Guardians Account.

Emily R. Cameron Guardian of Margaret R. Hamilton
First and Final Account. In account with her ward.
Said Guardian charges herself as follows:-

		To	
1904 Oct.	4	Said Guardian received from George M. Wilbur and Richard L. Cameron, executors under the will of Frank M. Hamilton the following sum being the share of said ward in the estate of said Frank M. Hamilton	$2 000 00

Said Guardian credits herself as follows:
Upon the receipt of said money, finding that the taxes were so high that a profitable investment could not be made by way of mortgage loan, she purchased two lots in the village of Marysville, on West Fourth Street at a cost of $150 each or $300 for both, she then erected thereon two houses at a cost of $1240 each or $2480 for both, there were the items of expense in getting said property ready for rental so that when completed she had borrowed $800 from the Marysville Building and Loan Association to complete payment for the same.
These properties were rented for $10 per month each and were occupied most of the time though they remained vacant a small portion of the time.
The rent was used in clothing and other expense necessary for the Ward and any surplus was applied on the mortgage loan. The ward lived with her said guardian and no charge was made for board and lodging.
On the 18th day of August 1908 said Guardian sold said houses to J. Walter Kennedy for the sum of $2519.52, in addition to which sum he assumed the payment of the balance then due on the mortgage, which was then $480,48. The said ward then went to live with the said J. Walter Kennedy and because of this fact no interest has been charged on the note given in payment for said houses.
There now remains due said ward in the hands of said Guardian the sum of $ 2519.32. $2519.32

Answer.

In the Probate Court, Union County, O.

Answer of Homer J. Brown, as executor of the estate of Loretta Spain Brown who was executor of the estate of Philipp Spain, to the exceptions as filed by the Trustees of the K. of P. Lodge of North Lewisburg, Ohio.

"a" The Said Executor denies he should have charged the estate with any more than one-half of said note of $1.000.00, namely he denies that the said estate should have been charged with the whole of said $1,000.00 note.

"b" The said executor denies the estate should be charged with the full amount of $ 338.50 but only $294.00 which amount was the amount the estate received of the $338.50 after deducting attorneys fee and expenses.

"c" Included both note and interest thereon, which amounted to $ 294.00

"d" The executor avers that said Loretta Spain did not collect any interest on said $1000.00 mortgage note, as the same was

not interest thereon, as it was paid before any interest accrued.

"e" The said sale notes did not bear any interest and that said Loretta Spain Brown did not collect any interest thereon.

"f" Said executor denies he is required to charge the estate with any amount that Philipp Spain received from the sale of the 78½ acre tract of land in Liberty Township this county, to Emmet Brown or any other amount, and denies that Loretta Spain received any amount other than (she) her estate is charged with in said account.

"g" Said Court allowed said Loretta Spain her claim of $10-00.00 which said Philip Spain owed her and there was set off to her for her years support the sum of $695.00, and the half of the $1000. all of which the said executor avers the said Loretta Spain invested in the real estate purchased by her of Edward Green on Feb. 27th. 1907, and said amounts are set off thereto.

"h" The said $1000.00 is embraced with the preceding item and the averments contained therein and is covered by the vouchers.

"2" The said executor denies that the amount paid Homer J Brown was excessive.

The said executor further asks that the Court allow as compensation for the Loretta Spain Brown the sum usually allowed executors for such services of like amount, for her work as executor, the sum of $132.00

Homer J. Brown.

In the matter of the estate of Philip Spain } Feb. 8" 1910. finding on Exceptions.

In regard to the $256, worth of personal property charged to Executor, It is the opinion of the Court that Loretta Spain executrix and widow of said Philip Spain took this at the appraised value but neglected to invoke and record of it or minute in inventory, so I leave this as charged. $256 00

2.

In the charges of $294.00 It is the opinion of the court should be $338.00 instead of $294. $338 00

3

In the charge of $500.00 out of the $1000 note, It is the opinion of the Court that the full $1000.00 note should be charged instead of only the half 500. In her petition for allowance of claim she only claimed to have $1500 in land, and this $1000 note was a land note so I believe the full $1000. note should be charged instead the $500. Jan 1907 28

4.

The $108.00 allowed Homer Brown should not be allowed because it does not state what it is for.

5.

Statuary compensation should be allowed the estate of Loretta Spain for her settling the estate of Philip Spain.

6.

It appears to the Court that the land purchased of Green was purchased with the money of the estate of Philip Spain and so receipted.

Now this being the facts the purchase money of $225-2. should be charged in account and

7.

Now if this land belong to the estate of Philip Spain and she having a life estate in his property a reasonable rent should be charged from the death of Loretta Spain (Brown) and I consider $150.00 a year to be a reasonable rent.

8.

None of the evidence show where Loretta Spain ever took out of the estate her years allowance of $6 96.00

None of the evidence show where she ever took out her $150.00 claim allowed her in court. no credits in the account show this.

It is the opinion of the court there should appear in account. for it is right she should credit for these items, and the evidence is a matter of record. shown in inventory and her petition for allowance of claim.

These are the findings the court considers worth while to find on.

The Court orders an amended account filed according to the above and within findings to be filed within 30 days. This 11th day of Feb. 1910. & costs paid out of Estate.
