Journal Entry Finding Sale Necessary and Ordering Private Sale

This day this cause came on to be heard upon the petition of the plaintiff for authority to sell real estate of the decedent to pay debts of her estate, and the answer and cross-petition of the Division of Aid for the Aged, in the Department of Public Welfare of the State of Ohio, and the answer and corss-petition of the Citizens Federal Savings & Loan Association, all other parties defendant having waived notice. The court further finds from the evidence that all necessary parties are before the court and that the prayer of the petition should be granted. The court further finds that the real estate described in the petition was appraised by the

appraisers of the estate in the sum of \$3000.00, and orders that a further appraisement be dispensed with. The court further finds that the bond heretofore given by the plaintiff as administratrix of the estate of Anna Hedges, deceased, in the sum of Six Thousand Dollars (\$6000.00) is sufficient and that the giving of an additional bond be dispensed with. And it appearing to the court, upon satisfactory evidence, that it would be more to the interest of said estate to sell the real estate described in the petition at private sale, it is now ordered that Beatrice M. Parthemer as such administratrix sell, as provided by law, the real estate in the petition described, at not less than the appraised value thereof, on the following terms, to-wit: Cash on delivery of deed. And plaintiff is ordered to make return forthwith upon such sale. And this cause is continued.

14992 In the matter of the Guardianship of Hattie Taylor, an incompetent This day this cause came on for hearing upon the application of the guardian for authority to expend money for the support and maintenance of Hattie Taylor, the ward. The Court finds from the evidence adduced that said ward is now being kept and maintained in a home formerly owned by said ward and deeded to Ida Cumston; that said Ida Cumston had agreed with said ward and later with said guardian to support and maintain the ward upon the payment of said guardian to Ida Cumston the sum of \$25.00 per month, with further consideration of the transfer to Ida Cumston of the real estate which had heretofore been made in May of 1944. It appearing to the Court that so long as Hattie Taylor is in the home which she has heretofore deeded to Ida Cumston that the said sum of \$25.00 per month is a reasonable amount to be paid for the support and maintenance of said ward. It is therefore ordered by the Court that said guardian be authorized to expend not to exceed the sum of \$25.00 per month beginning as of the first day of April, 1946 and continuing each and every month thereafter, until further ordered of the Court. Said guardian is also authorized to expend not to exceed \$100.00 per month for drugs and medical expenses; to take receipts for all such expenditures and file the same with his next account. John W. 15164 IN THE PROBATE COURT OF UNION COUNTY, OHIO In the matter of Earl Moore, a minor. This cause came on to be heard upon the application of Harlon Moore for authority to settle a claim of Earl Moore, a minor age 12 years for injuries to person and property wrongfully caused by George T. Bowyer without appointment of a legal guardian of said minor. The Court find that on or about the 29th day of August, 1946 said minor was struck by an automobile owned and operated by George T. Bowyer has offered in full settlement of said claim the sum of \$20.00. The court find that the applicant Harlon Moore is the father and natural guardian of saidminor and the person by whom said minor is maintained; that the sum offered in settlement is less than \$500.00 and that a settlement thereof on the basis proposed and without the appointment of a guardian would be for the best interests of said minor. This matter came on to be heard upon the petition of the Plaintiff for authority to sell real estate of the above decedent to pay debts of his estate. The answer of Sturgis H. Cheney

estate of the above decedent to pay debts of his estate. The answer of Sturgis H. Cheney Guardian of Walter LeRoy Elliott, a minor 18 years of age, and Lewis Robert Elliott a minor 16 years of age, and all other Defendants having waived the issuance and service of process herein and consented to a sale of the real estate as prayed for. The Court finds from the evidence that all necessary parties are before the Court and that the prayer of the Petitioner should be granted.

The Court finds that certain of the real estate described in the Petition as Tract Ill, being 10% Acres, more or less, in the Township of Claibourne, Union County, Ohio was appraised by the appraisers of the estate at Nine Thous nd Two Hundred Fifty Dollars (\$9,250.00) and the Court orders that a further appraisement be dispensed with.

The Court finds the Bond heretofore given by the Plaintiff as Administrator of the Estate of William L. Elliott, deceased, in the amount of Thirty Thousand Dollars (\$30,000.00) is sufficient and that an additional bond is dispensed with.

It appearing that private sale would be to the best interest of the estate, it is ordered that the said Robert A. Ports, or. as such Administrator sell said real estate at private sale at not less than the appraised value above set forth for cash, upon the delivery of the deed to the purchaser.

It is ordered that said Robert A. Ports, Sr., as such Administrator, make return of sale without unnecessary delay. John W. Dailey Judge (Seal)

IN THE PROBATE COURT OF UNION COUNTY, OHIO

In the Matter of the Estate of William L. Elliott, deceased.

This day this cause came on for hearing upon the application herein filed for extraordinary services and expense incurred by Robert A. Ports, Sr, in the Administration of this estate. Upon consideration thereof the court finds that the Administrator filed his application with the court for the authority to continue the business of the decedent and to complete the erection of a building upon the real estate of the decedent.

The court finds from the evidence produced that the Administrator operated the business of the decedent and finished the construction of the building upon the real estate; that the continuation of the business and the completion of the building were services not common and ordinary rendered or required in the administration of the estate.

The court further finds the reasonable value of the services rendered in the operation of the business of the decedent and the completion of the building to be in the amount of Five hundred (\$500.00) Dollars.

Wherefore the court allows to said fiduciary, in addition to the allowance for ordinary services, the sum of Five hundred (\$500.00) dollars for extraordinary services rendered not required in the common course of his duty.

Exceptions noted to all interested parties. John W. Dailey Probate Judge (seal)
