Now comes S.S. Gardiner & R.W. Weir, assignees of said N.P. Westheimer and respectfully say to this Court that they have sold all the real & personal property of said N.P. Westheimer, assigned to them, except the accounts herein described as will more fully appear by reference to the returns on file in said Court.

That the accounts herein attached marked Exhibit "A" are disputed & difficult of collection and that it would be for the interest of said assignment that said accounts be sold. That the delay in collecting the same (the amount being small) and consequent delay in making distribution would be detrimental to the interest of the Creditors of said Estate.

Whereupon said assignees ask that they be allowed to sell said Claims at public auction or private sale as said Court may order.

S.S. Gardiner & R.W. Weir,
assignees per Gardiner.

The State of Ohio

In the matter of the estate of Susannah Troyp, Deceased,

To the Judge of said Court:

Henry Highberger administrator of the estate of Susannah Troyp, deceased, late of said County, now comes and makes application to said Court for authority to sell at private sale, as provided by law, the following personal property of said estate, to wit:

No. Items	Description	Appr. Value.
1	One half 15 Tons of hay	37.50
2	two fifths 10 acres Wheat	38.50
3	" " 6 " Corn	
4	17 acres pasture	36.00

mentioned in the inventory of said estate, filed in said Court.

Said authority is asked for the following reasons: Being composed of such articles as are salable in the market and governed in price by the law of demand and supply; and if offered at venture, would not bring more than market price, and might by combination bring less, I think by holding hay and grain for a good market, I can make more for the estate than to force a sale by advertising.
