~~Transcripts~~ In Union Com Pleas -

On Transcripts from J.P.

The Plaintiffs in these two actions now come and say - That they have had executions from the Clerks Office of the Court of Common Pleas - upon their two Judgments - as provided by Law and that pursuant to same they have had Vendis issued on the same -

That the property taken under the executions was the undivided half - of a certain Steam mill property - in the Town of Essex in Union Co. Ohio - Being the undivided half - of lots No 5 & 7 - in said Town - That said property was seized because - the defendants had no personal property subject to execution - and that it is the only real estate - belonging to defendants - in this County -

Plaintiffs further say that there have been other transcripts filed in the Clerks Office of Union Com. Pleas - of Judgments taken by other parties - against these defendants. And that by such filing they became a lien on the same property seized by these Plaintiffs in execution -

That the Judgments in favor of Plaintiffs

together with the Judgments - above mentioned - and Costs - make an amount exceeding the two thirds of the appraised Value of said Steam Mill property - so seized in execution - That said real estate has been offered since it was appraised - and nearly the whole of it returned by the Sheriff as not sold for want of bidders - That none of it has been sold except the undivided half of Lot No 5 which was struck off - to M. & Laurence for the sum of $15.00 on March 15th 1862 - and that no money was paid to the Sheriff - on such sale -

They further say that said Mill is being run by other parties than the said Baldwin & Turner - and that the rents and profits of the same should as they believe be paid or applied on their claims which are the first liens in point of priority on said real estate -

Plaintiffs therefore ask that the Sale reported by the Sheriff - in these cases - be set aside - and that the Sheriff of this Court or some other suitable person be appointed as a receiver to take Charge of the property levied - to collect rents &c -
