(House Bill No. 424)

AN ACT

To amend section 13455-1 of the General Code, referring to delivery of convicts to penal or reformatory institutions.

Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That section 13455-1 of the General Code be amended to read as follows:

Sec. 13455-1. A person, sentenced for felony to the penitentiary or a reformatory, unless the execution thereof is suspended, shall be conveyed to the penitentiary or such reformatory, by the sheriff of the county in which the conviction was had within five days after such sentence, and delivered into the custody of the warden or superintendent of such institution, with a copy of such sentence *** *which shall clearly describe the offense and designate the section or sections of the General Code under which conviction was had, together with a copy of the indictment. It shall be the duty of the clerk of courts to furnish a copy of the sentence and indictment. In the case of a minor under the age of eighteen years which was certified to the court of common pleas by the juvenile court a copy of the certification shall be attached to the copy of the indictment.* *** Such convict shall be kept within such institution until the term of his imprisonment expires or he is pardoned or paroled, *or is transferred under laws permitting the transfer of prisoners.* If the execution of such sentence is suspended, and the judgment be thereafter affirmed, he shall be conveyed to the penitentiary or such reformatory within five days after the judge directs the execution of sentence, provided, however, that the trial judge or other judge of said court, may in his discretion and for good cause shown, extend the time of such conveyance.
