JURY.

Prisoners arraigned before me this 2nd day of May 1900, they plead not guilty to the ^{charge} in the affidavit. The prisoners being left in charge of the constable. I issued subpoenas for the following witnesses, George Hamilton, Carrie Hamilton, Ella Hamilton, Mattie Bidwell and Will Milkolland for the state and the last named for the defendants also, Case continued until the witnesses could be brought into court. Subpoenas returned showing all subpoenaed.

At 1 o'clock case was called, the prisoners being ^{present} and were arraigned by and before me.

The following witnesses were sworn and examined for the state, Earnest Bidwell, George Hamilton, Carrie Hamilton, Ella Hamilton and Mattie Bidwell. For the defendants, John Durban, William Durban, Will, Milkolland and Tom Parthemore, the latter was subpoenaed during the trial.

After considering said testimony I find that John Durban probably guilty of assault and battery and that William Durban probably guilty of assault and battery with intent to kill.

It is therefore considered by me that John Durban enter into bond, for his appearance at the next term of Common Pleas Court of Union County, in the sum of fifty dollars, and that William Durban enter ~~into~~ into bond for his appearance at the next term of Common Pleas Court in the sum of one hundred dollars.

J. P. McDowell J. P.
John Durban gave bond with himself and A. Gill as surety and William Durban gave bond signed by himself and John Durban as surety, both bonds considered by me as good and sufficient.

I ordered the witnesses as follows to enter into bonds for their appearance before the next term of the the Common Pleas Court, Earnest Bidwell, Mattie Bidwell, George Hamilton, Carrie Hamilton.

(b) Dismissed or Bound Over.

REVISED STATUTES OF OHIO.

SECTION 1306. In all felonies, when the defendant is convicted, the cost of the Justice of the Peace, Police Judge, or Justice, Mayor, Marshal, Constable and Witnesses, shall be paid out of the County Treasury and inserted in the judgment of conviction, so that, except in capital cases, the same may be paid to the County out of the State Treasury; provided, in all cases, when recognizances are taken, forfeited and collected and in which there is no conviction, said costs shall be paid out of the County Treasury.

SECTION 1307. In no other case whatever shall any cost be paid out of the State or County Treasury to any Justice of the Peace, Police Judge or Justice Mayor, Marshal, or Constable.

SECTION 1308. In felonies, the fees of Witnesses before Justices of the Peace, Mayors, and Police Justices, shall be paid upon the allowance of the Commissioners, out of the County Treasury, on the certificate of such officer, notwithstanding the State has failed.

SECTION 1309. The County Commissioners may, at any regular session, make an allowance to any of said officers in lieu of fees, in causes of felonies wherein the State fails, and in misdemeanors, wherein the defendant proves insolvent, but the aggregate amount of such allowances to an officer in any year shall not exceed the fees legally taxed to him in such causes, nor shall the aggregate amount allowed to an officer in any year exceed *One Hundred Dollars*.

SECTION 1310. The County Commissioners may allow and pay any necessary expense incurred by an officer in the pursuit of a person charged with a felony, who has fled the country, in addition to the allowance provided for in the preceding section.

SECTION 1311. In ascertaining the amount of fees taxed by any Justice of the Peace, Mayor, or Police Judge or Justice, with a view to making him the allowance hereinbefore mentioned, it must be made to appear in cases where such officer was authorized to take security for costs, that he has exercised reasonable care in taking such security, and until satisfied by the certificate of such Justice of the Peace, Police Judge or Justice, or Mayor, before whom such cases were heard, or other proof to the satisfaction of the Commissioners, that the prosecuting witness was indigent, and entirely unable to pay the costs or procure security for the payment of the same, and that the officer exercised due care in taking such security; the officer's fees in such causes shall not be included in ascertaining the amount so to be allowed.

SECTION 1312. Where such officer takes security for costs that is insufficient at the time of taking the same, the Commissioners shall not take into account his fees in such case, in making an allowance therein to him.

SECTION 1313. In all causes in which a Justice of the Peace has power to fine a person charged with the commission of an offense, such Justice shall render judgment for such fine, and tax such costs, for himself, the Constable and witnesses, as are allowed by law.

SECTION 1314. All fees due any of the aforesaid officers, in any misdemeanor, shall, if collected, be paid into the County Treasury, unless it be ascertained that the amount of such fees was not taken into account in estimating the amount to be allowed to such officer, as aforesaid.

Note The attention of Magistrates is especially called to the requirements of Section 1311, which must be fully complied with.

The State of Ohio Union County I, S

The said Francis DeLaver
being first duly sworn says that the
Casey is a material witness for him
in the foregoing action and without
repose testimony and for want thereof
he can not safely proceed to trial
said DeLaver says that said Casey
left Ohio about the month of July 1900
and as this affiant has been informed
went to the State of Indiana. This
affiant says as soon as he learned
of the indictment in this case he
has used every effort to secure the
attendance of the said Casey at
this term of Court and that he
has written & telephoned to friends
and various places where he
supposed & learned by inquiry from
parties most likely to know the
facts concerning Mr Casey
whereabouts, and that he has
not been able to get said Casey
that said affiant went to the Bow

of a man who this affiant learned
had the said Cusady employed
but the exact location of said
Cusady is not now known
to this affiant notwithstanding
said affiant has written telephoned
and inquired of all persons and
places likely to know the
location or be the place said
Cusady might be
said affiant says he has done
all in the matter & securing
the said Cusady to attend the
present term of this Court in
person before set out and that it
is not possible as affiant
believes to secure the attendance at
this term of Court - said affiant
says he expects to secure the
attendance of said Cusady at
the next term of this Court
said affiant says he went to the
home of the man this affiant learned
had said Cusady employed, and tried
to have word sent to said Cusady
so he could be at this term of
Court by arranging for ^{Cusady's} fare
but for some reason said Cusady
has not made any reply

And said affiant is not now
able to tell the location of said
Casady notwithstanding said
affiant has written & telephoned
to all parties he could learn from
any one most likely to know said
Casady. Said affiant says he
expects to prove by said Casady that
Ed Clark said he had knocked
Hall out of said case New Ennis
meaning the party assaulted in the
indictment in this action and
meaning the assault referred to in
this case and said Casady will
further testify he saw said Ed
~~Clark~~ washing his hands at
the time he ~~did~~ told said Casady
he had knocked hell out of said
Ennis and there was blood on
said ~~Clark's~~ hands at the
time he was washing the same
said Clark being jointly indicted in this action
Said affiant says said Casady will
refer to the assault charged in
the indictment in this action and
that said Casady will so testify
Said affiant hopes and expects to
procure the testimony of the said
John Casady by the next term of
this Court

IN THE COURT OF COMMON PLEAS OF UNION COUNTY, OHIO.

The State Of Ohio,

Vs,

Rosslyn H. Ferrell, alias, Roscoe H. Ferrell

alias Charles R. H. Ferrell, Defendant

No, 1053

MOTION FOR A NEW TRIAL

Now comes the said defendant by his attorneys and moves the court for a new trial in this cause, for the following reasons, to wit:

1, That the verdict of the jury is not sustained by sufficient evidence.

2d, That the verdict is contrary to law.

3d, That there was error of law occurring at, and during the trial.

4th, The court erred in admitting evidence objected to by the defendant.

5th, The court erred in refusing to admit evidence offered by the defendant and material to his defense.

6th, The court erred in its instructions to the jury, and in its charge upon the law governing the case.

7th, The court erred in refusing to charge the jury as requested by the defendant.

8th, That there was irregularity in the proceedings of the court in which the defendant was prevented from having a fair trial in this to wit:

On the 19th, day of October 1900, it being the fifth day of the trial, the juror James Shirk was taken sick with the measles, which fact was unknown to the defendant or his counsel, but was known to the officers of the court; the said juror Shirk continued sick with the measles during all of the 19th, and 20th, of October 1900, being the fifth and sixth days of the trial and when the court adjourned at noon on the 20th, the said Juror Shirk was broken out with the disease aforesaid, having sat for a day and a half in the case, in a condition of sickness and disease rendering him unfit to fill the position of a juror. The trial of the case was adjourned at noon on the 20th of October aforesaid to Monday October 22d, when the case was called and the said juror was unable to attend on account of his illness, and the case again adjourned until Tuesday Oct,

23d, On October 23d, the case was again called and only eleven of the jurors being able to respond to their names, the said defendant by his counsel objected to furthur delay and moved the court to proceed with the trial or discharge the jury, which motion was overruled and against the objection of the defendant the case was again postponed until wednesday moring Oct, 24th, On the last named day the court again convened and only eleven jurors responded to their names and the defendant by his counsel again objected to furthur delay and moved the court to proceed with the trial or discharge the jury, but the court overruled the motion of the defendant and against the objection of the defendant again postponed the trial until Thursday October 25th, all of which was excepted to by the defendant at the time. The evidence of the state, with the exception of the formal exhibits, was all in at the time of the adjournment at noon on Saturday October 20th,

For furthur reason for his motion for a new trial the defendant by his counsel says: The trial was adjourned from Saturday the 27th, day of October in the year last named ^{to Monday Oct-29} and when the court convened on Monday the juror George Westlake was sick with the measles, and continued sick and feverish during all the day and during the next day, Tuesday October 30th, On Tuesday October 30th, being the last day of the trial the juror Westlake was broken out with the disease aforesaid and continued so sick and broken out with said disease until his final discharge after the verdict was given to the court. The said Juror Westlake was, by reason of his disease aforesaid unfit and unable to hear and comprehend the charge of the court or to discharge his duties as a juror, wholly by reason of his said illness. The said juror Westlake was sick and broken out with the measles at the time the jurors were sent to their room to deliberate upon their verdict after receiving the charge of the court, which was about the hour of five oclock in the evening of October 30th, 1900 and while the juror aforesaid was in the jury room during the deliberations of the jury he was suffering from said disease so as to prevent him from discharging his duties as a juror.

The said juror Westlake was without medicine or medical treatment while on the jury, and being in great distress was anxious to be relieved from his position and was unable to perform his duties under the circumstances of the case. All of which sickness of said juror was unknown to the defendant or his attorneys until after the jury had received the charge of the court and retired to their room for deliberation upon the case, and after the judge of the court had left the court room and gone to his hotel with instructions to be called when the jury were ready to come in. The sickness of said juror was known to the officers of the court and to the prosecuting attorney during all the days of Monday and Tuesday Oct, 29th, and 30th.

9th, Further grounds of his motion for a new trial the defendant says that the juror Joseph Roff is not a natural born citizen of the United States, and is not a legally qualified elector; he is a native of France and was born out of the jurisdiction of the United States and has never been legally naturalized and is not and was not at the time of being selected as a juror an elector of the said county of Union. Which fact regarding the disqualification of the said juror Roff was unknown to the defendant and his counsel until after the verdict was returned and the jury discharged. The said juror Roff has been a resident of Union county for more than 20 years past, has resided in Marysville and has voted at each election and believed himself to be an elector, all of which facts were known to the attorneys for the defendant at the time said Roff was called upon the panel and an examination of said Roff as to his qualifications as an elector would not have disclosed the facts of his incompetency.

10th, For a further ground of his motion for a new trial the defendant says: That when the juror Solomon Turner was called into the jury panel and inquired of, as to his qualifications as a juror he answered that he had not formed or expressed an opinion as to the guilt or innocence of the accused, when in fact the said juror Turner had previously told other parties that Ferrell, meaning the defendant, ought to be executed and he in the said Turner, would like to be one of the jurors to help doing it

Which fact in regard to the disqualification of said juror was not known to the defendant or his counsel until after the verdict was rendered and the jury discharged.

11th, For further grounds of his motion for a new trial the defendant says; that the juror Emanuel Jarvis who was called on the panel of the jury before being accepted and sworn was inquired of by the defendant's counsel touching his qualifications as a juror and stated that he had not discussed the matter of the defendant's guilt with others, and that he had no opinion either formed or expressed as to the guilt or innocence of the defendant; when in truth and in fact the said juror had discussed the matter with others and had formed an opinion and had said in the presence and hearing of others that if he was on the jury Ferrell would go to the chair, and he would have to pay the debt, that Ferrell's life was no better than Lanes. Said juror Jarvis went on the jury with the determination to bring in a verdict that would take the life of the defendant. Which fact as to the disqualification of said juror was not known to the defendant or his counsel until after the verdict was rendered and the jury discharged.

12th, For further grounds of his motion the defendant says; That the juror Charles Grauman when called on the panel was asked regarding his qualifications as a juror and stated that he had read something about it at the time but had not paid much attention to it, and that if called to sit as a juror he could render a fair and impartial verdict upon the evidence and law. When in truth and in fact the said Charles Grauman had already expressed his intention, if placed upon the jury to inflict the death penalty upon the defendant, and went on the panel with that determination. The defendant and his counsel were unaware of this determination on the part of the juror and did not know that he had formed such a determination and did not know of his disqualification or the determination aforesaid until after the jury were discharged.

13th, The defendant avers that there was irregularity on the part of the jury by which the defendant was prevented from having a fair trial.

14th,

14, For a furthur ground of his motion the defendant says that other members of the jury had formed and expressed opinions against the defendant and went on the pannel with the full determination to inflict the death penalty on the defendant which facts were not disclosed by them but was concealed, and was not known to the defendant or his attorneys until after the trial.

The defendant is not able at this time to more fully set out the misconduct and irregularity of the jury but will disclose and set out the same by affidavits to be filed in support of this motion.

Wherefore the defendant asks that a new trial be granted and that the former verdict be set aside.

The State of Ohio

vs

Rosslyn H Ferrell, alias
Roscoe H Ferrell, alias
Charles R H Ferrell.

In Court of Common Pleas, Union County, Ohio
No 1053. October 16th 1900.

Indictment for murder in the first degree

Journal Entry.

This day came the prosecuting Attorney, on behalf of the State of Ohio, the defendant being brought into Court in custody of the Sheriff, and his attorneys also coming.

And ^{there} upon the further call of the venire and ^{first} alias venire proceeded, whereupon for cause shown, the Court excused Asbury Ogney for physical disability, and ^{and} Homer Richards, and the defendant, by his counsel, challenged Thomas Cady, ^{to} St. G. Jones, ^{to} cause, and the said challenges were, respectively, sustained. And the said defendant, by his counsel, also challenged Howard Gray, John Longbrake, Wm Easton, G. R. Howe, ~~and~~ R. Seig, and John Piersol, each preemptorily. And the State, by the prosecuting attorney, preemptorily challenged John Drake.

And, thereupon, it appearing to the Court that that the said venire and ^{said alias} special venire have been exhausted and that twelve qualified jurors have not been impaneled, on motion of the defendant, by his counsel, it is considered and ordered by the Court that a special venire immediately issue for twenty four persons having the qualifications of jurors, whom the Court selects, and that said venire be made returnable forthwith; and the same is accordingly done.

And afterward, this day, the special venire last aforesaid, returnable as aforesaid, was duly returned by the Sheriff, with his endorsement thereon as follows, to-wit:

(Copy return in full)

And the special venire last aforesaid being called in open Court all of the above named persons appeared in answer thereto except Burl W. Laughlin, Charles Suider, and Arthur Hartshorn.

And upon a further call of the special venire, last aforesaid, for cause shown, the Court excused Daniel Fry, Homer Southard, John Guerner, Charles Chappel, Cone Howard, and W. J. Ginn.

And the defendant, by his counsel, challenged H. E. Sharer, William Perfect, Charles Morlock, William Arthur, Lloyd Rogers, H. B. Lurney, Austin Carey, Wm. Mocher, William Hornbrook, Lester Cline and J. D. Wood, each for cause, which challenges were, respectively, sustained by the Court.

And upon further call of the said special venire the following named persons still failed to answer thereto to wit: Burl W. Laughlin, Charles Suider, and Arthur Hartshorn. Thereupon the defendant, by his counsel, moved the Court to select and cause to be issued immediately a special venire for ten persons having the qualifications of a juror to appear tomorrow morning at half past eight o'clock, which motion the Court granted, and thereupon the Court selected ten persons having the qualifications of a juror and caused to be issued a venire for said persons for their appearance tomorrow morning at half past eight o'clock. And the said Burl W. Laughlin, Charles Suider, and Arthur Hartshorn, still failing to appear and the panel being incomplete the Court at this four o'clock P.M. adjourned until tomorrow, Wednesday, morning at half past eight o'clock.

SECTION 1306. In all felonies, when the defendant is convicted, the cost of the Justice of the Peace, Police Judge, or Justice, Mayor, Marshal, Constable and Witnesses, shall be paid out of the County Treasury and inserted in the judgment of conviction, so that, except in capital cases, the same may be paid to the County out of the State Treasury; provided, in all cases, when recognizances are taken, forfeited and collected and in which there is no conviction, said costs shall be paid out of the County Treasury.
