State of Ohio Union Co ss. At an inquisition of three disinterested freeholders residents of said County to-wit A. J. Blake, John Lancaster & D. F. Parsons, before me J. J. Miller Sheriff of said County by W. H. Houck Deputy on the 11th day of September 1877 being by said Sheriff to assign and set off to J. W. McCracken a homestead by meter and bounds not exceeding \$1000. in value out of the property of the said J. W. McCracken heretofore levied upon by said Sheriff under and by virtue of certain Executions issued out of the Court of Common Pleas of said County of Union Aug 2nd 1877 wherein Rogers, Duck & Lewis & Wagner & Foreney were plaintiffs and said J. W. McCracken was defendant to-wit part of In Lot no 211 & In Lot no 212 in Poppleton addition to the town of Richwood in said County, also In Lot no 571 in M. W. In obedience to the Command of the order of Sale hereto annexed, I did, on the 3^d day of March 1877 summon C. S. Argo, S. J. Sterling and D. H. Henderson three citizens and freeholders of said County, who were by me duly sworn to view and appraise the lands and tenements therein described; and afterward, on the 3^d day of March A. D. 1877, said Appraisers returned to me, under their hands and seals, that they did upon actual view of the premises, estimate and appraise the real value in money of the same at \$550.00. A certified copy of said appraisal I forthwith deposited in the office of the Clerk of the Court of Common Pleas of said County.

And on the 21st day of March 1877, I caused to be advertised in the Marysville Tribune (a newspaper printed and published and of general circulation in Union County) said lands and tenements to be sold at Public Sale, at the door of the Court house of said County, on the 25th day of April A. D. 1877, at one o'clock P. M. of said day. And having advertised the said lands and tenements for more than 30 days previous to the day of Sale, to-wit 5 consecutive weeks, and in pursuance to said notice, I did, on said 25th day of April A. D. 1877, at the time and place above mentioned, proceed to offer said lands and tenements at Public Sale at the door of said Court house, and then and there came Joseph Newlove who bid for the same the sum of \$367.00 and said sum being more than two-thirds of the appraised value thereof; and said Joseph Newlove, being the highest and best bidder thereof; and said Joseph I then and there publicly sold and struck off said lands and tenements to him for said sum of

Money 9^m 1877, Order returned and filed. Enclosed -
 The State of Ohio Union County ss. In obedience to the command of the order of sale hereto annexed, I did, on the 22^d day of March 1877, summon W. J. Woods D. P. Marriott and M. W. Hill, three disinterested freeholders of said County, who were by me duly sworn to view and appraise the lands and tenements therein described; and afterward, on the 22^d day of March A. D. 1877, said appraisers returned to me, under their hands and seals, that they did, upon actual view of the premises, estimate and appraise the real value in money of the same at forty eight and 5/100 dollars per acre. A certified copy of said appraisal I forthwith deposited in the office of the Clerk of the Court of Common Pleas of said County. And on the 27^m day of March 1877, I caused to be advertised in the Marysville Tribune (a newspaper printed and published and of general circulation in Union County) said lands and tenements to be sold at public sale at the door of the Court of said County, on the 28th day of April A. D. 1877, at one o'clock P. M. of said day. And having advertised the said lands and tenements for more than thirty days previous to the day of sale, to-wit: five consecutive weeks; and in pursuance to said notice, I did, on said 28th day of April A. D. 1877, at the time and place above mentioned, proceed to offer said lands and tenements at public sale, at the door of said Court House, and then and there came J. C. Beardesley, who bid for the same the sum of thirty two and 3/4th dollars, and said sum being at the time supposed to be two-thirds of the appraised value thereof; and said J. C. Beardesley being the highest and best bidder thereof, I then and there publicly sold and struck off said lands and tenements to him for said sum of thirty-two and 3/4th dollars. Sept 21st 1877- Order returned & Filed Endorsed.

The State of Ohio Union County SS.

In obedience to the Command of the order of Sale hereto annexed, I did, on the 4th day of June 1877. Summon W. S. Baxter, John Mitchell and Alf Scott three disinterested freeholders of said County, who were by me duly sworn to view and appraise the lands and tenements therein described; and afterward, on the 4th day of June AD 1877, said Appraisers returned to me under their hands and seals, that they did, upon actual view of the premises, estimate and appraise the real value in money of the same at \$2566⁰⁰. A certified copy of said appraisal I forthwith deposited in the office of the Clerk of the Court of Common Pleas of said County. And on the 6th day of June 1877. I caused to be advertised in the Marysville Tribune (a newspaper printed and published and of general circulation in Union County) said lands and tenements to be sold at public sale, at the door of the Court House of said County, on the 7th day of July A. D. 1877. at one O'clock P. M. of said day. And having advertised the said lands and tenements for more than thirty days previous to the day of sale, to-wit: Five consecutive weeks and in pursuance to said notice, I did, on said 7th day of July A. D. 1877 at the time and place above mentioned, proceed to offer said lands and tenements at public sale, at the door of said Court House, and then and there came William Weber who bid for the same the sum of Seventeen Hundred and Eleven Dollars (\$1711.00) and said sum being more than two-thirds of the appraised value thereof; and said William Weber being the highest and best bidder thereof, I then and there publicly sold and struck off said said lands and tenements to him for said sum of \$1711⁰⁰

Aug 9th (writ returned ^{and} filed enclosed as follows to wit. The State of Ohio
Union County S. S.) I received this writ on this 11th day of June 1878 and
pursuant to the command thereof I did on the 14th day of June 1878 summons
William M. Dick James Mills and Peter Staley three disinterested freeholders
residents of said county who being duly sworn to appraise said real estate
made return and say upon actual view of said premises forthwith after
such view that the premises above described are of the value in money of
first described tract or parcel (33) thirty three dollars per acre The second
described tract or parcel (32) thirty two dollars per acre A copy of said app-
raisal I forthwith deposited in the clerks office of said Union County and on
the 26th day of June 1878 by agreement of the parties at interest I caused
the first described tract or parcel to be advertised in the Marysville Tribune
(a newspaper printed and published and of general circulation in Union
County) to be sold at the door of the Court House of said county on the 27th
day of July 1878 at or about one o'clock P. M. of said day and at the time
and place above mentioned I offered said premises at public auction
and hereby return not sold for want of bidders and finding by careful and diligent
search of the records of deeds and mortgages in the recorder's office of Union County Ohio
that the within described real estate is mortgaged for so large an amount (said mortgage
being prior to this execution) that it is doubtful whether the money can be made
out of the same to satisfy this execution and also finding by said records that William
H. Storms principal debtor in this case has ten acres of land in his own name which
is neither mortgaged nor levied upon I did on the 27th day of June 1878 levy this writ on
said ten acres bounded and described as follows. Situated in the County of Union State
of Ohio and Township of York Beginning at a Survey N. E. Corner to survey No 5290
and standing in the Fairville Tract line thence with the original E line of survey
No 5290 and the original West line of survey No 5289 37 poles to the corner N. W. corner
to J. C. Sobys land thence E with said Sobys north line far enough so that a line
running north parallel with the west line of said survey No 5289 and extending to
the Greenville Tract line will include ten acres thence with said tract line west
ward to the beginning containing ten acres more or less and on said 27th day of June
1878 I summoned Enos Cahill N. M. Baldwin and Robert Hicks three disinterested
freeholders of said County who were by me duly sworn to view and appraise the lands and
tenements therein described and afterwards on 27th day of June A. D. 1878 said appraisers
returned to me under their hands and seals that they did upon actual view of the
premises estimate and appraise the real value in money of the same at \$ 250⁰⁰
A certified copy of said appraisal I forthwith deposited in the office of the Clerk
of the Court of Common Pleas of said County and on the 3rd day of July 1878 I
caused to be advertised in the Marysville Tribune (a newspaper printed and
of general circulation in Union County) said lands and tenements to be sold at

February 10th 1878 Airt Ret^d Filed Eec^dorsed:

State of Ohio Union County, S.S.

In obedience to the command of the Order of Sale made aforesaid, I did on the 2nd day of December, 1878, Summon John R. Hul, A. C. Low and N. C. Jones three disinterested freeholders of said county, who were by me duly sworn to view and appraise the land and tenements therein described, and afterwards on the 2nd day of December A. D. 1878, said appraisers returned to me, under their hands and seals, that they did, upon actual view of the premises, estimate and appraise the real value in money of the same at Two Thousand (2000) dollars. A certified copy of said appraisal I forthwith deposited in the office of the Clerk of the Court of Common Pleas of said County. And on the second day of January, 1878, I caused to be advertised in the Mansville Tribune, a newspaper printed and published and of general circulation in Union County, said lands and tenements to be sold at the public sale, at the door of the Court House of said County on the 9th day of Feb. A. D. 1878 at One O'clock P. M. of said day. And having advertised the lands and tenements for more than thirty days previous to the day of sale to wit: five consecutive weeks, and in pursuance to said notice I did on said 9th day of Feb. A. D. 1878 at the time and place above mentioned, proceed to offer said lands and tenements at public sale, at the door of said Court House, and then and there came W. J. Woods who bid for the same the sum of Thirteen Hundred and fifty dollars (\$1350) and said sum being more (than) two thirds of the appraised value thereof, and said W. J. Woods being the highest bidder thereof I then and there publicly sold and struck off said lands and tenements to him for said sum of Thirteen Hundred and fifty (\$1350) dollars.

 Feb 6th 1882 vendi returned & filed endorsed. The State of Ohio Union County ss.
 Received this writ the 8th day of December A. D. 1882 and on the 8th day of December 1882
 I called on inquest of John Cramer W. H. Lyons John Leonard three disinterested
 freeholders residents of the county and caused the within described real estate to be appraised
 on their oaths; they on the same day returned to me an estimate of the value thereof
 (to-wit: \$5000⁰⁰) under their hands and seals, a copy of which I forthwith deposited with
 the clerk of the within named court. Thereupon I caused public notice of the time
 and place of sale of said real estate to be given for more than thirty days before the day of
 sale by advertisement in the Marysville Tribune a newspaper printed in said Union
 County. Said property was not sold by reason of an injunction having been drawn
