Ellis as a witness in the above cause. Subpoena for David C. Ellis returned forthwith, served by William Bairs Constable. Trial postponed until 11 o'clock on the 15th day of April 1836 on account of the absence of material witnesses. Subpoena issued requiring the attendance of Christian Pinney, Peter Sharpe, and Harriet Yokes, as witnesses in the above cause. Commitment issued requiring the Jailor to keep the Defendants until the time to which the trial has been postponed. Subpoena issued requiring the attendance of Sally Brown as a witness in the above cause. The State of Ohio } Indictment for Larceny
vs.
Peter Sharp }

The said Peter Sharp moves this court for a new trial in this cause for the following reasons to wit—

1st That there was no evidence going to shew a felonious intent in the Defendant in taking the property in the indictment mentioned—

2nd That the only testimony in the case which was not admitted by the Defendant or which ought not to have been ruled out of court, on account of the drunkenness of one of the witnesses, or the impeachment of others, was that of Mrs Ellis, which was not only extremely doubtful and objectionable from her manner of testifying, and the testimony of Mr Hocum contradicting her; but if true only related to the killing a hog about 1 o'clock, when the only testimony of a taking of the property was about 4 o'clock the indictment being for stealing a hog— and the killing having no connection with the larceny—

3d That the verdict was contrary to, and not warranted by the testimony in the case—
