Journal Entry Filing Account -

To the Court:

This estate is noted for the amount of important litigation forced upon it. A $10000 damage suit was pending against deceased at the time of his death, and after a hard fight a judgment for $300.00 and costs was rendered against said estate. Another trial, in another suit, resulted in a verdict of something over $2700, and costs, against the estate. And yet another suit is still pending involving over $2500. All this necessitated the paying of attorney fees, the attorneys being those selected by the deceased himself in his life-time. The amount of the fees, and their reasonableness, were determined only after consultations with experienced members of the bar, including some of opposing counsel who had a personal knowledge of what was done for said estate. No part of said judgments, and costs has, as yet, been paid, as the executor is awaiting the maturity, during January 1906, of the certificates of deposit in his possession.

By force of circumstances, often being a lien on the real-estate, when the Executor was appointed, and there being no guardian to whom rents belonging to minor heirs for life, under the will of deceased, could be paid, the executor has been compelled, up to this time to manage a portion of said real estate -

Inasmuch as the executor herein, is also one of the attorneys in the above named cases, he asks for extra services, on that behalf, Two Hundred Dollars, in the so-called Shenneman case, as fees in the preparation and trial of said case, and the sum of Seventy-five Dollars for three weeks time spent taking depositions, after notice from opposing counsel, and his expenses as shown by Voucher No. 30.

There was a land sale under the title of L. C. Kent Guardian, &c, v.s. Imogene Holycross, et.al. in which I only took my dower interest out of said real estate which was my husbands and did not ask to be made up the rest of my years support, the rest of the proceds going to my children, viz:- Imogene, Ida and Addie Holycross, so that in reality I paid out considerably more money on account of said estate than I ever received from it. But as my children benefit by it I am satisfied that the debts against the estate are paid

In the Matter of the Estate of Philip Snider Deceased

In the Probate Court of Union County, Ohio.
No. 4885
Exceptions to the Fourth and Fifth Accounts of Adam and Charles W. Snider, Executors.

Exceptions to Fourth and Fifth Accounts Filed Oct. 25th 1905

Now comes Geo. P. Snider and represents to the Court that he is interested in said estate as a legatee, and he excepts to the fifth account of said executors, in this, to-wit:

First, Said executors have credited themselves with $52.00 commission on $2600.00 received from Union Bank dividends, which said dividends belonged absolutely to Mary Snider, nor deceased, and were no part of the assets of the estate of Philip Snider, deceased, upon which said executors could administer.

Second- Said executors credit themselves with having paid to said Mary Snider the total sum as represented by vouchers Nos. 1, 2, 3, 4, 5, 6 & 7 of $3200.00 no part of which alleged payments were owing by said estate to said Mary Snider nor were in fact paid out of said estate.

Third- Said account purports to be a final account and purport to account for all of said estate not accounted for in the preceding accounts when in fact there remains a large amount of the assets of said estate unaccounted for, to-wit:

The account owing by W. L. Castanien to said estate amounting to $825.00 or more, which said account said executors have collected and applied to their own use.

The account owing by Charles W. Snider to said estate for over drawn salary and borrowed money and for merchandise amounting to $500.00 no part of which is accounted for in any of the accounts of said executors.

The cash which was in the cash drawer and safe at the Store at the date of the decease of Philip Snider amounting to $100.00, no part of which has ever been accounted for by said executors.

Said George P. Snider excepts to the fourth account of said executors for the reason that there are mistakes and errors therein, in this, to-wit:

First- Said executors have credited themselves with $29.20 commission, $2.00 of which is upon $1400.00 Union Bank dividends, which said dividends belonged absolutely to Mary Snider and were no part of the assets of the

Estate of Philip Snider upon which said executors could administer.
Second- Said executors have credited themselves with the payment of $1400.00 to Mary Snider as represented by vouchers Nos. 10, 11, 12, 13, 14, 15 & 16, no part of which alleged payments were owing by said estate to said Mary Snider nor were in fact paid by said estate.
Third- Said executors have only charged themselves with having received $10.00 from the sale of desperate claims, when in fact said claims were fraudulently and collusively sold to one Robert Snyder without consideration and by him transferred to said executors without consideration and upon which large sums amounting to $500.00 and more have since been collected by said executors and retained by them when in fact they should have been charged against said executors.

Entry upon Exception to Account.

This cause comes on to be heard on the account of Adam and Charles W. Snider, Executors, filed September 18" 1905, and the exceptions thereto. The Court upon due examination and consideration thereof and of the evidence adduced, find that of said exceptions to the 5th account of said Executors, that the first and second exceptions are well taken in this, that said Executors are not entitled to credit themselves with Fifty-two ($52.00) Dollars commission on Twenty-six Hundred ($2600.00) Dollars, received from Union Bank dividends. That of the third exception, the account owing by W. J. Castanine to said estate of $16.35 should be charged against said Executors, and they should account for that sum. That the balance of said third exception, to-wit:- that part relating to the account owing by Chas. W. Snider, and the cash in the drawer in the safe at the death of Philip Snider, are not well taken, and that there is nothing for the Executors to account for in either of said instances. That with regard to the exceptions to the fourth account of said Executors, that the first and second exceptions to said fourth account is well taken in this, that said Executors are not entitled to credit themselves with a commission of Twenty eight ($28.00) Dollars upon Fourteen Hundred ($1400.00) Dollars of Union Bank dividends; that the Court further finds that the third exception to said fourth account is not well taken, but that the same and that said fourth and fifth accounts are in all other respects, except as herein set forth, correct, and according to law, and is so allowed and confirmed subject to the findings of this Court as noted. And this cause is remanded to the Probate Court of Union County, Ohio, for further action herein.

Statement

Accountant respectfully represents to the Court that no assets of said Estate, other than the claim against J.H. Merchant, collected the sum of $300 00 of said claim but failed and reguests to make report there of either to this Court or to this Accountant, and the said H.W. Merchant having removed to the State of Missouri in the year 1910 it has been found impracticable to prosecute him upon his bond for an accounting of his Administratrix of said estate.

The State of Ohio, Union County ss

James M. H. Stouter, matilda Stouter and Barbara Huffman. That the same was of doubtful value and the collection thereof dependent upon the settlement of the estate and trusts connects therewith of one Catharine Hertzler, deceased, late of Clark County, Ohio: That the possible distributive interest of said matilda Stouter, and the interest of said Barbara Huffman, therein were encumbered by conflicting items rendering the collection of said judgment contingent and doubtful; That the services of an attorney at law were necessary to ascertain the legal status of said claim and protect the same as far as might be so: That as such attorney, and for the purposes last aforesaid, this affiant make four trips to the city of Springfield Ohio, for the investigation of litigation affecting said claim and the examination of legal authorities relating thereto: That Affiant held three conferences at Marysville, Ohio, with interested parties, and attorneys having in charge sending litigation relation thereto; and that as a result of such professional labor, this Affiant brought about and secured an advantageous compromise of said claim, upon the written consent of all the heirs at law of the said Mariah Mahaffey thereto at the sum of $850 cts. For which services beyond the common course of his duty, as administratrix, he asks extra compensation, including his personal cash expenses, in the same of fifty two ($52 cts) Dollars, which affidant believes to be reasonable and just in the premises
