The Plaintiff filed his bill of particulars which is in substance as follows: On the 21st day of June 1882 defendant sold and delivered to plaintiffs a mare for the price of one hundred and forty dollars which sum was then paid by defendant to plaintiffs. As part of the terms and consideration of said contract of sale defendant warranted to plaintiffs that said mare was sound. Said mare was not at the time of said sale sound but was unsound in this that she was cunked, and stifled in the shoulders and was utterly worthless. Plaintiffs have incurred $3 00 necessary expense in shipping said mare from Peoria to Salem and $2 50 necessary expense in keeping said mare. Plaintiffs have been damaged by reason of said unsoundness of said mare in the sum of one hundred and sixty eight dollars for which amount they ask judgment

Judgment, $

BEFORE J. D. Herd JUSTICE OF THE PEACE.

No. 135 Amount claimed, $100 00

April 20th, 1885

The Plaintiff filed his bill of particulars which is in substance as follows: On the 3rd day of July 1881 in an action then brought by the defendant Lucinda Ford against this plaintiff and Adam Wolford in the Court of Common Pleas of Union County Ohio in which Lucinda Ford obtained an injunction against plaintiff and said Wolford. Said Lucinda Ford with the defendant Rofs Townsend duly executed an undertaking a copy of which is hereto annexed and filed herewith which was approved by the Clerk of said Court whereby they became bound to the plaintiff in the sum of $100 being the amount fixed by said Court conditioned to secure to him the damages he might sustain if it were finally decided that the injunction ought not to have been granted and therefore said injunction was issued and served on plaintiff and said Wolford enjoining them from further proceeding in a suit in forcible entry now pending before said Wolford as Justice of the Peace wherein said Lucinda Ford is defendant and D. S. Ford is plaintiff and to restrain said D. S. Ford from further proceedings at law to disturb the plaintiff in her possession of the premises described in the petition in the case until this suit and case No. 3847 in this Court are fully heard and to restrain said D. S. Ford from interfering with plaintiff in her possession of said premises until this suit and said suit No. 3847 are fully determined and on the 13th day of September 1884 it was finally decided by said Court that said injunction ought not to have been granted Plaintiff has sustained damages to the amount of $155 by the granting of said injunction in this Court. The use of one house and lot for 45 months at $3 per month $135.00 Attorney fees $20 which the plaintiff has become liable for to procure the dissolution of said injunction no part of said amounts have ever been paid. Therefore plaintiff asks judgment against defendants in the sum of $100
