of the Township of Paris, County of Union, State of Ohio.

I issued Warrant for the arrest of the within named Lila Sarver.

Return.

I have arrested the within named Lila Sarver, and have her now in court.

Signed M. Murphy, Constable.

The Defendant, Lila Sarver, was arraigned before me to answer to above complaint, and upon her plea of not guilty. I fixed her bond at \$1000.00 Dollars, and in default of bond, committed her to the jail of Union County, and fixed time for trial, Aug, 8th, 1928 at 2 o'clock, P.M.

On the day and date above written, this cause came on for hearing, the defendant appearing with her Atty John Daily, and the State represented by Union County Prosecutor Richard Thrall,

The following witnesses were heard for the State. Lawrence Sarver, Robert Asman and M. Murphy, after being duly sworn, also about 1 pt. 85% liquor, taken from defendant,

After testimony was heard from above witnesses, Atty, John Daily for defence, moved to dismiss, on grounds that the Court was interested, in fees, which motion was overruled by the court on the grounds that said motion should have been made before trial started, and could not be entertained at this time.

Lila Sarver being duly sworn testified for herself.

Arguments were heard from both Attys, I do therefore find the defendant guilty as above charged, and do sentence her to pay a fine of \$100.00 and the costs, herein taxed at \$11.35

and that she be imprisoned in the Womens Reformatory at Marysville Ohio, until fine and costs be paid, or secured to be paid, or the defendant is otherwise discharged according to law,

She is to receive a credit of \$1.50 per day for each days confinement.

The pint of liquor was ordered destroyed.

Defendant given 2 days in jail 300 and released on Bond for bal of fine and costs \$36.40 of this \$25.00 is added for Bond & release

A.F. Robinson J.P.

At page 13², docket One, of the court of Justice of the Peace, A.F. Robinson, now deceased, in the case of the State of Ohio vs. French Marks, we note the following journal entry:

" March 19, 1930. Defendant given 3 days in jail, \$3.00 and released on bond for balance of fines and costs \$36.40, of this \$3.55 is added for Bond & release."

Upon inquiry into this matter we find that the above judgment was satisfied by payment to Justice Robinson by a check, #233 issued by H.B. Seeley & Co, payable to French Marks, dated March 24, which check is endorsed by French Marks and A.F. Robinson and the banks clearing the same, and was exhibited to your examiner by Frank Collier who has the cancelled check in his possession. Mr. Collier also exhibited to your examiner a receipt signed by A.F. Robinson, J. of P. for said fine and costs.

FINDING: We therefore find that there is due from the estate of the said A.F. Robinson, the following:

To the general Fund of Union County, Ohio, the sum of \$20.90;
Being the amount of fine (\$25.00) less \$4.50 jail credit;

To George Singer, Constable the sum of \$5.40 his costs.

CONSTABLES
SPLITTING FEES:

In the course of our investigation of the above case, we discovered that J.B. Lingrel, former sheriff of Union County, appeared to have some interest in the fees of the constable as taxed in the costs in said case.

Further inquiry into the matter disclosed that in quite a number of cases shown on the dockets of the justices of the peace of Paris Township, J.B. Lingrel appears as the complainant, and the local constables served the warrant. It appeared to your examiner that in these cases there had been an understanding between the sheriff and constable that the sheriff and the constable share the fees earned between them.

When charged by your examiner with such collusion, they admitted that in some cases, Mr. Lingrel had used his automobile and was with the constable when the warrant was served, and that the constable gave Mr. Lingrel the mileage fees in such cases as compensation for the use of his conveyance.

A practice of this kind, particularly where the sheriff of the county is the complainant, is ~~unmistakable~~ such misconduct on the part of officials that they merit our most vigorous condemnation. In the cases referred to it has amounted to a scheme whereby official fees due the county have been diverted from their proper source, the county treasury, to the pocket of the sheriff.

We trust that in the future the Justice of the Peace be alert in regard to such schemes, and refuse to tax costs that may inure to the personal benefit of any officer not entitled to fees for their own personal use.
