Petition to Increase Years Allowance

John H. Stewart deceased

To the Probate Court of Union County Ohio

The undersigned Rebecca Stewart widow of John H. Stewart late of Union County Ohio deceased respectfully represents that the allowance made in money to support herself as widow and one Grand child under the age of fifteen years of said decedent for twelve months from his death was the sum of \$400.00

That there was but little other property or provisions allowed and set off to them for that purpose - that said allowance was and is wholly insufficient for said support and she therefore asks the Court to increase the same by the amount of \$600.00 which additional sum would not be more than is justly required for said purpose and order the administrator of the said decedent to pay the same to her

To The Honorable Judge of Probate Court within and for Union County and State of Ohio

Your petitioner Flora A Sterling widow of James E. Graham, deceased respectfully represents that the appraisement of the personal estate of said decedent failed to allow or set off any property or money to your petitioner for the years support and her and her minor child Helen Graham.

Your petitioner therefore prays that the sum of two hundred Dollars may be allowed for said support and that the administrator of the estate of said James E. Graham deceased may be directed to pay the same over to your petitioner in pursuance of the statute in such case made and provided

Petition To Increase Years Allowance

David Thomas Deceased

In The Probate Court of Union County Ohio

The undersigned Ida Thomas widow of David R. Thomas late of Union County Ohio deceased respectfully represents that the allowance made in money to support herself as widow and Charles Thomas Sarah Thomas Grace Thomas Ruth Thomas children under the age of fifteen years of said decedent for twelve months from his death was the sum of only of \$177.00 That there was but little other property or provisions allowed and set off to her for that purpose that said allowance was and is wholly insufficient for said support and she therefore asks the Court to increase the same by the amount of \$800.00 which additional sum would not be more than is fairly requisite for said purpose and order the administrator of the estate of said decedent to pay the same to her.

 It will be for the benefit of the creditors of said estate to sell the stock in bulk and at once as it will be of less value if it remains locked up in the store room and it would not be advisable to sell at auction and continue the business.

same aside and order a new sale under said order of sale
including other chattels and property of said assignor and assigned
by him to his said assignee as more specifically set out in
said last mentioned motion were argued by counsel and submitted
to the Court upon the evidence and the Court upon con-
sideration of all said matters finds

First That the lease hold interest of said Benjamin C.

and the property of one E. S. Pine in Marysville Ohio was a
lease or tenement from year to year and was and is a valid

Benjamin C. Bailey and passed to said Francis V. Arthur as said
assignee by virtue of the deed of assignment made and filed in this
matter subject to all the rights and privileges of said Pine
The lessor under his said lease and become an asset in the
hands of said assignee and should have been sold with
at the time the said merchandise stock of goods and fixtures
were sold as reported by said assignee herein

Second That if said lease hold interest had been so offered
sold with said merchandise the same together would have
brought a better price

It is therefore considered and ordered by the Court
that said sale as reported by said assignee for said release be
and the same is hereby not approved but set aside and
held for naught

And it is further ordered by the Court that said Francis
V. Arthur assignee proceed at once to offer and sell said stocks
of merchandise including said lease hold interest store fixtures
and furniture at private sale for cash in bulk and at not
less than two-thirds the appraised value thereof and report
