To the Honorable the Commissioners of Union
County. We the undersigned being called upon
to view a proposed ~~alteration~~ alteration in the road lead-
ing from Amunee through Liberty Township
to Garwoods Mill. Report favorable to the petitioners
for the following Reasons. The lower crossing of Mill
Creek will require a bridge not less than 30 rods in
length and with a bridge of that length will be
surrounded with water in a high freshet a good
substantial bridge at this ford will cost

at least \$300.00 a bridge at the upper crossing can
 be built for \$100.00 the bridges between the crossing
 on the Old Road will cost as much on the ~~Old~~
 Road to raise them above high water as all the
 bridges as all the bridges on the proposed alteration
 there has work been done on the old Road to the
 amount of 10. or 12 dollars the ground on the proposed
 alteration we consider better for a road than on
 the old Road
