April, 28th, 1903, Writ of Partition returned and filed and endorsed:-

Sheriff's Return.

As commanded by the foregoing Writ of Partition, I have executed the same by the oaths of George Metzger, Marshall Elliott, and William Styer causing said partition to be made, as will appear by the report of the Commissioners herewith returned,

Given under my hand this 28th day of April, A. D. 1903.

Sheriff's Fees: \$4.32  
Commissioners' " \$3.00.

S. J. Buruham, Sheriff  
By Allen Haines, Deputy.

Commissioners' Report.

According to the demand of the Writ of Partition in this case issued, and on the call of the Sheriff of said County, we, the undersigned Commissioners, after being first duly sworn and upon actual view of the premises, do make partition as follows:-

To the said Plaintiff Perry H. Hood, the one seventh part thereof in the southeast corner thereof, including all lying between his land and the gravel road, on the south of it and enough more on the east of that and his said land to make the full one seventh part.

To the defendant, Robert Hood the one seventh part thereof out of the southwest corner thereof and lying adjacent to and on the West of the portion herein assigned to Perry H. Hood.

To the defendant, Joseph Hood, the one seventh part thereof out of the northeast corner thereof.

To the defendant, John Hood, the one seventh part thereof out of the northwest corner thereof.

To the defendants, Walter Hood, Curtis Hood, Myrtle Hood, and Howard Hood Thompson, minor heirs of Albert Hood, deceased, the one seventh part thereof lying between the portions just assigned to Joseph Hood and John Hood. It is intended by us that said three portions shall include the full width of said lands hereby partitioned, and that they shall extend equal distance South to a line parallel with the dirt road forming their Northern boundary.

To the defendants, Archie Hood, Frank Hood, Ernest Hood, and Curtis Hood Taylor, the one seventh part thereof lying adjacent to and on the south of the three portions last mentioned and extending the full width from East to West of said lands hereby partitioned.

To the defendants, Ella Mulvain Mohr, Ella Mulvain Stultz, Minnie Hilcox and Maud Mulvain the one seventh part thereof lying between the portions last assigned on the North of it and the portions hereby assigned to Robert Hood and Perry H. Hood, and land owned by the latter on the South of it.

Having assigned the portions to Perry H. Hood and Joseph Hood next to lands owned by them respectively and permitted Robert Hood to choose the location of his portion, as this writ directs, we consider the division herein made a fair and equitable one. The advantage that the two long middle portions have of fronting upon the main pike is about equally offset by the two Northwest portions being probably a little better land and of more desirable shape.

Given under our hands this 28th day of April, A. D. 1903.

Commissioners' Report.

According to the command of the Writ of Partition hereto annexed, and on call of the Sheriff of said County, we, the undersigned Commissioners, after being first duly sworn, and upon actual view of the premises in said writ described do assign to the said Catherine Price as her life estate in the undivided one third of said premises the following:- Fifty-three acres described as follows:- Beginning at a stake in the center of the Bowman Road and the N.E. corner to Ophelia Barnes' land; thence with the center of said road N. 80° E. 36 2/100 poles to an iron pin; thence N. 10° W. 120 3/100 poles to a stake; thence S. 80° W. 136 2/100 poles to a stake in the West line of Survey No. 9943; thence with the West line of said Survey S. 10° E. 46 7/100 poles to a stone N.W. corner to Ophelia Barnes' land; thence with the North line of said land N. 80° E. 99 1/100 poles to a stone; thence with the East line of said land S. 10° E. 80 2/100 poles to the beginning, containing 53 acres more or less.

And upon actual view of the premises, we are of opinion that the 145 4/100 acres of said described premises exclusive of the 53 a. assigned to Catherine Price cannot be divided according to the demand of the writ without manifest injury to value thereof, and we do estimate the value of the whole of said described tract of 198 4/100 acres free from said life estate at \$66.00 per acre, \$11910.00; and the 145 4/100 acres, exclusive of the 53 a. assigned to Catherine Price at \$50.00 per acre \$7275.00.
