The State of Ohio } Court of Common
25 } Pleas Union County
John Reed } Ohio —

John Reed the above named defendant being first duly sworn upon his oath says that he has been without counsel in the above entitled case until the 9th day of February A. D. 1874 when an assignment was made of W. P. Reid as his counsel herein by this Court. That ever since the charge was made against him upon which the indictment was afterwards found against him herein he has been imprisoned in Champlain and Franklin Counties in this State that he has been without the means to employ counsel and had none until assignment was made by this Court. That on or about the day of A. D. 1874 he first saw said W. P. Reid and requested him to defend him herein and at the same time advised said Reid that he had no means to pay counsel or to pay expenses in looking up witnesses and preparing his defense herein

and that said W. P. Reid informed
affiant that he could not under-
take his defense unless he should
be regularly assigned by this Court
as his Counsel and affiant
further says that he is now informed
that the wife of said W. P. Reid
is now quite sick and has been
for some time past and that he
is now prevented from being in
attendance upon this Court by
the sickness of his wife. Affiant
further says that in account of
his inability to pay Counsel no
preparation has been made in
his case and in the event he
should be forced to trial at
this term of Court he would
not be able to procure the attendance
of any necessary and material
witnesses herein and great injustice
would be done affiant and his
Counsel herein by not having
a reasonable time to prepare
carefully and fully for the trial
of this case and affiant does
not even know whether he can
procure the consent of said

W. P. Reid or of any other Attorney
to assume the responsibility of the
conduct of his defense unless he
should be allowed more than one
week to prepare for the trial thereof

Affiant further says that there
is a large number of witnesses in
Hudson County in this State whose
names and places of residence
(other than their County) affiant does
not know and who are necessary
and material for his defense
herein and who were with affiant
and Griffin in said County
a short time before the death of
said Griffin, ^{upon} for the charge of murder
whom this affiant is now indicted
and many of said witnesses were
with affiant and said Griffin
only a few hours before the death
of said Griffin and personally
know all the facts & circumstances
connected with this case immediately
preceding the death of said Griffin
and which are necessary and material
herein for the defense of affiant
and affiant and further says
that there are several witnesses
in Maine and Cuyahoga County

May Term 1874 -

And now comes the said Defendant
John Reid by W. T. Reid & D. W.
Aples his counsel and
moves the Court to set aside the
verdict in this case for the reasons
hereinafter set forth affecting ma-
terially the substantial rights of
said Defendant John Reid

1. Irregularity, ^{miscellaneous} of the Witness for State, James S.
Hunters, who, after Defendant had demanded
a separation of Witnesses for the State in this
examination (which was ruled by the Court)
and in the absence of Defendant's counsel ~~and~~
in direct opposition to the order of the Court,
after his examination, met with other
Witnesses for the State who had not been called
were afterwards examined by the State in said
case & held a conference with them
as to the facts necessary to be proven
in the case in order to convict Defendant
thereby materially affecting the benefit to be
received by Defendant by a trial separation of
the Witnesses for the State -

2. That the verdict is not sustained
by sufficient evidence and is an

-Tracy to Low-

3- Because the Court, admitted in-
-competent & irrelevant testimony to the
jury and especially that part of the
testimony of the Witness Small giving
the statements of Griffin after Reid
Defendant had left and after
the injury had been inflicted

4 Because the Court contrary to the request
of the Deft read by during the ~~trials~~
permitted the jury to separate and
mix with & converse with citizens -

5 Because the charge of the Court
was contrary to Law and the
Court refused to charge the jury
as requested by Deft's Counsel -

6 Because, the Judge, in the charge
to the jury gave a statement of what
he claimed was proven and what
was not proven. also made a statement
to the jury that in his opinion the state had
given a preponderance of proof in
reference to manner in which the
affray had occurred -

7 Because the Panel for the jury
in this case was chosen from the jury
box by the Clerk & Sheriff instead
of being called & chosen by
the Sheriff according to the
Statute in force at the time of
finding the indictment in this
Case -

8th That the verdict is illegal & void

Charge procuring

pretenses

Affidavit filed August, 29th. 1873
as follows.

The State of Ohio Union County S.S.,
On this 29th. day of August, AD 1873 before me
A J Wilkins one of the justices of the peace in and for
said County personally came Henry Erans who being
duly sworn according to law deposes and says
that Charles C Vansant late of said County
on and about the 19th day of August AD 1871
at said County of Union unlawfully did falsely
pretend to Henry Erans that the said Charles
C Vansant had written one promissory note
which note called for the sum of one hundred
and fifty dollars and due in two years
from that said date said Henry Erans
was then owing and indebted to the said
Charles C Vansant in said sum of
one hundred and fifty dollars this
states that he being unable to read writing
did then and there sign said promissory note
believing said representations made by said
Charles C Vansant - That said instrument
of writing purporting to be a promissory
note only calling for one hundred
and fifty dollars when in fact it was

a promissory note for Eleven hundred and fifty dollars, which was well known to said Charles C Vansant and which false representations were made to the said Henry Evans for said purpose of securing his said signature to said promissory note. Affiant Henry Evans further states that said Charles C Vansant late of said County of Union on the 18th day of July 1873 at said County of Union unlawfully did falsely pretend to one Byron L Talmage late of said County of Union that he the said Charles C Vansant was then and there the true and lawful owner of one promissory note made and delivered by the affiant.

Henry Evans to said Charles C Vansant then and there being and which said promissory note called for Eleven hundred and fifty dollars with interest thereon from August 19th 1871 he the said Charles C Vansant then and there proposed and offered to sell said Byron L Talmage said promissory note and by which said false pretensions the said Charles C Vansant did then and there unlawfully obtain from said Byron L Talmage and his partners in the Bank of Richmond a large sum of

money for said promissory note
to wit the sum of (\$1265.) Twelve
hundred and sixty five dollars for
said promissory note falsely pretend-
ed to be the property of said Charles
C Vansant with intent then and there
and thereby to cheat and defraud the
said Byron L Palmage and his partners
in the Bank of Richwood to wit John
E Cahill and William H Conkright of
the said sum of money whereas in truth
and in fact this said affiant Henry
Evans, only owed and stood indebted
to said Charles C Vansant in the sum
of one hundred and fifty dollars
and the interest thereon from August
19th 1871, has a credit of eight dollars made
July 18th 1873 and he the said Charles
C Vansant at the time he so falsely
pretended as aforesaid well knew. The said
false pretense to be false and affiant
says that the said Charles C Vansant is
guilty of the facts charged as he believes
and further affiant saith not.
Took his affidavit therefor and
issued a warrant against the said
Charles C Vansant and delivered the same
to the sheriff of Morrow County Ohio

The State of Ohio

On this 29th day of August A D 1873
before me A. F. Wilkins one of the Justices
of the Peace in and for said county, person-
ally came Henry Evans who being duly
sworn according to law deposes and says
That - Charles C. Bousant late of said
county of Union on or about the 19th day
of August A D 1871 at said county of Union
unlawfully did falsely pretend to Henry Evans
that - he the said Charles C. Bousant had written
one promissory note which note called for
the sum of one hundred & fifty dollars and
due in two years from that - said note
said Henry Evans was then owing and is
indebted to said Charles C. Bousant in
said sum of one hundred & fifty dollars
This affiant - states that - he being unable
to read writing did then and there sign
said promissory note believing said
representations made by said Charles C.
Bousant - that - said instrument of writing
purporting to be a promissory note only
called for one hundred & fifty dollars
when in fact it - was a promissory
note for eleven hundred & fifty dollars
which was well known to said Charles
C. Bousant - and which false representation
were made to said Henry Evans for said
purpose of securing his said signature
to said promissory note
Affiant - Henry Evans further states

That said Charles C. Bousant - late of said
County of Union on the 18th day of July 1873
at said County of Union unlawfully did falsely
pretend to one Byron & Tolmaji late of said
County of Union that he the said Charles C.
Bousant was then and there the ^{true and lawful} owner of
one promissory note made and delivered
by this affiant, Henry Evans, to said Charles
C. Bousant then and there being and which
said promissory note called for the sum
Eleven hundred & fifty dollars with interest
thereon from August 19th 1871 he the said
Charles C. Bousant then and there proposed
and offered to sell to said Byron & Tolmaji
said promissory note and by which said
falsely pretenses the said Charles C. Bousant
did then and there unlawfully obtain
from said Byron & Tolmaji, a large
sum of money for said promissory note
to wit - the sum of \$1265, twelve hundred & sixty five
dollars for said promissory note falsely pretended
to be the property of said Charles C. Bousant
with intent then and thereby to cheat and
defraud the said Byron & Tolmaji and
his partners in the Bank of Richwood
Tenn. John E. Cahill and Wm. L. Cookright -
of the said sum of money
Whereas in truth and in fact this said
affiant Henry Evans only owed and
stood indebted to said Charles C.
Bousant in the sum of one hundred
and fifty dollars and the interest

Sum from Aug 19th 1871
less a credit of Eight dollars made
July 18th 1873 And he the said Charles
C. Bousant at the time he so falsely
pretended as aforesaid well knew the said
false pretenses to be false And affiant
says that the said Charles C. Bousant

Case No. 230

Indictment for furnishing liquors

The said William Webber makes oath that Nick Wiseman is a material witness in this case and without whose testimony and for want thereof cannot safely go to trial

The affiant says that he made enquiry of parties living in and about North Lewisburg, Champaign County Ohio where said Nick Wiseman formerly resided and is informed and believes that said Nick Wiseman has gone to some of the Western States and that he had so gone prior to the time of ^{bringing} this indictment. Affiant states that he is informed and believes that said Nick Wiseman will testify in open court that he was not intoxicated nor under the influence of liquor at the time he was charged in said indictment to have been. Affiant further states that said indictment was found against him on the 17th day of October AD 1874 as appears from the files and that he could not compel the attendance of the said Nick Wiseman upon subpoena by reason of his absence from the State of Ohio

and that he was unable to ascertain his whereabouts so that his deposition could be taken. He further says that Jacob Hauser a resident of Marysville Ohio informs him that he is informed and believes that he saw Nick Wiseman on said 18th day of July 1874 at the village of Marysville, Ohio and the said Jacob Hauser further states to him that he had dealings with a person whom he afterwards learned was Nick Wiseman and that he would recognize him if he were to see him today and said Hauser further informs him that the said party was not intoxicated ~~at the~~ on the said 18th day of July 1874

And this affiant further states that the testimony of the said Nick Wiseman is material and that this affiant hopes and expects to procure the attendance of the said Nick Wiseman, or his deposition at the next term of this Court. That this application for continuance is not made for delay only but for the purpose of justice

Samuel W Aldrich now comes and
files this his supplemental affidavit
for continuance and says that
he expects to prove by wit George
Brooks that the wit Seneca Adams
made upon him the first assault
that she followed him & struck
him with a club then clapped
him in the face & seized him by
the hair of his head and that
the complaint against him was
and is simply trying to discharge
himself from wit Seneca
Adams. That wit George Brooks
was present and saw the whole
of said transaction and will testify
of facts that wit Seneca Adams
made the first assault on affiant
and that he used no more violence
than was necessary to discharge himself
& get away from wit Seneca
Adams and that affiant was
without of all the premises

him by DuBois or procure
his testimony. Officers report
Boyle and Phelps to be some 12
miles from Lewisburg. Boats
of the upper camp of the Grant Co.
at that time he asks this case
to be continued. This application
for continuance is not made
for delay merely but for the
