November 7, 2022

## Notification of Upcoming Union County Pavement Resurfacing on County Road 133 and County Road 165

The Union County Engineer and the Ohio Department of Transportation (ODOT) are planning a future resurfacing project that proposes to improve the overall safety of the traveling public by milling, paving, and striping the Northwest Parkway (CR-133) from just east of Cradler-Turner Rd. (CR-141) to the Honda Parkway (CR165) and continuing along the Honda Parkway to Smokey Rd. (CR-166) in the townships of Allen and Paris, Union County Ohio.

A map of the project location is included.

No additional right-of-way acquisition is anticipated with this project. There will be temporary impacts to traffic throughout construction. No road closures are expected. Construction is anticipated to begin Spring of 2023.

Any questions or comments may be directed to Steve Beros at the Union County Engineer's office (233 West Sixth Street, Marysville, OH 43040), via email at [sberos@unioncountyohio.gov](mailto:sberos@unioncountyohio.gov), or by phone at (937) 645-3126. Please include "PID 108536" in the subject line for organizational purposes.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 14, 2020, and executed by FHWA and ODOT.
