Mentioned in the inventory of said estate, filed in said court.  
 Said authority is asked for the following reasons:  
 1<sup>st</sup> that he can sell said property at its fair value and at the appraised value as corrected by affidavit of three disinterested persons to wit W. S. Bayl, J. D. White & W. W. Gippe.  
 2<sup>nd</sup> That to delay sale for purpose of advertising as required by law for Public Sale would depreciate value of effects to less than appraisement. That for these reasons it would be for the best interest of the estate to sell same at private sale.

Afterward to wit: on the 3<sup>rd</sup> day of October 1894, an entry was made on the Journal of this Court, which reads as follows to wit:

In Probate Court, Union County, Ohio, October 3<sup>rd</sup> 1894.

In the matter of the Estate of } No. 4430  
Christian Kunze dec'd } Order for Private Sale of Personal Property.

This day came Friedrich Kunze, Administrator of the Estate of Christian Kunze, deceased, and presented to this Court his application, and affidavit for an order to sell the Personal Property of said estate therein named at Private Sale. Also, said Administrator presented his application, and affidavit of three persons in support thereof, to reduce the appraisement of certain articles of Personalty therein specified

Whereupon the Court ordered said applications and affidavits filed: and

Thereupon this cause came on to be heard upon said Applications and affidavits, on consideration whereof, and being fully advised in the premises, the Court find that the affidavits in support of said application to reduce the appraisement of Personalty, as aforesaid, are made by three disinterested persons: and that said Personal Property in said Application specified cannot be sold at its appraised value and that it will be for the best interest of said Estate to sell said Personalty at a less price, to wit: at the price indicated in "Application to sell Personal Property" under head of "Revaluation". And the Court further find that it will be more to the advantage of said Estate to sell said property at Private Sale than at Public Vendue. It is, therefore, ordered by the Court that said Administrator proceed to sell the personal property of said Estate at private sale at not less than the appraised value thereof, except as to the articles of personalty

specified in said application which said Administrator is ordered to sell at not less than the valuation placed thereon in said application under the head "Revaluation" and said Administrator is ordered to sell the personal property of said estate for cash, or on time not exceeding nine months, the deferred payments to bear interest from the date of sale, and to be secured by the promissory note of the purchaser, or purchasers, with at least two amply responsible sureties thereon.

It is further ordered that said Administrator report his proceedings, under this order, within one month from the date thereof, and matter continued.

James McBurnell, Probate Judge

Afterward to wit: on the 24<sup>th</sup> day of November 1894, the order for private sale, in said proceedings was returned and filed, which reads as follows to wit:

It is therefore ordered by the Court that said personal property be sold at Public Sale within one month from the date of this order for cash or on six months time on sums above three dollars secured pursuant to law.

It is further ordered that said Executor report his proceedings under this order within one month from the date thereof, and matter continued.

Application to Sell Personal Property.

The State of Ohio, } ss. Probate Court.  
Union County, }

In the Matter of the Estate of Duster H. Dean, Assigned.  
To the Judge of said Court:

John L. Boylan, Assignee of the estate of Duster H. Dean, Assignor, of said County, now comes and makes application to said Court for authority to sell at private sale, as provided by law, the following personal property of said estate, to wit:

Description	Appraised Value
Old Iron	\$ 50 00
Hay & Straw	4 00
One top buggy	10 00
	<u>\$64 00</u>

mentioned in the inventory of said estate, filed in said Court. Said authority is asked for the following reasons:

I believe more can be realized by private sale than public. By offering the iron at public sale there would likely be no bidders as the amount is such that it would be of no value to any person except to dealers in that line, there being no such dealers near the point of sale I could not sell for its value. The buggy is old and could not be sold for appraised value at public sale.

John L. Boylan, Assignee.

John L. Boylan being duly sworn, says that the various matters and things contained in the foregoing application are true, as he verily believes.

We are to receive grain rent hauled to market and if sold at public sale it would not bring as much as if marketed.

mentioned in the inventory of said estate, filed in said court. Said authority is asked for the following reasons: That a large part is household goods not ready sale - having been used, much of it for many years, and much better sale can be made at private sale than public, for the reason that members of family would bid for them and bid more than strangers. That the balance of the articles inventoried are tools belonging to said estate which have been long in use and would not sell for much and the entire sale would amount to but little and costs of advertising and auctioneering same would be considerable and that the entire inventory can be, for these reasons, sold to much better advantage at Private Sale than Public Sale.

Record of Inventories and Sale Bills,

mentioned in the inventory of said estate, filed in said court.

Said authority is asked for the following reasons:

First, that the goods and chattels herein enumerated, are old household goods, aggregating in value \$50.50 - comprising 61 different items - many of the items of little or no value,

Second - That the expense of advertising & selling at public vendue would so greatly increase the cost of administration, that the estate would not be sufficient to pay the expense, thereby incurred.

Third - That the Administrator has an offer to take the goods at the amount of the full appraisement (and hopes to get more) which if the court will order, will materially lessen the expenses of administration, and save the estate from debt.

Jasper Graham.

The State of Ohio, Union County, ss:

Jasper Graham being duly sworn, says, that the various matters and things contained in the foregoing application are true, as he verily believes.

It is further ordered that said Administrator report his proceedings under this order within one month from the date hereof, and matter continued.

In the Matter of the Assignment of John L. Newhouse and Walter A. Newhouse Partners as Newhouse Brothers - The Assignee Francis J. Arthur now comes and moves the Court for an order of Sale of the following personal property to wit: One Cream Tester, one Butter Worker, one Churn, one Cream Tank, one Suction Pump - for the reason that said Articles have been twice offered at Public Sale and not sold for want of bidders, that said chattels are old and much worn, and are almost entirely valueless, that the expense of advertising and offering at Public Sale would cost most likely more than said articles would sell for, thereby incurring useless expense to the estate, this motion for order is made under Sec. 6350. That said property was appraised too high and the best price that can be obtained for all of said property is five (\$5.00) dollars.

This day came Francis J. Arthur, as Assignee in trust for the benefit of the creditors of the firm of Newhouse Brothers, and presented to the Court his written Application, duly verified, for an order to sell certain chattels, in said Application specified, at less than the appraised value thereof as returned in the Inventory of the Assets of said Assignor, and at Private Sale. Whereupon, the Court ordered said Application filed, and

# Record of Inventories and Sale Bills,

Thereupon this matter came on to be heard upon said Application, and the testimony introduced in support thereof, and the same was submitted to the court. Whereupon the court, being fully advised in the premises, find that, as alleged, the articles of personal property specified in said Application bear an excessive appraisement; that the same have been twice offered at Public Sale, and for want of bidders, remain unsold: that the total value of said chattels does not exceed the sum of \$5<sup>00</sup> and that it will be to the advantage of the creditors in the premises to sell said chattels at Private Sale, for cash, at a sum not less than said total sum of \$5<sup>00</sup>, rather than to incur the expense of another offer at the present appraisement.

It is therefore considered, ordered, and adjudged by the court that said Assignee proceed to sell the personal property in said Application specified, at Private Sale, for cash, at not less than said total sum of \$5<sup>00</sup>, and that he report his proceedings under this order within one day from the date hereof, and matter continued.

## Affidavit

The State of Ohio, Union County, ss:  
 The undersigned J. B. Halloway and John M. Brodrick Assignees of D. A. Mitchell, being duly sworn according to law, depose and say that the foregoing inventory is, in all respects, just and true, that it contains a true statement of all the property, money, rights and credits of the said assignor, included in the assignment, which have come to the knowledge of the affiants.

J. B. Halloway  
 John M. Brodrick

Sworn to before me and signed in my presence, this 29<sup>th</sup> day of January A. D. 1896.  
 J. S. James McCampbell, Probate Judge.

Afterward, to wit: On the 29<sup>th</sup> day of January A. D. 1896, an Application to Sell Personal Property was filed in this Court, which reads in the words and figures following, to wit:  
Application to Sell Personal Property.

The State of Ohio, } ss  
 Union County, } In Probate Court.  
 In the Matter of the Assignment of D. A. Mitchell.  
 To the Judge of said Court:  
 J. B. Halloway and John M. Brodrick, Assignees of D. A. Mitchell of said County, now come and make application to said Court for authority to sell at Private Sale, as provided by law, the following personal property of said estate, to wit:

All the stock of groceries, furniture, fixtures, wagon, and appurtenances as shown by the Inventory herein filed, mentioned in the inventory of said estate, filed in said Court. Said authority is asked for the following reasons: A part of said stock is of such nature that delay will work a loss. A part of said stock can be sold on the market at more than  $\frac{2}{3}$  of the appraisement, but the fixtures, wagon and remnants left after selling the staple goods would reduce the selling price of the stock below  $\frac{2}{3}$  on the whole stock, as well as saving expense in advertising, selling &c.

J. B. Halloway  
 John M. Brodrick.

The State of Ohio, } ss.  
 Union County, } J. B. Halloway and John M. Brodrick being duly sworn, say, that the various matters and

things contained in the foregoing application, are true as they verily believe.

J. B. Galloway

John M. Brodrick

Sworn to before me and signed in my presence, this 29<sup>th</sup> day of January 1896.

J. B.

James M. Campbell,

Probate Judge.

Afterward, to wit: On the 29<sup>th</sup> day of January A. D. 1896, an entry was made upon the Journal of this Court which reads as follows, to wit:

The Probate Court of Union County, Ohio, January 29, 1896.  
In the Matter of the Assignment } No. 4708. Filing Applications  
of D. A. Mitchell } for Private Sale.

This day came John M. Brodrick and J. B. Galloway, Assignees in trust for the benefit of the creditors of D. A. Mitchell, and presented their written applications, duly verified, for and order to sell the stock of merchandise, assigned by said Assignor, at Private Sale, for cash.

Whereupon the Court ordered said Application filed. And thereupon this matter came on to be heard upon said Application, and the evidence introduced in support thereof, and was submitted to the Court.

Whereupon the Court being fully advised in the premises, finds that it will be more to the advantage of the creditors of said Assignor to sell the property in said Application specified at private, than at public, sale.

It is therefore considered, ordered, and adjudged by the Court that said Assignees proceed to sell the property in said Application specified at Private Sale, for cash, at not less than two-thirds of the appraised value thereof, and that they report their proceedings under this order in one month from the date hereof, and forthwith upon execution of the same, and this matter is continued.

James M. Campbell,

Probate Judge.

Affidavit.

The State of Ohio, Union County, ss:  
The undersigned R. L. Woodburn Assignee of Le Roy Decker being duly sworn according to law, deposes and says that the foregoing inventory is in all respects, just and true, that it contains a true statement of all the property, moneys, rights and credits of the said assignor, included in the assignment, which have come to the knowledge of the affiant.

R. L. Woodburn.

I sworn to before me and signed in my presence this 30<sup>th</sup> day of January A.D. 1896.

J. S. James M. Campbell, Probate Judge.

Afterward, to wit: On the 30<sup>th</sup> day of January A.D. 1896, an Application to Sell Personal Property was filed in this Court which reads in the words and figures following, to wit:

In the Matter of the Estate of Le Roy Decker.  
To the Judge of said Court:

R. L. Woodburn Assignee of the Estate of Le Roy Decker of said County, now comes and makes application to said Court for authority to sell at Private sale, as provided by law, the following

personal property of said estate, to wit:

Description.

consisting of his entire Stock of goods and fixtures - known as the Decker Jewelry Store in Marysville O - and more particularly described by Inventory filed with the Probate Court this 30<sup>th</sup> day of January 1896.

mentioned in the inventory of said estate, filed in said court. Said authority is asked for the following reasons: That there are about fourteen hundred different items appraised as shown by the Inventory filed - to attempt to retail or sell at auction would be attended with a great deal of expense - besides there is a large portion of Store old stock of goods which are not marketable.

Second - Believing that more money can be realized for the creditors by Private Sale than at Public Sale - or by retailing. Again, the entire stock is mostly a luxury - excepting the fixtures - and in the present stringency of times - it would be very difficult to dispose of same - even at a great sacrifice there being no market at Marysville, O for said Store

mentioned in the inventory of said estate, filed in said court. Said authority is asked for the following reasons: Said stock is a source of expense to feed and care for and to employ a person to care for the same. The entire property is such that it would not bring at Public Sale an amount near the appraised value of the same and the expense of selling would be a considerable amount.

In the Matter of the Assignment of Wm M. Snodgrass.

Application to Sell Personal Property.

The State of Ohio, } ss.  
Union County, } Probate Court.

In the Matter of the Assignment of William M. Snodgrass.

To the Judge of said Court:

No. 4709.

Aaron Boylan, Assignee of the Estate of William M. Snodgrass of said County, now comes and makes application to said Court for authority to sell at Private Sale, as provided by law, the personal property of said estate, to-wit: as shown by the inventory of said property now on file in said Probate Court.

Description

Appraised Value.

The personal property of said Estate that is sought to be sold at private sale, is shown by "Schedule E" of said inventory, and consists, among other things, of gents furnishing goods, dry goods, boots, shoes, and store-fixtures, and which is appraised at \$756.93 mentioned in the inventory of said estate, filed in said Court.

Said authority is asked for the following reasons: that said Assignee is of the opinion, and avers, that to sell said property at private sale will be to the best interest of all parties concerned, including said Assignor, and his creditors. That a large proportion of said personal property as shown by "Schedule E" of said inventory now on file in said Probate Court, consists of gents furnishing goods, that can only be sold for winter use, and the season is so far advancing that all delays in making the sale endanger the chances of selling said goods at a price at all commensurate with their real value. This is true of a large part of the boots and shoes, among which are Arctics, felt boots, and shoes that are intended only for winter use, and which can not be sold at all late in the season. Said authority is also asked for the reason that several different parties have expressed a desire to purchase the goods as a whole, and your applicant believes that such a sale can be made on more favorable terms at Private sale than could be done at Public sale.

Aaron Boylan.
