LANSON B. HARVEY
SURVEYOR AND CIVIL ENGINEER
MARYSVILLE, OHIO

June 14, 1913.

To the Auditor of Union County, and to whom it may concern:-

I hereby certify that after making an extensive search of the records of the Mill Race property, tracing it back to the original owners I find from a careful survey the quantities and acreages of the same are as follows:-

That part laying to the south of the Anna Connor lands and including the old Mill Bond site as shown in the deed to her is three and one half ($3 \frac{1}{2}$) acres.

That the part laying to the south of the Catharine Connor tract as shown in the deed to James Connor is one (1) acre.

That the part laying to the south of Chas T. Richards lands and extending to the Lots of the Village of Milford Center is three fourths ($\frac{3}{4}$) acres.

That the part laying to the south of Eunice B. Moores lands and deeded to her is four tenths ($\frac{4}{10}$) acres .

I further find that Mr. Brugler has the following tracts remaining laying west of the Big 4 R.R. and extending from the town lots to Big Darby creek 2.50 acres; laying to the east of the Big 4 R.R. and extending from the town lots and the Erb property to the said creek 2.40 acres; the lot on which the mill now stands is $\frac{25}{100}$ acres.

159
The difference between the totals of the above tracts and the amount called for in the Brugler deed is situated between said Race and Big Darby creek on the lands of said Catharine Connor and Anna Connor

or the Michael Connor Hrs, and is included in the deeds made to them at the time of the partitioning of the Reed estate in the year 1867 (See also Deed Record Vol.30 P.591 etc.)

This tract was included in the original grant of the Mill Race and its accessories. (See County Surveyors Records Vol. 1 P.17)

In acreage it equals the shortage in the Bruglar land and should be deducted therefrom and not added to the Connor lands as it is already included in their acreages.

Respectfully submitted,

Lanson B. Harvey

R. M. DITTEY, CHAIRMAN
F. E. MUNN, VICE CHAIRMAN
CHR. PABST,

THE
TAX COMMISSION OF OHIO
COLUMBUS

SUBJECT

July 17, 1912.

Hon. Charles A. Morelock,
Auditor Union County,
Marysville, Ohio.

Sir:

The Commission is enclosing herewith a copy of its Journal entry fixing the value of the real estate in the village of Milford Center.

You will please note that the values fixed are as of the date of the quadrennial appraisement, and any new structures or improvements reported by the assessor for 1911 and 1912 should be added, and any destroyed buildings reported by the assessor in these years should be deducted from the values fixed by the Commission.

You are directed to correct your records and duplicates in accordance with this finding of the Commission.

Very respectfully,

THE TAX COMMISSION OF OHIO
By

M. C. Williamson

Secretary.

ABP.
Encl.

July 17, 1912.

Mr. Pabst submitted the following order and moved its adoption:

In the Matter of the Assessment of the Real Property in the Village of Milford Center, Union County, Ohio, on complaint of W. H. Wills, et al.

This day the Commission proceeded further to consider the applications of W. H. Wills, et al., for reductions in the assessment of real property in the village of Milford Center, Union County, Ohio, and having considered separately each lot or tract of land, with the improvements thereon, in the condition that the same was at the time of the quadrennial appraisement of real estate in said village, and having carefully considered all statements submitted and all other facts and information coming to its knowledge, and being fully advised in the premises, finds that the true value of each lot or tract of land, and the improvements thereon, was the amount set out in the following table, to-wit:

It is therefore ordered that the assessed value of each of said properties as the same appears on the duplicate of real property in Union County be changed to conform to this finding. The values of any new structures or improvements returned by the personal property assessor in the year 1911 and 1912 are to be added to the values as fixed hereinafter and the values of destroyed structures reported by said assessor in said years are to be deducted therefrom, and it is further ordered that the Auditor of Union County be advised of this action of the Commission and instructed to correct his records and duplicates accordingly.

The vote upon this motion resulted; ayes, three; nays, none, as follows:

Those voting in the affirmative were Mr. Dittey, Mr. Munn and Mr. Pabst.

I hereby certify the foregoing to be a true and correct copy of the order of The Tax Commission of Ohio, this day made, with respect to the above matter.

W. C. Killian

Secretary.
