The amount opposite each date shows amount of Assessment for the year or balance of year.

Dealers beginning business after May 25, 1936, must, on the date of commencement, pay the full amount of the assessment for the balance of the Cigarette Assessment year.

*Dealers beginning business after March 12, 1937, must, under the law, pay $5.00 Tax for balance of Cigarette Assessment Year.

County Auditors are requested to use this table for the year commencing May 25, 1936.

PLEASE READ AND FOLLOW CAREFULLY

The amount opposite each date shows amount of Assessment for the year or balance of year.

Dealers beginning business after May 22, 1939, must, on the date of commencement, pay the full amount of the assessment for the balance of the Cigarette Assessment year.

*Dealers beginning business after March 8, 1940, must, under the law, pay $5.00 Tax for balance of Cigarette Assessment Year.

County Auditors are requested to use this table for the year commencing May 22, 1939.

On settlement papers (additions) please enter the date the business of trafficking by the dealer was actually commenced—not the date upon which the business relating thereto may have been transacted by the County Auditor.

After settlement papers are prepared, please compare the dates and amounts added with this table and see that same are correct and avoid the returning of settlement for corrections.

FOR WHOLESALERS TAKE FOUR TIMES ABOVE AMOUNTS.

JOSEPH T. FERGUSON, Auditor of State.

The amount opposite each date shows amount of Assessment for the year or balance of year.

Dealers beginning business after May 27, 1940, must, on the date of commencement, pay the full amount of the assessment for the balance of the Cigarette Assessment year.

*Dealers beginning business after March 14, 1941, must, under the law, pay $5.00 Tax for balance of Cigarette Assessment Year.

County Auditors are requested to use this table for the year commencing May 27, 1940.
