This cause came on to be heard on this 22nd day of June on the claim of the defendant that the money attached herein is exempt under the laws of the State of Ohio for the reason that the same is personal earnings of the defendant, and said defendant, together with his attorney appearing, and the Court having heard the evidence and the arguments of counsel, and being fully advised in the premises, finds that said money attached herein is not the personal earnings of said defendant and is not, therefore, exempt from the proceedings in attachment herein. It is further ordered that the garnishee pay said money into Court forthwith.

D. D. Hershberger, Plaintiff D. E. Landon. Defendant In the case money due to Landon for operation of a school bus, hauling pupils to and from school, has been attached. Is this personal earnings of Landon and thus subject to the provisions of the Ohio law relating to exemption? Unless it is personal earnings it is not exempt. Landon owns and operates his own bus, furnishing and paying for the upkeep of the bus. The School Board pays him a lump sum which covers these expenses and repays him for his services. The general rule is a follows: "Where a debtors income is derived from a business involving other elements of gain than his personal services and the amount due him for labor cannot be distinguished from the rest, no part of such income is exempt as personal earnings." 25 C. J. Page 69. "Money due to a subcontractor under a contract involving the use of labor and materials in connection with a construction job is not money due for personal services." In this case the defendant contracted to do mason work, furnishing materials and hiring some additional labor. Garretson Lumber Co. vs. Zienke 11 Abstract 273. That the average earning capacity of a man with a truck on the road was between \$10 and \$12 per day; that the customary wage for a truck driver was about \$2.50 per day so that after deducting a reasonable wage for the driver of the truck the balance of the earnings would have been derived from the use of the truck and such earnings are not exempt as the personal earnings of the debtor. Wineblood vs. Payne 263 Page 669. In this case the evidence shows the amount due the defendant claiming the exemption consists of money, a part of which was for the personal labor and service of the defendant, another part was for the earnings of a truck, and another part for the expense of operating a truck. This money was held not to be exempt as personal earnings. In this case the debtor delivered gasoline and oil using his truck and being paid two cents (2¢) per gallon. Patton Package Co. vs. Houser 136 So. Page 353. Earnings from an ice business in which two carts and several men are employed are not personal earnings. 41 N. Y. S. 273. Money from conduction of a saloon is not personal earnings. 47 N. Y. S. 402. Money from operation of hotel is not personal earnings. 49 P. 56. Bale of cotton, not acquired by a married woman independent of community interest, is not her personal earnings. 5 S. W. 2nd. 753. Where a man milks and cares for cows and hauls the milk to market, the money received therefrom is not personal earnings. 231 F. 255. Man ran iron-working shop, using machinery and employing helpers, Proceeds from this are not personal earnings. 158 N. Y. S. 1090. Many of these cases state the general rule as follows; "Personal earnings do not include income from a business involving other elements of gain than his personal services, such as employment of capital or assets." 288P. 41 - C. County, Ohio

Justice of the Peace

June 22, 1938 This cause is set upfor hearing upon the question of William R. Cameron, Attorney

for Defendant as to whether the amount \$46.50 due the defendant for operating a school bus of the Board of Education of Taylor Township, whether that is due the defendant for work and labor or otherwise. Mr. Thrall, Attorney for the Plaintiff made the following statement and cided the following cause: Under Section 11738 of the General Code money paid to a man is not exempt from law but under the section 1175 of the General Code the personal earnings of a man is exempt or the question is whether the money is the personal earnings or whether he pay the upkeep of the bus or does the school board pay him which covers these expenses and repays him for his services. Mr. Thrall's full statement is attached.

Mr. Cameron, Attorney for the Defendant said the defendant was paid \$93.00 a month for hauling school children. He furnishes his own truck, gas and oil and repairs and the intent of the exempting is to provide for the better or for his family and that the necessities can not be taken from a debtor, He works 9 months at \$93.00 a month, making a total of \$837.00 for the 9 months for hauling school children. Bus hauling is his principal occupation. It takes 9 months out of a year and can not ingage in any other occupation. There is not much left when you take out the cost of gas and oil and the finanicing of the bus. It took two years to pay for the old bus. He now has to get a new bus which will take him three years to pay for it. He has the benifit of his bus only one year without having to finance it. In-

sureance is \$45.00. Durning the 9 months he could not do anything but drive the bus. In case of drivers they are not men who are engaged in contracts who have earned there money by personal services. They do not figure on profiting. They figure on furnishing their earnings.

In any event you have to draw a line some place. Where are you going to draw a line? One Ohio case is a man on contraction work. It is a case involving a lien for personal services and they hold the aid by the use of the articles of the property and it would be as the case here where the man furnishes his own work, labor aided by the use of articles of his own property. There was another case in Montana of Dayton against Evert on Page 421 and the report agrees that such statute are immediatial, that these exemption statutes are to be strude liberaly by the Court. This case was interesting. It told about a gold miner and in this case it shows they regard exemption statute. They held exemption from personal earnings. There was another case f the Rickard Lumber Company against Charch, 98 Northwestern 739, a Michigan case, It involved the questin of labor and in that case money was due on a contract. Although the man had others to help him on the work the money due was exempt as for manual labor. This case s clearly where a man is employed to do a job and is paid for personal services that he

Be It Remembered, That on the 18 day of May ,1938, the said Plaintiff filed her Bill of Particulars herein, where-upon the following proceedings were had:

Said Bill of Particulars being in words and figures following, towit: Now comes the Plaintiff and says that during all of the times herein mentioned she was the owner of a certain 1936 Pontiac Coach and that on or about January 9, 1938 at 7:30 o'clock P. M. her husband, Russell Persinger, was operating said automobile with her consent and permission on what is known as State Route 4 at a point approximately one and one-half mile north of Milford Center, Ohio, that the car was being operated in a southerly direction and that said car was being operated in a lawful and careful manner when suddenly and without warning a 1936 Ford automobile being owned and operated by Gertude McDonald of Marysville, Ohio, collided with the care of this Plaintiff. Plaintiff says the accident was caused by the recklessness and carelessness of the Defendant in that she permitted her car to swing past the center of the high-way and strick the side of plaintiff's car, that Defendant's car was going in a northerly direction at a high rate of speed and just as said Ford automobile arrived at the point where Plaintiff's automobile was driving it swerved into the side of this Plaintiff's car striking it on the left side, and as a result of said collision and entirely the fault of Defendant this Plaintiff's automobile was damaged in the following manner to-wit: Left running board demolished, left door badly bent, left rear side of body was bent, back left fender torn and demolished, back bumper was torn off, and the left rear tire torn and competely destroyed. Plaintiff says that immediately before the accident her car was of the value of Five hundred and Fifty dollars (\$550.00) and that immediately after the accident and as a result of the Defendant's acts resulting in the collision the car was of the value of Four Hundred and Fifty-five Dollars (\$455.00).

Herefore, this Plaintiff prays for judgment in the sum of Ninety-five Dollars \$95.00) and her costs herein expendited.

M. with the 1936 Ford V8 Coupewhich was operated by defendant. Defendant admits that said collision occured in Union County, Ohio on State Route #4 and denies every other allegation in said Bill of Particulars which it contained.

By way of Cross-Petition defendant that she was sideswiped by 1936 Pontiac owned by Plaintiff and operated by her husband; that Plaintiffs car was operated in a careless and negligent manner; that defendant's car was almost to a complete stop with her right wheels off the paved portion of highway over on the berm; that the Plaintiff's car swurved from its right side of the highway, across the center and into the east side of Defendant's car; that defendant stopped but Plaintiff's car did not stop; that the collision was wholly and solely the result of the operation of Plaintiff's car and pray that Plaintiff's Bill be dismissed and and that defendant recover from the Plaintiff the sum of \$73.33 and costs.

May 28, 1938 On motion of the Defendant case continued to June 4, 1938 at 2 P. M.

June 4, 1938 Plaintiff ordered to pay an additional amount of the costs \$5.60. Plaintiff filed a precipe for witnesses to-wit: John Davis, Jack Harris and Betty Harris. Thereupon subpoena was issued for said witnesses.

June 4, 1938 2 P. M. Trial had. Iona Persinger, Russell Persinger, Betty Harris, Jack Harris, Ann Harris, John Davis were sworn and examined as witnesses for the Plaintiff, Gertrude McDonald and Elwood Keating were sworn and examined as witnesses for the Defendant and cause submitted without argument. Decision of magistrate withheld until June 6, 1938 10 A.M.

June 6, 1938 10 A. M. I do find upon the matters in difference, for the defendant for her costs if any. It is ordered that each party pay their own witnesses and that the Plaintiff pay into this court the sum of \$5.60 being the balance of the costs made by her and ordered secured before trial. There is no preponderance of the evidence to justify a judgment against either party for damages.

June 7, 1938 Received the within order and summons on the 4th day of June 1938. The Defendant is the owner of an interest in certain real estate in said County, now occupied by Riley J. Cole and Goldy E. Cole.

On the 4th day of June, 1938, I received an Order of Attachment issued by John H. Kinkade, in the action of Edgar C. Hunt against Riley J. Cole and Goldy E. Cole.

On the 7th day of June, 1938 I went to the place where the Defendant's property described in the annexed Inventory and Appraisement was found; and there at 4 o'clock P. M. in the presence and hearing of Floyd G. Hudson and John A. Nicol did declare that, by virtue of said order, I attached said property at the suit of Edgar C. Hunt and did then

and there attach it as in my hands subject to Mortage of the City Loan.

And then with Floyd G. Hudson and John A. Nicol two nouseholders of the County of Union, after administering to them on oath fruly to inventory and appraise said property made a true Inventory and Appraisement of said property, being all that was attached; and said Inventory and Appraisement, signed by me and said householders, is annexed and returned with this order.

Said Property now remains in my custody at H. I. Huffman's Garage No. 831 I also on the 4th day of June, 1938 served the Defendants with a true copy of the order and of the summons personally.

F. T. Mohler, Constable.

- June 11, 1938 10 A. M. The Plaintiff appeared. Defendants failed to appear at said time specified in the summons or for one hour thereafter but made default. Thereupon I do hereby render judgment by default in favor of the Plaintiff Edgar C. Hunt and against the Defendants Riley J. Cole and Goldy E. Cole, his wife for the sum of \$53.66 as claimed in the Bill of Particulars and \$1.68 interest, total \$55.16 and costs \$11.75.
- June 11, 1938 Issued Certificate of Judgment to the Common Pleas Court, Union County, Ohio for a lien upon land and tenemants and delivered the same to the Plaintiff's Attorney, Arthur W. Galloway. John Hait France

Upon the counterclaim filed by the defendant Earl Dennis of \$12.00 and interest which the defendant was due and owing to him and the plaintiff denied owing the same, claiming to have paid it in full. The preponderance of the testimoney upon the disputed counterclaim was decided upon the Plaintiff Carl Kreakbaum who was corroborated by witnesses and against the defendant Earl Dennis who was not corroborated by any witnesses. Therefore I do hereby render judgment in favor of the Plaintiff Carl Kreakbaum upon his claim of \$12.16, interestand costs and against the defendant Earl Dennis and against his counter-claim. Thereupon the defendant Earl Dennis gave notice of taking an appeal to the Common Pleas Court, Union County, Ohio. Bond for said appeal being fixed by the Justice for \$50.00

For Moving and Storage of Goods For Care of Animals to s. T. Mohler, Constable. Case set for March 3, 1939 2 00 at 10 A. M. rebruary 28, 1939 Constable's return shows that a true

copy of order and summons was sent to the defendants at their residence in Columbus. Also a copy was given to Cecil Trout with whom the attached property was left.

march 3, 1939 at 10 A. M. At the request of the Plaintiff's Attorney this cause was continued to March 18, 1939 at 10 P. M. to get service on the defendants by registered mail.

march 18, 1939 at 10 A. M. Case continued to March 25, 1939 at 1 r. M.

Township,

March 25, 1939 at 1 P. M. A cause of Kelly Rice against Guy M. Cox and Gladys N. Cox came on to be heard upon the Plaintiff's Bill of Particulars. The defendant had no written Counter-claim but his attorney stated orally the defendants' claim. The Plaintiff was represented, by R. C. Thrall and the defendants by William S. Hoopes of Hoopes, Sanders and Hoopes. The following witnesses were sworn and examined: for the Plaintiff: Kelly Rice and his wife Elizabeth Rice and B. E. Buxton; for the defendants Guy M. Cox, Gladys N. Cox and W. E. Munion. After the submission of the testimony of the witnesses the brief concise statements of the attorneys the cause was submitted to the magistrate.

The Court finds that the Plaintiff claims upon a written contract signed by both parties copy of which was filed as the Plaintiff's Exhibit No. 1 with the consent of the defendants' attorneys. Thereupon the Court, after due consideration of the testimony and written contract, finds that said parties entered into said written contract as stated in the Plaintiff's Bill of Particulars. The Court also finds that said written contract was fully complied with by both parties and a mutual settlement made accordingly. The plaintiff's claim for feed furnished by him \$13.65 although questioned by the defendants was not denied and is sustained by the testimony and therefore admitted. The defendants also raised a question as to the fact if the Plaintiff had fully paid his rent. This the defendant did not deny positively and the testimony shows that the Plaintiff has complied with the contract as to rent.

of the DeFendants \$13.65 feed bill. That all other claims made by the Plaintiff are denied because not sustained by preponderance of the evidence. Therefore the court orders and decrees that the Plaintiff recover of the defendant \$13.65 feed bill. The Court coming now to assess the costs in this cause orders and decrees that each party shall pay his own witnesses, none of them having been subpoenaed herein. The other costs herein \$16.80 the court finds that owing to the complications in this cause should properly be borne by each of the parties. The Court therefore orders and decrees that the said costs be equally assessed to both the plaintiff and the defendants, one-half each. \$8.40 to be paid by the Plaintiff and the other \$8.40 shall be paid by the defendant.

Judgment is therefore hereby rendered in favor of the Plaintiff and against the defendants for the feed bill \$13.65 and also \$8.40, One-half of the costs. Judgment is also rendered against the Plaintiff for \$8.40 one-half of the costs as ordered.

To which finding order and decree of the court specially reverance of the division of costs the plaintiff by his attorney then and there accepted.

No. of Miles

John W. Dailey Attorney for Plaintiff

WITNESSES

April 19, 1939 at 10 A. M. This cause came on to be

Township,

heard upon the testimony of the parties (no other witnesses) and the statements of the attorneys, John W. Dailey for the Plaintiff and William S. Hoopes for the Defendant.

The Court after due deliberation finds:

That the parties had several business transaction between them for the past eight or nine years.

Whereby the Plaintiff furnished labor and material for certain improvements upon the defendant's property.

That the sum of \$132.16 is the amount now claimed by the Plaintiff as due him from the defendant.

The Defendant denies anything due Plaintiff for grate (in chimney flue). Plaintiff admits this and estimates the value of the grate at \$24.00.

Defendant also denies any charge for sidewalks.

The Plaintiff claims the amount of their contract for chimney flues etc. was \$119.00 but that the same was changed to \$77.00, being \$42.00 less, without grate.

The defendant by way of counter-claim asks damages to his property in the sum of \$50.00 because Collins, the plaintiff, failed to build the chimney flues high enough above the roof thus causing the flue to smoke up the house and so damage paint, decorations etc. to the amount of \$50.00. This stands uncontrodicted.

The Court therefore finds that the Plaintiff's claim \$132.16 should be reduced by this counter-claim allowance \$50.00, leaving the balance still due the Plaintiff \$82.16. Judgment is therefore awarded to the Plaintiff from the Defendant for said sum of \$82.16 with interest at 6% from April 26, 1936, \$14.79 and costs \$6.90, total \$103.85. To which finding and Judgment the parties then and there excepted.

April 21, 1939 Received check from H. F. Mouser for \$103.85 in full of claim, interest and costs.

Township,

August 14, 1939 The Plaintiff's attorney R. C. Thrall filed an affidavit for Garnishment of McAuliffe Brothers. Issued order of Attachment , Summons, and Notice to Garnishee to F. T. Mohler, Constable. Hearing set for August 19, 1939 at 10 A. M.

August 15, 1939 Constable made return showing service of Order of Attachment, Summons and Notice to Carnishee upon the defendant Burl Hill by leaving copies at his usual place of residence with his wife and upon the Garnishee McAuliffe Brothers by leaving copies with the person in charge of their place of business.

August 19, 1939 Finding and Judgment of the Court. This cause coming on to be heard upon the examination of the Garnishee Ruth Ridgeway, bookkeeper of McAuliffe Brothers, whose examination was reduced to writing and sworn to, the defendant claiming as his exemptions

for personal service, to-wit: work and labor \$8.00 owing him by McAulifft Brothers. Plaintiff represented by R. C. Thrall, attorney claimed that the defendant was not entitled to an exemption as this was not a claim for personal service, work and labor only but an indebtedness upon a contract for hauling brick and stone with an automobile truck, gasoline, oil etc. including defendant's services also. The Court after due consideration finds that the Plaintiff's claim is a just and legal claim and that the defendant is not entitled to exemptions for work and labor. The Court therefore orders and decrees that the Garnishee McAuliffe Brothers shall pay into Court their indebtedness to the defendant Burl Hill and that Ruth Ridgeway as Carnishee is entitled to a fee of \$1.00 as Garnishee. This money is to be paid into Court as ordered and Ruth Ridgeway Garnishee shall receive \$1.00 as Garnishee fee. To which finding and order of the Court the defendant Burl Hill took exceptions.

RICHARD C. THRALL PROSECUTING ATTORNEY UNION COUNTY MARYSVILLE, OHIO

On August 19, 1939, in the case of Carl Kreakbaum vs. Burl Hill, Ruth Ridgeway, bookkeeper for McAuliffe Brothers, testified that Burl Hill had \$8.00 due from McAuliffe Brothers. Justice Kinkade made a finding that this money was not exempt and that it should be paid into Court by McAuliffe Brothers.

There is nothing on the docket to show that the money was paid in and Burl Hill claims to have talked to John McAuliffe and that John told him that no one had ever come for the money.

notice of the precise terms of said written agreement,

Township,

For the original of the same was sent to said Company with the letter dated May 30, 1940.

Eaving full notice of Plaintiff's and Lindley's agreement expressed in said telephone calls and correspondence Defendant did on or about December 15, 1939 send to Plaintiff its check in the amount of \$24.93, but several days thereafter stopped payment of said brook and refused to reissue the same payable to Plaintiff. Also, as evidence of the recognition by Defendant of Plaintiff's right to said milk checks Defendant mailed the milk report, showing sums due for milk received, to the Plaintiff rather than to said Lindley as Defendant had done previously.

Plaintiff contends that said agreements between Lindley and Plaintiff were an assignment of all of Lindley's interest in said milk checks; that Defendant had actual
knowledge of said assignment and had no legal right to give the checks-to said Lindley;
and that therefore, it be found that Defendant is indebted to Plaintiff as aforementioned, and that judgment be rendered against Defendant in the amount of \$38.34 as
prayed for.

| Defendant | and costs \$ | | | | |

Be It Remembered, That on the 27th day of February , 1943, the said Plaintiff filed his Bill of Particulars herein, whereupon the following proceedings were had:

Said Bill of Particulars being in words and figures following, towit:

Now comes the plaintiff and says that on or about November 15, 1942 he was driving his motor vehicle north on Main Street and was more than one-half way through the intersection of Main and Fourth Streets, when the defendant drove his car which he was operating into and against that of plaintiff and damaged the same to the extent of \$58.77. Said damage was caused by negligence of said defendant. Plaintiff, a war worker was also compelled to hire a car to take him to and from work at a cost of \$5.00.

Wherefore he prays judgement against said defendant in the sum of \$63.77 and costs.

(signed) Richard C. Thrall Attorney for Plaintiff.

Defendant is a minor living with his father Everett E. Detwiler.

February 27, 1943: Summons issued to Pearl M. Galloway, Constable, returnable on or before March 6, 1943, at 2:00 o'clock, P.M.

March 1st, 1943: Summons returned. Personal service by Constable on February 27, 1943, endorsed thereon.

March 4th, 1943: Hearing of cause postponed, at request of defendant and by agreement with plaintiff's counsel, to Monday, March 8th, 1943, at 7:30 o'clock, P.M.

March 8th, 1943: This day this cause came on for hearing, and it appearing to this court that both the plaintiff and the defendant herein are minors, that each of them are of age whereby they are entitled by law to select a next of friend and guardian ad litem respectively, but that each of them has failed and does fail to make such selection; the court hereby appoints William L. Coleman as next of friend for the Plaintiff, Fred McBride, which appointment the said William L. Coleman does accept, and orders him, the said William L. Coleman, substituted as party plaintiff; and the court hereby appoints William J. Porter as guardian ad litem for the defendant, William Detwiler, which appointment the said William J. Porter does accept and, for want of knowledge of the facts of this said cause, submits the interest of said minor defendant to this court to order as justice and the best interests of said defendant may require.

Whereupon said cause proceeded to hearing upon the evidence of plaintiff, and of defendant, and of Frank Gilbert, night officer of the village of Marysville, who was called by plaintiff as a witness, and after hearing the evidence herein, I, said Justice, took said cause under advisement

for decision and judgement.

VS

Joe Derio

I find judgement against Joe Derio in the amount of \$5.30 plus the costs of this case.

The \$5.30 when broken down is as follows: \$2.65 on the balance due on the 1941 baling bill which the defendant admitted he owed. \$2.65 difference in the price of the soy beans and the oats.

From the evidence adduced I find that there is nothing due on the 1942 baling bill as there was no contract made for such baling.
