In the matter of the Guardianship of John Smith incompetent.

application

Now comes Nellie Smith, and represents that she is a Niece of John Smith, an incompetent person; that said John Smith is a resident of Union County, so will more fully appear from the records in the matter of the guardianship of John Smith, in the Probate Court of Union County, Ohio.

That said John Smith has personal property, and also an interest in real estate; that it is necessary and proper that a guardian be appointed of the person and estate of said John Smith, to look after his affairs and manage and control his property.

This applicant further says that Richard C Small was the last legal acting guardian of said John Smith, having been appointed by the Probate Court of Union County, Ohio, but that said Richard C Small did, on May 16- 1932 tender his resignation as such Guardian, and that on May 16- 1932 said resignation was accepted, and made a part of the records of the Probate Court of Union County, Ohio, and that thereafter said Richard C. Small filed a statement in his account and said statement was by this Court accepted and approved.

This applicant therefore prays that this court take all necessary and proper action to appoint a guardian for the person and estate of said John Smith, and do all other matters and things in the premises in accordance therewith

This applicant further represents, that there is now pending in the Blackford Circuit Court of Blackford County, Indiana, a suit brought by Andrew Smith Executor of John Smith, against John Smith, and others, Contesting the Will of Patrick B. Smith, late a resident of Blackford County, Indiana, and that by the terms of Item IV of said Will, said Patrick B. Smith devised and bequeathed all of his personal

property, goods, chattels, credits and securities, and personal estate, and all of his lands, tenements, title and hereditaments and real estate of every kind to the First National Bank of Hartford City, Indiana, as trustee, upon trust that said trustee should, as soon as convenient after receiving possession of said property, sell, call in and convert into cash, all of said property, and the money received from the sale thereof should constitute a trust fund in the hands of said trustee for the period of said John Smith's life; and that during the life time of said John Smith, the income from said trust fund, or so much thereof as should be necessary to pay for his keep, board, clothes, shelter, medical attention and all other necessary expenses of every kind should be paid by said trustee for the benefit of said John Smith.

His applicant further represents that said Andrew Smith, according to said Will of Patrick B. Smith, does not receive any of the property of Patrick B. Smith; that by the former order of this Court, Willis K. Liggett was appointed special counsel for the guardian of John Smith in the matter of the contest of the Will of Patrick B. Smith, in the Blackford County Circuit Court, and has entered his appearance as such, but that by reason of the proceedings heretofore had, in this Court, said John Smith is not represented in said Will Contest. And that it is exceedingly important that he be so represented and his interests protected.

His applicant further says that said case in Indiana is set for trial for the 14 day of November, 1932, and that it is urgent that a guardian be appointed at once for said John Smith. His applicant hereby requests that the Court refer to the proceedings in regard to the guardianship of John Smith, heretofore had in this Court, with respect to the age of said John Smith, the amount of his property, his next of kin and other matters and things to fully and completely advise the Court of the present status of John Smith.
