In the matter of the Estate of W^m Cratty, s^r Dec^d } To the Honorable the Court of Common Pleas
of the County of Union, State of Ohio.

The undersigned to whom was referred the papers and vouchers in the matter of the Estate of W^m Cratty, s^r deceased, having examined the papers and vouchers and also taking the annexed testimony respectfully reports, that as to the matter of the Guardianship of said William Cratty, s^r, there appears to be but very little to be arrived at, there being no papers or vouchers exhibited, in this matter all is mere hearsay. John Cratty states that William Cratty, ^(who is now in California) was the acting Guardian and transacted all matters of business as Guardian and that the papers and vouchers (if there were any) are in his hands, and disclaims all knowledge in what manner the Guardianship was conducted, that as to the matter of the Executorship.

The Inventory and Sale Bill Charges said John Cratty as follows

Debts owing to the Estate as per Inventory, valued at	\$2001.81
Amount of Sale Bill	89.83

Total amt of Inventory & Sale Bill \$2091.64

There appears to be a misunderstanding on the part of the appraisers as to their duty, in appraising the debts due the Estate not easily gotten over, I learn that the indebtedness of E. W. Inskeep, amounting to \$304.00. and the note of N. Wheeler and E. W. Inskeep for \$58.82 were notes given for Lands sold to them, by the deceased in his life time and therefore were liens upon the Lands until paid, It appears by the admission of John Cratty however that E. W. Inskeep has paid the full amount of his individual indebtedness including the interest thereon.

At the time of the appraisement ^{of these} notes ~~there~~ there were endorsements thereon amounting in all to \$92.70. Leaving a balance of \$211.30 including the interest that had accrued. It appears also by two receipts and an affidavit in the hands of said John Cratty, that W. C. Lawrence as attorney for W^m Cratty in his life time and previous to his becoming insane had rec^d payments to the amt of \$95.00, Receipts dated May 27 & 28, 1845, these would stop the interest accruing up to that time. By a statement of Mr J^r Cratty said notes were settled in full. Sept 12, 1849, The interest that accrued upon saier notes

would amount to the sum of \$96.03½, making the whole
Amount rec^d ^{by him} on E. M. Inskeep's notes \$307.33½

Depositions of Witnesses taken in the Examination of
the accounts of William & John Cratty as Guardians of William
Cratty sen. and the accounts of John Cratty as Executor of the
Estate of said William Cratty sen deceased in pursuance of an
order of the Court of Common Pleas of the County of Union, Ohio

William M. Shanagan of the County of Union, Ohio, of lawful age,
being first duly sworn by me as hereafter certified, deposes and
says

Question, by J^d Cratty, State what you know in relation to the matter
of keeping William Cratty sen deceased, & what was it worth ^{per week} to keep
him and how long he was kept,

Answer, I lived a close neighbor to John Cratty during the time of
his keeping said William Cratty sen who was insane. It was a great
deal of trouble to take care of him, he not only required constant ^{watching} during
the day but at night also. I watched with him several nights or parts of
nights. he would not lay in bed more than an hour or hour and a
half. when he would get up. he smoked a great deal, and when he
got up would have to smoke, very frequently in a second ^{or} go after
he had his pipe lit. he would let the fire fall out of his pipe and
would scatter it over the floor, he was in the habit when he got up
he would get all the wood he could and have it all piled on the fire
no odds whether there was any need of it or not. He was also
in the habit in day light of wanting to go. and Mr Cratty had to go
with him or if it was so that John Cratty could not go with him he
would start off alone, and he had then to be followed. A part of the
time he was able to go on horse back. I knew frequently of his taking
a horse and going off, and Mr John Cratty would have to start after him
and hunt him up, being gone a day or so at a time. The time that
he was kept by John Cratty I think ^{was} something like two years and a half
that is from the time that he first came to his house until his death,
however she was not there all the times, ~~which~~ I can not say what
portion of the time he was absent. It was only a small portion of his
time that he was absent. It is a difficult matter for me to say what it

was worth to keep him. Had it been an ordinary case it would not have been so difficult. I should not have been willing to have kept him for less than a dollar a day the year round, I think it was worth that amount, If I was to undertake to state the real value of keeping him I would not put it under that amount,

Question by Master. Was Mrs Cratty also kept by John Cratty, if so. what length of time was it, and what was the keeping of her worth or do you include her keeping with that of The Old Gentleman,

Answer. She was kept by John Cratty some time, she came there with the Old Gentleman, and staid until her death. I think she lived just about a year. I did not include the keeping of her with that of the Old Gentleman, She was old and enfeebled and was not able to do much more than what she done for herself & was of no service to the family she was subject to brashes of sickness from which she would be unable to do any thing for several days at a time. I think her boarding washing &c included would be worth a dollar and a half a week,

Question by Mr Cratty, Did you include funeral Expenses in the above statements,

Answer I did not. I was not thinking of the funeral expenses, I had no reference to the funeral expenses of either,

Question by same, Do you know the amount of the funeral Expenses

Answer I do not, I think that about twenty five dollars would cover the funeral Expenses of both, W^m. M. Flanegin

Also Rosanna Lawrence of Union County aforesaid of Lawful age, being first duly sworn as hereafter certified, deposes as follows:

Question. by John Cratty. State what you know in relation to the matter of keeping William Cratty sen^r deceased. How long was he kept by John Cratty, and what was it worth per week to keep him

Answer, I could not say from my personal knowledge how long he was kept by his son, from my own knowledge and from Information derived from others. I think it was worth a dollar a day to keep ~~and~~ take care of him from the time of ^{his} being taken insane

until the day of his death, He was sometime at my house, and was very troublesome whilst there, by being up at nights building large fires in the house and carrying about brands of fire in his hands, and in a number of other ways. He was at my house I would think as much as four months. I believe that John Cratty had the care and keeping of him two years and seven months, inclusive of the four months above stated. I think that Mrs Cratty was at the house of John Cratty about one year, during the time above stated, and until her death, I suppose it would be worth in the neighborhood of a dollar and a half a week to board her including washing &c.

Rosannah Lawrence

Also William Porter of Union County, aforesaid, and of Lawful age, being first duly sworn, as hereafter certified, deposes as follows.

Question, by John Cratty, State what you know in relation to the matter of keeping William Cratty, sw. How long did John Cratty have the care and keeping of him and what was it worth per week or day?

Answer, As to the length of time I am not certain. It might have been three years probably not so much, it was between two and three years. My impression is that he was in sane all the time that he was in the care of John Cratty until his death, sometimes worse than others, at times rather furious and violent, at others he would have very little to say, ~~at~~ would appear rather crabbed, had an inclination to run away or go off. I considered him a great deal of trouble, I have been there when he appeared inclined to be up as much at night as in day light putting on great fires &c, I never have seen him so furiously insane as to consider him dangerous, I think a dollar a day would not have been too much to pay for his care & keeping. Mrs Cratty went to her sons at the same time with the Old Settlers. Boarding and washing &c for her was worth I suppose a dollar and a half per week.

Wm Porter

I, James M. Willinson Special Master to whom the foregoing case was referred by the Court of Common Pleas of Union County, Ohio, do hereby certify that the above named William M. Flanagan, Rosannah Lawrence and William Porter were by me first duly sworn to testify the truth, the whole truth, and nothing but the truth, and that the foregoing depositions by them respectively subscribed, were reduced to writing by me and were taken on the 23rd day of September in the year 1857.

To Levi Phelps, Associate Judge of Union County Com Pleas

The subscriber residing in Union Township,
Union County, Ohio, being a relative to wit father of John Pat-
rick of said township respectfully represents, that the said
John Patrick now is, and for some time past hath been
insane and is wholly incapable, in want of his mental
derangement to take care of himself, family or property,
and moreover that in the opinion of the subscriber the
said John Patrick ought not to be permitted to be at
large. He therefore requests, that such proceedings may
be had, to ascertain the true state and condition of the
said John Patrick as may be warranted by law.

To the Sheriff of said County:

Whereas Complaint has been made to me, in writing by Moses Patrick that John Patrick of said County, is insane. You are, therefore, hereby required to give notice to, and cause the said John Patrick if his condition will admit of it, to be brought before me at the Court House of said County, on the 8th day of May 1848 at one o'clock P.M. also that you summon five discreet, disinterested freeholders of the County, who are not residents of the township of Union to appear before me, at the same time and place, to inquire into said case; and that you have then and there this writ, with the manner in which you have executed the same.

We the Jurors having heard the evidence
~~and~~, and duly enquired into this case, do find
that the said John Patrick is insane and
incapable in consequence of his mental
derangement of taking care of himself or
family or property, that he has been a resident
Citizen of the County of Union and State of
Ohio for more than one year last past
that in our opinion he is so furiously mad as
to render it dangerous to the peace and safety
of the community that he should be permitted
to go at large; And we do moreover find, that
he has some property, mostly real estate, all of
which is supposed to be worth about six hundred
and forty dollars, and the probable annual
income of said estate is about forty five
dollars, which we think is not more than
sufficient to support his family which consists
of a wife & three minor children; we find
the said John Patrick to be forty Eight years
old. May 8th 1848

As the Jurors having heard the evidence and duly
enquired into this case do find that the said
Heriam Keeler is insane and is capable in consequence
of his mental derangement of taking care of himself
or family or property that he has been a resident
Citizen of Union County and State of Ohio for
more than one year last past that in our opinion
he is so furiously mad as to render it dangerous
to the peace and safety of the Community that
he should be permitted to go at large and we do
moreover find that he has some ~~property~~ personal
property supposed to be worth fifty five Dollars
and the probable annual income of said property
is about eight Dollars which we think is not sufficient
to maintain his family which consists of a wife and
six minor children. We find the said Heriam
Keeler to be about forty years old.
