No 31 vs

Mary E Roll } Perjury.

March 15 1894.

Complaint in writing upon oath and signed A. H. Dalie, filed with me charging that on the trial of an action in the Court of Common Pleas of Union County, Ohio, at the September term thereof A.D. 1893, in a case then pending in said Court wherein Augustus H Dalie, was Plaintiff and Frank J Roll and Mary E. Roll, were defendants before the Hon. John A Price, Judge of said Court, and a jury duly impanelled and sworn to try said case, said Jury returned their verdict in writing finding in favor of the Plaintiff and assessing the amount due the Plaintiff from the defendants at the sum of $355.30 signed by W S Burgess, foreman of said Jury, that within three days after said verdict was rendered the said Frank J Roll, and Mary E Roll by their attorney filed in said Court their motion for a new trial in said case setting forth among other things as grounds for a new trial, Because there was irregularity in the proceedings of the Court and jury and Plaintiff by which the defendants were prevented from having a fair trial and because of misconduct of the jury, and of the Plaintiff and because of surprise which ordinary prudence could not have guarded against, and because the verdict was not supported by the evidence. That in support of said motion for a new trial, and to cause it to be believed that there was misconduct on the part of the jury trying said case, and that there was irregularity in the proceedings by permitting testimony to go to the jury without the oath, first being given. The said Mary E Roll, on the 8th day of December 1893

in her own proper person went before one J. E. Griffith,
then a Notary Public within and for the said County
of Union, and State of Ohio, and being a person duly
authorized and empowered by law to administer oaths
and then and there at said County of Union and State of Ohio, the said
Mary E. Roll, in due form of law, was sworn and took her oath
before the said J. E. Griffith, the Notary Public aforesaid, by the
said J. E. Griffith, then and there having full power and
competent authority to administer the said oath to the said
Mary E. Roll, in that behalf and that the said Mary E Roll
being so sworn as aforesaid then and there before the
said J. E. Griffith, Notary Public, as aforesaid upon her oath
aforesaid, in a certain affidavit, then and there by the said
Mary E. Roll, made and deposed to before the said J. E. Griffith
the Notary Public aforesaid falsely wilfully and corruptly
did say depose swear and state in writing as follows:
That is to say: That Jacob Shuck (meaning Jacob Shuck
who was a witness for Plaintiff at said trial) gave testimony
material for the Plaintiff on the former trial of this case (meaning the case of Augustus H Dalie vs Frank J. Roll, and Mary E
Roll aforesaid) and that he gave said testimony without
being sworn that said Jacob Shuck was before said
trial and during the same as actor partisan for the
Plaintiff herein (meaning Augustus H. Dalie Plaintiff
in said action) and that his testimony went to said
jury without said Shuck being sworn, that while
said case (meaning the case of Dalie vs Roll aforesaid)
was being tried and after the jury had been sworn
the Juror Harris (meaning John Harris one
of the jurors in said case) arranged with Charles Shaffer
of Irwin said County to telephone to him the result of
said case (meaning the case of Dalie vs Roll aforesaid)
and as soon as the verdict was rendered did
telephone to said Shaffer what the jury had done.
Whereas in truth and in fact the said Jacob Shuck

did not give testimony in said case without being
sworn but on the contrary the said Jacob Shuck was
in fact duly and legally sworn before giving
any testimony in said case, which fact was to
the said Mary E. Roll well known at the time she
made the affidavit aforesaid, and in truth and in
fact the said Harris did not after being sworn
as a juror in said case arrange with Charles
Shaffer of Irwin said County to telephone him
the result of said case, and did not telephone to said Shaffer
what the jury had done, which fact was known to the said Mary
E. Roll at the time of making the affidavit aforesaid, And
said several matters so by said Mary E. Roll set forth and
deposed to in said affidavit so by her made before said
J. E. Griffith was at the time known by her to be wholly false
and untrue. That the affidavit so made and deposed
to by the said Mary E Roll was by her caused to be filed
in said case, and was read and used upon the hearing
of said motion for a new trial and the matters so
deposed to by the said Mary E Roll in the affidavit
aforesaid were material on the hearing of said
motion for a new trial.

March 15. 1894. Issued a warrant for the arrest of said Mary E
Roll and delivered same to the Sheriff Wm. J. Snodgrass to serve.
March 17, 1894. Warrant returned with body of defendant. Sheriff's
return "I have arrested the within named Mary E Roll and

March 17 1894. The defendant Mary E Roll being present
with her attorney R. L. Woodburn and complainant and
State represented by attys J. B. Cameron and W. S. Harper.
Thereupon the said Mary E Roll defendant waived
arraignment entered a plea of Not Guilty and waived
examination and submitted to be bound over
to the Court of Common Pleas. Thereupon I find said
offense has been committed and there is cause to believe

State of Ohio
vs. Plf.
Horatio Hamilton,
Def.

Before Joseph Comer J.P.
in and for Claibourne
Township, Union Co., Ohio.
Affidavit for State Warrant.

The State of Ohio, Union County, ss.

Before me, the above named justice, personally came Jason Case, who, being duly sworn according to law, deposes and says that on or about the 20th day of September, 1894, at the county of Union, one Horatio Hamilton unlawfully and maliciously did write and cause to be printed and published a certain false and malicious libel of and concerning said affiant, Jason Case; which said false and malicious libel is as follows, that is to say that he, the said Horatio Hamilton, did write a certain article for "the Union County Journal", a newspaper published at Marysville, Union County, Ohio, and caused it to be published in said newspaper, and it was published in said newspaper in its issue dated September 20th, 1894, in which article there were characters forming the words and sentences

following: A mere boy was arrested charged with stealing $75- in money. He was locked up in the village jail and made to confess to the theft at the mouth of a six shooter. On this confession he was held to answer to the grand jury by Ex-Mayor Case. It afterward came to light that the boy had nothing to do with the $75 and that the money was taken by another and was actually in the hands of the mayor or his wife at the time of the trial of the boy.

Affiant further says that said article was entitled "Cunny's" Record While Marshal of Richwood, and had reference to the official conduct and acts of one John Cunningham while marshal of the Village of Richwood, Union County, Ohio; that the words and sentences herein above quoted and herein complained of have reference to one of his said acts; that at the time therein referred to affiant was mayor of said village; that he is the person therein referred to as Ex-Mayor Case; that said words and sentences so written and published as aforesaid by said Horatio Hamilton are false and libelous, and were well known

by him to be so at the time of writing and publishing the same; and that he, well knowing the premiser, but intending to vilify and defame said affiant, Jason Case, unlawfully and maliciously did write and publish the same; and further affiant saith not.

"Cunny's" Record While Marshal of Richwood.

[The following Richwood letter was written for last week's JOURNAL but we could not get it in type for that issue.—ED.]

In the talk overheard by a person left in the jail on the night after Senator Ring was incarcerated, between himself and Pat Jordan, it was said by one of the two that Ex-Marshal Cunningham had told the men who came to rob Richards that one of the Banks in Richwood was behind the Richards job. That Richards did not deposit with the banks and that he (Cunningham) wanted them to come back soon and go through Richards' house. He (Cunningham) wanted them to keep on robbing in Richwood until he was again made marshal and that they were not to rob any more in town but they were then to do their work in the country and he would protect them.

It will be seen by all this that "Cunny" expected his friends to keep up the clamor to have him put back in Marshal Wood's place. This would enable him to punish his enemies and protect and reward his friends.

The full force of all this will be understood when it is remembered that "Cunny's" most intimate friends and even Cunny himself were offering to bet that in less than six months "Cunny" would be the marshal of Richwood. The impression that there was some sort of collusion between "some of our best men" (as they call themselves) and "Cunny" in order to bring about the downfall of Marshal Wood and the reinstatement of "Cunny" is indicated if not proven by the fact that one of his most intimate and trusted personal friends and political associates went so far as to offer the sum of two hundred dollars if it would induce Billy Woods to resign and let "Cunny" come in as his successor in the marshal's office. The reason assigned by the person making this offer was that Richwood's finances were low and if Wood remained as marshal and compelled the saloons to close as the law directed at night and on Sundays they could not keep up and would be compelled to close and then the town would lose the Dow tax, &c.

It would be well to here recall the effort made by "Cunny" to lead Mayor Hill to release Penney, a saloon man, because the saloon closing law was unconstitutional and that if Penney was not released it would involve the town in great loss of money, &c. Also that at this precise time what is known as the "gang" all forsook Mayor Hill and began to quarrel with and abuse him because he did not do as those who were the means of his election desired him to do. They even accused him of being led by "Capt. Hamilton" and his "set." Then call to mind the bold and defiant abuse of the Gazette, the organ of the Cunningham "gang", when Cunningham was arrested on the charge of impersonating and officer in arresting one Williams contrary to law. In this attack on Mayor Hill he and his friends were called "high binders, stranglers and rogues, as bad as ever graced a gallows, &c." And all of this because Cunningham was arrested and dealt with according to law for a crime against the liberty of a fellow man.

Now remember the various charges previously made against Cunningham as to his cruelty to those whom he arrested and the cruel manner in which he cursed, beat and pounded those who came under his control as prisoners and put it all together and then tell me if it does not look to a man up a tree as if the Richards' job and perhaps the other ones as well were not set up and concocted for political purposes as well as for the money to be made out of the robberies?

Then if "Cunny's" political chums knew of the methods to be used to reinstate their political chief and that the Richards robbery was a part of it, are they not morally as guilty as if they had been active participants in the robbery? At all events it is time that those who are not in sympathy with the move to reinstate "Cunny" in office and in political power and the means made use of to accomplish this purpose of the Cunningham "gang" to come out and tell the people how they stand and who they endorse and what they refuse to endorse and thus enable the people to see and know who are on the side of the law and the right and who are not.

In reviewing the deeds of "Cunny" and his defenders with a view to make a fair estimate of the wrong acts performed by him, it should be borne in mind that if he and his friends are guilty of all the robberies committed in Richwood since he has been in the marshal's office, that that fact would be but a small fraction of the wicked and unlawful deeds performed by him and sustained and endorsed by his supporters against the life and liberty of some of our citizens.

A. A. Markley, of Centerville, a village five miles east of Richwood, came to town to collect a mortgage note and was set upon by Cunningham without cause or provocation while he, Markley, was sound asleep in one of our hotels, and was cursed as a Cincinnati safe blower and an all round city rogue and was dragged, run, shot at and scared and worried so that it caused his death from pneumonia and of fright.

Two or three others have been beaten and pounded until their injuries were considered serious if not fatal.

A mere boy was arrested charged with stealing $75 in money. He was locked up in the village jail and made to confess to the theft at the mouth of a six shooter. On this confession he was held to answer to the grand jury by Ex-Mayor Case. It afterward came to light that the boy had nothing to do with the $75 and that the money was taken by another and was actually in the hands of the mayor or his wife at the time of the trial of the boy. This is public talk and has never been denied.

In another case a boy was charged with stealing some wheat but proved to be innocent. But in the rough manner in which he was put into the prison his finger was mashed and cut off. Old men were cursed to their faces as being g——d d——n old gray haired, christian s—s of b——s and that I ("Cunny") will let you know that I ("Cunny") will be marshal of Richwood after you are dead and in hell. Even little boys were cursed as g—d d—n drunken s—s of b——s and that on the public streets of the village of Richwood.

One man was waylaid on the street by the great marshal and beaten with a sand bag in the hands of the marshal. This same man went to the mayor's office to get a warrant for "Cunny" and was set upon in the mayor's office and cursed and damned and a loaded pistol poked in his face as threats were made to shoot the heart out of the black hearted s—n of a b—h. For this "Cunny" was indicted and fined $30 and costs amounting in all to over $100, but the "gang" made so much noise about it that but $30 of it was payed and the rest remitted and was a loss of $100 or near that to the people of Union County.

I could go on and mention cases in which bribes were offered and accepted by "some of our best men" and of seductions and gamblings and conspiracies to commit crimes but it is time the curtain would fall on such intense wickedness.

Let us all pray that our Father in Heaven may withhold his wrath and not destroy Richwood as Sodom and Gomorro were destroyed for their wickedness.

WASHINGTON LETTER.

From our Special Correspondent.]

WASHINGTON, D. C., Sept. 20, 1894—A cheerful feeling prevails at Democratic headquarters, as may be judged by the talk of Secretary Lawrence Gardner, who said. "The result in Maine is hardly what we expected, considering the character of the fight made by the Republicans, the amount of money spent, and the speakers of national reputation thrown into the State. When compared with the little that was done by the Democrats, it strikes me that the vote is ridiculously small. The Democrats in Maine had nothing to lose, whereas the Republicans had everything to gain, not only in keeping up their majorities, but in increasing them for the effect elsewhere. But back of it all is the personal state pride of a presidential boom. Personally, I feel delighted with the result, as I firmly believe it will have the same effect on the Democrats that the Democratic vote in that State in 1880 had on the Republicans The Democrats of the United States have determined to elect a majority of the members of the next House. They have not been rainbow-chasing with the hope of securing any votes from either Maine or Vermont, and are not to be panic-stricken by any so called phneomenal votes, showing great percentages of so-called Republican gains in Republican strong holds."

Hon. Clifton R. Breckenridge, U. S. Minister to Russia was at the State department this week to receive his final instructions. He expects to sail from New York on the 20. inst., and will stop in London a few days as the guest of Ambassador Bayard before going to St. Petersburg.

The Democratic campaign text book is ready for delivery, and it is a "hummer," as might have been expected from the fact of Representative Bynum, of Indiana, having been its chief editor and compiler. The book is not for general distribution, but is intended to furnish ready information on campaign issues to speakers, editors, and political writers. It is supplied by the Congressional Campaign Committee.

Secretary Carlisle is daily proving that he is the right man in the right place. Here is the opinion of a New York tariff lawyer whose personal interests are being made to suffer by the Secretary's acts: "The prompt and liberal interpretation Secretary Carlisle is placing on the disputed features of the new tariff is causing grief among New York lawyers. You cannot appreciate the importance of Secretary Carlisle's action unless you are aware that many New York lawyers made large fortunes out of the endless litigation caused by the interpretation of the McKinley tariff by Republican Treasury officials. I don't know whether Mr. Carlisle was aware of this, but judging from the promptness with which he has decided how certain provisions of the new law shall be construed by the customs officers, I should suspect that he was. As a matter of fact, he is saving the government thousands of dollars, even if he is knocking the lawyers out of business. And he is doing that with such easy freedom that about the only thing he has left them to fight over is the question whether goods imported between the 1st and 28th days of August shall be rated under the old or the new law, the first being the date stated in the bill for the new law to take effect and the last being the day upon which it actually became a law. The Secretary has ruled so decisively and quickly on the leading features that the courts will have practically nothing to do under the present law."

U. S. Treasurer Morgan returned to Washington this week from a six weeks tour of the Pacific coast. Mr. Morgan brings good reports, both political and business.

From a business point of view the calamity wail, which the Republican campaign managers have adopted as a party trade-mark, is in defensible and much to be regretted, as it will unquestionably have the effect of retarding the growth of the business revival now beginning to be felt throughout the country; but from a partisan political point of view, it is a mighty good thing for the Democratic party, as it will convince the doubting voters that the men who are directing the Republican party prefer a continuance of the business stagnation, for which they are primarily responsible, to a revival of business which would be properly credited to the Democratic party, and will therefore be worth thousands of votes to the Democratic party from those who are too patriotic to support a party that is willing to talk down the business of the country for the purpose of trying to get the votes of thoughtless or ignorant people. A party that has no better argument to offer to get votes than the business misfortunes of the people, for which its own legislation was responsible, will never be returned to power in this country, unless the people have much less sense than they are credited with having.

YOUNG MEN—Who have become victims of solitary vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of exalted talent and brilliant intellect, may call with confidence.

DRS. FRANCE AND OTTMAN, after years of experience, have discovered the greatest cure known for weakness in the back and limbs, involuntary discharges, impotency, general debility, nervousness, languor, confusion of ideas, palpitation of the heart, timidity, trembling, dimness of sight, or giddiness, diseases of the head, throat, nose, or skin, affections of the liver, lungs, stomach, or bowels—those terrible disorders arising from the solitary vice of youth—and secret practices, blighting their most radiant hopes or anticipations, rendering marriage impossible. Take one candid thought before it is too late. A week or month may place your case beyond the reach of hope. Our method of treatment will speedily and permanently cure the most obstinate case, and absolutely restore perfect manhood.

TO MIDDLE-AGED MEN.—There are many from the age of 30 to 60 who are troubled with frequent evacuations of the bladder, often accompanied by a slight burning or smarting sensation, weakening the system in a manner the patient cannot account for. On examination of the urinary deposits, a ropy sediment will be found, or the color will be a thin or milkish hue. There are many men who die of this difficulty, ignorant of the cause, which is a second stage of seminal weakness. We will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary organs.

DISEASES OF WOMEN.—We have a special department, thoroughly organized, and devoted exclusively to the treatment of diseases of women. Every case consulting our specialists, whether by letter or in person, is given the most careful and considerate attention. Important cases (and we get few which have not baffled the skill of all the home physicians) have the benefit of a full council of skilled specialists. In treatment of diseases peculiar to females, our success has been marked, over two-thirds of our patients being ladies, old, young, married, single, rich and poor. Our method is entirely free from objectionable features of the general practitioner, namely, "Local treatment." We seldom find it necessary. We prepare remedies, constitutional and local, as the case demands, and instruct ladies how to treat themselves.

MARRIAGE.—Married persons, or young men contemplating marriage, aware of physical weakness, loss of procreative powers, impotency, or any other disqualification, speedily restored.

TO PRIVATE DISEASES.—Blood Poison, Venereal Taint, Gleet, Stricture, Seminal Emissions, Loss of Sexual Power, Weakness of Sexual Organs, Want of Desire in Male or Female, whether from imprudent habits of youth or sexual habits of mature years, or any cause that debilitates the sexual functions, speedily and permanently cured. Consultation free and strictly confidential. Absolute cures guaranteed. Medicines sent free from observation to all parts of the United States.

EPILEPSY, OR FITS—Positively cured by a new and never-failing method. Testimonials furnished.

FREE EXAMINATION OF THE URINE.—Each person applying for medical treatment should send or bring from 2 to 4 ounces of urine (that passed first in the morning preferred), which will receive a careful chemical and microscopical examination, and if requested a written analysis will be given.

Persons ruined in health by unlearned pretenders, who keep trifling with them month after month, giving poisonous and injurious compounds, should apply immediately. Delays are dangerous.

WONDERFUL CURES Perfected in old cases which have been neglected or unskillfully treated. No experiments or failures. Parties treated by mail or express, but where possible, personal consultation is preferred. Curable cases guaranteed. No risks incurred.

Cases and correspondence confidential. Treatment sent C. O. D. to any part of U. S. **List of 130 questions free. Address, with postage, DR. FRANCE, Nos. 38 and 40 W. Gay St., Columbus, O.**
