Exceptions to the first account.

In the Probate Court of Union County, Ohio.

In the Matter of the Estate of Levi E. Spain, Deceased. | Exceptions to account and allowance of extension of time to settle the estate.

Now comes Loretta Spain, the widow of Phillip Spain deceased, and also as administrator of his estate, and excepts to the account of Lovina Spain, admx. of the estate of Levi E. Spain, deceased heretofore filed in this Court, and for a grounds of said exceptions says: That under the appraisement of the said estate of Levi E. Spain, there was set off to the widow Lovina Spain about $300 in personal property as her years allowance but out of that she was to pay the doctors bills of the last sickness and the funeral expenses and they were not to be made a charge upon the Estate.

Second said account does not show all the property received by the said Lovina Spain as administratrix

Said Loretta Spain also excepts to the allowance of an extension of time for the settlement of said estate and for grounds thereof says: That the said admx. of Levi E. Spain has nothing whatever to do with the dower of the said Loretta Spain or her interest in his estate and the settlement of the Estate of said Levi E. Spain is in no way dependant upon the settlement of the estate of said Phillip Spain deceased. The said Lovina Spain was appointed on the 5th day of February 1906 and has know, if it be true, for some time that there was not sufficient personal property to pay debts, and the said administratrix has made no effort to convert the real estate into money to pay said indebtedness nor is she now taking steps to convert said real estate into money to pay said indebtedness

The said Loretta Spain has as administratrix of said Phillip Spain a note of about $200 with interest signed by said Levi E. Spain and secured by mortgage on his estate and now long past due and the said administratrix of Levi E. Spain is not making any effort to pay the same.

Whereas John George Bishop, deceased, late of Paris Township, Union County Ohio, by the terms of his Will. duly Probated and Recorded in Union County Ohio, made a fair, honorable and equitable division of his estate, among thirteen legatees and heirs named therein, after making what seemed to him a proper provision for his widow, Barbara Bishop and whereas the said Barbara Bishop is now of unsound mind and incapable of making an election to take under said Will or under law.

And whereas such election has been made for her as in such case made and provided and whereas such election so made and recorded in the Probate Court of Union County Ohio, provides that said Barbara Bishop shall take under the law and not under the will, and whereas there is some contention among the said thirteen legatees and heirs of said testator, regarding said election and litigation is threatened.

But after the death of said Barbara Bishop, in case she does not regain her mental powers and after the payment of all her debts, and last sickness and funeral expenses &c., as is right and proper, such funds as remain in the hands of the Guardian to be appointed for such trust, shall not pass to her legal heirs, but shall be divided equally among the thirteen legatees and

Exceptions Filed July 27. 1907

Probate Court, Union County Ohio

In the Matter of the Estate of } No. 6446.
Sarah E. Smith Deceased }

Now comes Isaac Smith and represents to the Court that he is interested in said Estate as an heir at law and he excepts to the account of B. P. Smith as administrator of estate of Sarah E. Smith deceased filed in this Court June 13" 1907 in this towit:-

First, That there was about two thousand dollars of personal property which belonged to the deceased at the time of her death and which passed into the hands of B. P. Smith and which he fails to charge to himself or account for to the estate.

Second. Item one of his credits is a personal debt of B. P. Smith & ought should not have been charged to the estate.

Third. Item Six is a charge as commission for the sale of land & ought should not be charged to the estate as the administrator charges the estate with full commission in Item 20.

Fourth - Items nine, ten and fourteen are personal debts of B. P. Smith and should not have been charged to the estate.

Fifth - Item Nineteen is for a part of an allowance in lieu of dower that he has paid himself as the widow of the deceased, which he should not have received and charged the estate, for the reason that the charges represented in Items 15, 16 and 17 were for the payment of the personal debts of the said B. P. Smith on which

the said Sarah E. Smith was only security, and for the reason that the said B. P. Smith agreed with the heirs at law of the said Sarah E. Smith deceased, that he would not take and receive any money in lieu of dower in the real estate sold to pay said debts represented in Items 15, 16, 17, provided the said heirs would withdraw a partition case from the Common Pleas Court and allow him as Administrator to sell a portion of the farm.

Sixth Item 20 should not be charged to the estate as it represents a commission and compensation for service as administrator, which service he agreed to render free of charge to the estate if allowed to sell the real estate and pay the debts represented in Items 15, 16 and 17.

Guardian not having made settlements for this ward at any time, and the accounts being badly kept, it is impossible to start from the beginning and bring down all moneys paid out during his trusteeship.

Therefore it will appear proper and just to begin this wards account, with the settlement of his sister Columbia Wilsons account, as he is an equal sharer with her in the estate, and the said Guardian when he made that account in 1901, knew the exact status of their respective shares.

I therefor take the statement of the balance on April 24, 1905 as the true amount due to this ward. to wit $73.09
