Said real estate last above referred to was sold and conveyed for the sum of $3300.00. Petition to Sell Personal Property.

In the Matter of the Estate of John Robinson, Deceased.	Probate Court, Union County, Ohio. Petition to Sell Personal Property. No. 5743 Petition.

To the Judge of said Court:

The undersigned respectfully represents that he is the duly appointed and qualified Executor of the last will and testament and estate of John Robinson, late deceased of said county; that the personal property of said estate has been duly appraised and the inventory and appraisement thereof filed in said court.

Your petitioner makes application for authority to sell at private sale, as provided by law, and upon such terms as the court may order, the following personal property of said estate, as described in said inventory and appraisement, towit:

Description of Articles Appraised.	Appraised Value.
Being all the articles of personal property entered and each appraised in Schedule "B" of the Inventory and appraisement of the estate of said decedent heretofore returned by the said executor to said court and filed therein, - reference to which Schedule is here made for detail statement of said articles - The total appraised value of the personal property entered in said Schedule is -	$1847 70

Said authority is asked for the following reasons: That said executor has a bona fide offer of $1900.00 for the property mentioned in said Schedule: That said offer is more than the appraised value of said property: That such sale will save cost and time of advertising same and the uncertain result of a public sale; and that a private sale will, as said Executor believes, be more to the advantage of said estate in facilitating a settlement thereof.

Petition to Sell Personal Property.

In the Matter of the Estate of Millie C. Kennedy, Deceased. | Probate Court, Union County, Ohio. Petition to Sell Personal Property. No. 5-001. Petition.

To the Judge of said Court;

The undersigned respectfully represents that he is the duly appointed and qualified executor of the estate of Millie C. Said authority is asked for the following reasons:

Affiant further says that no appraisement of the property of the estate being required by the will of said Millie C. Kennedy, he desires that he be authorized to sell the above at private sale to pay the debts of said decedent.

In the Probate Court of Union County, Ohio:

Your petitioner Dora Wood, widow of Talmage Wood late of Union County, Ohio, deceased, respectfully represents, that her said husband died intestate, and that there was no appraisement of his personal estate; that said intestate did not provide that any bequest or devise made to her should be in lieu of the allowance provided by statutes to support herself as widow and the minor children of said decedent under the age of fifteen years, for twelve months from his death, and to which she is by law entitled. Your petitioner therefore asks that appraisers for that purpose be appointed and that there may be made such an allowance to support herself as widow, and Gertie Blanche Wood, Walter H. Estate of Ishmael Armintrout, Deceased.

Be it remembered, that heretofore, to-wit: On the 17th day of November A.D. 1902, a Petition was filed in this court, which reads in the words and figures following, to-wit:

Petition — To the Hon. The Probate court, within and for the county of Union and State of Ohio:

In the Matter of the estate of Ishmael Armintrout, dec'd.

Your petitioner, Lucina Armintrout, widow of Ishmael Armintrout, late of said county of Union, deceased, respectfully represents that her late husband died intestate and that Butler Yont is the administrator of said estate. That the said Ishmael Armintrout made no separate provision for the support of the petitioner which would bar her years allowance, and the support provided for her by the Statutes of Ohio.

That the said Butler Yont as such administrator caused an inventory of said estate to be taken and filed in this court. That Tracy Hicks, John M. Hendrickson and R. S. Stamates were the appraisers of said estate, but by mistake or oversight no allowance whatever was made by said appraisers for the support of the petitioner, or any property whatever set off to her. The petitioner says that as such widow she is entitled to, her set-off and years support as provided by law. Wherefore the petitioner prays that the old appraisers may be called back and instructed by the court, or new appraisers appointed as to the court may seem meet, and that she may have her set-off and allowance made as provided by law and for all and other and further relief as may be just.

J. S. Cameron, Atty for Plaintiff.

The State of Ohio, Union County, ss:

A. J. Armintrout being first duly sworn says that he is the agent for the plaintiff, duly authorized, in the premises, and that the facts stated and allegations made in the foregoing Petition by the plaintiff are within the personal knowledge of the affiant and are true as he believes.

The State of Ohio, Union County, ss.

The undersigned, Morgan W Martin, Administrator of

the estate of Jacob Schunk late of said county, deceased, being duly sworn according to law, deposes and says that the foregoing inventory is, in all respects, just and true, that it contains a true statement of all the estate and property of the said deceased, which has come to the knowledge of affiant, and particularly of all money, bank bills, or other circulating medium belonging to the deceased, and of just claims of the said deceased against the said affiant or other persons, according to the best of his knowledge.

Estate of Jacob Rosenberg, Deceased.

Petition filed Dec. 17/03. Petition to Sell Personal Property.

Probate Court, Union County, Ohio.

In the Matter of the Estate of Jacob Rosenberg, Deceased. | Petition to Sell Personal Property. No. 969. Petition.

To the Judge of said Court:

The undersigned respectfully represents that she is the duly appointed and qualified administratrix of the estate of Jacob Rosenberg, deceased, late of said county; that the personal property of said estate has been duly appraised and the inventory and appraisement thereof filed in said Court. Your petitioner makes application for authority to sell at public sale, as provided by law, and upon terms hereinafter mentioned, the following personal property of said estate, as described in said inventory and appraisement to-wit:

All the personal property enumerated in "Schedule A" of the inventory and appraisement of said estate, being the stock of clothing, boots, shoes and gents furnishings, constituting the stock in trade of the retail business carried on by said decedent.

Your petitioner represents that it would be very impracticable, if not impossible, to sell said stock of goods by offering the different articles separately as inventoried and appraised; for the reason that by far the greater part are such articles as would not sell readily to consumers unless in special need of them at the time, and could only be sold if offered

separately at public auction at a great sacrifice, especially in such quantities; and for the further reason that a considerable portion of said stock of goods consists of old stock that needs the later and better stock to help to dispose of it. Your petitioner is informed and advised by those dealing in such goods, and verily believes, that it would be for the best interests of said estate to offer said stock of goods as a whole in bulk at public auction; for the reason aforesaid that it is impracticable to sell it separately to the general public and for the further reason that the best bidders will most probably be those intending to carry on the clothing and gents furnishing business here or elsewhere and will desire the entire and unbroken stocks.

Your petitioner further represents that it would be for the best interests of said estate that said property be sold for cash in hand, or its equivalent, on day of sale, or before delivery of possession be given; for the reason that bidders therefor will probably most of them be from a distance and unable to give satisfactory security without pledging collateral sufficient to raise the money and most likely will come expecting and prepared to pay cash; and as they in all probability will be strangers, with whose character and credit your petitioner will be unacquainted, and non-residents of the county and state, who might be inaccessible when the claim should fall due if credit be given, your petitioner considers it safer and advisable to deal with them on a cash basis.

Wherefore your petitioner prays for an order of court authorizing and directing her to sell said stock of goods and merchandise, after advertising the same in the manner required by law, at public auction, at the place where located, in its entirety as a whole, and for cash, or its equivalent, in hand on day of sale or before possession thereof be given.
