The State of Ohio } Common Pleas: Sept T. 1828
Union county ss. }

Alexander Reed and John Coolidge were
summoned to answer unto Anthony Walker of a plea of
breach of covenant: Whereupon the said plaintiff by John M
James his attorney complains that whereas, heretofore to wit on
the twenty fourth day of February in the year eighteen hundred
and twenty one at the county aforesaid, by a certain agreement
then and there made between the said plaintiff of the one
part and the said defendants of the other part, one part
of which agreement sealed with the seals of the said plaintiff and
the seals of the said defendants, the said plaintiff now brings here
into court, the date whereof is the day and year aforesaid,
the said plaintiff did bargain and sell unto the said defendants
a certain parcel of lands, with the appurtenances, particular-
ly mentioned and described in said agreement, situate in
the county aforesaid, the quantity of which land are to be
ascertained by actual survey: in consideration of which
the said defendants, did thereby for themselves, their heirs
and assigns, jointly and severally covenant promise and
agree to and with the said plaintiff, to pay him two Dollars
and twenty five cents per acre for each and every acre
contained in the said bargained premises, in manner
herefollowing towit:— One thousand dollars, lawful money
of the united States on or before the thirty first day of May
in the year eighteen hundred and twenty one,— and the residue
of the purchase money, in manner following towit: one fifth
in one year, one fifth in two years, one fifth in three years
one fifth in four years and one fifth in five years from

the date of said sealed agreement, and each of said payments
to bear interest from the day they should become due, if
not punctually paid; as by the said agreement, reference
being thereto had, will more fully and at large appear.
By virtue of which agreement so sealed as aforesaid the said defendants
entered into and upon all and singular the bargained
premises, and were possessed thereof. And although the
said plff. has always from the time of making said agree
ment so sealed as aforesaid hitherto well and truly performed
and kept all things in said agreement on his part to be
performed and kept, according effect and meaning of
the said agreement to wit at the county aforesaid. Yet protesting
that the said defendants have not performed and kept
any thing in the said agreement on their part and
behalf to be performed and kept, according to the effect
and meaning thereof the said plaintiff says that said
parcel of land contains in actual survey two thousand
four hundred and thirteen acres - and that the said
defendants justly owe him therefor at the rate agreed
on, that they have not, nor either of them paid to the
said plaintiff the said several sums, at the or any
part thereof as they respectively became due, or
at any time since, but that the same are still
in arrear and unpaid contrary to the intent,
and effect of the said agreement, and of the
said covenants of the said defendants by them
in that behalf made as aforesaid to wit at the county
aforesaid. to the damage of the said plaintiff seven

thousand dollars and therefore he brings his suit &c

The State of Ohio. Union County. In the Court of Common Pleas
of the term of September 1828.

Union County ss.

Vandever Reed was summoned to answer
unto Robert Reed, who is assignee of Amos St. Williams Esq
Sheriff of the said county of Union, according to the form of the
Statute in such case made and provided, of a plea of
debt, and Alexander Reed. against whom the Summons also
issued was returned not found by the said Sheriff. Whereupon
the said Robert Reed by his attorney John St James comes
and complains that whereas heretofore towit. on the 27th day
of May 1828. the said Robert sued out of the said court of common Pleas
against the said alexander, a capias ad respondendum directed
to the Sheriff of the said county of Union. which said writ com
manded the said Sheriff to take the said alexander if he should
be found in his bailiwick and him safely keep so that he
might have his body before the Judges of the said court, in the county
aforesaid on the first day of the term then next ensuing to answer unto
the said Robert of a plea of debt ——— and that the
Sheriff should then have there that writ. which said writ
afterwards and before the delivery thereof to the Sheriff of
said county of Union to be executed as hereinafter mention
ed on the ——— day of May in the year of our Lord one thousand eight
hundred and ——— for bail for ——— Dollars, according to the form of
the Statute in such case made and provided, and
which said writ so endorsed, afterwards and before the said
return thereof towit on the thirtieth day of May in the year
aforesaid towit at the county aforesaid. was delivered to the said

said Amos. A. Williams, who then and from thence, until and at and after the time of the arrest and the making of the writing obligatory hereinafter mentioned, was Sheriff of the said county of Union in due form of law to be executed. By virtue of which said writ the said Amos, so being Sheriff as aforesaid afterwards and before the return of said writ, to wit on the day and year last aforesaid and within his bailiwick as such Sheriff to wit at the county aforesaid, took and arrested the said Alexander by his body and then and there had and detained him in his custody, as such Sheriff at the suit of the said Robert for the cause aforesaid. And the said Alexander being so arrested and in custody of the said Amos, so being Sheriff as aforesaid by virtue of said writ at the suit of said Robert as aforesaid, the said Amos, afterward and before the said return of said writ, to wit on the day and year last aforesaid and within his bailiwick as such Sheriff to wit at the county aforesaid took bail for the appearance of the said Alexander at the return of the said writ according to the form of the statute in such case made and provided, and on that occasion the said Alexander & the said Vandover as bail and surety for the said Alexander then and there to wit on the day last aforesaid at the county aforesaid by their certain writing obligatory commonly called a Bail bond sealed with their seals and now shewn to the court here, the date whereof is the same day and year last aforesaid acknowledged themselves to be held and firmly bound to the said jointly and severally to the said Amos so being then Sheriff of the said county of Union as aforesaid as such Sheriff, by the name and description of Amos A. Williams Sheriff of the county of Union in the penal sum of

four hundred Dollars ~~pounds~~ ~~and~~ lawfull to be paid to the said Sheriff, with and under a certain condition thereunder written that if the said Alexander should appear before the Judges of the said court, at the court house in Marys ville on the first day of the term then next ensuing to answer unto such matters and things as should be brought against him by said Robert Reed, that then should obligation should be void, otherwise should be and remain in full force and vertue; as by the said writing obligatory and the condition thereof, reference being thereunto had will more fully and at large appear. And the said plff in fact saith that the said first day of the said term then next to ensue was the tenth day of september in the year aforesd and he in fact further saith that the said Alexander did not appear before the Judges of the said court at Marysville, on the first day of the term then next in the condition of the said writing obligatory mentioned according to the exigency of the said writ, but therein wholly failed and made default, whereby the said writing obligatory became forfeited. And the said plaintiff further saith that the said writing obligatory being so forfeited and the money therein specified remaining unpaid and unsatisfied to the said Sheriff, he the said Amos A Williams as being Sheriff as aforesd of the said county of Union as aforesd, afterwards to wit on the eleventh day of September in the year aforesd at the request & cost of the said Robert the plaintiff in said suit by an endorsement on the said writing obligatory duly made and attested in the presence of and attested by two credible witness and sealed with the Seal of office of Sheriff of said county

of Union signed the said writing obligatory to the said Robert, accord
ing to the form of the Statute in such case made and
provided. As by the said assignment indorsed on the same
writing obligatory as aforesaid and duly stamped, before the com
mencement of this suit according to the form of the Statute
in such case made and provided, and to the court now
here shewn the date whereof is the day and year last aforesaid
may more fully appear. By means whereof, and by force
of the Statute in such case made and provided, an action
has accrued to the said Robert, as assignee of the said
Amos A. so being Sheriff of the county of Union aforesaid to
demand and have of and from the said defendant the said
sum of four hundred Dollars. Yet the said defendant although
often requested so to do, hath not as yet paid the said sum of four
hundred Dollars, or any part thereof, to the said Amos A.
before the said assignment or to the said plaintiff, assignee
as aforesaid or either of them since the said assignment, but
has hitherto wholly refused and still does refuse to
pay the same or any part thereof to the said plff
assignee as aforesaid. To the damage of the said plff as assignee
as aforesaid four hundred Dollars and therefore he brings his
suit &c.

Union Com Pleas.

Geo. Reed: original proprietor
of Milford to vacate part
of Plat of said Town:
1 $

To the court of Common Pleas of the county of Union and State of Ohio:—

George Reed of said county respectfully shews to the court that he is the original proprietor of the town of milford in said county, as by the recorded Plat of said town will appear. and that in making the original plat of said town, the surveyor made an error therein. so that the same did not correspond with the ground actually laid off:— there being on the said plat one lot too many in the range of lots south of the reserve between Mill street and market street.— and a consequent error in the numbers of the lots thence west,— and an omission of two lots on the extreme west of the town:— that in the year eighteen hundred and twenty six, he caused the said town to be resurveyed by Levi Phelps the county surveyor of Union county, and an accurate plat thereof made as the said town was originally laid off, and as in fact it now is, which is here shown to the court, and by which the said variance will be manifest.— It is further shown to the court that sale of lots made by said Proprietor, was made according to the numbers on the plat of the said Levi Phelps and conveyances executed accordingly.— By the consent and wish of the owners of lots in said town, the said original proprietor wishes to vacate so much of the said recorded plat as lies between mill street and market street, and south of water street, and also to vacate the numbers of all the lots south of Water street and west of Market

street, town nos. 5-6-7-8-9-10-11-12-13-14: for the purpose of having so much of the plat corrected by a new record. accompanied by a proper designation and numbering of said lots:- And to this end the said Geo. Reed has given public notice of this application, by advertisement published in the Mad River Courant — a newspaper printed in the town of Urbana and of general circulation in said county for more than sixty days prior to this application, and also by notice in writing set up at the house of Nathaniel Kazar, the most public place in said town, and also at the door of the court house in Marysville, in said County,- the whole of which is accompanied by the consent of the owners of lots in said town to this application.

This day the 11 Sept 1829. Came John Garwood into court & makes oath that in the year 1816. he was employed by George Reed to lay out and survey the Town of Milford in this county, and that the same was laid off into lots and regularly marked and staked on the ground as designated in the plat now submitted to the court under the certificate of Levi Phelps. but by some mistake the original plat did not represent the ground truly. as the plat contained four lots opposite to and south of the Mill Reserve when but three were surveyed: and that he well knows that no interference with any mens property, or with the actual original surveys of land by admitting the plat of said Phelps to record. as it will in fact conform to the ground itself with the lots and streets:
