for the Aged, Defendants.
This matter came on to be heard upon the Petition of the plaintiff for authority to sell the real estate of the decedent to pay the debts of the estate, and the Cross Petition of the Division of Aid for the Aged in the Department of Public Welfare of the State of Ohio and the evidence and the Court finds that all of the Defendants have waived the issuing and service of summons and process, have entered their respective appearances herein and have in writing consented to the sale of said real estate. The Court further finds from the evidence that the prayer of the Petition should be granted, that the first tract of the real estate described in the Petition was appraised by the appraisers of the estate at $700.00, that tract two was appraised at $400.00 and that a further appraisement is dispensed with. The Court further finds that the bond heretofore given by the Plaintiff as administrator of said estate in the sum of $2100.00 is sufficient to cover double the total real and personal assets, and it is ordered that the giving of an additional bond be dispensed with. And it appearing to the Court that it would be more to the interest of said estate to sell said real estate at private sale, it is ordered that F. A. Patrick as such administrator sell, the real estate in the Petition described at not less than the appraised value for cash. And the Plaintiff is ordered to make return forthwith upon such sale.

of the estate of
Chas L Miller Deceased.
Plaintiff, vs.
Effie L. Miller, et al.,
Defendants.

This matter came on to be heard upon the petition of the plaintiff for authority to sell real estate of the decedent to pay debts and the defendants having waived the service of summons and process upon them, the court finds from the evidence that all necessary parties are before the court and that the prayer of the petition should be granted. That, the real estate described in the petition was appraised by the appraisers of the estate at $1,800.00, and orders that a further appraisement be dispensed with. That court further finds that the bond heretofore given by the plaintiff as administrator of the estate of Charles L. Miller, deceased, in the amount of $4,000.00 is sufficient. Therefore, it is ordered that an additional bond in this case be dispensed with. And, it further appearing to the Court that private sale would be to the best interests of the estate, it is ordered that said administrator sell said real estate at private sale at not less than $1,800.00, being the appraised value thereof, and for cash. And, it is further ordered that said administrator make due return of his proceedings and sale without unnecessary delay. Approved: Milo L. Myers, Atty. for Ptf.

of Barbara Wottring, deceased, Plaintiff,
vs. Mary Elizabeth Robertson and William O. Robertson, Carrie M. Hines and Glenn Hines, and Minnie C. Schurch, defendants.

Order Dispensing with New Appraisement and Ordering Private Sale

This day this matter came on to be heard upon the petition of the plaintiff for authority to sell real estate described in the petition to pay the debts of the decedent. The Court finds that all the defendants have waived the issuance and service of summons and are properly before the Court. The Court further finds that it is necessary to sell the real estate as described in the petition for the purpose of paying debts and the costs of administration. The Court further finds upon the evidence that Tract I as described in the petition was appraised for the sum of Nine Hundred Seventy Five Dollars and that Tract II was appraised for the sum of One Thousand One Hundred Sixty-seven Dollars rather than appraised as set forth in the petition. The Court further finds that the plaintiff heretofore has given bond as executor of the estate in the amount of Five Thousand Dollars, which amount the Court finds to be sufficient to cover the sale of each of the above described properties; it is therefore ordered that the giving of an additional bond be dispensed with. The Court finds that the appraisements made by the appraisers appointed in the estate of Tract I in the sum of Nine Hundred Seventy-five Dollars and Tract II in the sum of One Thousand One Hundred Sixty-seven Dollars is a fair marketable value of said properties and a further appraisement is hereby dispensed with. It appearing to the Court it would be to the best interests of said estate if the real estate described in the petition be sold at private sale. It is therefore ordered by the Court that Marion C. Winter as Executor proceed to sell said real estate at private sale, Tract I for not less than Nine Hundred Seventy Five Dollars, and Tract II for not less than One Thousand One Hundred Sixty-seven Dollars,being the appraised value of each of said tracts. It is further ordered that Marion C. Winter as such executor make return of sale without delay. Approved:Allen and Allen By Robert F. Allen, Attorneys for Plaintiff

Hoopes,the Referee heretofore appointed by the Probate Court of Union County,Ohio,upon the Petition of the plaintiff for authority to sell the real estate of the decedent to pay debts of the estate,and the Answer of Thelma Coder and the Answer and Cross-Petition of Dorothy Elliott and Sylvia Blair,and the Answer and Cross-Petition of Mark H Winkle,David Winkle, Theodore R Winkle and Howard and George Winkle,and the answer and coss-petition of Margaret Winkle,the other defendants being in default of answer,although served with summons according to law,or have waived service of summons,which waiver and service of summons is hereby approved.

The Referee finds from the evidence that all necessary parties are before the Court and that the prayer of the Petition should be granted;that Tract 1.of the real estate described in the Petition was appraised by the appraisers of the estate at $5,700.oo and that tract 2. of the real estate described in the Petition was appraised by the appraisers of the estate at$1,200.oo and that a further appraisement is dispensed with.

It is ordered by the Referee that the administrator with the will annexed sell tract no 1.of said real estate described in the Petition at not less than $5,700.oo at private sale, being the apprizsed value thereof, for cash on delivery of deed.

It appearing to the Referee that it would be more to the interest of the estate to sell Tract no 2 at public auction,it is ordered and adjudged by the Referee that said administrator with the will annexed proceed to sell tract no 2. at public auction.

It is further ordered that the administrator with the will annexed retain the proceeds from each of said tracts until the proper finding is made as to the liens and distribution.

This day this cause came on to be heard upon the petition of the Plaintiff for the construction of the will of said decedent and was submitted to the Court upon the pleadings and evidence.
And the court,being fully advised in the premises,find that the Defendants have waived the issuing and service of summons and process,entered their appearance herein,and consented to the construction of the will as prayed for in the petition.
The Court further find that said testator under the provision of Items 2 and 3 of said will attempted to divide his farm of 176.36 acres between his children, esse C Mitchell and William Marlow Mitchell,but that the descriptions used in said will were erroneous and incorrect. Taht the correct description of the real estate devised by said testator to his son,Jesse C Mitchell under item 2 of said will is as follows:

That the correct description of the real estate devised to William Marlowe Mitchell under item 3 od said will is as follows:

The court further find that all of the provisions of said will have been complied with and that said beneficiaries are entitled to have said real estate transferred to them by the Plaintoff as such executor. It is therefore considered by the court that Item 2 of said will be construed to convey to Jesse C Mitchell the following described real estate.

Plaintiff
vs
Arthur T Marriott et al
Defendants.

This day this matter came on to be heard upon the petition of the Plaintiff for authority to sell real estate of the decedent in order to carry out the terms of his last will and testament , the cross-petition of Vesta Davis ,the cross-petition of the Richwood Banking Company and was sub,itted to the court and the Court, being fully advised in the premises find that the exceptions of those above named,all of the Defendants have voluntarily entered their appearance and consented to the sale prayed for and are properly before the court. The court finds further from the evidence that the prayer of the petition should be granted;that the real estate described in the petition was appraised by the appraisers of the estate as follows:
Tract no.1-----$12,000.oo
Tract no.2----- 350.oo

and that a further appraisement is dispensed with.
The court further find that the bond heretofore given by the Plaintiff as executor in the sum of $54,000.oo is sufficient and it is ordered that the filing of an additional bond be dispensed with.
The Court further find that there is due the Defnedant, The Richwood Banking Company,upon the note and mortgage set up in its cross-petition the sum of $3176.25 with 6% interest from February 6th 1943,and that said mortgage is a valid lien upon Tract no 5 described in the petition.
The court further find that there is due the Defendant, Vesta Davis,upon note and mortgage set up in her cross-petition the sum of $5250 ($5250.oo) with interest from January 7th 1943,and that said mortgage is a valid lien upon tract no.1 described in the petition.
Thereupon on motion of the Plaintiff and it appearing to the court that it would be more to the interest of the estate of Charlie S Marriott deceased,to sell said real estate in the petition described at private slae,than at public sale;
It is therefore,by the court ordered,adjudged and decreed that the Plaintiff shall proceed to sell real estate at private sale for not less than the apprised value thereof;on the following terms,towit: Cash in hand. mortgage given by James Winkle to Susan E Smart for $2500.oo, recorded in Volume 68,page 162 of the Records of Mortgages of Union County,Ohio, has been fully paid and said mortgage is ordered cancelled as provided by law.

The matter coming on to be further heard upon the report of the Referee the court finds that the conclusions of fact and conclusion of law as reported by the referee in holding a judgment in the sum of $78.oo with costs and interest,wherein Forothea Elliott was plaintiff and James Winkle was defendant,as evidenced of record in the office of the Clerk of the Common Pleas Court of Union County,Ohio,in Judgment Docket , page 246,to be invalid is correct and the same is hereby confirmed and approved.

The matter coming on to be heard further upon the report of the Referee upon a mortgage in the sum of $1049.73 with interest at six percent dated October 28 1914,due one year from date, and recorded in Volume 72 page 81 of the Records of mortgages of Union County Ohio,wherein James Winkle was mortgagor and Minnie E Winkle,Guardian of Howard Winkle,Mark Winkle,Throdore Winkle, Sylvia Winkle,Durtha Winkle and Davie Winkle,was mortgagees in no valid claim on any part of the real estate of the decedent for the reason that the statute of limitations has run against said note and mortgage.

The matter coming on to be further heard upon the report of the referee and the testimony adduced,the court finds the referee to have been in error as to the parentage of Amanda Rader; the court finds that Amanda Rader was a bastard child born to Mrs James Winkle prior to her marriage with James Winkle.

This cause coming on further to be heard before the court upon the motion to distribute the proceeds of the sales,the court finds from the pleadings and the evidence that Tract no.2 of the real estate as described in the petition was not dsiposed of by the last will and testament of decedent with the exception that testator expressly stated that Minnie Winkle had heretofore been provided for and that no part of his estate should go to the said Minnie Winkle,and that the proceeds of Tract no 2 should be used by the administrator with the will annexed to pay costs of administration,after the exhaustion of the proceeds of all the personal property

It appearing to the court that the personal property and the proceeds of tract no 2 are insufficient to pay the debts and assets of administration,it is ordered that said administrator with the will annexed pay the costs of administration and the debts as allowed in the Schedule of claims on file in this court from the proceeds of tract no.1 after the exhaustion of the personal property and proceeds from tract no 2.

The court finds from the pleadings and evidence that the testator devised tract no 1,as described in the petition to his children,Howard,Mark H.,Theodore R and Davis J. upon condition that said sons pay Maude $300.oo and the court finds from the evidence adduced that Maude is deceased, and that the amount to be paid to her has lapsed, Robert C $500.oo,Lawrence H the sum of $200.oo,Sylvia $500.oo and Durtha $500.oo,and said children having by pleadings elected by the pleadings on file to take under said will and to make said payments and the balance of the proceeds from tract no 1.

It is therefore ordered by the court that the administrator with the will annexed,from the proceeds of the sale of tract no. 1, after the payment of the debts and costs of administration, make pay ments to Robert C. in the sum of $500.oo, Lawrence H in the sum of $200. Sylvia in the sum of $500.oo and Durtha in the sum of $500.oo,and the rest and residue of the proceeds of said tract no.1 to be distributed to Howard,Mark H., Theodore R,and David J.in equal shares, share and share alike.

It is further ordered that the sum of $ 50.oo be allowed to C.A.Hoopes as the referee for his compensation which said sum is taxed as court costs of this proceeding,and all costs of this proceeding including costs before the Referee,be assessed against the estate.

John W. Sullivan, deceased. Order Admitting to Probate and Record (Commission Returned)
This matter came on this day further to be heard, on the application of Elmer Sullivan to admit to probate and record the will of John W. Sullivan, deceased, late of the township of Washington in said county, heretofore filed in this court. It is now shown to the satisfaction of the court that said decedent died leaving Lennie May Sullivan, surviving spouse, and that the surviving spouse and all the next of kin of said decedent known to be resident of the State have been duly served with notice of the filing of said will and of the application to admit it to probate and record in this Court, pursuant to a former order of this Court, and have waived notice and given consent to the probate of said will. Milo L. Myers, the Commissioner heretofore appointed to take the deposition of Robert Huffman, one of the subscribing witnesses to said will, duly returned the commission issued to him, with said will annexed, and also the deposition so taken, duly certified; Carrie W. Hornbeck appeared as a witness to the signature of Leonard W. Cox, a subscribing witness to said will, who is now deceased. Said subscribing witnesses to said Will, having been duly sworn, testified as to the execution and attestation of said will, which testimony was reduced to writing, was subscribed by them respectively,and was filed with said will. Whereupon the Court finds that the aforesaid instrument of writing is the last will of said John W. Sullivan, deceased; that it was duly executed and attested; and that the said testator at the time of signing said will, was of full age, of sound mind and memory, and not under any restraint. Therefore the Court orders the admitting of said will to probate, and that it, together with the said testimony of the witnesses above named, be entered of record in this court.

Whereupon the Court finds from the evidence adduced in open Court that on or about the 18th day of June,1943, said minor was injured as result of collision with an automobile owned and operated by Beatrice Rethinger in the City of Marysville, Ohio; that as a result of said collision, said minor suffered severe and painful injuries but that no suit on said minor's claim has been brought and said Beatrice Rethinger, while denying all liability on account of said injuries has, nevertheless offered in full settlement of said claim the sum of Three Hundred and Eight and no/100 Dollars ($308.00). This matter came on this day further to be heard, on the application of Ira Wells to admit to probate and record the Will of Perry W. Wood, deceased, late of the Township of Leesburg in said county, heretofore filed in this court. It is now shown to the satisfaction of the court that said decedent died leaving no surviving spouse, and all the next of kin of said decedent, known to be resident of the state, have been duly served with notice of the filing of said Will and of the application to admit it to probate and record in this Court, pursuant to a former order of this court, or they have waived notice and given consent to the probate of said Will. And F. LeRoy Allen and Mildred F. Allen, the subscribing witnesses to said Will, this day appeared in open Court and having been duly sworn, testified respectively to the due execution and attestation of said Will, which testimony was reduced to writing, was subscribed by them respectively, and was filed with said Will. Whereupon the Court finds that the aforesaid instrument of writing is the last Will and Testament of said Perry W. Wood, deceased; that it was duly executed and attested; and that the said testator, at the time of signing said Will, was of full age, of sound mind and memory, and not under any restraint. Therefore the Court orders the admitting of said Will to probate, and that it, together with the said testimony of the witnesses above named, be entered of record in this Court.

Order Admitting to Probate and Record
This matter came on this day further to be heard, on the application of Earl Hammerle to admit to probate and record the Will of Minnie Hammerle, deceased, late of the township of Paris in said county, heretofore filed in this court. It is now shown to the satisfaction of the court that said decedent died leaving Earl Hammerle, surviving spouse, and that the surviving spouse and all the next of kin of said decedent, known to be resident of the state, have been duly served with notice of the filing of said Will and of the application to admit it to probate and record in this Court, pursuant to a former order of this Court, or have waived notice and given consent to the probate of said Will. And John W. Dailey and James W. Price, the subscribing witnesses to said Will, this day appeared in open Court and having been duly sworn, testified respectively to the due execution and attestation of said Will, which testimony was reduced to writing, was subscribed by them respectively, and was filed with said Will. Whereupon the Court finds that the aforesaid instrument of writing is the last Will and Testament of said Minnie Hammerle, deceased; that it was duly executed and attested; and that the said testator, at the time of signing said will, was of full age, of sound mind and memory, and not under any restraint. Therefore the Court orders the admitting of said Will to probate, and that it, together with the said testimony of the witnesses above named, be entered of record in this Court. Richard L. Cameron, Common Pleas Judge
I hereby certify this to be a true copy of the original filed in this office. Feb. 18, 1944

On consideration thereof,the court finds that all of the defendants have duly waived time and consented to the granting of the prayer of the petition.
The court further finds that the allegations contained in the petition are true,and that all the parties interested in said real estate and said action are properly before the court and that the prayer of the plaintiff's petition should be granted.
The court further finds said real estate in the petition described was included in the inventory and appraisal of the estate of the said Bessie Berger deceased,w hich has been duly filed in this court and as appears in said inventory the said real estate was appriased at the sum of $2466.oo and has been approved by the court.
The Court finds that the plaintiff,John C Berger,as surviving spouse of the said Bessie Berger deceased,desires to purchase said real estate at the appraied value thereof,has elected so to do and the election was made within thirty days from the approval of the said inventory and appraisement and that the said real property constitutes the mansion house of the decedent and in which she and he resided,including the lands on which the same is situated and adjacent thereto, and used in conjunction therewith,as their home.
The court further finds that the said decedent died intestate,and the said real estate was not specifically devised,and there are no creditors of the said decedent whose right would be prejudiced by covenance of said property to the surviving spouse,and that the sale of the same as in the petition described to him should be permitted.
It further appearing to the court that the plaintiff,John C Berger, as surviving spouse of the said Bessie Berger,deceased,as such under section 10509-4 should receive twenty percent of the deceden's estate in the sum of $500.oo and there being no property which to elect to take,the same is a lien on the real estate described in the petition and that in addition thereto, the said surviving spouse is entitled to one-third of the said estate subject to distribution.
Therefore,it is ordered and decreed tha t Ralph Heller the administrator of the said estate, without giving additional bond,be and he hereby is appointed as commissioner for the purpose of conveying the real estate described in the petition of the Plaintiff, to the said John C Berger,as the surviving spouse of the said decedent;and,it is further ordered that the said Ralph Heller as such commissioner be and he is hereby authorized and directed to credit on the purchase price the said twenty percentum,or $500.oo as above stated and as further payment,the said Ralph Heller as such commissioner be and he hereby is authorized and directed to receive from the said John C Berger the sum of $1,760.oo in cash and upon receipt thereof,the said commissioner is hereby authorized and directed to execute a good and sufficient deed for said real estate to the said John C erger. And,it is further decreed and ordered by the court that in payment of the balance due of the appraised value of the real estate towir: the sum of $206.oo,the saidJohn C berger as surviving spouse of the said decedent be credited said sum and charged with the same out of his share on distribution. It is further decreed that if for any reason whatsoever,the said John C Berger should not be entitled to receive on distribution the sum of $206.oo,then at time of distribution,it is ordered that he pay to the said Ralph eller,as such administrator the difference to which he is entitled to receive and the said sum of $206.oo;and, if not so paid,said difference to be a charge and lien on said premises until apid.
It is further ordered that an order of sale be issued herein to the said Ralph Heller such commissioner,accordingly, and that he make return of his proceedings

and sale under this decree to this court for further orders. JohnW Dailey Probate Judge

The court further find that the bond heretofore given by the plaintiff as administrator of the estate of Nannie Depp in the amount of $4000.00 is sufficient, it is ordered that the giving of an additional bond be dispensed with. of John W. Lane, Dec'd., Plaintiff, vs.
Ralph Lane, et al., Defendants.
This matter came on to be heard upon the petition of the plaintiff for authority to sell real estate of the above decedent on consent of the beneficiaries of said estate and the Answer and Cross Petition of Hazel Lane, Guardian of Mary E. Lane and Eugene Lane, Minor Defendants over 14 years of age, and Twila Jane Lane and Vernon Dwight Lane, Minor Defendants under 14 years of age, the other defendants being in default of Answer, although served with summons according to law, and such service of summons is hereby approved, or have voluntarily entered their appearance and consent to the sale prayed for, and are properly before the court. The court finds from the evidence that all necessary parties are before the court and thatthe prayer of the petition should be granted. The court further finds that the real estate described in the petition was appraised by the appraisers of the estate as follows,to-wit: Tract No. I, 57.10 A., $4,275.00, Tract No. II, 50 A. 2,500.00, Tract No. III, 20 A., 800.00, and that therefore a further appraisement is dispensed with. The court further finds that the bond heretofore given by the plaintiff as administratrix of the estate of John W. Lane, deceased, is sufficient and therefore, the giving of an additional bond should be and the same is hereby dispensed with. Thereupon, on motion of the plaintiff, and it appearing to this court that it would be more to the interest of the estate of John W. Lane, deceased, to sell said real property in the petition described at private sale than at public sale; it is therefore, ordered that said Hazel Lane as such administratrix shall proceed to sell said real estate at private sale for not less than the appraised value thereof and on the following terms, to-wit: cash in hand. It is further ordered that the plaintiff shall make due return of her proceedings and sale to this court for confirmation.

June Hough, Michael Hough,

Minors.

This cause came on to be heard on the application of Lee James Hough for authority to settle the claims of William Hough, aged 9, June Hough, aged 6, Michael Hough, aged 4, Kay Hough, aged 3 and Charles Hough, aged 2, for personal injuries suffered by them on April 8, 1944, when an automobile in which said minors were riding was struck by a motor truck of Charles M. Burnside, doing business as Burnside Motor Freight Lines, said settlement to be made without the appointment of a legal guardian of said minors. Whereupon, the Court finds from the evidence adduced in open Court that on or about the 8th day of April, 1944, said minors suffered slight injuries in a collision between a motor truck owned and operated by Charles M. Burnside, doing business as Burnside Motor Freight Lines, of Urbana, Ohio, and an automobile in which said minors were riding, which collision occurred on Ohio State Route 4 between the cities of Marysville and Marion, Ohio; that no suit has been brought against the said Charles M. Burnside; and that, while denyign all liability on account of said injuries and damages, Charles M. Burnside, doing business as Burnside Motor Freight Lines, has offered through The Travelers Indemnity Company, in full settlement of said claims, the sum of $100.00 and the costs of this proceedings. The Court further finds that the applicant, Lee James Hough, is the father and natural guardian of said minors, and the person by whom said minors are maintained; and it appearing to the Court that the sum offered in settlement of said claim is less than $500.00, and that a settlement of said claim on the basis proposed and without the appointment of a guardian would be for the best interests of said minors; It is, therefore, ordered and decreed by the Court that the said Lee James Hough, as father and natural guardian of said minors, be and he is hereby authorized to negotiate, and to receive and receipt for, such settlement, without the appointment as guardian of said minors, and the Court authorizes the payment of said money to the said Lee James Hough, and further authorizes him to execute to the said Charles M. Burnside, doing business as Burnside Motor Freight Lines, a full and complete release from all further liability on account of said accident and the injuries arising therefrom; and it is further ordered that such payment shall be a complete and final discharge of said claim.

Porter as executor is sufficient to cover double the total real and personal assets, it is hereby ordered that the giving of an additional bond be and hereby is dispensed with. And it appearing to the court, upon satisfactory evidence, that it would be more to the interest of said estate to sell the real estate described in the petition at private sale it is now ordered that William J. Porter as such executor, sell, as provided by law, the real estate in the petition described, at not less than the appraised value thereof, on the following terms, to-wit: cash in hand.
