Dec 19th, 1919. Find error in overruling the motion for new trial on the ground that the verdict is not sustained by any evidence and is therefore contrary to Law. The uncontroverted proof shows plaintiff to have been the actual owner of the machine at the time of its alleged purchase by defendant, and there is no fact tending to establish estoppel. Registration of the car in Altman's name was not such conduct as tends to prove estoppel of plaintiff. Sections 6293, et seq., General Code. Judgment reversed at costs of defendant in error Remanded for execution a new trial and further proceedings according to law. Exceptions saved.
