UNION COUNTY COMMISSIONERS JOURNAL 2026

January 28, 2026

Economic Development Update – Eric Phillips, Director/Economic Development:

- Mr. Phillips thanked the media for getting the Economic Development Strategy Community Survey out to the public. There were 1700 responses, and many of those were positive. Roughly 67% of people who took the survey felt Union County is a positive place to live, and 82% were planning to stay in the county long term. Other positive responses include the low crime rate, the short commute to Columbus, parks, and access to quality healthcare. The weaknesses recognized from the survey include housing availability and affordability, community leadership, transportation and general instruction, and retail amenities.
- Commissioner McCarthy asked how these results will be used, and Mr. Phillips stated these responses will help with the recommendations of the new incentive policy.
- Mr. Phillips stated a wide range of community members participated in this survey and a final report will be shared with the public once all the data has been fully reviewed.

MEMORANDUM

DATE: January 29, 2026
TO: County Commissioners, Executives, and Staff
FROM: State Public Defender Elizabeth Miller
RE: Indigent Defense Cost Projection Report

To better inform indigent defense funding in future budgets, in the FY26-FY27 budget bill, House Bill 96, lawmakers enacted Section 371.20. This provision requires each county, through its county commission, to submit a biannual indigent defense cost projection report to the OPD by July 31, 2026. This report must contain data on the most current projected costs of the indigent defense services in the county for the next two upcoming State Fiscal Years (FY 2027 and FY 2028 – July 1, 2026 - June 30, 2028).

After HB 96 was signed into law, the OPD advised stakeholders of this provision and our plan to support and facilitate the submission of the reports ([July 2025 memo](#)). Since that time, the OPD has worked with stakeholders to develop the following electronic report which may be filled out and submitted through this [link](#) or by utilizing the QR code found here:

The OPD respectfully requests each county commission to complete and submit the form by July 1, 2026, which will allow OPD time to review all responses and to confer with counties on any questions before preparing this information for the General Assembly. If you have any questions or need technical assistance, please reach out to the OPD via email (outreach@opd.ohio.gov) or via phone (614.466.5394). Thank you in advance for your assistance as we work together to support Ohio's indigent defense system.
