Statement for Extra Compensation.

Said Executor respectfully asks an allowance for extraordinary services, not required of him in the common course of his duty, as follows, to-wit:

For preparing and filing in the Probate Court of Union County, Ohio, a final account of the administration of the said James W. Monroe, deceased, as administrator, with will annexed &c., of the estate of Robert L. Woodburn, deceased, And said Executor states that the said James W. Monroe was continuously ill for a year immediately preceding his death, and, therefor, was unable to give the estate of the said Robert L. Woodburn, which involved the managment and operation of a large farm and the buying and selling of live-stock, together with the general marketing of farm products, the necessary close and systematic attention required. By reason of which inability on the part of the said James W. Monroe, great confusion, and more or less inaccuracy, was found in said Decedents accounting and the scattered written memoranda thereof; and, in consequence, said Executor was compelled to devote several weeks of close investigation, and his best skill as an accountant, in order to present to the Court a report of his said Decedent's said administration with approximate correctness.

Said Executor further respectfully states to the Court, that he performed extraordinary services in the adjustment and settlement of the affairs of three private partnerships, in each of which this said Decedent was interested as a partner, viz:

348.
182.
5-50
75.
180 5-8
4021 42

8310 The firms of Monroe and Norris, Monroe and Rodgers, and The Marysville Map Company, in each of which complicated affairs and transactions of long standing were considered and settled with manifest advantage and fairness to the estate of the said James W. Monroe.

Wherefore, said Executor respectfully suggests to the Court, as an allowance to him for all said extraordinary services performed as above stated, the reasonable sum of $200.00, which amount said Executor prays may be allowed him on this, his first current account.

In The Matter of The Estate of Jonathan Frynman. Deceased.	case. no. Application to open and Exceptions to. the Final Account of the Executor of said Estate.

Now come Lethia M. Ewing, Eva R. Ewing, Hazel L. Ewing, and Arthur E. Ewing, complainants, all infants by their Next Friend, Verner Ewing, neither of said infants having a legal Guardian. and respectfully represent to the Court:

That they are all infants of my tender age; that they are the presumptive remainder men of all the real estate of Jonathan Frynman. deceased, and, as such, are all interested in the correct and lawful settlement of the estate of the said Decedent;

That Walter Hartman, as executor of said estate, filed the first and final account of his administration, on the 7th day of August, 1916, in Court: and, on the 26th day of August, 1916, the said account was settled and confirmed by the said Court; and-

That these Complainants, being infants, as aforesaid, at the time of said settlement, did not have actual notice thereof, and were not represented at the hearing of the said account by the Court.

These Complainants further represent that the said account presents errors and mistakes in the administration of said estate, in both its debit and credit lists, prejudicial to their rights and their prospective remainder in said real estate.

Wherefore, these Complainants beg to state to the Court exceptions to the said account as follows, to-wit:

1. The said Executor did not receive in cash the respective amounts, nor any part thereof, charged as proceeds of sale of Richwood real estate and farm lands.

2. That the proceedings in said Court for the sale of said real estate, and said Executor's conveyances thereof, have been vacated, set aside, and held for naught by decree of the Court of Common Pleas of said County as having been based upon invalid claims allowed against said Decedent's estate.

3. All credits taken in said account for disbursements on account of costs, expenses, distribution, and payment of Dower, incident to the said proceedings for sale and conveyance of said real estate, are erroneous and mistaken and should be refused.

4. Complainants verily believe, and so aver, that, by reason of the errors aforesaid, the personal property of said estate is sufficient to pay all the valid debts and liabilities thereof, without resort to the said real estate therefor.

Wherefore, these Complainants pray the Court that, for the reasons aforesaid, the said final account of said Executor may be opened,

pursuant to the Statute for such case provided: that the forgoing exceptions, and such other matters as may be found necessary to a correct accounting on said estate, may be heard by the Court; and that the said Executor may be ordered to present to the Court, at the earliest day practicable, an amended report and account of his administration in the premises.

Journal Entry:

In The Probate Court of Union County, Ohio.

In The Matter Of The Estate Of Jonathan Fryman Deceased.	Case No. Friday March 9th 1917 Journal Entry. Orders Opening Account, etc,

This day this matter came on to be heard upon the Application of Letha M. Ewing, Eva R. Ewing, Hazel L. Ewing, and Arthur E. Ewing, all infants, by their next friend, Verner Ewing, and the Waiver of Notice and Consent, in writing, of Abigal Frynman, Emma Ewing and Walter Hartman, as Executor of the estate of Jonathan Frynman, deceased;-

Whereupon, it appearing to the Court that the first and final account of Walter Hartman, as executor of the said estate, was settled and confirmed by the Court on the 26th day of August, 1916, in the absence of the said Applicants, all of whom the Court finds to be infants, and without actual notice to them, and that they have filed exceptions to the said account, it is now considered and ordered by the Court that the said account be, and the same is hereby, opened for the hearing and consideration of the exceptions aforesaid.

And thereupon this matter came on to be heard upon the said Exceptions filed thereto, and the same are submitted to the Court:

Whereupon, the Court, being fully advised in the premises, finds the said Exceptions, and each of them, well taken and true; and that the said account requires general revision and restatement.

It is, therefor, considered, ordered, and adjudged by the Court that the said Walter Hartman, as executor of the estate of Jonathan Frynman, deceased, within sixty days from the date hereof, a full and correct amended report and account of his administration of the estate of the said Decedent. It is further adjudged that said Walter Hartman, as such executor, pay the costs in this behalf taxed at $--, out of the said Decedent's estate.

Defendant

At a term of the above named Court begun and held at the Court House of said County, on the 2nd day of April 1917. among other proceedings had by and befor said Court, on the 23rd. day of April 1917. as it appears by its journal of that day, are the following, towit:

And now this cause coming on to be heard upon the petition and the evidence, the Court finds that all of the defendants have had due and legal notice of the pendency and demand of the said petition, and that they, each are in defaut for answer and demurrer thereto and, thereby confess the allegations thereof to be true.

Thereupon, the Court further finds that the plaintiffs election not to take the provison made for her in the Will of Jonathan Frynman, her deceased husband, entered in the Probate Court of Union County, Ohio, as alleged, was made in good faith by the plaintiff but under erroneo information and advice that the personal property of said Decedents estate was insufficient to pay the valid debts and liabilities thereof: Whereas, the Court finds, the said personal property was, in fact, sufficient for the purpos aforesaid, and that the plaintiff was misled, to her prejudice, by the said errorneous information and advice, in so making her said election.
