April 2nd 1880 writ returned and filed under the following writ:
 The State of Ohio, Union County, ss. In obedience to the command of the Order of Sale hereto annexed, I did, on the 9th day of March 1880, summon George S. Baldwin, Leonidas Turner and Alf Scott three disinterested freeholders of said county, who were by me duly sworn to view and appraise the lands and tenements therein described; and afterward on the 9th day of March A. D. 1880, said appraisers returned to me, under their hands and seals, that they did, upon actual view of the premises, estimate and appraise the real value in money of the same at Seventeen hundred (1700) dollars. A certified copy of said appraisal I forthwith deposited in the office of the Clerk of the Court of Common Pleas of said County. And on the 10th day of March 1880, I caused to be advertised in the Marysville Tribune (a newspaper printed and published and of general circulation in Union County) said lands and tenements to be sold at public sale, at the door of the Court House of said County, on the 10th day of April A. D. 1880, at one o'clock P. M. of said day. And having advertised the said lands and tenements for more than thirty days previous to the day of sale to wit; five consecutive weeks; and in pursuance to said notice, I did, on said 10th day of April A. D. 1880, at the time and place above mentioned, proceed to offer said lands and tenements at public sale, at the door of said Court House, and then and there came John Rausch who bid for the same the sum of Eleven hundred and Thirty four dollars, and said sum being more than two thirds of the appraised value thereof; and said John Rausch being the highest and best bidder thereof, I then and there publicly sold and struck off said lands and tenements to him for said sum of Eleven hundred and Thirty four (1134) dollars.
