State of Ohio
vs.
Samuel Goe

Court of Com. Pleas
Union County
Indictment for Rape
and Assault with intent
to Commit a Rape
Indict of July

And now Comes the said Samuel Goe by Cole & Sterling his Attorneys and moves the Court here for a new trial in this Case for the following reasons to wit

1st. That the verdict given in this Case by the Jury is against and contrary to the weight of Evidence and the law of the Case, Because if the Deft was guilty at all of the charge in the indictment he was guilty of a less crime and it was not proven by the prosecution that he was guilty of

2nd. That the Court erred in the trial of this cause, by allowing Evidence to be given to the Jury of Conspiracy between the said Defendant Samuel Goe and Henry Goe to Commit the Crime charged in the indictment in this Case, and by allowing evidence to be given to the Jury of the acts and words of the said Henry Goe tending to prove the guilty the Defendant, when the indictment against said Samuel Goe does not charge a Conspiracy

3rd That the Jury in this Case in Contrary to the Evidence

3d That the Jury intended to find the defts. Guilty of an assault & Battery only. - and some of them supposed that finding him guilty under the second count in the presentment (the one under which the finding was made) was only an assault & Battery

4th The Jury in their verdict did not follow the instructions of the Court in this respect. That if they found the prosecutrix unworthy of belief in one essential particular that they should reject her testimony. And the testified to the commission of a rape, and not to assault with intent only — so the jury must have rejected her testimony as to rape and should have rejected all together

The Court erred in permitting the prosecution to prove the acts and words of Henry Gross tending to prove the guilty the defendant without there being any proof of Conspiracy.

Mr Lyle asks the Court to set aside the verdict in this Case and grant a new trial for the above specified
