Dear Sir

Your abstract
of votes given at the election on the 10th
inst. shows that 177 votes were given for
Lance Welsh and 177 for Gustav Bruahl
for Treasurer of State in Washington
Township. The vote given for Welsh
being about 100 below the number
received by the other candidates
on the same ticket I thought it
might have been an error in
copying from township returns.
Please have the returns examined
