Record of Inventories and Sale Bills,

Estate of Mary Gray, Deceased.

In the Probate Court of Union County, Ohio, February 5th 1897
In the Matter of the Estate of Mary Gray, Deceased. No. 4509.

This day came Jacob W. Beem, as administrator of the Estate of Mary Gray, deceased, and presented to the Court his written motion and application for orders disposing of certain claims due said Estate and described and represented in said motion as desperate and difficult of collection by reason of equitable defenses thereto. Whereupon the Court ordered said motion and application filed. Thereupon the same came on to be heard upon the Proof of Notice and the testimony, and the same was submitted to the Court.

Whereupon the Court, being fully advised in the premises, finds that due notice of said motion and application has been given by publication, pursuant to the Statute.

The Court further finds that the claims against Jackson Debolt and Isabella Debolt, consisting of four joint promissory notes, and the claim against F. M. Debolt and Jackson Debolt, consisting of a joint promissory note, are each and all desperate on account of equitable defenses thereto, to wit: Whatever of said promissory notes, first mentioned, remain unpaid at the death of said Mary Gray, were, by written contract between said Mary Gray and said Isabella and Jackson Debolt to be surrendered to the said makers without further payment, unless the said Mary Gray should, in the meantime, designate some other payee. The Court finds that said Mary Gray failed to transfer said notes or designate any other payee, or payees, thereof.

The defense to said last note above mentioned is that said note bears an indorsement in writing, signed by the said Mary Gray, whereby, if the said Mary Gray should die before the maturity of said note, the said note, in that event was to be surrendered to the said F. M. Debolt without further payment. The Court finds from the testimony that the said Mary Gray died before the maturity of the said note last mentioned.

It is therefore considered, ordered and adjudged by the Court that the said Administrator compound the said joint notes of said Isabella and Jackson Debolt, with the said debtors, for a sum in cash not less than \$1⁰⁰ for the aggregate amount of said notes, and in full satisfaction thereof.

It is further ordered by the Court that the said note of F. M. Debolt and Jackson Debolt be filed in this Court for the benefit of the heirs of the said Mary Gray, deceased, as will sue for or recover the same.

It is further ordered and adjudged by the Court that the said Jacob W. Beem, Administrator as aforesaid, pay

James McNamee, Probate Judge.

Said motion reads in the words and figures following, to wit:

Motion.

State of Ohio, Union County, ss: In Probate Court
In the Matter of the Estate of } Motion for an order to sell etc
Mary Gray, Deceased. } desperate claims.

No. 4509.

Jacob W. Beem Administrator of the Estate of Mary Gray deceased represents that the following claims in favor of said estate which accrued in the life time of the deceased are desperate for the reasons hereinafter mentioned.

Said claims consist of the following notes to wit: four notes signed by Isabella Debolt and Jackson Debolt dated October 16th 1894 and described as follows: first note for seventy five dollars due on or before December 5th 1894. Second note for two hundred dollars due on or before April 1st 1895. Third note for one hundred and twenty nine dollars due on or before April 1st 1896 said notes bearing interest at six per cent per annum from date, and one note signed by G. M. Debolt dated August 4th 1894 for forty five dollars due in one ^{year} from date.

To secure the payment of said first four notes said Isabella Debolt and Jackson Debolt executed and delivered to said decedent their certain mortgage deed dated October 16th 1894 on the following real estate, situate in the Township of Blairtown, in the County of Union and State of Ohio, to wit: Part of Virginia Military Survey N^o 6293 - Beginning at the Northwest corner of W. H. Bigelow's land and in the center of the Richwood and Marysville Gravel Road. Thence S. 120° W. 101¹/₂ poles to a stone at the Southwest corner of said W. H. Bigelow's land; Thence with said W. H. Bigelow's South line N. 80¹/₂° E. 14 poles to a stake and stone. Thence N. 15¹/₂° E. 97 poles to the center of said gravel road N. 79° W. 19¹/₂ poles to the beginning containing 40 (40) acres of land said Mortgage was recorded on the 8th day of January 1896 in Union County Ohio Mortgage Record N. 38 Page 295.

That at the execution and delivery of said notes and mortgage the said decedent entered into the following agreement with said Isabella Debolt and Jackson Debolt to wit Whereas said party of the first part agrees to pay said second party the amount of one hundred dollars per year, and second party is to keep said first party in a respectable condition and take care of her room which is in the east end of the house in which they live for her comfort, said room to be her own during her life and if said first and second parties choose to sit together in said first parties room they can do so. Said first party hereby

Record of Inventories and Sale Bills,

declares as her agreement that at her death said second party is to have full control of the premises on which they now live without any further payments to any party except the party which shall be hereafter named by Mary Gray said premises having been conveyed by deed to said second party and to her husband of the same date namely to Jackson Debolt and Isabella Debolt - husband and wife.

Said decedent died without naming any to whom said payments in said agreement mentioned, were to be paid. That by reason of said decedent's death and of her failure to name some party to whom said payments were to be made said Isabella and Jackson Debolt claim to have a legal defense to the payment of said first mentioned notes.

Said Administrator says that the note signed by F. M. Debolt herein described, has the following endorsement on the back thereof "If I should die before the within note is due it is to go back to F. M. Debolt without payment should he survive me" said endorsement is signed by said decedent, that by reason of said endorsement and that said decedent died before said note became due and that the said F. M. Debolt having survived her, he claims to have a legal defense to the payment of said note.

Said Administrator therefore moves for an order authorizing him to make sale of said notes or otherwise dispose of them according to law.

Application to Sell Personal Property.

The State of Ohio, } ss. Probate Court.
Union County,

In the Matter of the Estate of William H. Thomas dec'd,
To the Judge of said Court:

Joseph P. Martin Administrator
of the Estate of William H. Thomas deceased, late of said
County, now comes and makes application to said Court
for authority to sell at Private Sale, as provided by law,
the following personal property of said estate, to-wit:

Description	Appraised Value
The buildings & Ice House & contents situated in Marysville Union County Ohio used in the business of buying & selling poultry & butter & eggs recently occupied by decedent to said business together with the full outfit for said business consisting of all the property included in the Inventory filed in this case under the head of Marysville property and Appraised at	\$103364

Also the outfit at Richwood of said County used by said decedent recently in the same business of buying & selling poultry & butter & eggs consisting of all the items of said Inventory under the head of Richwood property and appraised at	\$24482

mentioned in the inventory of said estate, filed in said Court.

Said authority is asked for the following reasons:

That said property will sell in Bulk and at private sale to better advantage to said estate than at a sale at Public Auction and in parcels, the said property situated at each of said places being situated and adapted to the use in said business - and safer than to sell the same in bulk at Public Auction.

Afterward, to wit: On the 26th day of February A.D. 1897, an entry was made upon the Journal of this Court which reads as follows, to wit:

In the Probate Court of Union County, Ohio.
In the Matter of the Estate of } W^m H. Thomas, Deceased. } Order for Private Sale &c. February 26, 1897.

This day came Joseph P. Martin, Administrator of the Estate of William H. Thomas, deceased, and presented his written application, duly verified, for an order to sell the chattel property specified in said Application and appraised as shown in the Inventory thereof on file in this Court, for Private Sale. Whereupon the Court ordered said Application filed. And thereupon this matter came on to be heard upon said Application and the evidence introduced in support thereof, and was submitted to the Court.

Whereupon the Court being fully advised in the premises, finds that it will be more to the advantage of the said Estate to sell the property in said Application specified at private, than at public, sale. It is, therefore, considered, ordered and adjudged by the Court that Joseph P. Martin, Administrator as aforesaid, proceed to sell the personal property aforesaid, at Private sale, for cash or on time not exceeding nine months, at not less than the appraised value thereof; and that he report his proceedings under this order in two months from the date hereof, and forthwith upon execution of the same, and matter continued.

James W. Campbell, Probate Judge.

This day came Joseph P. Martin, Administrator of the Estate of W^m H. Thomas, deceased, and presented to the Court his return upon the Order for Private Sale of Chattels heretofore issued by the Court.

Whereupon the Court having carefully examined said Return and being fully advised in the premises, do find the same in all respects regular, and in conformity to law, and the same is therefore approved and confirmed and ordered recorded.

And it appearing to the Court from said Return that the following specified chattel, to wit: One building appraised at \$500.00 has not been sold for want of bidders; it is therefore considered, ordered and adjudged by the Court that said Administrator proceed to sell the said building at Public Sale, pursuant to

Record of Inventories and Sale Bills,

It is further ordered by the court that said Administrator pay the costs arising on Account of said Order for Private Sale of chattels, taxed at \$, and matter continued.

Order to file claims &c.

This day came Henry W. Rogers, Administrator with Will annexed of the Estate of Mary Kline, deceased, pursuant to adjournment, and presented to the court his written application for orders disposing of certain claims due said estate, and described and represented in said application as desperate and difficult of collection by reason of the doubtful solvency of the persons owing said claims. Whereupon the court, being fully advised in the premises, finds that due notice of said application has been given by publication, pursuant to law. The court further finds that said claims are three promissory notes; that as alleged, they are each desperate on account of the doubtful solvency of the several makers thereof, who are named as follows, to wit: Jacob Kline \$140⁰⁰; Levi Kline \$130⁰⁰; W. H. Barnes and Caroline Barnes \$125⁷⁵; and that it will be to the best interest of said estate to file said claims in the Probate Court for the benefit of the heirs and devisees of said Estate who may desire to sue for or recover the same. It is, therefore, considered, ordered and adjudged by the court that each of the claims aforesaid be filed in the Probate Court for the benefit of the heirs and devisees of said Mary Kline, deceased, who will sue for or recover the same. It is further ordered and adjudged by the court that the said Henry W. Rogers, Administrator, as aforesaid, pay the certain this behalf taxed at \$ -; and that a record in the premises be made.

To the Judge of said Court:

No. 4902.

Chas. H. Huffman, Administrator of the Estate of Charles W. Huffman of said County, now comes and makes application to said Court for authority to sell at private sale, as provided by law, the following personal property of said estate, to-wit:

Mentioned in the inventory of said estate, filed in said Court.

Said authority is asked for the following reasons: that in his opinion a public sale of said property could only be attended with great sacrifice, that he has reason to believe that he can dispose of said property at the appraised value thereof at private sale.

Mentioned in the inventory of said estate, filed in said court. Said authority is asked for the following reasons:

1st All of said accounts to the best knowledge can gain concerning them - are uncollectable by law - and any costs made in that direction - would be detriment to the interests of the creditors -

2nd It is my judgment to sell them for any sum whatsoever, which will enable me to close up said estate at a very early date & will save costs and be to the advantage of the creditors.

The said Assignee says he is offered Seven Dollars for said accounts, being the highest and best bid of filed for same.

In the Matter of the Assignment of Oliver E. Lincoln to Dwight Lincoln for the benefit of his creditors } W^{as} 4910.
Petition to Sell Personal Property.
Petition.

To the Judge of said Court:

The undersigned respectfully represents that he is the duly appointed and qualified Assignee of Oliver E Lincoln of said County; that the personal property of said estate has been duly appraised, and the inventory and appraisement thereof filed in said court. Your petitioner makes application for authority to sell at private sale, as provided by law, and upon such terms as the court may order, the following personal property of said estate, as described in said inventory and appraisement, to-wit:

No. of Item	Quantity	Description of Articles Appraised.	Appraised Value.
1	1000 Bu.	corn in crib on farm in Champaign County,	160 00

Said authority is asked for the following reasons: That said personal property is several miles from the other personal property; is the only personal property on the Champaign County farm and said would incur greater expense in selling the same at Public Sale than the same would under the circumstances justify; and that it is for the best interest of the creditors.
 Dwight Lincoln.

Dwight Lincoln being duly sworn, says, that the facts stated in the foregoing petition are true, as he verily believes.

Order for Private Sale &c.

This day came Dwight Lincoln, Assignee in trust for the benefit of the creditors of Oliver E. Lincoln and presented his written application, duly verified, for an order to sell the chattel property, specified in said Application and appraised as shown in the Inventory thereon on file in this court, at Private Sale.

Whereupon the court ordered said Application filed. And thereupon this matter came on to be heard upon said Application and the evidence introduced in support thereof, and was submitted to the court. Whereupon the court being fully advised in the premises finds that it will be more to the advantage of the creditors of said Assignor to sell the property in said Application specified at private, than at public, sale.

It is, therefore, considered, ordered and adjudged by the court that Dwight Lincoln, Assignee as aforesaid, ~~proceed to sell the foregoing property aforesaid~~ at Private Sale, for cash, at not less than two thirds the appraised value thereof; and that he report his proceedings under this order in one month from the date hereof, and forthwith upon execution of the same, and matter continued.

Estate of Samuel Johnson, Deceased.

Be it remembered, that heretofore, to wit: On the 7th day of December A.D. 1896 an Application to sell personal property at private sale was filed in this Court which reads in the words and figures following, to wit:

Application to Sell Personal Property.

The State of Ohio, } ss.

Union County, } Probate Court.

In the Matter of the Estate of Samuel Johnson.

To the Judge of said Court:

No. 4811.

Francis J. Arthur Administrator of the Estate of Samuel Johnson of said County, now comes and makes application to said Court for authority to sell at Private Sale, as provided by law, the following personal property of said Estate, to wit:

Item	Description.	Appraised Value.
1	16 Fat Hogs	85 00
27	About 535 bushels Corn at 15 ¢	80 25

mentioned in the inventory of said estate, filed in said Court.

Said authority is asked for the following reasons:

The hogs are well fattened and ready for market - There would probably be no competition at Public Sale as the hogs would sell for the market price to be shipped - and considering the prevalence of hog cholera further delay might prove disastrous -

The corn is to be delivered under contract between Samuel Johnson (now deceased) and M. M. Cameron (tenant) at any warehouse indicated by said decedent - the time said corn to be delivered not specified in said contract leaving it impossible to get the corn all together and sell the same at Public Auction.

Said Adminr asks the time of four months for disposition of said above described corn for the reason viz: the time not being specified in the article between said decedent and said Cameron it may be such length of time before said Adminr can get said Cameron to deliver said corn.

Francis J. Arthur, Adminr.

Francis J. Arthur, Administrator being duly sworn, says, that the various matters and things contained in the foregoing application, are true, as he verily believes.

Afterward, to wit: On the 7th day of December A.D. 1896, an entry was made upon the Journal of this Court which reads as follows, to wit:

In the Probate Court of Union County, Ohio,
In the Matter of the Estate of } No. 4811. December 7th 1896
Samuel Johnson, Deceased. } Order for Private Sale &c.

This day came Francis T. Arthur, Administrator with the will annexed of the Estate of Samuel Johnson, deceased, and presented his written application, duly verified, for an order to sell the chattel property specified in said Application, and appraised as shown in the Inventory thereof on file in this Court, at Private Sale, for cash. Whereupon the Court, ordered said Application filed. And thereupon this matter came on to be heard upon said Application and the evidence introduced in support thereof, and was submitted to the Court. Whereupon the Court, being fully advised in the premises, finds that it will be more to the advantage of the said Estate to sell the property in said Application specified at private, than at public, sale.

It is, therefore, considered, ordered and adjudged by the Court, that Francis T. Arthur, Administrator as aforesaid, proceed to sell the Personal Property aforesaid, at Private Sale for cash, at not less than the appraised value thereof; and that he report his proceedings under this order in four months from the date hereof, and forthwith upon execution of the same, and matter continued.

This day came Francis T. Arthur, Administrator with will annexed of the Estate of Samuel Johnson, deceased, and presented to the Court his return upon the Order for Private Sale of chattels heretofore issued by the Court.

Whereupon the Court having carefully examined said Return, and being fully advised in the premises, do find the same in all respects regular and in conformity to law, and the same is therefore approved and confirmed.

It is, therefore, considered and ordered by the Court that the property so, as aforesaid, sold be transferred to the purchaser thereof; that the said Administrator pay the costs in this behalf, taxed at \$; and that a record of this proceeding be made.

mentioned in the inventory of said estate, filed in said Court. Said authority is asked for the following reasons: That the said hogs are fat, ready for the market and because of the prevailing heat they are in danger of dying, for which reason the appraisers of said personal property advised that the sale of said hogs should take place at once. Also because there is no place to store the oats and wheat which is sufficient to protect it from loss from rats and leakage.

Afterward, to-wit: On the 26th day of July, A.D. 1897, an entry was made upon the Journal of this Court which reads as follows, to-wit:

In the Probate Court of Union County, Ohio.

This day came Justus Scheiderer, Administrator of the estate of Gottlieb M. Greentbaum, deceased, and presented his written application, duly verified, for an order to sell the chattel property, in said Application specified, at Private Sale.

Whereupon the Court ordered said Application filed. And thereupon this matter came on to be heard upon said Application and the evidence introduced in support thereof, and was submitted to the Court.

Whereupon the Court, being fully advised in the premises, finds that it will be more to the advantage of the said Estate to sell the property in said Application specified at Private, than at Public Sale.

It is, therefore, considered, ordered and adjudged by the Court that said Administrator proceed to sell the property in said Application specified at Private Sale, at not less than the appraised value thereof, for cash.

And, it appearing to the Court further that Item No 46, in said order of sale stated and described as one one-year old gray mare, appraised at \$25⁰⁰, has not been sold for want of bidders, it is considered and ordered by the Court that, as to said Item No 46, the said Administrator proceed to sell the same at Public Sale, pursuant to law.

It is further adjudged and ordered that the said Administrator pay the costs in this behalf taxed at \$, and that a record in the premises be made.

In the Matter of the Assignment of O. C. McBurne Etal Assignors.

In the Matter of the Assignment of O. C. McBurne, J. P. McBurne and Clarence Beard. No. 4862 Petition To Sell Personal Property. Petition.

To the Judge of Said Court:

The undersigned respectfully represents that he is the duly appointed and qualified Assignee of O. C. McBurne, J. P. McBurne and Clarence Beard of said County; that the personal property of said estate has been duly appraised, and the inventory and appraisement thereof filed in said court.

Your Petitioner makes application for authority to sell at private sale, as provided by law, and upon such terms as the court may order, the following personal property of said estate, as described in said inventory and appraisement, to-wit:

Said authority is asked for the following reasons: the bulk of said property asked to be sold is part of a furniture factory and is not property that is very saleable and if sold at public auction would undoubtedly not bring the same amount of money to people who knew or cared little or nothing about such property; and secondly because it would afford your assignee some time to look for some one who might buy the factory and machinery as it stands and it would be worth more in that way than any other; and thirdly because your petitioner believes that said property will bring more money at private than at public sale.

This day came Howard C. Black, as Assignee in trust for the benefit of the creditors of O. C. McMann, J. P. McMann and Clarence Beard and presented his written application, duly verified, for an order to sell the chattel property specified in said application and appraised as shown in the Inventory of Assets on file in this Court at private sale.

Whereupon the Court ordered said application filed. And thereupon this matter came on to be heard upon said application and the evidence

This day came Howard C. Black, as Assignee in trust for the benefit of the creditors of O. C. McGurne, J. P. McGurne and Clarence Beard, and presented to the court his return upon the order for private sale of chattels heretofore issued by the court.

Whereupon the court, having carefully examined said return, and being fully advised in the premises, do find the same regular and in conformity to law, and the sales thereunder made are, therefore, approved and confirmed. This day came Frank L. Adams, Administrator of the Estate of Simon Adams, deceased, pursuant to adjournment; And, thereupon, this cause came on to be heard upon the Motion of said Administrator to dispose of desperate claims; the Proof of Notice thereof; the testimony; and the same was submitted to the Court.

Whereupon the Court, being fully advised in the premises, finds that due notice of said Motion has been given by publication, pursuant to law.

The Court further finds that said claim is an account for rent; that, as alleged, it is desperate on account of the doubtful solvency of the debtor, Ed. Linsfrock; and that it will be to the best interest of said Estate to file said claim in the Probate Court for the benefit of the heirs of said Estate who may desire to sue for or recover the same.

It is therefore, considered, ordered and adjudged by

the Court that the claim aforesaid be filed in the Probate Court for the benefit of the heirs of Simon Adams, deceased, who will sue for or recover the same.

It is further considered and ordered by the Court that said Administrator pay the costs in this behalf, taxed at \$ , and that a record in the premises be made.

Assignment of O. C. McNamee et al.

Be it remembered, that heretofore, to-wit: On the 7<sup>th</sup> day of October A.D. 1897, an Application was filed, in the above entitled cause, in this Court which reads in the words and figures following, to-wit:

No. 4862.

To the Probate Court of Union County, Ohio:  
Howard C. Black, Assignee of O. C. McNamee et al, makes this his application to reduce the appraisement of the following personal property, to-wit:

Band saw, Grooving machine, Joint machine, Mortising Machine, Boring machine, Sand paper machine, Cut-off saw, Rip saw, Re-saw, Jointer, Emery wheel, Turning lathe, Planer, Double cut-off saw, Blower, Shaper, Grooving machine, cut-off saw with saw mill and two extra circular saws, Lot of unfinished cup boards and tables and for grounds of his motion the said Assignee says that the above machines have been declared personal property and as they are all second hand machines, they will not sell for anything more - one-half of the original appraisement and unless the appraisement is reduced, they cannot be sold to advantage, that the said Assignee has an opportunity to sell said property with the real estate and it will be greatly to the advantage of said estate to make said sale.

Howard C. Black.

Said Application bears the following indorsement thereon, to-wit:

The undersigned accept notice of the foregoing motion and consent that the Court may reduce the appraisement of the machinery above mentioned to the extent that with the two-thirds of the last appraisement of the real estate with the machinery adjudged to belong thereto, together with the machinery above described, shall equal the amount for which the whole can be sold so that the real estate &c so appraised and the value of the above described machinery may equal the amount for which the whole plant may be sold and so that the above described machinery may be sold for whatever the whole may bring less the  $\frac{2}{3}$  of the said real estate and machinery belonging thereto as a part thereof.

ment of O. C. McCune et al to } Journal Entry - Order &c.  
Howard C. Black. } Reducing Appraisement.

This day came Howard C. Black, as Assignee in trust for the benefit of the creditors of O. C. McCune, J. P. McCune and Clarence Beard and presented to the Court his written Application for an order reducing the appraisement of the articles of chattel property in said Application specified. Whereupon, it appearing to the Court that all the creditors of said Assignors holding judgment and mortgage liens upon said property have voluntarily entered their appearance, in writing, thereto, and their written consent to the prayer thereof, the said Application was submitted to the Court.

Whereupon, the Court, being fully advised in the premises finds that the said Assignee has twice offered said chattels at Public Sale and has failed to sell the same for want of bidders; That said chattels consist of machines and tools used in the manufacture of furniture, and have but little value for other than that purpose; That the appraisement of said chattels as returned in the Inventory thereof is excessive, and ought to be reduced; and that said chattels are worth at least the gross sum of \$621<sup>00</sup>.

It is, therefore, considered, ordered and adjudged by the Court that the prayer of the said Application be, and the same hereby is, granted; and that the appraisement aforesaid be, and the same hereby is, reduced to the minimum gross sum of \$621<sup>00</sup> for said chattel property taken as a whole.

It is further ordered and adjudged that said Assignee pay the costs in this behalf taxed at \$ , and that a record in the premises be made.

In the Matter of the Estate of George Temple, deceased.

No. 4912.

Now comes Minnie Temple widow of the said George Temple deceased and says that the estate of said George Temple has been appraised and an inventory of said appraisement filed in this Court, but that there has been no provisions, property or money assigned and set off to her as her years allowance for her support for one year from the death of the decedent.

That she has never waived the assignment to her of the said allowance and that she is still entitled to such an assignment.

Wherefore she asks the Court to require the appraisers to make an assignment to her of provisions, property or money sufficient to support her for one year from the death of decedent.

This day this matter came on to be heard upon the Application of Minnie Temple, widow of George Temple, deceased, for a first years allowance.

Wherefore, it is considered, ordered and adjudged by the court that the appraisers aforesaid proceed, without unnecessary delay, to set off to said widow a sufficient amount in property or money for her support for one year from the time of the death of said decedent; and that, thereupon, they deliver their report of proceedings under the foregoing order to the Administrator of the said estate to be by him forthwith filed in this court and matter continued.

Mentioned in the inventory of said estate, filed in said Court. Said authority is asked for the following reasons:

1<sup>st</sup> Because my father in his will says "It is my will and desire that my Executor shall as soon after my death as practicable sell in such a manner and upon such terms as he may deem best all of my personal Estate of every kind."

2<sup>nd</sup> The appraisers did appraise this personal property with the full knowledge that I intended to make application to the Probate Court to sell the same at private sale, and I said to them I want you to appraise this property for all you think it would sell for.

3<sup>rd</sup> It is the will and desire of all the heirs that the property be sold at private sale.

Joseph A Shipley, Executor

# Union County Probate Court.

The State of Ohio, ss.  
Union County,

Joseph A. Shipley being duly sworn, says, that the various matters and things contained in the foregoing application are true, as he verily believes.

Joseph A. Shipley.

Sworn to before me and signed in my presence, this 6<sup>th</sup> day of August 1897.

James McCallum, Probate Judge.

Afterward, to wit: On the 6<sup>th</sup> day of August A.D. 1897, an entry was made upon the Journal of this Court which reads as follows, to wit:

In the Probate Court of Union County, Ohio, August 6<sup>th</sup> 1897.  
In the Matter of the Estate of } No. 4969. Order for Private Sale  
Milton M. Shipley, Deceased. } of Chattels.

This day came Joseph A. Shipley, Executor of the Will and of the Estate of Milton M. Shipley, deceased, and presented his written application, duly verified, for an order to sell the chattel property in said application specified, at Private Sale.

Whereupon the Court ordered said application filed. And thereupon this matter came on to be heard upon said application, and the evidence introduced in support thereof, and was submitted to the Court.

Whereupon the Court, being fully advised in the premises, finds that it will be more to the advantage of the said Estate to sell the property in said application specified at Private, than at Public Sale.

It is, therefore, considered, ordered and adjudged by the Court that said Executor proceed to sell the property in said application specified at Private Sale, at not less than the appraised value thereof, for cash or on time not exceeding six months, all notes for deferred payments to be secured pursuant to law.

It is further ordered by the Court that said Administrator report his proceedings under this order in three months from the date hereof and forthwith upon execution of the same and this matter is continued.

James McCallum, Probate Judge.

Afterward, to wit: On the 5<sup>th</sup> day of November A.D. 1897, an entry was made upon the Journal of this Court which reads as follows, to wit:

This day came Joseph A. Shipley, Executor of the Last Will and Testament of Milton M. Shipley, deceased, and presented to the Court his return upon the order

## Record of Inventories and Sale Bills,

for private sale of chattels heretofore issued by the Court.

Whereupon the Court having carefully examined said Return, and being fully advised in the premises, do find the same in all respects regular and in conformity to law, and the same is therefore approved and confirmed.

It is, therefore, considered and ordered by the Court that the property so, as aforesaid, sold be transferred to the purchaser thereof; that the said Administrator pay the costs in this behalf, taxed at \$ ; and that a record in the premises be made.

James McCampbell, Probate Judge.

Said Order of Sale reads in the words and figures following, to wit:

In the Matter of the Assignment of Mattie Alden.

Be it remembered, that heretofore, to-wit: On the 17<sup>th</sup> day of September A.D. 1897, an Application to sell personal property at private sale was filed in this Court which reads in the words and figures following, to-wit:

Application to Sell at Private Sale.

In the Matter of the assignment of Mattie Alden to  
O. W. McAdow.

No. 4996.

The undersigned, Assignee in trust for the benefit of the creditors of Mattie Alden, respectfully asks for an order to sell at private sale in whole or in part the personal property of said assignor, described in the appraisement heretofore filed in this Court, said inventory by reference so far as this application is concerned, being made a part of this application.

Said authority is asked for the following reasons:

- 1.- Because it will be for the advantage of the creditors of the assignor to sell said personal property at private sale.
- 2.- Because said property will be sold at a great sacrifice if sold at public sale.
- 3.- Because a private sale will produce a much larger sum of money for said assignment than to force a public sale of said property.

Orlando W. McAdow Assignee

The State of Ohio, Union County, ss.

The above named O. W. McAdow, Assignee, being duly sworn, says that the facts stated in the foregoing application are true, and that it will be for the interest of the creditors of said Mattie Alden to sell said property at private sale, as he verily believes.

Sworn to before me and signed in my presence this 8<sup>th</sup> day of November 1897.

James McCampbell, Probate Judge.

Afterward, to wit: On the 12<sup>th</sup> day of November A.D. 1897, an entry was made upon the Journal of this Court which reads as follows, to wit:

In Probate Court, Union County, Ohio, November 12, 1897.  
In the Matter of the Assignment } No. 5005. Journal Entry.  
of John P. Connor & } Order for Private Sale of Chattels.  
Aaron Boylan, Assignee.

This day came Aaron Boylan, Assignee in trust for John P. Connor, Assignor, and presented his written Application, duly verified, for an order to sell the chattel property in said Application mentioned, at Private Sale.

Whereupon the Court ordered said Application filed. And thereupon this matter came on to be heard upon said Application and the evidence introduced in support thereof, and was submitted to the Court.

Whereupon the Court, being fully advised in the premises, finds that it will be more to the advantage of the creditors of said Assignor to sell the property in said Application mentioned at Private, than at Public, Sale.

It is, therefore, considered, ordered and adjudged by the Court that said Assignee proceed to sell said property at Private Sale, at not less than two-thirds the appraised value thereof, for cash, or one-half cash on day of sale and balance on or before January 1<sup>st</sup> 1898.

Deferred payment to bear interest and be secured by the note of the purchaser with two or more approved sureties thereon.

It is further ordered by the Court that said Assignee report his proceedings under this order in one month from the date hereof and forthwith upon execution of the same, and this matter is continued.

James McCampbell, Probate Judge.

Afterward, to wit: On the 11<sup>th</sup> day of December A.D. 1897, an entry was made upon the Journal of this Court which reads as follows, to wit:

In Probate Court, Union County, Ohio, December 11<sup>th</sup> 1897.  
In the Matter of the Assign- } No. 5005. Confirmation of  
ment of John P. Connor. } Private Sale of Chattels &c.

This day came Aaron Boylan, Assignee in trust for the benefit of the creditors of The A. E. Kirby Company, and presented his return upon the Order for Private Sale of personal property, heretofore issued by the Court.

Whereupon the Court, having carefully examined said return and being fully advised in the premises, do find the same in all respects regular and in

conformity to law, and the same is therefore approved and confirmed; and said Assignee is ordered to transfer the property so sold to the purchaser thereof.

It is further ordered by the Court that said Assignee pay the costs in this behalf, taxed at \$ , and that a record in the premises be made.

James McFarrell, Probate Judge.

Said Order of Sale reads in the words and figures following, to wit:

James W. Campbell, Probate Judge.

In the Matter of the Assignment of the Firm of De Neene Brothers.

Be it remembered, that heretofore to wit: On the 18<sup>th</sup> day of November A.D. 1897 an Application for an Order for Private Sale of Personal Property, in the above entitled cause, was filed in this Court which reads in the words and figures following, to wit:

Petition to Sell Personal Property.

Probate Court, Union County, Ohio.

In the Matter of the Assignment No. 5018.

of De Neene Bros. to

Petition to Sell Personal Property.

Charles Michaels of Milford Centre, Ohio

Petitioner.

To the Judge of said Court:

The undersigned respectfully represents that he is the duly appointed and qualified Assignee of De Neene Bros. of said County; that the personal property of said estate has been duly appraised, and the inventory and appraisement thereof filed in said Court. Now petitioner makes application for authority to sell at Private Sale, as provided by law, and upon such terms as the Court may order, the following personal property of said estate, as described in said inventory and appraisement, to wit:

Description of Articles Appraised.

Paints, partly, a general line of shelf hardware, a small amount of tin ware, one cook stove and two heating stoves, coal-hods, cooking utensils, shovels, spades, hoes, one wheelbarrow, one small safe, two desks, two show cases, one stove in use, roofing and other items too numerous to mention, but to which reference is made to the inventory filed herewith for a more complete description.

Appraised  
Value.

#282 43

Said authority is asked for the following reasons:  
Because the Assignee has a chance to sell said stock forthwith, for cash in hand, at two-thirds of the appraisement and it is his belief that he can not sell said stock at a better figure at public sale. Said Assignee says further that he has arrived at said belief after a very careful canvass of the subject in the community and he asks this because it will save costs.

Assignee as aforesaid.

First: That the amount of the property is not large enough to justify the expense of holding a public sale.  
Second: That the condition of the hay demands that it be disposed of soon or loss will result from action of the weather, the hay being in stack.

 In the Matter of the Assignment of Oliver E. Lincoln } No. 4910. August 12<sup>th</sup> 1897.

 Chattels.

This day came Dwight Lincoln, Assignee in trust for the benefit of the creditors of Oliver E. Lincoln, and presented his written Application, duly verified, for an order to sell the chattel property, in said Application specified, at Private Sale. Whereupon the Court ordered said Application filed.

And thereupon this matter came on to be heard upon said Application and the evidence introduced in support thereof and was submitted to the Court.

Whereupon the Court, being fully advised in the premises, finds that it will be more to the advantage of the creditors of said Assignor to sell the property in said Application specified at Private, than at Public, sale.

It is, therefore, considered, ordered and adjudged by the Court that the said Assignee proceed to sell the property in said Application specified at Private Sale, at not less than two-thirds the appraised value thereof, for cash.

It is further ordered by the Court that said Assignee report his proceedings under this order in one month from the date hereof, and forthwith upon execution of the same, and this matter is continued.

This day came Dwight Lincoln as Assignee in trust for the benefit of the creditors of Oliver E. Lincoln, and presented to the Court his return upon the Order for Private Sale of chattels heretofore, to wit: On the 12<sup>th</sup> day of August A.D. 1897, issued by the Court.

Whereupon, the Court, having carefully examined said return, and being fully advised in the premises, do find the sale therein reported regular and in conformity to law and the same is, therefore, approved and confirmed. The Court further orders that the property so reported sold be transferred to the purchaser thereof upon his compliance with the terms of sale. And it appearing to the Court that some of the articles of personal property in said order specified have not been sold, it is considered, ordered and adjudged by the Court that, as to said unsold chattels,

the same be sold at Public Sale as if said Private Sale had not been ordered. It is further adjudged that said Assignee pay the costs in this behalf taxed, on account of said Private Sale, at \$ - and that a record in the premises be made.

In the Probate Court of Union County, Ohio, December 29<sup>th</sup> 1897.

In the Matter of the Estate of } No. 45-76.

Chauncey E. Hill, deceased. } Orders to file desperate claims &c.

This day came John W. Crawford, Executor of the Estate of

Chamney E. Hill, deceased; and thereupon, this cause came on to be heard upon the motion of said Executor to dispose of desperate claims, the Proof of Notice thereof and the testimony and the same was submitted to Court. Whereupon the Court, being fully advised in the premises, finds that due notice of said Motion has been given by publication, pursuant to law.

The Court further finds that said claims consist of County Warrants, promissory notes and book accounts; that, as alleged, said County Warrants are desperate because of doubtful legality and said notes and accounts are desperate because of the doubtful solvency of the debtors; and that it will be to the best interest of said Estate to file said claims in the Probate Court for the benefit of such heirs, devisees or creditors of said Estate as may desire to sue for or recover the same.

It is, therefore, considered, ordered and adjudged by the Court that the claims aforesaid be filed in the Probate Court for the benefit of the heirs, devisees or creditors of Chamney E. Hill, deceased, who will sue for or recover the same.

It is further considered and ordered by the Court that said Executor pay the costs of the proceedings aforesaid, taxed at \$ , and that a record in the premises be made.

Afterward to wit: on the 2<sup>nd</sup> day of March A.D. 1898, an entry was made upon the Journal of this Court, which reads as follows to wit:

In Probate Court, Union County, Ohio, March 2, 1898.  
In the Matter of the Assignment of the Firm of Wilgus & Bell to J. W. Tilton, Assignee. No. 507 Entry. Order for Private Sale of Chattels.

This day came J. W. Tilton, Assignee in trust for the benefit of the creditors of the Firm of Wilgus & Bell, and presented his written Application, duly verified, for an order to sell the Chattel property mentioned in said Application, at Private Sale. Whereupon the Court ordered said Application filed. And whereupon this matter came on to be heard upon said Application and the evidence introduced in support thereof and was submitted to the Court. Whereupon the Court, being fully advised in the premises, finds that it will be more to the advantage of the creditors of said assignor to sell said property at private, than at public sale. It is, therefore, considered, ordered and adjudged by the Court that said Assignee proceed to sell the property mentioned in said Application at Private Sale, at not less than two-thirds the appraised value thereof, for cash. It is further ordered by the Court that said Assignee report his proceedings under this order in one month from the date hereof and forthwith upon execution of the same, and this matter is continued.

*James McLaughlin, Probate Judge.*  
Afterward to wit: on the 14<sup>th</sup> day of March A.D. 1898, an entry was made upon the Journal of this Court, which reads as follows to wit:

This day came J. W. Tilton, Assignee in trust for the benefit of the creditors of the Firm of Wilgus & Bell, and presented to the Court his return upon the Order for private sale of chattels heretofore issued by the Court. Whereupon the Court, having carefully examined said return and being fully advised in the premises, do find the same in all respects regular and in conformity to law and the same is therefore approved and confirmed. It is therefore, considered and ordered by the Court that the property so, as

Said authority is asked for the following reasons:  
 To save the expense of protecting property with insurance,  
 To save rent for storage and to save the expense of a Public  
 Sale, such as advertising also the employment of an auction-  
 eer. Several heirs from distant states are <sup>also</sup> here and desire  
 to take a part of said property if a sale can be made  
 immediately. The sale of the above mentioned property  
 at private sale will also save the expense of one sale,  
 as the other personal property is such as cannot be moved  
 and will necessarily need to be sold on the farm. The  
 above mentioned property is located in the Village of  
 Plain City Ohio.

Respectfully, Lorenzo C. Kent.

Shown to and subscribed in my presence this 10<sup>th</sup> day  
 of Feb., 1898.

O. K. West J. P. in and for Madison Co. O.

Afterward, to wit: On the 10<sup>th</sup> day of February A.D. 1898 an en-  
 try was made upon the Journal of this Court which reads as  
 follows, to wit:

In Probate Court, Union County, Ohio, February 10<sup>th</sup> 1898  
 In the Matter of the Estate of } No. 5055.

Harriett M. Burne, deceased. } Order for Private Sale of Chattels.

This day came Lorenzo C. Kent, Administrator of the  
 Estate of Harriett M. Burne, deceased, and presented his  
 written Application, duly verified, for an order to sell the  
 chattel property in said Application specified at Private  
 Sale. Whereupon the Court ordered said Application filed.

And thereupon this matter came on to be heard upon  
 said Application and the evidence introduced in sup-  
 port thereof, and was submitted to the Court.

Whereupon the Court, being fully advised in the prem-  
 ises, finds that it will be more to the advantage of  
 said Estate to sell the property in said Application  
 specified at Private, than at public, sale.

It is, therefore, considered, ordered and adjudged by  
 the Court that said Administrator proceed to sell the  
 property in said Application specified at Private Sale,  
 at not less than the appraised value thereof, for cash.

It is further ordered by the Court that said Adminis-  
 trator report his proceedings under this order in  
 one month from the date hereof and forthwith upon  
 execution of the same and this matter is continued.

James McCampbell, Probate Judge.

Said Order of Sale reads in the words and figures following,  
 to wit:

## Order of Sale, Personal Property.
