On February 1st, 1906, the following Motion was filed:-

The State of Ohio.
vs.
Orrin Walke.

Court of Common Pleas, Union County, Ohio.
Indictment for shooting at with intent to kill.

The defendant, Orrin Walke, now comes and moves the Court for a new trial in this case for the reasons following, viz:-

First:- There was irregularity in the proceedings of the Court.

Second:- There was irregularity in the proceedings of the Jury.

Third:- There was misconduct of the Jury.

Fourth:- There was misconduct of the Prosecuting

Attorney and his Assistant in this, towit:- they and each of them argued to the Jury, matters not in evidence and in this, towit, that they and each of them argued to the Jury that because the defendant objected to certain testimony offered to be introduced, and which the Court did not permit to be introduced, that therefore, that evidence would have strengthened the case of the State; and in this, towit:- that they and each of them asked the Jury for a conviction under the Indictment in this case, because of certain other crimes, which they claimed the defendant had committed.
Fifth:- That the Verdict is not sustained by sufficient evidence.
Sixth:- That the Verdict is contrary to evidence.
Seventh:- That the Verdict is contrary to law.
Eighth:- Newly discovered evidence material for the defendant, which evidence the defendant was unable with reasonable diligence to have discovered and produced at the trial.
Ninth:- Error of law occurring at the trial in this, towit:- the Court permitted the State over the objection of the defendant to introduce testimony as to a crime alleged to have been committed by the defendant, for which he had never been arrested, tried nor convicted, which crime was in no way similar or connected with the crime for which he was on trial, and in this, towit:- that the Court permitted the State to introduce testimony over the objection of the defendant, as to conversations and threats that were neither directed to nor against the prosecuting witness, nor were in any way connected with the crime for which the defendant was on trial.
And in this, towit:- that the Court refused to allow the defendant to introduce testimony in explanation of those conversations; and in this, towit:- the Court permitted the State to introduce a part of a conversation over the objection of the defendant, and refused to permit the whole of the conversation to be told, although asked by the defendant on cross-examination
And in this, towit:- that the Court permitted the Prosecuting Attorney and his Assistant to argue to the Jury over the objection of the defendant, facts which were not in evidence.
And in this, towit:- that the Court permitted the Prosecuting Attorney and his Assistant over the objection of the defendant to argue to the Jury that because certain testimony offered by the State was objected to by the defendant, and the objection sustained by the Court, that therefore, that testimony would have been prejudicial to the defendant.

And for other errors of law occurring at the trial, and excepted to by the defendant, as will more fully appear by the record of the evidence,

Indictment for shooting at with intent to kill.

This day again came the Prosecuting Attorney on behalf of the State of Ohio, and the defendant with his counsell; also came the Jury heretofor impaneled and sworn, and the trial proceded,

And the said Jury having heard all the testimony adduced in this case, the argument of counsel, and the charge of the Court, retired to their room in charge of the Sheriff for deliberation,

And afterwards came the Jury conducted into Court by the Sheriff, and returned the following verdict in writing signed by their Formain, towit:-

"We, the Jury, in this case find the defendant, Orrin Walke, guilty in manner and form as he stands charged in the Indictment." "Wilbur DeGood, Formain."

Thereupon, on the request of the defendant by his Attorneys, the Court ordered that the Jury be polled, And upon each juror, being called by name, and inquired of if the verdict just read was his verdict, each for himself separately answered, "It is."

And thereupon, the defendant by his counsel filed herein a motion for a new trial, and the Court after full consideration overrule the same, to which ruling and judgment of the Court, the defendant by his counsel then and there excepted.

And thereupon, the defendant being inquired of if he had any thing to say why judgment should not be pronounced against him, and showing no good and sufficient cause why judgment should not be

pronounced, it is therefore adjudged by the Court that the said defendant, Orrin Walke, be imprisoned and confined in the Penitentiary of this State and kept at hard labor, but without any solitary confinement for the period of two years; and that he pay the costs of this prosecution for which execution is awarded.

Willard Gibson being first duly sworn deposes and says: that he is unable to go to trial at this term of Court because his wife, Minnie Gibson, is at this time ill and unable to attend Court and would not probably be at the date heretofore assigned for trial a during this term, but he believes he can secure her testimony at the next term of Court. That his sister, Soldie Gibson, is also at this time unable to attend Court by reason of the recent birth of a child to her and will not probably be able to attend at this term but he can secure her testimony at the next term of court. The witness, Lloyd Biggs, whose present whereabouts is to the defendant unknown, although he has made effort to discover him, is an important witness to this defendant and he will make diligent effort to have his testimony at the next term of this court.

Motion in arrest of Judgment
In the matter of The State of Ohio U.S. Homer Raynor.

Now comes the said Homer Raynor and moves the Court to arrest judgment in this case for the following causes, to-wit-

1st.- That the Grand-jury which found the indictment had no legal authority to inquire into the offence charged by the reason of said or such offence not being within the jurisdiction of the Court because the Statute (3140-2) under which said indictment was returned and the accused tried, is unconstitutional and repugnant to Article 1 Section 10 of the Constitution of Ohio.

2nd.- That the facts stated in the indictment do not constitute an offence because the defendant the accused was not at the time laid in the indictment a resident of Union County Ohio or never has been as therein stated.

Motion for New trial.
In the matter of The State of Ohio U.S. Homer Raynor. Indictment Manslaughter.

Now comes the said Homer Raynor and moves the Court for a new trial in this cause for the following reasons to-wit-

1st.- That the proceedings of the Court was irregular, in that it ordered that certain evidence should be introduced as a defence and not on cross-examination of witnesses of State be brought out, and who was afterwards refused. And that the proceedings of the Prosecuting Attorney was irregular.

Entry No 1371 That by such and said order of the Court, this defendant was prevented from having a fair trial.

2nd That there was misconduct of the Prosecuting Attorney in presenting the case to jury, in that he argued certain facts to jury that transpired previous to those laid in the indictment, and afterward which was not introduced or allowed as evidence. And the Prosecuting Attorney read certain laws and decisions to the Court on civil matters in presence of jury, and that the conduct of witnesses for State was such as to injure the defence and prejudice the jury.

3rd.- That the defence was surprised by the introduction of certain matters that could not be guarded against.

4th That there was not sufficient evidence introduced on the part of the State to sustain a verdict of guilty, in that the Prosecuting Attorney or State failed to show that the accused was able to support his child by means of his labor or earnings, or that he was financially or physically able so to do. That the verdict is contrary to law, in that the State did not establish jurisdiction.

5th.- That the defendant has discovered new evidence that is material and which could not be produced at the trial.

6th.- That the Court erred in ruling that certain witnesses of the State was competent to testify and that certain evidence offered by the defense was not competent, and that the Court erred in its charge to the jury, and in overruling the motions of the defendant to arrest the case from the jury.
