County Commissioners.

In all cases the Allowance for Transportation and Subsistence must be made by the Justice or Mayor, and so certified by him before it will be paid.  
If arrests are made outside the County, it must be stated in the Transcript.

**PROVISIONS OF LAW**

**Relating to fees in Criminal Cases in Magistrates' Courts, and allowances in lieu thereof.**

SECTION 1309 of the Revised Statutes provides that the County Commissioners may, at any regular session, make an allowance in lieu of fees to any Justice of the Peace, Police Judge or Justice, Mayor, Marshal or Constable, in causes of felonies wherein the State fails, and in misdemeanors, wherein the defendant proves insolvent; but that the aggregate amount of such allowance to an officer in any year shall not exceed the fees legally taxed to him in such causes, nor shall the aggregate amount allowed to an officer in any year exceed one hundred dollars. But section 1310 further provides that the County Commissioners may allow and pay any necessary expense incurred by an officer in the pursuit of a person charged with a felony, who has fled the country, in addition to the allowance provided for in section 1309. (For definition of felony and misdemeanor, see Section 6795.)

The allowances above mentioned are in addition to the fees provided for in Section 1306, which is as follows: "In all felonies, when the defendant is convicted, the costs of the Justice of the Peace, Police Judge or Justice, Mayor, Marshal, Constable, and Witnesses, shall be paid out of the county treasury and inserted in the judgment of conviction, so that, except in capital cases, the same may be paid to the county out of the state treasury."

If arrests are made outside of the county, this fact should be stated in the cost bill.

**WITNESS FEES, IN CASES OF FELONIES.**

SECTION 1308 provides that, in felonies, the fees of witnesses before Justices of the Peace, Mayors, and Police Justices, shall be paid upon the allowance of the Commissioners, out of the county treasury, on the certificate of such officer, notwithstanding the State has failed.

In such cases, each witness should get from the magistrate a separate certificate for his own fees.

Before me, M. W. Hill, of the Justice of the Peace in and for claim Township Union County - O: Personally came Nile Eckelberg who being duly sworn according to law deposes and says. That one George W. Worden late of said County. On or about the 17<sup>th</sup> day of March 1898. at the County of Union. Unlawfully and maliciously did write print and publish a certain false and malicious libel of and concerning him the said Nile Eckelberg which said false and malicious libel is as follows. That is to say, After the liquor ordinance was passed. Friday Evening F. L. Winter made a motion that it be published in the Gazette so about all the printing during the last year. had been given to Mr Van Winkle. This seemed to arouse the ire of Mr Eckelberg and considerable discussion was indulged in. It was finally decided however that the ordinance should be given to the publisher who would do the work for the least money. And money.

(27)  
Evening at 7 o'clock. Set as the  
time to open sealed bids by the  
Contracting Committee. Consisting of  
Hilo Eskelberg J.P. Mannix and W.H.  
Richards. This was perfectly satisfactory  
to all except Eskelberg who at once  
began to scheme to defeat the will  
of the Council and put the work into  
the hands of Mr. Tammill, on Monday  
afternoon Mr. Eskelberg stated that  
they (the Council) did not intend  
to have the ordinance published this  
week because there was so much ob-  
jection to it they deemed it advisable  
to re-consider its passage at the next  
regular meeting to be held Feb. 18<sup>th</sup>  
1898. When the Publisher of the Gazette  
asked him if it was necessary to make a  
bid on that (last Monday) evening he  
said we want do anything whatever  
with it until after another meeting of  
the Council leading the Publisher of the  
Gazette and both Mr. Gunn and Wells  
to believe it was useless to make a price on  
the work until the Council made a final  
decision as to whether they would want  
it published at all or not. When  
Monday evening came however the  
Committee all met at Eskelberg's  
together with Mr. Tammill, Mr. Mannix  
and Mr. Richards were both in favor  
of what Mr. Eskelberg the Chairman of the

(3)  
Committee had done to keep the Publishers  
of the Gazette from putting in bid and  
after waiting almost an hour on the time  
set on Friday evening to open the bids. The Coun-  
- mitter awarded the contract to Mr Vanwinkle  
at 25¢ per cent discount from the legal price.  
This is not the first time such time have  
been turned by Mr Ebelby while serving  
as a member of the Council. When the  
Opera House was to be rented last Fall  
during fair week a responsible party in  
good faith presented a sealed bid on the  
same as per request of the Council.  
When the clerk opened and ~~perused~~ read  
the bid. Mr Ebelby arose and stated  
that he had a bid from Mr Vanwinkle  
for 50 cents on \$1.00 more (we disremember  
which) and made a motion that he be  
granted the lease for that week. When  
some of the members of the Council became  
anxious to know who would be responsible  
for the cost. Mr Ebelby assured them that  
he would see that they received the money  
for the same. A Company was then  
contracted for by Mr Vanwinkle with Mr  
Ebelby acting as the angel in the dark;  
The troupe came. Did a very good  
business and left town with at least  
two hearts (meaning the officials and  
Mr Vanwinkle) made happy by the  
division of the net receipts obtained  
through the Sunday bid.

Will Mr Ebelby please say

to the Public why he insisted on the passage of the ordinance - (I referring to the liquor ordinance about named) when he had in his possession the original I referring to a letter from Judge Duncan Nov. 1 was it because he desired to swell the business of Mr Van. and incidentally increase his own receipts so that he could purchase more lottery tickets in said drawings or was it because he thought the village treasury should be made to gain up some of the present paid in by the tax-payer in order to make the business of one or two show up better in the yearly balance sheet + + + +

In pursuing up the whole affair we have Messrs. Green McClellan - Benj Wood and Publisher of the Gazette testifying that Councilman Eckelby has knowingly made - Misrepresentation in regard to the ordinance above referred to + + + + What a piffin Boss. I would have considered him could he have had the advantage of his counsel and assistance during his celebrated raid on the New York City Treasury. What an ornament to our Village is this upright Citizen - this profound Moralist this Prominent Church member this man who has lately been our affair

(5-1)  
Upon the above Affidavit being  
filed I issued a warrant for  
the arrest of the above named  
George W. Worden and handed  
to Cui Stult Constable - who -  
made return as follows. Recd.

went to the office of the above <sup>named</sup> George  
W. Worden. who could not be found.
