State of Ohio Union

J. Bump

J. Bump being first  
only sworn says that one Jacob Bump  
is a notorious witness for him in this  
case without whose testimony and for  
want thereof he cannot safely  
proceed to trial that said Jacob  
Bump was lately employed in said  
County of Union and that shortly  
before this offence was committed  
said Jacob Bump went to Macon  
County and was there taken, died  
that this offence was unable to employ  
counsel and prepare his defence, that  
as soon as counsel was appointed  
by the court this defendant began  
making preparations for his defence  
and caused a subpoena to issue  
and be sent by a special officer  
to Macon County for said Bump  
that as officer is informed by said  
officer he went to Macon County  
but the place where said Bump  
had been living and found that  
he had removed to <sup>in Pleasure County</sup> another place  
and the officer had not sufficient  
time to find him and serve the  
subpoena in time for this trial  
that the said Jacob Bump is an  
impeachment of this defendant -

and would not purposely avoid the  
service of a subpoena and that this  
officer has caused special messenger  
to be sent for him and hopes and  
believes he will be able to procure  
his personal presence at this term  
of Court if this case can be laid  
over for one week.

Officer further says that the  
said officer went to serve the subpoena  
but not return until yesterday about  
noon and this officer did not  
learn of his failure to serve the  
subpoena until that time and he  
then immediately by an indisposition  
to get said witness

Officer further says that one  
Samuel Julian is a natural witness  
for him in this case and for want  
of a better testimony he cannot  
safely proceed to trial that said  
Samuel Julian resides in the County  
of Union and that on last Monday  
an officer of this Court returned that  
he had served a subpoena upon  
said Julian by leaving the same  
at his usual place of residence.

Officer says that he has since  
learned the fact to be that on last  
Monday morning the said Julian  
before the officer came to serve  
the subpoena upon him had gone

to Manow County on business and  
that he has not since returned, that  
he went to procure evidence in a  
pension case he is prosecuting at the  
and that the officers expect him to  
return in a time for the trial of this  
case if it is laid over for one week  
that the absence of said witness is wholly  
without the knowledge or fault of  
the defendant ~~except as~~ ~~has~~ shown  
officers counsel. The subpoena to  
issue ~~against~~ for said witness in good  
time to have had him here at the  
trial of this case, and would have had  
if said witness had not been temporarily  
absent on business.

Officers further says that  
one James Bump is a material  
witness for him in this case, without  
whose testimony and for want thereof  
he cannot safely proceed to trial  
that on last Monday the officers  
counsel a subpoena to be served upon  
said James Bump who lives in this  
County. That officer is this morning  
informed that said James Bump  
is now confined to his bed by sickness  
and is unable to attend <sup>the trial</sup> at this time  
Officers says said Bump may be  
so far recovered as to be able to  
attend the trial of this case if it be  
laid over for one week.

vs  
Thomas Amatrout

} W 598

The said Thomas Amatrout  
being first duly sworn deposes  
and says as follows

That he has been confined in  
the County Prison since about  
the middle of October last and  
that he has had no opportunity  
to see after his witnesses or prepare  
his defense.

That John Rapp and Charles  
Jacobs are both material witnesses  
for him without whose testimony  
and for want thereof, he cannot  
safely proceed to trial

That at the time counsel was  
employed for him he had only  
a hasty interview and in giving  
to this counsel a list of his witnesses  
he omitted the names of John  
Rapp, Byron Sward, James Sparks  
Wayne Sever who are all material  
witnesses for him in this case

without whose testimony and for want  
thereof he cannot safely proceed  
to trial, that as soon as he was  
aware of such omission he with-  
— during the day he caused a subpoena  
to issue for said Ruff, Swart, Sparks  
and Sever, but that since he has  
issued said subpoena for said  
last named witnesses he has learned  
that said John Ruff is confined  
to his room by sickness and could  
not during this term of court  
attend to give his testimony  
by reason of said sickness  
Accordingly on the 23 day of this month  
of this court he caused a subpoena  
to issue for said Charles Jacob  
who lives in the vicinity of  
Richwood but that the officer  
having said subpoena without  
any fault of this officer, read  
to said Charles Jacob, Charles  
Jacob and returned him not  
found this account by reason of  
the way the names were written  
in said subpoena by the Clerk  
that by reason thereof said

Charles Jacobs has not been served with subpoena and has not come to court.

Affiant further says that he expected to prove by the said Charles Jacobs and that said Jacobs would testify if present that on the evening of the 20 day of September 1881 the said Charles Jacobs was in Richwood at the Restaurant of said J. J. Finley and that during the evening about the time said money is alleged to have been lost said Jacobs saw said J. J. Finley in company with a woman who was not his wife, but was another man's wife and said J. J. Finley was greatly intoxicated and that he went up stairs with said woman and come down to the restaurant again seeing the woman up stairs that said Finley staggered around in the Restaurant and like and then went up stairs again that he was not in a condition of reason of said intoxication to take care of his money

or know what he was doing  
with it: That shortly before shutting  
of time (about 9 o'clock) the women  
went away and in a short time  
J. J. Finley went away and the  
said Jacobs stated then until time  
to clean up and said Finley  
had not come back and the  
said I found out about of the  
Return at

When I saw J. J. Finley Ref-  
ford cider and ayst and other  
things to see.

and official papers to prove  
by said John Ruff and that  
if he was present. I would  
certify that during the evening  
of the 20 day of September 1881  
at that time the money is alleged  
to have been taken in the said  
John Ruff was present in said  
Return at that he came out to  
said Return at for a can of  
Oysters and said Finley was  
too much intoxicated to wait  
on him and that in attempting  
to wait on him said Finley

dropped his money and the said  
defendant picked it up to look  
for him could he get it over  
and the said truly was so  
much intoxicated that he  
was not-competent or capable  
by reason of such intoxication  
to take care of his money or to  
know where he came of it.

and that under the circumstances  
it was proper and prudent for  
defendant not to give it to  
him or let him know where  
it was.

affiant says that he has under  
the circumstances used all diligence  
to his power to be ready for trial  
on the return of said John Piff  
and the absence of said Charles  
Juebs is without his fault.  
That there evidence & matters  
for him and without the same  
he cannot safely proceed to  
try the the application for  
continuance is not for delay  
merely but for the purpose  
of justice and further said
