I, C. W. S. Allison Prosecuting Attorney of the County of Union, Ohio, depose and say that I believe Abagail Gillet to be a material witness for the State, and without whose testimony, the prosecution would fail. That I last week received a line from a person, I believe to be her husband stating that she was sick and would be unable to attend the present term of this, which fact from the source above stated and other sources I believe to be true.
