David T. Foster - Administrator.

Probate Court of Union County, Ohio.
In the Matter of the Estate of
Lincoln Hubbard, Deceased. | Exceptions to Final Account.
No. 13301.

Now comes Effie Miller and takes exceptions to the final account of Noville Foster, as administrator of the said estate for the reason that there is the sum of \$71.24 due to this affiant, which said sum was known to the said administrator and was fraudulently and falsely omitted by him from the Schedule of Debts and the final account herein.

Affiant says that the said sums are a result of certain contracts signed by her prior to June, 1933 to the Division of Electricity, Columbus, Ohio, The Columbus Railway, Power & Light Company, and The Ohio Fuel and Gas Company, guaranteeing the accounts of the said Lincoln Hubbard.

Affiant further says that the said Lincoln Hubbard defaulted on his said contracts and that as a result thereof on the 9th day of June, 1933, she paid to the Division of Electricity the sum of \$13.08; to the said gas company the sum of \$16.26; and to the said light company the sum of \$41.90. Affiant further says the said sums were paid by her solely by reason of her liability as guarantor.

Affiant further says that the said sums were known by the said Noville Foster to be a debt of the said estate and that he is attempting to close said estate without payment of the same.

Wherefore, this affiant prays that the said account be disallowed until the said sums are paid to her and credited in the said account.

Robert E. Backman,
Attorney for Applicant

State of Ohio, Franklin County, ss:

Effie Miller, says that she is the person filing the said exceptions and that the facts stated and allegations contained in the foregoing Exceptions are true as she verily believes.

That at the time of the death of the said James Laird, he held one U. S. In the Matter of The Estate of W. H. Thorpe, Deceased.
In the Probate Court, Union County, Ohio.

In the Matter of the Estate of: No. 11965
W. H. Thorpe, Deceased. Application.

Now comes Frances H. Thorpe and respectfully represents to the court that on the 27th. day of December, 1930, she was duly appointed as Executrix of the Estate of W. H. Thorpe, deceased, and that thereafter, on the 14th. day of March, 1932, she filed in this court what purported to be a final account as Executrix of said estate; that said account was not the final account of this application as such Executrix, due to the fact that all of the just debts of said W. H. Thorpe had not been paid in full, and due to the fact that this estate is indebted to this applicant for certain money advanced by her in payment of the debts of said estate.

Wherefore, this applicant prays that said account be changed to read "Trust Partial Account," and that the entry filed on the 30th. day of April, 1932, ordering the

settlement of said estate be abrogated and set aside, and that this application be continued, as such Executrix until said estate be settled and administered, and for such other relief as the court deems just and proper.

Frances K. Thorpe.

State of Ohio, Union County, ss:

Frances K. Thorpe, being first duly sworn, says that she is the applicant herein, and that the facts stated and allegations contained in the foregoing application are true as she verily believes.

Frances K. Thorpe.

Sworn to before me and subscribed in my presence this 7th day of March, 1938.

Geo. Eugene Sanders - Notary Public.

Entry Filed May 7-1938.

In the Probate Court, Union County, Ohio. In the Matter of the Estate of: U. H. Thorpe, Deceased. No. 11965.

This day this cause came on to be heard upon the application of Frances K. Thorpe, and the court, being fully advised in the premises, finds that said Frances K. Thorpe was, on the 27th day of December, 1930, duly appointed as the Executrix of the Estate of U. H. Thorpe, deceased, and that thereafter, on the 14th day of March, 1933, she filed what purported to be a final account in said estate, and that on the 30th day of April, 1933, an entry was duly placed of record ordering the settlement of said estate, and finding said account correct, and that said estate had been completely settled.

The court further finds that in truth said account was not the final account of said Executrix, for the reason that all of the debts of said estate had not been paid, and that said account should not have been filed as a final account, and that said order should not have been made.

It is therefore ordered by the court that said final account be changed to read as "First Partial Account"; that said entry be abrogated and changed, and that the said Frances K. Thorpe proceed as such Executrix, as provided in the last Will and Testament of U. H. Thorpe, deceased, and that as such Executrix she continue to administer said estate and to settle the same.

In the Probate Court, Union County, Ohio.

In the Matter of The Estate of Alvaretta J. Seelye, Deceased. Case No. 13262.
Motion.

Upon comes Edwin A. Seelye as administrator of the estate of Alvaretta J. Seelye, deceased, and represents to the court that no money or property of any nature whatsoever came into his hands, with which he should be charged, as said administrator.

That the only property belonging to the said Alvaretta J. Seelye, deceased, in which she had any interest, or with which he should be charged, as said administrator was the real estate as set forth, described and sold in proceedings to sell real estate, to pay debts in Case No. 13263 of this Court.

That such proceedings were had in said proceeding to sell said real estate that the mortgage, the Home Loan Corporation, to protect itself was the highest and the best bidder and purchased the same and on the purchase thereof did not pay the purchase price to this administrator but paid the taxes, the entire costs of the appointment and procedure of the said administrator and the costs of the land sale, attorney fees and compensation of administrator direct to this court which made distribution accordingly, leaving nothing further for the administrator to do or perform in the premises, he, as an individual having advanced and paid the expense of the last sickness of the decedent, and her debts other than the mortgage.

Therefore, moves the court for an order dispensing with the filing of an account of his proceedings and for an order dismissing him as said administrator and for an order releasing his bond and bondsmen from any further responsibility or liability in the premises.

In the Probate Court, Union County, Ohio.
 In the Matter of the Estate of Peace No. 13262.
 Alvaretta J. Seelye, Deceased. Journal Entry.

This day this cause came on for hearing on the motion of Edwin A. Seelye as administrator of the estate of Alvaretta J. Seelye, deceased, asking to be released as said administrator and bonds released and on consideration thereof the court finds that the said administrator received no moneys or chattel property of any nature whatsoever belonging to said estate nor did any such come into his hands. That the entire estate consisted of real estate and which was sold through proceedings in this court in Case No. 13263.

That as per entry filed this court on March 17th, 1937, journal 49, Page 275, the said real estate was sold to the Home Owners Loan Corporation of Washington, D. C. for the sum of \$2,008.00, to protect its interest it having and holding a mortgage on said real estate.

That the said Home Owners Loan Corporation did not pay the purchase price to the said administrator but paid direct to this court, the costs, taxes, attorney fees and compensation of the administrator, in full and that the court distributed the same.

The court further finds that excepting said mortgage indebtedness, all the other debts and obligations of the estate of the said Alvaretta J. Seelye, including funeral expenses, were advanced and paid by the said Edwin A. Seelye.

The court further finds that no moneys or property of any nature whatsoever, or the proceeds therefrom, came into the hands of the said administrator as such with which he should be charged and that the costs of administration in this case and in Case No. 13263, the land sale having been paid in full by the mortgagee, the purchaser, that there is no necessity of filing a final and final account and that the said administrator and his bond as such in both cases should be released.

Therefore, it is hereby ordered by the court that the filing of an account be, and the same is hereby dispensed with and the bond of the said administrator and the sureties thereon in this case, and the land sale be and they same hereby are released and discharged from any other and further responsibility or liability in the premises, and that the motion on which this entry is predicated, and this entry be and the same are hereby accepted instead and in lieu of an account.

C-1636, 461

Dear Madam:

You have recently been informed of the rating made in the case of your ward, the above captioned veteran, in connection with the report of the recent examination made in his case. In this rating the veteran is considered mentally competent. It would, therefore, not be necessary to continue the guardianship in the Probate Court in so far as the Veterans Administration is concerned. It would appear to be in order to make an application to the Probate Court for restoration of your ward to rights and reason and control of his property and for the termination of the guardianship.

If the Court enters any order restoring the veteran to rights and reason and control of his property and terminating the guardianship, this office should be furnished with a certified copy of the court order and a certified copy of your final account with the Court. It is noted that the last check you have received in this guardianship will be for the month of November, which will be issued November 30, 1937.

Kindly advise this office of the action you will take in the matter.

Very truly yours,

John B. Hicks - Acting Chief Attorney.

Mr. Charles Weaver and John B. Montgomery - Executors -
In Case # 12945 - Margaret Montgomery, Est.
Gentlemen:-

Relative to above Estate in which the Administrators Tax
Papers were duly filed in 1935 and your First and Final
Account last April (the 1st, 1938.)

Pleased to inform you that while same or said
Account will no doubt be approved there being no objections
filed to date, this Court must go on record hereafter as being
fully opposed to Dual Executors each making payment to
themselves to the extent of the full 6-4 and 2 C.

In checking over your papers in this Case we are
satisfied that you did have unusual legal proceedings
and contracts to make, due to the construction of the
"Will" and as you would have been entitled no doubt to
extra compensation at least for one Exec., corresponding to the
amount drawn by one or the other executor, this Court
is not requesting your making any return and a
Final Distribution accordingly.

A copy of this letter is being recorded and filed in
the Case # 12945.

Respectfully - L. W. Hazen - P. J.

In the Probate Court, Union County, Ohio.
In the Matter of the Estate of: No. 13538 - Exceptions to First
Emory Sprague, Deceased, and Final Account of
Harold Sprague, Administrator.

Now come Esther Westrom, Inez Moore, Lppal Smith, Verus
Hansen, and Edith Barunark, and I do hereby except to the
first and final account of Harold Sprague, as Administrator
of the Estate of Emory Sprague, deceased, in the following par-
ticulars, to-wit:

They do hereby except to said first and final account of
said Harold Sprague as Administrator, for the reason
that said first and final account does not charge the
said Harold Sprague with the following assets:

- 1- One double-barreled shot gun, owned by the de-
cedent at the time of his death, of the value of \$ 50.00.
- 2- One double-barreled shot-gun, owned by the de-
cedent at the time of his death, of the value of \$ 25.00.
- 3- One 22- repeating rifle, owned by the decedent at
the time of his death, of the value of \$ 10.00.
- 4- One group of fishing tackle, owned by the decedent
at the time of his death, of the value of \$ 25.00.
- 5- One diamond ring, owned by the decedent at the
time of his death, of the value of \$ 100.00.
- 6- One white gold pocket watch, owned by the decedent
at the time of his death, of the value of \$ 25.00.
- 7- One yellow gold pocket watch, owned by the decedent
at the time of his death, of the value of \$ 10.00.
- 8- One Sapphire ring, owned by the decedent at the
time of his death, of the value of \$ 5.00.
- 9- Three suits of clothing, owned by the decedent at
the time of his death, of the value of \$ 30.00.
- 10- One bed-room suite, owned by the decedent at
the time of his death, of the value of \$ 25.00.
- 11- Two overcoats, owned by the decedent at the time
of his death, of the value of \$ 10.00.
- 12- Other clothing and personal effects, owned by the
decedent at the time of his death, of the value of \$ 10.00.
- 13- One trunk, owned by the decedent at the time
of his death, of the value of \$ 5.00.
- 14- One promissory note owned by the decedent at
the time of his death, of the principal sum of \$ 100.00,
with interest thereon the exact amount of which is
unknown to these petitioners, signed by Harold Sprague,
and payable to said decedent, and owned by him
at the time of his death, of the value of at least
\$ 100.00.

Emory
his ad-
to, and
and
effects, to
Administrator.

That all of the above mentioned property is, and has been, since the time of the death of said decedent, in the possession of and under the control of Harold Sprague, Administrator, and was well known by him to be a part of the assets of said estate.

These petitioners further except to the item in said account enumerated as Voucher No. 13, as follows: "Eva Sprague, Board, lodging and services, rendered, \$ 846.64," for the reason that the said decedent, Emory Sprague, was not indebted to the said Eva Sprague for services rendered or for board, lodging and clothing, all of which was well known to the said Eva Sprague and to the said Harold Sprague, as Administrator, the said Eva Sprague being the wife of the said Harold Sprague.

These petitioners further except to the item marked Voucher No. 3 "Robert V. Anderson, doctor bill, \$ 392.00," for the reason that the said Emory Sprague at the time of his decease was not indebted to the said Robert V. Anderson for a doctor bill in the sum of \$ 392.00.

Said petitioners further say that due to the fact that the said Harold Sprague, as Administrator, knew of the additional assets of said estate, and they were in his possession and under his control, and that he did conceal the same, and did not account for the same in his final account, or in an inventory which he filed in said estate, and that such acts constitute a fraud upon said estate and these petitioners, and that therefore they do except to item marked Voucher No. 11 "Harold Sprague, Administrator, \$ 93.60," for the reason that said Administrator, due to said fraud upon said estate and the beneficiaries thereof, is not entitled to any compensation for acting as said Administrator.

Wherefore, these petitioners pray that a hearing may be had upon said account and the exceptions thereto, and that the court require the said Harold Sprague, as such Administrator, to account for said property so concealed, and not included in the assets of said estate; that items represented by Vouchers No. 3, No. 11 and No. 13, in said account may be stricken therefrom, and the said Harold Sprague, as such Administrator, ordered to account for the same, and for such other and further relief in the premises as the court deems just and proper.

Deceased. Claim of Eva Sprague.

State of Ohio, County Union, ss:

Eva Sprague, being first duly sworn, says that the estate
of Emory Sprague, deceased, is indebted to her for ser-
vices rendered at the special request and request of Emory
Sprague, the decedent, for board and lodging, laundry,
nursing and care from September 18, 1936 to January 17,
1938, at the rate of \$12.00 per week.

Affiant further says that she made certain expen-
ditures from her own funds for miscellaneous drugs
and necessaries needed in the last illness of decedent
in the principal sum of \$35.00. Affiant further says
that there are no set-offs or counter claims against
said account and no part of the same has been paid,

The above claim is this day allowed by me, the

Harold Sprague - Administrator.

Filed
May 12 - 1938. In the Probate Court, Union County, Ohio.
In the Matter of the Estate of: | No. 13538. |
Ermy Sprague, Deceased. | Entry.

This day this cause came on to be heard upon the exceptions filed to the first and final account of the Administrator herein.

And the court, being fully advised in the premises, finds that said exceptions are not well taken and does hereby overrule the same, and confirms the account.

The court further finds that the said exceptors were entitled to notice of the debts and costs of administration in said estate, and for that reason the court costs incurred herein are not charged against said exceptors, but are charged against said estate.

It is therefore ordered that the \$25.00 which was placed with the court as security for costs, shall be returned to said exceptors, and the costs, if any, in this action shall be charged against said estate.

Supplemental Statement.
 To the Hon. L. W. Hager,
 Probate Judge,
 Mansville, Ohio:
 I hereby certify that in response to your letter of September 20, 1938, as I had filed my third partial account as Guardian of Clara E. Warner, an incompetent, I made further careful investigation concerning the matters in question and found the following to be the facts.
 The Walter Hereford Note for Six Hundred Forty Dollars and 00/100 (\$640.00) was a part of the balance carried forward into this account in the sum of Two Thousand Seven Hundred Sixty Nine Dollars and 33/100 (\$2769.33) it having been originally in the amount of Three Thousand Eight Hundred Forty Eight Dollars and 40/100 (\$3848.40) carried forward from the first partial account. This note was paid in full with all interest through the office of Milo L. Myers of Mansville, attorney at law, and cash payment was made on April 15, 1935. The account showing interest accounted for to January 16, 1934, the interest to April 15, 1935, at which time all of said note was paid, in the full amount of the note, would be Forty Eight Dollars and 00/100 (\$48.00) for which I am accounting herewith in said amount.

The full note for Fifty Dollars (\$50.00) I am taking up and have computed the interest to date of account and I am herewith accounting for said note and interest in full in the sum of Sixty Three Dollars and 00/100 (\$63.00).

I have carefully checked the maintenance items as referred to in the fourth paragraph of this letter and find that the amount of time which had elapsed after taking into consideration the weeks elapsing during the pendency of the second partial account, before the first check was drawn, which appears in this the third partial account and referring to the post script in this letter, indicating that not enough merchandise is account for, leaving a balance of possibly either Seven Dollars (\$7.00), Seventeen Dollars (\$17.00), or Twenty Seven Dollars (\$27.00), which in fact is merchandise instead of maintenance. The variation of Seven Dollars (\$7.00) to Twenty Seven Dollars (\$27.00) inclusive, being determined by which week the monthly allowance starts and which week the monthly allowance is presumed to end. A final determination, in this Guardianship, of course, can never show payment for more time than has actually elapsed with reference to maintenance allowance.

The bonds referred to in your next paragraph, were sent in by the bank at the time they became due and the money, when returned to the bank, immediately invest in time certificates of deposit. This was upon the recommendation of the Richmond Banking Company in that the Bank, itself, and many customers were obliged to do the same thing due to the fact that the bonds became due and payable and interest was no longer being paid by the Government on said bonds.

The money received on the First National Bank liquidation account has been accounted for as shown by said accounts.

The apparent difficulty arises in this case by reason of the fact that all moneys received belonging to this estate from whatever source, are immediately deposited in the Bank in the Guardianship Account and all moneys that are paid out are paid out by the issuance of a check. The Bank is supposed to write into the Bank Book a description of each item of deposit. This they failed to do in many instances, as will be disclosed by an examination of the Bank Book. That is to say, the only entries made by the Bank on the Bank Book are simply such entries as are required to keep their accounts correct. The source of the deposit is not indicated and for that reason, it was inadvertently assumed that the entry on the Bank Book dated April 6, 1937 in the sum of One Hundred Sixty Two Dollars and 74/100

(\$162.74) might have been a part of the Hereford Note. As it might have been an entire item of interest on said note in which event the account, as heretofore filed, would have been correct. However, upon investigation at the office of Miss L. Myers, it was clearly disclosed by his records, that the Hereford Note and interest was paid in full on April 15, 1935. The Bank shows a deposit on that day of Four Hundred fourteen Dollars and 29/100 (\$414.29). The Hereford Note, however, had been paid through Mr. Myers office by the month and the balance due and final check issued, was in a sum less than Four Hundred Dollars and 00/100 (\$400.00). Yet by this account as now filed, I am for accounting in full for the Hereford Note together with interest on the full amount, there, up to and including the date of final payment to-wit April 15, 1935.

Any further explanation will be furnished your Honor upon request.

In the Matter of The Estate of Martha R. Ward.
This day A. D. Parish, Administrator of the Estate of Martha R. Ward, deceased, states:
That no property or estate of any kind whatsoever belonging to the estate of said decedent, has come to the possession or knowledge of this affiant as such except the real estate, which was sold to pay the debts of said estate, by order of the Probate Court of Union County, Ohio, and the proceeds from said sale were all distributed in the Entry of Confirmation and Distribution which is on file in the Probate Court.
That said appointment was made for the purpose of filing suit to sell the real estate to pay debts of the estate.
That no claim is made for expenses or compensation on account of said trust by affiant, other than statutory fee for Administrator.
Wherefore no reasons exist for the continuance of said trust, and he therefore tenders his resignation as such Administrator and asks that the same be accepted by the Court; and that this statement be accepted by the Court in lieu of and for his first and final account and that he be discharged of his said trust.
Dated July A. D. 1939. A. D. Parish.
The State of Ohio, Union County
The within named A. D. Parish being duly sworn says that the foregoing statement is true as he verily believes.

Sworn to before me and signed in my presence this 31st day of July, 1939.

that this applicant has personally paid all of the

This day this cause came on to be heard upon the filing of a statement in lieu of and for a final account by James D. Wood, Executor.

Wood in compliance with the last Will and Testament of said decedent.

The court further finds that the said James D.
