Pleas before his Honor John A Price Judge of a Court of Common Pleas begun and held at the Court House in the Town of Marysville within and for the County of Union of the Third Sub-Division of the Tenth Judicial District of the State of Ohio on the 21st day of February in the year of our Lord one thousand eight hundred and eighty seven

Heretofore, to-wit: On the 16th day of May A.D. 1885, a Petition was filed with the Clerk of said Court which reads as follows; viz:-

Abner Said, Executor of the last will of Presley Said decd. Plaintiff

vs.

John H. Stewart, David Shuler + Edward Robinson Defendants

Court of Common Pleas, Union County, Ohio

Petition

Petition

1885

First cause of Action: On the 9th day of March 1855 one Robinson L. Broome sold to John H. Stewart one of the defendants, 89 135/160 acres (hereinafter described in this petition) and as a part of the purchase money of said land the said John H. Stewart executed and delivered to said Broome a note of that date for three hundred dollars payable in two years after date with interest at 8% per annum payable annually, to which note was added a proviso, that said note is not to become due and payable until the said John H. Stewart is satisfied that the title to the land for which the above note is given is perfect." A copy of which note and proviso and endorsements is hereto attached marked "A." The plaintiff further says that on the 11th day of January 1860, the said R. L. Broome for a valuable consideration did assign and deliver said note and mortgage to Presley Said who then became the owner thereof and continued so to own it until his death when the same passed to the plaintiff, his Executor, who as such Executor is now the owner of the same. There has been paid on said note to said Broome the two years interest which is endorsed on said note. And the plaintiff avers that said note has become due and payable to him. The said John H. Stewart has become satisfied that the title to said land is perfect. And there is due and unpaid on said note the sum of three Hundred Dollars with interest thereon at 8% per annum payable annually from March 9th 1857.

Second Cause of Action:- The plaintiff says that the defendant John H. Stewart on the 9th of March 1855 to secure the payment of said note executed and delivered to said R. L. Broome his mortgage deed and thereby conveyed to the said R. L. Broome his heirs and assigns the following lands and tenements situate in said County of Union, being part of Va. Military Survey No. 5505. Bounded and and described as follows: beginning at a stone and pieces of brick in the original east line of said Survey and N. E. corner of a lot of 89 135/160 sold by said Broome to Presley Said; thence with the N. line of said land S. 80° 24' W 149 poles to a stake his N. W. corner, and in the E. line of a lot of 63 acres part of said Survey now occupied by Wm S. Preston, then with his line and the line of a lot of 63 acres, part of said Survey now occupied by John H. Stewart N. 11° 15' W 96 77/100 poles to a white ash, fallen black ash and water beech in the original N. line of said Survey, thence with said line correcting the course thereof N. 81° 45' E 15.4/5 poles to a stake at the intersection of original lines, and in the place of a beech and sugar tree fallen and decayed; thence with the original east line of said Survey correcting the course thereof S. 80° 4' E 93 27/100 poles to the beginning, containing 89 135/160 acres more or less, and is one equal half of Broome's part of

said Nro. 5505; neither more nor less. On the 12th day of March 1855, at 1½ o' clock P. M. said mortgage was delivered to the Recorder of Union County and was entered on the Records in Book Nro. 2 page 185.

The said deed has become absolute, there is due and unpaid on said indebtedness three Hundred Dollars with interest at 8% per annum payable annually from March 9th 1857. The plaintiff therefore asks judgement against defendant John H. Stewart in said sum of Three Hundred Dollars with interest thereon at 8 per cent per annum payable annually from March 9th 1857, and that said premises may be sold and proceeds applied to the payment of said judgement.

Amended Petition

On the 26th day of March 1885 Presley Said died, leaving a will whereby he appointed plaintiff his sole Executor thereof, which will was on the 4th day of April 1885 duly admitted to probate in the Probate Court of Delaware County, Ohio; and letters testamentary were on the 4th day of April 1885 duly issued by said Court thereon to plaintiff who thereupon duly qualified and entered upon his duties as such executor.

On the 9th day of March A.D. 1855, one Robson L. Broome sold to John H. Stewart one of the defendants - 89 35/100 acres of land hereinafter described in this petition and as a part of the purchase money of said land, the said John H. Stewart executed and delivered to said Broome a note of that date for three hundred dollars payable in two years after date with interest at 8 per ct. per annum payable annually, to which note was added a proviso, that said note is not to become due and payable until the said John H. Stewart is satisfied that the title of the land for which the above note is given is perfect." A copy of which note and proviso and endorsements is herto attached marked "A."

The plaintiff further says that on the 11th day of January 1860 the said R. L. Broome for a valuable consideration did assign and deliver said note and mortgage to said Presley Said, who then became the owner thereof and continued so to own it until his death when the same passed to the plaintiff as his Executor, and plaintiff as such Executor is now the owner and holder of the same. The following is a copy of said assignment to Presley Said "I assign the within note to Presley Said without recourse January 11th 1860" Signed R. L. Broome"

There has been paid to said Broome, on said note two years interest to March 9th 1857 which is credited thereon. And the plaintiff avers that said note has become due and payable to him. The said John H. Stewart has become satisfied that the title to said land is perfect. And there is due and unpaid on said note from defendant John H. Stewart to plaintiff, the sum of Three Hundred Dollars with interest thereon at 8 per cent per annum payable annually from March 9th 1857.

Second cause of action:- The plaintiff says that the defendant John H Stewart on the 9th of March 1855, to secure the payment of said note duly

executed and delivered to the said R. L. Broome his certain mortgage deed and thereby conveyed to the said R. L. Broome, his heirs and assigns, the following lands and tenements; Situate in said County of Union, Ohio Being part of Va. Military Survey No. 5505 and bounded and described as follows: Beginning at a stone and pieces of brick in the original East-line of said Survey and North East corner of a lot of 89 135/160 acres sold by said Broome to Presley Said; thence with the north line of said land S. 80° 24' W. 149 poles to a stake his North W. corner and in the East-line of a lot of 63 acres part of said Survey now occupied by Wm S. Preston; thence with his line and line of lot of 63 acres, part of said Survey now occupied by John H. Stewart N. 11° 15' W. 96 7/10 poles to a white ash fallen black ash and water beech in the original N. line of said Survey; thence with said line correcting the course thereof N. 81° 45' E 154 1/2 poles to a stake at the intersection of original lines, and in the place of a beech and sugar tree fallen and decayed; thence with the original East-line of said Survey correcting the course thereof S. 80° 4' E. 93 27/100 poles to the beginning, Containing 89 135/160 acres more or less and is one equal one half of Broomes part of said No 5505 neither more nor less. On the 12th day of March 1855 at 3 o'clock P. M. said mortgage was delivered to the Recorder of Union County and was entered on the Records in Book No. 2 p. 161 on the 13th of March 1855. Said mortgage was conditioned as follows:- "Whereas the said John H. Stewart hath executed to the said Robson L. Broome his promissory note of even date herewith for the payment of the following sum of money at the time following to-wit:- Three Hundred Dollars on or before the 9th day of March A.D. 1857 with eight per cent interest payable annually- Said note is in part payment for the above described piece of land- now if the said John H. Stewart shall pay said sum of money to the said Robson L. Broome or his assigns when the same respectively becomes due with the interest, then these presents to be void." The defendants David Shuler and Edward Robinson have or claim some lien or interest in said premises but plaintiff avers that the same is subordinate to plaintiffs claim and plaintiff asks that they be compelled to set the same up or be forever cut-off from asserting the same. The said deed has become absolute; there is due and unpaid on said indebtedness Three Hundred Dollars with interest at 8 per cent per annum payable annually from March 9th 1857. The plaintiff therefore asks judgment against the said defendant John H. Stewart in said sum of Three Hundred Dollars with interest thereon at 8 per cent per annum payable annually from March 9th 1857, and that said premises may be sold and proceeds applied to the payment of said judgment and for such other and further relief as equity requires.

Amended Petition was filed with the Clerk of said Court, to-wit:
2nd Amended Petition
Abner Said Exr. of Presley Said decd, Pltff.
vs.
John H. Stewart, David Shuler and
Edward Robinson, Defendants

Union Common Pleas
Amended Petition.
On the 26th day of March 1885

Presley Said died, leaving a will whereby he appointed plaintiff his sole Executor thereof, which will was on the 4th day of April 1885, duly admitted to probate in the Probate Court of Delaware County Ohio, and letters testamentary were on the 4th day of April 1885, duly issued by said Court thereon to plaintiff who thereupon duly qualified and entered upon the duties as such executor

On the 9th day of March A. D. 1855, one Robson L. Broome sold to John H. Stewart one of the defendants 89 135/160 acres of land hereinafter described, and for a part of the purchase money of said land, the said John H. Stewart executed and delivered to said Broome a note of that date for Three Hundred Dollars payable in two years after date with interest at 8 per cent per annum from date payable annually, but as to payment subject to the following condition in said note, viz: "the said note is not to become due and payable until the said John H. Stewart is satisfied that the title to the land for which above note is given is perfect."

A copy of said note and condition is given in second cause of action herein. Said note was on the 11th day of January 1860, by said R. L. Broome for a valuable consideration duly assigned in writing to said Presley Said, and at the death of said Presley Said said note passed to plaintiff as his Executor of his said will, and is now held and owned by plaintiff as such Executor under and by said will. Interest to March 9th 1857 has been paid on said note. The condition contained in said note has been performed and the said note has become absolute, within the last 15 years prior to commencement of this action

There were reasonable doubts about the perfection of the title arising from rumors and reports of objections thereto (the nature of which plaintiff is ignorant of, or what they were founded on) and from imperfections of the Auditors and Recorders Records of this said County, the defendant John H. Stewart has better means than plaintiff of knowing and knows what his objections to the title were and what they were founded on

But said John H. Stewart has become satisfied that the title to said land is perfect and that it was perfect at the date of said purchase thereof by him, And plaintiff avers that he became so satisfied in or about November A. D. 1881, and thereupon said note became due and payable. There is due and unpaid on said note the sum of three Hundred Dollars with interest thereon at 8 per cent per annum payable annually from March 9th 1857.

The plaintiff further says that at the time of delivering the said note in the above 1st cause of action described and of which the following is a copy, to-wit:

"$300- Two years after date for value received I promise to pay R. L. Broome"
"or bearer three hundred dollars with eight per cent interest annually until "
"paid (the said note is not to become due or payable until the said John H "
"Stewart is satisfied that the title to the land for which the above note is "
"given is perfect." (signed) "John H. Stewart."

And to secure the payment of the same the defendant John H. Stewart duly executed and delivered to said R. L. Broome his mortgage deed conveying the following premises: being part of Va. Military Survey No 5505 beginning at a stone and pieces of crock in the original East line of said Survey and North East corner of a lot of 89 135/160 acres sold by said Broome to

Presley Said, thence with N. line of Saids S. 80. 24" 149 poles to a stake his N. W. corner, and in the East line of a lot of 63 acres part of said Survey formerly occupied by Wm S. Robson thence with his line and the East line of a lot of 63 acres part of said Survey occupied by John Stewart N. 11° 15" W 96 7/100 poles to a white ash fallen black and water beech in the original North line of said Survey, thence with said line correcting the course thereof N. 81°45" E. 154 1/2 poles to a stake at the intersection of original lines in the place of a beech and sugar tree fallen and decayed, thence with the original East line of said Survey correcting the course thereof S. 8° W 93 27/100 poles to the beginning containing 89 135/160 acres more or less and is one equal half of Broomes part of said Survey No. 5505 whether more or less. Said mortgage was conditioned "that whereas the said John H Stewart hath executed to the said Robson L. Broome his promissory note of even date herewith for the following sum of money at the time following, to-wit:- Three Hundred Dollars, on or before the 9th day of March A.D. 1857, with eight per cent interest payable annually said note is in part payment for the above described piece of land - now if the said John H. Stewart shall pay said sum of money to the said Robson L. Broome or his assigns when the same respectively becomes due with the interest then these presents to be void otherwise to remain in full force". But said mortgage was in fact intended and given to secure said note subject to its condition.

The defendants David Shuler and Edward Robinson have or claim some lien or interest in said premises but plaintiff avers that the same is subordinate to plaintiffs claim and plaintiff asks that they be compelled to set the same up or be forever cut off from asserting the same.

The condition in said note has been performed - It was performed on Nov. 1881 and said Stewart has become satisfied of the perfectness of said title. He became so satisfied within 15 years of the commencement of this suit and on or about Nov. 1881, and the said note has become absolute. Said mortgage was filed for record in the Recorders Office of Union County, Ohio at 3 o'clock P. M. March 12th 1855 and duly recorded March 13th 1855 in Book 2 page 161 of his Records. The said deed has become absolute; there is due and unpaid on said indebtedness Three Hundred Dollars with interest at 8 per cent payable annually thereon from March 9th 1857. The plaintiff therefore asks judgment against the said defendant John H. Stewart in said sum of Three Hundred Dollars with interest at 8 per cent per annum payable annually from March 9th 1857, and that said premises may be sold and proceeds applied to the payment of said judgment, and for such other and further relief as equity requires.

This day this cause came on to be heard on the motion filed by the defendant-John H. Stewart May 19th 1886, to strike from plaintiffs petition certain redundant and irrelevant matter. On consideration whereof the Court doth sustain said motion as to the matter mentioned under (3rd) third and sixth (6th) ground thereof and doth overrule said motion as to the fifth, first, second, fourth and seventh grounds thereof to which decision & judgment of said Court in overruling said motion as to said 1st 2nd, 4th, 5th and 7th grounds thereof the said defendant-John H. Abner Sand, Executor of
Presley Sand dec'd, Plaintiff
vs.
John H. Stewart, David Shuler & Edward Robinson, Defendants

State of Ohio, Union County, ss.
Court of Common Pleas.
Amended Petition

4835

Now comes the plaintiff and by leave of this Court files this his amended petition and says:-
On the 26th day of March A. D. 1885 Presley Sand died leaving a will whereby he appointed plaintiff sole executor thereof. Said will was on the 4th day of April A. D. 1885, duly admitted to probate in the Probate Court of Delaware County, Ohio and on said 4th day of April letters testamentary were duly issued thereon by said Probate Court to plaintiff who thereupon duly qualified and entered upon his duties as such Executor.

Plaintiff further says: On the 9th day of March A. D. 1855, one Robson L. Broome sold and conveyed to said John H. Stewart defendant herein by deed with covenants of general warranty 89 133/160 acres of land hereinafter described and the said John H. Stewart then executed to said Robson L. Broome and delivered to him his certain promissory note of said date for a part of the purchase money of said land, to-wit: for the sum of Three Hundred Dollars payable in two years after date with interest at 8 per cent per annum payable annually from date, but as to payment said note was subject to the following conditions therein stated viz:- "the said note is not to become due and payable until the said John H. Stewart is satisfied that the title to the land for which the above note is given is perfect." Said note was on the 11th day of January 1860 for a valuable consideration duly assigned in writing to said Presley Sand by said Robson L. Broome, and at the death of said Presley Sand said note passed to plaintiff who now holds and owns the same as such Executor under and by virtue of said will.

Interest to March 9th 1857 has been paid on said note.

The condition in said note has been performed. There were reasonable doubts of the perfectness of said title arising from the discription in the earlier conveyances thereof being indefinite and uncertain when unaided by reference to a deed for other land which latter deed was unrecorded and could not be found; and from claims that part of the title remained in a former owner, one Ann Price, and from the conveyance of said land under a void order of Court which conveyance being unauthorized but of record in this County operated as a Cloud on said title, and from other reasons unknown to plaintiff. And in consequence thereof said Stewart remained, and had good grounds to be satisfied of the perfectness of said title until about Nov. 1881 when by special investigation all said doubts being removed said Stewart became satisfied therewith and said note then became absolute, due and payable. There is due and unpaid on said note the sum of Three Hundred Dollars with interest thereon at 8 per cent payable annually from March 9th 1857, and interest on said annual installments of interest from the dates on which they severally became payable, for which plaintiff asks judgment.

Second cause of Action: Plaintiff says that on March 9th 1857, at the time of delivering the said note in his first cause of action above described and to secure the payment of the same of which note the following is a copy, to-wit:

" $300. Two years after date for value received I promise to pay R. L. "

" said John H. Stewart is satisfied that the title to the land for which "
" the above note is given is perfect. "
" March 9th 1857. (Signed) John H. Stewart "

the said defendant John H. Stewart executed and delivered to said R. L. Broome his mortgage deed conveying the following premises: being part of Military Survey No 5505, beginning at a stone and pieces of rock in the original E. line of said Survey and N. E. corner of a lot of 89 135/160 acres sold by said Broome to Presley Said, thence with North line of Said 880. 24, 144 poles to a stake his N. W. corner and in the East line 63 acres part of said Survey formerly occupied by W. S Rawlstone, thence with his line and the East line of a lot of 63 Acres part of said Survey occupied by John Stewart N. 11- 15- W. 96 77/100 poles to a white ash fallen black and water beech in the original north line of said Survey, thence with said line correcting the course thereof N. 81 45- E. 154 1/2 poles to a stake at the intersection of original lines in the place of a beech and sugar tree fallen and decayed, thence with the original East line of said Survey correcting the course thereof S. 8° 93 27/100 poles to the beginning, Containing 89 135/160 acres more or less and is one equal half of Broomes part of said Survey No 55-05- whether more or less. Said mortgage was conditioned "that whereas the said John H. Stewart hath executed to said Robson L. Broome his promissory note of even date herewith for the following sum of money at the time following to-wit:- Three Hundred Dollars on or before the 9th of March 1857 with eight per cent interest payable annually Said note was part payment for the above described land, now if the said John H. Stewart shall pay said sum of money to the said Robson L. Broome or his assigns when respectively becomes due with the interest, then these presents to be void, otherwise to remain in full force.

The defendant David Shuler and Edward Robinson have or claim to have or claim some interest or lien on said premises but plaintiff avers that the same is subordinate to the said claim of plaintiff. Said mortgage was filed for record in the Recorders Office of said County of Union Ohio at 3 o'clock P. M. on the 12 day of March 185-5 and was duly recorded March 13" 185-5, in Book 2 page 161 of his records. The said deed has become absolute there is due and unpaid on said indebtedness Three Hundred Dollars with interest at 8 per cent thereon payable annually from March 9th 185-7.

The condition in said note was performed and said note became absolute due and payable about Nov. 1881, and said mortgage thereon became absolute. There were reasonable doubts of the perfectness of said title arising from the descriptions in the earlier conveyances thereof being indefinite and uncertain when unaided by a reference to a deed for other land, - which latter deed was unrecorded and could not be found: and from claims that part of the title remained in a former owner, one Ann Price and from a conveyance of said land under a void order of Court, which conveyance being unauthorized but of record in this County operated as as a cloud on said title and from other reasons unknown to plaintiff. And in consequence of said doubts and objections said Stewart remained remained and had good grounds to be unsatisfied of the perfectness of said title until about Nov. 1881, when by investigations which he had continued with diligence from the date of said deed to have all said doubts and uncertainty as to his title were removed and the perfectness of said title ascertained and he became satisfied therewith, of its perfectness, as provided and conditioned in said note. And the plaintiff therefore asks judgment against the said defendant John H. Stewart in said sum of Three Hundred Dollars with interest thereon at 8 per cent payable annually from March 9" 185-7 and interest on each annual installment of said interest from the time it fell due. And that said premises may be sold and the proceeds applied to the payment of said judgment and for such other and further relief as may be proper and equitable

Court of Common Pleas, Union Co. Ohio
Motion to make Plaintiffs 3rd Amended Petition more definite and certain.

1st Motion =

Now comes the defendant John H. Stewart and moves the Court to require the plaintiff to make his first cause of action

in his said 3rd Amended petition more definite and certain in this, to wit:-

2nd: That if said title was not perfect he be required to so state.
3rd: That he be required to state if said title was not perfect in 1855; when it became perfect, if it ever did become perfect.
4th: That he be required to set out what was the consideration for the assignment of said note in the petition mentioned to said Presley Said, as the same was over due when assigned.
5th: That he set out a copy of said note or attach a copy to said petition and to said first cause of action.

9th: That he set out when and by whom and how said condition was performed, and what facts constituted such performance.
10th: That he set out what were the "reasonable doubts" of the perfection of said title, and what facts existed that cast doubt on the title.
11th: That he set out whether the "description" in the earlier conveyance are good or bad, whether such conveyance conveyed the title or did not. whether Ann Price was the owner and had title to all or part of the land on March 9th 1855 and whether on March 9th 1855 the "word order of the Court" mentioned in said 6th cause of action affected said title, and whether it made said title imperfect in law and in fact.
12th: That he state on what facts and condition of things "special investigation" discovered which removed, as he alleges Stewarts doubts and on which he "became satisfied."
13th: That he set out what means of knowledge said Stewart had that plaintiff did and does not have, and which he says are reasons unknown to him and how said "unknown reasons" satisfied Stewart.
14th: That he state on what facts he bases his allegation that Stewart became satisfied and that said note became due in Nov. 1881 and not in March 1859.
15th: That he state the specific date when and the specific circumstances and facts showing when Stewart became satisfied that said title was perfect when the land was acquired by Stewart and showing when said note became due.
16th: That he state how he knew that Stewart was not satisfied that said title was perfect on March 9th 1859, and that Stewart was not in law bound and presumed to be satisfied thereof on March 9th 1859.

2nd Motion.

And said defendant John H. Stewart further moves the Court to require the plaintiff to make his second cause of action in his said 3rd amended petition more definite and certain in this:-
1st: That he state when and how said mortgage deed became absolute.

4th That he state when and how said pretended and alleged "condition" was performed, and what fact or facts constituted such performance and that he state the facts definately and specifically and that he fix the precise date when said condition of said mortgage was broken and when said note became due, if it has ever become due.
5th: That he state what reasonable doubts there were of the perfectness of said title - what facts made the doubts and what facts made the doubts reasonable. That he inform the Court and opposite counsel what gave rise to the doubts, so that they can judge whether they were reasonable or not: That he state whether the "earlier conveyance" he mentions were so indefinite and uncertain in their description as to avoid such conveyance.
6. That he state whether Robson L. Broome, when he conveyed the said land to said Stewart had and conveyed a good complete and perfect title to said land: and whether the unauthorized conveyance mentioned by plaintiff was in the chain of title to said land, and whether such unauthorized conveyance was good or bad.
7th That he state what the grounds were on which Stewart "had good grounds" to be dissatisfied: and what facts were discovered by investigation which removed all doubts as to the perfection of said title and when those investigations were made.

Heretofore, to-wit, on the 8th day of January A.D. 1887, a Petition was filed with the Clerk of said Court which reads as follows, viz:-

The Union Central Life Insurance Co. Plaintiff

vs.

Henry N. Amrine, Sarah E. Amrine, Abraham M. Amrine, Ora Amrine, Roney & Scott, Rachel J. Reaney Executrix of the last will and testament of Cornelia A. Taylor dec'd and D. W. Ayers, Defendants.

State of Ohio,
Union County,
Court of Common Pleas.

Petition

5234

Now comes the Union Central Life Insurance Company, plaintiff herein, and says that it is a corporation duly incorporated under the laws of the State of Ohio, as a Life Insurance company, and for a first cause of action against Henry N. Amrine and Sarah E. Amrine defendants, says:

I. That said Henry N. Amrine duly executed and delivered to it his promissory note, of which the following is a copy:-

$3000.00 Marysville, Ohio. January 17th 1884

One year after date, for value received, I promise to pay to the order of the Union Central Life Insurance Company, of Cincinnati, Ohio three thousand dollars ($3000.00), with interest at the rate of seven per cent per annum from date until paid, payable annually on January 1st of each year, excepting the last installment, which shall be due and payable with the principal. The principal and interest to be paid at the Home Office of said Company in Cincinnati, Ohio. Interest coupons are herewith attached, numbered one, and with this principal note are secured by a Mortgage Deed dated January 17th 1884.

The plaintiff is now the owner and holder of said note and there is due thereupon from said Henry N. Amrine to plaintiff, the sum of $3.000.00 with interest from January 17th 1885.

Coterminously with the execution and delivery of said note said Henry N. Amrine and Sarah E. Amrine, his wife, duly conveyed to plaintiff to secure the payment of said note their duly executed mortgage on the following described real estate, situate in the County of Union, State of Ohio, bounded and described as follows to-wit:- Part of Virginia Military Survey No. 5390, and bounded described as follows: beginning at a stone in the South line of said survey 5390, and south west corner to Mary M. Newlove's land: thence with said survey line S. 82 degrees W. 115 and 33/100 poles to a stone south west corner to a lot of land containing 7 acres conveyed by N. S. Lee to Henry N. Amrine January 21st 1879; thence with the west line of said lot of land N. 9 degrees W. 62 7/100 poles to a stone corner to said lot in the center of a road: thence with the center of said road N. 83 1/2 degrees E. 26 90/100 poles to a stone corner to a lot of land containing 20 acres conveyed by Martha E. Bennett to Henry N. Amrine January 11th 1879:

thence with the west line of said lot N. 7½ degrees W. 83½ poles to a stone north west corner to said lot in the south line of the Elijah Wolford farm; thence with the south line of said farm and continuing with the line of Addison Lee's land N 82 degrees E. 88 9/100 poles to a stone at the north-west corner of said Mary M Newlove's land; thence with the west line of said land S 7½ degrees E. 146 poles to the beginning containing ninety-one (91) acres. Said conveyance was conditioned, nevertheless, that if said Henry N. Amrine should duly pay at its maturity according to its tenor and effect, said note with all the installments of interest thereupon, then said conveyance was to be void; otherwise to be in full force. Plaintiff says that said condition has been broken, by the non-payment of interest since January 17th 1885: that said Sarah E. Amrine, wife of said Henry N. Amrine, joined with her husband in said mortgage and duly released her right of dower in said premises. said mortgage was duly filed for record with the Recorder of said County, on January 19th, 1884; and became and now is a subsisting first-lien on the real estate therein described, and is recorded in Vol 19 page 274 in Records of Mortgages of said county. The plaintiff says that said Abraham Van Amrine Ora Amrine, Roney & Scott, Rachel J. Reaney as Executor of the estate of Cornelia A. Taylor dec'd. and D. W. Ayers have some interest or lien upon said real estate the true nature of which, the plaintiff does not know.

2. Second cause of action:- For a second cause of action against Henry N. Amrine, defendant, the plaintiff says that there is due to it from said Henry N. Amrine, the sum of $150.30 with interest from December 9th 1884 upon his promissory note, of which the following is a copy:-

" $150.30 December 9, 1884 "

" On December 15th 1885 for value received, I promise to pay to "
" the order of the Union Central Life Insurance Company, $150.30 without "
" discount or defalcation, at their office at Cincinnati, O, being the "
" premium on Policy No. 285-17 in said company, bearing date Dec. "
" 17th 1883, said Policy including all conditions therein for surrender "
" shall without notice to any party or parties interested therein be "
" null and void on the failure to pay this note at maturity. In case "
" this note is not paid at maturity, the full amount of premium "
" shall be considered earned and payable without receiving the Policy "
"

H. N. Amrine

which sum plaintiff claims with interest as aforesaid.

3. Third Cause of Action:- For third cause of action against Henry N. Amrine, defendant the plaintiff says that there is due to it from said Henry N. Amrine the sum of $150.30 with interest from December 9 1886 upon his promissory note, a copy of which is as follows:

" $150.30 Marysville Ohio December 9th 1884 "

" On December 15, 1886 for value received, I promise to pay to the "
" order of the Union Central Life Insurance Company one hundred "
" and fifty and 30/100 dollars, without discount or defalcation, at their "
" office Cincinnati Ohio, being the premium on Policy No 285-17 in "
" said Company, bearing date December 17, 1883 said Policy including "
" all conditions therein for surrender shall without notice to any party "
" or parties interested therein be null and void on the failure to pay "
" this note at maturity. In case this note is not paid at maturity, the "
"

"full amount of premiums shall be considered earned, and payable without"
"receiving the Policy. Henry N. Amrine "
Which sum plaintiff claims with interest as aforesaid.

Wherefore plaintiff prays that the persons hereinbefore mentioned as having interest upon the real estate hereinbefore described, may be made parties to this action and required to set forth their several claims or interest that said sum of $3.000 with interest from January 17th 1885, be found to be due plaintiff from defendant, Henry N. Amrine; that the liens upon the real estate herein described, may be marshalled and priorities determined; that the equity of redemption of these defendants be foreclosed; that said real estate be sold as upon an execution and that first, out of the proceeds of said sale, after payment of costs and taxes, that said sum of $3.000 with interest from January 17th 1885 be paid to this plaintiff. Plaintiff also prays upon its its second and third cause of action for judgement against Henry N. Amrine in the sum of $300.60 with interest as follows: $150.30 with interest from December 15th 1885 and $150.30 with interest from December 15th 1886, and for all further relief necessary and proper in the premises.

The Union Central Life Insurance Co. vs. Henry H. Amrine, et. al. } In Union Common Pleas, Ohio.

Now comes the plaintiff by its attorneys and the defendants being in default for answer and demurrer, the Court find that the allegations of the petition are confessed by them to be true, and that said Henry H. Amrine is indebted to plaintiff on the notes set forth in plaintiffs petition in the sum of $3767 86/100.

It is therefore considered by the Court that the said plaintiff, the Union Central Life Insurance Company, recover from the said defendant Henry H. Amrine, the said sum of $3767 86/100 with interest on $3454 86/100 thereof at 7% from Feby 21st 1887, and interest on $313 00/100 thereof at 6% from Feby 21st 1887 and his costs herein expended. The Court further find that in order to secure the payment of the note set forth in plaintiffs first cause of action, the defendants Henry H. Amrine and Sarah E. Amrine his wife executed and delivered to said Union Central Life Insurance Company, the plaintiff their certain mortgage as in the petition described and on the premises therein described that said mortgage was duly recorded in Book 19 page 274 in the Records of mortgages of said Union County, Ohio, and is a first and valid lien on the premises described in the petition and that the conditions of said mortgage have been broken.

It is therefore adjudged and decreed that unless the defendant Henry H. Amrine shall within one day from the entry of this decree pay, or cause to be paid to the Clerk of this Court the costs of this case and to the plaintiff herein the sum so found due as aforesaid with interest as aforesaid, the defendants equity of redemption be

foreclosed, and said premises be sold; and that an order of sale issue therefor to the Sheriff of said County of Union, directing him to appraise advertise and sell said premises as upon execution and report his proceedings to this Court for further order.

Petition for Partition

4812

The plaintiffs say they are under the guardianship, as idiotic persons, of Jason S. Chapman duly appointed guardian of their persons and estate by the Probate Court of Union County, Ohio, who represents that Joseph H. Chapman now dec'd died seized of one hundred acres of land in said County of Union described as follows, to-wit: part of survey No. 14639 in said County: Beginning at a white ash in N. West corner of the Survey, thence S. 10 W. 86½ poles to a stake thence N. 79° E 184 poles to two small black ashes, thence N. 10 W. 86½ poles to a stake, thence S. 79 W. 184 poles to the beginning containing 100 acres more or less being the N. ½ of 200 acres deeded to Elias Johns by Allen Latham May 25th 1885 and recorded Dec. 17th 1883 Vol 50 page 191 of which 2/5 th quit claime to Jason S. Chapman.

The plaintiffs say that said Joseph H. Chapman left Sarah Whitby since married to William Whitby as his widow entitled to dower in said lands. Also left five children his sole heirs at law entitled to said land subject to said dower to-wit: John W. Chapman, Jason S. Chapman, Julia A Chapman aged about 30 years Raymoth H. Chapman aged about 28 years and Mary J. Chapman aged about 24 years the latter three of whom are idiotic and live with their mother aforesaid on said land. That said widow had no interest in said lands except her dower but she bought of said John W. Chapman his ⅕ and obtained his deed therefor, and the said Jason S. Chapman obtained a deed from her for two fifths being the share of said John H and Jason S. Chapman of said land but so far as it relates to the share of said Jason S. Chapman said deed was without any consideration and was a mistake so far as she was concerned and as she believes and has always claimed was a mistake so far as said Jason S. Chapman was concerned. Said Jason made a deed for said two shares of said John W. and Jason S. Chapman to said Wm Whitby who gave a mortgage to said Jason S Chapman for the purchase money money which mortgage notes plaintiffs are informed and believe are held by Henry Page and Anthony Middlesworth and the said Jason S. Chapman had previous to said conveyance to said Whitby given a mortgage on his share of said land which plaintiff avers one George Harriman holds and owns: The said plaintiff says he as the guardian of said wards has paid the taxes on the land and

had said Whitby put in crops on said land and keep said weeds and there is now a crop of wheat growing thereon in which he as guardian aforesaid has laid lords share of 3/5 of 1/2 part thereof. Said John H. Chapman has no interest whatever in said lands.

The plaintiff asks that all of said parties interested in said lands and mortgages be made defendants and that the dower of said Sarah Whitby in all of said lands be set off to her as the law requires and that partition be made of said lands setting off to the said plaintiff as guardian of said three wards their full share of said lands and protecting him in his share of said growing wheat crops and in such crops as may be sown or planted on said lands before partition can be made and said dower assigned and that such further order had as law and equity requires.

Julia A Chapman et al. vs. Sarah Whitley et al.

Entry 4 8 12

This day came on this cause to be heard by the Court whereupon A.H. Carpenter was made a party defendant and entered his appearance and filed his answer herein, whereupon the Court heard the evidence of Sarah Whitley as to her claim of dower and the Court being fully advised in the premises do find that Sarah Whitley has relinquished her right of dower to the 2/5 now held by Wm Whitly but that for the 1/5 which Jason S. Chapman owned as his share of said estate and which was included in her deed to him for the 1/5 which she bought from John H. Chapman she received no consideration and that it was the mutual mistake of the parties thereto in including in said deed, that share and the same is hereby set aside and held for naught so far as it purports to release her dower in that share of said land. Therefore the Court order and decree that a Writ of Dower and partition issue to the Sheriff of this County commanding him by the oaths of J.A. White John E Harriman and John H. Sterling to set off to said Sarah Whitley her full one third part of the four fifths of said farm as her dower therein and that by like oaths he cause to be set off to Wm Whitly the two fifths of said tract of land subject to the dower of said Sarah Whitly to the one third of the one half of said two fifths and that by like oaths he cause to be set off to Julia A. Answer and Cross Petition of P. E. Barnes.

And now comes P. E. Barnes and by leave of Court, heretofore obtained, and says that he denies the allegations of the petition in regard to the ownership of 2/15 of the land described in the petition, to wit: That said Jason S. Chapman made a deed for said two shares of John W. and Jason S. Chapman to Wm Whitby and further denies the allegation of the petition that Jason S. Chapman has no interest in said land whatever. And further says that Jason S. Chapman made a deed to Wm Whitby for 26 2/3 acres of land off the said 100 acres described in the petition and made no other deed: and further that when he made said deed he retained and held in his own right the undivided 2/15 part of said 100 acres and still holds said 2/15 part in said land. Defendant Barnes further says that on the 14th day of February 1885 the said Jason S. Chapman made and delivered to said P. E. Barnes his promissory note for $170.65 of which the following is a copy:- "$170.65 Bybalia February 14th 1885"
" August 1st 1886, after date I promise to pay to the"
" order of P. E. Barnes the sum of one hundred and seventy and 65/100 "
" dollars with 8 per cent interest from date." And on the same day the said Jason S. Chapman and his wife to secure the payment of said note executed and delivered to said P. E. Barnes or assigns a mortgage deed for said undivided 2/15 part of said 100 acres of land described in plaintiffs petition; which deed was left for record Feb. 27th 1885, and duly recorded March 3rd 1885, in Vol 21 page 174 of the Record of Mortgages of Union County. Said defendants say that no part of said note has been paid, that there is now due on the same the sum of $170.65 that said Barnes is still the legal owner and holder of said note and mortgage and therefore prays that in the partition of said land the rights of said defendant be fully protected in the premises.

James Hoover Plaintiff
vs.
O. Holmes et. al. Defendants } State of Ohio Union County
Court of Common Pleas.

Answer

4303

Answer of O. Holmes & wife Mary A. Holmes.

Now comes the said O Holmes and for-

Answer to the plaintiffs petition says that the plaintiff ought not maintain his action against the said O Holmes and Mary A. Holmes for the following reasons, to-wit:-

I. That on the 11th day of January A.D. 1883 by contract and agreement with one James Robinson the said James Hoover sold and assigned to the said James W. Robinson all his right title and interest in said note and mortgage for a good and valuable consideration and that afterward and on the 2nd day of August 1882 the said assignee James W. Robinson filed his petition in the Court of Common Pleas of Carroll County Ohio against the said O. Holmes and Mary A Holmes James Hoover and others on said note and mortgage as described in plaintiffs petition that afterward and on the 21st day of August 1882 the said James Hoover for himself filed an answer and cross petition which was an answer and cross petition to the answer of Obadiah Holmes and wife which answer of O. Holmes and wife was filed on the 14th day of August 1882 in said case and the answer of said James Hoover took issue with the said Holmes and wife, and that afterward and at the February Term of said Court of Common Pleas said cause came on for trial upon the petition of the said James W. Robinson as the assignee of said James Hoover and the amended answer of the said Obadiah Holmes and wife and the answer and Cross petition of the said James Hoover and that the said James Hoover appeared in Court by himself and his attorney and had witnesses examined and went to trial upon the issues that were then made upon the said note and mortgage as described in said petition and had a full fair and complete trial of all his rights in the premises, and upon the trial of said cause the Court after a careful examination of the case and full consideration of the testimony did find for the defendants Holmes and did dismiss the petition of the said James W. Robinson and cross petition of James Hoover at the costs of said plaintiff James W. Robinson and from said judgment of said Court said James W. Robinson or James Hoover have neither of them taken an appeal and have failed to file a petition in error to reverse or set aside said judgment and all of said judgments of said Court remain unreversed and unchanged and the plaintiff James Hoover is therefore estopped from having and maintaining his said action against said defendants.

II Defense: For a second defense to the plaintiffs petition said O. Holmes and wife say that they have not the means of knowing whether the said James Hoover is the owner of said note and mortgage and therefore deny his said ownership and demand full proof thereof.

III Defense: For a third defense to the plaintiff's petition the defendants say there was no consideration for the note and mortgage in the petition mentioned and that said note and mortgage was obtained from him under the following circumstances, to-wit: That about a year before the date of the said note and mortgage said plaintiff and one John Israel were operating in patent rights, and said Israel obtained from said O. Holmes and his son Charles a note of about $320.00 for a certain patent-right and patent-right territory consisting of the Counties of Crawford, Richland and Marion and the State of

West-Va. : The said Israel when he obtained said original note made false representations about the same and agreed and promised that if said note was made in consideration thereof he, said Israel would help sell half of said territory and that he had offers for and could sell one half of said territory for more than enough to pay said note and that he would furnish the said patent invention which was a patent burglar alarm and would not call on the said Holmes for any money until he had made more for him than enough to pay said note &c. That said Israel failed to keep any part of his agreement and the said patented patent-right and territory proved entirely useless and worthless and the said Israel when he made said representation knew them to be false and did not intend to keep his agreement whereby said note and the consideration thereof wholly failed. That afterwards said Hoover the plaintiff who was also operating with said Israel in the same patent and who knew of the agreement and arrangement between said Israel and these defendants Holmes, and who knew said note was given for a patent-right, came to these defendants and represented that he was the owner and holder of said note so given for a patent right, and wanted to make some arrangements for its collection. Thereupon these defendants refused to pay the same and claimed the defense to the same that said note was given for a patent which was worthless and that said note was without consideration. Thereupon said Hoover represented to these defendants that he could handle said territory and that he had ample knowledge of said patent and that it was of great value and that if these defendants would execute the note and mortgage mentioned in the petition so that he, said Hoover could deposit the same as collateral security there he could and would raise money and go on and manufacture said patents and that before said note and mortgage became due he could and would dispose of said patent-right territory for much more than enough to pay said note and mortgage, and would return said note and cancel said mortgage and not require these defendants to pay any part of the same. That all he wanted of said note and mortgage was to deposit as collateral security to borrow money and he could and would wholly free these defendants from any further trouble in regard to said original transaction and avoid trouble and litigation. Thereupon without any consideration whatever and for no other purpose or reason than as above shown these defendants made and delivered said note and mortgage to said Hoover, the plaintiff. That said James Hoover the plaintiff never performed any part of his agreement and the consideration for said note and mortgage has wholly failed that said plaintiff never had any legal claim against these defendants and that he procured the said note and mortgage by reason of the representations and promises aforesaid. Wherefore these defendants pray that said note and mortgage may be cancelled by order of the Court and the prayer of said petition denied and that they go hence without day and recover their costs herein expended and for all proper relief in the premises.

James Hoover, Plaintiff

vs.

O. Holmes, et-al, Defendants

Union County Common Pleas Court.

Reply

4303

Now comes the plaintiff and for reply to defendants first alleged defense says he denys the existence of any and all such records as are therein alleged. But he says that by agreement of the plaintiff J. W. Robinson in said suit and of the said O. Holmes and wife and himself therein said suit was dismissed at the costs of J. W. Robinson, and all rights of said James Hoover expressly saved in said order of dismissal, and said order was made expressly without prejudice to the rights of said James Hoover to bring an action on said note and mortgage, which right was thereby and therein fully recognized and the Court found and decided in said action that said James Hoover was not a proper party thereto.

And he denies each and every allegation in said alleged defense that is inconsistent with or contradictory to the foregoing statement herein, or to the allegations of his petition herein.

For reply to defendants third alleged defense he says he denies each and every allegation therein contained which tends to impeach the validity or sufficiency of the consideration of the note and mortgage herein sued upon or of the original note in said alleged defense mentioned, or tends to show want of failure of consideration therefor.

He further says: that he obtained said original note in the usual course of business and without notice of any defense, counterclaim or set-off or other objection thereto and before it was due, and so obtained and received it as collateral security for the performance of an agreement of said John Israel with him to deliver to him certain goods and perform for him certain work for which plaintiff then in consideration of said security advanced the pay to said John Israel, and also for other moneys and services advanced and performed by him to and for said John Israel at and before said time. And that before said original note fell due said Israel, partly by reason of a fire and other misfortunes in business had become wholly insolvent and made default in the performance of said agreement on his part; and the time limited for said performance had passed, and said plaintiff had demanded of said Israel and called upon him to perform but said said Israel had wholly failed and did refuse to comply with said agreement or compensate plaintiff in any way therefor but informed plaintiff that he (pltff) would have to look to said original note for compensation for said said default and

abandoned all claim on the note. All of which transpired before said note became due. And the plaintiffs title to said note thereby became absolute and he entitled to all the rights of an innocent purchaser for value of a negotiable note before due and as such entitled to collect said note in full. And that the note and mortgage herein sued upon were executed and delivered to him by defendants in payment and satisfaction of said original note, and to obtain further time on said indebtedness and for no other consideration whatever and that in consideration of said new and additional security given him he extended the time for said indebtedness to stand one year from Dec. 27, 1879 And he says that said property for which said original note was given was good and valuable and that defendants by a proper effort could have done well with it, but neglected to attend to it as they should and thereby all their losses if any have arisen.

Plaintiff denies each and every allegation of fraud misrepresentation or other wrong or improper means used in obtaining said notes &c. or either of them or that is inconsistent or conflicts with his statement above or in the petition. And he therefore prays as in his petition herein.

William Penn, Plaintiff
vs.
J. C Ramsey, Defendant.

Court of Common Pleas, Union County, Ohio.
Answer

The said defendant now comes and for answer to the petition of plaintiff filed herein says he admits that he executed the promissory note set out in the plaintiff's petition, but he says that the said plaintiff ought not to have or maintain his said action against this defendant for he says for his First Defense: that on the 23rd day of February A.D. 1881 by a written lease he leased of one John Penn a farm known as the Duvall farm containing about 150 acres of land, situate in Delaware and Union Counties for the period of three years commencing on the first day of April A.D. 1881, at the rate of four hundred dollars a year, and executed his notes therefor, the last of which is the one sued on in this action. But defendant says that when he took possession of said farm the said William Penn had sowed twelve acres of said farm in wheat, and when the same became ripe and ready for harvest the said plaintiff in this action refused to allow this defendant to harvest the same, or to have the use of said twelve acres of land from the first of April 1881 up and until the middle of July of the same year. But defendant says that said William Penn without the permission of this defendant and without any authority what ever entered upon said land and against the will of this defendant and harvested and carried away all of the wheat raised on the said tract of land except about ten bushels which was at the time given by him to defendant. Defendant says he was deprived of the use and enjoyment of said twelve acres of land from the first day of April A.D. 1881 up and to the middle of July of the same year, that the use and profit of said tract during that time was reasonably worth the sum of Sixty dollars, and he therefore asks for judgment against said plaintiff in said sum of sixty dollars and interest thereon from the 15th day of July A.D. 1881.

Second Defense: And for a second defense this defendant says that afterwards on the first day of September 1883, before the lease of the defendant had expired and while he was in possession of said farm, the said William Penn plaintiff entered on the same, and against the will of this defendant and without his permission plowed, and broke up and planted fourteen acres of said farm in wheat and kept this defendant out of the possession, use and profit of said fourteen acres of land from the said first day of September 1883 to the first day of April 1884, when the lease of defendant expired, that he did the same in violation of the rights of the defendant. That the use, rent and profit of said fourteen acres of land during the time, said defendant was deprived of the same, was reasonably worth the sum of seventy five dollars. And he therefore asks judgment against the said plaintiff in said sum of seventy five dollars and interest thereon from the first day of April 1884.

Third Defense: And the defendant for a further and other defense says that while he was in possession of said farm aforesaid under the written lease aforesaid the plaintiff on or about the 27th day of August 1881 entered upon the said farm and against the will and desire of defendant took possession of about seventy five acres of pasture land, and did pasture on said land 16 head of cattle, 2 or 4 head of horses and 21 head of sheep and kept them on said pasture from the 27th day of August

1881 wife and until the 15th day of November 1881, That he did the same without permission and against the will of this defendant. this defendant says that it was reasonably worth the sum of $70.00 for the pasture of said cattle during the time they were on said land. and it was reasonably worth the sum of $12.00 for the horses and $20.00 for said sheep during that time and he therefore asks the Court for judgment against plaintiff in the sum of one hundred and two dollars and interest from the 15th day of Nov. A.D. 1881

Fourth Defense: And for further and a fourth defense defendant says that sometime during the times said cattle were on said farm as set forth in his third defense herein, the said plaintiff without any authority, and against the will and without the knowledge of this defendant, the plaintiff let down the fence and drove the stock he had on said farm, upon about twenty acres of meadow land, which was part of the farm then under the controle and possession of this defendant, and said stock trod down the grass and destroyed the herbage and rendered the said meadow land almost worthless so that he could raise no crop of hay thereon, and defendant says that by reason of the acts of the plaintiff aforesaid he has been damaged in the sum of fifty dollars. Wherefore he asks judgement against said plaintiff in the sum of fifty dollars his damages so as aforesaid sustained.

Fifth Defense: And defendant for further and a fifth defense says that during the year 1881 and in the fall of the same year the said plaintiff entered upon the premises of this defendant and cut off and carried away a crop of clover seed then upon eleven acres of land which was then in the possession and owned by this defendant. that he did it without any authority from this defendant, and against his will; that he the said plaintiff appropriated said seed to his own use and has never paid any thing for the same to this defendant. And defendant says that the value of the same was at that time, and that the said seed so taken was worth the sum of Eighty Dollars and he asks judgment against plaintiff in said sum of Eighty Dollars and interest thereon from the first day of Nov. 1881. And defendant says that the plaintiff is not entitled to a judgment for the reasons set forth in his said answer, and this defendant asks judgment against plaintiff as asked for in his several defenses above set forth and that the amounts so found due him on the several causes of action may be applied on said note and that he may have judgment for the balance.

And now comes the plaintiff William Penn and for reply to the answer of the said defendant says he denies each and every allegations as set forth in his answer and in manner and form as therein stated. The said plaintiff for a further reply to defendants answer says that the matters set forth in defendants first cause of defense grow out of a lease made by John Penn to the said William Penn in 1880 and for the field mentioned to be put in wheat which would be harvested in summer of 1881 that said Ramsey fully understood this at time of making lease of the farm and that he was to have the share that John Penn would receive if he had retained the possession of the farm to-wit: one third of the wheat in the bushel and that said Ramsey did receive the one third of said wheat in the bushel according to the agreement of said John Penn and the defendant John Ramsey. This plaintiff further replying to the answer of said defendant says that as to the second, third, fourth and fifth causes of defense that the said John Ramsey the defendant herein sub-leased the one half of said farm to David Penn by a written agreement on or about the — day of March 1881 and by the terms of said lease the said David Penn was to have the use of the undivided one half of said farm for pasturage and cultivation of crops and said David Penn took possession of said farm with the defendant under said written agreement and they two occupied and used the farm together until fall probably in September 1881, when David Penn with the full knowledge and consent of the defendant sold out his interest in said sub-lease to this plaintiff and that all that plaintiff did on said farm was done under and by virtue of his right under said lease and plaintiff violated no right of the defendant neither in trespassing upon said premises or otherwise and he denies that he did defendant any damage in any manner whatever.

Plaintiff therefore prays judgment as in his petition

Answer

The defendants for answer to the plaintiffs petition say that the property described in the plaintiffs petition was the Marysville Woolen Factory so called and had but little value except as a factory the real estate being but of little value and the building thereon of but little value except for the use they were constructed - that the valuation on said property was made several years ago while the machinery was in said buildings and while the buildings were in repair as a factory and was placed on duplicate for taxation at $4680: that afterwards nearly all of the machinery was sold and taken out of the building and moved away except the steam engine and boiler which furnished the power and while in that condition to-wit on Jany 28th 1884 application was made to the Commissioners of said County for a reduction of the appraisement for taxation purposes on account of the removal of said machinery &c. and the said Board of County Commissioners on the 28th of Jany 1884 reduced the valuation thereon to $2010- and the same has been assessed for taxation at that valuation ever since. that said buildings and said engine and boiler have not been used during any part of said time and by reason of non use and by reason of neglect and by reason of trespasses upon the same it has been so damaged and abused as that it is not worth over fifteen hundred dollars in market value - that the real estate in said village and county is appraised for taxation purposes and is taxed on about the one half of its market value and if said factory property was reduced to the same rule of valuation it would be placed on duplicate for the purpose of taxation at not over $800. and the amount of taxes for which the County has a just and equitable claim against said property is not exceeding $\frac{800}{1000}$ parts of the said sum claimed in said petition - that on this 12th of March 1886, the said Wm Tuffie by his counsel filed an application with the Board of County Commissioners of said County for an abatement of the said taxes and a reduction of said valuation for the purposes of taxation for the reasons foregoing which application the defendant aforesaid hopes may be heard and decided on Monday the 15th of March inst. Therefore the defendant asks for delay of the hearing of this cause for the decision of said application and that on final hearing of this cause the Court render decree for only the amount of taxes justly due thereon upon a just and equitable valuation of the same.

This day this cause came on to be heard upon the demurrer of the plaintiff to the answer of the defendant William Turpie herein filed and the same was argued by counsel and submitted to the Court, on consideration whereof the Court do sustain said demurrer, and the said defendant William Turpie not desiring to further plead herein and the other defendants being in default for demurrer and answer to said petition the Court find that there is due from said defendant William Turpie to said plaintiff as treasurer of Union County Ohio the sum of Two Hundred and two and 92/100 Dollars with six per cent interest thereon from February 22nd 1886. It is therefore considered and adjudged by the Court that said plaintiff William H. Crary as Treasurer of Union County Ohio recover from said defendant William Turpie said sum of Two hundred and two and 92/100 Dollars with six per cent interest thereon from February 22nd 1886, and execution is awarded therefor. The Court further find that said sum so found due as aforesaid is a valid lien under the laws for the collection of taxes in this state on the lands described in plaintiff's petition. It is therefore decreed and ordered by the Court that unless said defendant William Turpie shall within three days from the entry of this decree pay to said plaintiff as Treasurer as aforesaid said sum of Two hundred and two and 92/100 dollars with six per cent interest thereon from February 22nd 1886 and to the Clerk of this Court the costs herein taxed to $ then an order shall issue to the Sheriff of said County commanding him to appraise, advertise and sell said premises as upon execution and bring the proceeds into Court for distribution. Thereupon the said defendant William Turpie gave notice of an appeal of said cause to the Circuit Court and the Court do fix the amount of the Appeal Bond herein in the sum of one hundred dollars.

P. C. Adams Plaintiff
vs.
Sarah Mc. Kinney et al. Defendants

Court of Common Pleas Union County Ohio
Answer of Ella Argo.

Ella Argo, one of the defendants in the above entitled case now comes and for her Answer to the petition of the plaintiff says:- that she denies that the plaintiff is seized in fee simple as the son of Charles Adams deceased, and one of his heirs at law or in any other way to a one tenth or any other quantity of the lands described in said petition. This defendant denies that the other defendants herein named have or are entitled to any part of said lands in fee simple or are in any way entitled to any quantity of the same.

This defendant denies that the said plaintiff or any of the said defendants are entitled to partition or have any interest whatever in said premises.

2nd. This defendant further answering says, that on the 15th day of April 1878 Charles Adams deeded by deed of General Warranty to the heirs of the body Nancy Ann Rose the lands described in plaintiffs petition, and thereby conveyed the same in fee simple to the heirs of the body of said Nancy Ann Rose who held and enjoyed said lands during her natural life.

That on or about the 15th day of October 1865 the said Nancy Adams who had intermarried with one Jackson R Rose died leaving Nancy Rose and the defendant (Ella Argo) her only surviving children and heirs at law. That this defendant and Nancy Rose upon the death of their said mother, took possession of, occupied and improved said lands: and except as hereinafter stated have continued to so occupy and improve said lands - that on or about the 1st day of April A.D. 1882 for the mutual benefit of the said Nancy Rose and this defendant the said premises were divided by mutual consent and the one half of said lands to-wit: fifty-six and one half acres

(5.6½) were held and occupied by this defendant and the other one half of said lands were held and occupied by the said Nancy Rowe - that the one half (5.6½ acres) of said lands so held by this defendants were bounded and described as follows. - - -

house farm and N. E. corner of the Adams farm of which the land herein described is part -; thence with said Mellons South line and with the County road N. 80 3/4° W. 92 7/10 poles to a stone in said Mellons line; thence S. 8 1/2 W. 95 44/100 poles to one elm on the banks of Bokes Creek; thence down the creek with the center lines of the following course and distance along the creek S. 23 1/4° E. 15 5/10 poles S. 66° E. 24 7/100 poles S. 80° E. 23 18/100 poles N. 75 1/2° E. 10 92/100 poles to a stake witness an elm N. 12° E. 4 poles from the center of the creek S. 8 1/2° W. 69 36/100 poles to a stake and stone at the S. W. corner of said Keller tract in the line of said Survey No 3470; thence with said line N. 8 1/2° E. 34 poles to the beginning containing one hundred and thirteen acres of land, 78 12/160 acres in Survey No. 3470 and 34 17/160 in Survey No 3690. a copy of which deed is hereto attached marked exhibit A. and made part hereof. The said plaintiff further says that the heirs of the body of Nancy Ann Rowe at the time of the making of the said deed were defendant Ella Argo and Nancy Rowe and that the said Nancy Ann Rowe had been dead for a long time prior to the making of the said deed. That on the 25th day of March A. D. 1883 the said Nancy Rowe departed this life without having made any assignment or disposition of her interest in the said premises whatever and for that reason the said interest of the said Nancy Rowe reverted to the heirs of the said Charles Adams who is now deceased. That the said Charles Adams left the following persons his only heirs at law:- the plaintiff who is a son, Mary Jane Pope a daughter, Elizabeth Fox a daughter, Sarah McKinney a daughter, Minerva Sanderson a daughter and Amanda Mitchell Lola Adams grand children, being daughters of John Adams deceased who was a son of said Charles Adams that the said John Adams left at his decease three daughters as his only heirs at law the said Amanda Mitchell, the said Lola Adams and Fannie Adams who intermarried with the defendant George Toby but who died prior to the death of said Nancy Rowe leaving no children but the said George Toby her husband who is entitled to curtesy in her interest in premises.

The said plaintiff further says that he is seized in fee simple of one undivided one fourteenth (1/14) part of said premises. That Sarah McKinney aforesaid who is a widow is seized in fee simple of one undivided one fourteenth part. That said Mary Jane Pope who is the wife of said Daniel Pope is seized in fee simple of one undivided one fourteenth part. That said Elizabeth Fox who is the wife of said George Fox is seized in fee simple of one undivided one fourteenth part. That said Minerva Sanderson who is the wife of the said W. N. That the said Ella Argo is seized in fee simple of one undivided eight fourteenths of said premises, 1/14 in fee and 7/14 for her life. That said Union County Bank and the

said D. W. Ayers each claim some lien on said premises.
The said plaintiff therefore prays that partition be made of said premises setting off to each in severalty his proportion as above specified and if partition cannot be made without manifest injury that said premises may be sold according, that the said Union County Bank and the said D. W. Ayers be required to answer and set out their said liens if any they have, and that the Court may determine against whom the said liens if any are valid and for all other and proper relief in the premises

The plaintiff in error says that on the 7th day of May A.D. 1887, by consideration of J. P. McDowell a Justice of the Peace for Jerome Township Union County, Ohio defendant in error recovered a judgment against plaintiff in error, in an action then pending before him, wherein defendant in error was plaintiff, and plaintiff in error was defendant, a transcript of the Docket and Journal entries whereof is filed herewith. I. Said Justice of the Peace erred in overruling the motion of plaintiff in error to dismiss said action.

II. Said Justice of the Peace erred in the admission of evidence of said defendant in error to which the said plaintiff in error objected.

IV. The complaint filed with said Justice of the Peace was not sufficient to authorize proceedings in forcible entry and detainer against plaintiff in error and the same ought to have been dismissed by said Justice of the Peace on said motion filed by said plaintiff in error therefor.

V. Said Justice of the Peace erred in his instructions to the jury on the trial of said action.

VII. Said judgment was given for the defendant in error when it ought to have been given for the plaintiff in error

vs.

The said plaintiff Lydia A. Morris complains of the said defendants for this to-wit: That on the 19th day of July 1882, by deed of assignment of that date she joining with her husband John W. Morris made an assignment in trust for the benefit of her creditors of a stock of dry goods, groceries and medicines kept in store in the village of Sommersville Ohio by the said Lydia A. Morris, to the said Samuel W. Van Winkle and Andrew J. Richardson as assignees in trust for the benefit of all their creditors, as well as the following real estate; situate in said village of Sommersville in York Township, Union County Ohio. described as follows: Being all of lots No. 38, 39, 42, 43, 46 and 47 in said village of Sommersville. Also a strip of land containing two and one half (2½) acres lying east and adjoining said lots. Bounded on the north East by A. J. Richardsons and on the north by an alley running North of lots Nos 27 & 28 in Sommersville and on the West by said lots Nos 38, 39, 42, 43, 46 & 47 all of which real property was at the time of the assignment of personal and real property occupied as a homestead by the assignors and at the time of setting off this property in lieu of homestead. that by the terms of said deed of trust and as one of the provisions thereof she expressly reserved her right to a homestead out of the property so assigned to said Samuel W. Van Winkle and Andrew J. Richardson. And there being no unincumbered real estate out of which to assign and set off to her said Lydia A. Morris her said homestead, all of their real estate being incumbered for balance of purchase in the sum of $1600.00 and the value of the same was not over $1600.00 the same interest from January 13th 1882 and since said assignment —— on said vendors lien for $1335.00 Said assignees Samuel W. Van Winkle and Andrew J. Richardson by the oaths of Thomas P. Gratty N. P. Westheimer and James Cooly set off and assigned to her the said plaintiff in lieu of said homestead

of the personal property so assigned to the amount and value of Five Hundred Dollars which is a part of said record of assignment.

Plaintiff further says that afterward and on the 15th day of August 1882, said assignees having obtained an order from the Probate Court of Union County Ohio to sell all the goods so assigned by private sale and said assignees representing to the plaintiff that it would be to her best interest for them to sell the goods and chattles set off to her in lieu of her homestead with the rest of said goods and pay her the money for said sale, and relying and trusting in their statement and believing what they said, did on on said 15th day of August enter into a written agreement with the said Samuel N. Van Winkle and Andrew J. Richardson, a copy of which agreement is hereto attached and made a part of this petition marked "A" by the terms of which agreement they were to sell her goods and chattles and account to her for the amount and value thereof being $500 cc

Plaintiff further says that said assignees took possession of her said goods, sold the same and applied the money arising therefrom to their own private use and neglect and refuse to pay the same over to this plaintiff although often requested so to do. Plaintiff therefore asks judgment against the said Samuel N. Van Winkle and Andrew J. W. S. Bowers and Fremont Howe Partners as Bowers & Howe Plaintiffs
vs.
George Smith Defendant

Court of Common Pleas
Union Co. Ohio.
The Plaintiffs say this cause

comes into this Court on appeal, and that on or about the 24th day of September 1884, they recovered a judgment against one W. W. Cahill in an action before W. W. Hill, a Justice of the Peace in Claibourne township Union County, Ohio, for $42.38, costs taxed at $2.68, which judgment was not appealed from, and no bond for stay of execution thereon was given within ten days from the rendition of judgment. Whereupon said Justice, on the 4th day of October 1884, issued execution on said judgment and gave the writ to A. Harris, Constable of said township. That on the 14th day of October 1884, said Constable was about to levy said execution upon the property of said W. W. Cahill, when at the request of said Cahill said defendant George Smith, went to the store of the plaintiffs Bowers & Howe, and desired said plaintiffs to recall said execution and consent to stay of execution being entered on the docket of said Justice in said judgment against said Cahill, and he, the said George Smith, to induce said plaintiffs to recall said execution, promised and agreed that if Bowers & Howe would order the return of said execution he, Smith, would sign the undertaking on the docket of said justice for stay of execution on said judgment. And said plaintiffs, relying on said promise and agreement so made to them by said defendant Smith, thereupon ordered said Justice to recall said execution, and permit stay bail to be put by said George Smith.

And further, said plaintiffs say that said Smith told said Justice that he, Smith, would sign said stay bond, and said Justice at the request of said Smith and by the order of said Bowers & Howe, ordered said Constable on or about the 15th day of October, 1884, to return said execution, whereupon said execution was returned by said Constable unsatisfied and without any levy having been made under it.

Plaintiffs say that at the time of the return of said execution and while the same was in hands of the Constable on said 14th and 15th days of October, said W. W. Cahill, the judgment debtor, had a large amount of personal property unincumbered, not exempt from execution, on which said execution could have been levied, and would have been levied upon and sold by said constable by virtue of the said execution had not the same been recalled at the request of said Smith aforesaid, and said judgment would have been satisfied out of the proceeds of the said sale.

Plaintiffs say that said Smith neglected to perform his said promise and agreement so on said 14th day of Oct. made to said plaintiffs, and did not sign said bond for stay of execution, but after said execution had been recalled as aforesaid, Smith neglected to sign said bond, and in the meantime said Cahill after said execution had expired, and without the knowledge of the said Bowers & Howe sold and disposed of by chattel mortgage and otherwise all of his said property and left the County of Union and State of Ohio, so that he became wholly insolvent, and the said Bowers & Howe had no means of collecting their judgment from him the said Cahill.

Plaintiffs further say that they relying upon the promise of the defendant Smith, and supposing that he had so signed said bail bond, as by his agreement he was to do, took no further

proceedings against said Cahill, and did not know but their claim was secured by said Smith until about the 24th of November 1884, said Smith came to their store and informed them that he had not signed said bail bond, and would not sign the same for the reason that said Cahill had sold and disposed of and incumbered all his property, and was about to move from the said County and State. Wherefore Plaintiffs say that by reason of the failure and refusal of said plaintiff to perform his said agreement, and by reason of their said reliance thereon and causing said return of said execution as aforesaid, they have been injured and damaged in the sum of $42.38 and costs at $2.68, wherefore plaintiffs ask judgment for $45.38 with interest from September 24th 1884.

John Struble Plaintiff
vs.

Court of Common Pleas

Petition.

5046

The plaintiff says:- that on the 19th day of October A.D. 1885 plaintiff by the consideration of the Court of Common Pleas of Union County Ohio, recovered a judgment against the defendants Fred. Weis and Rosina Weis for the sum of Nine Hundred and Thirty-nine and 62/100 Dollars debt and $14 58/100 costs of suit as will more fully appear from the Records of said Court (Execution Docket R. page 476) which said judgment remains in full force and effect. Said judgment was obtained on a note dated Sept 30th 1873 - that on the 29th day of October 1885, the plaintiff caused execution to issue on said judgment to the Sheriff of said County commanding him to make said judgment and in pursuance thereof said Sheriff finding no chattel property subject to levy and reporting said fact; he on the 23rd day October 1885, levied on the following real estate in the County of Union and State of Ohio, being part of U. M. Survey No. 4812 bounded and described as follows: Beginning at a stone in the South East corner

of the ¼ acre lot conveyed by Wm Apples to David McCullough in in the said Survey line, thence S 37° E 53 ¼ poles to a stone in the Survey line it being the Richard Epps N. E. corner, thence S 53° W. with Epps line 130 poles to a stone in Abraham Sprains line in his N. West corner, thence N. 37° W. 53½ poles to a stone; thence N. 53° W. and with McCullough's line 130 poles to the beginning containing 48 acres more or less - which levy still subsists in full force and effect and no further proceedings have been had on said writ except its legal return - the plaintiff says said Leonard Coleman has or claims to have a mortgage on said land which if valid makes a serious encumbrance on said land, the plaintiff is informed and believes and therefore he avers that said Leonard Coleman has no valid claim on account of said mortgage and that said mortgage was executed without consideration and for the purpose of preventing the plaintiff from collecting said note on which said judgment was obtained and is void and should be set aside - The plaintiff further says the said defendants Fred Weis and Rosina Weis have no property personal or real subject to levy other than said real estate and that if said mortgage shall prove valid there is no property personal or real sufficient to satisfy said judgment. The plaintiff says said Leonard Coleman is indebted to said Rosina Weis in the sum of $337.50 her share of the money which her father John Adam Coleman requested said Leonard Coleman to pay his heirs two years after the death of said John Adam Coleman and his wife which period has not yet expired - said Leonard Coleman is liable to pay said sum at the end of said two years - The said Christopher Kuntz is indebted to the said Rosina Weis by note or on account for money loaned - the plaintiff asks that said persons be made defendants and that each set forth his claim on said lands and that the Court on final hearing decree the sale of said land to pay said judgment and that said mortgage may be set aside and that said Leonard Coleman and said Christopher Kuntz be ordered to pay the amounts owing by them as aforesaid to the satisfaction of the plaintiffs said judgment and for all such further relief as law and equity may require.

Answer of Rosina & Fredrick Weis

Now come the defendants Fredrick Weis and Rosina Weis and for their separate answer say: that they admit that the plaintiff obtained a judgment against them as stated in the plaintiff's petition. But deny that the said Leonard Coleman or Christopher Kuntz were indebted to these defendants either at the commencement of this action or at the date of the action of this plaintiff upon the note upon which he obtained a judgment against said Fred Weis and Rosina Weis for said sum of $939.67 as stated in his petition

Further answering the said Rosina Weis says that she was the daughter of Maria Barbara Coleman that on the 20th day of Feb. A.D. 1884, said Maria Barbara Coleman made a certain will by which she disposed of all her real and personal property, that said will was duly probated on the 24th day of April A.D. 1884, in the probate Court of Union County, Ohio. That by the terms of said will there was set off as a fund for the benefit of the said Rosina Weis during her natural life the sum of $1600.- and it was also further provided by said will that said Executor should invest the same in the said lands described in the plaintiff's petition for the use and benefit of said Rosina Weis during her natural life, and after her death to the heirs of said Rosina Weis, that said Executor of said will, the Co-defendant herein Leonard Coleman proceeded under and by virtue of the authority of said will and paid off the debts on said real estate and invested said Sixteen Hundred Dollars as directed in said will in said real estate, and to secure himself against loss therein took a mortgage back from the said defendants Rosina Weis and Fredrick Weis, which is the mortgage refered to in the plaintiffs petition. Defendants Rosina Weis and Fredrick Weis therefore deny that they have any interest in said real estate except the life estate in said Rosina Weis. They therefore ask to go hence without day and recover their costs herein expended

A. S. Mowrey-Defendants.

Court of Common Pleas
Union County, Ohio.

3890

The said Andrew McNeil plaintiff complains of the said defendants and says, that the said County Commissioners on the petition of James Wells and others have ordered the construction of a ditch, to be called "Fulton Creek Ditch No 7"- beginning at a stake in the land of George M. McPeck at or near the part of intersection of Fulton Creek (officially known as Ditch No. 8) with the line of the lands of John H. Sterling and said George M McPeck, thence with the general course of said Fulton Creek (or Ditch No 8) thence to the lower line of John A Penn's land a distance of about six miles at a cost of about $4000.00. Providing for clearing widening deepening the said creek so as to secure the free and uninterrupted flow of said water the entire length of said ditch, or said Fulton Creek

That-such proceedings have been had, that the Commissioners examined and find said improvement to be necessary" and the appointed engineer has filed his report, with a tabular statement of the apportionment as made by him. The plaintiff says that he is the owner of the tracts of land assessed to-wit: No. 10 - as marked in said tabular statement one of said tracts contains fifty two acres and the other seventy eight acres and the said two tracts are assessed in said report as follows:
Lineal feet to be dug four hundred and fifty.
No of Cubic yards eight hundred and forty three.
Shown by estimated cost of Construction $63.63 Estimate cost of location $5.50

The plaintiff further said proposed ditch or creek does not touch his land. that its construction will be of no benefit to him or his said land for the purposes of drainage or any other purpose whatever. The plaintiff says that he had and still has a ditch through his said lands, which he helped to construct which was of ample capacity to drain his said lands, and he needs no other ditch for any purpose. And he says that the proposed assessment on his said lands will do gross injustice to him; and will require him to pay money without deriving any benefit to him therefrom. Plaintiff says he appeared before the Board of Commissioners on the 8th day of August 1881 and filed exceptions to said appointment, but the said Commissioners would not reduce his apportionment below the amount above named

The plaintiff says that said Commissioners have ordered said ditch to be constructed under said apportionment and are about to proceed with the construction thereof; and let out the contract for the same and to order the cost of said location and construction to be entered upon and assessed against him and his said lands on the Auditors Duplicate of Union County. The plaintiff therefore prays that said apportionment be set aside and held for naught and declared void so far as the same affects his said lands and that the said Board of County Commissioners and the said Andrew H. Mowery engineer be restrained by the order and injunction of this Court from any further proceedings to sell out or let the job of constructing any portion of said ditch based upon the said apportionment on the said lands of the plaintiff, and to restrain the said defendants from all further proceedings to assess or collect any tax from the plaintiff on his said lands for the purpose of aiding in the construction of said ditch

William Mc. Hinnis Plaintiff

vs.

Petition

James B. Whelpley, James T. Mahaffy Nathan Howard Board of County Commissioners of Union County Ohio and A.S. Mowrey Defendants

Court of Common Pleas Union County.

3889

The plaintiff says, that the said County Commissioners on the petition of James Wells and others have ordered the construction of a ditch called Fulton Creek Ditch No 77 beginning at a stake in the line of George W. Mc. Peck at or near the point of intersection of Fulton Creek, (officially known as ditch No. 8.) with the line of the lands of John H. Sterling and said George Mc. Peck, thence with the general course of said Fulton Creek or ditch No. 8 to the lower line of Joshua Penn's land a distance of about eight miles at a cost of about $4000 00 providing for clearing, widening and deepening said creek so as to secure the free and uninterrupted flow of said water the entire length of said ditch, on said Fulton Creek, that such proceedings have been had that said Commissioners have declared and found said improvement to be necessary and the appointed engineer has filed his report with a tabular statement of the apportionment of costs and expenses of locating and constructing the same as made by him. - Said new ditch is known as Fulton Creek Ditch No. 77.

The plaintiff says that he is the owner of one of the tracts of land so assessed. to-wit : Section No. 13 as shown in said tabular Statement being 170 acres in Survey No 12. 124 in said County of Union, and the said tract is assessed on said report as follows.

Lineal feet to be dug- 225.
No. of Cubic yards 436.
Cost of construction (estimated) - - - - - - $43. 60
Cost of location and superintendance (estimated) 2. 50
Said ditch as located and ordered is to be 20 feet wide at top and —— feet deep. Plaintiff further says said ditch or creek as proposed does not touch his said land; that its construction will be of no benefit to him or his land for drainage or any other purpose whatever, the said proposed ditch is at least 80 rods from the nearest part of his land, that he had and still has a ditch which serves all his needs for drainage of his said land; and said proposed ditch is wholly unnecessary to his land and he does not need it for any purpose - And he says that the proposed assessment on his lands will do gross injustice to him and would require him to pay money without deriving any benefit therefrom. Plaintiff says he filed exceptions to said apportionment

and the amount thereof was reduced by said Commissioners to $34.30. But he says there ought to be no assessment whatever against him or his said land for said ditch as no benefit will be derived to him or his land from said ditch, and the public benefits if any derived from said proposed ditch not extend so far as his land.

Said Commissioners refused to remove said assessment or withdraw the same. And have now ordered the said engineer to sell out the job of constructing the same under said apportionment.

Plaintiff says that said Commissioners are threatening and about to cause the construction of said ditch to be proceeded with under said apportionment, and at his expense for said portion of it apportioned to his said land, and are preparing and threatening to let the job of constructing the same, and to order the work of said location and construction to be entered of and assessed against him and his said land on the Auditors Duplicate.

Plaintiff therefore asks that said apportionment may be set aside and held for naught and declared void as to his said land; and that said defendants may be restrained by the order of the Court from all further proceeding to assess his said lands for said ditch and for such other and further relief as may be just.

Millie C. Kline, Plaintiff
vs.
Daniel L. Kline, Defendant

Court of Common Pleas, Union County, O.
Petition.

Plaintiff says she has been a resident of the State of Ohio, for more than a year last past and is now a resident of Union County, Ohio. That on the second of August A.D. 1877 she was married to the defendant Daniel L. Kline. That at and prior to that time the plaintiff had been married to one Naurascalor P. Ruggles to whom she was lawfully married on the 16th day of September A.D. 1850, and with whom she lived until the month of February 1876 that said Ruggles had become so intemperate and in the habit of becoming intoxicated that she was unable to live with him, when said N. P. Ruggles abandoned her in the city of Cincinnati Ohio, where she had moved with him from N. Y. city. That a short time prior to her purposed marriage to the defendant Daniel L. Kline, she received a letter from some to her unknown person that said N. P. Ruggles her former husband was dead and for that reason, considering him dead she consented to marry the defendant Daniel L. Kline. That she has always conducted herself toward the said defendant as a faithful and obedient wife believing herself lawfully married to him up to December A.D. 1884 when by reason of the gross neglect of the defendant she was compelled to go out and make her own living. That said Kline had been neglecting and failing to provide for the plaintiff for more than three

years prior thereto with suitable or comfortable clothing or sufficient food to supply the necessary wants of the plaintiff and that she had been through said neglect driven from the home of said Daniel L. Kline and was compelled to go out and make her own living during the winter of 1883 & 1884. That prior to this and as a part of said neglect she has been very sick and that said defendant had failed to provide her with the necessary food, care or medical attendance, and that she had been compelled to and did suffer for the wants of the same. Plaintiff further says that the defendant has been guilty of gross neglect of duty and extreme cruelty toward the plaintiff, in this to-wit:- that after the plaintiff had been compelled to go out and make her own living she wrote said Kline several letters in which she addressed him as her husband and that after she went East on business relating to her estate said Kline visited where she had been staying in Marysville Ohio, and scandalized the plaintiff exhibited her letters to strangers and called her crazy, all for the purpose of injuring her reputation and destroying her means of making a living. He well knew at the time that said statements were false and injurious to the plaintiff and detrimental to her in her efforts to make herself a living and for the purpose of injuring her. that since she has been compelled to leave the said Kline she has learned from Nancy Ruggles the only living sister of Van Rander P. Ruggles her former husband that said Ruggles had written her (his sister) a letter in the month of December A D. 1877, stating that he was then on his way to New Orleans Louisiana and hence was alive at the date of her supposed marriage to said Kline and subsequent to the plaintiff receiving the above named letter from said unknown party stating her husband was dead, and since learning said fact of her former husband being alive at the time of her supposed marriage to said Kline she has not seen said Kline nor in any manner recognized him as her husband. The plaintiff therefore prays that upon the final hearing of this petition said supposed marriage may be set-aside and held for naught and that she be divorced from said defendant and restored to the former name of Millie C. Ruggles and for all proper relief in the premises.

vs.
John Low, Margaret Barlow
Mary Ann O'Dell, Oliver P. O'Dell
Louisa Dasher, John Dasher
Charick Shearer, Defendants

Court of Common Pleas
Union County, Ohio

Petition

5-3-61

The plaintiff Margaret Low of Union County Ohio respectfully represents that she is the owner of the farm hereinafter described situate in said County of Union, by virtue of the will of Lewis Low dec'd duly probated, to hold during her life and at her death the same descends by will to the defendants above described in equal parts- To John Low of Tippecanoe Indiana one fifth- To Margaret Barlow of Union Co. Ohio one fifth- Mary Ann O'Dell (wife of Oliver P. O'Dell) of Louisa County Iowa one fifth. Louisa Dasher (wife of John Dasher) of Union Co. Ohio one fifth and Charick Shearer son of Edith Shearer of Union Co. Ohio one fifth part thereof.

Said farm is described as follows viz:- part of Survey No. 3462. Beginning at two hickories, a beech and horn beam, the N. E corner of Survey 3462, thence with the lower line of the same S. 7 W 174 poles to a red oak on the bank of Mill creek, thence up the creek and bounding thereon to a beech and sugar tree lower corner to Silas Burrows 92 acre tract, thence with his line and the line of Russel Culvers land N. 7 E. 176 poles to three beeches in the South line of Scarboroughs Survey No 3462, thence with said line S. 83 East 95 poles to the beginning containing 112 acres but excepting therefrom 9 acres deeded to Nathaniel Stewart and Thomas E. Lockwood and also the school house lot thereon leaving 103 acres more or less.

That since the plaintiff became the owner of said life estate assessments were made against said land by the Commissioners of Union County Ohio for constructing the following pike improvements under the laws of Ohio for constructing pikes and assessing the cost thereof upon adjoining lands, to-wit the York Centre and Newton pike the assessment was one hundred and fifty three dollars on said farm and on the Newton and Bellefontaine pike the assessments were $78.76/100 all of which assessments became a lien on said land and were made according to the benefits to said land arising from said improvements and have been paid by the plaintiff, the last being paid 1886.

The plaintiff who is now 82 years of age being the owner of the life estate was compelled to pay all of said assessments through in equity and law said defendants should pay at least two thirds thereof with interest since she paid the same being their share of the benefits from said improvements. The plaintiff has asked the defendants residing in Union County to pay said sums and through some of them promised yet they all wholly neglect to pay the same and have never paid to her or the Treasurer any part of said sums.

She says there are about twelve acres of said farm lying west to D. W. Hendersons land and cut off by the road from the balance of said farm which would readily sell and not injure the farm so much as if a part were cut off and sold from any other part of said farm. The plaintiff prays that said defendants be duly notified of this

This day came the plaintiff and made proof to the satisfaction of the Court of due notice to the defendants of the filing of this petition and the Court find that all of the defendants in this case have been legally served with notice and made proper parties herein and therefore this cause came on to be further heard and the Court being fully informed in the premises do find that said allegations of said petition are true and that of the money paid by plaintiff as pike assessments the said defendants ought in equity to pay their just share and that the just share of said assessments which the said defendants should pay amounts to $186 20/100. Therefore it is considered ordered and decreed by the Court that the said defendants pay to plaintiff said sum of $186. 20/100 and her costs taxed to $ in ten days And further the Court find that said sum is a lien in equity on said land and therefore the Court orders and adjudge that if said defendants fail to pay said judgment and costs and interest that and order of sale issue commanding the Sheriff of this County to appraise advertise and sell according to law that part of the farm in said petition described as lies west to D. Petition. William Dickl, Plaintiff vs Dolbear & Vandeveer and Charles Worth | Court of Common Pleas. Union Co., Ohio. Petition.

No. 5478. The Plaintiff says: That the Defendants Dolbear & Vandeveer are a partnership formed for the purpose of carrying on business in said state of Ohio, and for holding property therein, and that

said Dolbear & Vanderau, during the months of November and December 1857, purchased of the Plaintiff 428 5/14 bushels of corn, at the agreed price of forty cents per bushel, amounting to the sum of One Hundred and Seventy-one and 34/100 Dollars. That they purchased said corn through the agency of the Defendant Charles Worth. That said corn was, during the months aforesaid, duly delivered through said agent Charles Worth to said Dolbear and Vanderau, who took possession and used and appropriated the same to their own use and benefit. That no payment has been made to the Plaintiff for said corn, or any part thereof, and that the said sum of $171.34 is justly due the Plaintiff from the said Dolbear and Vanderau, with interest thereon from the 15th day of December, 1857.

The Plaintiff further says that said Charles Worth, as Plaintiff is advised and charges, is insolvent, and no part of said sum of $171.34 can be made off him. That said Dolbear and Vanderau still have the price of said corn in their hands, and Plaintiff desires and asks that if it should appear, that he, Plaintiff is not entitled to a judgement against said Dolbear and Vanderau, but only against said Charles Worth, then that Dolbear and Vanderau should be ordered and adjudged to pay the price of said corn to the Plaintiff, and not to said Charles Worth, and that the said $171.34 be charged in their hands in Plaintiff's favor.

The Plaintiff therefore asks judgment against the defendants for said sum of One Hundred and Seventy-one and 34/100 Dollars, with interest thereon from the 15th day of December A. D. 1857. And the Plaintiff asks such other and further relief as in equity and in the nature of the case he is entitled to.

And at the same time, said Dolbear and Vandoran filed the following answer to-wit: And now come the Defendants, and for answer to the Plaintiff's petition say, they admit they are a partnership formed for the purpose of doing business and holding property within the state of Ohio, but they deny that they are purchased 428 3/14 bushels of corn of the plaintiff as alleged in his petition. They say on or about the day of November 1887, they purchased of said plaintiff, through their agent, 1500 bushels of corn at forty cents per bushel, to be delivered to them on car at Milford Centre, Ohio, immediately, and agreed to pay for the same when the said delivery was completed. The defendants say that they were ready and willing at all times to perform all the conditions and stipulations of the said contract on their part to be performed. They further say that the Plaintiff immediately began to deliver corn to them under said contract and continued so to do until he had delivered 428 5/14 bushels mentioned in said petition; that after he had delivered said 428 5/14 bushels, the plaintiff refused and neglected and still refuses and neglects to deliver the remaining 1071 9/14 bushels as by his contract he was bound to do. The said defendants further say that said plaintiff, by reason of his failure and refusal to perform the terms and stipulations of said contract, on his part to be performed, ought not to be allowed to maintain his action against these defendants. Wherefore these Defendants ask to hence dismissed without day and with their costs.

Petition.

The Plaintiff Margaret Low of Union County, Ohio, respectfully represents that she is the owner of the farm herein after described situated in said county of Union, by virtue of the will of Lucius Low, dec'd duly probated to hold during her life and at her death, the same descends by will to the defendants above described in equal parts to-wit: to John Low of Tippicanoe, Indiana, one fifth, to Margaret Barlow, of Union Co. Ohio, one fifth, Mary Ann Odell (wife of Oliver P. Odell) of Louisa County, Iowa, one fifth; Louisa Dasher (wife of John Dasher) of Union County, Ohio, one fifth; and Charick Shearer (son of Edith Shearer) of Union County, Ohio, one fifth part thereof. That since the Plaintiff became the owner of said life estate, assessments were made against said land by the Commissioners of Union County Ohio, for constructing the following pike improvements under the laws of Ohio for constructing pikes and assessing the cost thereof upon adjoining lands to-wit: The York Centre and Newton Pike, the assessment was One Hundred and Fifty-three Dollars, on said farm. The Newton & Bellefontaine Pike the assessment was $78 70/100, all of which assessments became a lien on said land and were made according to the benefits to said land, arising from said improvements and have been paid by the Plaintiff. The last being paid in 1886. The Plaintiff, who is now 82 years of age, being the owner of the life estate was compelled to pay all of said assessments, though in equity and law said Defendants should pay at least two thirds thereof with interest since she paid the same, Being their share of the benefits from said improvements. The Plaintiff has asked the Defendants residing in Union County to pay

said sums & therefore some of them promise yet they all wholly neglect to pay the same and have never paid to her or the treasurer any part of said sums She says there are about twelve acres of said farm lying next to D H Henderson's land and cut off by the road from the balance of said farm which would readily sell and not injure the farm so much as if a part were cut off and sold from any other part of said farm. The Plaintiff prays that said Defendants be duly notified of this cause and they be required to repay to her the equitable share of said assessments with the interest thereon and in default thereof, that her lien on said land be enforced and so much of said land be sold as may be necessary to pay the same, and she prays for other proper relief.

The Defendant for his answer to the petition of said Plaintiff says: That the said plaintiff ought not to have or maintain her said action against him, in manner and form as stated in said petition, because this defendant says, the said plaintiff for the last thirty years and more has been the wife of defendant and that said marriage relation still exists. Second Defense. For a second defense this defendant says the said plaintiff ought not to have or maintain her said action because this defendant says: That at the time of his marriage with plaintiff, he was a widower and father of the children who are still living. That after his marriage with plaintiff, there was born to plaintiff and defendant, four children, all of whom are still living. That about the date of the note mentioned in plaintiffs petition or some time prior thereto, the plaintiff came into possession of some money which she desired to be paid to her children. As they came of age none of said children having arrived at the age of majority at the time of the execution of said note. It was then arranged and agreed between plaintiff and defendant, that defendant should take said money and hold the same in trust for the children of plaintiff to be paid to them as they became of the age of majority or married. In pursuance of the said arrangement, the defendant took said money and executed to plaintiff the note in the petition described to be held in trust as aforesaid and when said money was paid to the children of plaintiff said note was to be delivered at once cancelled. Defendant says: that the first of said children to marry was Nancy Ella, daughter of plaintiff and defendant who married G. C. Edwards about the month of August, 1875. And shortly thereafter the defendant, at the request of plaintiff paid to said plaintiffs daughter, the sum of $180.00 of said money so by him received and the same was to be credited upon said money so received. The next of said children to marry was John N. who was married on or about the month of April, 1881, and shortly thereafter, Defendant at the request of Plaintiff paid to said John N. the sum of Two hundred and Fifty Dollars which was of the proceeds of the money so received by defendant from plaintiff and was to go to the payment of said note. That next child to marry was Curtis A. who married about the month of November, 1883, and in the month of January 1884, Defendant at the request of plaintiff paid to said Curtis A. the sum of Two Hundred

Dollars, which was to be in payment of said note. That the last child to marry was Flora M. who married about the month of February 1887, and the defendant at the request of the said plaintiff paid to her the sum of Two Hundred and Sixty five dollars, which sum more than paid said note, and the same should have been delivered up to the defendant. Defendant says that he did not figure interest on said note or have the same in his possession but kept paying on the same as plaintiff requested and thus more than fully complied with his trust and paid said note in full. The defendant says that in addition to the foregoing sums he has paid to and for said children large sums of money on his own account which is not included in the above. Defendant therefore says that said note is fully paid; and he denies that he is in any manner indebted to plaintiff therefor. Wherefore Defendant asks that he may go hence without day, &c.

Reply. 5385.

The plaintiff replies to the answer of defendant, and admits: That the plaintiff and defendant are husband and wife as alleged. And admits that at the time of her marriage with the defendant he was a widower, and had three children who are still living. And admits that after her marriage with defendant there were born to them four children who are still living and who were all married as alleged. And defendant admits that she came into possession of some money from her father's estate as alleged by defendant. And plaintiff denies each and every allegation made and contained in said answer except as above specially admitted and asks judgment as she has heretofore asked in her petition.

The plaintiff, Mariah Mahaffey, being sworn, makes oath that the facts stated in the foregoing reply are true as she believes.

Pleas before the Hon. John A. Price, Judge of a Court of Common Pleas, begun and held at the Court House in the town of Marysville, within and for the County of Union, of the third Sub-division of the Tenth Judicial District of the State of Ohio, on the 27th day of February A.D. 1888.

Heretofore, to-wit: On the 13th day of October, 1887, a petition was filed with the Clerk of said Court, which reads as follows, to-wit:

Petition

State of Ohio, Union County, Court of Common Pleas.

William Kirk, Plaintiff
vs
Jonathan Beard, Mary E. Carman, and George W. Carman, Azuba Case, Defendants.

5417.

And now comes the plaintiff, and for cause of action herein against the said Defendants, says: that on the 8th day of February, 1884, the defendant, Jonathan Beard, executed and delivered to one A. T. Carpenter, his eight promissory notes of that date, each for the sum of $324.00 and each to bear interest from the 1st day of April, 1884, at the rate of 6% the interest to be paid annually; said notes being due and payable on the 1st days of April, 1886, 1887, 1888, 1889, 1890, 1891, 1892 and 1893, respectively: that to secure the payment of the said notes, the said Jonathan Beard, on the said 8th day of February, 1884, executed and delivered to said A. T. Carpenter his mortgage deed of that date, and thereby conveyed to said A. T. Carpenter in fee simple the following described premises: situated

in the county of Union in the state of Ohio, and in the township of Washington, being a part of U.M. Survey No. 12289 and bounded and described as follows; Brginning at a stone in the centre of the Shirtzer road witness A B. K. from one root and a stone brars S. 43° E. 30 links -; Thence with the centre of the Shirtzer road N. 5¼° W. 26 poles to a stone witness A B. K. brars S. 4½° E. 44 links -: Thence with the centre of said road N. 4½° W. 84. 23 poles - witness a stake brars S. 9½° E. 32 links -: thence N. 81° E. 189 poles - witness a stake brars N. 9½° E. 32 links -: Thence S. 9½° E. 99.38 poles to the north east corner of the lands of N. Williams; Thence with N. Williams line S. 81° W. 178.28 poles to a stone; Thence S. 2¼° W. 35.60 poles with another of N. Williams lines to a stake; Thence N. 78¾° W. 17 poles to the centre of the Shirtzer road; Thence with the centre of said road N. 23½° E. 19. 78 poles to the brginning containing 120 Acres of land more or less.

That said mortgage had a condition therein written to the effect that if the said Jonathan Beard should well and truly pay the said notes, together with the interest thereon, when and as they respectively became due, then said mortgage deed should be void; otherwise to be and remain in full force and virtue in law. That on the 8th day of February, 1884, at 5 o'clock P. M. said mortgage was left with the recorder of Union County, Ohio, for record, and was afterward recorded in volume 20 on page 514 of the records of mortgages for said Union County. That the interest on each one of said notes has been paid up to April 1st 1885.

That for a valuable consideration the said A. J. Carpinter sold and delivered the said notes and mortgage to this plaintiff, who is now the legal owner and holder thereof. That the notes due April 1st 1886 & April 1st 1887, have neither of them been paid and there is now due and owing thereon the sum of $648.00 with 6% interest thereon payable annually from the 1st day of April, 1885. That by reason of the non-payment of said notes as aforesaid the said mortgage deed has become absolute and subject to foreclosure. That since the making of the said mortgage, the said Jonathan Beard has sold 20 acres of the above described land to the defendant Mary E. Carman, and that the defendant Azuba Case has obtained a Judgment against the said Jonathan Beard. Plaintiff further says that the defendant Jonathan Beard is cutting and hauling valuable timber from the premises described above and thereby injuring and depreciating plaintiffs security, and that unless said Jonathan Beard is restrained by the order of this Court, he will proceed to cut and haul away all the valuable timber there is on said premises, and will commit other waste on said premises to the great and irreparable injury of plaintiff. Wherefore plaintiff prays that an order be issued restraining the defendant, Jonathan Beard, from committing further waste by cutting and hauling away the valuable timber, and that unless he pay the amount due plaintiff as aforesaid within a short day to be named by the Court, that an order issue to the sheriff of Union County, Ohio, commanding him to cause said prem-

isrs to be appraisrd, advrtisrd and sold according to law, and that he bring the proceeds into court to await further order.

T. B. Fulton, Atty for Pltff

J. W. Tilton, being first duly sworn according to law says that he is the agent of the plaintiff duly authorized in the premises; that the plaintiff is a non-president of Union County, Ohio, and now absent therefrom, and that the facts stated and allgations of the forgoing petition are true.

And now comes the said William Kirk by T.B. The defendant for answer to the plaintiffs petition, says said plaintiff ought not to recorr on said note for this that he says said plaintiff is not the legal owner and holder of the same but took and holds the same as a collateral security for One hundred and Twenty-five dollars only for which plaintiff is otherwise abundantly secure.

The defendant for a second defence says, that on the 12th day of September, 1885, the defendant and the Northwestern Central Ohio Bohemian Oats Co. entered into a written agreement whereby in consideration that said Company by its written Bond (a copy of which marked "A" hereto attached and made part hereof) agreed with defendant to sell for him on or before Oct. 1st 1886 Forty-four Bushels of Bohemian Oats, commonly so called at the rate of Ten dollars per bushel at a commission of 25 per cent thereon. He the defendant would at his home in York Township, Union County Ohio, receive Twenty two bushels of new oats and give his note for the same and took and order on Levi Gallomor for said 22 bushels, and gave his note for the same for $220 payable to said Monroe, and also on the 14th day of September, 1885, same parties entered into another written agreement whereby in consideration that said Company by its written Bond (a copy of which is hereto attached marked "B" and made part hereof) agreed with the defendant to sell for him fifty six bushels of Bohemian Oats commonly so called at the rate of ten dollars per bushel at a commission of 25 per cent thereon. He the defendant would receive at his home 28 bushels of said oats from said Company and give his note therefor for $280 dollars payable and due November 1st 1886 and on said 14" of September 1885, at the request of Levi G. Monroe and J. St. Monroe who were to furnish and deliver said oats to the Defendant in pursuance of said contract said first note was destroyed and the said $220 and $280 were by the mutual consent of said Company, the defendant and said Levi G. Monroe and J St. Monroe put into our note to-wit, the note in petition described.

The Said J. St. Monroe was a member of said company and had the year A.D. 1885 raised a considerable quantity of Bohemian oats under a contract of like character as the contract above mentioned between defendant and said Company and the said Company sold said 50 bushels of said oats of said J. St. Monroe to defendant to fulfill a Bond which he held of a like character with said contract of Defendant and said Company. The defendant and said Company & said Monroe knew said oats had no special value over common oats and was worth not exceeding thirty cents per bushel and the oats to be sold for the defendant were not by either of them regarded as being of any special value but were worth not exceding 30 cents per bushel and the defendant gave his note not in consideration of the said oats but chiefly in consideration that the said Company as a part of the bargain and contract agreed with defendant by said bonds to sell for him before said note would become double the quantity of said oats at the same price of thirty-three and 1/3 times its actual known value and the oats agreed to be received by defendant and to be delivered by said company and said J. St. Monroe and the oats agreed to be sold for defendant were by said papers and said contract put in and estimated at the false, fictitious and speculative

price of thirty three and ⅓ times thier known value according to the scheme and device of Bonding grain carried on by said company and similar companies which de said Company and said Monroe and defendant well knew could be carried on to success only by each year selling and bonding for such notes double the quantity so sold and bonded the year previous and no sales or bonding were made for money but all the transactions were in notes and Bonds and the defendant says he never received any of said oats and none were ever sold for him and said Monroe kept said oats and never delivered any part thereof and said company never attempted to fill any of its contracts of a like character and said scheme was simply a scheme and device to obtain notes to sell and thereby decive and defraud the parties giving the same and not in good faith sell their grain and pay for same and the defendants said note was obtained in said manner by means of said scheme without any consideration whatever and he has been defrauded and injured in the manner aforesaid, and therefore he prays judgment

Reply. 5486.

Now comes the plaintiff, and for reply to the answer of the defendant, S. Taylor, says: That on the 23rd day of September, 1885, Plaintiff loaned the said J. W. Monroe, the sum of Two Hundred Dollars and took from him the note mentioned in the petition as collateral security for the payment of said loan and the plaintiffs

have no other security therefor the time for the repayment of said loan has long since expired but the same has not been paid nor any part thereof. The plaintiff at the time of receiving the said note took it in good faith and without any knowledge or notice of the facts alleged in defendant's answer. Plaintiff further says that after receiving said note as collateral security as aforesaid plaintiff entered into a verbal agreement with said J. W. Monroe, whereby it was agreed and arranged that the said plaintiff should collect said Taylor note, and after applying so much of the proceeds as might be necessary to the repayment of said loan and interest the plaintiff should apply the balance of said proceeds to the payment of a certain debt which L. J. Monroe, father of said J. W. Monroe owed to plaintiff which debt amounted to more than the balance of the proceeds of said Taylor note.

That in consideration of such verbal agreement, plaintiff extended the time of payment of said L. J. Monroe's debt, and the same has not been paid nor any part thereof. Plaintiff says that it had no notice or knowledge of defendant Taylor's claim until after making said loan and arrangement and that the plaintiff denies the several allegations of said defendants answer not herein admitted and prays as they have already prayed. &c.

C. S. Chapman, being first duly sworn says he is the cashier and agent of said Peoples Bank, that the facts stated in the foregoing reply are as he believes true.

Pleas before the Hon. John A. Price one of the Judges of 3rd Subdivision of the 10th Judicial District of the State of Ohio, at a term thereof begun and held at the Court House in the city of Marysville, Union County, Ohio, on the 27th day of February, 1888.

Be it therefore remembered, that heretofore to wit: On the 13th day of October, A.D. 1887, Plaintiff filed his petition which reads, in

the words and figures as follows, to-wit:

State of Ohio, Union County, ss.

William Kirk, Plaintiff
vs
Mary E. Carmean and
George W. Carmean
Defendants } In the Court of Common Pleas

And now comes the plaintiff and for cause of action herein against the said defendants, says: that heretofore, to-wit: On the 27th day of March, 1886, the said defendants executed and delivered to one A.T. Carpenter, their eight promissory notes of that date, the first seven of said notes being each for the sum of $212.00 and the last of said notes being for the sum of $222.00 each of said notes bearing interest from date at the rate of 6% payable annually, and said notes becoming due in one, two, three, four, five, six, seven and eight years from date respectively; that to secure the payment of the said notes, the said defendants on said 27th day of March, 1886, executed and delivered to said A.T. Carpenter their mortgage deed of that date and thereby conveyed to said A.T. Carpenter in fee simple, the following described premises; situate in the County of Union, in the State of Ohio, and in the Township of Washington, survey No. 12289 and bounded and described as follows, viz: Beginning at a stone with tile under it in the centre of the Shirtzer Road and North west corner to 21 acres heretofore conveyed to Philander M. Beard; Thence with the centre of said Shirtzer Road N. 9½° W. 28.11 poles to a stone with tile under it the south west corner to 50 acres sold J.A. Coder; Thence with said Coders south line N. 81° E. 188.80 poles to two stakes; Thence S. 9½° E. 28.11 poles to two stakes in the North East corner of said Beards land; Thence with his North line S. 81° W. 188.60 poles to the beginning, containing 33⅓ acres more or less. Also the following tract in said County, Township, State and Surry; Beginning at a stone with brick under it in the centre of the Shirtzer Road and at the South west corner of the lands of Mary E. Carmean; Thence with the centre of said road S. 9½° E. 17 poles to a stake; Thence N. 81° E. 188.60 poles to a stake in the northeast corner of the lands of Jonathan Beard; Thence N. 9½° W. 17 poles to two stakes; Thence with the south line of the lands of Mary E. Carmean S. 81° W. 188.60 poles to the beginning, containing 20 acres more or less.

That said mortgage deed had a condition therein written to the effect that if the said defendants should well and truly pay the said notes, together with the interest thereon, when and as they respectively should become due then the said mortgage deed should be void; otherwise to be and remain in full force and virtue in law.

That said mortgage deed was left with the recorder of Union County Ohio, for record on the said 27th day of March, 1886, at 4 o'clock P.M. and was afterward recorded in volume 21 on page 442 of the records of mortgages for said County. That for a valuable consideration, the said A.T. Carpenter sold and delivered the said notes and mort-

gage to this plaintiff, who is now the legal owner and holder thereof. That no payments have been made on either of the said notes, and there is now due to the plaintiff from the said defendants, the sum of $212.00 with interest thereon, payable annually, from the 27th day of March, 1886 the sum of $59.64 with interest thereon from the 27th day of March, 1887. That by reason of the non-payment of said sum so due as aforesaid the said mortgage deed has become absolute and subject to foreclosure. Wherefore the said plaintiff prays that unless the said defendants pay or cause to be paid to the plaintiff the amount due as aforesaid within a short day to be named by the Court, that an order issue to the Sheriff of Union County, Ohio, commanding him to cause the said premises to be appraised, advertised, and sold according to law and that he bring the proceeds into Court to await further order.

No 5461

Pleas before the Hon. John A. Price, one of the Judges of 3rd Subdivision, of the 10th Judicial District of the State of Ohio, at a term thereof begun and held at the Court House in the city of Marysville Union County, Ohio, on the 27th day of February, A.D. 1888.
Be it therefore remembered, that heretofore to-wit: On the 17th day of December, A.D. 1887, a petition was filed, which reads, in the words and figures as follows to-wit: Plaintiff says that on or about the 20th day of July, A.D. 1887, he entered into a verbal agreement with said defendant to put down for the defendant a driven well upon his farm in Allen Township of Union County, Ohio, at the rate of One Dollar and Twenty-five cents per foot. Said plaintiff to drive until he got a good well of water. In pursuance of said agreement said plaintiff entered on said contract and drove said well to the depth of One hundred feet, when the defendant stopped him and would not allow him to drive said well any deper and refused to allow the plaintiff to drive down and finish said well, according to said agreement, and also absolutely refused to pay said plaintiff for said work already done and expended in the digging of the same. Although the plaintiff frequently offered to proceed with his contract just as agreed and procure the defendant a good supply of water and complete him a good and sufficient well as agreed. Plaintiff says by reason of said defendant refusing to allow the Plaintiff to complete said well and by his neglect to pay him for his work as aforesaid, he is damaged in the sum of One hundred and Twenty-five Dollars for which he asks judgment.

To the Clerk: Issue summons to Sheriff of Union County, Ohio returnable according to law. Indorsed, Damage claimed $125.00

for Simon Childs, Defendant.

J. McKennedy, Atty Plaintiff.

Now comes the defendant and for answer to said plaintiffs petition, says he denies that he is indebted to said plaintiff in the sum of One Hundred and Twenty-five Dollars as damages as alleged in said plaintiffs petition or that he is indebted in any other manner or form to said plaintiff. Said defendant further answering says he entered into a contract with said plaintiff during the month of July, 1857, to drive a well for said defendant on the following conditions: said plaintiff was to drive a well for this defendant which was not to be deper than 70 fet; said plaintiff was to finish said well in a good and complete manner furnishing a pump and everything necessary for a perfect well; and if said plaintiff failed to get a good and sufficient well of water for this defendant within the said 70 feet above refferd to, then he was to have nothing and if he should get a good and sufficient well, finished as above described then this defendant was to pay said plaintiff $1.25 per foot for said well to be paid for one half in 6 months without interest and one half in 12 months without interest from the time of completing the same. That after said plaintiff had driven down to the depth of 70 fet and having failed to get water as above set forth, this defendant agreed to let said plaintiff dig to the depth of one hundred fet as above set out and in case he got a good well of water for this defendant, then this defendant was to pay as above set out, & in case he failed he was to have nothing. That said plaintiff has not got a goode well of water; that in fact he failed to get a well of water of any kind. Said defendant says that this plaintiff struck a good vein of water at the depth of about 55 ft. but that he piped the water off and refused to finish up a well but continued to dig although frequently requested by this defendant to draw back to the brim of water above refferd to. Therfore, this defendant asks judgment against this plaintiff for costs.

Now comes the Plaintiff and for reply to the Defendant's answer says that he denies that the contract with the defendant to drive the well stated in plaintiff petition, stipulated the depth of the well to be 70 feet or any other depth, he therefore denies that part of said answer. Plaintiff further says that he denies having struck a good vein of water at the depth of 55 feet or any other depth in said well But that he offered to finish up said well at the depth of 55 ft, as the defendant claimed that there was a sufficient vein at that depth but the defendant refused to allow plaintiff to do so. He therefore denies said paragraph of said answer. Plaintiff admits that he was to finish up said well by a pump &c. but sdys he was prevented from performing his part of said contract and completing said well by the defendant. Plaintiff therefore prays as in his petition.

This defendant says he denies each and every other allegation therein contained. second, This defendant further answering says, for a second defense, That the plaintiff ought not to have and maintain his action against him because he says, in August, 1883, he sold and delivered to the plaintiff 479 35/60 bushels of good merchantable wheat at One Dollar per bushel amounting to $479.02/100, and received by check from plaintiff in said August, 1883, $437 23/100, which left due this defendant on said date the sum of $42.09, which he claims with interest from August, 1883 and for which he asks judgment against said defendant.

Reply. 5475

Now comes the plaintiff and for a reply to 1st defense of defendants answer says that the coal was sold by plaintiff to defendant at the agreed price of $3.25 per ton. For a reply to the 2d defense, plaintiff says that he admits that he bought the wheat of the defendant as stated in the answer, but denies that he bought it $1.10 per bushel. Plaintiff says that wheat was fully paid for and settled to the satisfaction of the defendant, August 30th 1883, 227 30/60 bushels at 95 cents per bushel without any deduction, and the remainder of the wheat at $1.00 per bushel, but with a deduction of 7 pounds on each bushel. Plaintiff says that on said day a full settlement was made for said wheat and a check given to the defendant for $487 23/100 which was in full for the wheat that had been delivered by defendant and was accepted by him in full settlement.
He therefore asks judgment as in his petition.

S. O. R. Young, Defendant

In the Court of Common Pleas
Union County, Ohio.

5307. Plaintiff says: That it is a partnership firm formed for and doing business in Ohio under the firm name of J. M. Sanders and Co. The said firm is composed of J. M. Sanders and J. R. Goodwin, both residents of said county of Union. The said J. M. Sanders has for many years been engaged in the business of a Real Estate agent and broker, finding buyers for and selling Real Estate on commission, charging a regular commission of two per cent on the purchase money, all of which was well known to the defendant during the year 1886. That during the month of September, A. D. 1886 the said Sanders formed a partnership with said J. R. Goodwin, under the firm name above stated. Said J. M. Sanders had previous to forming said partnership spent large sums of money in advertising his business as a Real Estate agent; and when said partnership was formed, turned over the good will of said business to said firm, all of which was well known to the defendant. Said defendant during the fall of 1886 requested plaintiff to find a buyer for same land he had near Richwood in said county; and the plaintiff pursuant to said request found one J. J. Allen, who bought the defendants land for the sum of Fifty-six Hundred Dollars. Plaintiff assisted in making said sale, in showing the land drawing up papers, &c. Plaintiff says that by reason of the promises the defendant became indebted to plaintiff in the sum of One Hundred and Forty Dollars of which sum he has only paid Forty Dollar, leaving a balance of Ninety-two Dollars due plaintiffs which it claims with interest from October 8th 1886. Although often requested, the said defendant refuses to pay said sum of money or any part thereof. Therefore the plaintiff prays judgment against said defendant for said sum of Ninety-two Dollars, with interest from October 8th 1886, and for all proper relief.

We, the Jury, being duly impaneled and sworn, find the issues in this case in favor of the defendant S. O. R. Young—

Calvin Liggett, Foreman.

Motion. 5317.

The plaintiff moves the court for an order setting aside the verdict in this case and granting a new trial and for cause says. The verdict is not sustained by the evidence and is contrary to law. There was no sufficient evidence to sustain said verdict. There was error of law occurring at the trial and excepted to by the plaintiff. There was error in the charge given by the court to the jury. The court erred in omitting to charge the jury as requested by the plaintiff. The court erred in charging the jury that there must be an express contract in order to entitle the plaintiff to recover.

5283. The State of Ohio,
for the use of Union County, Plaintiff.
vs
J. J. Turner, Lewis Mills and Hylas Hood,
Defendants

In the Court of Common Pleas.

The plaintiff says: That on or about the twelfth day of November, A.D. 1883, Daniel Longbrake and others presented their petition to the County Commissioners of Union County, Ohio, asking for the straightening of Mill Creek in said County as stated in said petition. On the Seventh day of December, A.D. 1883, the said Commissioners granted the prayer of said petition and ordered said improvement made, as prayed for, and appointed F. J. Sager, as engineer to sell and superintend the said improvement. On the 10th day of July, A.D. 1884, said engineer duly proceeded to sell said improvement in three sections. Thereupon came J. J. Turner, the above named defendant and bid for, and obtained the construction of section No 3, of the said improvement. Said improvement was known and designated as the "Mill Creek cut-off Ditch No. 159." The said portion so obtained by said defendant J. J. Turner was known

and designated as "Section No 3 of the Mill Creek cut-off Ditch No. 159."
On said 10th day of July A.D. 1884, said defendant, J.J. Turner entered into a bond in the penalsum of Eight Hundred and Fifty-two Dollars, with said defendants Lewis Mills and Tylas Wood as his sureties, by the terms of which said bond it was covenanted that whereas, the abov bound J.J. Turner had on said 10th day of July A.D. 1884, bid off the work of constructing Section No 3 of Mill Creek cut-off No. 159, and had entered into contract therefor subject to the approval of said County Commissioners of Union County, Ohio. Now if said J.J. Turner should well and truly perform the obligations of his said contract, and complete the work within the time fixed therein, and pay all damages which may occur by reason of a failure to complete the said work as agreed upon in said contract, then said obligation to be void, otherwise to be in full force and effect in law. Said contract and bond were duly approved by said commissioners on the 14th day of July, A.D. 1884.
By the terms of said contract, said work was to be performed according to the specifications on file with the said Engineer, and said work was to be completed on or before the 1st day of November, A.D. 1884. Copies of said contract, specifications and bond are hereto attached, marked respectively Exhibits "A." "B." and "C." The said defendant J.J. Turner failed to complete said work within said time, and failed to complete said work at all. By reason of such failure, said Engineer was compelled to resell said work which was accordingly done on the Third day of October, A.D. 1885. The price to be received by said J.J. Turner, as agreed upon in said contract was $399.00. Said Turner received on said contract the sum of $355.00 leaving a balance of $44.00. When said contract was re-sold, the amount of the contract price therefor was $490.00, which amount was paid by said County Commissioners out of the funds of Union County, Ohio, said improvement having been completed on such resale as aforesaid. By reason of such failure said plaintiff has been damaged in the the sum of Five Hundred Dollars, for which sum, plaintiff asks judgment against said defendants.

Specifications Exhibit "B."

Section No. 3 commences at Station No 32 and ends at Station No. 100, in all 1600 feet or 109.15 Rods and estimated to contain 3550 cubic yards of excavation. Said ditch to be five rods on the bottom and the banks to have a straight slope from the bottom to the top of one and one-half feet horizontal to one foot perpendicular. The bottom of the ditch to be straight and to conform to the centre line of stakes; slope stakes will be set by the engineer and the bank slopes will begin about six inches from the stakes. The cut to be made to and even grade line, depths to correspond to the profile. The excavated earth to be used to form a dyke eight feet from the parallel with said cut on the north side of said improvement as shown by the line of stakes set for said dyke, and of the hights and dimensions shown by the profile and specifications of said dyke. All extra dirt that is left after constructing said dyke must be removed at least ten feet from the banks of the ditch and spread or may be sold and removed by the contractor. All brush, logs, drift wood and fallen timber and trees and trash under 12 inches in diameter to be removed from between the dyke and ditch on the north and from fifty feet on the south side of the improvement and piled and burned, or piled up in close and compact piles above high water line, so there is no danger of the same being floated away by high water. All stumps and trees in the area of the ditch are to be grubbed. The new channel is not to be opened and the water is not to be let in until the work is fully completed below and the old channel is not to be entirely closed until after the new channel is fully completed

and the water let to run through when the dyke is to be completed according to specifications.

Specifications for Dyke

Said dyke commences at Station No. 82.50 on the bank and ends at Station No. 98.60, in all 1610 feet or 97.57 rods and is estimated to contain 8755 cubic yards of dirt and to be five feet wide on top and the banks to have a side slope of one and one-half feet horizontal to one foot perpendicular, heights to correspond to profile. Where the dyke crosses the old channel, the same is not to be entirely filled until the new channel is fully completed and the water let to run through when the dyke is to be fully completed according to profile and specifications. If, in any case, there should not be enough excavation to complete the dyke according to profile and specifications, the the cut is to be widened on the side next the dyke until a sufficient amount of dirt is obtained to complete said dyke, said extra excavation is to be taken uniformly from the bank slope and no benches or offsets are to be left in the sides of the ditch and when the whole is completed, the banks are to have a straight slope from the bottom to the top of one foot horizontal to one foot perpendicular.

Contract is Bond.

Know all men by these presents: that J.J. Turner, as principal, and Lewis Mills and Hylas Wood, as sureties, are held and bound unto the State of Ohio for the use of Union County in the penal sum of Eight Hundred and Fifty-two Dollars, for the payment of which we jointly and severally bind ourselves by these presents this 10" day of July 1884. Turner has this day bid off the work of constructing Section No. 3 of Mill Creek cut-off No. 89, and has entered into the abov contract subject to the approval of the commissioners of Union County, Ohio. Now if the said J.J. Turner shall well and truly performe the obligations of his said contract, and complete the work within the time fixed therein, and pay all damages which may occur by reason of a failure to complete the work within as agreed upon in said contract, then this obligation shall be void, otherwise to be in full force and effect in law. Now came the defendants and for answer admit that the said J.J. Turner entered into said written contract and performed part of the work required by said contract and received the amount named in said petition from said Commissioners and that said Wood and said Mills signed said Bond as alleged and that said Engineer resold a part of said job and other work, for the price named but they deny all other allegations of said petition. 2nd. For a second defence defendants say that at the time he said Turner bid on said job of work and when he signed said written contract, the said J.J. Turner and his said sureties had never seen the profile and specifications of said work if any had been made, and they knew nothing of the extent of said work, except as said F.J. Sager, Engineer, explained the same to him at the time said job was being offered for sale at auction and before it was bid off by him. That said Engineer represented to said Turner that the whole amount of excavation in said job was 3550 cubic yards, and the amount of fill in the dyke was 8755 cubic yards whereas said defendants say that by the mutual mistake of said Engineer and said Turner, they entered into said contract in the mutual belief that said representations were correct, while in fact they were not correct but the amount of excavation and the amount of fill was at least one fourth more than was represented as aforesaid, and said defendants did not until long after the execution of said contract learn of said mistake. And further, defendants say that at the time said job was being offered for sale and before the same was bid off by said Turner, the said Sager stated to the defendant Turner and others bidding that the height of the dyke or fill at the place it would cross the bed of Mill Creek at what is now Station No. 95 of the profile, would be only 12 feet and that at its lowest point it would be only about five feet high, which will be Station No. 97, whereas in truth and fact at said point where it crosses the bed of Mill Creek at Station 95 the height of the dyke or fill is 14 feet and one inch and that at its lowest point aforesaid it is five feet and six inches and the average height of the dyke over and above what it would have been if said representations had been correct, is over one foot and one-half and the expense of completing said

job was increased over one-forth in the aggregate thereby. And the said Turner immediately entered upon said work and not for one month thereafter did he see the profile of said job and learn about said mistake, and having learned and communicated to said engineer and county commissioners the discovery of said mistake, he was by them encouraged and by others interested in said work to go on with his work and that he would be paid for the same and he relying on said on said encouragement and believing that he would be paid the increased expense occassioned by said increased quantity of said job by reason of said mistakes. He proceeded with all possible speed with his work aforesaid and paid all the money he recevd as aforesaid from said County Commissioners to laborers for work on said job, the labor of said Turner being lost, but about the day of November, 1884, the cost of the said work proving to be greater than said Contract price by reason of said mistakes in the quantity thereof, the said Turner was unable to obtain any more money on said job from said County, until he secured said structure, and obtained their consent for the further payment of money to him, and thereby he was hindered in the compilation of said job that Fall and defendants say that during the winter storms of 1884 and 1885, the lower end of said dyke was much washed away and damaged by the floods and high water in Mill Creek, so that in the Spring the cost of completing said job was greatly increased thereby without the fault of said defendants. Further they say, that in the Spring of 1885, said Turner was by said Commissioners notified to proceed with said work and complete said job and he commenced said work and drew pay thereon to the amount of about $20 and then continued work thereon until he owed hands for labor thereon twenty dollars more, which said Commissioners wrongfully refused to pay, and wrongfully compelled said Turner to cease work on said job, and said Engineer made new estimates for making a dyke over the land of Hylas Hood, being 900 feet of the lower end of said job but in doing so he changed the line of the dyke 30 feet farther north than was the line of the job sold to said Turner. The sale aforesaid was irregular and not in accord with said written contract and said defendants are not liable therefor and they say they were prevented from completing said job by reason of the wrongfull action of said Engineer and County Commissioners in not correcting said mistakes and not allowing the said Turner any compensation for the increased magnitude of said job as before stated and not by the fault of the defendants. The said Turner having completed the ditch throughout its entire length and the dyke for about 750 ft. on the upper end thereof and having in the Fall of 1884 made a large part of the dyke on the lower end of said job, he would have been able with the work done, to have more than completed said job, if it had been of the magnitude represented as aforesaid to said Turner, and by which mutual mistake of said Engineer and County Commissioners and said defendants were deceived and misled and damaged as aforesaid and therefore the defendants are not liable for or indebted to said County in any sum by reason of the premises and therefore they pray judgment.

Verdict 5445

Answer 5445

The defendant, aforesaid, for answer to the plaintiffs petition says he denies the several allegations thereof. For a second defence, the defendant says that on or about the 24th day of December, A.D. 1883, the defendant bought from Milton R. Slocum, the said piano, and paid him full and value therefor without any knowledge of any claim or pretense of claim of the plaintiff thereon. That said Slocum was at that time engaged in the

genral business of selling musical instruments at his store room in Marysville and had said piano in his possession as plaintiff well knew, and having said possession, sold and delivered said instrument to defendant and afterwards to-wit, On the 2" day of January, 1884, the plaintiffs took from said Slocum, the writing hereto attached while said instrument was in the defendants possession, and said Slocum paid thereon $165 leaving the sum of $165 unpaid as the defendant is informed and believes and if it is proven that the said plaintiffs have any claim on said piano, it cannot exceed the said sum of $165 in any event; but the defendant denies that said agreement of said plaintiffs and Slocum, made after defendants said purchase of said piano made as aforesaid, gave said plaintiffs any legal or equitable claim thereon; and therefore defendant prays judgment against plaintiffs for costs.

Curry, his wife executed and delivered to the plaintiffs J. K. McEntire & Co. the mortgage deed in the petition described and on the premises therein described; and that said Georgia A. Curry released her dower therein, and that said mortgage was duly recorded in Book No 25 page 14, of the records of mortgages of said County, and is a good and filed lien upon said premises described in the petition. The Court further find that the condition of defeasance in said mortgage has been broken and that the said plaintiffs are entitled to have the defendants equity of redemption foreclosed. The court further find that there is due to the defendant and cross petitioner the Bank of Richwood, from said defendant O. Curry, on the Judgment set up in the cross petition of said Bank of Richwood, the sum of $346.29 with 8 per cent interest thereon from this date and costs amounting to $5.50 and that said Judgment was taken and a levy made upon said premises described in the petition as in the cross petition of said Bank of Richwood set forth, and that said Judgment of said Bank of Richwood is the first lien upon the premises described in the petition It is therefore considered and decreed that unless the said defendants O. Curry and Georgia A. Curry shall within 5 days from the entry of this decree pay or cause to be paid to the Clerk of this Court, the costs in this case and to the Bank of Richwood the sum of $346.29 with interest at 8 per cent from November 17th, 1887, being the amount of this Judgment and costs in said case amounting to $5.50 and shall pay to Plaintiffs the sum of $740.50 with 7 per cent interest thereon from Nov. 17th, 1887, according to the terms of said note and mortgage the defendants equity of redemption be foreclosed and said premises shall be sold and an order shall issue therefor to the sheriff of Union County, Ohio, directing him to sell said premises as upon execution, and bring the proceeds into Court for further order.

In pursuance to the command of the Order of sale hereto annexed, I did on the 16th day of December, 1887, summon W.H. Corkwright, T.M. Burgun and O.F. Parsons, three disinterested freeholders, residents of said County, who were by me duly sworn to view and appraise the lands and tenements therein described, and afterward, on the 16th day of December, A.D. 1887, said appraisers returned to me, under their hands and seals, that they did, upon actual view of the premises, estimate and appraise the real value in money of the same at Twenty one hundred and fifty Dollars. A certified copy of said appraisal, I forthwith deposited in the office of the Clerk of the Court of Common Pleas of said County, and on the 29th day of December, 1887, I caused to be advertised in the Richwood Gazette, (a newspaper printed and published and of general circulation in Union County,) said lands and tenements to be sold at public sale, at the door of the Court House, of said County on the 28th day of January, A.D. 1888, at 1 o'clock P.M. of said day. And having advertised the said lands and tenements for more than thirty days previous to the day of sale, to-wit: for consecutive weeks; and in pursuance to said notice, I did on said 28th day of January, A.D. 1888, at the time and place above mentioned, proceed to offer said lands and tenements at public sale, and then and there came J.K. McEntire & Co. who bid for the same the sum of Fourteen hundred and Thirty-eight (1438[00]) Dollars, and said sum being more than two-thirds of the appraised value thereof, and said J.K. McEntire & Co. being the highest and best bidder therefor, I then and there publicly sold and struck off said lands and tenements to him for said sum of Fourteen hundred and thirty-eight Dollars.

Motion. 5421. Afterward to-wit: on the 9th day of January, 1888, an entry was made on the journal by the Clerk of said Court, to-wit: This cause now coming on to be heard on behalf of H.M. Weaver & Co. on their answer and cross petition. And the evidence the court find that the defendants O Curry and his wife Georgia A Curry, and the defendant, the Bank of Richwood, have waived the issuing and service of summons and process, and have voluntarily entered their appearance, to the answer and cross petition of said H.M. Weaver & Co. having been duly made thereto, as evidenced by their waiver duly filed herein, and that the said defendants O Curry and his wife Georgia Curry are in default for answer and demurrer. And that the allegation of the answer and cross petition of said H.M. Weaver are confessed by them to be true; and that there is due the said H.M. Weaver & Co. from said O. Curry on the promissory note set forth in the answer and cross petition of said H.M. Weaver & Co. with interest the sum of Nine hundred and Seventy-two dollars and forty three cents. (972 43) The court further find that in order to secure the payment of said note, to said H.M. Weaver & Company the said defendant O Curry, executed and delivered to said H.M. Weaver & Co. their certain mortgage deed as set forth in the answer and cross petition of said H.M. Weaver & Co. described and on the premises therein described; that said mortgage was duly recorded in Book 24 - Page 72 - of the Records of mortgages of Union County, Ohio, at the hour of 4 o'clock P.M. August 26th A.D. 1886., and is a good and valid second (2nd) lien on the premises described in their answer and cross petition and being the same premises as described in the petition of Plaintiff J.K. McIntire & Co. and that the said note is long past due and wholly unpaid and that the conditions of said mortgage have been broken; that the lien of said H.M. Weaver & Co. is the second lien on said premises and subject only to the judgment lien of the Bank of Richwood. It is therefore considered by the Court that the said H.M. Weaver & Company recover from the said O. Curry said sum of Nine hundred and Seventy two Dollars and forty-three cents, as heretofore respectfully found due them.

Journal Entry. 5421.

And that said judgment bear interest at 8% from this date, and that said mortgage be foreclosed and the premises sold in conformity to the order heretofore granted in this cause. The court further find that the respective liens of the Bank of Richwood, H.M. Weaver & Co. and J.K. McEntire & Co. have not been determined by this court in the former decree in this action. And it is ordered, decreed, determined and found that the liens attach on said premises, and shall be paid out of the proceeds arising from the sale in the following order of priority to-wit: First, to the Bank of Richwood $310.23 and interest and costs. Second, H.M. Weaver & Co. Nine Hundred and Seventy-two dollars, forty three cents ($972.43) and interest from January 10th 1858 and costs. Third, J.K. McEntire & Co. the sum of Seven Hundred and forty dollars and eighty cents and interest; and that so soon as the premises hereof shall be sold under the former order of this court, the proceeds shall be brought into court to abide the further order and that the claims of the Bank of Richwood, H.M. Weaver & Co & J.K. McEntire & Co shall be paid as herein ordered.

Motion 5421.

Now comes the plaintiff J.K. McEntire and moves the Court to set aside a Journal Entry made in this cause, for this, to-wit: This action was upon a foreclosure of a mortgage, upon which premises there are several lien holders, and parties interested defendants. 1st That said entry filed January 9th 1858 was not signed by the Court or by any parties or their attorneys, to this action. 2nd That the entry further shows that the Court has found the amount due each lien holder and their priority. Whereas in fact the Court had made no finding at all as to priority of liens. And the same is without any order of the Court whatever.

J.K. McEntire & Co.

Journal Entry. 5421.

McEntire to have the contingent right of dower of Georgia F. Curry, wife of O. Curry assigned and determined And the motion of H.M. Weaver & Co. to determine the respective priority of liens and a distribution of the proceeds arising from the sale of said real estate. And the court, having carefully examined the said proceedings and being satisfied that the sale has in all respects been made in conformity to the provision of the statute in such cases made and provided, finds the same to be legal and does therefore approve and confirm the same and further orders that the Sheriff so soon as the purchaser J.K. McEntire shall pay into Court the sum of Twelve hundred and thirty eight dollars, that he shall execute and deliver to said purchaser J.K. Motion. 5150

The defendant moves the Court here for an order striking from the files. The paper marked petition and bearing the file mark of the Clerk October 11th 1886. And the said case may be dismissed for want of prosecution and for cause says: 1st The time for filing a petition in this case appears prior to the first of October, 1886 and no petition was then filed and no leave of the Court obtained to file same since. 2nd Said paper marked petition as aforesaid is not signed by either the said plaintiff or her attorney as is required by law and the same is not a legal paper in said case.

Cameron & Woodburn, Attys for Deft.

Entry 5150

This day came this cause on to be heard upon the motion of the defendant to strike the plaintiffs petition from the files, because the said petition is not signed either by the plaintiff or his attorney. The court on consideration thereof does sustain said motion, and by consent of parties, the plaintiff's attorney signed said petition. And this cause is continued with leave for defendant to answer within 30 days from the rising of the Court.

Entry. 5/30

Afterward, to wit: On the 1st day of November, A.D. 1887 an entry was made on the Journal by the Clerk of said Court, which reads as follows, to wit: This cause is continued with leave to Defendant to plead to the Petition by the first day of January next.

Entry.

Leave was granted defendant to answer instanter and answer filed October 24th 1887.

Answer 5/30

The defendant C.H. Burgoon for his answer to the petition of Plaintiff says: That he admits that he received from said Julia A. Benedict, Eighty Dollars to be forwarded to plaintiff, but denies each and every other allegation and averment in said petition contained. Second defense - For a second defense, defendant says that about the first day of May, 1883, being the day named in the said petition the plaintiff was a resident of Lima, Ohio, the said said Julia A. Benedict and this defendant lived near Richwood, Ohio, and one A.J. Blake was then the president of the Union County Bank, a private banking institution at Richwood Ohio. The said A.J. Blake and said Bank were then in good financial repute and this defendant was accustomed to receive and send money through the same which was well known to said Julia A. Benedict at that time. On or about the date named, the said Julia A. Benedict, knowing the premises, left at the residence of this defendant the sum of Eighty dollars which she said she wanted sent to the plaintiff at Lima, Ohio, but she gave no instructions or directions how the money was to be sent. This defendant having good reason to believe, and believing said Blake and said Bank to be safe and trustworthy financially delivered said money to said Blake at Richwood with directions to send the same to the plaintiff at Lima, Ohio. Said Julia A. Benedict at the time she left said money at the residence of this defendant to be forwarded as aforesaid, did not agree, intend or expect to pay this defendant any thing for assisting her in sending the same, but the same was a mere gratuitous accommodation on the part of this defendant. This defendant duly notified the said Julia A. Benedict of what he had done with said money and she expressed her approval thereof. Wherefore this defendant asks to go hence and recover his costs, and for all proper relief.

Motion 5/30

The plaintiffs moves the Court to require defendant to amend his answer by stating whether he left the eighty dollars named in his answer with A.J. Blake at the Bank named in said answer or at some other place in Richwood and whether said A.J. Blake left the money with said Bank and whether he sent the money or not and whether defendant took any receipt or certificate or other memorandum

from said A. J. Blake as evidence of the money so left with him, and if so what signature was made to said receipt, certificate or memorandum.

Entry sustaining Motion 5/50

And now came the parties by their attorneys and this cause came on to be heard upon the motion of the plaintiff to require the defendant to amend his answer as to certain matters, was argued by counsel and submitted to the Court. Whereupon, the Court being fully advised in the premises, so as to require the defendant to show whether the money was paid to Blake at the Bank and the balance of motion overruled and leave granted to the defendant to file amended answer by November 9th next.

Amended Petition. 5/50

Afterward to-wit: On the 5th day of November, 1887, a petition was filed with the Clerk of said Court which reads in the words and figures as follows, to-wit: The said plaintiff Mary Davis now comes and for amended petition says that she complains of the defendant C. W. Burgoon for this, That on or about the 3rd day of April, A.D. 1883, one Julia A. Benedict who was at that time indebted to the plaintiff in the sum of Eighty Dollars ($80.00) and for the purpose of making payment of the same to said plaintiff gave to said defendant said sum of Eighty Dollars to send to said plaintiff at Lima, Ohio, where said plaintiff then lived. That said defendant did not send said money ($80.00) to said plaintiff as directed by said Julia A. Benedict, but converted the same to his own use and has ever since failed and refused to pay over said Eighty Dollars or send the same to said plaintiff. Plaintiff says that sum of Eighty Dollars is now due her from said defendant, yet the said defendant though often requested has not paid said sum of eighty dollars to said plaintiff nor any part thereof nor to any one directed by her to receive the same. Wherefor the said plaintiff prays a Judgment against said defendant for the sum of Eighty Dollars ($80.00) with interest thereon from the 3rd day of April 1883 and costs.

other allegation and arrment in said petition contained. Second defense
for a sechd defense defendant says that about the first day of May, 1863, being
the day named in the said petition, the plaintiff was a resident of Lima,
Ohio and this defendant and said Julia A. Benedict lived on a farm near
Richwood, Ohio, at that time one A.J. Blake was the President of the Union
County Bank, a private Banking institution at Richwood, O. the said A.J.
Blake was also the business manager of a large planing Mill in said vil
lage of Richwood near said Bank. The said Bank was then of good finan
cial repute and believed by the defendant and said Julia A. Benedict to
be solvent and reliable. The said A.J. Blake was also of good financial
repute and were well known to said Julia A. Benedict and this defendant
and believed by them to be honest, trustworthy and responsible. And
this defendant had some business with him both at said Bank and Plan
ing Mill. And the fact of his being president of said Bank, gave this defend
ant increased confidence in him, as a safe and trustworthy person, as
said Julia A. Benedict well knew. That about the date named the said
Julia A. Benedict left at the residence of this defendant, the sum of Eighty
Dollars, which she said she wanted sent to the plaintiff at Lima, Ohio,
but she gave no instructions or directions how the money was to be sent.
This defendant's business was that of a farmer and he did not have or
hold himself out to have any skill in handling or sending money. And
said Julia A. Benedict at the time she left said money at the residence of
this defendant to be forwarded as aforesaid, did not agree, intend or expect
to pay this defendant any thing for assisting her in sending the same,
but the same was a mere gratuitous accomodation on the part of this
defendant. This defendant took said money to Richwood and finding said
A.J. Blake at his Planing Mill and it being during business hours this
defendant delivered the money to him at said planing mill and
gave him an envelope plainly addressed to said plaintiff at Lima,
Ohio, and gave the said A.J. Blake instructions to forward said money
to said plaintiff by some safe means. This defendant duly notified said
Julia A. Benedict of what he had done in the premises and that he
had delivered the said money to said Blake at the place named. And
she expressed her approval of the same. Wherefore this defendant
asks to go hence and recover his costs and for all proper relief.

"$350.00 Marysville, December, 24th, 1885.

"On the First day of October, 1887, I promise to pay L Emmons" or bearer, Three Hundred and Fifty Dollars, for value received, with" "6 per cent. interest from and after September 1st 1886, until due, and" "8 per cent. after due; interest to be paid annually after maturity." Answer 5473.

The defendant, L.F. Carpenter now comes and for his answer to the plaintiffs petition says: First Defense- That he denies that plaintiff purchased said note either before or after due and denies that he paid a full, fair or any consideration therefor and denies that there is any thing due plaintiff thereon. For a Second Defense, defendant says. That said plaintiff ought not to have or maintain his said action because, while the name of said L. Emmons appears in said note as payee thereof, yet in truth and in fact, said L. Emmons was only a fictitious payee, the said note being in fact executed to said plaintiff and delivered to him through his agent as hereinafter to be stated. Said note is and was wholly without consideration and was procured from defendant under the following circumstances, to wit: During the month of December, 1885, One Isaac Willett was indebted to the plaintiff and it was agreed

and arranged between said plaintiff and said Willett that if said Willett would sell for said plaintiff thirty five bushels of wheat to be delivered after the harvest of 1886 at the sum of fifteen Dollars per bushel that said plaintiff would allow said Willett five Dollars per bushel to apply on his said indebtedness. It was then known to the plaintiff and said Willett that said wheat was not on hand to deliver then, and that plaintiff did not then own the same and that wheat was not worth over 90 cents per bushel at that time and would probably not be worth more than that price after the harvest of 1886. And in fact, wheat has not been worth over 90 cents per bushel since December, 1885. Plaintiff's wife is a cousin of Defendant and said Willett was his neighbor and they were in a position to have defendants confidence. On the day before Christmas 1885, said Willett came to the residence of defendant and with blandishment and false representations in regard to said wheat and with many bewildering figures which the defendant is unable to now remember so as to set them out prevailed upon the defendant to agree to pay $75.00 per bushel for 35 bushels of plaintiffs wheat to be delivered in September following. The said Willett then produced the note set forth in the petition and also another note for $175.00 which last note was to be Willetts commission, and defendant signed both of said notes and delivered them to said Willett who gave them over to plaintiff, the note in the petition to be plaintiffs for 35 bushels of wheat to be delivered and the other note to apply on the indebtedness of Willett to plaintiff. The defendant says that after the said Willett had left and he came from under the influence of his blandishment, he believed himself to have been victimized and swindled and some afterward went to said Willett and demanded the return of his notes but Willett put him off saying he would see about it. Defendant says that before the harvest of 1886, he went to the plaintiff and demanded his notes and notified plaintiff not to deliver said wheat and informed him the he would not pay said notes. That plaintiff then and ever since had said notes in his possession. Plaintiff never did deliver any of said wheat to defendant and defendant never accepted any wheat of plaintiff. Defendant says that said transaction was void being in violation of the act of the General Assembly of the State of Ohio, passed May 4th 1865 entitled an act to prevent gambling in grain &c. The said defendant further says that one of the artifices used by said Willett to obtain said notes was an arrangement that after the harvest of 1886, said plaintiff was to deliver said 35 bushels of wheat and defendant was to sow it in the fall of 1886, and that of the wheat to be raised from said 35 bushels and harvested in 1887, there was a certain Company in Kenton Ohio duly authorized that would sell 70 bushels of said wheat at a net sum to defendant of ten dollars per bushel. And the said Willett exhibited to defendant a pretentious paper purporting to be a bond and which contained blanks to be filled out and said Willett filled said blanks and when so completed said paper purported to be a bond that would bind said company to sell of the wheat to be raised by defendant and harvested in the year 1887, 70 bushels on or before September 1st 1887 at a net sum to defendant of ten dollars per bushel. Defendant says that said pretented bond was a fine looking paper, printed in red ink with a crimson border

and containing a large gilt Seal in which was the the legend, "Bohemian Oats and Cerial Company. Kenton Ohio" and which paper was well calculated to decive as said plaintiff and said Willett will know. These papers had been printed in great stacks and were sold by one L. Emmons of Kenton, Ohio, to whoever would buy and for whatever he could get and said Willett had got hold of some of them, one of which he used on the defendant to procure said note, and the same was done by the procurement of plaintiff. Said pretended bonds never had any validity and were never intended to be redeemed or fulfilled, and the one delivered to plaintiff never was fulfilled by said company. They were sold as blanks and whoever had one of them could fill in an unlimited amount. Said company was a fraud and sham. It had no treasury and no organization, no money to redeem its pledges, save what said Emmons got from the sale of said blanks. Parties using the said blanks and procuring notes did not turn the notes over to the said Company. Said Company never received any consideration for the pretended bond left by Willett with defendant. And said company never knew of said transaction and the whole transaction was a trick and scheme as plaintiff and Willett well know. Defendant further answering, says, that before the time had arrived for plaintiff to deliver said 35 bushels of wheat, to-wit: On the 15th day of May, 1856, the General Assembly of the State of Ohio passed an act entitled an Act to prevent the fraudulent sale of grain &c. That by the provisions of said act all such transactions were declared void and the fulfillment of the terms of said pretended bond by any person would have been in violation of the criminal laws of the State and punishable by imprisonment in the Penitentiary, all of which the Plaintiff and said Willett well know. After the passage of said act and before the time for plaintiff to deliver said wheat, defendant went to the plaintiff, he still having said notes and notified plaintiff that it would be impossible for him in any way to comply with the terms of said pretended bond and told plaintiff not to deliver said wheat, and demanded of plaintiff said notes, but the plaintiff refused to deliver the said notes although he had not paid any thing for them and had not delivered any wheat. Defendant says that there was no consideration for said notes, that it was procured by fraud on the part of plaintiff in the manner herein stated. Therefore defendant prays the Court for an order that said notes may be either delivered up to defendant or that it may be cancelled by order of the Court. That defendant may have such relief in regard thereto as he may be entitled and finally go hence and recover his cost.

And now comes the said Benjamin H. Warder, as trustee of the said Mary P. Petition. Be it therefore remembered, that heretofore, to-wit: On the 28th day of March, A.D. 1888 plaintiff filed his petition, which reads in the words and figures as follows, to-wit:
No. 5518.

Henry H Marriott, Plaintiff.
-vs-
Anna Grindell, Defendant. } In the Court of Common Pleas
Union County, Ohio.

The plaintiff Henry H Marriott says that about the year 1852, he purchased of Thomas T. Grindell, the following described tract of land: Situate in Union County and State of Ohio. Beginning at the S E corner of land once owned by Lobias Robertson at two beeches; Thence N. 18° W. 170 poles a stone; Thence S. 72 W. 70 poles; Thence S 18° E 170 poles; Thence N. 72° E 70 poles to place of beginning containing seventy-five acres of land more or less, being a part of Virginia Military Survey No 7009, on the waters of Ful... Creek, in Claibome Township.
And is now the legal owner and possessor thereof. That said Thomas T. Grindell had previously purchased of D. C Grindell, Oliver B Grindell and Charles S Grindell, their certain interest in said land, which descended to them as heirs at law of a deceased sister who had died having an interest in said lands which accrued to her heirs after the death of her father Sylvester Grindell, and without children, and intestate, leaving the said brothers her heirs at law. That said David C. Grindell, in pursuance of said purchase of said Thomas T Grindell, and by reason of the sale of said premises by said Thos. T. Grindell to the plaintiff, executed his deed of conveyance of his interest in said premises to the plaintiff, and the said Charles S Grindell has recently conveyed his interest therein to the plaintiff. And the said Oliver B Grindell who died December 4th 1885 without issue, and intestate, had in consideration of a valuable and sufficient payment made to him by said Thos. T. Grindell agreed and promised to execute to said plaintiff, a conveyance of his said interest in said premises. This agreement had been made and said payment made while said Oliver was a minor, but he had come of age about the 15th of October 1885, and had ratified and acknowledged his said agreement to convey

said interest in said premises to the plaintiff, and had promised to do so after arriving at the age of 21 years; but before he had done so, he was suddenly killed on the 4th of December, 1885 as aforesaid. Plaintiff says that in pursuance of said agreement if said Oliver B Grindell to convey his interest in said premises to the plaintiff, and on account of not having so conveyed during his life time, the Thomas J Grindell, Charles S Grindell, John W. Grindell and Lucinda Rud and Emma E, then brothers and sisters of the deceased Oliver B. Grindell, have recently conveyed all their title and interest in said premises, to the plaintiff, as heirs of said Oliver B. Grindell. But plaintiff says the said David C Grindell, one of the said brothers of Oliver B. Grindell died, leaving as his heir, the defendant Anna Grindell, a minor, who by the death of her father, the said David C. Grindell, and by the death of the said Oliver B. Grindell, becomes entitled, as an heir at law of the said Oliver B. Grindell, to an interest in said premises, Adverse to the title of the plaintiff, wherefore plaintiff prays that said defendant Anna Grindell may be brought into Court, and in consideration of the said agreement of the said Oliver B Grindell deceased as aforesaid, to convey to the plaintiff all his title, and interest in said premises.

Plaintiff asks the Court to decree, that the said interest of the said defendant in said premises, be conveyed to the plaintiff and that said decree act as a conveyance and for necessary further relief.

Affidavit of Thomas J. Grindell 5518

Thomas J. Grindell, being sworn says he purchased of his brother, Oliver B. Grindell in 1882, his entire interest in the one-half of the 75 acres of land, owned by our sister, who died previous to that time, and fully joined him therefor. And afterwards sold the same premises to H. N. Marriott, and the said Oliver B. Grindell, who was then a minor, agreed to execute to said H. N. Marriott a quit claim deed for the same as soon as he came of age, which agreement he fully ratified and acknowledged in my presence after he came to his majority. But before he had done so, he was suddenly killed, December 4th, 1885. That all of the heirs of the said Oliver B Grindell have quit claimed their interest in said land except the defendant herein, Anna Grindell who is a minor of about 5 years of age.

Entry 5476

This day came the parties in open Court and reported that had settled this case as follows: Whereas the said John Pursel did in his last will provide for plaintiff as a residuary legatee, and that the amount so willed to her (and which proves to be Two Thousand dollars and more) should be placed in the hands of a trustee for the use of said plaintiff during life and then to go to her heirs and whereas all the heirs and devisees of said John Pursel, and prospective heirs of said plaintiff have made their request in writing, that said money should be turned over to plaintiff in her own right absolutely and not to a trustee for her use. In consideration of which it is agreed that the said money shall be so turned over to said plaintiff and that in consideration thereof, she releases all her claim upon said estate for services and settles all matters named in the petition and this cause is to be dismissed at plaintiff's cost. The following being a true copy of said writing.

"To the Honorable Probate Court of Union County, Ohio.

We the undersigned brothers and sisters and only heirs of the said Kate Pursel, hereby request that the money which upon the final settlement of the estate of Pursel deceased will be due and payable to unnamed Trustee for the use of the said Kate Pursel, be paid to her and that the appointment of a trustee for her said interest be omitted and dispensed with.

February - 1888. Signed by Enoch Pursel, John Pursel, Christiana Anderson, Mary P. Staymen, Evan Pursel, E. H. Pursel, Silas Pursel, Jake Pursel, Margaret E. Smart, George Pursel.

The Court upon report of the said settlement finding the above named persons are the only parties interested in said estate and that the said settlement is reasonable, does approve the same, and order it to be so recorded. It is therefore considered that this case be and it is hereby dismissed, all matters between the parties settled, and costs paid.

Scott and became the owner and holder thereof for a valuable consideration before the same became due. That said note has not been paid nor any part thereof. That there is still due and unpaid on said note the sum of Ninety eight Dollars, with interest at eight per cent. per annum from October 25th 1885. A copy of said note is hereto attached marked Exhibit B.
3rd Cause of Action. That said defendant Robert W. Bruton, on or about the twenty fifth day of October, A.D. 1883, executed and delivered to James W. Scott his certain promissory note promising thereby to pay to said James W. Scott or order, three years after said date, the sum of Eighty seven and 50/100 dollars, with interest at six per cent. per annum from date till due and eight per cent. after maturity until paid. Plaintiff further says that he purchased said note of said James W. Scott and became the owner and holder thereof for a valuable consideration before the same became due. That said note has not been paid or any part thereof. That there is now due and unpaid thereon, the sum of One hundred and three and 25/100 dollars, with interest at eight per cent per annum from the twenty fifth day of October, 1886. A copy of said note is hereto attached marked Exhibit C.
4th Cause of Action. That said defendant Robert W. Bruton on or about the twenty fifth day of October, A.D. 1883, executed and delivered to James W. Scott, his certain promissory note promising thereby to pay to said James W. Scott or order four years after said date, the sum of Eighty Seven and 50/100 dollars with interest at six per cent. per annum from date till due and eight per cent. after maturity until paid. Plaintiff further says that he purchased said note of said James W. Scott and became

the owner and holder thereof for a valuable consideration before the same became due. That said note has not been paid nor any part thereof. That there is still due and unpaid on said note the sum of One hundred and eight and 50 dollars with interest at eight per cent. per annum from the twenty fifth day of October A.D. 1887. A copy of said note is hereto attached marked Exhibit B.

5th Cause of Action: Said plaintiff complains of said defendants Robert W. Bruston and Dulcina A. Bruston, and reaffirms and adopts the allegations of the first, second, third and fourth causes of action as fully as if the whole of the same were recited in this fifth cause of action, and says that contemporaneously with the execution of said notes, and to secure the payment of the same, said defendants Robert W. Bruston and Dulcina A. Bruston executed and delivered to said James K. Scott, their deed of the following described real estate: Situated in the County of Union, in the State of Ohio and in the Township of Jackson and bounded and described as follows: Being part of Virginia Military Survey 9944, Beginning at a stone at the South west corner of a tract of land deeded by James K. Scott & Wife to John Fonder the 20th day of October, 1883; thence N. 79° E 54 36/100 poles to a stone at the south east corner of the said Fonder's tract; Thence S. 10° E 26 49/100 poles to a stone at the north east corner of E. Field's land; Thence S 79° W. 54 36/100 poles to a stone in the line of Margaret Boudin's land; Thence N. 10° W 26 49/100 poles to the place of beginning, containing 9 acres, more or less. And that there was in said deed the following condition, "Provided always and these presents are upon this condition that if the said Robert Bruston shall pay or cause to be paid unto the said James K. Scott, his four certain promissory notes dated October 25th, 1883 due respectively in 1, 2, 3, and 4 years from date, for $87 50/100 dollars each and bearing six per cent interest until due and eight per cent. after maturity until paid. Then these presents shall be void, otherwise to be and remain in full force and virtue in law forever" That said mortgage deed was filed for record in the Recorder's office of said Union County, Ohio, December 10th 1883 at 7 o'clock A.M. and duly recorded December 14th 1883 in Record of Mortgages Volume 20 at page 439. Plaintiff further says that he became the assignee, owner and holder of said mortgage deed by purchase and assignment of the same from said James K. Scott, on the back of said deed on or about the 31st day of October, 1883 for a valuable consideration that said assignment was duly recorded in the Recorder's Office of said County on or about the 11th day of December, A.D. 1883. Plaintiff says that said mortgage deed remains unsatisfied and is a valid and first lien on said premises, and that the condition of said mortgage has been broken. Wherefore plaintiff prays that an account be taken of the said several sums due him as aforesaid, that he may have judgment for the same against R. W. Bruston and that the Sheriff of said county be ordered to appraise, advertise and sell said premises described as upon execution, and that out of the proceeds he be directed to pay to plaintiff the amount so found due and for all proper relief.

Afterward, to-wit: On the 13th day of March, 1888, an entry was made on the Journal by the Clerk of said Court, which reads as follows, to-wit:

Timothy Fahey
against
Robert W. Breaston and
Dulcina Breaston.

Entry. 5472. This day this cause came on to be heard upon the petition and the evidence (the said defendants Robert W. Breaston and Dulcina Breaston being in default for answer or demurrer) and was argued by counsel; upon consideration whereof, and being duly advised in the premises, the Court do find that all parties in interest have had due and legal notice of the filing and pendency of the petition in

this case, and that the allegations contained therein are true. And the Court do further find that there is due to the plaintiff from the said defendant Robert W. Braston, upon the promissory notes mentioned and referred to in the first, second, third, fourth and fifth causes of action set forth in the petition, the sum of $426.75 and the said sum should bear interest at the rate of eight per cent per annum from the date of this decree. And the Court do further find that in order to secure payment of the promissory notes mentioned and referred to in the petition, the said defendants Robert W. Braston and Dulcina Braston, his wife, executed and delivered their certain mortgage deed upon the following real estate: Situated in the County of Union, in the State of Ohio, and in the Township of Jackson and bounded and described as follows:- Being part of Virginia Military Survey #9944; Beginning at a stone at the South west corner of a tract of land deded by James W. Scott and wife to John Fonrider, the 20th day of October, 1883; Thence N. 79° E. 54 36/100 poles to a stone at the south east corner of the said Fonrider's tract; Thence S 10° E. 26 79/100 poles to a stone at the north east corner of E. Field's land; Thence S. 79° W 54 36/100 poles to a stone in the line of Margaret Fonrider's land; Thence N 10° W 26 79/100 poles to the place of beginning, containing Nine (9) Acres, more or less. That said mortgage deed was duly filed for record with the Recorder of Union County, Ohio, on the 10th day of December, 1883 at 7 o'clock A. M. and duly recorded on the 14th day of December, 1883 in the Records of Mortgages of said County, Vol. 20, Page 439; that the said plaintiff Timothy Fahey is now the owner and holder of said mortgage by assignment from James W. Scott as alleged in the petition, and that the same is the first and best lien upon the premises above described. And the Court do further find that the conditions of said mortgage have been broken and that the plaintiff is entitled to have the same foreclosed. It is therefore ordered, adjudged and decreed by the Court that unless the said defendants Robert W. Braston and Dulcina Braston pay or cause to be paid to the Clerk of the Court, the costs of this case, and to the said plaintiff Timothy Fahey, the amount hereinbefore found due him, with interest from this date, an order or orders issue to the Sheriff of Union County Ohio, commanding him to appraise, advertise and sell the real estate herein described, as upon execution at law, at that said Sheriff bring the proceeds of such sale into this Court to abide its further order therein.

vs
George Goins, Solomon James and Janetta James, Defendants.

In the Court of Common Pleas, Union County, Ohio.

By way of Amended petition, the plaintiff says that she has been a resident of the State of Ohio for more than a year last past and is now a bonafide resident of Union County, Ohio. That on the 28th day of March, A.D. 1884, she was married to the defendant at Fort Wayne, Indiana. Plaintiff further says that said defendant has been guilty of gross neglect of duty toward your petitioner, totally neglecting her and leaving her without food or clothing, fuel or any means of support whatever, and has gone to parts to this plaintiff unknown. And at one time failed to provide her with a home for a year and six months or more during which time she was compelled to live in the house with his mother, and that during said time, said Janetta James, his mother, was cross, insulting, and abusive to the plaintiff. Plaintiff further says that said George Goins is the owner of the following personal property, to-wit: One Sorrel Mare, three years old in the following spring. One Sterling one set of single light harness, one set of chairs, one Bld, and bedding and Bed stead.

That all of said property is in the possession of and under the control of said Solomon James and Janetta James and the said Solomon James claims to have some interest in said mare colt or to have some claim in the same. Said plaintiff further says that said property is all the property real or personal that belongs to the defendant, and that now she has filed her petition against him. He will sell, dispose of or incumber the same so as to defeat her claim thereon and will by that means leave her without any means of support whatever unless restrained by the order of this Court. She further says that she is wholly unable to give the undertaking required by Law in cases of Injunction. She therefore prays that at the final hearing of this petition she be divorced from said defendant and that she have reasonable alimony decreed her and that said George Goins, Solomon James and Janetta James be enjoined from selling, incumbering and removing said property heretofore described in her petition and if the said Solomon James should be compelled to sell said sorrell mare under his chattle mortgage, that he be ordered pay the surplus into the hands of the Court to await the action of this Court and for all proper relief in the premises.

$217.20 and that P.O. Adams purchased the premises described in said petition after the execution of said mortgage and subject to the conditions contained therein. The court further find that in order to secure the payment of the said note, the defendants Elizabeth Haines and H.P. Now comes the said defendant, M.F. Langstaff and for his seperate answer to the plaintiff herein says:- He signed the note in the petition described without consideration as to himself and merely as surety for the maker Lester Oliver, of which the plaintiff had due notice.

Nine Months after date, I promise to pay to Lincoln E. Thomas or bearer Twenty three Dollars and Ninety nine cents, with six per cent interest per annum from date for value received December 18th, 1886.

And further plaintiff says the defendant Kersey to secure the payment of said notes executed and delivered his mortgaged deed to the plaintiff, for the following described real estate: Situate in the County of Union and State of Ohio and in the Township of Jackson. Being part of Survey No. 10240 of V. 5489. Your petitioner Sophia L. The plaintiff further says, that in the 1st day of September, 1885, the defendant wholly abandoned her, and within a year prior to that time, the said plaintiff received about Two Hundred Dollars in money, and other personal property, and that the said defendant spent all of the money and personal property in idleness and leveling and loafing, and left the said plaintiff entirely destitute, and she has dependant upon her neighbors and friends for support. Your petitioner therefore prays that she may be divorced from the said George W. For a first cause of action against said defendant Albert M. Campbell, the plaintiff R. B. Thompson says there is due to him from said Albert M. Campbell on the promissory note of said Albert M. Eighteen months after date, I promise to pay to the order of R. B. Thompson, Twenty Dollars, value recived with interest at 6% per annum.

The said note now belongs to R.B. Thompson, Plaintiff. And for a third cause of action, the plaintiff says that to secure the payment of the above described promissory notes (and another of like date for $50. due in nine months from date, which has been paid.) all dated July 30, 1886, and made by the said Albert McCampbell payable to the order of said R.B. Thompson, plaintiff as follows: note described in first cause of action due in one year from date, and note described in second cause of action due in eighteen months from date, both of which notes are past due, according to the tenor and effect thereof the said Albert McCampbell, duly executed and acknowledged and delivered to the plaintiff, his certain mortgage deed bearing date on the 30th day of July, 1886 and thereby conveyed to the plaintiff in fee simple free from all rights, the following described lands: Situate in the County of Union, State of Ohio and Village of Marysville: Lot No. 278, formerly 261 in S.O. Lee's Addition to Marysville, Ohio, for further particulars, reference is hereby to the recorded plat of Marysville, Ohio.

Said mortgage deed was duly filed for record with the Recorder of Union County, Ohio, at his office, July 31st 1886 at 9 o'clock, A.M. and was duly recorded in Vol. 21, Page 535 of his mortgage records. The said mortgage deed has a condition thereunder written that in case the said Albert McCampbell should pay or cause to be paid unto the said R.B. Thompson each of said promissory notes when and as they respectively become due with the interest, then said deed should be void otherwise to be and remain in full force. That said Albert McCampbell has wholly failed to pay said two promissory notes described in the first and second cause of action hereof, though the same are past due, wherefore said mortgage deed has become absolute. On the 14th day of May, 1887, said Albert McCampbell conveyed said premises to Benjamin Daugherty, defendant, by deed dated May 14th 1887 and recorded Vol. 57, Page 189 of Deed Records, Union County, Ohio. The said Albert McCampbell has or claims some lien of said Lot No. 278, by mortgage from said Benjamin Daugherty. Said plaintiff asks that he be required to answer and set up his said claim or be forever barred. The said A.M. Daugherty is the wife of said Benjamin Daugherty. Wherefore the plaintiff asks for judgment against the said Albert McCampbell under the first cause of cause for the sum of Fifty Dollars, with interest at six per cent per annum from July 30th 1886, with a credit of $28.00 Aug. 13th, 1887 and $10. Sept. 12th, 1887, and under the second cause of action for the sum of Twenty Dollars with interest at six per cent. per annum from July 30th 1886, that said premises be sold as upon execution to satisfy plaintiff's said mortgage indebtedness from said Albert McCampbell and the judgment by plaintiff so to be obtained, that the respective rights, claims and liens of the plaintiff and of said Albert McCampbell, be marshalled and de-

Court of Common Pleas, Union County, Ohio.

Entry. Russell B. Thompson, Plaintiff
vs.
Albert M. Campbell, et al. Defendants.

This cause now coming on for hearing on the petition of the plaintiff and the evidence, the court find that the defendants Albert M. Campbell, Benjamin Daugherty and A. M. Daugherty, his wife, has been duly served with summons in this case and that they are in default for answer and demurrer, and that the allegations are thereby confessed by them to be true, and that there is due the plaintiff from the defendant Albert M. Campbell on the promissory notes set forth in the petition with interest to the first day of this term the sum of $35.05.

The court further find that in order to secure the payment of said notes the defendant Albert M. Campbell executed and delivered to said Russell B. Thompson the plaintiff, his certain mortgage as in the petition described and on the premises therein described, that said mortgage was duly record-

id, in Book 21, Page 535 of the records of mortgages of Union County and is a good and valid lien on the premises described in the petition and that the conditions of said mortgage have been broken.

It is therefor considered by the Court that the plaintiff recover from the defendant the said sum of $38.15 and his costs herein expended.

And it is further adjudged and decreed that unless the defendant, Albert McCampbell shall within 3 days from the entry of this decree, pay or cause to be to the Clerk of this Court, the costs of this case, and to plaintiff herein, the sum so found due as aforesaid with interest from the 21st day of May, 1858, the defendants equity of redemption, be foreclosed and said premises be sold, and that an order of sale issue therefor to the Sheriff, Union County, directing him to appraise, advertise and sell said premises as upon execution and report his proceedings to this Court for further order.

Levi Smuffin, Plaintiff. vs Stephen Williams, Defendant. | In the Court of Common Pleas of Union County, Ohio.

The plaintiff says that the defendant is indebted to him on a certain promissory note of which the following is a copy:

$300.00

Marysville, Ohio, March 23d, 1887.

One year after date, for value received, I promise to pay Levi Smuffin or order at the office of Brodrick and McCampbell, Marysville Ohio, Three Hundred Dollars with interest from date at the rate of eight per cent. per annum, payable annually. And I hereby authorize any Attorney-at-law to appear for me in an action on the above note, at any time after the same becomes due, in any Court of Record in favor of the State of Ohio, waive the issuing and service of process against me, and confess judgment in favor of the legal holder of the above against me for the amount that may be due, with costs of suit, and to waive and release all errors in said proceeding, petitions in error, and the right of appeal from the judgment rendered.

Witness our hands and seals. Stephen Williams."

On the 25th day of March A.D. 1887, and to secure said note, the said defendant, who was and now is, an unmarried man, executed and delivered to said plaintiff his mortgage deed of that date and thereby conveyed to said plaintiff, the following described premises, to-wit: Situated in the Township of Allen, County of Union and State of Ohio. Part of Virginia Military Surveys Nos. 2875, 2980 and 2981. Beginning at a stone in place of two lynn trees and a sugar tree, and in the center of the road leading from Milford Center to Rattlesburg, and in the original Survey Corner. Thence with the center of the road leading to Darby Creek, and with the Surrey line, southwest 20 poles to a stone. Thence south east, parallel with the Milford road 12 poles to a stone. Thence northeast, parallel with the Darby road 20 poles to the center of the Milford road. Thence with the center of said Milford road 12 poles to the place of beginning, containing One and One-half (1½) Acres, more or less."

The condition contained in said mortgage was, in substance, that if the said Stephen Williams, the defendant should pay or cause to be paid to said plaintiff the above mentioned promissory note when the same should become due, with the interest thereon, then said mortgage to be void, otherwise to be and remain in full force and effect in law.

On the 25th day of March, 1887 at 6 o'clock P.M. said mortgage was filed with the Recorder of said Union County, Ohio and the same was duly recorded in Volume 25 Page 57, of the Records of Mortgages of Union County Ohio.

Said Mortgage deed has become absolute. There is due and remaining unpaid on said indebtedness the sum of Three Hundred Dollars with 8 per cent interest thereon payable annually from March 23d, 1887.

Plaintiff asks judgment against defendant for said sum of three-Hundred-Dollars, with eight per cent. interest therein payable annually from March 23d, 1887. Pleas before the Hon. John A. Price one of the Judges of the 3rd Subdivision of the 10th Judicial District of the State of Ohio, at a term thereof begun and held at the Court House, in the Town of Marysville, Union County, Ohio, on the 27th Feb. A.D. 1885. Be it therefore remembered that heretofore to wit: On the 1st day of Feb. A.D. 1885, the plaintiff filed his petition which reads in the words and figures as follows, to wit:

Petition. 5493.

Kate A. Walters
vs.
Charles E. Walters & Emma Walters his Wife. ‖ Court of Common Pleas
Union County Ohio.

Copy of Note. "A" $70.00 Richwood Ohio, Jan. 27th 1885

One year after date, I promise to pay to the order of Kate A. Walters Seventy Dollars ($70.00) for value received, with Interest at 8% from date until paid.

Charles E. Walters.

First Cause of Action. The defendant Charles E. Walters is indebted to plaintiff in the sum of Seventy Dollars which plaintiff claims with interest thereon at 8 per cent from the 27th day of Jan. 1885 on a promissory note a copy of which is hereto attached marked "A".

There are no credits or indorsements thereon.

Second Cause of Action. At the time of delivering said note and to secure the payment of the same the Defendants Charles E. Walters and Emma Walters his Wife duly executed and delivered to plaintiff their Mortgage Deed conveying the following described premises, including the releasing right of Dower of said Emma Walters, situated in the village of Richwood County of Union and State of Ohio and known as Lot Numbered Six-hundred and Ninety four (694) in H.L. Marriott second addition to said village of Richwood. Said Mortgage was conditioned in substance— that if said Charles E. Walters should pay or cause to be paid to plaintiff or order, said promissory note according to the tenor thereof then said mortgage should become null & void— otherwise to be and remain in full force and virtue in law forever.

On the 30th day of January 1885 at 4 o'clock P.M. said Mortgage was filed in the office of the Recorder of said County and was duly recorded in Vol. 21, Page 155 of the Mortgage Records of said County of Union.

The plaintiff there prays judgment against said defendant Chas. E.

W. 34 poles and eight links to the place of beginning, containing 34 acres and 2/7 acres, more or less.

Also the following part of said Survey No. 6010;- Beginning at a stake in the Marysville Gravel Road in the South line of Survey No. 803, and the North line of the Ladd Survey: Thence S 26° W. 74½ poles, with said road, to a stake; Thence S. 80° W. 138 poles to a stake in the east line of Survey No. 6613.; Thence with said line N 9° W. 123 poles to a stake; Thence with the South line of Survey No. 803, S 81° E. 187⅗ poles to the place of beginning, containing 95½ acres more or less, being the land conveyed by C. S. Hamilton as Administrator of W. W. Mills to Alf. Scott. by deed bearing date April 1st, 1864. The above two parcels being the land conveyed by M. Chesley and wife to said S. Davis by deed dated March 24th, 1883.

Said Mortgage Deed was presented to the "Recorder" of said Union County for Record on the 26th day March at 3½ o'clock P. M. and was by him duly recorded in Volume 20 of Mortgages at page 130, Union County Records.

The condition of said Mortgage was that if said S. Davis his heirs or assigns should pay to said M. Chesley or his assigns the several sums represented by the promissory notes mentioned at the times they respectively came due, together with interest, then said deed should be void, other wise to remain in full force and virtue in law.

On or about the 21st, day of March 1887, said M. Chesley duly transferred and assigned to J. E. Burton, Trustee the said Mortgage and the unpaid notes secured thereby; and on the same day said J. E. Burton Trustee duly transferred and assigned to this plaintiff the fourth, fifth, and sixth of the notes herein described, each for the sum of $1000, due respectively April 1st, 1887, April 1st, 1888, April 1st, 1889; together with so much of said mortgage security as is applicable thereto:

Plaintiff says that the condition of said Mortgage has been broken and the same has become absolute; that no part of the notes so transferred to her nor the interest thereon, has been paid, although the first of said notes so transferred became due April 1st last. That there is due from defendant S. Davis to plaintiff the sum of $124. with interest from April 1st 1887, and there will become due April 1st 1888, the sum of $1301, and April 1st 1889 the sum of $1361.

Plaintiff is informed that the two first notes of said series made by S. Davis, each for $600. have been paid, That the third and seventh notes

notes, for $1.000, due April first 1886, and $925 due April 1st 1890, respectively have been transferred to and are now owned by defendant Sarah Walworth.

Wherefore plaintiff prays that said defendant be made parties to this cause and required to set up their interests, if any they have or be forever barred. That unless the amount found due to this plaintiff be paid by a day when fixed, said mortgage be foreclosed and the premises included therein be sold according to law, and from the proceeds plaintiffs said claim be paid in accordance with its priority and for such other relief as may be just in the premises.

This cause came on to be heard upon the Plaintiffs petition, the answer and cross petition of defendant Sarah Walworth, and the evidence: and the Court being fully advised in the premises find that all the defendants herein have been duly served with process or have entered their appearance herein; that the allegations of said petition and plaintiff and said answer and cross-petition of Sarah Walworth are true; that said S. Davis executed the notes, and said S. Davis and M. Davis executed the mortgage, as herein set forth; that plaintiff is now the owner of the fourth, fifth and sixth of the notes originally secured by said mortgage, and there is due to her thereon the sum of Twelve hundred and Eighty three 2/3 33/100 Dollars, with interest from the first day of this term of Court; and there will be due to her, Apr. 1st, 1888 2/3 Apr., 1st, 1889, the sums in said petition set forth, in all the sum of $2000. with interest from March 24th, 1883. Which said sums constitute the second lien upon the premises described in the said mortgage. The Court further finds that the first two notes secured by said mortgage have been paid; that defendant Sarah Walworth owns the third of said notes and there is due to her thereon the sum of Four hundred and Forty seven and 97/100 Dollars, which amount is the first lien upon said premises included in said Mortgage.

The Court further find that said Defendant Sarah Walworth owns the seventh and last of the notes secured by said mortgage, and that there will be due to her thereon, April, 1st 1891 the sum of $925 with interest from March 24th, 1883, which amount is the third lien upon said premises.

It is accordingly ordered, adjudged, and decreed that said mortgage be foreclosed; and that unless said S. Mary W. Bradbury Plff.
vs
S. Davis et. al. Deft

Common Pleas Court. Filed Mar. 29th 1888.
Union County Ohio.

Motion Now comes the defendant S. Davis and moves the Court for an order setting aside the appraisement of the land adjudged in the above entitled case to be sold. And for grounds of his said motion says:

1st That the said appraisement is too low, being at $42.60 per acre whereas the said land under a fair just and reasonable appraisement are worth sixty dollars per acre.

2d That the said appraisement was made without any sufficient examination of the land, and improvements thereon.

4th That the appraisers were not free-holders residents in the vicinity of the land.

P. B. Cole and Son. Attys for S. Davis.

Afterward, to wit: On the 30th day of March. A. D. 1888 a motion

to set aside the order of sale was filed with the Clerk which reads as follows, to wit:

Motion to set aside Order Sale 5448

Mary W. Bradbury
vs
S. Davis

Court of Common Pleas.
Union County Ohio.

Now comes the said S. Davis and moves the Court to set aside the order of sale issued in the above entitled case, and for grounds of said motion says:

1" The said order does not show the date or term at or before which said supposed judgment or decree was obtained. But is blank in that respect, and dont show to what judgment.

2" It recites a judgment in favor of Mary Bradbury and S. Walworth, when no such joint judgment was obtained. And recites the amount of such supposed judgment in favor of said parties at $1731 20/100 when their decree were separate and neither one for said amount — or any amount jointly.

3." It recites and requires defendant S. Davis shall pay said M. S. Bradbury and S. Walworth $1731. 39 When they are not joint creditors and neither has judgment for any such amount.

4" The description of the lands to be sold in such order is defective. — in this to wit: It is ambiguous as to the interest to be sold. And the said description is fairly susceptible of two interpretations, by one of which S. Davis would appear to own six sevenths only, of all the lands described and by the other six-sevenths of a part and the whole of the remainder. And the appraisement under the order is subject to the grave doubt. And said description is misleading materially in that respect.

5." The said order of sale does not follow the decree. Which is several.

Amount of decree not endorsed on writ. Writ not issued to Sheriff of special Master Commissioner as ordered by the Court.

Motion for Receiver.

Afterward, on the 31" day of March, A. D. 1888, a motion for Receiver was filed with the Clerk which reads as follows, to wit:

5448.

Mary W. Bradbury
vs.
S. Davis et. als.

Court of Common Pleas
Union County Ohio.

We plaintiff and Sarah Walworth make their joint and seperate motion for the appointment of a Receiver in the cause to care for rent the lands in the petition described for reasons following: The land is altogether 125 acres being six-sevenths of 34 1/10 acres and all of the 96 1/2 acres and is not worth more than the appraisement and will not sell for $40 per acre as they believe.

The whole of the mortgage liens now amount to $5-5-60 and the taxes are $52 58/100 and the costs will probably amount to $100. Making a total of $5712. — the land is all improved farm which should rent for $350 per annum.

Neither of said defendants have any means to pay any balance of said liens. The crops of 1888 will be commenced

before the May term and therefore in as much as the land is insufficient to pay the said sums there should be a Receiver appointed.

Now comes the defendant S. Davis and moves the Court to set aside the sale returned in this case — For the following reasons;

2." Irregularity in the appraisement as set forth in motion on file, to wit: same.
3. — Any other defects apparent on the return and proceedings.

3." There is no record of return of former Order of Sale.
4" The amount of the debt and decree is not endorsed on the Writ, nor the time of it receipt.
5." The return of the appraisal is not certified by the Sheriff as a true copy, and does not give page - No of case or Letter of Ex. Doc. It was not returned forthwith.
6." There is no record of issuance of the writ.
7." The land was appraised in parcels without authority and to the detriment of defendant, and sold in like manner.
8." The appraisement is grossly below the value of the land and the sale grossly below the 2/3 of the real value of the land.
9" The appraisers were all residents of the town of Marysville distant from the land and none of them farmers. And two of them are persons connected with Banks as employes or partners which are regularly engaged in the business of discounting Mortgages on real estate in said County and collecting the same. And therefore not disinterested. They are also speculators in real estate in said and other counties.
10." The appraisement is of the undivided 6-7 of the 34 acre tract, and not of the whole land.
11." $37.$^{49}/_{00}$. Costs are endorsed for which defendant is not liable.

Goff, or any one for him, shall pay, or cause to be paid, unto the said Abram Shark his heirs and assigns according to their tenor and effect, the said Edward A. Goff's five [5] promissory notes dated Columbus, Ohio, April, 25th 1882, and payable to the order of said Abram Shark; the first for $600, and the second, third fourth and fifth, for three-hundred[$300] Dollars, each payable March 1st 1883, March 1st 1884, March 1st 1885, March 1st 1886 and March 1st 1887 respectively: All of said notes draw interest from March 1st 1882, payable annually, and eight[8] per cent after maturity, if not paid when due; said notes given in part payment of the purchase money for said premises herein before described; then said mortgage deed to be void, otherwise to be and remain in full force and virtue in law forever. Said Mortgage deed was delivered for record to the Recorder of Union County aforesaid April 28th 1882, and is duly recorded in the Record of Mortgages in said County Vol. 17, at page 473. Said Edward A. Abram Sharp Pltf

Edward A. Goff, Deft.

In the Court of Common Pleas
Union County Ohio.

54 05

The defendant moves the Court for an order setting aside its sale heretofore made in the case and for grounds of motion says: That there is no sufficient description of the land advertised for sale. That there is no sufficient appraisement said land only being appraised at $32.00 per acre and its number of acres being unknown. That was no sufficient bid or sale the said pretended bid of Pltf being only $25.00 per acre and the number of acres being unknown. The Sheriffs return is insufficient being for said land at $25.00 per acre, and no survey having been made to quantity. The said proceedings and sale are otherwise irregular.

Petition. 5457

Matilda Howell Plff.
vs
John Connor Deft.

Court of Common Pleas
Union County Ohio.

The Plaintiff aforesaid represents to the Court that she was on the 2nd day of December, 1887, was the owner of a young mare of a mouse color about five years old at the County aforesaid and being so the owner there of she authorized her husband. David Howell to trade said mare off for another animal of the horse kind if he could get in exchange a sound, healthy and gentle animal that would be a good farm animal and which would be safe to drive for herself and children and she says that her said husband made an exchange of said mare with John Connor the defendant on said 2nd day of December 1887. for a gelding horse of

the color of a bay and he received fifteen dollars to boot. That at the time, said David Howell and said defendant made said exchange the said Defendant represented to said Howell said agent of the plaintiff that said bay horse was every way sound and all right except he had a scar or lump on his left hind leg between his knee and hock joint which he said had been produced by a kick and also except that he being a livery horse might not take hold on a dead pull but in every other respect he was all right and he would warrant him all sound and all right except in the two particulars and he also at the same time represented to the said David Howell that he had bought said horse when he was eight years old and had had him one year and he was only nine years old. All of said representations and warrants said defendant made to said David Howell before said exchange or trade was made in order to induce him to make said exchange and the said agent relying on the truth of said representations and said warrants and believing the same to be true made said trade and exchange and received said fifteen dollars to boot for the plaintiff. But the plaintiff says said representations and warrants were not true but were false and said horse was lame in his hind legs with something like stringhalt and which she represents was the stringhalt and he was diseased with some disease of the lungs and throat which was heaves and broken wind and he was otherwise diseased unwardly by reason of which as she has since learned, he will not take on flesh and fatten though she is unable to give name of said disease and was in fact seventeen years old. That all of which defects diseases and age said defendant well knew when he made said representations, and knew he was misrepresenting the condition of said horse in manner aforesaid and did then and thereby knowingly and cheat and defraud the plaintiff out of her said mare and she says said mare was worth One-hundred and Fifty dollars and said horse was not worth nothing at all and that when she discovered said defects and said fraud she tendered back to defendant said horse and fifteen dollars and then left them with defendant on the 7th day of Dec. 1887, demanded her said mare but the said defendant removed said mare out of his possession and she cannot replevy the same and he refused to deliver back to her the said mare. The plaintiff and her husband are farmers living on a rented place and they had no other horse beast to work except said mare as defendant then well knew when he made said trade and they are damaged by the loss of the use of said mare in the sum of Fifty dollars in addition to her value. Being poor and unable to purchase another as the defendant well when he made said trade and he with full knowledge of all of said facts wantonly fraudently and willfully cheated and defrauded her out of her said mare and the means of supporting her family to her damage in the sum of Two-hundred dollars. to wit: One-hundred and fifty dollars the value of said mare and fifty dollars for the loss of her use and therefore she prays judgment against defendant for said sum of two hundred dollars with interest from Dec. 7" 1887. Roza M. Gamble Plff
vs
John C. Gamble et. als Defts.

Court of Common Pleas.
Union County, Ohio.
Answer.

Now comes the defendant, except the said Letonia and Frankie Gamble and for answer to the petition of the said plaintiff say:

That on the 23rd day of August, 1887, the said Samuel Gamble signed a paper writing purporting to be a last will by the provisions of which he he gave said plaintiff certain legacies and provided for her. The said signature of said Samuel Gamble was attested by J. W. Burgepile and John Gibson, then both residents of the same County, but the said J. W. Burgepile has since left the State of Ohio and now lives in the State of Tennessee.

That after the death of the said Samuel Gamble, to wit: On the 9th day of November, 1887, both the said witnesses appeared before the Probate Judge of said County and being sworn as witnesses to said paper testifier that said Samuel Gamble at the time of signing the same was not of sound mind or disposing memory. But the answering defendant say that no record of said appearance was ever made in said Probate Court and no order or finding whatsoever made in regard to said paper and probate of the same has neither been legally refused or admitted. Defendants who are answering say that Frankie Gamble is a posthumous child, now about two weeks old.

That until the matter of the Probate of said Paper Purporting to be a will is legally settled by record of refusal to probate the same there is an uncertainty about said estate, prejudicial to all parties. That said witnesses appear before Hon Honor John B. Coates who was then Probate Judge of said County, but who made no record of the same and since that time Hon. L. Piper has become Probate Judge and has no personal or official knowledge in regard to said paper writing and cannot make any record in regard to the same.

That Defendants answering are taking steps to have the testing of said subscribing witnesses taken again and a record properly made in regard to the same and that until that is done Honor should not be granted as in the event of the Probate of said paper writing the said plaintiff could elect to take under the same.

Then answering defendant says: That in the life time of said Samuel Gamble he entered into a written contract with one A.J. Bird for the sale of said lands described as Tract No. 3" of Fifty acres in Survey No. 5501. Said contract bears date July 31st - 1884 by the time of said writing said Samuel Gamble bound himself to convey said lands to Bird for the of $32550, said conveyance to be made April 1st 1885, at which time $1000, was to be paid, the ballance of the purchase money to be paid in equal annual payment of $250, with six per cent interest payable annually from April 1st, 1885- Said Samuel Gamble received from said Bird the sum of $1250 on said contract, the ballance is still due his estate and the deed has not been made.

Defendant Answering says that the money due upon said contract is and has been with the assent of plaintiff counted assets in the hands of John B. Gamble, administrator of said estate and said plaintiff has received a large allowance in money on account thereof, and that she claims a widows share in said personal estate including the money and on said land contract

The Plaintiff is not entitled to Dower in said Lot or tract No 3" being 50 acres in Survey No. 5501 unless she relinquishes her said allowance and distribution of the money on shown said contract.

Then Answering, Defendant also says that the said $1250, received by said Samuel Gamble in his life time was by him either put to interest or deposited in Bank and was due him at his death and the same is assets in the hands of said Adm. But no part of which should go to plaintiff if she has Dower in said tract No. 3.

Wherefore the Answering Defendants prays that the prayer of said petition,

may be refused and the said petition

Now comes the plaintiff and moves the Court to order that the following part of defendants answer herein be stricken out. To wit:
1st. The whole statement in regard to the will. viz: from the end of the fourth line of the Answer to the end of the fifth line from the bottom of second page. For grounds there of she says that said matter is wholly immaterial. It makes no difference as to her right of Dower whether there was a will or not.
2nd. All the matter in regard to a sale of part of the land, to wit: Beginning in 4th line from bottom of second page down to the prayer of the answer. For grounds there by she says; Said matter is wholly immaterial, and includes of law, in all that is not irrelevant. And is argument as to plaintiffs rights, and receiving a large years allowance.
3rd That said Answer be stricken from the files for irrelevancy and immateriality. It would be a useless expense to record it, and an incumbrance to the record.
Neither the making of a will or sale of land could deprive plaintiff of her right to Dower, and neither would affect the amount of her years allowance, under the law and the statements made in Answer.

Decree for Dower.

This cause being heard on the demurrer of plaintiff to the Answer of defendants John C. Gamble, Catharine Wingfield, George Gamble, Elmer Gamble. The Court on consideration thereof sustains the same and the said defendants not asking to plead further thereupon this cause coming on to be heard upon the petition of plaintiff the answer of the guardian ad litem for the minor defendants Frankie Gamble and LeEonia Gamble, no proof and the cause being submitted to the Court, the Court find that all the defendants have been duly served with summons and that the defendant A. Johnson Bird is in default for answer or demurrer. And the Court find that the allegations of the petition are true, and that the plaintiff is the widow of Samuel Gamble who died on the 28th day of October, 1887. And who owned to be the owner of the 50 acre tract [the 3rd tract] described in the petition on the 31st day of July 1884.

And the Court further find that the defendants A. Johnson Bird is in possession of the said 3rd discribed 50 acre tract, in the petition discribed, claiming to own the same in fee simple and has so been in possession since the 31 day of July, A. D. 1884

The Court further find that the plaintiff was married to the said Samuel Gamble as in her petition set forth and that the said Samuel Gamble is now deceased; that during said coverture the said Samuel Gamble from whom the title of said A. Johnson Bird is derived was seized of the said real estate of inheritance, and that on the 31st day of July 1884 said Samuel Gamble bargained and sold by a written agreement said land to the said A. Johnson Bird, and that the plaintiff was no party to said sale nor her right to Dower in said land affected thereby.

And that said sale did not bar her right of Dower in said premises.

And that she is entitled to have the same set off and assigned to her as prayed for in her said petition.

And the Court further find that as such Widow plaintiff is entitled also to Dower in all the other real estate discribed in said petition.

It is thereupon ordered and adjudged and decreed by the Court that the said plaintiff be endowed of one full equal third part of the premises discribed in the petition. And that a writ issue to the Sheriff of

Union County, commanding him that by the oaths of James A. Henderson, John S. Moore and James B. Norris, three judicious and disinterested men of the vicinity in said County, who are not of kin to either of the parties, and who are hereby appointed Commissioners for that purpose he cause to be set off and assigned to the plaintiff her dower in manner as above ordered. And that of such proceedings together with said Commissioners appraisement of the yearly net value of said real estate, estimated from the 28th day of April, 1888 to the day of such assignment of Dower the said Commissioners and the said Sheriff make return without unnecessary delay.

And thereupon said demurring defendants gave notice of appeal, and the sum for appeal was fixed by the Court at $100.

Afterward, On the 4th day of Feb. A.D. 1888, An Answer was filed
on the the Clerk of the Court which reads as follows, to wit:

Answer — Emma A. Mowrey Pltff — To the Court of Common Pleas
vs
5458. — J. N. Mowrey Deft. — Answer and Cross Petition.

Now comes the Defendant J. N. Mowrey and for his answer and Cross Petition says:

That he denies each and every alligation and argument in said petition contained except.— That the Plaintiff has been a resident of the State of Ohio for more than a year. That Plaintiff and Defendant were married at the date named in said Petition, and that the Plaintiff kept a Hotel at the said place named.

Further Answering and by way of Cross Petition the Defendant says:

1st That he has been a resident of the State of Ohio for more than the year last past, and that now he is a bona fide resident of said County of Union.

That the said marriage contract was brought about by fraud on the part of the Plaintiff in this, to wit: During the fore part of the year 1887. the Defendant was a widower and was keeping the Sanitarian Hotel at Magnetic Springs Ohio.

The Plaintiff came to said Hotel and was employed by the Defendant as housekeeper in which capacity she served for a short time during which she conducted herself properly and while so employed she represented to Defendant that she was a widow and that her husband had been dead about six years. That her husband had been a reputable physician and that the Plaintiff had always been a chaste and virtuous woman and had borne a good character in every way. Believing these representations the Defendant was induced to and did enter into said marriage contract. The Defendant says. That the said representations of the Plaintiff were false and fraudulent, and were made with intent to deceive and induce the Defendant to marry her.

The said Plaintiff's husband was not dead but divorced from her. He was not a reputible physician but a gambler of vicious habits. But on the contrary shortly before coming to Defendants house, she was the keeper of a house of ill fame in Cincinnati Ohio. She also had been the associate of prostitutes and dissolute characters, in said city and had been engaged in drunken brawls and fights. She had been in the habit of unlawfully cohabiting with men and was wholly with character, but the Defendant did not know of the same until after said marriage and would not have married Plaintiff had he known the same.

2." The Defendant further says that not long after said marriage the Plaintiff began to importune him to make a will in her favor and when he refused to do so she became petulant and finally began using profane and obscene language to Plaintiff and those in the house. She professed to be a fortune-teller and Spiritualist. During the forepart of November last she left home allying she was going to visit friends.

She was gone away about ten days, when she returned and from that time on expressed her contempt for Defendant and finally on the 8". day of December A. D. 1887, while the Defendant was away from home on business, she packed her trunks and left, taking with her considerable of Defendants property. Letters had been passing between plaintiff and other parties which led to the investigation by Defendant of her true character after she had left.

Defendant says that when she left him, Plaintiff had several hundred dollars worth of jewelry - among which was a diamond ring worth $300. and that her clothing and wardrobe was worth several hundred dollars more.

The Plaintiffs Boy had been brought up under such evil influences and was so dissolute, the Defendant did not desire him about and he was not required by law or morals to keep him.

Defendant prays that the prayer of Plaintiffs Petition be disallowed and that the Defendant may be divorced from the Plaintiff and all proper relief granted him.

Petition

5471

And now comes the Plaintiff. for cause of action herein against the said defendants, says;

That heretofore, to wit, on the 2nd day of January A. D. 1884, the Defendant Philip C. Adams executed and delivered to Plaintiff his promissory note for the sum of Two Thousand Dollars, payable five years after date, with eight per cent. interest thereon after due until paid. the interest on said note to maturity being represented by ten Coupon notes attached to said principal note, each for the sum of 60^{00}, and payable respectively in 6, 12, 18, 24, 30, 36, 42, 48, 54, and 60 months from date. with eight per cent. interest thereon after maturity.

That to secure the payment of the said note and coupons representing interest as aforesaid, the said Philip C. Adams and Leonora Adams, his Wife, executed and delivered to said plaintiff their mortgage deed of the said date of January 2nd, 1884 and thereby conveyed to Plaintiff in fee simple the following described premises; Situated in the Township of York, County of Union and State of Ohio and known as part of the Virginia Military Survey No 5387, described as follows; Beginning at a stone [Beech. Hickory, Elm & Lynn] south east corner to said Survey, thence with the east line of said Survey N. $10\frac{1}{2}^{\circ}$ E. 212 $\frac{100}{100}$ poles to a stone corner to Elizabeth Foxes land; thence with the south line of said line North $80\frac{3}{4}^{\circ}$ West 127 $\frac{70}{100}$ poles to a stone corner to said land in the West line of lot No. two (2) of the sub-division of said survey No. 5387.; thence with the west line of Lots Nos. 2 and one of said sub-division. South 10° West 211 poles to a stone [elm, hickory and lynn] south west corner to lot No 1. in the south line of said Survey No. 5387; thence with said line

line South 80° East 126 56/100 poles to the beginning, being 168 acres, be the same more or less

That the said Mortgage had a condition therein written to the effect that the grantors therein should keep the premises insured to the amount of Fifty Dollars for the benefit of the said grantee, and that in the event of non-payment promptly at maturity or within thirty days thereafter of any principal or interest or coupon note mentioned, then the principal note named above for the sum of Two-Thousand Dollars should become due and payable at the option of the said plaintiff, but that said plaintiff should not be required to give any notice of said option, but that plaintiff could foreclose at any time after the default of payment of any interest coupon without notice

That said Mortgage Deed was deposited with the Recorder of Union County Ohio for record on the 3rd day of January A.D. 1884 and was afterward recorded in Volumn 14, on Pages 264 to 266 of the Record of Mortgages of Union County Ohio.' That all of the Coupons had been prior to the one which fell due on the 2nd day of January, 1887 and that said coupons of $60.00 which came due on said 2nd day of January 1887, has not been paid nor has any of the coupons falling due since that time been paid.

Plaintiff further says that by reason of the failure of the Plaintiff to pay said coupon due January 2nd, 1887, or within Thirty days thereafter the whole debt became due and payable and that said Plaintiff exercised its rights to have said principal note to become due on default of the payment of said interest coupon as aforesaid.

The Plaintiff says that there is now due and owing to it the sum of Two-Thousand and Sixty Dollar with eight per cent interest thereon from January 2nd, 1887, and that the said Mortgage Deed has become absolute and subject to foreclosure.

That the Defendants Robinson and Robinson and O.M. Scott and Bro. and Charles Fox claim some interest or to have some lien on the said premises, but just the interest Plaintiff is unable to state.

Wherefore the Plaintiff prays that Robinson and Robinson O.M. Scott and Charles Fox may be made parties defendants and required to set out their claims, whatever they may be, that unless the Defendants Philip C. Adams or Leonora Adams pay or cause to be paid to Plaintiff within a short time to be named by the Court the amount due as aforesaid, that an order issue to the Sheriff of Union County, Ohio, commanding him to cause the said premises to be appraised, advertised and sold according to law and that he bring the proceeds into Court to await further order.

Answer of
Charles W. Fox.

Answer 5471.

Now comes the Defendant Charles W. Fox and for Answer herein says: That on the 17." day of December, 1887, he bought of George W. Sanderson the following described premises, which are apart of the premises described in the Plaintiffs Petition, to wit: Situate in the County of Union in the State of Ohio and in the Township of York and bounded and described as follows, viz: Being in Survey No. 5387, commencing at a stone and crocks in the line between York and Taylor Townships, it being the S. E. corner of Elizabeth Fox's land: thence with her south line N. 77½° W. 26⅔ poles to a stone and piece of crock; thence S. 13° W. 12 poles to a stone and piece of crock; thence S. 77½° E. 26⅔ poles to a stone and crock in the center of road and above named Township's line; thence with the center of the road and Township line N. 13½° E. 12 poles to the beginning, containing [2] two acres of land more or less.

Said Defendant Charles W. Fox says that he has paid and secured to be paid the whole of the purchase price of the said

two acres. He further says that George W. Sanderson his grantor bought said two acres of said Defendant Philip C. Adams on the — day of — but since the execution of the Mortgage by Philip C. Adams and wife to the Plaintiff, and the said Defendant Avers that the remainder of the land described in plaintiffs petition will bring more than money enough to satisfy the claim of the said Plaintiff.

This Defendant further says that the Defendants Robinson and Robinson and O.W. Scott and Bro. have released the said two acres from the operation of the Mortgage they respectively hold on the said premises described in Plaintiffs Petition.

Wherefore this Defendant prays that the order of the Court may be that the said Plaintiff be compelled to first sell the land described in its petition, except the two acres described herein, and that they have no order to sell the said two acres unless the remainder of said land should not bring sufficient to pay its said claim and for other and proper relief.

First Cause

The said Defendants Robinson and Robinson, whose individual names are James W. Robinson and A. B. Robinson say that they are partners doing business in the State of

Ohio under the firm name of Robinson and Robinson. that there is due them from the Defendant P. C. Adams on his promissory note a Copy of which is hereto attached, the sum of ninety three Dollars with interest at eight per cent. from February 9th A.D. 1887.

Wherefore Defendants Robinson and Robinson ask judgment against the Defendant P. C. Adams for the sum of Ninety three Dollars with interest at eight per cent. from Feb. 9th A.D. 1887, on their first cause of action.

Third Cause. The said Defendants Robinson and Robinson further complain of the Defendants P. C. Answer

R. H. Love Plaintiff
vs
H. C. Fay and Mary A. Fay. Defts. } Court of Common Pleas
Union County, Ohio.

6284.

First Defense. The Defendants Answer to the petition of Plaintiff and admit that the Plaintiff obtained judgment Defendant H. C. Fay and the issuing of the execution to the Sheriff of Delaware County and the return upon the same as alleged, and the issuing of the execution to the Sheriff of Union County and the levy by him upon the lands described in the petition. And Defendants admits that on the said 29th. day of January A. D. 1887, said H. C. Fay was the owner of said premises and Defendants admit that on the said 29th day of January A. D. 1887, said Defendant H. C. Fay conveyed said premises to the said Mary A. Fay, his Wife, through a trustee as

alleged in said petition. And Defendants deny each and every allegation made and contained in said petition, except as above expressly admitted.

Second Defense. For a second ground of Defense Defendants say: That said H. C. Fay and Mary A. Fay intermarried in the month of January, A. D. 1871. That said Mary A. Fay in the year 1882 inherited and obtained from her fathers estate the sum of Thirty-five hundred Dollars. That she inherited in the year 1875 and received from her grandfathers estate the sum of Sixty Dollars. That in the year 1880 she also inherited and received from her mothers estate the sum of Four hundred Dollars. That in the year 1883 and prior thereto she also inherited and received from the estate of Amelia Peck deceased the sum of Seventy eight Dollars. Said sums amounting in all the sum of $4038. Dollars. That all of said sums of money was her own separate property, and in which her said husband said H. C. Fay had no interest or estate.

Defendants further say, that the said Mary A. Fay at the date and times she received the above sums of money respectively, lent each several amount to her husband H. C. Fay, with the expres agreement and understanding between them that the said H. C. Fay should repay all of said moneys to her, with interest. That the said H. C. Fay excepting certain credits herein after given is now indebted to her for said money with the interest amounting to Seven Thousand Dollars and upwards. That for the purpose of repaying to her said several sums of money with the interest thereon, so far as he was able he has deeded to her through a trustee real estate in Delaware County, of the value of Twelve hundred Dollars and the tract of land described in plaintiffs petition, of the value of not more than Two Thousand Dollars.

But said tract is subject to the Dower of the wife of Benjamine A. Fay deceased father of H. C. Fay, and which Dower interest reduces the interest and estate so conveyed to said Mary A. Fay to the sum of Fifteen hundred Dollars leaving still due and owing from said H. C. Fay to said Mary A. Fay, on said indebtedness, and the interest thereon about Four Thousand Dollars.

The Defendants therefore aver. That the conveyance by said H. C. Fay to said Mary A. Fay for the premises described in said Plaintiff petition was made in good faith and with the honest purpose of paying said indebtedness so far as the said H. C. Fay could pay the same, and for no other purpose. And these Defendants postively deny all allegations of fraud, and dishonest purpose in making said conveyance.

Wherefore Defendants asked to be dismissed, and go hence and have judgment against said Plaintiff for

their costs herein expended.

Afterward, On the 9th. day. of June, A.D. 1887. An Answer was filed on the Journal by the Clerk of the Court which is as follows, to wit:

Anne Fogerty Plaintiff
vs
Charles Phellis Defendant.

Answer.

The Defendant Answers

to the petition of Plaintiff, and says: That the late firm of Sullington and Phillis, was a partnership formed for the purpose of carrying on business in the State of Ohio. and holding property therein, under the firm name of the Bank of Marysville. That the property described in Plaintiffs petition, was at the time that said firm rented and leased the same to said George Schlegel, and ever since has been and still is, a brewery, used for the manufacture of beer. And Defendant avers that said firm rented said brewery to said Schlegal for the use and purpose of manufacturing beer therein from the raw material and the sale of the same by him strictly according to law in quantities of one gallon or more at any one time, and for no other purpose.

II And Defendant avers that said firm did not rent said brewery to be used or occupied for the manufacture, or sale of beer, or other intoxicating liquor in violation of law: and Defendant avers that when said firm rented said property to said Schlegal, said firm had no knowledge, and neither of said partners had any knowledge that intoxicating liquors were to be sold therein, in violation of law.

And Defendant avers that at no time during the use and occupancy of said premises by said Schlegel, did said firm, or either of the partners in said firm knowingly permit intoxicating liquors to be sold therein in violation of Law. Neither Did said firm, or either partners have any knowledge that intoxicating liquors of any kind, were ever sold on, or in said premises in violation of law.

III And Defendant avers that no notice, either verbal or in writing, or otherwise was ever given, or served upon said firm, or either of the partners, by the Plaintiff or other person, that intoxicating liquors were being sold or had been sold on said premises, in violation of law, either to said Fogerty or other person.

IV Neither said firm, nor said Defendant was a party to said judgment, or a party in the action in which the same was rendered, and Defendand denies the right of Plaintiff to subject the property of said Bank of Marysville to the payment of said judgment, and asks to be dismissed with his costs &c.

Porter and Porter. Attys for Deft.

J. L. Porter being sworn, makes oath that he is one of the attorneys for the Defendant in their action. That said Defendand is a non resident of said County of Union, and now absent therefrom, and affiant believes the facts, stated in the foregoing answer to be true.

This day this cause came on to be heard upon the demurrer of the Plaintiff to the Answer of the Defendant and was argued by Counsel: On consideration whereof and the Court being fully advised in the premises finds that said Demurrer is well taken and therefore sustains the same to which ruling and decision of the Court the said Defendant at the time excepted, and the said Defendant not desiring to amend his answer or further plead, the Court on hearing finds that all the facts stated in Plaintiffs petition are true, and that the Plaintiff is entitled to have said premises described in her petition sold to satisfy said judgment of $485.00 with interest thereon from said 2nd day of March 1887 and the costs in said Cause No. 5044.

Now comes the said Plaintiff, and for cause of action herein says:

That the said Charles Phellis is the surviving partner of the firm of Fullington and Phellis. That on the 30th. Day of July. Heretofore, to wit:

Court of Common Pleas

Filed July 26, 1888

Petition

Plaintiff says that on the 21st day of May A.D. 1884. the said Defendants executed their promissory note of that date to the Plaintiff for the sum of $1457. One three years after date, with interest from date at eight per cent. Interest payable annually. That to secure the payment of the same, said parties were to execute their Mortgage Deed of that date upon the following lands of the said Mary M. Newlove to wit:

5062

Being part of original Survey No 5390: Beginning at a stone in the south line of said Survey and south west corner to John Newlovers land: Thence with the said Survey line south S 82° W. 48 60 poles to a stone corner and Lot No 4: Thence with the line of lot No. 4 N. 7½° W 146 poles in the line Addison Leis land: Thence with his line N 82° E. 48 60 poles to a stone corner of John Newlovers land: Thence with his line S 7½° E 147 poles to the place of beginning, containing 44½ acres more or less.

That said parties executed said note but failed to execute said mortgage as agreed upon said lands described land being free and clear from any encumbrance whatever. Plaintiff further says that instead of executing said mortgage upon the land herein before described, they did execute a Mortgage upon another tract of 128 acres of land belonging to John Newlove. And that said lands of said John Newlove were at the date of the execution of the same incumbered to about their full value. Thereby surrendering the security to the Plaintiff wholly inadequate. That upon the discovery of the fraud practiced upon him by the said John Newlove Defendant, he Plaintiff went to said Newlove and requested him the said Newlove to execute said Mortgage upon the lands hereto fore described as agreed, but said Newlove absolutely refused to do the same.

Said John Newlove has become wholly insolvent and has assigned all of his real and personal property for the benefit for the benefit of his creditors, and the said lands upon which said mortgage is executed is about to be sold by the assignee of said John Newlove. And said lands will

Plaintiff further says that all the security that he possesses under and by virtue of said note and mortgage to secure the payment of the same is the name of Mary M. Newlove. That she is the wife of the Defendant John Newlove. And as the Plaintiff is informed and believes is about to sell convey and incumber her said lands herefore described so as to prevent the Plaintiff collecting his said claim.

Plaintiff further says that if his claim should be allowed to run until the first day of May, A.D. 1887 at which time the same will become due that he will be wholly unable to collect any part of the same.

George W. Mackling

John Newlove et. als. || Common Pleas Court.
Union County, Ohio.
Answer.

Now comes the said Mary M. Newlove and for her separate answer to the Plaintiffs petition says.

That the Plaintiff ought not to have or maintain his petition in this cause against this Defendant because this Defendant says that the time of signing the promissory note set up in the petition of Plaintiff she was a married woman and did not receive any consideration whatever for said note. This Defendant says that prior to the making of said note her husband was indebted to Plaintiff and he wished to secure said indebtedness by giving a mortgage on 128 acres of land which he then owned in his own right. This Defendant at the request of her said husband signed a mortgage executed on said 128 acres of land to secure the note named in the petition - but she did not then sign said note and did not intend to sign the same, having received no part of the consideration therefor.

That after said mortgage was executed and delivered to Plaintiff being the forepart of July A.D. 1884, Plaintiff and Defendants husband came to this Defendant, and Plaintiff thenstated to this Defendant that in order to make said

mortgage valid it was necessary for this Defendant to sign said note. Plaintiff said he could not get his mortgage recorded until this Defendant signed the note.

This Defendant told Plaintiff she would sign nothing that would bind her beyond her interest in said 125 acres of land. Plaintiff then stated to this Defendant that it would not make her liable for the payment of said note if she signed the same.

That he would pledge his word and honor that it should not this Defendant or prejudice her in any way, if she signed the same. That he only wanted his Mortgage made good.

This Defendant says she was wholly unacquainted with business and believed what the Plaintiff said was true, and trusting and relying upon said statements and representations of the Plaintiff she signed said note.

This Defendant says that if said has a different effect than that represented by Plaintiff, she has been deceived and it would be a fraud upon her to enforce payment of said note. That if Plaintiff knew better when he stated to Defendant that to sign said note would only make said mortgage good and not bind this Defendant, he intentionally deceived this Defendant and if he believed his statements to be true the execution of said note was a mutual mistake of both parties.

The Defendant says that the 44 acres of land described in Plaintiffs petition is land left her by her father.

That said Plaintiff did not part with anything in getting her signature to said note. That this Defendant never agreed, promised or even talked about giving a mortgage on her land to secure said note and she would not have signed said note had it not been for Plaintiffs representations aforesaid.

Wherefore Plaintiff ask to go hence without and recover her cost and that she may have all such other relief as may be just and equitable.

Mary M. Newlove.

Amended Petition.

The Plaintiff by leave of the Court, first had, amends his petition and says, that on or about the — day of February, A.D. 1884, the Defendant, John Newlove, was indebted to him for money loaned in the sum, including interest, of $1457.00.

To secure said sum the said John Newlove executed his promissory note to Plaintiff, due on or about the first day of May, 1884, on which note his wife, Mary M Newlove, became security for the said John Newlove: That at the date of the execution of said note, the said John Newlove was insolvent, his farm of about 128 acres, being mortgaged for what it was worth, and knowing that the said Mary M. Newlove, at the time she signed said promissory note as surety for her said husband, was the owner in fee simple of, and held in her own right and as her own seperate property, the following described real estate, to wit: Situated in the County of Huron and State of Ohio, and described as follows:

Being part of original Survey No. 5390, Beginning at a stone in the south line of said Survey and south west corner to John Newlove's land: Thence with the said Survey line S 82° W. 48. 60 poles to a stone corner of lot No. 4: Thence with the line of lot No. 4 N 7 and one half poles W. 11.6 poles to a stone in the line of Addison Lee's land: Thence with his line N. 82 48 60/100 poles to a stone corner of John Newlove's land: Thence with his line S. 7. 50, E. 147 poles to the place of beginning, containing 44. 50 acres more or less:

That at the time of the execution of said promissory note by the said John and Mary M. Newlove, the plaintiff well knew that said John Newlove was insolvent as aforesaid and that the said Mary M. Newlove owned in her own right and as her own separate property the real estate above described, and therefore accepted said Mary M. Newlove as security for the said John Newlove upon said promissory note.

That when said promissory note became due, the said John Newlove was wholly unable to pay the same and it was therefore agreed between said John Newlove and the Plaintiff, that if said John Newlove and Mary M. Newlove, would execute a new promissory note for said sum of $1457.00 and join in the execution of a mortgage deed upon the land of the said Mary M. Newlove, above described, that the said Plaintiff would extend the time of the payment of said note for the period of three years from the time that the first note above described became due.

To which arrangement the said John Newlove then and there agreed: That the said John Newlove though

often requested so to do failed to comply with said a-
greement, and the transaction ran along until about
the first day of July, A. D. 1884, at which time the said
John Newlove came to the residence of the Plaintiff, in
the evening during wheat harvest, when the Plaintiff
was very busy and said to Plaintiff that he had
executed the new note and mortgage deed as agreed upon
between himself and the Plaintiff and handed to Plain-
tiff a small package of papers which he avered were
the new note and Mortgage deed as they had agreed
upon, and the Plaintiff relying upon the truth of the
statment of said John Newlove and believing that said
John and Mary Newlove had executed said new note and
mortgage deed as agreed upon, and upon her 44 acres
of land, took said papers from the hands of said John
Newlove and gave up to him the first note above described.

And being in a hurry to go about her work, had
no time to look at said papers; and only examined
said professed new note.

And seeing the name of the said Mary M. Newlove was
not upon the said new note, he refused to accept the
same and it was then agreed between the Plaintiff and
the said John Newlove, that said Mary M. Newlove
should sign said note: and the Plaintiff declined and
refused to accept said note until the same should be
signed by said Mary M. Newlove.

It was Saturday night when the said John Newlove
came to the Plaintiff with said papers, and Plaintiff
laid them away until he should have time to examine
the mortgage also. That the next morning, it being
Sunday morning, the Plaintiff for the first time examined
the paper represented by the said John Newlove, to be the
mortgage deed by himself and wife upon the 44 acres
of land, and found that the said John and Mary M.
Newlove had not executed a mortgage deed upon said
44 acres of land as said John Newlove had agreed should
be done, but that the paper handed to the Plaintiff
by the said John Newlove, purported to be a mortgage
executed by the said John and Mary Newlove upon a tract
of 128 acres of land belonging to the said John Newlove,
which had already been encumbered by mortgages to its
full value, so that such mortgage to Plaintiff as security
for said indebtedness would be wholly worthless.

Therefore on the Monday morning following the Plain-
tiff went to see the said John Newlove and requested the
execution of the new note and a mortgage deed to secure
the same upon the said 44 acres of land belonging to said
Mary M. Newlove: and that both the note and mortgage
deed be executed by the said Mary M. Newlove, as agreed

in Consideration of the extention of said time of paying said note but said Defendants Absolutely refused to execute said Motgage upon said 44 acres of land, and refused to surrender back the first note above described: but said Mary M. Newlove consented to and did sign said new note as surety on the same for her said husband, a copy of which is hereto attached marked "A". and the said Mary M. Newlove thereby charged her separate property for the payment of the Same.

That afterward the said John Newlove being insolvent as aforesaid made an assignment of all his property both real and personal, for the benefit of his creditors, and said 128 acres of land was sold and the proceeds surrendered to the assignee of said John Newlove, and and was insufficient to pay the mortgage liens already upon said lands prior to that of the Plaintiff:

That at the same time the said Mary M. Newlove, was threatning and attempting to sell her said 44 acres of land with the intention to place the same beyond the reach of the said Plaintiff and her other creditors, when the Plaintiff learning the facts herein stated brought his action of attachment as stated in his original petition, and caused the same to be levied upon the 44 acres of land belonging to said Mary M. Newlove.

The Plaintiff therefor avers that there is due and unpaid to him from said defendants on said last named promissory note, the sum of $145-7.00 with interest from the first day of May, A.D. 1884 at 8 per cent. payable annually.

The Plaintiff therefor ask judgment against said Defendants for the said sum of $145-7.00 with interest at 8 per. cent. from the first day of May, 1884, payable annually, and that the Court adjudge and decree that said judgment and said indebtedness be a charge upon the said separate property be advertised and be sold to pay said indebtedness: and that the Plaintiff further asks such other and further relief as in equity and justice he is entitled to.

Answer

5062

Afterward, On the 19" day of March A. D. 1888, An Answer was filed with the Clerk of the Court of Common Pleas which is as follows, to wit:

George W. Mackling
vs
John Nevlove et. al

Court of Common Pleas.

Now comes the Defendant Mary M Nevlove and for her separate answer to the Plaintiffs amended petition says:

That the Plaintiff ought not to have or maintain his amended petition against her because this Defendant says that before and at the time of signing the promissory note set up in the said amended petition she was a married woman having been for more than twenty years the wife of said John Nevlove and this Defendant did not receive any part of the consideration for said note.

Further answering this Defendant says, that in the month of February A. D. 1884 the said John Nevlove was indebted to said Plaintiff in the sum stated in said petition and he was then the owner of 128 acres of land near Marysville, Ohio, besides some town property in Marysville, for which town property he had then recently paid $2500.00 and which was then valued at that sum.

She said John Nevlove had been offering his town property for sale and it was then considered by all the parties

to this suit as worth more than $2500.00 and land had been generally selling for good prices.

It was in said month of February agreed between Plaintiff and this Defendant that this Defendant would sign with her said husband a note for said money which note was to secure these amounts.

And then if said John Newlove did not sell said property and pay said note said John Newlove was to execute to said Plaintiff a mortgage on the said 128 acres to secure his said indebtedness to Plaintiff and this Defendant was to be released from further liability.

This Defendant says that when the said note became due and pursuant to her said arrangement with the Plaintiff she signed with her husband a mortgage on said 128 acres and thereby secured to said Plaintiff his said indebtedness and the said John Newlove executed to him a note a copy of which is attached to the petition.

But this Defendant did not then sign said note and did not intend to sign the same, and the said note and mortgage were delivered to Plaintiff and he then delivered up to this Defendant the note she had signed Feb. A. D. 1884.

That after said mortgage was executed and delivered to Plaintiff being the fourpart of July 1884, the Plaintiff and said John Newlove came to this Defendant and Plaintiff then stated to this Defendant, that in order to make said Mortgage valid, it was necessary for this Defendant to sign said note and that the Plaintiff could not get said Mortgage recorded until this Defendant signed said note.

This Defendant then told the Plaintiff that she would sign nothing that would bind her beyond her interest in said 128 acres of land. That she had received no part of the consideration for said note and would not bind herself further.

Plaintiff then stated to this Defendant that it would not make her liable for the payment of said note if she signed the same. That he would pledge his word and honor that it should not bind this Defendant or prejudice her in any way if she signed said note.

That it was only done to make his mortgage good, and that the mortgage would not be good without this.

This Defendant says that she was wholly unacquainted with business and she believed what the Plaintiff said was true and trusting and relying upon his statements and representations of the Plaintiff she signed said note. This Defendant says that if said note

has a defficient effect than that represented by the Plaintiff she has been deceived and that it would be a fraud upon her to enforce payment of said note.

That if Plaintiff knew better when he stated to Defendant that to sign said note would only make said mortgage good and would not bind the Defendant.

He intentionally deceived this Defendant and that if he believed his statement to be true it was a mutual mistake of both parties. Thus Defendant says that the land in the petition described is land left her by her father and that the Plaintiff did not part with anything in getting her signature to said note.

Thus Defendant denies that she intended to bind her separate estate when she signed said note, and the Plaintiff well knew she did not so intend, and this Defendant denies each and every allegation in said amended petition set forth except as herein admitted, and she that when Plaintiff took from said John Newlove said mortgage he considered said land worth $50.00 per acre and that the prior mortgage was only $3000.00, and Plaintiff regarded his surety ample, and at this time all of said parties regarded the said John Newlove as solvent and it was only by the great depreciation in the value of Real Estate in said County that followed the execution of said mortgage that caused the said John Newlove to fail and why his said indebtedness.

Wherefore this Defendant asks to go hence without delay and recover her cost and that she may have all such other relief as may be just and equitable.

$400 Marysville, Ohio. May 10th 1884.

For value received I promise to pay to the Home Building and Loan Association Company of Marysville, Ohio. when the same shall clare and determine [$400] Four Hundred Dollars with interest and the premium as hereinafter stipulated for an advanced loan obtained by me upon two shares of stock in said Association by bidding a premium of One-Hundred and Forty-Eight Dollars bid for precedence in taking said loan. I promise to pay for each of said two shares of stock a weekly installment of twenty-five cents and in Four-Hundred Dollars the amount of said advanced loan, interest at the rate of six per cent. per annum from date in equal weekly payments until said Association shall be dissolved as provided in the constitution and By Laws thereof [at the end of each year a rebate of interest being made for weekly installments paid in stock] and the said premium of One-Hundred and Forty Eight Dollars. bid for precedence in taking said loan, I promise to pay in weekly installments of fifty-seven cents each until it shall be paid in full: all of said dues to be due and payable on Saturday of each week.

And I do further promise that should any of said weekly payments of interest or premiums remain unpaid for the space of four weeks after the same becomes due or should any part of said stock be forfeited for non payment of the weekly installments thereon then this note to become due and collectable immediately.

William Clapham

The said William Clapham paid his dues interest and premium on said two shares of stock and loan of $400 credited the 22" day of January A. D. 1887, and is entitled to credit for payments to that date, but since said 22" day of January 1887 he has not paid any thing on said indebtedness whereby the same has become due and payable and he is indebted to said Association on arrears of said indebtedness, as follows:

That said Deed of Mortgage has a condition thereunder written. Provided and these presents are upon this condition that whereas the said William Clapham has executed and delivered to the said "The Home Building and Loan Association Company of Marysville, Ohio his promissory note of even date herewith for the sum of Four Hundred Dollars upon the following condetions:

Pleas before His Honor John A. Price Judge of a Court of Common Pleas begun and held at the Court House in the Town of Marysville within and for the County of Union of the Third Sub-Division of the Tenth Judicial District of the State of Ohio, the 21" day of May, in the year of our Lord One Thousand Eight Hundred and Eighty Eight. Heretofore. To wit:

Petition

Mariah Mahaffey
vs
James T. Mahaffey.

5369

Petition filed Sept. 5, 1887.
Court of Common Pleas.
Union County. Ohio.

The Plaintiff says:

That she has been a resident of the State of Ohio for more than one year last past, and is now a "bone-fide" resident of said County of Union.

That on or about the 31" day of January 1856, in said County of Union, and State of Ohio. she was married to the Defendant and she has ever since conducted herself toward the said James T. Mahaffey as a faithful and obedient wife

That the Defendant disregarding his duties as a husband, has been guilty of extreme cruelty toward Plaintiff without any just cause or provocation on her part: to about the first day of January 1887 kicked and pushed the Plaintiff

out of bed; and about the same time, [the weather being very cold] Defendant locked the Plaintiff out of that part of the house where the fire was, and about the same time threw her violently out of a chair, and upon the floor.

About August 1886, he locked her out of the house and kitchen. And about April, 29." 1887 he ordered her out of bed and drew the bed clothing off her, and wrapped himself in them, compelling the Plaintiff to get up and build the fire to keep herself warm. And about the 4" day of June A.D. 1887. he used violence upon her person, shaking and jerking her so violently that he broke her watch-chain, which was a new one

And about July 1." 1887. he jerked her so violently around the room that she had to take hold of the bed post in order to prevent being thrown forcibly upon the floor.

And about July 10," 1887. he locked her out of the house about 8 o'clock at night and refused to allow her to enter the house, compelling her to go to a neighbors for shelter until morning. And about the 28" day of August 1887. he violently caught her by the arm and gave her a "sling" across the room and Defendant would frequently use abusive and foul language towards Plaintiff.

The Plaintiff has been compelled to furnish mainly all her own clothing for some years past. The Defendant is possessed of considerable property, having the title to two hundred acres of land, known as the home-farm and on which he has resided for a number of years, and still resides near to the Village of Newton in Liberty Township in said County of Union. He also owns another farm of about One Hundred and twelve acres in said Township of Liberty, and two town lots in said village of Newton. And Defendant did own a large amount of personal property, consisting of wheat, oats, dogs, cattle, sheep &c. but has been selling and disposing of the said personal property, and reducing the same to money, and Defendant threatens to sell all his property and to leave the Plaintiff and the County. That he has, without without Plaintiffs consent, rented their dwelling-house, which consists of about ten rooms, renting all the rooms excepting two or three, and has rented the home farm as Plaintiff is informed and charges for the term of three years, and all without Plaintiffs knowledge or consent. And Plaintiff charges that unless he is restrained by injunction he will sell all his property for the purpose and with the intent to defeat the Plaintiff from obtaining alimony from him.

That he has already reduced a large amount of his personal property. To wit: over one thousand dollars worth into money.

That the Plaintiff has no property of her own except some three hundred dollars and interest, which the Defendant holds and refuses to pay her. The Plaintiff therefore prays

that she may be divorced from the Defendant: that said marriage contract be annulled: and that she may have reasonable alimony adjudged to her pending this suit to enable her to properly prosecute the same.

And she further asks that the said Defendant be restrained and enjoined from disposing of any of his property which he still holds: whether personal or real, until this cause can be heard upon the merits, and other order taken as to said property. And the Plaintiff asks such other and further relief as equity and justice may demand.

Porter and Porter Attys for Plff

She Plaintiff, Mariah Mahaffey, being sworn, makes oath, that the facts stated in the foregoing petition are true.

Mariah Mallaffey.

Lizzie J. Gorgas Plaintiff
vs
Lewis H. Gorgas Defendant

To-wit: On the 28th day and Affidavit was filed which reads as follows:

In the Court of Common Pleas.

The Plaintiff, Lizzie J. Gorgas. says that she has been for more than a year last past a resident of the State of Ohio, and is at present a bona fide resident of Union County in said state.

That on the First day of May 1884, at the village of Magnetic Springs, she was married to the said Lewis H. Gorgas. That ever since said marriage she has deported herself as a faithful wife, and has in every way discharged the duties of such relation.

But, she avers, the said Defendant has not so done.

That he has totally disregarded his marital obligations and has, for more than three years, been guilty of continuous and gross neglect of duty.

She says that at the time of said marriage she possessed a comfortable home at the village named, and had beside some personal property. That the Defendant instead of furnishing a home himself, took up his residence with Plaintiff, and has ever since, when not wandering about, lived in Plaintiffs house. That the Defendant has not at any time furnished the Plaintiff with any means of support whatever. He has neglected to supply her with food, clothing and all the other necessaries of life, and instead of giving her anything has obtained money from her to the amount of $800, which he refuses to repay, and has lived entirely, when with her, upon her means. The Defendant is a machinist by trade but has earned nothing thereat since their marriage, and is not disposed to do anything. He is a wanderer, and has gone off to remain for weeks, without advising the Plaintiff of his whereabouts, and is now away from her and has a number of times, returned home in a drunken condition, and lounged about the Plaintiffs house sick from his debauche, and offensive in person and conduct, and at such times he has been abusive and disrespectful in his treatment of the Plaintiff

She further avers that the Defendant has no property whatever, and no means of earning a living besides his said trade. But on account of his slothfulness and idleness this trade avails nothing, and the Plaintiff has been compelled, in order to keep him respectable in appearance, to buy clothes for him, and look after his personal care.

She therefore asks that she may be divorced from this

Plaintiff further says that on the 16th day of April A.D. 1886 at Erie County State of New York he was lawfully married to the Defendant whom he prays may be made a party Defendant hereto.

Plaintiff further says that he has all ways been to the said Defendant a faithful Husband: allways ready and willing to provide a home and all the necessaries of life for her. Yet not withstanding all of his devotion and attention to her she has been guilty of gross neglect of duty toward the Plaintiff, wholly refusing and neglecting to live with him or go where he had business and could make a living for themselves. Utterly refusing to leave her Parental Roof and go with him and discharge the duties of a Wife as she was by Law bound to do. Plaintiff further says that he has made frequent overtures to the Defendant, and requested her to go with him and live with him, and discharge the duties of a Wife. Yet she disregarding his requests has refused and neglected him.

Answer of Rosa Gamble.

Now comes Rosa Gamble, Widow, and for answer to the Plaintiffs Petition says she admits that the contract of sale by Samuel Gamble to A. Johnson Bird was made as described in the Petition and that payments were made on it as alleged in Petition.

She says said land sold for Thirty Two Hundred and Fifty Dollars as therein alleged, and she says that she is entitled to Dower therein and her Dower has been applied by this Court at its --- term 1888, but has not yet been assigned. She further that she is of opinion that it would be to the best interest of herself and all the heirs of the Estate that the said contract be completed by making a clean and full title to the said A. Johnson Bird of said land as soon as the contract is completed, and for that purpose she is willing to take her Dower in money instead of land.

She says her age is Seventy-Seven that the value of the land as contracted for and is Thirty Two Hundred and Fifty Dollars. And she is willing to take Dower on that sum according to her age and the Rules of the Annuity Table instead of having it assigned in land.

The said Defendants having been all legally notified of the pendency of said Petition, this Cause now comes on for hearing upon said Petition the Answer of the Defendants and the testimony.

And the Court being fully advised in the premises finds that said Samuel Gamble on the 31st day of July, 1884 being then in full life entered into a contract in writing with A. Johnson Bird for the sale of the premises in the Petition described. That said A. Johnson Bird paid on the said contract to the said Samuel Gamble in his life time the sum of Twelve Hundred and Sixteen Dollars May 4th 1885 and the further sum of $155 April 1st 1886 and $133 April 14th 1887 and that he paid to the Plaintiff as such Administrator June 1st 1888 One Hundred and Fifty Five Dollars and since said Petition was filed To-wit: November 3rd 1888 has paid to this Plaintiff the further sum of Five Hundred Dollars. That there is Still unpaid upon said contract Fifteen Hundred Dollars to be paid in yearly installments of Two Hundred and Fifty Dollars each at Six per cent. payable annually from April 1st 1888.

The Court find that said A. John Bird is ready able and willing to secure said defered payments by mortgage on said premises and that all parties are willing and desirous of completing said contract and that it will be to the interest

of said minor children for the same to be completed and

It is therefore ordered that said John C. Gamble Administrator of said estate for and on behalf of the heirs at law of said decedent execute and deliver to said A. Johnson Bird a deed in fee simple for said premises free of the Dower of said Rosa Gamble and according to the statute in such cases provided.

To the Court of Common Pleas.
Union County, Ohio.
Petition.

Frank M. Cameron Plaintiff says: That he owns in fee simple and has the possession of the following discribed

Real Estate situated partly in Union and partly in Marion Counties and part of Surveys Nos. 9941 and 9942.
Bounded and described as follows:

Brginning at a stone in the centre of the LaRue and Essels Pike in the south line of Jonathen Bell: thence S. 31° E. 11 5/100 poles to an angle in said pike: thence S 42° E. 30 8/10 poles to a stake in the centre of said pike: thence N. 63° 20' E. 8 8/10 poles to a stake: thence N. 26° 40' W 5 56/100 poles to a stake: thence N 61 3/4° E. 79 73/100 poles: thence N 80° E 56 24/100 poles to a stake: thence N 20° W. 46 poles to a stake: thence S. 80° W 81 5/100 poles to centre of the Creek at Bells and Whites corner: thence with the meanderings of the Creek to Bells S. E. corner in the middle of said creek: thence N 68° 20' W. 84 74/100 poles to the brginning containing 40 acres and 67 rods.

The Plaintiff says That Survey Nos. 9941 of which the above described tract is a part- was patented by the United States to John Swan and patent- duly recorded.

That about the first of April, 1820 John Swan who was then the owner of Survey Nos. 9941- 9920 and other lands in Ohio made and executed a will disposing of all his lands and authorizing his executor to sell and dispose of all his Ohio lands. Shortly after executing said Will John Swan died and said Will was duly admitted to Probate.

The original executor of John Swan died without having disposed of said Surveys Nos. 9941- 9920 and other lands in Ohio and in the year 1840 by certain legal proceedings then had in the Court of Common Pleas of Union County, Ohio. it was made to appear to said Court that the executors of John Swan had died leaving said lands undisposed of and it was by said Court ordered that one Mathew J. Gilbert be and he was appointed Administrator "de bonis non" with the will of John Swan annexed. That afterwards to wit: On the 25" day of October 1840, said Survey Nos 9941- 9920 and other lands in Ohio being still undisposed of said Mathew J. Gilbert for a full and valuable consideration conveyed said Survey Nos: 9941, 9920 and other Ohio lands to James Swan by deed duly executed and recorded in Vol. 40, Page 42 of Union County Records.

That afterwards about the year A.D. 1850, said James Swan for a full and valuable consideration and all that part of the lands herein first described that lies in Survey Nos. 9941, to one Peter Hopkins the said lands so sold to Peter Hopkins lies bitween the line of said Survey Nos. 9941 and the Essex and LaRue Pike and at the time of said sale was wholly unimproved.

The said Peter Hopkins took the possession of said lands about the year 1850 and made a payment thereon and was and have a deed upon full payment being made said Hopkins made lasting and valuable improvement on said

lands and fully paid out for the same in his lifetime but neglected to apply for or obtain a deed.

Said Peter Hopkins in the year 1866 died sieged of said lands and the same was partitioned and sold as part of his Estate

The Plaintiff has a connected chain of title from said Peter Hopkins to himself for said lands, and the Plaintiff and those through and under whom he claims have had the exclusive, open, & notorious continued adverse possession of said lands for more than thirty seven years last past.

The Plaintiff says that John Swan at the time of his death was a resident of the City of Baltimore Md. and that James Swan was one of his children and heirs but the other heirs of John Swan are wholly unknown to the Plaintiff and he has used due diligence to learn who they are and where they reside.

Plaintiff says that James Swan died in the year 1859 leaving a will by the terms of which all his property was divided to his son John Swan Jr. his daughter Ann E. and the children of his deceased daughter Ellen. after the death of James Swan said will was duly admitted to Probate and a copy thereof is recorded in Book "A". page 246 of Union County Records of Wills.

The Plaintiff says that said John Swan Jr. now lives in Baltimore Md.. Said Ann E. Swan intermarried with one Wm. F. Frick and that she died in the year 1880 leaving three children, all residents of Baltimore Md. to wit: James S. Frick intermarried with C. Elsie Frick – Elizabeth H. Frick, Mary Garrett wife of Robert Garrett.

The deceased daughter Ellen mentioned in the Will of James Swan was the wife of Philip Barton Key, she died leaving the following children, to wit:

Philip Barton Key now living in New York City. Elizabeth married to Robert A. Hobbins, Mary married to William Gilmer Jr. Ellen married to Frank Porter. Ellen died last January leaving two minor children, to wit: Francis and Philip who now live in New York City.

Plaintiff says: That the deed from the Administrator "de bonis non" of John Swan to James Swan mentioned all the lands in Ohio not previously disposed of but the facts does not appear of record that said Surveys Nos. 9941 and 9920 were not previously disposed of.

Plaintiff says that by reason of the said defect in the deed from John Swan Administrator and by reason of the fact that James Swan after securing full pay for said land did not convey the same, it leaves a cloud upon the Plaintiffs title and Plaintiff files this his Petition so that he may be allowed to prove the fact herein alleged and have his title quieted. The Plaintiff says that in equity he should receive from the said Defendant a deed of

of conveyance for said lands and that they each should be estopped from ever setting up or claiming any title adverse to the Plaintiff.

Plaintiff prays that all of said Hfendant may be duly and legally notified of the filing of this Petition that a hearing may be made hereon and that upon final hearing the Plaintiffs title to said may be quieted and put at rest and said Hfendant each decreed to convey or quit claim to Plaintiff and that they be estopped and enjoined from ever setting of any claim to said lands adverse to Plaintiff and for all such other and further relief as the nature of the Case may require.

date of said note he rented said lands to the said Simon Hall for the period of five years the next following at an annual rent of Four Hundred Dollars per year and that the note mentioned in the Petition was executed for the rent of said lands for the year 1884, and for no other consideration whatever.

That after the execution of said note and during the winter of A/1881- Said William Hines died and his said life estate terminated and said estate went to other parties before said Simon Hall took possession of the same and said Simon Hall never did have the possession or use of said lands or any part thereof, so that the consideration for said note wholly failed.

The said Jacob Howard at the date of the execution of said note knew the fact in regard to the consideration for the same and knew that said Hines had only a life estate in said lands.

Wherefore the said Simon Hall and W. H. Robb pray that they may go hence and recover their costs in this behalf expended and for all proper relief.

vs.

Simon Hall et. al.

In the Court of Common Pleas.

And now comes the said Plaintiff and for reply to Defendants Answer herein filed says:

That he admits that said note was given by said Simon Hall and William Hall as evidence of the rental of the life estate of said William C. Hines in certain lands in Union County, Ohio. and that said William C. Hines died during the winter of A/1881 and Plaintiff denies each and every other

allegation contained in the Second Defense in said Answer.

Further replying Plaintiff says: That on the 28th day of February 1883 this Plaintiff became surety for said William C. Hines upon a certain note and mortgage payable to Ella Hines, Lottie Hines, Nannie Hines and any child and children that might thereafter be borne unto said William C. Hines, payable at the death of said William C. Hines and calling for the sum of Eight Hundred, Seven and 50/100 Dollars,

That on or about the 21st day of July 1881 this Plaintiff became surety for said William C. Hines in the sum of about Our Hundred and Seventy-Nine Dollars on a promissory note, payable to the People's Bank, due in about sixty days after date. That in the year 1880, the premises on which said mortgage above mentioned was given, were sold in partition proceedings by order of this Court and by the instrumentality of this Plaintiff the portion thereof due to said William C. Hines was withheld to be credited on said mortgage. That this Plaintiff ascertained the amount thereof and realizing that said mortgaged premises had been totally exhausted and that there was a balance of over Four Hundred Dollars for which this Plaintiff would be liable at the death of said Hines, without any indemnity whatever, he called upon said Hines about August 1st, 1881, and refused to remain as surety upon said mortgage and note. Said Hines then promised to fully indemnify said Leonard for all claims upon which said Leonard was liable as security or otherwise for him. That according to said promise on the 22nd day of August 1881 said Leonard and said Hines came to Marysville for the purpose of said Hines indemnifying said Leonard by a chattel mortgage on personal property of said Hines. On arriving at Marysville said Hines proposed to the Plaintiff to substitute for said chattel mortgage the said note so mentioned in Plaintiff Petition. This Plaintiff then consented to remain as Security and accept said Hall note as indemnity for both the mortgage and note and the People's Bank note. It was then and there agreed by and between said Hines and said Leonard that in consideration of said Leonard remaining as surety upon said mortgage and note and said Peoples Bank note that said Hines would transfer and deliver to said Leonard the said Hall note as aforesaid and that in the event of said Hines living beyond the maturity of said Hall note then Plaintiff was to collect the money on said Hall note and reserve to himself a sufficient sum thereof to fully indemnify him against the payment of any part of said suretyship on said mortgage, and to pay the remainder

if there should be any part remaining, to said Hines. That said contract was verbal and Plaintiff insisted upon having the same reduced to writing, but that said Hines declined so to do as both parties thereto fully understood the same, but said Leonard did give to said Hines a receipt in which it was stated that said Leonard received said note as indemnity against all notes on which he was surety for said Hines. Plaintiff says that at the April A.D. 1883 Term of this Court a judgment was rendered against him upon said Mortgage and note first herein mentioned for the sum of $474.[00] with 6 per cent. therein from April 6, 1883. That on or about the 21st day of July 1883 said Leonard was compelled by execution duly issued out of this Court on said judgment to pay the said judgment, interest and costs, amounting in all to about $495.[00]

Plaintiff farther says that about ---188-- he was compelled to pay said Peoples Bank note amounting to about $79.[00] and eight per cent. interest from August 22nd 1881.

Cross Supplemental Petition.
4911

Amos Glover
vs
Washington Davis, Sarah E. Davis
Samuel McAdow and the Woodstock Bank

Filed June 23rd 1888.
Supplemental Petition
by Samuel A. McAdow.

The Defendant Samuel A. McAdow now comes and by the leave of the Court files this his "Supplemental Cross Petition" and says he was the owner of the second mortgage in said proceedings set forth given by Washington Davis and Sarah E. Davis to secure $7500 dollars and interest as set up in the Cross Petition of the Woodstock Bank. — That after paying the costs, taxes and the first mortgage sold there remained due to said Woodstock Bank on said

second mortgage the sum of $821 25/100 on the 7th of April 1886 which sum with interest thereon since April 7th 1886 is due from Washington Davis for which execution was awarded by this Court in this cause on the 7th day of April 1886 as will appear by said Record. The said Samuel A. McAdow after the sale of said lands to said Woodstock Bank took from said Bank an assignment of its said Bill and the Court confirmed said sale on the 7th of April 1886 and ordered the Sheriff of said County of Union to execute to the said McAdow a deed for said lands in the Petition described and in pursuance thereof said Sheriff executed a deed for said land to said Samuel A. McAdow and delivered to him the possession of said land except as hereinafter mentioned.-

Since said decree the said McAdow also purchased from said Woodstock Bank the balance of said mortgage claim and there is due on the same to the said McAdow from said Washington Davis said sum of eight hundred and twenty-one and 25/100 dollars with interest from April 7th 1886 on said note and mortgage given by said Davis and wife to said McAdow.

The said McAdow says there was a valuable frame barn on said land and which was a part of said farm as one of the appurtenances thereto belonging at the time said lands were ordered to be sold and where said lands were sold as aforesaid but the said Barn was a few hours before said sale and without the knowledge of any of the parties to said suit except said Washington Davis without any legal right or authority and contrary to law taken from said land by said Washington Davis and said Burgess and Amon Davis who this Defendant now prays may be made Defendant and served with process and the said Burgess Davis has ever since said January 20th 1886 when said farm was sold held possession of said Barn unlawfully and without any right thereto used the same; and he unlawfully conspired with said Washington Davis and assisted him to secretly roll the same off of said land so mortgaged on to the land of said Burgess and Amon Davis for the purpose of depriving said mortgagee and said purchasers of said land from the use thereof.-

The said Samuel A. McAdow says that by virtue of said sale and said deed he is and became the owner of said Barn and he says that if it be not true that said barn did become the property of said S. A. McAdow by virtue of said sale and deed. He now owns and has a lien on it to satisfy the said ballance due and unpaid on said second mortgage due said McAdow as aforesaid, and barn being as he avers a part of said farm mortgaged as an appurtenance and fixture belonging thereto and said McAdow avers that said Burgess Davis and said Washington Davis are both guilty of a contempt of the Court in removing said barn in the manner aforesaid and said Burgess Davis is liable to the said McAdow for the damages which has accrued to him by

of said removal and the loss of the use of said Barn in the sum of one hundred dollars and said barn on said mortgaged premises was of the value of $600.00

Therefor the said Mc Adow prays that the Court may find and decree in his favor the amount yet due and unpaid on said mortgage and award execution therefor.

2d. That the Court may order, decree and adjudge that the removal of said barn was unlawfull and said barn is by virtue of said sale and deed the property of said Mc Adow and order said Burgess Davis within a reasonable time to be fixed by the Court to place said barn back to the place from which he took it and in default thereof that the Sheriff of this County be authorized and ordered to make such removal and that the expense thereof be taxed to said Burgess Davis as costs in this case.

3" That if the Court shall refuse to so adjudge and so order, Then that the Court may order, decree and adjudge that said barn be sold according to law to satisfy the ballance due said Mc Adow as aforesaid from said Washington Davis on said mortgage and that such other and further relief be granted him as law and equity require.

Amos Glover

Washington Davis, Sarah E. Davis
Samuel A. Mc" Adow and the
Woodstock Bank.

The Defendant Burges Davis answer to the cross-petition [supplemental] filed by Samuel A. Mc" Adow on the 23" day of June 1888 and denies:

That he and Washington Davis rolled and removed said barn on to his premises, and denies that he had anything to do with the removal, or the expense of said removal, or that he was in any way implicated or connected with its removal. And denies that he holds possession of the same unlawfully; and denies that he conspired with Washington Davis or assisted him, secretly or otherwise to roll or remove said barn off said Mortgaged premises, and unto his land or on the land of Amos Davis.

And he denies that he did so for the purpose of defranding the mortgagee or the purchasers at the mortgage Sale of the use thereof as alleged by said Mc" Adow

And he denies that he is in any way guilty of a contempt of Court because of the removal of said barn, and denies that he is liable to said Mc Adow or other person in damages by reason of said removal, or for the value of the barn, or for the loss of the use of the same in the sum of $100 or any other sum.

Whether Mc Adow is the owner of said barn, or has a lien on the same as alleged by him this Defendant knows nothing, and denies those allegations.

And if said barn does belong to said Mc Adow, or if he has a lien thereon, then this Defendant disclaims any right title, or interest in said barn.

Having thus fully pleaded this Defendant asks to be dismissed with his costs &c.
