Mr. F.E. Guthery, Att. of Marion , O. , presented the matter from the Claibourne point of view. The matter of dispute as Mr. Guthrey understood it was the question as to whether the 13% of funds (see Minutes of Meeting Aug, 8th, 1914, also page 352 of minutes) distributed by the County Auditor in March and Aug. 1915, should include that percent of the sinking fund as well as of the remainder of the distribution.

Pros. Att. Haines then spoke stating that he stood on the opinion on this matter as issued by Att. Gen. Turner, No. 919, Oct 13th, 1915, in which he quotes and incorporates an opinion by former Att. Gen. Hogan with which he agrees.

Mr, Stricker of the Leesburg Board then spoke to the effect that they had acted on the advice of the County Auditor, and if some mistakes had been made the Leesburg Board was anxious to make things right.

A number of informal remarks were made by Mr. Guthrey, Dr. Shumaker, Pres. of Leesburg Board of Education, D.H. Sellers, Mr. Dodge, Fred Sidle and Mr. Kibler. It was suggested that the two Boards with their attorneys get together after the noon hour and settle the matter.

Ad journed.

3:00 P.M.

The afternoon session was delayed until the hour of 3 P.M. owing to the lateness of the train on which Mr. Langstaff arrived.

A letter was received from Mr. N.T. Henders, Clerk of Darby Board of Education, stating that the Darby Board prepared to defer action on the matter of a transfer from Darby to Paris. See Letter File A-8.

It was moved by Langstaff, 2nd, by Kibler to lay the matter on the table until the May meeting. Motion carried.

The motion to transfer certain territory from Allen Rural School District to Union Rural School District which was laid on the table at the meeting of March 22nd, was now placed before the Board.

Mr. Kibler addressed the board on the subject. He presented the following figures:- Length of proposed Milford Center Route - 8.8 Miles; Length of Allen /Center Route - 9.6 miles. Distance farthest child will ride on Milford Center route - 7.4 miles. Distance farthest child will ride on Allen Center route - 6.5 miles. He also presented two petitions against the proposed transfer; one from six residents who had not signed the petition asking for transfer and Four who had signed the origonal petition but now stated that it was immaterial to them.

A number of informal remarks were made. Mr. James Coe explained that while he would personally not be affected by the transfer he considered that it would be a serious injury to the interests of Allen Rural School District, and he was therefore against it. Mr Kibler spoke of the fact that Allen had placed its building as near the center of the District as possible, but if this territory was taken away it would put the building to one side of the District. Mr. Dodge then explained that this transfer stood in a class by itself, being different from all others the County Board had made.

Following was the vote:

Rupright	No.
Dodge	"
Howard	Yes
Kibler	No
Langstaff	"

Motion to ajourn was made by Mr. Langstaff, seconded by Mr. Rupright. Carried.

Mr. Dodge was in the chair at 1.00 P.M. Mr. Willis representing the Leesburg Board of Education spoke on the matter of controversy between Claibourne Rural and Leesburg Rural Boards pertaining to adjustment of funds in connection with transfer of territory and requested that the County Board fix an adjourned date for hearing the application of the Leesburg Board for a readjustment of funds, so that the Leesburg Board might notify the Claibourne Board that the matter will be taken up on the date set.

Mr. W.D. Stricker, Clerk of the Leesburg B. of E., then reviewed the history of the controversy- reading the minutes of the meetings of the Leesburg Board on May 6th and May 26th.

A general discussion followed in which all took part.

It was moved by Mr. Rupright that when we adjourn we adjourn to meet Feb. 1st at 10.00 A.M. to take up the Leesburg-Claibourne controversy. The motion was seconded by Mr. Howard and carried.

It was moved and seconded to adjourn. Carried

Philipp Rupright Pres. D. H. Sellers Clerk

Marysville, O. - Feb. 1st, 1917.

Meeting of the Union County Board of Education adjourned from the regular meeting of Wednesday, Jan. 17th, to hear a petition from the Leesburg Rural Board of Education for a readjustment of funds in connection with a transfer made by the Union County Board of Education on Aug. 8th, 1914, from Leesburg Rural School District to Claibourne Rural School District.

Roll Call resulted as follows:-

T.J. Dodge - Present — Philip Rupright - Present
Cone Howard -Present — C. C. Wright - Present
O. S.Kibler -Present

The minutes of the last meeting were read and approved.

President Dodge then stated the object of the meeting.

The County Supt. then read the motion as filed by the Leesburg Rural Board of Education (See under "Petitions" in steel filing case) and explained a typewritten statement of the case as it now stands as he sees it;- as follows:-

" INDEBTEDNESS OF LEESBURG RURAL SCHOOL DISTRICT.

Sept. 1st, 1913 --	Bond issues	$ 10,000.	
March 2nd, 1914 --	" "	2,500.	
May 2nd, 1914 --	Bank loan	1,283.	
	Total principal	$ 13,783.	
Total interest on	Issue of 9/1/13	$ 2,220.	
" "	" " 3/2/14	412.50	
" "	" Loan " 5/2/14	76.55	
	Total interest	$ 2,709.05	TOTAL = $ 16,492.05

Claibourne paid on Dec. 24th, 1914, to Leesburg 13% of the bonded indebtedness as reported to the County Board, Namely;-

13% of $ 13,783., or $ 1,791.79

Leesburg now claims that this should have included 13% of the total interest on all the debt, namely;-

13% of $ 2,709.05., or $ 352.18.

$ 1,791.79 plus $ 352.18 equals $ 2,143.97. Total claimed from Claibourne by Leesburg.

$ 2,143.97 - $ 1,791.79 equals $ 352.18 Balance due claimed by Leesburg, when transaction shall have been completed.

The adjustment made by the County Board in 1914, whereby Claibourne paid all of the bonded indebtedness in a lump sum, was made on the grounds that no interest computation should be included inasmuch as the possession of the Principal before due would take care of the interest charges since Leesburg would have the use of the money, during the successive periods which would elapse before the various payments became due.

LEESBURG NOW CLAIMS THAT THE MONEY, paid in advance by Claibourne, means only 4% to the Leesburg Board whereas the interest charges on some of the indebtedness is 6%, and, on the remainder, it is 5%. As I understand the matter,

THIS SEEMS TO BE THE CHIEF POINT AT ISSUE AS MATTERS STAND NOW."

Att. Fred Guthery, representing the Claibourne Board of Education, then made a motion to dismiss the Petition as filed by the Leesburg Board of Education. (See steel file under "Petitions")

Mr. Stricker, Clerk of the Leesburg Board of Education, then spoke upon the matter at issue.

President Sidle of the Claibourne Board of Education stated that he had no recollection of the passing of any motion on May 2nd, 1916 to resubmit to the County Board, by the Claibourne Board of Education, as claimed by the Leesburg Board of Education.

Mr. Maddox, of the Claibourne Board of Education, spoke along the same line.

Mr. Sidle and Mr. Stricker then spoke on the same subject.

Mr. Wright, of the County Board, then spoke urging the value of getting together on the matter if possible.

Mr. Guthery spoke against the yielding of any point by the Claibourne Board of Education.

1-00 P.M.

All members were present, except Mr. Rupright who came in about 3 P.M.

Mr. Kibler then spoke along the line of settling the matter out of Court.

Vote on motion to dismiss the Petition filed by Leesburg Rural Board of Education:-

Dodge - No. Rupright - No. Howard - No. Wright - No.
Kibler - No.

The motion to dismiss was overruled to which the Claibourne Rural

Board of Education did then and there accept and does now and here accept.

Mr. Stricker, in the absence of the Leesburg Attorney, Mr. Willis, was given a chance to speak on this case; but he stated that he did not care to say any more at this time than he had said in the morning.

Mr. Guthery then argued that the stand taken by the Leesburg Board was untenable.

Mr. Stricker then spoke in answer to Mr. Guthery.

The Clerk was then called upon by the President and asked to state his conclusions after having gone over the matter a second time. He stated that his findings were not different from those made at the time of the transfer.

Mr. Stricker requested the Clerk to mail a statement of how the matter stands at present to the Leesburg Board before their meeting on Saturday P.M. Feb. 3d.

Motion was made to adjourn. Carried.

W. J. Dodge Pres. D. H. Sellers Clerk

Addenda:-

After the adjournment of the County Board of Education, Mr. Stricker, representing the Leesburg Board of Education, and Messrs. Sidle and Maddox, representing the Claibourne Board of Education, held a conference at which Dist. Supt. Boord and Co. Supt. Sellers were present, and it was orally agreed that, provided Leesburg ratified the findings of the Co. Board of Education, as to payments due from Leesburg to Claibourne, Claibourne Board of Education would waive all claims to any accrued interest due on deferred payments and would accept a note bearing 4% interest from the date when the exact statement of payments due should be received from the County Board of Education by the Leesburg Board of Education assembled in regular session, it being understood that Feb. 3, 1917, should be such date.

Minutes were read and approved. Mr. Rupright and the Co. Supt. reported on the matter of adjustment of territory between Paris and Peoria School Districts, to the effect that it would be agreeable to the Peoria Board to have such an addition to their territory.

The County Superintendent discussed with the board the advisability of passing a resolution urging consolidation upon the Claibourne Board of Education.

Mr: Wright reported on the matter of adjustment of territory between Claibourne and Magnetic Springs School Districts that it was probable that a sufficient number of petitioners could not be securred to guarantee that a remonstrance would not be filed, and suggested that the matter would probably have to rest until ,Claibourne should be centralized.

1 P.M.

Moved by Mr. Curry seconded by Mr. Rupright that the County Board of Education pass the following resolution, the same to be transmitted to the ZClaibourne Rural Board of Education:-

Resolved by the Union County Board of Education that, in view of the probable closing of three or four of the Claibourne one-room school next year due to the low attendance, the Claibourne Rural Board of Education be urged to consider the complete con solidation of all schools at Claibourne and Richwood.

Be it further resolved, That the attention of the said board be drawn to the action of the Paris Rural board of education which voluntarily has asked the County Board to attach the entire Paris Rural School District to Marysville Village Schools District this saving the cost of a new centralized buildingand, also, giving the Rural population a chance to help elecet members of the Board of Education which controls the High School to which the rural boys and girls are sent.

After discussing school-matters in general it was thought best to comply with a number of requests that have recently been made for a County Meeting of all School-Board Members to be held in the Court House in the near future. The Board authorized the clerk to call such a meeting at a convenient date. The main object of the meeting,-closer cooperation of the County and Local School-Boards.

In a very short speech Mr.Reed presented the matter of discontinuing the employment of an Asst.Co.Supt.for the coming school year. After a brief discussion it was the unanimous opinion that the people would demand such action on the part of the County Board within the very near future; and that in order to forestall any such move it would be better for all concerned to have the matter settled at this meeting. The vote stood as recorded hereafter: Reed,yea; Hamilton,yea; Howard,yea; Easton,yea. Motion carried unanimous.

Magnetic Springs, Ohio,
May 23rd, 1922.

County Board of Education, Union County, Ohio,
Supt. J. A. Yealey, Clerk, Marysville, Ohio.

Gentlemen:-

In as much as the Board of Education of Magnetic Springs School District is maintaining a first grade high school, chartered by the state of Ohio, it is desirable for various reasons that our school be recognized and listed as a school directly under county supervision as provided on section 4740 of the General Code of Ohio.

Therefore, it is petitioned on this 23rd, day of May, 1922 that the County Board of Education at its next meeting take such action as will be necessary and proper to entitle the Magnetic Springs School District to such rights,privileges, and duties as are provided in section 4740, aforementioned.

This petition is made with the advice and approval of the State Department of Education because section 4740 seems yet in effect in spite of the repeal of the law establishing the office of District Superintendent, to which office section 4740 has reference.

Respectfully yours,
The Magnetic Springs School District

Gentlemen:- While my term as School Examiner does not expire until Aug. 31, 1923. If your honorable board and county superintendent, Mr. Yealey, desire me to resign you may accept my recignation from the board to take effect Saturday Evening November 18th, 1922.

Thanking you for your past favors and cooperation I am, Cordially yours, C. M. Boord.

After some deliberation it was thought best to accept Mr. Boord's recignation since he is not now teaching in the county. To bring the matter to a vote Mr. Easton made a motion to accept Mr. Boords letter at its face value. This motion was seconded by Mr. Hamilton. The vote stood as follows: Howard, yea; Easton, yea; Wiley, yea; Hamilton, yea; Reed, yea. The Motion carried which made vacant the position of examiner.

For lack of time we were not permitted to make a note of the many good things that were spoken of in this discussion of the "Bing School Law". However, since there are a few families in the county that do not care to comply with the present compulsory features of the law it was the consensus of opinion of the board that it would be better to make these people respect the law without further delay, and so instructed County Superintendent, Yealey, and Attendance Officer, Mrs. J. M. Fox.

At the request of Supt. W. E. Beeman, Clerk, Yealey, delivered the following verbal massage to the County Board:

We, the Superintendents of the Public Schools of Union County, request your honorable body to place us on record as favoring the Annual Teachers' Institute as heretofore carried out.

County Superintendent, Yealey, received a letter from the State Department of Education telling him that the State would not be able to pay over $1250 of the Normal Director's salary this year and asked him to see whether or not the County Board would be willing to make up the extra $250.00. Total for the County $550.00 instead of $300.00 as heretofor. The Board did not care to go on record as not wishing to grant this request but rather felt it best to wait for future action on the part of the State Department in the matter.

At the request of the clerk the County Board instructed him to make out the budget for the coming school year. This budget to be the same as last year with the exception that it is to be cut $500 in the contingent Fund. Reed,yea;Wiley,yea;Hamilton,yea;Easton,yea.Carried.

With reference to the matter of hiring a Normal Director for the coming school year it was thought best to retain Mrs.Lacy Packham if the salary was satisfactory and Supt.Yealey and the State Dept. were satisfied that Mrs. Packham was the right person for the place. In other words, it was left up to the County Superintendent to get in touch with the State Department with reference to the matter and report as soon as convenient.

A letter dated June 20th,1923 from T. Howard Winters was read to the Board. This letter assured the Board that the State Department would reimburse the County Board to the Amount of $60.00 for lantern slides for use in the County Normal. See bill above.

Clerk, Yealey, reported to the Board that the New Typewriter, and the Blackboard,were ordered and are now in the office doing service. The matter of repairing the filing case will be taken up later.

The voucher for the payment of the E. J. Ashbaugh Bille was deposited with the County Treasurer to the credit of the County Board as per request of the State Department of Education.

The Board by a unanimous vote thought best to call a special meeting on Wednesday August 1st, for the purpose of disposing of all requests for transfer of territory.

As there was no further business to come before the Board a motion to adjourn carried.

Cone Howard .....Pres. J. A. Yealey.Clerk

Marysville, Ohio,

August 1st, 1923.

A meeting called at the request of the County Board of Education for the purpose of disposing of a number of petitions that have been up for consideration for sometime. These petitions are all requests for transfer of territory and have been mentioned several times in the minutes the past spring and summer.

The meeting was called to order promptly at the time fixed at the last meeting. All members were present.

The president, Mr. Howard, gave each person present that was interested in the transfers a chance to speak.

The following responded:

Dr. Charles Thompson,of York.
Jacob A. Emrich,of Richwood.
Mr.B. C. Reece,of Pharisburg.
Mr. W. D. Stricker,of Pharisburg.

A few others were present and spoke more or less indirectly to the Members of the Board.

After listening carefully to what each of the above had to say the Board retired to the adjoining room for deliberation. On returning Mr.Easton made a motion which was seconded by Mr. Wiley that the Board go on record to reconsider the transfer of territory of Mr.W. T. Smith, as passed on at the June 6th,meeting. The vote stood as follows: Easton,yea; Hamilton,yea; Howard,yea; Wiley,yea; Reed,yea. Carried.

It was thought best by the Pres.Mr. Howard that all the members of the Board should go in a body to view the York-Washington situation. This suggestion met with the favor of the Board and the members decided to meet at York promptly at 1 O'clock p.m. This suggestion was carried out to the letter. The members met at I O'clock and viewed the situation. For a number of reasons it was thought best to not act on the petitions at this time. The board found that the roads are in very bad condition in this neighborgood and thought that the wise thing to do would be to callthe County Commissioners attention to this matter. A committee was appoimted to meet the County Board on Monday August 6th, to see what could be done to improve conditions. Mr. Howard, Mr.Hamilton and Mr. Easton were selected to represent the Board.

Marysville, Ohio,
December 1st, 1923.

Called Meeting of The County Board of Education for the purpose of giving further consideration to the six petitions presented by the school boards of the following school districts; Allen, Liberty, York, Leesburg, Dover and Millcreek.

The meeting was called to order by the President, Mr. Howard, at 10:30 A.M. The roll-call found all members present but Mr. Easton. However, he came in just a little later.

The minutes of the last meeting were read and approved. On account of so many being present it was necessary to adjourn to the Common Pleas Court Room for the rest of the session.

As soon as all were seated, the President, Mr. Howard, asked the Clerk to announce the object of the meeting. The Clerk responded by giving a brief review of the steps taken by the above mentioned school boards, and what he, Clerk Yealey, did with the petitions before the Nov. 21st meeting of the County Board of Education.

In brief, Mr. Yealey gave the following; Allen, York, Leesburg, Dover and Millcreek filed petitions directly with the Clerk of the County Board of Education. Liberty, on account of being late, was requested to file with the Director of Education, Vernon M.Riegel. These petitions reached the Commissioner of Education's Office not later than Monday, Nov. 19th. On Wednesday Nov. 21st, Clerk Yealey received a message over the telephone, authorizing the County Board of Education to place five of the six districts on the tax duplicate. However, on this date, the County Board in regular session, tabled the matter for further

instructions from the Commissioner of Education. On Friday, Nov.23rd the Clerk received a letter from the Department of Education, signed by the Commissioner of Education, Mr. Vernon M. Riegel, containing the same message as the one received over the telephone on Nov. 21st. At this point the Clerk read the letter.

A representative from the State Department, Mr. W.R.Heistand was present and was given a chance to discuss the matter with all the school board members present. After several hours of deliberation a number of matters were settled in a satisfactory manner. Liberty School District was ordered restored as a State Aid District, by Mr. Heistand.

As some of the members of the County Board thought it best to hold the rest of the meeting private, the President so announced and the members returned to the Clerk's office.

After a general discussion by all present, it was decided to put the matter to a vote.

On account of Dover School District having an extra petition signed by the citizens of this school district, it was thought best to dispose of this one first.

Mr. Reed made a motion which was seconded by Mr. Hamilton, that the extra 3 mill levy for one year be ordered placed on the tax duplicate for Dover Township, in accordance with Sec.7596-1.

Vote;- Howard, yes; Wiley, yes; Hamilton, yes; Easton, yes; Reed, yes. The motion carried.

It was moved by Mr. Wiley and seconded by Mr. Easton, that the following school districts,- Allen, Liberty, York, Leesburg and Millcreek be also placed on the tax duplicate for the 3 mills extra for one year in accordance with Sec. 7596-1.

Vote: Howard, Nay; Wiley, Nay; Reed, yea; Easton, yea; Hamilton, yea. The motion carried.

The Clerk was instructed to see that the above action of the County Board was at once in the hands of the County Auditor. After the meeting the Clerk notified the Auditor in person and later by an official notice as recorded below.

Marysville, Ohio
December 3rd, 1923.

Mr. Lemuel Sherman,
Auditor, Union County, Ohio.

State of Ohio
Department of Education
Columbus, Ohio
Nov. 21st 1923.

Mr. J.A.Yealey, Clerk, County Board of Education
Marysville, Ohio.

My dear Mr. Yealey;-

Examination of the financial condition obtained in York Rural, Millcreek Rural, Dover Rural, Allen Rural, Leesburg Rural, and Liberty Rural School Districts, Union County, indicates that the funds available for the maintenance of schools are insufficient to keep said schools in operation for eight months, as required by law, unless said districts receive financial bebefits from a three-mill additional levy and from the State Educational Equalization Fund, your Board of Education is therefore, directed as provided for in Section 7596-1, General Code of Ohio, to cause to be levied on said York Rural, Millcreek Rural, Dover Rural, Allen Rural, Leesburg Rural and Liberty Rural School Districts an additional three-mill levy for and during the coming taxation year.

Very truly yours
Vernon M. Riegel,
Director of Education.

The County Board of Education voted unanimously in favor of placing the levy for Dover Rural School District. However, in the other cases it was three-to-two in favor of the levy. Therefore, according to Sec. 7596-1 you are directed by the County Board of Education to cause an additional three-mill levy for and during the

coming taxation year to be placed on the tax duplicate in the six above mentioned school districts.

By order of the County Board of Education,

Mr. E. J. Brooks, a citizen of the school district,gave a very interesting talk on the situation as he saw it.

Our Prosecuting Attorney, Mr. John Dailey, was also present and talked to the Board and all others present on certain law points effecting the situation as he saw it.

After the Board was fully satisfied that all present were given a chance to make known their business Mr. C. O Wiley made a motion which was seconded by Mr. J. L. Supt. of Public Instruction
as Director of Education. November 18th, 1924.

Mr. J. A. Yealey,

Dear Mr. Yealey:

Upon examination of original application filed by the board of education of the Leesburg Rural School District, Union County, Ohio, and upon a careful survey of school conditions existing in said district, it has been found that the local funds available for maintenance during the year 1924-25 are insufficient to keep the schools in said district in operation for the period of eight months, as required by law, unless said Leesburg Rural School District receives financial benefits from the three-mill additional levy and from the state educational equalization fund. The Union County Board of Education, therefore, is hereby directed as provided for in Section 7596-1, General Code of Ohio, to cause to be levied on said Leesburg Rural School District an additional school levy of three mills for and during the 1924 taxing year, said levy to become operative with the December collection of taxes.

Very truly yours,

Dear Sir:

Will you convey to the County Board of Education my appreciation of the respect and confidence they have showen me by appointing me as a member of the board of school examiners? It shall be my aim to so perform the duties of this office that the board may never have cause to regret having made this appointment.

Yours very truly,

A letter from Mr. A. D. Brown, teacher of the 7th, and 8th, grades of the York Rural Schools,asking the County Board for financial aid to help pay on a piano was read by the clerk. The Board did not think it wise at this time to grant such a favor on accounty of the prestige it might set in such cases.

Another part of Mr. Brown's letter containing a resolution passed by the upper grade teachers at the Richwood Teachers' Meeting was also read by the clerk. The letter in part follows:

Peoria, Ohio,

Supt. J. A. Yealey, Nov. 24th, 1924.

My dear Sir:-

At the meeting of the Union County Teachers' Association at Richwood on the 22nd, inst.,the upper grade section of which I had the honor of being chairman passed a resolution by unanimous vote asking the County Board, if it were possible, to grant the County Superintendent a sufficient amount of time that he might be able to visit the schools of the County and demonstrate to them the benefits of visual education.

Signed A. D. Brown,
Chairman Upper Grade Teachers.

With reference to the above request the County Board was more or less indefinite. However, the Pres.,Mr. Howard, thought it might be possible for Mr. Yealey to close the office on Tuesdays, Wednesdays, Thursdays, and Fridays in January, February and March and grant this request,in part,at least. As there seemed to be no further remarks the matter dropped with the above suggestion by the President.

Clerk, Yealey, called the Board's attention to the necessity of having a key to the inner doors to the vault used for storage purposes. After talking the matter over the Board authorized the clerk to take the necessary steps to have two keys made to fit the lock and to have the bill presented at the next regular meeting.

The Committee, Mr. Reed and Mr. Wiley, appointed to look after certain affairs especially pertaining to the hauling of children in York School District reported that everything was settled in a satisfactory manner by agreeing to pay Mrs. Stahl $5.00 per month for transporting the Kearns children to the York Schools.

It was moved by Mr. Sidle and Seconded by Mr. Hamilton that the report of the committee be accepted and the committee be released from any further obligation. The motion carried.

Mr. Reed made a verbal report on his visit to Columbus in the interest of certain matters pertaining to the York School Situation. It was moved by Mr. Wiley and Seconded by Mr. Sidle that Mr. Reed's report be accepted and that he be released from any further obligation in regard to the matter. The Motion carried.

On account of having to meet the York Rural School Board promptly at 12-30 old central standard time it was thought best to adjourn the meeting for dinner.A motion to this effect carried.

After Dinner Session

On account of this session dealing wholly with the York Rural School Affairs it is deemed best to record the minutes in red so that the affairs of said school district may be easily examined if necessary.

The meeting was called to order by the President, Mr. Howard. All the members were present as recorded in the forenoon session.

The chair announced the object of the meeting and requested that all present that were directly interested should make it known at once.

Concluded on page 119.

The following of the York Rural School-Board were present: Dr. C. L. Thompson; L. T. Storms; E. A. Erwin; N. J. Cahill; N. S. Barnett.

"To make a long story short"- the real object of the above mentinned men in meeting with the County Board of Education was to ask for the return of all the school affairs of the York Rural School District.

It is needless to state that considerable time was wasted in debating the matter both for and against the proposition. A sample of the action of one of the members of the York Rural School-District will be sufficient to illustrate the point. The sample follows:

December 15th, 1924.

County Board of Union County:-

Accept my resignation from the York School-Board to take effect at once.

Nye S. Barnett.

Moved by Mr. Hamilton and Seconded by Mr. Wiley that Mr.Barnett's resignation be tabled for future consideration.

The motion carried by all the members voting yes.

After hearing matters discussed from all angles the County Board decided unanimously look after the school affairs of the York Rural School-District until financial matters are in better shape than at present. The chair appointed Mr. Hamilton and Mr. Reed. However, it was suggested that without further comment Mr. Howard be included as it would be necessary for him to sign the vouchers. Mr. Howard consented to go.

As there seemed to be no further business to look after a motion to adjourn carried.

Cone Howard .....Pres. J. A. Yealey .....Clerk.

Marysville, Ohio,
January 17th, 1925.

Regular yearly meeting of the County Boar of Education for the purpose of electing a president and vice-president.

The president called the meeting to order promptly at 9-30 a. m. The roll-call found all the members present but Mr. Wiley who reported by telephone that he had machine trouble and could not be present before noon. However, as the meeting was to adjourn for the day at the noon hour the clerk so reported to Mr. Wiley to save him the extra drive.

The chair called the attention of the members to the main object of the meeting, which resulted in Mr. Hamilton making a motion that Mr. Howard be again elected as president and that Mr. Reed be also re-elected vice president. Mr. Sidle seconded the motion. Vote: Hamilton,Yea; Sidle,Yea; Reed,Yea; Howard,Nay.

Mr. Hamilton made a motion that the County Board go on record that all regular meetings be held on the third Wednesday commencing at 9-30 a. m. old central standard time, in the months of March, May, July, September and November. This motion was seconded by Mr. Sidle. It carried by all voting Yea.

The reading of the minutes of the December 15th, meeting were read by the clerk with extra care on account of the same being more or less complicated. Mr. Hamilton made a motion which was seconded by Mr. Sidle that the minutes be approved. The motion carried by all members voting yea.

The bills of the County Board of Education were taken up at this time and recorded in brief as follows:

Union County Board of Education Dr. to

A motion to hold a One-Day Teachers' Institute was made by Mr. Hamilton. This motion was seconded by Mr. Reed. Vote: Howard,yea; Reed,yea; Sidle,yea; Hamilton,yea. The motion Carried.

The clerk informed the County Board that his attention had been called to the fact that in the transfer of the Jacob J. Emrich farm from the York School District to the Washington School District the farm was not legally transferred on account of the land not being contuguous as required by law. The clerk was instructed that if this be the case to hold up any further action in the matter till a later date.

It was suggested that Mr. Yealey call Mr. Wiley's attention to the Emrich Transfer case.

Mr. Yealey called the Board's attention to another Transfer of Lands that no doubt will come up at a later date. The parties live in the South-West part of the Chuckery Special School District and want to be transferred to Pike Township, Madison County, for school purposes.

On accounty of having to move the County Superintendent's Office to the Basement Floor it was thought best to purchase a few extra chairs to be used in case of special meetings.

Mr. Reed made a motion which was seconded by Mr. Sidle that Mr.Yealey be authorized to purchase one dozen folding chairs for the office at once if needed. Otherwise to wait for further instruction if he does not think the folding chair proposition just what is needed.

DEPARTMENT OF EDUCATION

Vernon Riegel
Superintendent of Public Instruction December 15th, 1925.
Director of Education,

Mr. J. A. Yealey,
Clerk, County Board of Education,

My dear Mr. Yealey:-

Upon examination of original application filed by the board of education of the Liberty Rural School District, Union County, Ohio, and upon a careful survey of school conditions existing in said district, it has been found that the local funds available for maintenance during the year 1924-1925 are insufficient to keep the schools in said district in operation for the period of eight months, as required by law, unless said Liberty Rural School District receives financial benefits from the three-additional levy and from the state educational equalization fund. The Union County Board of Education, therefore, is hereby directed as provided for in Section 7596-1, General Code of Ohio, to cause to be levied on said Liberty Rural School District an additional school levy of three mills for and during the 1924 taxation year, said levy to become operative with the December collection of taxes.

Yours Very Truly,
Vernon M. Riegel,
Director of Education.

Marysville, Ohio,
January 29th,1926.

The meeting was called to order by the President, Mr. Howard, at one O'clock. The roll-call found Howard, Sidle, Hamilton and Reed present.

The minutes of the January 16th, meeting were read and approved.

Main object of the meeting:

This meeting was called by the President for the purpose of giving immediate attention to the following letter from the Director of Education.

State of Ohio
Department of Education, Columbus, Jan. 25th, 1926.

Vernon M. Riegel, Director of Education.

Union County Board of Education,
Marysville, Ohio.

Gentlemen:-

You are directed to levy 3 mills additional taxes on the property of York Township School District, Union County, Ohio, in accordance with the provisions of Section 7596-1 of the G. C.

Very truly yours,
Vernon M. Riegel.

Moved by Mr. Hamilton and Seconded by Mr. Howard that the above directions be complied with and that our Auditor, Mr. Lemmuel P. Sherman, be ordered to place the 3 mill additional levy against the property of the York Rural School District. Vote: Hamilton, yea; Howard, yea; Reed, yea; Sidle, yea. The motion carried.

The bills were next read by the clerk:

Union County Board of Education Dr. to J. A. Yealey for stamps furnished as per receipts.....$5.77

American Book Company for books for County Normal...$7.37

Diehl Office Equipment Company for 1 Mimeograph...$138.50

Diehl Office Equipment Company for Supplies..... 10.02

Total.....$151.46

Moved by Mr. Reed that the bills be paid. This motion received a Second by Mr. Hamilton. Vote: Reed, yea; Hamilton, yea; Howard, yea; Sidle, yea. Carried.

The committee appointed at the last meeting to purchase a New Mimeograph made a report through Mr. Reed as chairman of the Committee. The report seemed to be perfectly satisfactory as indicated by the motion to pay the bills without question. However, the Board overlooked the fact that the report should be accepted and the Committee discharged. Nevertheless, the Committee feels proud of the fact that a fine Mimeograph

is now the property of the County Superintendent of Schools; and furtheremore that the machine cost the Board but $138.00 in cash. The old machine was turned in at $15.00. The Diehl Office Equipment Company gave the County Board a box of supplies worth really $16.50. Taking into consideration the gift of this box of supplies and the fact that the Mimeograph was delivered without charges the Committee feels that we have a bargain to say the least.

Union County Normal Affairs:

The State Department of Education decided to discontinue the Union County Normal at Richwood. As most of the equipment was joint property it was necessary to devide the same in a just manner. The State requested, Mr. Yealey, to join representatives from the State Office in dividing the property. It was decided that as the Richwood School Board had furnished practically all the furniture that everything along this line be left for use of the Richwood Schools. Also such books as may be agreed upon by the County School-Board and Supt. W. E. Beeman.The books in question are what was left by the State's Representatives. The Victrola, Scales, Paper Cutter, Encyclopedia, and many books and other smaller articles were taken to Columbus. The Picture Machine purchased last year was also one of the main things taken by the State Department. However, the piano was given to the County Board with the understanding that Supt. Yealey sell the same and the proceeds used in paying for certain office equipment.

Clerk Yealey reported to the Board that he sold the Piano for $50.00 to be delivered. E. H. Holycross delivered the Piano for $6.00. Money for Piano to the County Board from Mrs. Gertrude Gray.

It might not be out of place to state here that the State re-imbursed the County Board for the Piano by giving voucher No.18813. This voucher covered $50.00,-price of the Piano and some other minor expenses. The above adjustment was agreed upon as the County Board had really a just claim for this amount which settled everything satisfactory to all concerned.

A letter addressed to the President of the County Board of Education from the Darby Rural School Board, signed by the clerk of said board, was read in open meeting in presence of all the County Board Members. Several of the other members of the delegation added weight to the argument for such a library. L.Bruce Cahill, Supt. of the Broadway Schools, projected two Film Strips to illustrate what the delegation had in mind. Concluded on the next page.

A letter from Mrs. Lizzie D. Potts of Peoria, Ohio, Route 1 was read to the board. This letter was an application for the position of Attendance Officer for the County School System. The letter was given due consideration. However, as Mrs. Fox has been giving entire satisfaction it was thought best to retain her.

Frank and Ralph White of Jackson Township who have been especially interested in trying to arrange transportation for a number of Fourth Year Pupils to the Richwood High School were present and were given a chance to talk to the Board concerning the matter.

Mr. C. O. Wiley, who, at the request of the President of the County Board of Education, attended a meeting of the Jackson Rural Board of Education at a recent meeting, gave his views in the matter also.

As this case had been discussed for sometime before this meeting it was pretty thoroughly understood by the members of the County Board of Education so that a motion was in order.

It was moved by Mr. Reed and seconded by Mr. Sidle that if it meets the approval of the State Department of Education that the Jackson Rural School Board be ordered to furnish transportation for all Fourth Year Pupils from the Jackson Rural School District to the Richwood High School and return. The bus to leave and return - Essex School Building. Reed, yes; Wiley, yes; Sidle, yes; Howard, yes; Curry, yes.

At the request of the County Board of Education the County Supt. of Schools was asked to take this case up for final approval with the State Department of Education.

Paragraph from a letter dated June 6th, 1930 and signed by C. D. Hutchins, Assistant Auditor to the State Department of Education.

"We are willing to approve the transportation expenses of the fourth year of high school students of Jackson Township who wish to attend Richwood High School for next year."

The County Board of Education feels that it is the duty of the Jackson Rural School Board and the Supt. of the High School of this district to try to accomidate a Miss Barker who seems to feel that she is not able to get the work she desires in the third year at Essex. In other words, the case will have to be taken care of by the local school board. However, the County Superintendent should advise in this matter. Which he has agreed to do.

The County Board of Education decided to grant the requests of a number of the School Heads that committees be apointed to give considerations to the changing of text books in spelling and primary reading.

Moved by Mr. Sidle and seconded by Mr. Curry that the County Superintendent be empowered to appoint a committee each to recommend a suitable text in spelling and in reading . Howard, yes; Reed, yes; Sidle, yes; Curry, yes; Wiley.

The Board went on record requesting the County Superintendent to coach a suitable letter to all School Heads requesting them to cooperate in keeping all basic texts in the grades uniform. This, it seems, is only right and proper and should meet the approval of all school people concerned.

Moved by Mr. Sidle and seconded by Mr. Reed that the County Board of Education recommend for use in all the schools of the County School System the "Zaner-Bloser Hand Writing Copy Books." This recommendation to take effect this coming school year and continue for a period of Five Years. Reed, yes; Howard, yes; Wiley, yes; Sidle, yes; Curry, yes.

It was suggested that Mr. Yealey remind the County Board of Commissioners that the time is fast passing and that it will soon be time to commence school again and that the re-decorating of the office ought to be done before September.

While there were no special comments it seemed to meet the approval of all members for the County Superintendent to go ahead as usual in arranging for the following: grade cards, grade card envelopes, official directory, office supplies, &c. &c.

The meeting adjourned at 11-45 A. M. with the understanding that when the committe on text-books was ready to report a called meeting would be in order.

As there was no further business to transact a motion to adjourn to meet at a special called meeting if necessary carried.

C. C. Wiley ..... Pres. ..... J. A. Healy ..... Clerk.

Marysville, Ohio,
August 10th, 1932.

This meeting was called by the President, Mr. Cone Howard, for the purpose of giving further consideration to the petitions presented at the July meeting requesting certain lands in the Jerome Special School District to be transferred to the Delaware County School District,and certain lands in the in the Allen Rural and the Liberty Rural School Districts to be transferred to the Logan County School District; also to take up such other business as may happen to come up that might need looking after before the next regular meeting.

On accounty of the number of people that were gathering in the office it was thought best by the members present to call the meeting to order since there was a quorum present. The Vice President took the chair. The meeting was called to order promptly at 9-30 A. M. The roll call found the following members present: Wiley, Sidle, and Curry. However, in a very short time Mr. Howard and Mr. Reed reported. Mr. Wiley vacated the chair. The rest of the session was conducted by the President, Mr. Howard.

The minutes of the regular meeting held in July were read and approved.

It was thought best to order any necessary office supplies at this time for the coming school year; so the board instructed the County Superintendent to use his good judgment with reference to this matter.

Moved by Mr. Reed and Seconded by Mr. Curry that Mr. Yealey be re-imbursed for stamps as per receipts $2.50, and to pay Post Master for stamps for future use $5.00. Vote; Howard, yes; Reed, yes; Wiley, yes; Sidle, yes; Curry, yes.

T. Della Yealey...$5.00

X With reference to the J. M. Fox transfer of lands from the Taylor Rural School District to The Liberty Rural School District it was suggested that this request be presented to the County Board of Education by petition with map attached.

The following gentlemen interested in the transfer of lands from the Liberty and Allen School Districts to the Logan County School District were present: Mr. R. M. Slaughter, East Liberty, Ohio, and Mr. J. W. Denny, 316 East Sandusky Street, Bellefontaine, Ohio. Both men were given time to speak .

Supt. L. Bruce Cahill was present and spoke in the interest of the Liberty Rural School District. Supt. Cahill registered his objections to making a transfer at this time since the hauler had already been hired to take care of all pupils in this part of the school district.

Mr. L. W. Rees, a representative of the State Department of Education, was present and made some very helpful suggestions in matter.

Prosecuting Attorney, Gwynn Sanders, was also present and after examening the petition reported that it was not properly drawn up - in other words - defective in several respects.

A motion was made by Mr. Curry which was seconded by Mr. Reed that the petition be tabled indefinitely. The motion carried as the vote indicates: Howard, yes; Reed, yes; Wiley, yes; Sidle, yes; Curry, yes.

Following the voting down of the petition it was agreed by all concerned that the matter could be adjusted through the State Dept. of Education. This was brought about through the suggestion of Mr. L. W. Rees. The matter was placed in the hands of Supt. Yealey for any further steps to complete the suggestions that will make the plans complete.

The next thing in order were the new petitions presented by those directly interested in transfers from the Jerome Special School District to the Delaware County School District. These petitions were gotten up in proper form, as requested by the County Board at its last meeting. However, so many factors entered into granting this transfer at this time that the County Board deemed it wise to table the petitions in order to investigate further such of the factors that might work a hardship on the territory not included in the transfer, or otherwise.

Concluded on next page-189.

Minutes carried over from page 188. See page 188.

Quite a number of the citizens of the Jerome Special School District were present. Those for and agains the transfer were about equally divided. Conspicuous among those that were in favor of the transfer were the following: County Superintendent H. T. Main of Delaware; Prosecuting Attorney, Winston Hill, of Delaware; G. E. Freshwater, Powell, Ohio, R. 1. It was not known to the Clerk of the County Board of Education that the Prosecuting Attorney of Delaware County was acting as Attorney for the petitioners. The Attorney did not introduce himself as far as the Clerk knows. Furthermore, none of the citizens that he represented made known his mission. In fact, the Clerk thought he was just one of their number.

Those that spoke agains the transfer were Grover Cosgray, Percy Hill, and others.

As there were so many factors to consider at this time in granting such a request it was thought best for all concerned to postpone the matter for further consideration.

The following resolution concluded further argument:

Be it resolved by the County Board of Education that we request our Prosecuting Attorney, Gwynn Sanders, to check the names on the petitions, and to give careful consideration to the many other factors that have entered into the granting of this petition at this time.

Moved by Mr. Reed and Seconded by Mr. Wiley that this resolution be adopted. Vote: Reed, yes; Wiley, yes; Sidle, yes; Howard, yes; Curry, yes.

As there was no further business to transact a motion to adjourn carried.

Dear Mr. Reed:- As we assembled in our regular meeting this morning we learned that your dear father had passed away. I was instructed by the members of the county board of education to express to you and the family their sincere sympathy in your time of sorrow. Not many of us are privileged to enjoy the companionship of a father as long as you have yours. Yet, we feel that the added years only cement the ties of love the more. You have, therefore, no doubt, a greater anguish in his passing. Yet, we hope that you will find solace in the fact that you have been a dutiful son and were worthy of such a fine example as he set. It is our earnest desire that you will find comfort in that unseen Power that never forsakes us at a time such as this.

With best wishes and an assurance of our sincere sympathy, we are,

Sincerely yours,
County Board of Education,

Now comes S. L. At the present time Jackson Township is centralized and the school bus comes to our aforesaid farm for the purpose of transporting pupils to the Essex school, while it is a long walk for a six year old boy to the Claiborne district school.

We therefore petition your homorable body to transfer this territory back to Jackson Township-Essex School. This farm being the only one in this territory in the Claibourne school district, or teritory.
