in the stalion known by the name of Black Prince beginning on the 10th of June 1882. That they stood the said horse for mares during the seasons of 1882 & 1883

That each partner was to bear half the expense of keeping said horse and to share an equal amount of the profits = The accounts made by the services of the horse in 1882 has been settled but the accounts of 1883 have not been collected. This Deft. denies that the

Plff. was paid his share of the expense of keeping said horse. But there is due to him for feed for said horse Thirty one Dollars. This Dfft says there is due and unpaid on this book for the Service of mares during the season of 1883 probably $300. The horse served during 1883, in all 114 mares but under the terms of service probably only about 260 of said services are now due.

This defendant is and always has been ready and willing to settle said business with plaintiff. He collected nearly all the accounts of 1882 at considerable expenses of labor and time and other expenses, for which plaintiff refused to allow him anything in their settlement. The accounts for '83 being so large & likely to require much labor and expense in collecting, he deemed it to the interest of the firm to get them collected on such terms and transferred same to said O.B. Mather under an agreement by which said O.B. Mather is to collect same, so far as collectible, and pay over 70 per cent there of of said collections, as follows, 45 per cent on or before Sept 10th 1884 and 45% on or Jany 1st 1885. Said transfer and agreement were made and entered into by this defendant in good faith and for the best interest of the firm, and said arrangement is a profitable and advantageous one for said firm.

The said horse is worth and was estimated in said partnership at $700.00 and is now in the possession of the plaintiff, and should be accounted for by plaintiff in the settlement of the firm (partnership) business, as firm property at $900.00 and is part of the partnership property. This defendant denies each and every charge of wrong, fraud, or corruption or insolvency, contained in the petition of plaintiff, and says that he denies the charge that the plaintiff is in danger of losing his interest in the firm property or a part thereof, and says there is no need of any receiver or injunction in the case and denies each and every charge in the petition that is contradictory to the statement herein contained.

This defendant asks that plaintiff may be compelled to account with him touching the premises and ordered to pay over to this defendant any balance found in plaintiffs hands coming to this defendant: and asks that in the meantime the injunction allowed be dissolved by order of the court.

Amended Answer.

Isaac Stauffer, Plff.
vs
O. P. Walter & Ed Walter Defts.

Common Pleas Union County, O.
Amended Answer.

Now comes the said Ed Walter and for his amended separate answer herein says: He denys each and every allegation in the petition contained and not hereafter admitted.

It is true that he and the plaintiff were equal partners in the stallion known by the name of Black Bruce beginning on the 10th of June 1882. That they stood the said horse for mares during the seasons of 1882 & 1883. That each partner was to bear ½ the expense of keeping said horse and to share an equal amount of the profits.

The accounts made by the services of the horse in 1882 have been settled. That the accounts of 1883 have not been collected.

He denies that Plff. has paid his share of the expenses of keeping said horse. but there is due him Defendant for feed for said horse thirty one dollars. This defendant says there is due and unpaid on the books for the services of mares during the season of 1883 probably $300. 119 mares were served by the horse in 1883 for which the pay is partly & will come due along during the summer, for all which

do not fail to be with foal and probably one half will fail, leaving about $100. good. This defendant has always been & is ready to settle said business with plaintiff. (He collected nearly all the accounts for 1882 at considerable expense labor & time, for which plaintiff refused to allow him anything in their settlement, and therefore the accounts of 1883 being much larger and likely to require much time and labor to collect he transferred the same to O.B. Matter under an agreement by which said Matter was to collect them as far as collectible, for ten per cent.

Said arrangement was entered into by him & said O.B. Matters in good faith, and deemed by him to the best interests of the firm, and was a profitable arrangement for the firm. But has been rescinded & the accounts returned to him by mutual consent) Said horse is worth & was estimated in said firm at $900. and is partnership property of said firm in the possession of the plaintiff, and should be accounted for by plaintiff in the settlement of said partnership business as partnership property, at $900.00 Further answering by way of cross petition he says: That in the Fall of 1883 one Henry Dilsaver had a judgment on the Docket of a J. P. of said county against him and one Adam Dilsaver on a note and that said Adam Dilsaver was security for this defendant (and had so become at his own suggestion, professing to be friendly to this defendant and procuring the loan for which the note was given at the same time assuring this defendant that he would see that it was not pressed for collection. That after executing said note he and said Adam Dilsaver fell out and said Adam urged up the collection of said claim) and caused an execution to be issued thereon, and maliciously contriving to injure this defendant and conspiring with the plaintiff, directed & caused the constable having said writ to levy the same on said horse (well knowing the same to be partnership property, and causing said constable to refuse to levy on individual property of this defendant to pay said judgment. (This defendant was at the date of said levy sick with a fever, confined to the house and unable to attend to any business, and so remained for several weeks thereafter). yet this defendant when the constable was about to make said levy offered to turn out other property and forbid the levy on this partnership horse, and pointed out individual property sufficient to far more than satisfy said judgment and costs, to be levied upon which said constable refused saying he was ordered by said Dilsaver to levy on said stallion as that would make the most trouble and that he would do it.) Said levy was not legally made, said horse was running in a field and was not touched by the constable, and was left there, but advertised for sale under said alleged levy: and there remained until the day of sale (a gray horse the individual property of this defendant was also levied on at the same time under said writ and was of ample value to satisfy the same) At the time of said levy there had been no settlement or ascertainment of the value of this defendants interest in said horse or that it was of any value, and the public had no knowledge or means of knowing the same, and no means of such knowledge were afforded to the public and consequently no one offered to bid on said proper-

ty, but the said Adam Dilsaver, who appeared and the same was knocked off to him at the amount due on said Writ he being the only bidder. (At the day of said sale this defendant suggested to the constable to offer said gray horse for sale but said constable refused and said horse was never offered.) This defendant also demanded the exemptions allowed by law before said sale but the same were by said officer refused. Under the law he was entitled to exempt his interest in said horse, being then engaged in the business of Agriculture and the head of a family resident of said County. At the time of said alleged levy one Willard Langstaff had a chattel mortgage on said horse for the purchase price thereof given by this defendant. After said levy and before said sale the plaintiff was informed of all the above facts, and was well aware thereof before said sale.

But contriving to cheat and wrong this defendant advised him to let Langstaff look after it, and take the horse under his mortgage.) afterwards still seeking to make a dishonest speculation by taking advantage of the embarrassments and sickness of this defendant his partner and of said illegal proceedings and conspiring with said Adam Dilsaver to that end) by arrangement with said Dilsaver to pay him said Dilsaver the amount of his (said Adam Dilsavers claim) the plaintiff obtained possession of said horse and has ever since held him and appropriated him to his own use in violation of the right of this defendant and his duties as a partner, The said levy and sale were wholly illegal and void.

The amount of said judgment was only about $83 and the said sum was grossly inadequate as a consideration for this defendants interest in said horse.

The said Adam Dilsaver illegally held and sold said horse to plaintiff by virtue of said illegal constables sale to him. The said firm was entitled to have said horse returned to it without charge after said alleged sale to enable it to clear up its business + the failure was injurious to said partnership.

The return thereof to said Plaintiff should be regarded as a return to the firm, and can only be so regarded in law or equity.

The plaintiff has not paid anything in excess of said Dilsavers claim against this defendant for the return of said horse and is not liable to pay any excess thereof in that account. This defendant has repeatedly offered to settle said partnership and business with plff. by allowing him the full amount paid by him to recover said horse and a liberal bonus therefor.

But plaintiff wholly refuses to settle on that basis. This defendant says the amounts of said claim is ascertained, and he is willing and ready to allow the same to plaintiff or to pay the same in order that said horse may be properly accounted for.

And that the refusal of plaintiff is the only obstacle to an amicable + just settlement of said partnership business.

He therefore prays that Plff. may be compelled to account with him touching the premises, and ordered to pay over to the defendant any balance found in plaintiffs hands coming to this defendant. That the injunction may be dissolved.

He says the appointment and settlement of said business by a receiver would be unnecessary and expensive and that he is willing to settle without such appointment, and he therefore asks that Plffs prayer be denied - and the injunction granted may be dissolved.

Reply.

Afterward, on the 4th day of March A.D. 1885 - the following Reply - was filed with the Clerk of said Court, to wit:

Isaac Stouffer. Plff. O.B. Mathers & Ed Mathers Defts. } In Union County Court of Common Pleas Reply.

The plaintiff for reply to the answer of the defendant Ed Mathers says " That the Stallion in controversy was formerly owned by Lester Olivee and Millard Longstaff and that about the Spring of 1881 - The plaintiff bought the half interest of Lester Olivee and then the plaintiff and said Longstaff jointly owned said horse and he was placed in the hands of said Ed. Mathers to keep and put upon the stand. That while he had the possession of said horse said Ed Mathez without the knowledge or consent of this plaintiff bought the said Longstaff his half interest and from that time on until the levy and sale by said constable owned one half interest - said plaintiff & said mather never formed any partnership and were not partners in regard to same stallion but each owned his individual half interest in said horse. That when the half interest of said Mather in said horse was levied upon it was for the individual debt of said Mather which he well knew and well knew said levy was made and suffered said horse to be advertised and sold and taken from his possession and if any irregularities occurred in said levy or sale the defendant waived the same by demanding an exemption and not objecting to said sale at the time.

This defendant denies that he in any manner conspired with said Dilsaver to procure said levy or sale of said horse and denies each and every charge in the defendants amended answer alleging conspiracy or fraud on the part of the plaintiff in regard to said levy or sale. This plaintiff says that he did not learn of the proceeding to levy upon said Mathers interest in said horse until after the same was made.

That after said Mather's interest was sold this plaintiff found the horse at Dilsavers in a very bad condition and having a half interest in him took the horse away and about a month after bought said Dilsaver's interest and he denies that the said Mathers has now any interest whatever in said horse.

This plaintiff says that he denies that said Mather was sick as alleged but says he was able to do business and did do business during the time said horse was being advertised and sold.

That said horse is now about 18 years old and that he is getting to old to be of much value as a foal getter and that when the said Mather suffered him to be sold and taken away from his possession he was out of condition and of little value.

This plaintiff denies each and every allegation in said amended Answer not herein admitted. This plaintiff says that upon the settlement of the business for 1882 there was and still is due to this plaintiff on expense $3.50 and also two Dollars for wheat furnished to said horse. Wherefore this plaintiff prays as he has already prayed in his petition and for all proper relief.

This cause coming on for hearing, was submitted to the Court on the pleadings and evidence: on consideration whereof the Court find the equity of the case is with defendant Ed. Walker and that plaintiff should account to him for one half of the Stallion horse Black Prince subject to a credit of $10.00 paid Dilsaver: and the Court from the evidence find that the value of said horse on Nov. 30th 1883 was $450.00 and of defendants half interest $225.00 and deducting said credit of $10.00 the balance due said Ed. Walker on account of said half interest in the horse is $135.00 with interest thereon from Nov. 30th 1883. And the Court further find that by mutual agreement of the plaintiff and defendant the accounts for the services of said horse have been placed in the hands of B. L. Talmage for collection and division between them, all but $100.00 which he is to reserve to meet the costs and expenses of collection and of this case, and the Court find from the evidence that there is $8.75 due Deft. as a further balance out of said fund in the hands of said Talmage. This cause now coming on for hearing on the Petition and the evidence the Court find that the Defendants Jacob Schurch and Elizabeth Schurch his wife have been duly served with summons in this case and that they are in default for answer and demurrer and that the allegations of the Petition are thereby confessed by them to be true - and that there is due the plaintiff from the Defendant Jacob Schurch on the promissory notes set forth in the Petition with interest to the date of this Decree the sum of $513.22 the Court further find that in order to secure the payment of said notes the Defendants Jacob Schurch and Elizabeth Schurch his wife executed and delivered to said John Moore their certain mortgage as in the petition described and on the Premises therein described that said mortgage was duly recorded in Book No 18 Page 12 of the records of mortgages of Union county Ohio and is the first and best and a valid lien on the premises described in said Petition and that the conditions in said mortgage have been broken and that the plaintiffs herein are the legal owners and holders of said notes and mortgage and entitled to have said mortgage foreclosed. Heretofore, to-wit, on the 14th day of Dec. A.D. 1885 the following petition was filed with the Clerk of said Court - to-wit:

No. 4984

Amanda J. Kightlinger & Ashly Kightlinger
her husband, Plaintiffs
against
B. C. Bales and Willey E. Kightlinger, Defendants.

Court Common Pleas,
Union County, Ohio.
Petition.

Plaintiffs say that said defendant Willey E. Kightlinger is the son and only child of said Amanda J. Kightlinger and is aged 19 years.

They say that on the 19th day of September 1882 said Ashly Kightlinger was the owner in fee simple of the following described real estate in the village of Marysville, Union County, Ohio: "One half acre in the South West corner of Out lot No. 4 in Matthiotts Addition to said village of Marysville being the same lot bought by James E. Harriott at the sale made in 1857 by Matthiotts Administrator, said land extends 5 rods Easterly and 16 rods northerly from said Out Lot No 4 being the property owned by C. S. Baldwin and Hayes Speakman" and that on said 19th day of Sept 1882 said plaintiffs conveyed said land by deed by general warranty to said B. C. Bales defendant: That in fact said land was conveyed to said Bales in trust to be conveyed to said Amanda J. Kightlinger and that on the same day said Bales did convey said land to said Amanda J. Kightlinger by deed recorded in Vol. 50 page 124 of the deed records of Union County, Ohio.

In said deed from defendant Bales to said Amanda J. Kightlinger is written the following claim:

"The said Amanda J. Kightlinger is to use occupy and control said premises as long as she lives and at her death the same is then to pass to her legal heirs." Plaintiffs say that it was the intention of all parties to said deed, both grantor and grantee, to convey to and vest in said Amanda J. Kightlinger an estate in fee simple in said land which she could sell mortgage or otherwise dispose of absolutely and that they did not know the legal effect of said claim in the deed was to vest in her an estate less than fee simple until after it was executed, delivered and recorded.

Said plaintiffs believing the title of said Amanda J. Kightlinger was complete have placed improvements upon said property to the value of $1500 since Sept 19th 1882. Wherefore plaintiffs asks that a guardian ad litem may be appointed for said Willey E. Kightlinger and that the title to said land be quieted in said Amanda J. Kightlinger and her interest therein be decreed a full and complete estate in fee simple and for such other and further relief as law and equity may require.

For value received I promise to pay to the Home Building and Loan Association Company, of Marysville, Ohio, when the same shall close and determine Two Hundred dollars with interest and the premium as hereinafter stipulated, for an advanced loan obtained by me upon our share of stock in said Association by bidding a premium of One Hundred and thirty dollars for precidence in taking the same. Cross petition

against

Isabella J. Hawkins, The Home Building and Loan Association Company of Marysville, Ohio, I. B. Fulton

No. 5161

Cross petition of The Home Building & Loan A. Co.

The Home Building and Loan Association Company of Marysville, Ohio, defendant, for answer and by way of cross-petition says, That it is a corporation duly incorporated under the laws of Ohio and that it admits the allegations of the petition to be true.

First Cause of Action. The said defendant Isabella J. Hawkins is indebted to said Home Building and Loan Association so as hereinafter stated in the sum of $554.$\frac{7}{10}$ upon a promissory note of which the following is a copy with all credits and endorsements:

$800. Marysville, Ohio, June 4th 1883.

For value received I promise to pay the Home Building and Loan Association Company of Marysville, Ohio, when the same shall cease and determine Eight Hundred dollars with interest and the premium as hereinafter stipulated for an advanced loan obtained by me upon four shares of stock in said Association by bidding a premium of Three Hundred and twelve dollars for precedence in taking the same. I promise to pay on each of said four shares of stock a weekly installment of twenty five cents, and on Eight Hundred dollars, the amount of said advanced loan, interest at the rate of six per. cent. per. annum. from date in equal weekly payments until said Association shall be dissolved as provided in the constitution and by laws thereof (at the end of each year a rebate of interest being made for weekly installments paid on stock) and the said premium of Three hundred & twelve dollars bid for precedence in taking said loan. I promise to pay in equal weekly installments of One & $\frac{2}{100}$ dollars each until it shall be paid in full: all of said dues to be due and payable on Saturday of each week. And I do further

promise that should any of said weekly payments of interest or premium remain unpaid for the space of four weeks after the same becomes due, or should any part of said stock be forfeited for nonpayment of the weekly installments thereon then this note to become due and collectible immediately.

Isabella J. Hawkins.

The said Isabella J. Hawkins is indebted to said to said Association upon said promissory note as follows: Principal $800.00 Premium from Mch 6/86 to Oct 16/886 both inclusive 32.04, Interest from Mch 6/86 to Oct 9/86 $20.24, Fines 6.40 (Total $858.68, and is entitled to credit for dues $266.00 also for earnings $38.28 = 304.28 (Remainder) $554.40

Said Isabella J. Hawkins has not paid the dues interest and premium due said association upon said note since Feby 27th 1886 and is in default for all such payments since Mch 6th 1886 when the first became due and payable according to the terms of said note.

Second Cause of Action. At the time of delivering said note and to secure the payment of the same the said Isabella J. Hawkins duly executed and delivered to said Association her mortgage deed conveying the premises described in the petition. Said mortgage was conditioned as follows: Provided nevertheless and these presents are upon this condition that whereas the said Isabella J. Hawkins has executed and delivered to the said Home Building and Loan Association Company of Marysville Ohio her promissory note of even date herewith for the sum of Eight Hundred dollars upon the following conditions: Said Isabella J. Hawkins being a member of the Association and having at a regular meeting of the association bid a premium of Seventy eight dollars per share of stock for foreclosure in taking an advanced loan and having thereby obtained said precedence and having received from said Association an advanced loan of Eight Hundred dollars the full value of four shares of stock in said association she agrees to pay on each of said shares of stock a weekly installment of twenty five cents and on Eight hundred dollars, the amount of said advanced loan she agrees to pay interest at the rate of six per cent per annum in equal weekly payments (a rebate of interest being made at the end of each year for weekly installments paid on stock) and the said premium of three hundred and twelve dollars bid for precedence in taking said loan she agrees to pay in equal weekly installments of one and 2/100 dollars each, until it shall be paid in full: all of said payments to be made on Saturday of each week until said association shall be dissolved, as provided in the Constitution and by laws thereof. She also agrees to pay the taxes on the premises conveyed by these presents, the fire insurance premium on said property, ground rents thereon, and all the fines and forfeitures, according to the constitution and by-

Entry No 5161

laws of said Association. Now if the said Isabella J. Hawkins shall punctually pay to the said Association or its assigns the said weekly installments on said four shares of stock & the interest and premium as above stated, the taxes on the property conveyed by these presents, the fire insurance premium on said property, the ground rents thereon and all the fines and forfeitures according to the constitution and by-laws of said Association then these presents shall be void. But if the said Isabella J. Hawkins shall fail to pay the said weekly installments, or the installments of interest or premium as above stated, the taxes, fire insurance premium ground rents or fines and forfeitures (or within sixty days after due, then the amount of said taxes shall become due) when the same respectively become due and this mortgage shall be foreclosed.

On the 4th day of June 1883 at 5.10 o'c P. M. said mortgage was duly left for record at the recorders office of Union County, Ohio, and was duly recorded in Book 49 page 82 of his mortgage records.

The said Home Building & Loan Association Co. says that when the payments of dues interest and premium on said note became due March 6th 1886 the said defendant Isabella J. Hawkins did not pay the same and has not paid them since nor any of the payments that have since become due but that the same remain and are due and unpaid whereby the condition of said mortgage deed has become broken and said mortgage deed has becom absolute.

The said The Home Building and Loan Association Co. therefore asks judgment against the said Isabella J. Hawkins in the sum of $554.40 and that an account be taken of the dues interest and premium to become due and that said premises may be sold and the proceeds applied to the payment of said judgment and for such other and further relief as law and equity may require.

No 4842

C. Aultman & Co. an incorporated Co. Company Under the General Laws of the State of Ohio, Plaintiff. Against E.A.D. Brevard and W.C. Carter, Defendants.

Now comes the defendant and by way of Amended answer to the plaintiffs petition says: That he denies the indebtedness set out in plaintiff second cause of action and for reason says that some time about the last of September or the first of October A.D. 1882 he paid said note to an agent of said Company, that at the time of said payment he demanded said note and said agent, said that the note was mislaid and could not be found, but said agent of said C. Aultman & Co. gave this defendant a receipt for the money and as against said note, and the defendant had the receipt for some time, when at Milford Center, Ohio on or about the last of August or first of Sept. 1883 He had his pocket Book with its contents, including said receipt stolen from him. Hence he is unable to produce the same.

The defendant therefore offers to allow the plaintiff to take judgment against him for the sum of fifty five Dollars with interest from the time the same became due.

Court of Common Pleas.
Separate answer of E.A. Breward.

Defendant says he admits the making of the several notes described in plaintiffs petition and the credits thereon. Defendant further says that the note described in plaintiffs petition calling for $50 00 in his second cause of action, he denies of being indebted to plaintiff that said note has long since been paid by this defendant to an agent of said plaintiff shortly after the note became due about the latter part of September or the first of October 1882 That said agent was collecting for plaintiff and that defendant meet said agent between This residence in Liberty Township and Broadway in said County of Union and there upon the public highway paid said note described in said plaintiffs petition as his second cause of action giving therefor $50.00 and interest.

The defendant requested the agent to give him the said note but the agent claimed the note was misplaced and did give him in lieu of said note a receipt in full of said claim of said note. Defendant says that he carried said receipt some time & now he is unable to produce the same as he thinks he has lost it that the name of the agent is unknown to him that he wholly relied upon the statement of said agent and paid said amount due on said note and as the agent stated they would look up the note and send it to him which they to this time have failed to due.

Defendant therefore is willing that plaintiff may take judgment for the sum of $55.00 with interest which he believes is due said plaintiff.

Court of Common Pleas, Union County, Ohio

J. W. Robinson plff. against Wm. T. Moore, Rhoda V. Moore, Leander Bozard & Winget Harshman, Defts.

The plaintiff says that on the 17th day of April 1883 the defendants Wm. F. Moore & his wife Rhoda A. Moore executed to plaintiff their mortgage deed conveying to him & his heirs & assigns in fee simple the 50 acres of land in survey No. 9940 in Marion County Ohio described as follows to wit. Beginning at a stone at the root of an oak North West corner of said Survey thence with the Westerly line of said Survey S. 6° E 101½ poles to a stone corner to the Barth land thence with the North line of the Barth lot N. 84 E 78 5/10 poles to a stake & stone thence N. 6 W. 101½ poles to a stone in the North line of said Survey thence with the survey line S. 84 W. 78 5/10 poles to the beginning containing 50 acres more or less.

Said mortgage was duly recorded May 19 1883 in vol. 20 page 205 as required by law = said mortgage contained a condition of defeysance & said Defendants Wm. F. Moore should pay to plaintiff his note of even date therewith for the sum of Eleven hundred & sixty dollars due April 1-1887 with interest thereon from April 1st 1883 at 8 per cent. payable annually from April 1, 1883 = The defendants have not paid anything on said principal or interest except $43.75/100 which he paid about April 1, 1885 by making 35 rods of open ditch at $1.25/100 per rod to apply on said mortgage & there is due on said mortgage the sum of $92 20/100 with interest from April 1st 1884 & a like sum of $92 80/100 with interest from April 1st 1885 & a like sum will be due April 1st 1886 less said $43.75/100 to be deducted therefrom & there will be $160. due as principal the first of April 1887 = The defendants have neglected to pay the taxes on said land until there is near two hundred dollars of a tax lien on said lands.

The said defendants have since said mortgage was executed & recorded rented said land to Leander Bozart defendant but he has no rights as against said plaintiffs claim on said land & the said Ranget Harryman obtained a Judgt. for $86.50/100 & costs Dec. 12-1884 of which he filed a transcript with the clerk of this court since Dec. 12 1884 against W. F. Moore which is a lien thereon also Richard H. Robson also claims a judgt. lien on said land subject to the said plaintiffs mortgage.

The plaintiff says the said land is not of sufficient value to pay the costs & the taxes thereon & the amount of said mortgage & for that reason it is necessary that the court appoint a Receiver to take charge of said land & apply the rent thereof to the payment of said claims.

Therefor plaintiff prays that all of said claimants be made defendants, That a receiver be appointed to take charge of said premises pending this suit. That a decree for sale of said premises be had to satisfy plaintiff said claim & for other proper relief.

A copy of said note is attached, marked "Exhibit A", and made a part hereof.

II. The defendant, W. S. Johnson, on the said 22nd day of May A.D. 1885. to secure the payment of said note,

The defendant answers to the amended petition of plaintiff, filed June 4th 1886, and says 1st That he denies each and every allegation, contained in said amended petition.

2nd — For second ground of defense defendant says, that he was on said 22nd day of June 1885 the duly elected, qualified, and acting Marshal of the Incorporated Village of Richwood in said county of Union.

That in the night season of said 22nd day of June 1885, to-wit: about the hour of 9 P.M., he while acting as such marshal found the defendant in a state of intoxication within the incorporated limits of said village, and found the said defendant, then and there disorderly and creating a great disturbance, and annoying the citizens of said village by his intoxication and disorderly conduct, in violation of the laws of this state as well as the legal ordinances of said village. By Nellie Roney, Deputy.

Pleas before His Honor, John A. Price, Judge of a Court of Common Pleas, begun and held at the Court House, in the town of Marysville, within and for the county of Union, of the Third Subdivision, of the Tenth Judicial District of the State of Ohio, on the 25th day of October, in the year of our Lord, one thousand eight hundred and eighty six. Heretofore, to-wit, on the 28th day of Aug. A.D. 1886, the following Petition was filed with the Clerk of said Court, to-wit:

James H. Robinson, Executor of the will of Robert Poling, decd. vs Richard Wells and others Defts

Court of Common Pleas, Union County Ohio.

Petition.

Petition No. 5156

The plaintiff says That Robert Poling late of Union County Ohio died seized of a farm in said County containing about 142½ acres known as the Roger Poling farm. That prior to his death he executed his will which after his death was duly probated & the plaintiff was duly qualified as the executor of the same under the Order of the Probate Court of said County & remains such executor.

A copy of said will so probated is hereto attached & by its terms it gives to Noah Poling during his life & at his death to his heirs 52½ acres off of the South West end of said farm & the balance to his widow during her life and her death requires said executor to sell & convey said balance of said farm & pay the annual interest to his six daughters hereinafter named during their lives & at their deaths to pay the principal to their heirs at law.

The said widow has died having failed to pay all the taxes & pike and Ditch assessments thereon & D. Bates holds the tax title thereto which is invalid except that it may give some rights as a lien on said land.

The plaintiff believing it to be his duty & his right to sell said land has sold the same & all the living daughters aforesaid are satisfied therewith, to-wit: Eliza Clarissa & Roana & so far as the plaintiff is aware all the others interested therein are satisfied, but some question exists as to the right of plaintiff to make a good conveyance.

The plaintiff says the names of said six daughters are as follows, viz, Eliza (married to Thomas Bancroft) Clarissa (married to James Moody), Roana (married to John S. Hildebrand all of Union County Ohio & which have joined in executing a deed to said purchaser & are all living & have children as follows. Eliza has one child viz ——

Bancroft now of age & has joined in said deed. Clarissa Moody has the following children viz. Mary Catharine married to Albert Barnes of said County of Union - Martha Eliza Moody aged 15 years May 1886. Elizabeth Ann Moody aged 12 years June 1886. Joseph Moody aged 11 years December 1886 and Laura Moody aged 7 years Dec 1886 all living with their mother. Roana Hildebrand has the following children viz. Alvin R. Hildebrand aged 18 years 2 mos & Minerva J. Hildebrand aged 12 years last June - That the fourth daughter of said Roger Poling was Barbara, who married — Lot and died leaving one daughter Samantha of age and living at Fort Madison & State of Iowa & married to W. B. Douglas who have joing in executing a deed conveying all of her interest in said estate to R. L. Woodburn who ratifies said sale.

That the fifth of said daughters is Lucinda married to — Westlake & died leaving the following children whose place of residence plaintiff is unable to give viz. Adelade who married Eleg. Neighbor & died leaving two children whose names plaintiff cannot give - Jefferson Westlake of the state of Iowa Martha married to George Smith, and Henderson Westlake & Mary married to Abe Hunt but plaintiff is not able to give the name or residence of either.

The sixth daughter aforesaid was Caroline who married Levi Wells & died leaving the following children viz. Annice Wells married to Lot Richard Wells Jane Wells married to Frank Duncan & Clinton Wells and there may be other children of said three deceased daughters but plaintiff has been unable to ascertain the fact but he believes these are all.

The said farm is so shapen that it is practically difficult to cut off the 32½ acres of Noah Poling at the S.W. end of said farm without stopping before reaching the north side of the place as it would make a very narrow strip at that point & plaintiff says it is plain to him that the description when properly understood was that that many acres off of the first purchase of land on that farm & he made the sale of said balance with that interpretation which also is satisfaction to said Noah Poling & is for the advantage of all the parties concerned.

The plaintiff files this petition to obtain a decree declaring his right to convey the complete title to said land including the contingent interest of the children of said daughters & to have the said share of Noah Poling run off & the balance of said land surveyed & deliverd & the plaintiff authorized to convey said balance to Elizabeth P. Nash according to the terms of said contract & for other proper relief.

Pleas before His Honor, John A. Heretofore, to-wit, on the 25th day of October A. D. 1886. The following Petition was filed with the Clerk of said Court, to-wit:

Petition. The State of Connecticut, Plaintiff.
vs
No. 5175 Richard H. White and Elias Johnson, Defendants.

The State of Ohio, Marion County, Court of Common Pleas.
Petition.

And now comes the plaintiff, and for cause of action herein against the said defendants, says: that heretofore, to-wit, on the 7th day of May 1884, the said defendant, Richard H. White, executed and delivered to plaintiff his promissory note for the sum of Two Thousand Dollars payable five years after date with interest at the rate of eight per cent per annum, after due, payable semi-annually. The interest on said note to maturity was represented by ten coupon notes attached to said note for Two Thousand Dollars, the first for $35.00 due August 1st 1884 eight for the sum of $ 70.00 each due respectively on the first days of February & August 1885, 1886, 1887, and 1888, and one for $105.00 due the 7th day of May, 1889; that said note for Two Thousand contained a stipulation, that if any of the coupon notes attached to said note as aforesaid should not be paid when they respectively should become due, that then and in that case, the said note of $2000.00 should become due and payable, together with all arrearages of interest thereon at the option of the holder thereof.
That to secure the payment of the said note and coupons the Richard H. White executed and delivered to plaintiff his mortgage deed of that date and thereby conveyed to plaintiff in fee simple the following real estate, situated in the County of Marion, in the State of Ohio, and bounded and described as follows: Part of Virginia Military Survey number seven thousand and nine (7009): Beginning at a Stone in

place of an ash and Lynn) north west corner to E. E. Barry's land in the Story Point Gravel Road; thence with the westerly line of said land, north seventy three and ½ (73½) degrees East, one hundred and forty three and ½ (143½) poles to a stake in the west line of John Street's land; thence with said line north seventeen and ½ (17½) degrees west eighty two (82) poles to a stake in the line of Elias Kyle's land; thence with said line of Elias Kyle, and the line of Joseph H. Rodgers' land south seventy four and ½ (74½) degrees west one hundred and five and 72/100 (105-72/100) poles to a stake, corner to Joseph H. Rodgers land; thence with a line of said land south to the centre of the present channel of Fulton creek; thence up said channel to the centre of said Story point Gravel Road; thence with the centre of said road, south to the southwest corner of lands conveyed by Henry Wotline to Mary Ricky on the 31st day of August 1868; thence south to a stake in the east line of the lands conveyed by Phillip Plummer to Abraham Taylor October 6th 1841; thence with said line north twelve and ¾ (12¾) degrees west to a stone (in the place of a buckeye and white beech) north east corner to said land; thence with the north line of said lands south eighty three ½ (83½) degrees west seventy six (76) poles to a stone in place of a sugar tree and beech north west corner to said lands; thence with the west line of the same south fourteen (14) degrees east sixty four and 30/100 (64.30) poles to a stone, corner to Elias and Julia Johnsons lands; thence with their north line north eighty three and ½ (83½) degrees east seventy four and 20/100 (74.20) poles to a stone in the east line of said lands conveyed by Philip Plummer to Abraham Taylor; thence with said line south twelve and ¾ (12¾) degrees east nineteen and 70/100 (19.70) poles to the place of beginning, containing ninety eight and one half (98½) acres more or less.

Said plaintiff says that said mortgage deed had a condition therein written to the effect that if the said Richard H. White should well and truly pay or cause to be paid said note of $2000.00 and the interest thereon represented by the said coupons attached to said note when they respectively should become due, then said mortgage deed should be void, otherwise to be and remain in full force and virtue in law forever; that said mortgage deed was deposited with the Recorder of Union County, Ohio, for record on the 8th day of May 1884 at 7 o'clock P.M. and was afterwards recorded in record of Mortgages Vol. 19 on page 476.

Plaintiff further says that the coupons falling due on the 1st days of February and August 1886, each being for the sum of $70.00 and bearing eight per

cent after maturity payable semiannually, have not been paid, and by reason of the default in the payment of the said coupons the said plaintiff demands the payment of the said note of Two Thousand Dollars and all the accrued interest thereon.

Plaintiff further says that there is now due the said sum of Two Thousand Dollars with seven per cent. interest thereon from the 1st. day of August 1886 and $70.00 with 8 per cent interest thereon payable semiannually from 1st day of February 1886, and $70.00 with eight per cent interest thereon from the 1st day of August 1886, and that the said mortgage deed has become absolute and subject to foreclosure.

Plaintiff further says that the said Elias Johnson claims a lien on said premises, but the nature and amount thereof plaintiff is unable to state and plaintiff prays that said Elias Johnson may be made a party defendant hereto and be required to fully state any claim that he may have which is a lien on the said premises.

Wherefore said plaintiff prays that, unless the said Richard H. White pay or cause to be paid to plaintiff said sums so due as aforesaid within a short day to be named by the Court, and to the Clerk of this Court the costs herein, that an order issue to the sheriff of Union County, Ohio, commanding him to have said premises appraised, advertised and sold according to law and that he bring the proceeds into Court to await further order, and for all other and proper relief. vs
Richard H. White. } This day this cause came on to be heard upon the petition of the plaintiff, the defendants, though duly served with summons, having failed to answer, demur or otherwise object to the petition of the plaintiff filed herein, but made default and this cause was submitted to the Court on said petition and the evidence.

On consideration whereof and the Court being fully advised in the premises finds that the allegations of the said petition are true: That by reason of the non-payment of the interest coupons falling due on the 1st days of February and August 1886, the principal note of $2000.00 became due by plaintiff making a demand for the payment of the same, and that there is now due and owing to plaintiff, interest being calculated to the 1st day of the present term, the sum of $177.22 which should bear interest from the 1st day of this term at 8 per cent.

It is therefore considered, adjudged and decreed that, unless the defendant Richard H. White pay or cause to be paid to the plaintiff the said sum so found

due as aforsaid together with 8 per. cent. interest thereon from the 1st day of this Term of Court and to the Clerk of the Court the costs herein, within 5 days from the entry of this decree that an order issue to the Sheriff commanding him to cause said premises to be appraised, advertised, and sold, according to law and that he bring the proceeds into Court to await its further order.

1/7 part of said premises. To James B. Gamble 1/7 part of said premises.

Whereas in truth and in fact, neither Clarinda Guy, Sophia Baughman, John Gamble, Robert Gamble Jr., Calvin Gamble, or James B. Gamble own any portion of said premises or has any interest therein.

3. This defendant George W. Gamble at and before the commencement of this action was, and still is, the absolute owner in fee simple of the undivided 6/7 part of said premises.

4. The writ of partition, in violation of the order of partition, only requires the sheriff and commissioners to make partition of 6/7 of said premises, that is to say, Clarinda Guy according to the order of partition owns 1/7 part, but she and her share, are omitted from said writ.

5. Amended Petition.

To the Court of Common Pleas.
Amended petition.

No. 4538

The said Clara Moffit now comes and for her amended petition says: That on or about the day of 1864 one Anise Gamble a married woman departed this life intestate seized in fee of the lands hereinafter described, to-wit: Situate in the County of Union and State of Ohio. Being part of Survey No. 4065 and 5502. Beginning in the line of Survey No. 5502 and 33 feet South from the center of the C.C.C. & I. Railroad. Thence S. 71 W parallel with the said Railroad to a stake in the line of a lot of land sold by A. J. Irwin to Joseph K. Richey. Thence S. 11 E. 45 poles to a stake in the Bethard Road. Thence with said road N. 79 E 94½ poles to a stake corner to a lot of land sold by S. Mather to Robert Gamble sr. Thence N. 9 W. 22 poles. Thence N. 14½ W. 94 poles to the Beginning containing 68 acres except five acres on the S. E. corner deeded by A & M. Doby to Timothy Doby. The said Anise Gamble left the following children her only heirs at law and legal representatives to whom said lands descended subject to the life estate of Robert Gamble sr. husband relict of said Anise, to-wit, Lucy A. Rodgers, Clarinda Guy Sophia Boughman her daughters and John Gamble Robert Gamble Jr. Calvin Gamble and James Gamble her sons.

The said Lucy A. Gamble intermarried with Benjamin Rodgers and oh or about the 2 day of May 1883 departed this life intestate leaving her husband Benjamin Rodgers surviving her and the following named children her only heirs at law and legal representatives to-wit this plaintiff, Dora Rodgers Ella Rodgers, Delpha O. Rodgers her daughters, James Rodgers, George Rodgers and Aaron Rodgers her sons.

After the death of said Lucy A. Rodgers, to-wit; about the - day of 1884 the said Robert Gamble who had possession of said lands by his estate in courtesy died and the said life estate thereby terminated.

This plaintiff says that she has a legal estate in and is seized in fee simple of the undivided one forty ninth part of said lands and said Dora Rodgers.

James Rodgers, George Rodgers, Ella Rodgers, Aaron Rodgers and Delphia O. Rodgers are each seized in fee simple of a one undivided forty ninth part of said lands.

The said Clarinda Guy, Sophia Baughman John Gamble, Robert Gamble Jr. Calvin Gamble and James D. Gamble children of said Anise Gamble whose their interests are conveyed as hereinafter to be named are each entitled to one seventh part of said premises.

The plaintiff says that she is informed that after the death of said Anise Gamble and prior to the death of said Robert Gamble sr. the last named children of said Anise conveyed by deeds of quit claim to said Robert Gamble Sr. But this plaintiff does not know whether any valid deeds have been passed and she makes said Children of Anise Gamble defendants that they may set forth their interest if any they have.

This plaintiff further says that said George Gamble claims to have a deed of said lands subject to the interest of the children and heirs of said Lucy Rodgers but this plaintiff says that she is informed and believes and therefore upon her information and belief says that said deed from said Robert Gamble Sr. to said George Gamble was without consideration and was never delivered to said George Gamble in the lifetime of said granter but was kept by him until his death and that after his death it was found among his papers and said George Gamble obtained the possession of it and caused it to be placed upon record and that in fact said deed did not pass any title from the said Robert Gamble sr. to said George Gamble.

The said Robert Gamble Sr. died intestate and the parties herein named are his only heirs. This plaintiff says that after the said Robert Gamble sr. obtained deeds of quit claim from his children as herein named he rented said premises to James Guy for a period of five years, and this plaintiff does not know whether said lease is valid as against the heirs of said Robert Gamble Sr. and said Anise Gamble, other than the children of said Lucy but that the same has no effect upon said Lucys portion of said estate. That Edward H. Porter is the duly appointed and qualified administrator of Robert Gamble Sr. The plaintiff says that said George Gamble is a son of said Robert Gamble Sr. by a second marriage and that the said Robert Gamble, sr. left relict of his second marriage his widow Carrie Gamble.

The plaintiff says that said Carrie Gamble widow of said Robert Gamble Sr. joined in a deed with her said husband to George Gamble but the plaintiff

is now informed that said Carrie Gamble at the time she so joined in said deed was a minor under the age of eighteen years and that she claims dower as said widow in the undivided six sevenths of said premises and she is made a party defendant that her rights may be determined.

The plaintiff asks that a full and ample hearing may be had hereon and the rights of all parties may be found and determined and that upon such hearing that the portion of said plaintiff may be set off and assigned to her and that partition of said lands may be made and if division by metes and bounds cannot be made that said lands may be sold and the plaintiff have her portion of the proceeds in money and for all such orders decrees and judgments may be made and rendered and such relief granted as the equity of the case may require.

Answer

Clara Moffit, Plff
vs
James D. Gamble, et als, Defendants.

To the Court of Common Pleas of Union County, Ohio.

Answer.

The defendant James Guy now comes and for his answer to the plaintiffs Amended petition says that on the 25 day of February A.D. 1884 he entered into an agreement in writing with the said Robert Gamble Sr. whereby said Robert Gamble Sr. agreed to and did lease unto this defendant the lands in this petition described together with certain other lands of said Robert Gamble Sr. said lease to commence April 1-1884 and continue for five years The consideration for which was $1500.00 to be paid as follows $200.00 in hand which was then paid leaving

No: 4558

$1300.00 for which notes were executed as follows, one note of $ 233.33⅓ due Dec 1-1884 - one note $100.00 due June 1-1885 one note of $ 133.33⅓ due Dec 1-1885 one note $100.00 due June 1. 1886 one note of $ 133.33⅓ due Dec. 1-1886, one note $150.00 due June 1-1887 one note $150.00 due Dec. 1-1887, one note $150.00 due June 1-1888, one note of $150.00 due Dec 1-1888, all of which notes were executed and delivered unto said Robert Gamble deceased, and the same are now in the hands of said E.H. Porter as administrator of said estate.

The said parties further provided in said written lease that said article should be in full force in law providing always that said James Guy of the second part shall have full and peacable possession for the full term of five years. But should he be dispeed at the end of the third year, he was to have said lands free of rent &c.

The said James Guy says that he paid said two hundred Dollar cash payment at the date of said lease, and that he took possession of said lands and entered upon his term. But he says, that he had not been in the possession of said lands but a few months until suits were brought to dispossess him of said lands that one Dora Rodgers brought suit to recover the remaining portion of said lands covered by said lease, and this suit was brought for partition that said Dora Rodgers suit was tried in Court and caused this defendant a great deal of trouble and annoyance and prevented him from having peacable & quiet possession and in this suit the 63 acres is put in jeopardy and this defendant is disquieted. That he has had no peace since he entered upon said lands and has been harassed by litigation and expense and has been unable to make any arrangements for the future or to make business arrangements suitable to carrying on his farming on said lands.

This defendant says that he has now sowed on said lands about 8 acres of growing wheat but that he is ready if his notes are delivered up to him to yield the possession of said lands retaining his interest in said growing wheat and surrendering his claim to said $200.00 advanced.

That by the terms of his lease he should have said lands free of rent but that he is willing to yield the possession on the above terms and that having been constantly harassed by litigation since his entry on said lands the covenants of quiet enjoyment have been broken. This defendant therefore asks for an order of the Court requiring the said Administrator to deliver up said notes to him and that said lease be canceled

and this defendants rights to the growing wheat saved to him and for all proper relief. Deft.

Now comes George Gamble a minor by his guardian ad litem John L. Porter heretofore appointed and for answer to the Amended petition of the plaintiff says That he is the owner of the undivided six sevenths of said land. That he is not able to deny the allegations in said amended petition as to the lease of James Guy but as to his rights in regard to the same he puts himself upon the protection of the Court. Afterward, on the 12th day of Nov. A. D. 1885 the following Entry was made on the Journal by the Clerk of said Court, to-wit:

Entry. Clara Moffitt
vs
No. 4538 James D. Gamble et als

This day came the parties by their Attorneys and submitted this cause to the court upon the pleadings and evidence. On consideration whereof the Court finds, That the lease mentioned in the Answer of James Guy and the claim for dower mentioned in the answer of Carrie Gamble (now intermarried with Parmeter) in no-wise effect the portions of the heirs of Lucy Rodgers in said lands. But that the said plaintiff Clara Moffitt, Dora Rodgers Ella Rodgers Delpha A. Rodgers, James Rodgers George Rogers and Aaron Rodgers are each seized in fee simple clear of all claims of the one undivided Forty ninth part of said lands in the petition described.
The Court further find that the said Robert Gamble se. after executing the lease mentioned in the answer of James Guy conveyed the remaining portion of said lands

to George Gamble who is seized in fee simple of the six sevenths of said lands.

The Court find that the fact stated in the answer of James Guy are true and that the terms of his lease as to quiet enjoyment have been broken and that upon surrendering up said lease and his claims to the $200.00 already said he is entitled to have the said notes executed by him and now in the hands of said Edward N. Porter, Administrator delivered up to him and cancelled.

The Court further finds that said Carrie Gamble has filed her answer claiming dower but waiving the right to have it set off by metes and bounds and asking that if said lands are sold they be sold free of dower and her rights whatever they may be asserted in the distribution.

Therefore the court at this time makes no finding as to said dower claim but leaves the same open for settlement on distribution.

It is therefore ordered and adjudged by the Court that the lease of said James Guy be and the same is hereby cancelled and the said Edward N. Porter Administrator is ordered to deliver up to said James Guy the said notes executed in consideration of said lease, and that when said wheat which is now growing upon the said lands is harvested said Guy have the usual tenants share.

It is further ordered and adjudged that partition of said lands be made, to the said children of Lucy A. Rodgers each 1/7 part thereof and to said George Gamble 4/7 part thereof (that the part sett of to said George Gamble if said lands are divided be subject to whatever claim of dower if any the said Carrie Gamble may hereafter make appear)

and that an order issue to the sheriff of said county commanding him that by the oaths of Berry Hannawalt Elias Thomas and E. G. Severn three judicious disinterested freeholders of the vicinity who are hereby appointed commissioners for that purpose he cause to be ~~sett~~ set off and divided to the plaintiff - and the other children of said Lucy A. Rodgers and the said George Gamble the ~~parts and~~ parts and proportions of the said lands to which they are hereinbefore severally found entitled.

and it is further ordered that if in the opinion of said commissioners said premises can not be divided by metes and bounds without injury to the value thereof they appraise the same free of the claim of dower of said Carrie Gamble. And of his proceedings herein the said sheriff is ordered to make due return without unnecessary delay.

Afterward on the 12th day of Nov. A.D. 1885 the following Writ of Partition was issued by the Clerk of said Court, to wit:

Motion.

Now comes George Gamble and moves the Court to set aside the appraisement and sale of the sixty three acre tract of land in this case, because the same was appraised and sold much to low, and that the sale of the same at $35.00 per acre was almost a sacrifice of his interest therein, he owning six-sevenths of the entire tract.

No. 4538

This day this cause came on further to be heard as to the distribution of the proceeds of said sale; and the court find that of the proceeds of said sale that George Gamble is entitled to six seventhes (6/7) part thereof after paying said taxes, and costs to-wit; $363.49 of the down payment and the 6/7 part of the notes for the defered payments.

The Court further finds that the deed to said George Gamble for said tract of land was a gift deed from his father Robert Gamble Sr. deed and was without consideration other than blood and affection, and that said Robert Gamble Sr. was largely in debt when he executed said gift deed and consequently said land together with other gift deeds of said Robert Gamble is liable for the debts of the estate of said Robert Gamble Sr. which existed at the time of the execution of said deeds; and it appearing by the certificate of the Probate Court that the probable indebtedness of the estate of said Robert Gamble Sr. deceased, together with the expenses of administration, is as nearly as can now be ascertained the sum of $1209.61. It is therefore ordered that this interest of said George Gamble in the down payment, and the securities for the defered payments to the amount in all to said sum of $1209.61 be paid over to E. W. Porter as administrator of the estate of said Robert Gamble sr. deed. It is further ordered that said administrator after paying the expenses administration up to this time and the proportion of the said tract of land, on the expenses of the last sickness of said Robert Gamble Sr. retain the balance of said $1209.61 until the lower case of Carrie Gamble vs Emma Gamble & others is disposed of and for that purpose this cause is continued.

Answer
No. 5016

Ans. & Cross Pet. of Rachel Huffman.

Now comes the defendant Rachel Huffman and files this her answer and cross petition and says=
That on the 30 day of September A.D. 1882 she conveyed to John P. Bailey, and Released, in lot No. 47 in the Village of Unionville, on 58 feet front and the same width through to the Alley being the East part of said lot bounded on the East by P. Waddix lot No. 146 and on the front Street (being the same lot described in plaintiffs petition) (see Book 55 page 122 Union County O. Deed Records) 2nd. This defendant says that the only consideration she ever received from said Jno. P. Bailey for said lot was the promise to keep her comfortably during her natural life, to care and provide for her in sickness and in health and to give her decent burial at her death, and this was the consideration upon which she conveyed said property to him, and upon no other, although the deed upon its face passes the title to him in fee unconditionally. This defendant says that said Jno. P. Bailey immediately after the making of

said deed took full possession of said property and all the rents issues and profits arising therefrom and held the same until his death. That Frakes as he had agreed to do took this defendant into his family and has ever since until his death maintained and cared for her in an acceptable manner, and since his recent death she is residing with his family.

This defendant says that while she has resided in said John P. Bailey's family she has rendered services to said Bailey and family equal in value to all they have done for her by way of care & support or otherwise. That now said Bailey has deceased leaving a large family and a small estate heavily encumbered, it will be impossible for them to carry out said Bailey's contract and keep her, and she therefore prays the court that said deed be set aside as null and void for failure of consideration, and said lot be decreed to her and said Administrator be ordered to convey same back to her by a good and sufficient deed. so that she may hold the title as she did before she conveyed it to said Bailey. This defendant asks the full protection of the court in the premises and a restoration to her of her property.

Sarah P. Wood, Plaintiff. } State of Ohio, Union County, ss. In the Court of Common Pleas. Answer & Cross Petition.
vs.
John A. Phillips and other Defendants. } No. 5090

Now comes Irvil Swartz one of the defendants in this case and for his answer and cross-petition says: First That he denies that said plaintiff Sarah P. Wood has any interest whatever in the lands in the petition described. This defendant also denies that either the said John A. Phillips Jane E. Moore, W. A. Moore, Isabella Converse or Austin Z. Converse have either of them any estate or interest whatever in the premises in the petition described. This defendant denies that the interest of either of said defendants are properly stated in said petition. This defendant denies that the said plaintiff is entitled to partition of said lands and denies that she has any estate therein.

Second Defense and cross petition. For further defense and by way of Cross petition this defendant says: That prior to the year A.D. 1842 one Daniel Swartz grand father of this defendant owned said lands. That he made his will in the month of February 1842 and therein devised said lands to his wife Suzannah Swartz for life with remainders over to his two sons Henry and Joseph each one half thereof in fee after the termination of said life estate. Said Daniel Swartz died during the year 1842 and his said will was duly admitted to probate and record and his said widow elected to and did take under said will and she possessed said lands until her death which took place March 18th 1886. After the death of Daniel Swartz to-wit about the year 1845 said Henry Swartz died intestate leaving a widow Rebecca now intermarried with James Gabriel said Henry left no child or children but left his brothers and sisters surviving him as follows: Mary Ann his sister and John Jacob and Joseph his brothers who were his sole heirs and legal representatives and inherited his half of said lands. Afterwards the said Mary Ann died intestate leaving no child or children but leaving the said John Jacob and Joseph her sole heirs and legal representatives to whom her interest in said lands descended

in equal parts. After the death of said Mary Ann the said John Swartz died intestate leaving two children, towit: Flora and Mary who were his only heirs and legal representatives. The said Flora Swartz afterwards intermarried with one James Haggart and on or about the 26th day of August 1878 departed this life intestate leaving her husband surviving her and one child Thomas Haggart her sole heir and legal representative which child is now living and about 10 years of age and resident of Union County. The said Mary intermarried with one John Brane and on or about the 22nd day of July 1884 died intestate leaving her husband John Brane surviving her and Elmer, William and Alice Brane her three children her only heirs and legal representatives all of whom are residents of Yuma County and are under the age of 14 years. After the death of John Swartz towit; on the 22nd day of January 1869 the said Jacob Swartz died intestate leaving this defendant his sole heir and legal representative.

This defendant says that on the 29th day of May 1866 the said Joseph Swartz made his last will in the words and figures following towit: In the name of the Benevolent Father of All. I Joseph Swartz of Richwood Union County Ohio do make and publish this my last will and testament. It is my will that all my just debts and charges be paid out of my estate. Item 2- I give and devise all the residue of my estate personal and real to my wife Mary A. Swartz to be hers and her heirs forever. Item 3rd. It is my will that my wife Mary A. Swartz shall have all my interest in the farm upon which my mother now lives to which I may be entitled upon the death of my mother to be hers my wifes and her heirs forever. Item 4, I appoint and make the same Mary A. Swartz my wife executrix of this my last will and testament. In testimony whereof I have hereunto set my hand and seal this 29th day of May 1866. Joseph Swartz [Seal]

There was no other or farther provision in said will but the same was attested and properly certified. The said Joseph Swartz died on or about the 5th day of June 1866 and his will was admitted to probate and record on the 20th day of June 1866.

At the time of making said will and at the time of his death and the probate of said will the said Joseph Swartz had no child yet born to him. After the probate of said will to-wit on the 21st day of July 1866, the said Mary A. widow of said Joseph Swartz was delivered of a child which was begotten by said Joseph Swartz in his life time and which child was named Alice Gertrude and lived until the 6th day of October 1881 when she died unmarried and intestate. The said Mary A. Swartz died on or about the 8th day of June 1871 having previously executed a will by the terms of which she attempted to devise said lands to said Alice her child. The said Alice was the only child born to said Joseph Swartz and she was born after his death. This defendant says that there was no provision in said will of Joseph Swartz for said child Alice nor had any provision been made for her by settlement and no mention was made

in said will and to make provison for her. This defendant says that upon the birth of said child said will of Joseph Swartz was revoked and wholly annulled by operation of law and said lands descended to said child Alice the same as if will had been made. That upon her birth the said Alice inherited said lands from her father the said Joseph Swartz. That upon the death of said Alice without issue said lands went by the laws of descent to the legal representatives of the brothers and sisters of said Joseph Swartz. That by reason thereof and by reason of his previous inheritance as herein set forth this defendant has now a legal estate in and is seized in fee simple of the undivided one half of said land. The said Thomas Huggart is seized in fee simple of the undivided one fourth of said lands.

The said William Crane Elmer Crane and Alice Crane are each seized in fee simple of the undivided one twelfth of said lands and they are tenants in common with this defendant in said lands. This defendant denies that either the said John Crane James Huggart or Rebecca Gabriel have any interest in said lands. This defendant desires to hold his interest in said land in severalty. This defendant therefore prays that full and ample hearing may be had herein and that the estate and interest of all parties may be determined as herein set forth and that partition of said lands may be made in the parts and proportions herein named. and for all such other and further relief as to the court may seem meet.

Separate Answer & Cross Petition

Now comes Rebecca S. Gabriel one of the defendants by leave of the Court and for her separate answer herein to the petition of her co-defendant Isrille Swartz plaintiff and the cross-petition herein filed, says. On the 4th day of April 1843 said Rebecca S. Gabriel intermarried with

ne Henry Swartz. On the 30th day of November 1845 said Henry Swartz died leaving an infant child surviving him to which said land descended, & having been seized during said coverture of an estate of inheritance in the undivided one half of the land described in plaintiffs petition, said child of Henry Swartz died in infancy at the age of 7 months 25 days. Plaintiff is now the wife of James Gabriel and up to her marriage was from the death of said Henry Swartz, said Henry Swartz's widow. Said undivided one half whereof her said husband Henry Swartz was seized as aforesaid is now claimed by plaintiff and the codefendants of this respondent under title derived from said Henry Swartz by descent. Rebecca S. Gabriel is entitled to Dower in said undivided one half of said land described in plaintiffs petition, and she asks that her said right of Dower may be protected in whatever order is made by the Court in the premises. And if it is found by the Court that said land cannot be divided and either the plaintiff or said Ferille Swartz cross petitioner is entitled to an order of sale of said premises in partition, she on her part consents, her right to Dower disputed by said cross petitioner, being first settled, to the sale of said premises prayed for in plaintiffs and said cross petition in this cause, and waives the assignment of Dower in said premises to her, by metes and bounds or in rents and profits, and asks the Court to allow her, in lieu of said Dower, such sum of money out of the proceeds as the Court may deem to be the reasonable value of her interest in said premises. But if said land is not ordered to be sold in partition in this cause, she asks that her dower may be assigned to her therein and for such other and further relief as is equitable and proper. P. B. Sarah P. Wood, Plaintiff.

Common Pleas, Marion County.
Answer.

Now comes Rebecca S. Gabriel defendant and by leave of Court files this her amended Answer & cross-petition. She says, on the 27th day of April A.D. 1843. She intermarried with one Henry Swartz. On the 30th day of November A.D. 1845 said Henry Swartz died intestate leaving surviving him an infant son, offspring of said marriage, which son died on March 25th 1846 and having been seized during said coverture of an estate of inheritance in the undivided one half of the land in plaintiffs petition described. This defendant remained the widow of said Henry Swartz until May 28th 1847 when she intermarried with James Gabriel whose wife she now is. The said land is now claimed by her co-defendants & plaintiff by descent from said Henry Swartz. Rebecca S. Gabriel this defendant is entitled to Dower in said undivided one half of said land.

Further answering she says that the said Henry Swartz left at his decease but a small amount of personal property less than $200 in value & wholly inadequate in amount to cover the amount she would be entitled to as a years allowance of his widow for support of herself and infant child and nearly all of it was such as she was entitled to have set off to her under the statute. And he left no real estate but that above described. That his said interest in land was a vested remainder in fee by devise subject to a life estate in his mother Susannah Swartz who lived until March 1886. That said vested remainder could not have been sold except at a great sacrafice, and for an insufficient amount to satisfy her just claims as such widow at that time. That no administrator was ever appointed for said Henry Swartz's estate, and the same has never been settled. That she has never received any of the allowances to which she was & is entitled as such widow.

That but for her forbearance aforesaid to push said interest to sale her co defendants could not now have any interest they claim in said undivided half of said land pertaining to Henry Swartz.

And that now she has an equitable interest in said lands, by reason of above facts, which she asks may be protected in any order made by the court and that her said lien & interest therein may be preserved to her. The delays in pushing her claim were necessary owing to the small value of the property at date of Henry Swartz's death. It was necessary to delay until Susannah Swartz death in order that the said interest in land might be sold without sacrifice. And a administration was not sooner advisable on that account. Said Rebecca S. Gabriel further prays that her right of Dower above stated may be protected in whatever order is made by the court. And that her equitable lien for her dues as widow of Henry Swartz may be protected.

And that her dower may be assigned to her in said premises

+ for such other and further relief as may be equitable in the premises.

No. 5090 } This cause having been heretofore consolidated with the case of Rebecca S. Gabriel vs Isril Swartz et al as No. 5087. was this day submitted to the Court upon the pleadings of the parties. On consideration whereof the court being fully advised in the premises do find that the said Isril Swartz is seized in fee simple of the undivided one half of the lands in the petition described.
The said William Brane is seized in fee simple of the undivided one twelfth part of said premises. The said Elmer Brane is seized

in fee simple of the undivided one twelfth part of said premises.
The said Alice Braue is seized in fee simple of the undivided one twelfth part of said premises. The said Thomas Huggart is seized in fee simple of the undivided one fourth part of said premises.
The court finds that all the defendants have had due and legal notice of the pendency and demand of the crop petition of said Iril Swartz.
The court finds that said Iril Swartz is entitled to have partition of said lands as prayed for in his crop petition and that none of the other plaintiffs or defendants have any estate or interest in said lands except as herein stated and that neither the said Rebecca S. Gabriel or Eliza Swartz have any right of dower in said lands.
It is therefore ordered adjudged and decreed that partition of said estate be made in favor of all parties in interest and W. H. Bankright, James Cutler and S. J. Williams three judicious and disinterested freeholders of the vicinity are hereby appointed commissioners to make the same. And it is ordered that a writ of partition issue to the Sheriff of Union County commanding him that by the oaths of the commissioners above named he cause to be set off and divided to each of the above named parties the part and proportion of said estate to which they are severally above found entitled. In Foreclosure

This cause now coming on for hearing on the petition of the plaintiffs F.S. Giddings and others and the evidence,

the court find that the defendants J.J. Miller and Nancy J. Miller have been duly served with Summons in this case and that they are in default for answer and demurrer and that the allegations of the petition of F.S. Giddings et al are by the said defendants confessed to be true and that there is due the plaintiffs F.S. Giddings et al from the defendant J.J. Miller on the three first notes in the petition described as principal the sum of one thousand and twenty six Dollars ($1026.00) and as interest on the five notes in the petition described up to Oct. 1st 1885 three years at 6% payable annually the sum of three hundred sixty two and 28/100 Dollars ($362 28/100) making sum due October 1st 1885 thirteen hundred eighty eight and 28/100 Dollars ($1388.28) The court further find that in order to secure the payment of said notes the defendants J.J. Miller and Nancy J. Miller his wife executed and delivered to said plaintiffs as Smith Giddings & Co. their certain mortgage as in the petition described and on the premises therein described. That said mortgage was duly recorded in Book No. 18 on page 528 of the record of Mortgages of said Union County and is a good and valid lien on the premises in the petition described and that the conditions in said mortgage have been broken. It is therefore considered by the court that the said plaintiffs Smith Giddings and Co. recover from the defendant J.J. Miller the said sum of thirteen hundred eighty eight and 28/100 Dollars ($1388 28/100) with int. from October 1st 1885 and their costs herein expended taxed to $ _____ And it is further adjudged and decreed that unless the defendant J.J. Miller shall within ten days from the entry of this decree pay or cause to be paid to the clerk of this court the costs in this case and to the plaintiffs herein the sum so found due as aforesaid with interest from October 1st 1885. the defendants equity of redemption be foreclosed and said premises be sold and that an order of sale issue therefor to the Sheriff of Union County directing him to appraise advertise and sell said premises as upon execution and report his proceedings to this court for further order.

This day this cause came on to be heard upon the petition of the said plaintiff and the evidence, and the said defendants J.J. Miller and Nancy J. Miller to said plaintiff the sum of eighty six and 25/100 Dollars with six per. cent interest thereon from October 19th 1885.

The Court further find that said plaintiff has a valid lien on the premises in said petition described by virtue of the judgment therein set forth. It is therefore considered ordered and decreed by the Court that an order issue to the sheriff of Union County, Ohio, commanding him to appraise, advertise and sell said premises, as upon execution and bring the proceeds into court for further order herein

That said Abraham Saylor by his last will duly Executed, probated, and recorded in the Probate Court in said county of Union, devised said lands to his wife Mary Saylor who survived him during her natural life. That said Abraham Saylor died leaving the following children and Heirs at law, and who took said estate in fee, subject to said life estate of Mary Saylor namely= John Saylor, Samuel B. Saylor, George Saylor, Jeremiah Saylor, Scott Saylor, Moses Saylor, Aaron Saylor, sons, and Martha Saylor, Clara L. Clem, and the plaintiff Julia Johnson his daughters. That the defendant on the 14th day of October A.D. 1875 purchased and obtained a deed from said Mary Saylor for her life estate in said premises, and also since purchased the shares and interest in said real-estate of the said Moses and Aaron Saylor and of Martha Saylor and Clara L. Clem, And the said Elias Johnson purchased the shares and interest in said estate of the said John Saylor, Samuel B. The defendant on his purchase of said life estate, to wit, on said 14th day of October A.D. 1875. took immediate and full possession of said seventy-six acres of land, and continued in possession of the same up to the — day of October A.D. 1882.

That when defendant took possession of said premises and ever since he took possession has continuously committed waste on the same. That when he took possession, a large amount of valuable green, and standing timber was on said land, nearly all of which has been cut down, removed off the land, sold and disposed of by the defendant. Plaintiffs have therefore been injured and damaged in their share of said estate in the amount of nine hundred dollars. 2nd The plaintiffs further say that the said Mary Saylor died on the 26 day of February A.D. 1882, and on said last named date, said life estate of Mary Saylor owned by the defendant, terminated, and since the termination of said life estate defendant has pastured a large number of horses and cattle on said premises to wit: twelve head of horses and about eighteen head of cattle, making Thirty head in all. Defendant pastured the same for six months during said time, which pasturage was worth in all Two hundred and twenty five dollars. The plaintiffs share of the same, three fifths, owing by defendant is $135.00. 3rd That since the death of said Mary Saylor defendant has mown from said place about Thirty three tons of clover hay, worth Five dollars a ton, and of the value in all of $165.00, and converted the same to his own use. Three fifths of which belongs to plaintiff and is worth $99 Partition of said premises was made by order of court at the October Term 1882, giving to the plaintiffs together sixtenths of the land and to the defendant four-tenths of the same. Plaintiffs are entitled to judgment by reason of the premises in the sum of $1.134 Plaintiffs therefore ask judgment against defendant for said sum of $1.134, their damage so as aforesaid sustained. Amended Petition.

The plaintiff by leave of the court amends his petition heretofore filed in this case, and strikes out without prejudice to a new action in her favor the name of his wife Julia Johnson, and the plaintiff says that about the year 1863, one Abraham Saylor late of said county of Union died seized in fee-simple of the following real-estate to-wit: situate in the county of Union and State of Ohio, part of Survey No. 7089 beginning at a buckeye and water beach in the line of L. Robertson, and also M. E. corner to said tract: thence with said Robertson's line S. 72 W. 76 poles to a sugar tree and beech: thence S. 18 E. 161 poles to a beech; thence N. 75° 23' E. 72 poles to an iron-wood and hickory sapling; thence N. 10° 30' W. 164 poles to the beginning containing 78 acres more or less. That said Abraham Saylor by his last will duly executed probated, and recorded in the Probate Court in said county of Union, devised said lands to his wife Mary Saylor who survived him during her natural life. That said Abraham Saylor died leaving the following children and heirs-at-law and who took said estate in fee, subject to said life-estate of Mary Saylor namely: John Saylor, Samuel B. Saylor, George Saylor, Jeremiah Saylor, Scott Saylor, Moses Saylor, Aaron Saylor, sons, and Martha Saylor,

Clara L. Clem, and Julia Johnson, wife of plaintiff, his daughtees.

That the defendant on the 14th day of October A.D. 1875 purchased and obtained a deed from said Mary Taylor for her life estate in said premises, and also since purchased the shares and interest in said real estate of the said Moses and Aaron Taylor and of Martha Taylor and Clara L. Clem.

And the said plaintiff, Elias Johnson, purchased the shares and interest in said estate of the said John Taylor, Samuel K. Taylor, George Taylor, Jeremiah Taylor and Scott Taylor. The plaintiff made said purchases prior to said 14th day of October A.D. 1875, so that the plaintiff became the owner of one undivided one-half part and the defendant of fourteenths of said premises, the said Julia Johnson owning the other one-tenth part of the same. That said Mary Taylor died on the 26th day of February 1882 and on her death the life estate of defendant under his said purchase terminated. The defendant on his purchase of said life estate, to wit: on said 14th day of October A.D. 1875, took immediate and full possession of said seventy six acres of land, and continued in possession of the same up to the 12 day of October A.D. 1882. That when defendant took possession of said premises, and ever since he took possession, has continuously committed waste on the same. That when he took possession, a large amount of valuable, green, and standing timber was on said land, nearly all of which has been cut down, removed off the land, sold and disposed of by the defendant. Defendant while in possession of said life estate, sold and removed, and caused to be removed, valuable timber from the land for rail-road ties, staves, and cooper-stuff, ash-butts, hickory butts, elm butts, saw-logs, lumber, rails, removing fences, fire wood &c off said land and all without the consent of plaintiff — To the damage of plaintiff in the sum of six hundred dollars. 2nd Defendant pastured a large number of horses and cattle on said premises, and said stock was kept there during the winter season and tramped the premises thus greatly injuring the same, so that by reason of said waste, in the injury of said stock and the destruction of the timber, the plaintiff has been greatly injured in his estate, and the land rendered less valuable to the amount of Fifteen Hundred Dollars. Plaintiff has therefore been injured and damaged in his share of said estate by reason of this last injury, to-wit, said tramping by stock in the amount of One Hundred and Fifty Dollars.

Partition of said premises was made by order of the Court at the October term 1882, giving to the plaintiff one half of the land, and to the defendant Four tenths of the same. Plaintiff is entitled to judgment by reason of the premises in the sum of Seven Hundred and Fifty Dollars. Plaintiff therefore asks judgment against defendant for said sum of $750.00 his damage as aforesaid sustained.

Answer.

answer.

Now comes the said Richard A. White, defendant and for his answer to the petition of said plaintiff says: That he denies each and every allegation and averment in said amended petition charging this defendant with wasting or damaging said premises and denies that he has committed any waste or damage to said premises whatever.

2nd Defense. That the alleged waste did not occur within four years from the filing of the Petition in this case and the same is barred by the Statute of limitations. 3rd Defense. Further answering and by way of explanation this defendant says that when he took possession of said premises under said life estate said premises were greatly reduced and run down, the fields had been planted with exhaustive crop & grains for successive years without renewing or fertilizing. The soil was exhausted. The fences ruinous, the buildings dilapidated and run down. The land of little value for any purpose. That standing and lying scattered over the fields were partly decayed logs and trees, with tangled brush wood and grubs and brier growing along the fences. That the defendant after he took possession of said land, began to improve the same. and to renew the land by seeding to grass and clover and by spreading manure and general improvement of the soil. That the defendant removed the dwarfed timber from the fields & put the buildings and fences in repair so that by the time the plaintiff got the same it was in much better condition and of much greater value than when defendant got it. The defendant did take off some timber but the same was used to pay for sawing or buying lumber to repair fences and for improvements on said farm. The defendant says that at the time said farm was divided by partition it had been so improved by the defendant as to be worth at least seven dollars more per acre on account of its improved condition than it was when defendant took the possession thereof. That said improvements were made with the full knowledge and acquiescence of the plaintiff. Wherefore the defendant asks for judgment against said plaintiff in the sum of Two hundred and fifty-two Dollars and for all proper relief.

Amended Answer

No. 4127

Elias Johnson, Plaintiff.
vs
Richard H. White, Deft.

In Union County, Court of Common Pleas.
Amended Answer

The defendant for his amended answer says. First, That none of the alleged acts of waste occurred within four years prior to the time of filing the original petition in this case and all said alleged causes of action are barred by the Statute of limitation. Second This defendant denies each and every allegation in said petition charging this defendant with waste or damage to said premises. Third This defendant having an interest in the fee of said lands did remove some timber but the same was an improvement to said lands and when partition was made that part of said lands from which said timber had been removed was set off to this defendant and the defendant did not receive any more land by reason of the timber being removed from the same. Fourth At the time of said partition the said plaintiff in his pleading claimed an account for waste but the court refused to allow the same and the judgment and action of the court in that behalf is unreversed and still in full force and the matters in this case have been thereby in said partition suit adjudicated. Fifth. That the timber removed by this defendant from said land was done by this defendant in good faith in improving the land and the same was an improvement and not a damage, so that no waste accrued or damage was done to said land. Sixth The defendant being a tenant in common in the fee of said land, for the interest of said estate improved said lands by repairing buildings and fences, clearing away logs and taking off underbrush and decayed trees and by enriching and renewing the land, so that at the time of said partition the whole of said estate was worth at least seven dollars more per acre by reason of the said Defendant's improvements, and at the time of said partition no account was taken of said improvements and the plaintiff received the benefit of them without payment therefor and this defendant made no claim for improvement because the court refused to allow any claim to be made by the defendant for waste or damage. Seventh This defendant says that as the tenant in common in said lands he made improvements on the same to the amount of six hundred dollars and that no account was taken of the same in said partition suit; and this defendant says that he is entitled to an account for the value of said improvement that the plaintiff received the benefit of the same which this defendant says was of the value to said defendant the sum of four hundred dollars. Wherefore this defendant asks an account may be had

The directors of the Union County Insurance company on application for dissolution of its corporation. I George Heistand heretofore duly appointed as referee in this case do hereby make report that I attended at the time and place mentioned in the order of the court I attended during the entire day of June 20 1885 at the auditors office in Marysville, Union County Ohio ready able and duly qualified to hear any and all persons that might desire to be heard touching the matters mentioned in said order and that no one whatever appeared to make any objections to the dissolution of said corporation or in any manner to object to statements or prayer of said petition I attended for several days in succession subsequent to said 20" of June and no one appeared in opposition to the statement or prayer of said petition. I duly examined the applicants and the books of said corporation and I find that said petition and the several schedules thereto attached are correct and the statement therein made are true I also find that since filing said petition its said corporation collected some of its obligations. I hereto annex a schedule showing the collections made and the disbursements of said corporation since filing said petition also the amount of nominal assets and the true statement of existing liabilities not including

costs or counsel fees of this suit. In regard to the nominal costs I find that a large amount of the said assessments _____ as assets are uncollectible by process of law. I find no objection to the prayer of said petition being granted but find the objects of said corporation have failed and become wholly impractible and that it is better for all concerned that the said corporation be dissolved and a receiver be appointed to take charge of its assets and wind up its affairs.

Answer

D. S. Elliott as Admr. of Liberal Ford, Plff.
vs
D. S. Ford et als Defts.

State of Ohio, Marion County, ss.
To the Court of Common Pleas.

Answer

Now comes Lucinda Ford one of the defendants herein and for her separate answer to the plaintiffs petition says: First—That she denies the said Daniel S. Elliott is legally appointed as administrator de bonis non of said Liberal Ford and this defendant says that said Elliott is no ~~kin~~ to said Liberal Ford and is not a creditor of his estate and that his pretended appointment was without notice to the heirs and next of kin to said Liberal Ford. This defendant denies that the said Liberal Ford had any estate left either real or personal after the Administration of Samuel Waddle his executor made his final settlement and denies that the said Liberal Ford left any debts of his unpaid. ~~And denies that the said Liberal Ford left any debts of his unpaid.~~ And denies that said Liberal Ford died seized of the land in the petition described. Second and further defense. That defendant says that said Samuel Waddel was on the 22 day of January 1879 appointed by the Probate Court of said County as executor of the will of said Liberal Ford deceased and that he duly qualified and entered upon his duties as such executor and gave notice according to law for creditors to present their claims against said estate and said Waddel continued to act as such executor until the month of February 1881 when he fully settled said estate and payed all claims that was presented

against it. This defendant further says that if any claims had been left unpaid it was the fault of creditors in not presenting them and all such claims are now barred by the Statute of Limitations. For a third defense this defendant says that in the lifetime of her father the said Sideral Ford she made an agreement with him whereby she agreed to work for and take care of him and in consideration of which she was to have the land in the Petition described. That she took the possession of said lands in the lifetime of her father and made lasting and valuable improvement thereon and that she fully complied with her contract and worked for and took care of her father during the remainder of his life and that her services in that behalf was worth much more than the said lands and this defendant has ever since held and occupied said lands and paid the taxes thereon and had the sole and exclusive control of the same. The Defendant says that land was fully paid for by her in the manner aforesaid during the life of said Sideral Ford and the possession and ownership of the same transfered to her. Fourth Defense. This defendant says that not having the legal title to said lands after the death of her father and being in equity entitled to the same on the 14 dy of April 1882, she filed in this Court a petition to grant the title to said lands and have the court to decree the same to her or that she might have judgment against said Samuel Waddle as such Administrator for her labor and service aforesaid and that she made all the heirs of said Sideral Ford as well as the said Samuel Waddel as such Administrator parties to said suit. Said suit was numbered 4000, on the records of this court. The said Samuel Waddel as such administrator appeared and filed answer to said suit and a hearing was had and upon such hearing the said court made its decree in the premises after full hearing which decree is in the words and figures following. Tuesday September 26-1882 Journal No. 12

Lucinda Ford

vs

William Ford et al.

No. 4000.

This day came the said plaintiff by her attorney, and the said defendant came not, but made default. Thereupon this cause came on to be heard upon the petition of the said plaintiff and the evidence, On consideration whereof the Court do find that the said plaintiff in the lifetime of the said Sideral Ford, worked for him and for his wife and took care of them for several years before their death, and that the said Sideral Ford was largely indebted to her for said services and that in order to pay for said services in part said Sideral Ford gave to the plaintiff the lands in the petition described and that she took possession of the same in part payment for her said services, and the said Sideral Ford promised and intended to make her a deed therefore, but was by reason of his sickness and death prevented from making said deed. The Court do further find that said plaintiffs services to her father and mother were reasonably worth more than said lands and that there was good and meritorious consideration in said Sideral Ford giving her said land in part-

payment for said services. The court do further find that in consideration of said land said plaintiff made and presented no claim against said estate of Lideral Ford and that said plaintiff being now in possession of said land is entitled in equity to have her said title quieted and put at rest. It is therefor considered ordered and decreed by the court that the said plaintiff title to said lands be and the same is hereby ordered to be quieted and put at rest and that a record of these proceedings be made, forver quieting the title to said lands to the plaintiff. And said William Ford and Dora Armstrong are hereby forever bound and enjoined, from interfering with the plaintiff, or those under or through her, in her possession, and enjoyment of said premises: and by consent of the plaintiff, the said Samuel Waddle dismissed without prejudice with his cost. It is further ordered that the Plaintiff pay the cost of these proceedings taxed to $.

This defendant says that having obtained a decree in her favor for said lands and for the title thereof she caused the said Samuel Waddel to be dismiped as she did not wish a personal judgment against him as Administrator but he continued in said case up until said decree was rendered, and the rights both of said estate and of the Defendant fully settled and determined and this defendant says that all the matters in this case have been fully adjudicated in said former suit No. 4000. Further answering this defendant says, that said Lideral Ford did not leave any debts of his own unpaid and if he had any debts they were merely as security for his son Daniel S. Ford and that said Daniel S. Ford is principal and fully solvent and that all such creditors had full notice and knowledge of the suit brought by this defendant to settle the title to said lands and none of them made any objection but suffered this defendant to go on and make costs and procure a decree for said lands and to make improvements thereon and that they are now stopped from denying her title by said decree. This defendant says the interrogations hereto attached are important and wholly within the knowledge of the plaintiff and she asks that he may be required to answer the same.

Wherefore this defendant prays that said petition be dismiped and that she may go hence and recover her costs and for all proper relief.

No. 4415 The plaintiff for Reply to the answer of the Defendants says he was duly appointed by said probate court at the request of D. S. Ford, the oldest son of said Sideral Ford & at the request of the creditors of said Sideral Ford & he is the duly qualified administrator de bonis non of said estate. 2d Said plaintiff says the said Samuel Waddle was discharged as Admr. of said estate of said Sideral Ford dec'd on the day of Feby 1881 & since that time had no interest in said estate or any authority in regard thereto & all other allegations of said answer as to said Waddle are denied. 3d She said claims allowed to-wit the claims of J. In said answer & the plaintiff hath no knowledge of any answer filed by said Waddle but is informed & therefore avers that said Waddle filed his answer denying that he was then the Administrator of said estate & was dismissed from said cause on that ground - said plaintiff admits that the copy of the decree of the court is correctly given. plaintiff hath no knowledge of the pretended account of said Lucinda Ford against said estate for labor & therefore denies the same - plaintiff hath no knowledge of the allegation that said Daniel S. 2nd That Samuel Waddle was appointed executor of Sideal Ford by the last will of said Ford, and that he qualified as such on the 22 day of January 1879 and filed his final account as such executor on the 14th day of August 1880 and that said account was confirmed by the Court of Probate on the 11th day of February 1881 and said Waddle discharged as such executor. 3rd That J.W. 5th That said D. S. Elliott as such administrator has accepted the claims of the Bank of North Lewisburg and J.W. As to the law I, as said referee, would report as follows 1st That the validity of the claims accepted by said administrator as valid against the estate of Sideal Ford cannot be questioned in this proceeding, but that the same can only be done in accordance with Section 6098 of the Revised Statutes of Ohio. 2nd That as said J.W. Answer
No. 4571

Now comes the said Jane E. Hockins and for Answer to plaintiffs petition says: That she is the wife of James M. Hockins the assignor, that she signed the mortgage to the Michigan Mutual Life Insurance Company, and the mortgage to Godman & Thornhill and thereby released her inchoate right of dower in said real estate described in plaintiffs petition and that owing to said mortgage liens so created by her and her husband James M. Hockins she will be precluded from having a homestead set off to her. That the two mortgages hereinmention were the only liens created on said premises by her own act.

That she is not the owner in her own right of any real estate in fee simple and asks the Court that after the payment of the said mortgages to the Michigan Mutual Life Insurance Company, and to Godman & Thornhill she be allowed the sum of Five Hundred ($500.00) in lieu of a homestead. That the note to Philip Hawk is still unpaid and this defendant will have the whole of the same to pay. That the note to M. W. Ayers is still unpaid and that George W. Reagan is jointly liable with J. M. Hoskins on the note, but that the said George W. Reagan is a non resident of Ohio. That the note for $100. to the Bank of Richwood has been paid by this defendant. That the note to Hill Hoskins & Co. is still unpaid and there is no security on said note except this defendant. that of the said Phoebe H. Benton and of the duty and liability of said
Stephen Branston as such Administrator to pay the same so agreed by
said Phoebe H. Benton in her lifetime to be paid and that money enough
has been promised as aforesaid to meet all such liabilities on which promi-

further says that one of its important objects is to induce young men to
prepare for and enter the ministry and to encourage the same all tuition in
said Seminary is free to students and also rooms in said Building are
furnished free, and that if proper means to carry on the work of said Semin-
ary is denied said Building will be useless as a Seminary Building and
the large amount of expense incurred in furnishing the same will be
lost, and all of which was known to said Phoebe H. Benton when she made
said promise and subscription. The plaintiff says that no part of the
money promised by said Phoebe H. Benton has been paid. That on or
about the 16th day of August 1879 said Phoebe H. Benton died intestate and
on the 30th day of August 1879 said Stephen Branston was duly appointed

vs

Stephen Branston as administrator of the estate of Phoebe A. Benton Decd. Defendant

To the Court of Common Pleas of the County of Union & State of Ohio

Amended Petition.

No. 4151

The said plaintiff Daniel R. Miller says. That at the commencement of this action, he was and still is the duly elected and qualified Treasurer of the Sandusky Conference Branch Society of the Home, Frontier and Foreign Missionary Society of the Church of the United Brethren in Christ. That the said Home Frontier and Foreign Missionary Society of the Church of the United Brethren in Christ is a corporation duly incorporated for religious purposes under the laws of Ohio governing the incorporation of such societies and that it became so incorporated by compliance with said laws prior to the 20th day of May 1862. and has ever since kept up and maintained its corporate powers and organization. The said Society so incorporated includes Branch societies and by the terms of said organization and the provisions of its constitution each Branch Society selects its own Treasurer, whose duty it is to secure and disburse the funds of said Branch Society under the advice and direction of said corporation. The said corporation has for its object the promotion of the Christian religion and is supported solely by the voluntary donations contributions and subscriptions of its friends and persons interested in such work and is under the supervision of the Church of the United Brethren in Christ. The said corporation through its Sandusky Conference Branch Society was at and prior to the 10th day of August A.D. 1878 largely engaged in carrying on Christian Missionary work in Africa employing ministers and teachers and sending them to points in Africa and also building school houses and church buildings, buying books and papers and doing a general missionary work all of which was being done by the aid of voluntary

contributions and donations and the promises & agreements of persons friendly to said cause to pay money therefor all of which was well known to said Phoebe A. Benton on and prior to said 10 day of August A.D. 1878

And the said corporation then held itself out to said Phoebe A. Benton and to the public generally as able and willing to receive subscriptions, donations, and money and promises to pay money and apply the proceeds of the same to the furtherance of said missionary cause and was then receiving and did receive contributions in money and subscriptions and agreements to pay money from any and all persons desiring to aid in said work and in consideration which it took upon itself the trouble risk and labor of applying said money when paid to the purpose aforesaid all of which was then well known to said Phoebe A. Benton then in full life. The said Phoebe A. Benton on her part was for more than thirty years a member of and minister in said church and as such was greatly interested in the said corporation and took deep interest in said work and especially the said Christian Missionary work in Africa and desired to promote and encourage the same and extend and enlarge such work and increase its usefulness and encourage others to contribute to its support. The said Phoebe A. Benton was then far advanced in life and was possessed of considerable property and had no children, and then on said 10 day of August A.D. 1878 in consideration of the continuance of said work by the plaintiff and to induce others to subscribe for said purpose and well knowing the plaintiff would rely upon her agreement and promise to pay money and incur debts and obligations on the faith and credit thereof and fully intending on her part that her said promise and agreement should be sacredly kept and performed did execute and deliver to said Daniel R. Miller her agreement and promise in writing as follows to wit: To all whom it may concern I Phebe Benton of Bellepoint in the county of Delaware and State of Ohio desiring to promote the interests of Christian Missions and to induce others to subscribe and contribute money for that purpose I do hereby subscribe and agree to pay to D. R. Miller Esq. treasurer (or his successor in office) of the Sandusky Conference Branch Society of the Home Frontier and Foreign Missionary Society of the Church of the United Brethren in Christ One Thousand Dollars to be paid out of my estate one day after my death the principal to be held sacred forever and securely invested the interest to be used on order of said branch Society to establish and support Christian Missions in Africa or elsewhere when not needed in Africa. Witness my hand and seal this August 10th 1878

Executed in presence of D. R. Miller
Mary E. Benton

Phebe A. Benton Seal

The said agreement was by said Phebe A. Benton signed sealed and delivered to the said Daniel R. Miller and was by her directed to be placed among the assets of said corporation for the uses and purposes therein expressed and the same was by said plaintiff received on behalf of said corporation and duly filed entered and placed among the assets of the said corporation. That after the receipt of said agreement of subscription and upon the faith and

and credit of the same and similar promises and contributions the said corporation largely extended its said work and employed and sent missions and teachers to Africa to teach and preach the Christian religion and built school houses and church buildings and in so doing incurred large indebtedness and liability part of which remain yet wholly unpaid. The said corporation also at large expense furnished books and supplies for said missionary work and in all things on its part carried out the object and desire of said Phebe A. Benton in that behalf and it has also established a permanent endowment fund for said purpose and is still engaged in said work and is ready able and willing to fully comply with the terms of said agreement and subscription as to the investment of said money so promised to be paid. The plaintiff says that on the 26 day of August 1879 the said Phebe A. Benton died intestate and the said Stephen Branston was duly appointed and qualified as her administrator and letter of Administration in her estate were granted to him by the Probate Court of Union County Ohio on the 30 day of August 1879. And on the 26 day of November A.D. 1882 the said plaintiff duly verified said claim and presented the same to said Stephen Branston as such Administrator for payment and the same was by him rejected. The plaintiff says that the said estate of Phoebe A. Benton is solvent and wholly unsettled and the said Administrator has more than sufficient money to pay the same after all debts and expenses of said estate are paid and that no part of the said money so agreed by said Phoebe A. Benton to be paid has been paid and there is now justly due the plaintiff as such trustee therein the sum of One Thousand Dollars with interest from the 26 day of August 1879. and no offsets or counterclaims exist against the same. Wherefore the said plaintiff prays judgement against said Stephen Branston as such Administrator the said sum of One Thousand Dollars with interest from the 26 day of August 1879 and for all proper relief.
