MEETING MINUTES

July 14, 2026

The Union County Airport Authority held its regularly scheduled monthly meeting on Tuesday, July 14, 2026. This meeting was held at the Union County Airport, 760 Clymer Road, Marysville, Ohio and was called to order at 4:00 pm by President Steve Koenig. Members present were Mr. Bruce Rausch, Mr. Bob Chapman, Mr. Ken Denman, and Mr. Philip LaPointe. Guests present were Mr. David Gotschall, Mr. Dave Wall (Teams), Mr. Chris Brown (Teams), and Mr. Alex Kon (Teams) of Woolpert, Mr. Shaun Bailey with Union County Commissioners, Mr. Dave Holden of SkyVista (Teams), Mr. Chris Ward who has an interest in being a board member, Mr. Kyle Meddles with Marysville Journal Tribune, and Ms. Karen Pilkenton who has an interest in the airport.

Mr. Denman motioned to accept the June minutes as presented. Mr. LaPointe second. Motion passed. Mr. LaPointe motioned to accept the $47,042.61 in funds needed for the July bills to date including up to $500 for Porta-johns. Mr. Chapman second. Motion passed.

Mr. Koenig presented Mr. Shaun Bailey's resignation as a Airport Authority Board member effective July 10. With Mr. Bailey's resignation, there is an open seat on the board. The Union County Commissioners wish to appoint a new board member on October 4th at their monthly meeting. Mr. Ward passed out resumes as he wishes to be considered as a board member. His family has an airplane on the field and he is very involved in aviation. Ms. Pilkenton also spoke and wishes to be considered for the open board position. She is a volunteer at CMH and also applied for the Airport Director position when it was an open position. Mr. Koenig said there is a Freedom Fly-in on Saturday, July 18 and expects it to be a well attended event. The AOBF is August 21-22 and they are still figuring out parking as half of it was taken up by new buildings. Touch a truck is being finalized for Sunday, September 13.

Mr. Holden presented that Josh Leach provided an estimate to fix hangar doors. The Board asks for a more specific explanation of what the estimate covers. There is some corrosion in the SVH and Silco looked at it. ODOT completed their triannual inspection and had good remarks. Mr. Holden also mentioned with Hagedorn being out of the SVH, there is plenty of room and try to entice someone to fill the open space. Eubanks still needs to come out and fill in a hole by the 1st set of T-Hangars. Mr. Holden will get a sign to put at the gate to say no trucks over 2 ton can enter.

Mr. Gotschall reported from Woolpert (see attached).

Mr. Rausch motioned to adjourn the meeting at 4:47 pm. Mr. Chapman second. Motion passed. The next meeting will be on Tuesday, August 11, 2026 at 4:00pm (EDT).

Respectfully Submitted,
