Mr. W. H. Snodgrass Justice of the Peace Marysville, Ohio

> Re: Franklin R. Wright Vs: Alva G. Daniels, dba, Dwalmo Mfg. Company

Dear Mr. Snodgrass:

At the trial of the action in your Court yester-day against Alva G. Daniels, Mr. Daniels stated that he felt that he had paid his accounts to me in full both for legal services and for rent. After returning to Delaware I checked into the matter further on my records and also checked this morning on a suit for rent which I also had against him in the local Justice Court and find to my embarrassment Mr. Daniels has paid his account to me in full and therefore the case in your Court should not have been filed. The records which I had with me yesterday did not show this, but I found through looking back through our cash receipt book that Mr. Daniels paid for the legal services covered by our Bill of Particulars. It is requested, therefore, that you dismiss the judgment against Mr. Daniels, deduct the cost from my deposit made to you, and let me have a refund on the balance.

I am sending a copy of this letter to Mr. Daniels with my apology.

Very truly yours,

### May 17th, 1955

At the time set for hearing on this action, defendant and Plaintiff were both present in Court. The hearing proceded in order and the Defendant presented a contract which had been in effect, previous to the time when the Plaintiff purchased said property.

It was the opinion of the Court, was not of a nature as to justify the continued occupancy of the premises in question.

At this time, the Plaintiff made the following offer. He, the said Plaintiff, would pay the costs and suspend further action on condition that the defendant vacate said premises so that the Plaintiff could have possession of his property on the 10th day June 1955. The Defendant verbally accepted the terms as stated.

A judgment was rendered in favor of the P; aintiff and further action suspended, pending compliance with terms of agreement

#### ANSWER OF DEFENDANT

Now comes the Defendant and admits that he signed the checks described in the Bill of Particulars.

Defendant further says that the sole and only consideration for said checks was for money lost in a game of chance, or for money lent or advanced by said Lodge at the time of a game of chance for the purpose of being betted and wagered on said game of chance, Said game was conducted in the Todge Hall of the Plaintiff Lodge on the 14th day of March, 1954, by LeRoy C. Collins who at the time was a Trustee of the Plaintiff Lodge and who was acting as an agent and representative of said Lodge.

Defendant further denies each and every other allegation contained in the Bill of Particulars not herein admitted to be true.

Wherefore, Defendant prays that the complaint of the Plaintiff be dismissed and that the Defendant be awarded his costs herein expended.

Robert O. Hamilton Attorney for the Defendant.

STATE OF OHIO, COUNTY OF UNION, SS:

Before me, a Notary Public, appeared Ernest Haines who admowleded the checks and allegations made and contained in the foregoing answer to be true as he verily believes.

Ernest Haines

Robert O. Hamilton, Notary Public, State of Chio, Com. Exp. 9/13/57

Ravised Code Section 3763.01. (5965) Gaming Contracts Void.

### November 1st, 1955

This matter came on for hearing at 10:30 o'clock A. M. this date. Plaintiff was represented by Todd Hoopes, its Attorney and Holly Brake, an officer of the Lodge, and the Defendant was present in person with his attorney, Robert O. Hamilton.

Witnesses were sworn and the case proceeded in order, and after hearing testimony of witnesses and statements by attorneys, the Court rendered the following judgment.

That the Defendant had the right to repudiate the checks in question on the grounds that they had been given for payment of a gambling debt to LeRoy Collins, a Trustee of the Lodge, who had been operating a gambling device of his own in which the Lodge did not partiscitate, and that the checks were therefore a responsibility of the LeRoy Collins to the Lodge.

Judgment rendered in favor of Defendant and costs assessed against Plaintiff.

#### PETITION

Now comes E. W. Smallwood and for his Petition herein states that he and the defendant entered into a verbal contract whereby the defendant agreed to do certain alterations and repairs on the house of plaintiff located on Peoria Road, Union County, Ohio; said repairs were to consist among other thingsof raising house and putting in new foundation, pouring of concrete floor, erecting new chimney and other miscellaneous work; all work was by Mr. S. L. Williams guaranteed to be done in a workman-like and satisfactory manner.

Plaintiff further says the defendant left the job without completing the work and that the work performed on the house was unsatisfactory in the following particulars, to-wit: the floor of cement was graded high at the drain point and a new floor will have to be poured to provide drainage; the foundation has within several months after installation, cracked and much of it will have to be torn out and replaced; in raising the house a porch roof was torn away from house and will require at least two days labor to restore it to its original condition as at the time defendant damaged it; the foundation under the enclosed porch was not installed in a workman-like manner and will require additional labor and expense to correct the poor workmanship; the defendant, instead of performing the labor in a workman-like manner, did unsatisfactory and an unworkman-like job and plaintiff has been damaged in the amount of Two Hundred Ninety Dollars (\$290.00).

Plaintiff further says the defendant has repeatedly promised to return to the job and correct the faults and errors in the work but has to this date failed to comply with his promises and has failed to comply with his guarantee of satisfactory workmanship and construction, and that his contract to perform the aforesaid work has been breached and plaintiff is entitled to damages as aforesaid.

#### September 24th, 1957

Now comes plaintiff and moves the Gourt for a Nunc Pro Tunc Entry and a judgment against the defendant for the amount prayed for and represents to the Court that upon the trial date set, the defendant agreed he owed the amount prayed for and to pay the same in installments through his employer; that by error upon being told of such arrangement, the Court made an entry of dismissal rather than an entry of judgment.

It is further represented to the Court that the Court in accordance with defendants agreement, the defendant has paid on the amount of it until the only remaining balance as of this date is Thirty Two Dollars (\$32.00), plus costs.

Sanders & Grigsby Attorneys for Plaintiff.

This matter coming before the Court on Motion of plaintiff for Nunc Pro Tunc Entry, the Court finds judgment should have been entered for plaintiff against defendant for the amount prayed for; that said obligation has been reduced by payments of defendant to the dum of Thirty Two Dollars (\$32.00) plus costs.

It is therefore ordered that the entry of dismissal be vacated and judgment entered for the amount prayed for, plus costs, and that said judgment entry be noted that payment down to the balance of Thirty Two Dollars, (\$32.00), plus costs, has been made.
