*Note:*  
 The collection of taxes on this and other hills was enjoined in 1881 but the injunction was dissolved in 1882, but the Prosecuting Attorney advised that penalty could not be collected but simple interest <sup>on deferred taxes</sup> should be paid.  
 By order of Commissioners July 25 1892 the Auditor was instructed to compute simple interest on the unpaid taxes of said roads and charge same on duplicate as total delinquent taxes on said roads

*Note.*  
 In paying for the bridges on this road, \$400 that should have been paid from the bridge fund, was paid from the Kendall Road fund. This was included in the last assessment - As the December payment paid out the road, the June Assessment is cancelled -

Office of  
Auditor Union County.

Chas. W. Smith,  
Betsy Kanawalt,  
Thomas Parish, } Commissioners.

Sam A. Hudson, Auditor.

Marysville, Pa.  
Feb. 14, 1893.

To the tax payers on the  
Mitchell and North Darby Road:-

A mistake occurred in issuing the orders to pay the contractor for that road in 1889 as follows:-  
Sept. 2nd, 1889, Mr. A. S. Mowry, Engineer of the improvement, drew a certificate for pay for \$200 to Mr. Philip Rausch, the contractor in accordance with the terms of the contract and to which Mr. Rausch was entitled. This certificate was presented to my predecessor in office and he issued an order on the treasurer for the same, but charged the amount to the INFIRMARY ROAD instead of the the MITCHELL and NORTH DARBY ROAD. Mr. Rausch did not get any more money than he was entitled to, but it was charged to the wrong road.

This shows the real cost of the M. & N. D. Road to have been \$200 more than it appeared to be and more than was assessed this year for the last installment; therefore, we add this \$200 to the June Payment in proportion to the estimated assessment. It is 10 1/3 per cent. of the original assessment and will increase the June payment just that percent, or about five times the amount of the December payment.

I am very sorry that this mistake has occurred, but those assessed will not suffer from it, as they will not have to pay any more, but will only have a longer time to pay the same amount in.

I have thought best to explain this matter at length and trust same will be satisfactory.

Yours respectfully,  
Sam A. Hudson,  
County Auditor.
