Members Rausch, Outland, and Thompson were present.

Also present at this meeting was Mr. Clifton Caryl, local attorney, who on behalf of one Morley Baker of Magnetic Springs, permit holder, filed protests to the petitions of the electors of Magnetic Springs, one for election on question of the sale of beer by holders of "C" or "D" permits, the other for local option election.

The protests filed were based on alleged non-conformance to Section 6064-31 and Section 6212-62 of the Ohio Code: i.e; That the petitioners did not in either the above petitions designate Magnetic Springs as a municipality, but as a precinct.

Upon motion by Outland, second by Thompson, the protest was moved allowed, but before the matter could be brought to vote of the board, advice from the Prosecuting Attorney was presented to the board, and both the motion and the second, were withdrawn.

Thereupon Thompson moved, and Outland seconded that the petitions be taken to the Secretary of State for a ruling. The petitions were then placed in the hands of the Prosecuting Attorney for such action.

All other petitions on hand were examined and certified as to their sufficiency by the board.
