Step 1: Create an OpenGov Account

All users will need an account to access the Union County OpenGov Permitting site.

- Start by opening <https://unioncountyooh.viewpointcloud.com/>.
- Next, click the "Sign Up" option in the top right corner of OpenGov.
- Next, click the "Sign up using Secure Portal" button and enter your email address and a secure password. *Please note: all passwords must be at least eight characters and contain an upper case letter, lower case letter, and number.*
- Finally, click "Sign Up" to create an account.

Step 2: Submit an Application

Submitting an application online has never been easier!

- Review the available departments in the "Discover Online Services" section of the Storefront. Click the tile or "explore" to open the Department.
- Review the list of available permits/licenses for the Department. Click "Select" to open the application.
- Review the information about the permit/license you are applying for. When you are ready to begin the application, select "Apply Online."
- Complete the questions and upload any relevant attachments. You can save your application as a draft, if needed.
- When finished, select "confirm and submit" to begin the review process by the City.
- ALL PLAN APPROVALS FOR BUILDING PERMITS STILL REQUIRE HARD COPIES OF BUILDING PLANS
