Sheriff's Office Update, Josh Kent:

- An on-duty deputy hit a deer. The deputy is fine, but the cruiser is in bad shape. They are currently waiting on an estimate for repairs.
- Commissioner Robinson asked where this occurred, and Deputy Kent stated it was on Myers Road.
- On June 23, there will be a new deputy and dispatcher starting. The deputy is transferring from Bellefontaine with prior experience.
- One deputy resigned last week. They had been struggling with training and were not where they needed to be to be alone on the road.
- The new training officer, Adam Haycock, has started.
- There are deputy interviews on June 16. Two of the interviewees are laterals with prior experience and one is fresh out of the academy.
- The K-9 officer has been selected. He is very excited, and the office thinks he will excel in this position.
- The office met with the fair board last week. It has been decided that there will be less deputies on duty for the fair this year. With no alcohol being sold this year and fair attendance being down, it was in the best interest to scale back on the number of deputies on duty during the fair. Starting this year, sergeants will oversee deputies patrolling the fair instead of lieutenants.
- On June 30, there will be dispatcher interviews. There have been three applicants so far.
- There are corporal interviews on June 26. There will be outside law enforcement officers coming in to sit in these interviews. They include officers from State Highway Patrol, City of Marysville, Plain City and Hardin County. This is done to have someone with an unbiased opinion on the interview panel.
- Dispatcher supervisor promotional ceremonies will be on June 17 at 3:30 p.m. in the Commissioners Hearing Room.
- Sheriff Justice stated the office is moving forward with the collective bargaining agreement. He has talked to Commissioner Robinson and Mr. Narducci about this.

Mike Justice and Josh Kent left at this time.

Title XX Biennial Profile

Summary

Union County Human Services Title XX Profile for Federal Fiscal Years (FFY) 2026 and 2027 needs Commissioner approval by 6/13/2025.

Background

The Social Services Block Grant (SSBG) is a federally funded program authorized under Title XX of the Social Security Act. SSBG provides funding to states for a wide range of social services, particularly for vulnerable populations like children, older adults, and families. It is considered a flexible funding stream, which allows states to target specific needs in their communities.

Ohio allocates four grants to Human Services to utilize:

- Adult Protective Services
- Social Services Operating
- Title XX Federal Social Services (Title XX Base)
- Title XX Temporary Assistance for Needy Families (TANF) Transfer (Title XX Transfer)

Every biennium, Union County Human Services (UCHS) is responsible for the completion of the annual Title XX County Profile to comply with the statutory requirements of Ohio Department of Job and Family Services (ODJFS), which administers the funds.

Discussion

The Title XX County Profile indicates how UCHS intends to spend the Title XX allocation during the Federal fiscal year. The county profile plan includes person/service/activity counts and total dollars expected to be spent by category. Some line items have a person/service/activity count, but not a dollar amount. This is due to these services being funded by other funding sources, not the SSBG/Title XX funding.

When the Title XX Profile Plan is developed, the future allocations are not known. The state guidance recommends using the current year's fund allocations and person/service totals. For Federal Fiscal year 2025, the total SSBG allocation is \$427,814 and are designated as follows:

- Adult Protective Services - \$93,084
- Social Services Operating - \$14,528
- Title XX Transfer - \$215,080
- Title XX Base - \$105,122

Note: Federal Fiscal Year is October 1 – September 30

UNION COUNTY COMMISSIONERS JOURNAL 2025

June 11, 2025

Adult protective services funding is used to subsidize senior services payroll expense. Drug testing expense of \$30,000 is earmarked in the Title XX base allocation. The remaining funding is used to pay for staff payroll in Children Services through the certification of funds process. This reduces the usage of local funding.

Article XXVIII. SUBCONTRACTING AND DELEGATION

The performance of any duty, responsibility or function which is the obligation of the Provider under this Agreement may be delegated or subcontracted to any agent or subcontractor of Provider if Provider has obtained the prior written consent of the Agency for that delegation subcontract. Provider is responsible for ensuring that the duties, responsibilities or functions so delegated or subcontracted are performed in accordance with the provisions and standards of this Agreement, and the actions and omissions of any such agent or subcontractor shall be deemed to be the actions and omissions of Provider for purposes of this Agreement.

If any portion of the Deliverables are deemed not to be a "work made for hire", or if there are any rights in the Deliverables not so conveyed to the Agency, then Provider agrees to, and by executing this Agreement hereby does, assign to the Agency all worldwide rights, title, and interest in and to the Deliverables. The Agency acknowledges that its sole ownership of the Deliverables under this Agreement does not affect Provider's right to use general concepts, algorithms, programming techniques, methodologies, or technology that have been developed by Provider prior to this Agreement or that are generally known and available. Any Deliverable provided or produced by Provider under this Agreement or with funds hereunder, including any documents, data, photographs and negatives, electronic reports/records, or other media, are the property of the Agency, which has an unrestricted right to reproduce, distribute, modify, maintain, and use the Deliverables. Provider shall not obtain copyright, patent, or other proprietary protection for the Deliverables. Provider shall not include in any Deliverable any copyrighted material, unless the copyright owner gives prior written approval for the Agency and Provider to use such copyrighted material. Provider agrees that all Deliverables will be made freely available to the general public unless the Agency determines that, pursuant to state or federal law, such materials are confidential or otherwise exempt from disclosure.

Article XXX. SEVERABILITY

If any term of this Agreement or its application thereof to any person or circumstance shall to any extent be held invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby. * County Administrator William Narducci provided the following updates:

- He received a notification from the Army Corps of Engineer regarding a public notice about some activity in North Folk Indian Run in Jerome Township. The link provided did not work, but he will report back to the Board with any updates on this.
- He and Commissioner McCarthy met with the City of Marysville to talk about the Asset Purchase Agreement. This was originally signed in 2005 by the county and the city about selling water and sewer assets down Industrial Parkway into Jerome Township. This agreement sets rate structures for unincorporated residents and businesses for service. There was a lot of discussion regarding rate structure and surcharges for unincorporated residents and businesses. Traditionally, there has been a surcharge placed on tap fees for sewer. They also talked about the retirement of the debt that required the surcharge. Currently, the City of Marysville is not designated as the sole utility provider in Union County. With new development and other utility providers, Marysville wants to strategically expand their boundaries. There will be some draft modifications and those will be presented to the Board before any action is taken on this. If approved, this will be the fourth amendment to the Asset Purchase Agreement.
- Commissioner McCarthy stated the meeting was cordial and it was a productive conversation.
- There was a phone call Monday morning regarding House Bill 335. CCAO is actively working to provide updates on this and other potential changes in legislature. These changes can be very disruptive if they are approved.

Tony Turowski, Hannah Salem, Matthew McGuire, Jeff Stauch, Jessica Cain, Josh Holtschulte, and Luke Sutton arrived at this time.

Community Perception Cons:

- Physical growth limited due to development
- Concern the fair is losing its "distinctiveness"
- Concern investments in the Junior Fair have been declining
- Focus on re-establishing trust in leadership due to past management issues

Community Perception Pros:

- Many multi generation families involved and dedicated to the fair
- Opportunities to utilize fair grounds for non-fair activities

Richwood Independent Fair

Community Perception Cons:

- Non-fair programming limited due to costs

Community Perception Pros:

- The fair has a strong sense of community
- Led by multiple generations of families
- The fair is financially strong
- Leadership of fair has plans for improvements

Common Themes

The Junior Fair is crucial to both fairs

Both fairs supported by dedicated families, some over several generations

Geographical divide- SR 347 seemed to be a division between the southern and northern parts of the county

Concerns over combining the fair into 1 include potential loss of unique qualities of the individual fairs, the SR 347 line, and the financial investment it would take.

Conclusions

Engaging Local Communities

Building Relationships

- Strong relationships with local businesses create a supportive environment that benefits fairs and events.

Community Involvement

- Encouraging community involvement leads to greater local attendance and participation in fairs, enhancing their success.

Enhancing Local Attendance

- Fostering loyalty through local engagement enhances attendance and overall success of fairs.

Conclusions

- Given the development and growth in Marysville, it seems likely the Union County Fair will have to do something in the future
- It would take several years of advanced planning to combine the 2 fairs into 1
- The Richwood Fair has the acreage to be able to support the combination of the 2 fairs
 - Is the location too far North?

We would love to hear your thoughts??
