Received this Writ of fieri facias Nov 10th 1854 and served the same November 13 A.D. 1854 by presenting the within named Sever Gibson with a copy of this writ. There being no goods or chattels found I levied on the lands & tenements belonging to the said Sever Gibson described as follows, Beginning at a Stone in the west line of the road leading from Mansfield to Millford fifty feet from the centre of the Springfield & Mansfield Rail Road thence with the said west line of the Mansfield & Millford road S 41° W 20 poles to a Stone thence N 49° W 8 poles to a Stake fifty feet from the centre of said Rail Road thence N 63° E 21 poles & 17 links to the beginning containing eighty poles the same being part of Survey No 3354 and having so levied I caused the same to be appraised by the oaths of Philip Smith & J. D. Welsh & C. Rathbun three disinterested freeholders of Union County who were duly sworn by me to appraise the same according to law. I advertised said premises for sale in the Mansfield Tribune a newspaper printed and in general circulation in said County, but before the day of sale I received a supersedeas from the Probate Court of Union County commanding me to forbear further process on this Writ.
